

THE WEST TEXAS FAIR AT ABILENE TO OPEN MONDAY

Every day of the West Texas Fair to be held in Abilene next week, will be a big day. T. C. Campbell, president of the exposition says.

Special entertainment features have been arranged for each of the six days, in addition to the regular program that will be offered all during the week.

Monday opening day, will be "School Day." Every child of public school age will be admitted to the fair grounds without admission on that day. Two high school football games will be played. At 10:30 a. m. Ruby and Merkel will play on the fair grounds, and at 2:30 in the afternoon, the Abilene Eagles, state high school champions in 1928, will meet the Sweetwater Mustangs.

A rodeo, horse show, by race and a polo game will be the offering for Tuesday afternoon. This program will attract some of the best riders and ropers in the southwest and a big assortment of ring stock and fast polo horses will be shown.

Wednesday will be the automobile race day. Indications are that this will be one of the most warmly contested affairs ever staged in Abilene. Already more high-powered cars and daring drivers have entered than have been here for the past three years.

On Thursday, which will be "Ex-Service Men's Day," a military maneuver program, an artillery sham battle, polo game and horse race will be given. A big parade will be staged in the morning and the former soldiers, sailors and marines will be given a barbecue at noon.

McMurry College of Abilene and Randolph College of Cincy will play football at the fair Friday afternoon and Simmons University of Abilene will meet the Texas University team Saturday afternoon.

Each night during the fair the "Winter Garden Potties" will be presented in front of the grandstand free of charge. Harley Sadler's Company will give two shows each day in the auditorium and the Lauchman-Carson shows will be on the midway with a big assortment of fun-providing affairs.

The famous Cowboy Band will play each day of the fair and the exhibits of all kinds will be open and full of interest.

Poultry Exhibits To Be Feature of Rule Fair

"The biggest poultry show to be held in this section of the state," is the version of P. O. Baxton, in referring to the poultry department of the Community Fair to be held in Haskell, Thursday, Friday and Saturday of next week. Baxton was in Haskell the first of the week talking the poultry show at Rule and asking the officials of this part of Haskell county to take part in the competition.

Wesley Applegate, veteran Buff Wyandotte breeder of the south and the best pouter man of this breed in this section, states that he will have a string of show birds at the Rule Fair, while Mrs. W. P. Tree, also of this city, will be in the money for her Blue Wyandottes at the show. Other Haskell breeders to take part in the Rule show are Mrs. O. V. Payne and J. P. Payne.

Officers Future Farmers Club Hold Conference

The officers of the Future Farmers Club of Haskell High School held a special conference, Monday, during which time some very important matters were discussed and settled. They were very glad to have with them, Mr. Dykes, the State Supervisor of Project Work. Mr. Dykes was the big part of the meeting, he being a great help to the solution to some very important problems.

After a vote it was decided that as a minimum the following things should be had, when used as a project:

- Poultry—200 baby chicks.
- Cotton—5 acres.
- Onions—1 acre.
- Grain Sorghums—10 acres.
- Wheat or Oats—15 to 20 acres.
- Animal projects were undecided although it was decided that hogs should not be used as a project alone.

Herring Cox

Miss Evelyn Cox of Rule and Ivey Herring of Turnersville, Texas were married Saturday afternoon. Judge Joe A. Jones performing the ceremony. Miss Cox is the daughter of Mr. and Mrs. D. B. Cox and was a senior in the Rule schools last year. Mr. Herring is the son of Mr. and Mrs. J. W. Herring of Turnersville. They will make their home in that city.

Senior Class Elects Officers

A meeting of the Senior Class of Haskell High School was held last week for the purpose of electing its officers. After a few minutes of trouble and debate the victorious officers were found to be, Vivian Bernard, president; Cecil Leflar, vice president; J. E. Walling Jr., secretary; Clarence Whitaker, treasurer; and David Ratliff, reporter. After the election the president took the chair and appointed as a social committee, Raymond Liles, Lois Stoker, Catherine Wingo. Then a ring committee was appointed, the members of which are, Clarence Whitaker, Bessie Bee Kaigler and Selma Maples.

Class sponsors were next in order for selection and Mr. and Mrs. Geo. V. Wimlish were readily selected. Class rings were then talked of and the same rings that were used last year were selected.

Everything seems to look alright now and the 1929-30 senior class is lined up to be the best senior class that Haskell has ever had.

FOR RENT—Modern six-room house, east front, corner lot, on paved street; all modern conveniences; will rent furnished or unfurnished to responsible parties; or would sell. Mrs. R. D. Baughman, Phone 283, P. O. Box 542, Haskell, Texas. tfe.

TIME TO PLANT SMALL GRAIN FOR PASTURE

Pointing out that oats, barley, rye and wheat are all valuable winter pasture crops for livestock and poultry in most parts of Texas, as well as serving a very useful purpose as cover crops to hold available plant food in the soil, E. A. Miller, Extension Agronomist, suggests early sowing of these crops to get the most out of them. Experience has shown he says, that small grains sowed by the middle of September furnish more grazing than crops seeded later.

To get early pasture, these crops may be drilled between cotton or corn or grain sorghum rows with a small grain drill, or may be broadcast and then covered by use of a fine-tooth one-row cultivator, harrow or other scratcher. Seeding should be thick, at the rate of about 60 pounds per acre, if grazing is desired.

When the crop is to be saved for grain or hay as well, it is advisable,

Mr. Miller states, to spray out or barley seed with a formaldehyde solution at the rate of one pint of formaldehyde to ten gallons of water to prevent smut. This amount will be enough to treat 40 bushels of seed. After spraying, the seed should be shoveled over two or three times, placed in a pile and covered with a wagon sheet for several hours. It may be sowed without further drying.

Wheat smut is controlled by the copper carbonate treatment. The seed is placed in a tight container so arranged that it can be revolved on an axis. From two to three ounces of powdered copper carbonate should be sprinkled on every bushel of seed and thoroughly mixed by revolving the container.

LOST—Pair of shell rim glasses on high school ground or in town. Finder return to Manly Branch at Postoffice. 1tp.

Born to Mr. and Mrs. C. A. Ross, on Friday Sept. 13th, a fine girl.

Mr. Bud Harris and family of Midway spent Friday with Mr. and Mrs. M. H. Harris.

Tommy Morgan left last Wednesday for Dallas to get work.

Mrs. M. H. Harris is on the sick list.

RELIGIOUS FANATICS

Recent attacks on the Jews of Palestine by fanatical Moslem Arabs again illustrates the unfortunate fact that the world's most violent and unreasoning hatreds still have their source in differences over religion, as has been the case from the earliest times.

In all ages religious zealots have sought to exterminate those of other faiths, in the apparent belief that by so doing they would gain the favor of the Almighty. Persecution, torture and wholesale massacre have been employed to this end, among both savage and supposedly civilized peoples. It is interesting to recall in this connection the approval of Rev. Cotton Mather, foremost scholar of his day, of a plan to capture William Penn and his band of Quakers on the high seas while on their way to America, and sell them into slavery. Mather wrote in 1682: "Much spoil may be made by selling the whole lot to Barbadoes, where slaves fetch good prices in rum and sugar, and we shall not only do the Lord a great service in punishing the wicked, but we make great gains for his mind and people." The same intolerant spirit in our own day, not only among fanatical Arabs, but among people of all faiths, including many who call themselves Christians.

SAYS HE'S LIKE MAN MADE OVER NEW NOW

"I feel like a new man—made all over again and I'm glad to tell the whole world what Sargon has done for me.

"For the first time in 15 years I am free from pains and feeling fine. I've gained twelve pounds, too, and that's something worth talking about because I certainly was in a terrible rundown condition. There's no doubt in our minds whether the average boy would rather be the Edison scholarship winner or the 13-year-old boy who signed a Cub contract.

Some people have an aim in life but are too lazy to shoot. Arizona is still spelling it "Boulder Dam." Some men's greatest ambition is to make a hole in one. Men may yet adopt the feminine idea of less clothing at greater cost.

BETTER HIGHWAYS NEEDED IN TEXAS

A signboard ten feet square with the big lettered words "Danger—Sharp Curve" clearly outlined against a background of black and white stripes is placed in plain view along a highway in Iowa. Two people were recently placed in a hospital because they didn't see that warning.

