The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. When this amendment takes effect the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and upon the qualifications of such new Justices, the Commission of Appeals of the State of Texas shall terminate.
 "Article V. Section 3. The Supreme Court shall have appellate jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction of the Supreme Court shall extend to

questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall within the Court's Appellate Jurisdiction under the Statute of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State.
 The Supreme Court shall have power, upon affidavit or otherwise as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. ABILENE FATHER ENDORSES ORGATONE
 "My Son Was In A Very Run Down Condition—Orgatone Proves A Good System Builder"

Mr. J. A. Stowe of 2417 S. First St. Abilene, Texas, makes the following remarkable statement regarding his son's health:
 "My son has been bothered with a very poor run down condition for several years. He has been bothered with stomach trouble and had to be very careful with what he ate or it would disagree with him. He was nervous and restless and didn't take an interest in anything. He was gradually growing weaker and took all kinds of medicines and treatments but nothing seemed to do him any good. We realized that he needed a good tonic and strength builder but couldn't seem to find the right one for him.
 "We read so many local statements in the newspapers about the benefits people had derived from Orgatone and decided that he should try it. It seemed to be the right medicine for him. He can eat most anything he wants now and seems to be stronger and have more energy than he did. Orgatone has proven to be a mighty good system builder and tonic in my son's case and it has done him more good than anything else and we both are glad to recommend it."
 Genuine Orgatone may be obtained in Haskell from the Gates Drug Store. (Advertisement.)
 Mr. and Mrs. L. N. Lusk of Midway were shopping in the city Saturday.

Unintentional Suicide
Many people are slowly poisoning themselves just as surely as if they drank iodine every morning for break- fast. They are daily absorbing the toxins of poisons, created by accumu- lated waste matter in their constipated digestive systems. Sooner or later diseases will conquer their weakened bodies.

If you have dizzy spells, headaches, coated tongue, bad breath, insomnia, no appetite, bilious attacks or pains in the back and limbs, you are probably suffering from self poisoning caused by constipation. The sweet and pleasant- est relief from this condition is Herbine, the vegetable cathartic which acts in the natural way. Get a bottle today from Reid's Drug Store or Payne Drug Co.

WE ADVOCATE EVERY FARMER PLANT TEN ACRES EXTRA FEED CROPS!

The over-production of feed on the average Haskell County farm is so seldom done that the above policy is not only safe but necessary. The over-planting of cotton acreage, of extra expense and additional neglect by the average farmer is appalling. The possibility of market outlet for increased livestock and dairy production here is good. Our farmers can easily add more cows, reduce their cotton acreage, produce their own feed and considerably improve their bank accounts thereby. Without apology we suggest the planting of ten acres of additional feed above the present plan of feed planting. It is not only safe but you will find it sincerely satisfactory and wonderfully serviceable another year.

A \$20,000 Damage Suit Filed Against Local Peace Officers

Sheriff W. T. Sarrels, his deputy C. A. Lewellen, County Attorney French M. Robertson, and sixteen sureties on the bonds of both the Sheriff and County Attorney, are named as defendants in a suit for damages in the sum of \$20,000 filed in District Court last Thursday by Hallie Chapman and wife, well known young farmer living northeast of Haskell.

Actual damages in the sum of \$10,000 is asked and \$10,000 exemplary damages. Former County Judge Jesse G. Foster of this city filed the action as attorney for the plaintiffs. D. Bradley, who was in the employ of the plaintiffs. It is also alleged that the defendants searched a barn and seed house on the premises, scattering and destroying some feed and seed. Further allegations set out that the plaintiff Hallie Chapman was away from home at the time, and that his wife, an expectant mother at the time, was greatly frightened by the actions of the officers. Several other counts are alleged in the petition.

As a result of the search of the premises, the officers found a quantity of "home brew" or beer, and arrested a negro, O. D. DEDICATION SERVICES HELD AT PINKERTON SUNDAY

There was a large congregation present last Sunday at the Pinkerton Baptist church which was called together in the dedication and home coming services. The old church building which stood for many years was taken down and a new stucco building erected in its place and all the material and labor bills have been paid and the church was dedicated to the Lord Sunday. Rev. J. A. Kinser, pastor preached the dedication sermon at the 11 o'clock hour in the morning. Pinkerton church is rightfully called the mother church of the Haskell Baptist Association and from it has gone out many ministers and other workers in the kingdom of the Lord.

A sumptuous feast was served to the large congregation at the noon hours and true to the record Pinkerton church has always maintained was manifested on this occasion. There were plenty of good things to eat with coffee and tea in abundance.

In the afternoon the Baptist Band from Haskell was present and gave numerous sacred numbers to the delight of all present but the time was cut short and the program came to an end because of threatening clouds which came up in the form of light sprinkle.

The day thus far was one of great enjoyment to all present. It was hoped that a good rain might follow but very little rain fell in that section of the county.
