# Greater Productive Efficiency!

OWER cost-greater productive efficiency. These are vital factors to the manufacturer who is planning to move his factory away from congested centers of population.

-Widespread power distribution and improved transportation facilities have fitted the smaller cities and towns for industrial purposes. Where living costs are lower, a lower wage scale is as effective as high wages in the large cities. Where living conditions are pleasant and home owning within the reach of moderate incomes, workers are conservative, productive, permanent. Where getting to and from work is unhurried and uncongested, valuable human energy is conserved.

THE cities and towns of West Texas have all these advantages to offer. With its 70,000 horsepower of electricity, available, its three great generating stations and 15 auxiliary, plants, this company insures industries abundant uninterrupted service, similar to that enjoyed in the great metropol-

# Don't Guess

There are a lot of motorists who buy repairs on "guess." The repair man's "guess" on the price is like most guessing-usually far from what it should be.

There's no guess work to the Chevrolet Motor Company's Flat Rate System of Labor. It is a cost system devised by Chevrolet based on a high grade factory job, using factory specified equipment-and factory standards of HIGH GRADE WORKMANSHIP.

You buy suits-food-service of all kinds, and you know IN AD-VANCE what the cost will be. Isn't it logical to buy your Chevrolet repairs the same way?

The best way to convince yourself is to drive in TODAY. RE-MEMBER we will gladly check over your car-and not one cents worth of repair will be recommended unless actually needed.

# UNLIMITED HOT WATER

You and your family deserve the convenience and comfort of dependable hot water service. The question of cost is no longer a factor Indeed, you can effect an added economy in your home with the AMERICAN ACE automatic gas-fired storage system. It consumes less fuel than the troublesome old type of heaters.

And think of the joy of getting steaming hot water with just a turn of your faucet! Imagine having all the hot water you can use any hour of the day or night in winter or summer. There is nothing to watch-no burner to light. Your hot water service is automatic-always present and abundant.

You can't afford to go without this economical and convenient servant at the present cost, which is the lowest price at which such a modern, efficient hot water system has ever before been sold.

# A Storage System of Superior Quality

Combines the most carefully tested features that rightly designate it an ACE among water heaters. It is absolutely safe, efficient and durable. Hot water available at all times-no labor-no burner to light-requires no attention or care. No loss of fuel or heat-uses only gas-gives perfect hot water service at minimum cost.

A small 95c down payment installs the AMERICAN ACE in your home The balance is paid in very small amounts added to your monthly gas bill. You'll never notice the expenditure. And you are buying this very complete and efficient hot water heater at an extraordinarily low

## Weinert Man Buried Wednesday

The funeral of John W. Morton was held in the Methodist Church in Weinert last Wednesday afternoon at 3 o'clock by Rev. Cecil Fox who his remains were laid to rest in the Weinert cemetery A large con-

Mr. Morton passed away Alamogordo New Mexico, Friday May the 17, after an illness of just a few hours. He had gone to Highrolls. New Mexico for work as he had a brother living out there and had been there about two weeks and started home in a car and was taken sick and stopped in Alamogordo where he underwent an operation for Acute Indigestion and never came from under the operation. Mr. Morton was 43 years of age and has lived in Weinert for quite a while and was engaged in the Blacksmith business. He was a member of the Methodist Church was known as a true Christian gentleman whose life was spent for his Master and in duty to his family. He will be keenly missed by loved ones and friends but we have the assurance that he has made the change to a better land and will there await the coming of his loved ones and friends.

His remains arrived in Weinert Tuesday afternoon and were kept at the home until the funeral hour. He is survived by his wife and several

GRAHAM MAN HERE IN NEW AEROPLANE

R. S. LeSage of Graham, owner of the Haskell Motor Company, local Ford dealers, was in Haskell Wednesday. Mr. LeSage made the trip to Haskell in his new American Eagle aeroplane, which was piloted by Bill Garrett of Archer City. Carl Whitmire of Graham was a third member of the party, all three being comfortably accomodated in the new

Mr. LeSage recently purchased the aeroplane, which will be used for making trips between Graham, Archer City, and Haskell, where he owns Ford agencies. The run from Graham to Haskell was made in fifty-five minutes, according to Mr. Le-Sage, compared to several hours which would be required in trav-

eling by automobile.

The plane landed on the Pin kerton farm one mile west of the city, and a number of people were attracted to the temporary landing field where they is ted the new plane.