This merely illustrates that in automobile accident prevention, chief consideration must be given to the human equation, personal element, or whatever other name can be applied to human frailty.

State records show that 65 percent or more of motor car accidents may be attributed to car operators and that a tenth to a third of the mishaps are due to the negligence of pedestrians.

Automobile accidents are increasing, taking the country as a whole. Car usage is growing for two reasons: 5000 cars are added to those present every day, and better roads and the tendency toward motorization lead to more intensive use of every motor car.

Much can be done, of course, to cut down the human factor in accidents, yet there is this, too, to be considered. Highway facilities must be constructed that will reduce to a minimum the possibility of human error in driving cars.

Automobiles capable of high speeds are without doubt here to stay, unless some faster means of transportation is created. Laws cannot train man to be a better

judge of speed or distance and so long as inadequate highway facilities exist car accidents will occur.

Fortunately, for most safe highway facilities there is a dollars and cents justification. Highway grade separations, whereby one road or street passes over another at intersections, compensate for their cost tunnels, which permit foot traffic where traffic is heavy. Pedestrians topass safely and speedily under busy thoroughfares, also are economically feasible. The same is true of railroad crossings, of double-decked highways, of wide streets and roads.

Twenty-seven thousand people are yearly dying in car accidents. This is too many.

Some men's greatest ambition is to make a hole in one. Arizona is still spelling it "Boulder Dam."

Some men's greatest ambition is to make a hole in one. Men may yet adopt the feminine idea of less clothing at greater cost.

HELPING TO BUILD TEXAS

Urging Texans to take their summer vacations in Texas, the Dallas Journal says he would "return to his home a better informed and more contented citizen than he has been. In many sections of the state there are evidences of improvement and prosperity that would make an optimist and enthusiast of any Texan who has a close-up look at them for the first time."

That on or about the 22nd day of March, 1925, plaintiff was legally married to the defendant in Haskell County, Texas, and continued to live with the defendant as his wife, until about the 22nd day of May 1925, when the defendant, without any cause or provocation whatever did voluntarily leave and abandon plaintiff, with the intention of living separate and apart from her, and has continued to so live.

From the bee industry Texas realizes every year a sizable contribution to its income. From queens and live bees alone Texas apiarists get around \$50,000 a year, the queens alone bringing \$10,000 to \$15,000. From honey and wax exported the income totaled in 1928 considerably over a half million dollars and with domestic consumption the total value of the 1928 crop was estimated at \$1,088,454 from a total investment of \$1,247,430 by the 4,000 beekeepers of the state, with 250,000 colonies of bees.

Texas poultry shipments to major markets in 1928 totaled 27,000,000 pounds, putting the state in fifth place in poultry shipments.

Clarendon is seriously considering adoption of a city plan, and a survey from a topographic and traffic viewpoint is to be made soon. Texas cities are falling in line in the effort to plan seriously for future conditions.

The dates of the West Texas Chamber of Commerce convention have been set for Oct. 24-26 at El Paso, postponement from the usual time being due to the expected visit of President Hoover to Texas at that time. An even larger atten-

dance than usual is expected, and the organization's annual conventions have drawn tremendous crowds for these many years.

Citizens of the Southwestern part of the state will seek to get the state to buy 20,000 acres in the Davis Mountains for use as a State Park. If the state can secure park sites on a reasonable basis—not a few of the designated state parks have been given—a state park system would be an ever increasing source of pleasure to the future citizens of Texas. With few exceptions, however, the state has shown little interest in the maintenance and improvement of those parks already received.

Citation By Publication

The State of Texas, To the Sheriff or any Constable of Haskell County—Greeting:

You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the County of Haskell if there be a newspaper published therein, but if not then in a newspaper published in the nearest County to said Haskell County, for four consecutive weeks previous to the return day hereof, Ezekiel Green and the unknown heirs of said Ezekiel Green, W. L. Mitchell and the unknown heirs of said W. L. Mitchell, and the unknown heirs of James E. Patton, Deceased, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be held in the County of Haskell at the Court House thereof, in Haskell, Texas, on the Fourth Monday in day of September, A. D. 1929, then and there to answer a Petition filed in said Court, on the 20th day of August A. D. 1929, in a suit numbered on the Docket of said Court No. 4029 wherein Mrs. Mary Jane York is plaintiff and G. W. York is defendant. The nature of the plaintiff's demand being as follows, to-wit: A suit for a divorce, and the plaintiff alleges as follows:

That on or about the 22nd day of March, 1925, plaintiff was legally married to the defendant in Haskell County, Texas, and continued to live with the defendant as his wife, until about the 22nd day of May 1925, when the defendant, without any cause or provocation whatever did voluntarily leave and abandon plaintiff, with the intention of living separate and apart from her, and has continued to so live.

That plaintiff never caused, procured nor consented to defendant abandoning her, and that defendant refused to live with her any longer and still refuses to do so.

That plaintiff's name before her said marriage to the defendant was Mrs. Mary Jane Merchant.

Wherefore, plaintiff prays that the defendant be cited in terms of law to appear and answer herein, and that on final trial she have judgment from the court dissolving the said marriage relations, that her former name of Mrs. Jane Merchant be restored to her by judgment of the court, for costs of suit, and for such other and further relief, general and special, legal and equitable, to which she may be justly entitled, etc.

Herein fail not, and have you before said Court, on the said first day of the next term thereof this Writ,

showing how you have executed the same.

Given under my hand and seal of said Court, at office in Haskell, Texas, this the 20th day of August A. D. 1929. 4tc

Lois Earnest, Clerk District Court, Haskell County, Tex

Citation By Publication

The State of Texas, To the Sheriff or any Constable of Haskell County—Greeting:

You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the County of Haskell if there be a newspaper published therein, but if not then in a newspaper published in the nearest County to said Haskell County, for four consecutive weeks previous to the return day hereof, Ezekiel Green and the unknown heirs of said Ezekiel Green, W. L. Mitchell and the unknown heirs of said W. L. Mitchell, and the unknown heirs of James E. Patton, Deceased, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be held in the County of Haskell at the Court House thereof, in Haskell, Texas, on the 23rd day of September, A. D. 1929.

Then and there to answer a Petition filed in said Court, on the 20th day of June A. D. 1929, in a suit numbered on the Docket of said Court No. 1020 wherein Earl Morrison is the plaintiff and Ezekiel Green et al are the defendants. The nature of the plaintiff's demand being as follows, to-wit:

1. That on the 20th day of October, A. D. 1928, the Plaintiff was, and still is the owner in fee simple of the following described premises situated in Haskell County, Texas, to-wit: The West one third (1/3) of W. G. McDaniel survey, Pat. 385, Volume 33 described by metes and bounds as follows:

Beginning at the N. W. corner of said McDaniel Survey;

Thence S. 1/30' W. with W. boundary line of said McDaniel Survey 2023 varas to the S. W. corner of same;

Thence E. along the S. boundary line of said McDaniel survey 729

varas to the S. E. corner of this tract;

Thence N. 0 15' E-2011 varas to the N. E. Corner of this tract in the N boundary line of said McDaniel survey;

Thence W. along said N. boundary line of said McDaniel survey 600 varas to the place of beginning, and containing by actual survey 253.5 acres.

That on such day the plaintiff was in possession of said premises and that afterward on the 21st day of October, 1928 the defendants unlawfully entered upon and dispossessed him of such premises and with holds from him the possession thereof.

Defendants have occupied and used such premises under such unlawful possession for a period of six months and the rental value thereof during such occupancy is two hundred fifty and no-100 (\$250.00) dollars in which amount by virtue of such wrongs the defendant is justly indebted to plaintiff; but, though repeated demand for the payment thereof has been made of defendant by plaintiff, defendant has failed and refused, and still fails and refuses to pay the same, the plaintiff's damage in the sum of Two Hundred fifty and no-100 dollars.

Wherefore plaintiff prays that the defendant be cited to answer this petition, and that plaintiff have judgment for the title and possession of the above-described premises, for his damage, for costs of suit and for such other and further relief as he may be entitled to either as law or in equity.

E. V. Hardwick, Attorney for Plaintiff. This action is brought as well to try title as for damages. E. V. Hardwick, Attorney for Plaintiff. Herein fail not, and have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon.

showing how you have executed the same.

Your new car will be worth more a year from now if it's an EIGHT!

STUDEBAKER Eights

Every month it becomes more obvious—motorists want the sweep of power, the smoothness, the thrilling acceleration—and the distinction of the Eight.

In eight key states new car registrations for the first six months of this year showed a 90 per cent increase in Eights above \$1000—while Sixes above \$1000 decreased 16 per cent.

Studebaker offers three great lines of Eights that hold more American stock car records for speed and stamina than all other makes combined. Eights of brilliant performance—economical as the thriftest Sixes. So supremely ahead of the times that public response already has made Studebaker the largest maker of Eights in the world.

Why not get an Eight—a smart new Studebaker Eight? Enjoy it today and have a car that will be worth more a year from now—because Eights will then be at a premium in a used car market glutted with Sixes.

Dictator Eight Sedan . . . \$1231 Commander Eight Sedan \$1475 President Eight Sedan . . . \$1735 Four-Door Sedan Models. Prices at the factory

RELIEF that is REFRESHING

"We have used Theford's Black-Draught for years in our family. I can highly recommend it for many ailments. We take it for colds and for constipation. I have four children, and I give it to them. When my little girl gets bilious, or complains of headache, I give her a treatment of Black-Draught, and she is all right in a day or two. Sometimes when I have indigestion from improper eating, I have headaches. Then I take Black-Draught. I always feel fresh, and have more energy after I have taken it."—Mrs. E. Reich, 2218 East First Street, Austin, Texas.

Black-Draught

When you feel that you need relief, take Black-Draught. It is the most refreshing and refreshing medicine you can take.

POSITION OF FIELD EDITOR DISCONTINUED

On account of the business depression general over this section, we are forced to announce the discontinuance of the position of Field Editor which has been held by Mr. W. M. Free. We regret to lose his services on the paper and trust that business conditions will soon revive sufficient to justify the heavy expense of keeping a man in the field. In the meantime we will do our best to handle the work from the office and ask that our readers cooperate with us in giving the news of the entire county. Any assistance rendered us will be appreciated.

O. C. Harrison, Publisher of the Baylor County Banner is receiving the congratulations of the newspaper boys from over the state on a sixty page edition of the Banner issued recently in celebration of the fiftieth anniversary of the opening of the townsite of Seymour and incidentally boosting the Baylor County Fair which was held last week. For some reason we failed to receive our copy of this splendid paper, but we know that it is bound to be good as Editor Harrison never puts over anything in a half-hearted manner.

The Knox County Herald at Knox City, changed hands recently. Mr. R. B. Boyles selling the plant to Mr. and Mrs. H. B. Sweeney who are experienced newspaper people and are planning to make extensive improvements in the equipment of the plant, including a type setting machine. We regret to lose Mr. Boyles as a neighbor, but are glad to welcome Mr. and Mrs. Sweeney to this section.

Editor Harris of the Rule Review "strutted his stuff" last week, presenting his readers with a 16-page Special Fair edition boosting the Rule Community Fair which is being held in that city this week. The edition is well patronized by a large list of advertisers, and the paper is a credit to Editor Harris and his efficient force, as well as a great boost for the Fair.

HIS FATAL MISTAKE

This is a story of a prudent man, as told by a Kansas Newspaper: He brushed his teeth twice a day, wore rubbers in wet weather, did his daily dose, slept with windows open, was careful about his diet, had a medical examination twice a year, never smoked, drank, or indulged in any kind of excesses. He was all set to live to be 100 years old. The funeral was held last Wednesday.

Good Bye

INTREPID RULE COUPLE START MARTIAL CAREER ON FRIDAY THE 17TH

Friday the 17th, conceded by the superstitious as the worst possible date for the inauguration of any new venture, held no terrors for a young Rule couple last week. They deliberately chose this date for the beginning of their martial career, setting aside the advice of their more superstitious friends as of no consequence.

The license was issued somewhat shakily, it is said, by County Clerk Jason W. (Rabbit Foot) Smith—who walked three miles around the trail of a black cat last summer during the heat of the campaign—and the couple proceeded upstairs to the office of County Judge Joe A. Jones, who performed the ceremony for the intrepid young people (after he had turned around three times and thrown a pinch of salt over his left shoulder.)

Rival contestants complained that some of Baltimore's juvenile flag pole sitters are really liars.

However Mrs. Willebrandt's zeal for prohibition may be discounted, she can hardly be accused of having anything in common with a speak-easy.

The announcement that vitamins have been found in hash need cause no surprise. Nearly everything else has been found in that delectable dish.

The Graf Zeppelin's recent successful world girdling flight can hardly be attributed to the pilot smoking a certain brand of cigarette since no smoking was allowed aboard.

Mr. Wrigley could advertise his gum by attributing the success of the Cubs to chewing only Wrigley's Spearmint.

Divorcees are said to be declining. Maybe it's getting easier to get along with women.

If this new front drive automobile eliminates the back seat driver its popularity is assured.

"A man loses 50 per cent of his liberty when he marries," says a headline. Try and find a man with that much liberty.

When a man dies he's soon forgotten, unless his widow marries again, in which case hubby number two never has a chance to forget him.

Miss Ora Mae Haney of Ft. Worth was last week's guest of her mother, Mrs. Bertha McNeil.

Money To Loan

On Farms and Ranches by the JOHN HANCOCK LOAN COMPANY, the best Loan Company doing business in West Texas. We give you a low rate of interest payable annually, any month you want to pay interest, an inspection or attorney fee, and no stock to take, with option to pay \$100.00 or any multiple of \$100 at end of any year up to one fifth, without notice. You get all the money you borrow.

We write only one deed of trust and one note, no commission notes that you have to pay in full for the entire life of the loan no matter how much you pay before maturity of the principal note. When you pay \$100 or more on our loan it stops ALL INTEREST on the amount paid.

Come in and see us and let us explain the John Hancock Loan to you, and the loan where they write two deeds of trust and two sets of notes. Few farmers understand the difference between these loans. I have been in the loan business for 44 years. If you are considering making a loan I would advise you to get it before the end of the year. Conditions are not good, and interest may get higher.

TON MAKES FAIR PROGRESS

Cotton crop made fair progress in most sections of the belt last week, but picking and ginning were interrupted rather extensively in parts because of frequent rains. The department of agriculture at Washington announced today in its weekly weather report that heavy rains in Texas have stopped picking and ginning and favored the normal development of bolls. Prospects for a top crop are poor because of the lateness of season with the general country very spotted, the report said. Progress also was reported in Oklahoma, but with local damage to some loss from heavy, beating rains with bolls opening more slowly and picking and ginning interrupted.

In Arkansas the advance was good in most portions, but only fair in some wetter sections. Much cotton is open and being picked rapidly. The bulk of the cotton in Louisiana is open, with picking retarded by rain, while in the eastern gulf states too much moisture caused some damage to open bolls and retarded harvesting. Progress in Tennessee was fairly good in the west and rather poor in the east, while some late cotton showed improvement in northern Georgia. In the Carolinas, progress continued fair to good. Bolls opened rapidly in South Carolina and are opening in north Carolina although there were increased complaints of shedding in parts of the latter state, especially the central and north-eastern sections.

Large Audience Hears Dr. Packard at Christian Church

Dr. Paul Henry Packard, the widely known pastor of the Church of The Air, radio station KGKO, Wichita Falls, Texas, preached to a large congregation in the auditorium of the First Christian church, Haskell last Sunday morning. It is superfluous at this time to reiterate the great popularity that Dr. Packard has attained through his radio services. He has gained the confidence of the people and they pour out their hearts to him supplicating his prayers for every known ache of the heart and soul and bodily ailment. There were friends and admirers of Dr. Packard from Rule, Weinert, Stamford, Munday and other adjacent communities as well as from Haskell last Sunday morning. Dr. Packard drove through in his car from Wichita Falls bringing his family with him. They were entertained at the noon hour in the home of Mrs. Bertha McNeill and drove back to Wichita Falls in the afternoon.

"HELL ON THE BORDER" IN WESTERN THRILLER

The thrilling historical drama "EL BANDIDO" based on the life and incidents of Mexico's Phantom Bandit and Rebel Leader, Pancho Villa, to be shown at the Texas Theatre, Sept. 25 gives William Russell a part true to his own heart as chief of the Texas Rangers. An unusual educational exhibit will be on display in the theatre lobby on day of showing, consisting of a wax figure of the noted bandit and his famous horse attired in a beautiful Mexican hand carved and special trimmed saddle. The picture is having a popular run throughout the state comes highly recommended by leading exhibitors as an out of the ordinary road show attraction that is well worth seeing.

Classical Club Organizes

The Classical Club of the Haskell High School was re-organized, Tuesday September 17th and the following officers were elected: Felicia Siegel, president. John Oates, vice president. Edith Foote, secretary. Clifton Crawford, reporter. "Non sibi, sed omnibus," was selected as the club motto and green and white were selected as the club colors. Miss Carman is sponsoring this club and they are expecting to do more and even better work than they did last year.

STORY OF COTTON TO BE TOLD BY FEDERAL EXHIBIT AT COTTON SHOW

The story of cotton and its many features of an exhibit now being used, new and otherwise, will be prepared by the U. S. Department of Agriculture for the National Cotton Show held in connection with the Mid-South Fair and Dairy Show at Memphis, Tenn., September 28 to October 5.

In the development of the part of the exhibit pertaining to the utilization of cotton, the department had the cooperation of the New Uses for Cotton Committee, the U. S. Department of Commerce, and the Cotton Textile Institute.

In addition to the cotton feature the department's exhibit will include features of interest to dairymen and poultrymen and the popular "Acres of Diamonds" feature for 4-H club boys and girls. In its entirety it will be the largest assemblage of educational exhibits ever furnished by the Federal Department of Agriculture for one show, covering more than 720 feet of aisle space.

Among the many uses of cotton which the exhibit will suggest is the use as bagging for bales of cotton. Four bales that travelled to Germany and back in "cotton overcoats" will be on display for comparison of cotton bagging with the jute bagging commonly used.

A small model of the Graf Zeppelin will tell the story of another new use for cotton. More than 20,000 square yards of cotton were used in making the outer envelope, or bag cover of this famous airship. The 30 gas cells required 40,000 square yards of specially woven cotton fabric. Great quantities of cotton have been used in the various airships built for the U. S. Navy.

Perhaps the strangest of all the newer uses for cotton is in the making of airplane propellers. In making propellers, cotton fabric is impregnated with synthetic resinous material and numerous layers are put together under tremendous pressure to form slabs from which the propellers are fashioned in much the same manner as from wood. An airplane will be in the exhibit to call attention to the use of cotton in the wings, fuselage cover, cable coverings and numerous other parts.

Even the automobile "consumes" large quantities of cotton. Legends attached to a model car will inform the visitor that 32 pounds of cotton are used in the manufacture of the average automobile, a quantity equivalent to the production of one-fifth of an acre. The 4,500,000 automobiles manufactured in 1925 required 288,000 bales of cotton, for their brake linings, washers, gaskets, fan tires, tops, upholstery, padding, belts, insulating material, etc.

Considerable space will be given to the "Bag Family" to demonstrate this large field of cotton utilization. Bags, sacks, and containers for all sorts of commodities, personified by grotesque faces printed on their "fronts," march in a long and impressive procession. There are sugar bags, cement bags, U. S. Mail bags, bags for flour and salt, and tea "balls," and an all-cotton parachute, etc.

Mr. and Mrs. W. W. Koonce and children and Misses Patsy Lou Koonce, Mary Kimbrough and Louise Kaigler have returned from Abilene where they visited friends.

Mr. and Mrs. William Wiggins and son Billy Jr. and Mrs. S. R. Spencer of Waco stopped over in Haskell enroute to their home in Waco from the Carlsbad Caverns last week end and visited Mr. and Mrs. R. E. Hall and Mr. and Mrs. C. M. Kaigler.

Rev. and Mrs. E. Gaston Foote are in Munday again this week where they are rounding out a two week's revival meeting at the First Methodist Church there. Mrs. Foote is assisting with the children's work.

Sam Singleton, a successful farmer who has been farming on the Hughes Ranch for the past several years, was in town Monday on business.

Sam White of Knox City was here Monday on business. Mr. White is connected with the firm of Porter & White of that city.

H. L. Nutt, representative of the Collin County Mill & Elevator Co., of McKinney, was in the city Monday on business.

H. R. Miller of Gainesville, who is connected with the Whaley Mill & Elevator Co. of that city, was in Haskell Monday on business.

Mattress Factory
Let us renovate your old mattresses. You will enjoy sleeping on one we have made over. We make them any size you want. Don't let the out of town man do your work. We spend our money here. Boggs & Johnson, Phone 72. 1c.

The old cripple named Babe Ruth is again leading the home run parade. Seems like "when more home runs are hit Babe will hit 'em."

Maybe China and Russia are experimenting to see if they would like a real war. Sentenced to kiss his wife or go to jail, a Brooklyn man spoiled a good story by kissing his wife.

OFFICE OF R. D. BELL MOVED TO OATES BUILDING

R. D. Bell, real estate and Farm Loan broker, moved into his new office quarters in the new Oates building Monday of this week. For several years Mr. Bell's office has been located in the Farmers State Bank building, but the new quarters will provide a more convenient and commodious office for his business. Desks and office equipment has been very conveniently arranged and Mr. Bell invites his friends and customers to visit him in his new location.

Geo. Isbell of Munday was a business visitor in Haskell Tuesday.

Mr. and Mrs. W. D. Edge of O'Brien Route 1 were in the city Saturday. Mr. Edge said the hail which struck that section damaged his crop very badly. He says the rains of Sunday night two weeks ago, was the biggest rain he ever saw fall.

J. M. Thompson of Foster was a business visitor to the city Saturday. His brother, Walter E. Thompson and wife and daughter, Bettie Joe of Iraan, Texas who are visiting him were with Mr. Thompson in the city.

BIG PURSES TO BE SPLIT AT ABILENE FAIR RACES

Winners in the automobile race contest to be held at the West Texas Fair in Abilene on Sept. 25 will divide a cash prize of \$2,000.

The contest will be run under the sanction of the American Automobile Association and will be staged on the fair's five-eighth mile dirt track, one of the best speedways in the country.

Featuring the speed program will be a 15-mile race in which the winner of first place will receive a prize of \$475. Second money will be \$270; third \$135, and fourth \$50.

In addition to the big race there will be four other contests on the afternoon bill in addition to the time trials.

D. H. Jefferies of Abilene, representative for the A. A. A. contest board, is expecting a large number of contestants to participate in the race there, as the big auto race meets in the North and East will all be over by the time of this contest and the drivers will be on their way to the Pacific coast for the meets that are to be staged there during October and November.

Born to Mr. and Mrs. Roy Ross on Sunday Sept. 14th, a son.

FARM OUTLOOK IN HASKELL BETTER

The agricultural outlook of Haskell county has changed considerably during the past few days following 4 1/2 inches of rainfall. Thousands of acres of small grain will now be planted or have already been planted and is now rapidly coming through the ground.

The cotton yield will not be changed considerably by the moisture, yet many late fields of cotton in the county have been benefitted by the rain. In the territories of Rule and Rochester where the cotton and grain sorghums are generally planted at a later date than in the tight land, the greatest benefit from the moisture will be received.

Gypsy Ramblers.
The Gypsy Ramblers had a business meeting Monday afternoon. The by-laws were read to the new members by the president, Vivian Bernard. The old members plan to take the new members on a hike soon. The following members were present: Mrs. Geo. Wimlish, sponsor; Red, Snort, Henry, Bee, Preckles, Bingo, Blossy, Little Sis, Tom, Fats and Jack.

Mrs. J. E. Adkins and son of Dallas were the weekend guests of her sister, Mrs. R. D. Baughman.

Arthur C. Foster, lawyer of Rule, was a business visitor to Haskell Tuesday.

W. L. Button, progressive farmer living near Rule, transacted business in Haskell Tuesday.

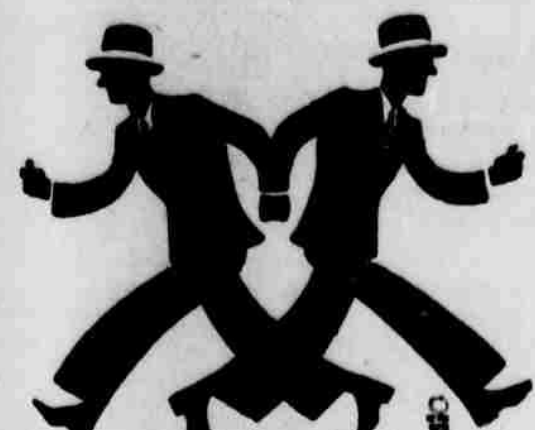

MUNDAY REVIVAL GROWS IN INTEREST

Despite the fact that weather conditions during the early part of the week were unfavorable and the heavy rains kept many away from the services, the revival now in progress at the Methodist church is drawing good crowds and interest is increasing with each service.

The Rev. E. Gaston Foote, pastor of the Methodist church at Haskell, is doing the preaching, and is being ably assisted in the song services by Mrs. Foote, who is a talented musician and a capable assistant to her husband and together they form an evangelistic team that is capable of accomplishing a great work, and that should be accorded the hearty support and co-operation of all interested in the spiritual development of the community.

The Rev. Foote is indeed one of the best equipped young ministers in the realms of Southern Methodism. While yet a young man he has advanced far in his studies and his messages are delivered with such forceful reasoning that all who hear him cannot help but think along the lines discussed, and those who have not attended the services so far should not miss future services—the Munday Times.

Joe Short of this city left last week for Fort Worth, where he expects to attend Texas Christian University during the current term.

In Plain Black And White "It Pays to Pay Cash"

The response of our many customers has been very gratifying in connection with our plan of operating on a Strictly Cash Basis. This plan enables us to give you better service, and does away with the annoyance of paying small bills on the first of each month.

LOCAL NOTES

P. P. Martin and son Pat of the Rochester territory were in the city Saturday on business.

W. M. Porter of Brushey was in the city Saturday on business. Mr. Porter is one of our substantial farmers who owns a good farm and is interested in good livestock and poultry.

J. J. Dean a good farmer of Howard was in the city Saturday. He was elated over the good rains which have fallen the past few weeks.

Harvey Medford of Howard was a business visitor to the city Saturday.

N. H. Harrell of Foster was a Haskell visitor Friday. Mr. Harrell is one of our good citizens and farmers who trades with his home town merchants.

W. P. Whitman of Abilene was here on business Friday. Mr. Whitman has a number of farms and city property here and he makes frequent visits to look after his interests.

Mrs. Alvy K. Couch of Weimert was visiting her parents Judge and Mrs. Jas. P. Kinnard Friday.

S. B. Jeter was a business visitor to the city Friday. Mr. Jeter lives in the Gilliam community where he owns a good farm and is engaged in farming.

Rev. C. E. Ball and family of Rule were Haskell visitors Friday.

Judge Jas. P. Kinnard has been ill for the past few days but was able to be back at his office Thursday.

Ed Stodghill of the Gauntt community was in the city Thursday. He was all smiles over the good rain.

C. D. Beasley a good farmer of the Gauntt community is planning for more chickens and cows next year. He says it will pay the farmer to try to make his living if possible in this way.

R. L. Medford of Howard was in the city Thursday on business. Lee says his community has had good rains and things are picking up.

J. C. Halliburton and son of Foster were in the city Thursday. Mr. Halliburton lives in the sandy section of the county and has some of the best Red chickens in the county. He has some real good hogs for his meat.

Judge J. W. Mason of Rule was here on business Thursday.

C. W. Jetton was here Thursday from the Myers community and he is rejoicing over the rain.

T. C. Stewart of Midway was in the city Thursday and stated that the rain was beneficial to his late cotton.

Cocktail a la Helen Wills

Photo Wide World.

TAKE two or three lumps of sugar, dissolve in hot water, and add a dash of lemon. Drink it, and you have the world's best pick-me-up and energizer, according to Helen Wills, America's greatest woman tennis player, who says that she regularly resorts to her novel cocktail as a means of refueling with energy during her hard-fought battles to maintain her supremacy in the tennis world.

Helen Wills at Forest Hills, N. Y.

R. C. Ware of Midway was a business visitor to the city Thursday.

Mrs. Ed Robertson and Mrs. P. J. Stark of East of town were in the city Friday.

Mr. and Mrs. C. W. Jetton of Myers were shopping in the city Saturday.

L. M. Keel of Powell was here Saturday and says the rain will help in many ways. He thinks it will be of much benefit to cotton and late feed and will furnish season for grain sowing for winter pasture. He says he is feeling fine over the good season.

Mrs. W. W. Haley and boys of Howard were in the city Saturday shopping.

J. D. Roberts, Jr. and his mother, Mrs. J. D. Roberts, Sr. of Roberts community were in the city Friday morning.

Mr. and Mrs. M. E. Park were here Friday shopping.

F. C. Graham lost a good horse Thursday from eating sorghum. This is the first time Mr. Graham says, he ever knew of sorghum to kill a horse. He knew that it would kill cattle.

J. R. Harless and family of Plainview are visiting H. L. Crow and family of Sagerton Route 1. Mr. Crow and Mr. Harless were in the city Saturday. Mr. Crow sends his friend the Free Press for 6 months.

—so Delightful to Drive! The Chevrolet Six delivers its power with that smooth, even, velvety flow which characterizes the truly fine automobile! At every speed, you travel without the slightest annoyance from vibration or rumble. Equally delightful are the comfort and handling ease. Four long semi-elliptic shock absorber springs, set parallel to the frame, provide the road balance found in the finest cars. The steering gear is equipped throughout with friction-free ball bearings. And the big non-locking 4-wheel brakes are quiet, positive and unusually easy to apply. Only a demonstration can reveal how delightful it is to drive this amazing car!

—so Economical to Own! Many people still do not appreciate how little it costs to own a Chevrolet Six. The Chevrolet Coach, for instance, with its beautiful body by Fisher, is priced at \$595, f. o. b. factory, Flint, Michigan—with only the most reasonable charges for handling and financing. You can actually secure a Chevrolet Six for practically the same down payment and low monthly charges you would expect to pay for any low-priced car. In addition, the Chevrolet Six delivers better than 20 miles to the gallon of gasoline, with unusually low oil consumption! And Authorized Chevrolet Service is available everywhere on a low flat-rate basis, with extremely low-priced replacement parts. Come in to-day for a demonstration.

—so Durable and Dependable! In order to appreciate the value of the new Chevrolet, it is necessary to remember what a really fine Six it is. Its design represents more than four years' development and testing. Materials are carefully selected from the finest available sources of supply. Highly skilled workmen perform every manufacturing operation. And inspection is rigorous and continuous, from raw material to finished product. The result is quality so high that you can confidently look forward to thousands upon thousands of care-free, dependable miles!

Money to Loan on Farms; Ranches

I can get you a loan on your farm at a low rate of interest, payable annually; the loan to become due at the end of ten years, and give you the privilege of paying as much as one fifth of the principal each year if you desire to do so. The cost to you will be the abstract fees and recording fees. If you want a new loan or want to renew an old loan write me or come and see me and let me explain to you, and I will get you the best loan to be had, in a company that you will be pleased with and save you money, so you will be satisfied in the future. You get all the money you borrow.

Japanese Tea At Methodist Parsonage Monday Afternoon

The study of the charming little country of Japan was listed in the year book of the Methodist Missionary Society for last Monday afternoon and the committee combined the program with a tea and made a very delightful affair of the meeting of Monday. The living rooms of the parsonage were ideally Japanese, chairs and couches being removed and in their places were mats, pillows and low stools for the guests to sit upon. The house party gownned in Japanese apparel greeted the guests and furnished the program later. Mrs. J. L. Southern was director. The opening song was "The King's Business." Prayer by Mrs. E. Gaston Foote. Mrs. J. M. Martin gave the history of Japan. Mrs. P. A. Womble discussed the homes of Japan; song, "Morning" by Mrs. J. L. Southern, accompanied at the piano by Mrs. Wallace Cox. Next Mrs. Foote and Mrs. Hut Pitman gave a demonstration of modern Japanese College girls. This was followed by a Japanese Fan Dance by Elizabeth Gilbert, Lillian Kaigler and Felicia Siegel. The closing song was, "If Your Heart Keeps Right." A social hour was then enjoyed by thirty-six members and Mesdames Pitman and Wair poured tea to the dainty low tables and the other ladies of the house party served small cakes to the guests.

North and South Ward Parent Teachers Associations Introduce Teachers to Patrons, Thursday.

The North Ward and the South Ward Parent Teachers Associations entertained informally in the auditorium of the Haskell High School last Thursday afternoon and presented the Haskell teachers to the patrons. There were eighty-five present. The president of the North Ward P. T. A., Mrs. Theodore Jones, on behalf of both organizations welcomed the teachers and presided over the program. The opening number was two piano selections by Mrs. O. E. Patterson; Miss Annabel Burt followed with one selection and she also accompanied while Mrs. B. M. Whiteker lead the audience in singing, "My Country 'Tis of Thee." The director then presented the chairman of the school board, Mr. R. C. Couch, who also welcomed the teachers and introduced the new Superintendent, Mr. C. B. Bredlove who delivered the address of the afternoon. Mrs. Jones then asked all of the teachers and members of the school board to go down stairs first, this they did and stood in line and the patrons were introduced to them.

September Brings College Days.

After the summer holidays comes September and September brings college days for countless thousands of Texas boys and girls. Year after year "old father time" adds to his stock in store another twelve months, and each year sees more and more boys and girls seeking higher education. Below we give a partial list, as it has been given to us, of the Haskell boys and girls with the various colleges and universities where they will study the ensuing year: Simmons University, Mary Emma Whiteker; McMurry College, O. E. Patterson, Jr.; S. M. U. Katherine Rike and Thomas Patterson; Southwestern University, Georgetown, Lucy Martin; The

University of Texas, Thomas Murchison, Roy Sanders, Lucile Foote, A. and M. College, Grady Murchison, Earnest Kimbrough; W. T. S. T. C. Canyon, Erma Monk; Junior A. and M. Arlington, Nella V. Wheatley and Ira Hester; Randolph College, Cisco, Jack Hudson, John Banks, William P. Ratliff, C. I. A. Denton, Martha Lou Rogers, G. W. Reynolds, Naomi Poteet, Jewell Paxton and Bruce Bryant; Teachers College, Denton, Julian Perrin; Texas Tech, Lubbock, Felix Mullino, Hughes Gilliam, Elmore Smith, Tom Watson, O. B. Ratliff; Rice Institute, Houston, Lewis Smith; John Tarlton, Stephenville, Bill Whiteker, Marvin Branch; Baylor University, Mary Couch, Virgil Reynolds; Baylor Belton, Iona Weaver, Beulah Sego, Mildred Simmons; T. C. U., Joe Short; A. C. C., Maurice Crawford; Baylor Medical College, Dallas, John W. Pace Jr., Kenneth Oates; Cumberland University, Lebanon, Tenn., L. D. Ratliff, Jr.; Texas Medical College, Galveston, Herman Weinert.

Baptist W. M. E. Observe Week of Prayer.

The ladies of the Baptist Missionary Society are meeting daily through this week in observance of their week of prayer. The usual hour is the afternoon at four o'clock but special meetings when the entire church is given an opportunity to attend, are on Wednesday night and Sunday night. In next week's paper will be the entire program as carried out by the ladies.

Thursday Luncheon Club

The Thursday Luncheon Club is meeting today, this Thursday in their usual all day meeting with one

of their members, Mrs. John Couch. The home has been made attractive with many bowls and baskets of fall flowers and the morning hours are given over to conversation and hand work. At the noon hour a delicious luncheon contributed by members will be enjoyed and the afternoon pleasantly whiled away with "81." Mrs. Demmitt Hughes is the special guest and club members present are: Mesdames T. J. Ar buckle, P. L. Daugherty, B. M. Whiteker, Elmer Irwin, R. J. Reynolds, O. E. Patterson, S. A. Roberts, R. J. Paxton, R. C. Couch, W. M. Reid, A. C. Pierson and the hostess, Mrs. J. A. Couch.

To The Rural Churches

If you are going to need a good heating stove for this winter we have a dandy Round Oak Coal Heater in stock that cost \$65.00. We will sell for \$25.00. It is good as new. Boggs & Johnson, Phone 72.

Presbyterian Church

Now that the vacation season is over and people are getting down to their work for the fall and winter, don't forget that the church is getting down to its fall and winter program and needs you in your place each Sunday. All the regular services will be held here next Sunday at the following hours: Sunday School at 9:45 a. m. Morning church service at eleven o'clock, the Pastor will preach on Gal. 6:4. "But let every man prove his own work, then shall he have rejoicing in himself alone, and not in another." The Christian Endeavor will meet at seven o'clock and will be followed by the evening church service. At this service the pastor will preach on: "Be not deceived; God is not mocked: for whatsoever a man

soweth, that shall he also reap. The Pastor, Rev. M. L. Baker, will be in San Antonio a few days this week attending the meeting of the Board of Trustees of the Westminster Encampment, but will return in time for all the services on Sunday. The public is cordially invited to attend all services at this church.

Mr. and Mrs. E. E. McIntock of Midway was in the city Saturday on business.

T. D. Strickland of Sayles was a business visitor to our city Saturday.

J. L. Wright and family of Midway were shopping in the city Saturday. He brought some fine Red Roosters for sale.

Mrs. R. V. Robertson spent the week end with her daughter Galen and other relatives in Seymour.

Mr. and Mrs. R. R. English and son Hugh Mack of Plainview spent the week end with Mrs. English's parents, Mr. and Mrs. S. A. Hughes and other relatives.

Mr. and Mrs. J. F. Kennedy and daughter Miss Oia Belle, left last Friday for Mineral Wells, where Mrs. Kennedy and her daughter will enter the Milling Sanatorium in that city for treatment. They have both been in failing health for several years, and their many friends trust that the treatment will help them regain their health.

Mrs. Sam A. Roberts and daughter Anna Gayle visited relatives in Wichita Falls over the week end.

Haskell Baptists

GALATIANS 3:26,27 EXPLAINED

3:26 reads, "For ye are all the children of God by faith in Christ Jesus."

3:27 reads, "For as many of you as have been baptized into Christ have put on Christ."

Verse 26, tells us how to be saved. We become the children of God by faith in Christ Jesus. This is in harmony with every promise and conversion in the Bible. "He that believeth on the Son hath everlasting life" (John 3:36). The Scripture abound with such passages. Please read John 3:16-18; Eph. 2:8-9. Jesus said unto one whose sins were many, "Thy faith hath saved thee; go in peace" (Luke 7:50). Mark 3:3, records another wonderful conversion: "When Jesus saw their faith, He said unto the sick of the palsy, Son, thy sins be forgiven thee." Repentance and faith are two inseparable graces that will bring salvation to any soul.

Verse 27, explains who should be baptized. The Galatians having become the children of God by faith in Christ Jesus or having put on Christ by faith were fit subjects for baptism. Notice how Paul puts a spiritual experience before baptism: "Children of God by faith in Christ Jesus." This is true in every New Testament conversion. When Peter was about to baptize some new converts he said, "Can any man forbid water, that these should not be baptized, which have received the Holy Ghost as well as we?"—Acts 10:47. This verse certainly teaches that Peter would have refused to baptize these converts if they had not been full of the Holy Ghost. It certainly teaches that others had a right to forbid baptism if the ones to be baptized were not full of the Holy Ghost. A special gift of the Holy Spirit may be received one time or many times after baptism, but every person must receive the Holy Spirit in His regenerating work before there can be a scriptural baptism.

The expression "baptized into Christ" is explained in Romans 6:3-5. Verse 3, tells us that to be baptized into Christ means to be baptized into His death. And to be baptized into His death, according to verses four and five, means our baptism is a LIKENESS of Christ's burial and resurrection. May the reader keep his eye and heart on 1 Peter 3:21, and remember that the only way baptism ever saves is in a figure. We are not saved by works of righteousness which we have done (Titus 3:5). Baptism is a work of righteousness (Matt. 3:15). To be baptized is the first duty of a person after he becomes righteous.

NEXT SUNDAY

We are expecting Sunday to be one of our greatest days. No one can afford to miss the Sunday night service. The orchestra will be present with a dozen or more instruments. You can expect the music to be sublime. COME AND SEE.

Every Day Will Be a Big Day at Your Own West Texas Fair

Better exhibits than ever before. And the Cowboy Band.

BRING ALL THE FAMILY!

KOOLMOTOR the original green gas—

An Adventure in Contentment

Point your radiator where you will—across rolling plains, along the shores of crystal lakes, over rugged hills, or through peaceful valleys—each mile will be a chapter in motoring contentment if your car is powered by Koolmotor, the new high-test anti-knock gas.

Of all power-building motor diets, none excels Koolmotor. Its even explosion point keeps your engine even-tempered at all times, with never a knock or a groan from over-heating.

Filling your tank with Koolmotor is insurance that your motor will deliver everything that its builder intended it should.

M SYSTEM

"Saves for the Nation"

It is notoriously easy to exaggerate but there is no exaggeration, when we say—You can buy Quality Foods at Lower Prices, when you shop with the "M" System. "M" Systems don't reduce the price just in the busy season. They are lower every day in the year.

The Haskell Free Press

If you have a message for the people of Haskell County let the Haskell Free Press carry it to them for you.

HASKELL, HASKELL COUNTY TEXAS, THURSDAY, SEPT. 10, 1929. 8-PAGES.

FORTY-THIRD YEAR

COTTON GINNINGS HERE TOTAL 495 BALES TO DATE

Several Schools Over the County are Open Weather of Past Few Days Favors Rapid Gathering of Staple.

Heavy Enrollment Expected In Schools As Work Gets Under Way.

Total of 4,836 Scholastics of School Age Reported In County.

Haskell county's six independent districts have begun their school term with several rural schools also open, with the new year promising to be the most successful one in the history of the county, according to Miss Minnie Ellis, county superintendent. A total of 4,836 scholastics are reported for the entire county which compares favorably with registrations of previous years, and the enrollment for the present term is expected to be the largest in the history of the county. The O'Brien Schools began the school Monday of this week, with Miss Cunningham as Superintendent and A. H. Dawkins, principal. The Sagerton school, with four teachers comprising the corps for the term. The new addition to the school building has been completed and will be in use this term. The O'Brien one of the most modern school buildings in the county, enrollment of at least 300 pupils is expected.

Low Murder Case at Seymour Is Continued

The case of the State of Texas vs. E. R. Lowe, charged by indictment with the killing of Pleas Chamberlain near Weisert several years ago, was set for trial in District Court at Seymour last Monday, but on account of the absence of some of the witnesses, the case was continued until the next term of court.

Water From New City Well To Be Available Soon

Haskell's water supply will soon be augmented by the new city well recently completed, according to Water Superintendent H. J. Hambleton, who states that connections have already been made with the water mains, and that the water from the well can be used as soon as a part of the electrical equipment for the new pump is secured. The piping equipment has already been installed, with the exception of the float and pressure switch and the automatic starting equipment, which is expected to arrive within the next few days. About one day will be required for installation, it is stated. The pump installed has a capacity of 200 gallons per minute, bringing the total available supply from the five city wells to 600 gallons per minute, which is expected to take care of the demand for several years.

Haskell Band Probable Entrant In State Contest

Director Meacham of the Haskell Municipal Band states that plans are being worked out whereby the trip of the Haskell Band to the State Fair in October can be financed, mention of which was made in last week's Free Press. If the trip can be arranged, Director Meacham will enter the Haskell Band in the three-year class in the \$10,000 band contest being sponsored by the State Fair, and he feels reasonably sure that our Band will be able to win a part of the prize money. The plan being worked out to finance the trip, contemplates each business firm in Haskell sending one member of the band to Dallas—the expense in each case not to exceed \$10.00. Mayor T. C. Cahill and several other business men have given their plan their approval, pointing out the fact that the advertising accruing to Haskell would be worth many times the amount asked from the business men. Those interested are asked to give the matter their consideration, and within a few weeks the proposition will be placed before them for their approval.

Marvin Flenniken and family of Corpus Christi, J. B. Flenniken of Wichita Falls and Dr. A. A. Hamilton of Paris, Texas, a brother of Mrs. T. W. Flenniken have been here visiting Mrs. Flenniken who is still confined to her bed. Mr. and Mrs. E. L. Adams and daughter Mrs. Mayhan were also here Sunday.

HASKELL INDIANS DEFEAT MUNDAY MOGULS, 25-0

The first game of the 1929 football season, as advertised, proved to be a runaway for the Indians. The team they ran away with was the Munday Moguls.

The Moguls battled hard all thru the game but were hurt morally when our Bill ran thru their line and 40 yards further for a touchdown on the very first play. That's just like Bill, he would do it. Haskell failed in the attempt for the extra point.

The second quarter was a battle of brawn and brain with neither side scoring.

In the third quarter Bill got loose again, this time with a short pass. He ran about 20 yards and trotted about 30 yards for his "other" touchdown. Haskell, again, could not make the extra point. Well, the third quarter was about over when our Con decided it was time for his touchdown, so he did, and they failed for the extra point, which begins to look like a habit, a terrible habit too.

In the "cool" or last quarter, our Rogers, who is an end, caught a pass and liked to make another touchdown. He got up to about one half a yard from the goal line and decided to stop, which he did very quickly. Our "Little Herman" then took the ball and hit the line for a touchdown. And then Haskell tried and made the extra point.

This was a very good game at that and if you want to help Haskell win all the rest in a like manner, come to these games. They are worth while and worth your money. We have started right, lets finish right.

W. P. TRICE TO OPEN FEED STORE AND HATCHERY

W. P. Trice, who has served as county agricultural agent of Haskell County for the past six years, and whose resignation from this office was noted in the columns of this paper the past week, states that he has decided to remain in Haskell and will go into partnership with other parties and open a feed store here about October 1st. According to Mr. Trice the new business here will go under the name of Porter, White and Trice and will be located in the Scott Building on Depot Street which is directly across street in front of Hardin Lumber Company. A complete line of Purina Chows, mill feeds, hay and corn will be carried in stock. This business will be housed in the East portion of the Scott building while the west portion will be occupied by the Haskell Hatchery which was located across the street west of the jail during the past season. Porter and White have for the past several years been successful in the feed business in Knox City and are backing the new business here as they consider Haskell a good location for such a business. Mr. Trice will have charge of the business here.

Bert Welsh to Handle Hunters Supplies and Guns

A complete stock of ammunition will be carried by Bert Welsh at his garage and filling station, according to his announcement this week. He will also have several rent guns on hand to accommodate hunters who do not have their own guns. Mr. Welsh states that this addition to his stock has been made in order to accommodate sportsmen of this section on Sundays and holidays when the hardware stores are closed.

Haskell Delegation to Visit Rule Fair on Friday Night

A large delegation of Haskell citizens is expected to accompany the Haskell Municipal Band to Rule Friday night to visit the Community Fair which is being held in that city this week.

It is planned to meet at seven o'clock Friday evening on the square and go to Rule in a body. The Haskell Band will head the delegation, and a musical program will be rendered by the band upon their arrival in Rule.

Everyone who will be urged to make the trip—it will only take a few hours time, and a pleasant and enjoyable visit is assured all who will go. According to word reaching us, the exhibits for the Fair are exceeding all expectations, and this feature alone will be worth seeing. Carnival attractions and amusement devices guarantee a good time for all.

Hatbands will be furnished the Haskell delegation by the Lions Club, and will be distributed Friday evening before the trip is started.

TEACHERS THREE-COUNTY INSTITUTE TO BE HELD HERE

A tri-county Teachers Institute, embracing Haskell, Knox and Stone-wall counties, will be held in Haskell, Thursday and Friday, Oct. 31 and Nov. 1st, at which time 350 teachers from the three counties are expected to be in attendance.

Plans for the Institute were completed this week by Miss Minnie Ellis, county superintendent of Haskell county, in cooperation with Mrs. Ethie P. Pool of Benjamin and Mr. E. M. Trammell, superintendent of the Knox and Stone-wall county schools.

Work of the Institute will be divided into three sections, embracing the work of the Primary, Intermediate and High School departments. Speakers and educators of note will be secured for the two days, and a complete program for the Institute will be announced in the near future.

BAND CONCERT HERE SUNDAY

The Haskell Municipal Band will give a public concert on the courthouse lawn next Sunday afternoon, beginning at four o'clock. A good program has been arranged for the occasion, and the public is cordially invited to attend.

- The following program for the concert is announced by director, Meacham:
1. Manhattan Beach March—Souza.
 2. Just Like a Melody Out of the Sky—Donaldson.
 3. Over the Waves, waltz—Rosen.
 4. Sky Pilot Overture—Laurens.
 5. Teddy Trombone—Fillmore.
 6. Stars and Stripes Forever, march—Souza.
 7. My Tuba Solo—Southwell.
 8. Blue Danube Waltz—Strauss.
 9. Where the Shy Little Violets Grow—Kahn.
 10. Our Favorite Regiment, march—Erd.
 11. The Star Spangled Banner.

Clyde Edwards, who is employed in the Grison Store at Munday, spent Sunday in this city with his parents, Mr. and Mrs. Jess Edwards.

Miss Erma Monke left Tuesday night for Canyon, where she will attend the West Texas State Teachers College during the current term. Miss Monke is the daughter of Mr. and Mrs. Fred Monke living north of town, and graduated from the Haskell High School last year.

75 BOOSTERS FROM RULE VISIT HASKELL MONDAY

Seventy-five Rule boosters, accompanied by the 15-piece Rule Band, invaded Haskell last Monday afternoon advertising the Rule Community Fair, and were given a hearty welcome by several hundred Haskellites who gathered on the courthouse lawn upon the arrival of the delegation.

Mayor T. C. Cahill welcomed the visitors with a few appropriate remarks. C. E. Orton of Rule then extended the invitation of that city for Haskell's attendance at the three-day Community Fair, mentioning briefly the major attractions of the three days.

During a short musical program rendered by the Band, a slight interruption was caused by a demonstration of the intricate dance steps of the "flaming 90's" which were gracefully (?) interpreted by County Judge Joe A. Jones and Courtney Hunt of this city and two Rule ladies in the dainty costumes of 1900. Their efforts were loudly applauded by the large crowd.

The visit to Haskell concluded the itinerary of the boosters for the day, the delegation having visited Jud, Rochester, O'Brien, Knox City, Munday and Weisert before coming here. Members of the party stated that a hearty reception had been accorded them at every town visited, and that a record attendance was expected at their three-days Fair.

REVIVAL AT ASSEMBLY OF GOD PROGRESSING

The Revival Meeting now going on at the Assembly of God Church in this city is making much progress. Evangelist W. S. Ferguson of Fresno, California is doing the preaching. Services are held each night, except Monday, beginning at 8 o'clock. The public is invited to attend.

BAPTIST WORKERS CONFERENCE TO BE HELD NEXT MONDAY

The Workers' Conference of the Haskell Baptist Association will be held at the Center View Baptist Church next Monday, Sept. 23, and an excellent program has been arranged for the occasion. A number of inspirational talks and a big song service comprise the features of the meeting, and a good attendance is expected.

The program as arranged is given here:

- 10 a. m.—A Big Song Service, led by W. M. Free.
- 10-15 a. m. Devotional Scripture—H. G. Hamner.
- 10-30 a. m. The Origin and Ordinances of the New Testament Church—W. H. Albertson.
- 11-15 a. m. Name and History of the New Testament Church—H. R. Whitley.
- 12 noon—Lunch.
- 1-15 p. m. Song Service, led by John Coates.
- 1-30 p. m. The Purpose of the New Testament Church—Claid Stovall.
- 2-00 p. m. W. M. U. Program, Mrs. J. O. Bowden in charge.

This is the first meeting of the new associational year, and it is planned to make this a model for all the other meetings during the coming year.

EPWORTH LEAGUE TO HOLD DISTRICT MEET HERE SEPT. 21-22

The members of the Epworth Leagues of the Stamford District, will meet in Haskell for a two days session on Saturday and Sunday, September 21-22.

This will be a general roundup of all leaguers of this district. The first meeting will be held at 2 p. m. Saturday at the Methodist church. All leaguers are urged to be present at this business meeting. A big ranch supper and surprise treat will be given Saturday night. All leaguers are asked to wear cowboys, cowgirl or Indian costumes. The general theme of this series of meetings will be, "Service."

Cotton Bringing 17.25 on Local Market With \$32 Top Price For Seed.

Oil Test Of Barnsdall Co. Is Abandoned

The Barnsdall Oil Company No. 1 Roberts, a deep wildcat test on the J. D. Roberts farm east of Weisert, was abandoned this week as a dry hole at a total depth of 2,312 feet.

Several sands were encountered at various depths but with the exception of a few small gas pockets nothing of importance was found, it is stated.

ENROLLMENT IN HASKELL SCHOOLS 676 THIS WEEK

Six hundred and seventy-six pupils have enrolled in the Haskell Public Schools to date, according to Supt. Breedlove, who states that the work of the term is well under way, with all indications pointing toward one of the most successful school years in the history of Haskell.

The enrollment in the three city schools is as follows:

South Ward—155.
North Ward—282.
High School—229.

Forty-five pupils are enrolled in the Senior Class of the High School for this year.

Five Acre Farm Project Started By Rule Citizen

The following item is taken from the Rule Review regarding a real estate development project started near that city:

"A deal was closed several days ago whereby C. E. Orton of this city bought the B. L. Jackson home and farm in the east part of town. Consideration \$45,000.00. This is one of the largest deals made in Rule real estate in many moons. There is over 200 acres in this farm.

"Mr. Orton states that he will subdivide this land up into five acre tracts for poultry farms and some of the land will be cut off for residence lots. In the north part of the field he will have a negro addition. This land will be sold on a down payment and easy terms.

"This part of West Texas is well adapted to raising poultry, and if the people of California can raise poultry at a profit, with feed prices high and land even higher, the poultry business should be a paying proposition here.

"Mr. Orton will build a swimming pool and tourist camp on part of this land, and will start this enterprise in the near future.

"This is not the first venture of Mr. Orton in big deals, as he has put over several here of vast scale, and has been successful in them. He has faith in Rule and the Route country."

HASKELL MARKET FOR EGGS IS GOOD

A strong demand is now being made in Haskell for fresh eggs produced locally. The market is considered the best it has been for the past several years as farmers are now realizing 35 cents per dozen for their hen eggs and a corresponding high average for their pullet eggs.

The damp and moist weather during the past few weeks has caused egg production to decrease considerably in Haskell county, with the result that the egg market has a decided trend upward.

DEMAND FOR GRAIN TO PLANT IN HASKELL CO.

The greatest demand in several years for small grain for planting purposes is being experienced in Haskell county at the present time. The present outlook for the fall planted grain is now flattering and will do much to help the farmers in cutting down expenses in carrying over their work stock and cows during the winter months.

Dr. E. E. Cochran of Abilene was a business visitor in Haskell, Wednesday.

A total of 495 bales of cotton had been ginned by the eight Haskell gins Wednesday evening at 5 o'clock, from the crop of 1929. The pretty weather of the past few days has made it possible for farmers to begin gathering cotton where it had opened, and if weather continues favorable it is likely that the total ginnings will run in the neighborhood of eight hundred bales by the end of the week.

Wednesday evening seventeen and a quarter cents per pound was being paid for cotton, middling basis, with seed bringing \$32.00 per ton.

The preliminary report on cotton ginnings in counties in this section as of Sept. 1, follows, as announced by the Bureau of the Census at Washington. Total for the State was made public a week ago. Quantities are in running bales, counting round as half bales. Last year's ginnings prior to Sept. 1 are given for comparison.

County—	1929.	1928.

2 LEADERS STORES DESTROYED BY FIRE TUESDAY MORNING

Fire which is thought to have started from a coffee urn in the E. T. George Cafe at Leuders, completely destroyed the cafe and the Smart Drug Store Tuesday morning. The Stamford Fire Department responded to a call for assistance and arrived in time to save the adjoining buildings occupied by the Herrick Dry Goods Company and J. A. White's general mercantile store from being destroyed by fire, although both buildings were considerably damaged from a dust explosion which blew out the ceilings.

All of the buildings destroyed or damaged by fire were built of 4,000. Total loss is estimated at \$20,000, partially covered by insurance.

LIONS OF FOUR COUNTIES ORGANIZE

Organization of the Lions Club of Haskell, Knox, Baylor and Throckmorton counties into a sectional group for the purpose of better promoting the work of the Clubs, was perfected at a meeting held Tuesday night in Seymour. Representatives from several districts in these counties were in attendance at the meeting, with Henry Alexander, H. Davis, Courtney Hunt and Sam A. Roberts representing the Lions Club of this city at the meeting.

Henry Alexander, president of the local Club, was named chairman of the four-county group, Alexander appointing Emory E. Fee of this city as secretary of organization.

It is planned to hold group meetings every three months, the first place of meeting to be at the home of the chairman. Various business and phases of the work will be discussed by the Lions Clubs in section will be discussed at meetings.
