

BEST RAIN IN YEARS FALLS IN THIS SECTION

EVEN CRIMINAL CASES TRIED IN DISTRICT COURT

Trial of seven criminal cases occurred Monday and Tuesday in District Court, now in session here the third week of the September term.

On Monday three companion cases charging burglary in connection with entering of the Millard Drug Store in Rule were disposed of. Involved in the three cases were Joe Hicks, Lester Narr and Roland Mize, who were arrested at Dundee five hours after the burglary was committed with goods from the store in their possession. A plea of guilty was entered by each of the defendants, and a six-year penitentiary sentence was passed in each case.

James E. Hicks case were: H. G. Brown, E. J. Couch, D. E. Smith, S. A. Adams, Jno. R. Watson, J. W. Tanner, J. W. Balfour, C. J. Brock, A. M. Bristow, Eugene Hunter, R. O. Carothers and J. W. Beards.

In the Mize case the jurors were: E. W. Brown, R. O. Carothers, Bert Foster, T. B. Hagyard, Ben Jackson, E. E. Lewis, G. T. Bridges, L. Wright, Elmer Wheatley, Bert Franzer, Jimmie Best and E. Deach, foreman.

Jurors of the Mize case were: Ben Jackson, J. H. Burleson, August Baker, T. D. Strickland, W. P. Johnson, H. E. Abbott, J. F. Kennedy, Albert Franzer, Jimmie Best, L. Wright, G. T. Bridges and W. J. Beards, foreman.

Harold Henderson, a youth of 17, was tried Tuesday on a charge of burglary, alleged to have robbed the garage of Clyde Fletcher in Rule. Henderson was not represented by counsel, and was given two years in the penitentiary after he had entered a plea of guilty. Henderson is already under a five-year suspended sentence imposed in Howard county, according to court officials, and is wanted there. The jury in his case was composed of Orvell Tanner, A. G. Bristow, J. W. Abock, W. S. Nollner, Eugene Hunter, H. H. Aycock, J. N. Ballard, J. B. Bell, W. C. Childress, Lige Boyd, W. H. Overton and S. A. All, foreman.

Two cases against Joe Helton of Rule, charged with possession of liquor and sale of liquor, were tried by the same jury Tuesday, with a one-year sentence imposed in each case. Defendant was not represented by counsel, and entered a plea of guilty. After the verdict was received, notice of appeal was given by the defendant. Jurors in these cases were: H. P. Cothron, S. A. Allison, W. H. Overton, W. S. Nollner, August Halzer, Orvell Tanner, J. H. Burleson, W. A. Beard, J. W. Abock, J. B. Bell, Ben Beard, and H. H. Aycock, foreman.

Charged with driving a car while intoxicated, Percy Webb of Jud was given a ninety-day jail sentence Tuesday. Notice of appeal was given by the defendant. Jurors were: A. G. Bristow, Elmer Wheatley, D. E. Lewis, Albert Peiser, J. L. Wright, H. E. Abbott, Jimmie Best, G. T. Bridges, Jno. R. Watson, R. O. Carothers, J. N. Ballard and Eugene Hunter, foreman.

Trial of the Morton Will case was taken up Wednesday, with the probability that the trial of this case would occupy the remainder of the week.

ABILENE PRINCESS

MISS MARGARET WALDROP

Miss Margaret Waldrop, Princess from Abilene, who will take part in the Queen's Coronation ceremonies on the opening night of the Haskell County Fair, is well known to Haskell people. She is the daughter of Mr. and Mrs. G. W. Waldrop, long residents of this section prior to their moving to Abilene several years ago.

Accompanying Miss Waldrop as her Maid of Honor will be Miss Jeannette Jones, also of Abilene, both of whom will take part in the evening's program.

American Austin Automobile to Be Seen During Fair

According to R. L. Burton of the firm of Isbell-Burton Motor Co., one of the new model American Austins will be on display in their show-room during the Fair, and will also be entered in the parade on opening day.

The car is furnished the local dealers through the courtesy of the Boone-Kemp Motor Company of Wichita Falls, distributor for this territory, and this will be the first display of the Austin in this section.

The model to be seen here will be the 3-passenger coupe, according to Mr. Burton, and a surprise is in store for those who view the car for the first time. It is modeled after the small European automobile and although diminutive in size, the model to be seen here has ample room for three adult passengers, and in every respect but size embodies all the features of the modern large automobile.

Mrs. Fred Owens of Wichita Falls, daughter of Mr. and Mrs. C. C. Maples, visited her parents last weekend. She was accompanied back to Wichita Falls, by her mother, Mrs. Maples, who remained for a short visit there.

To Reign During Haskell County Fair

IN THE PICTURE: Above, Miss Elizabeth Steele, Rule, Queen of the Haskell County Fair. Center above, Miss Ermine Alvis, Princess from Rochester, and right, Miss Mary Tom Bragg, Maid of Honor, Rochester. Lower center is Miss Mildred Jones of this city, Lady-in-Waiting to the queen. At the right is Miss Ollie Brewer, Princess from Archer City.

CARLOAD WHEAT DISTRIBUTED HERE BY RED CROSS

Under the supervision of County Agent, Joe C. Williams and F. L. Daugherty, local secretary, the American Red Cross distributed a carload of seed wheat to Haskell county farmers this week, a part of the drought relief work to be done in this section by the national agency.

The carload contained approximately 1,000 bushels, and was ap-

some time next week, or possibly the latter part of this week. This consignment will be distributed in the same manner among the farmers of this section. Farmers receiving the wheat assume no obligation whatever, according to Mr. Daugherty, other than to use the seed for planting purposes.

Bring In Your Cows for Test

Bring in your cows that you intend entering at Haskell Fair on Tuesday the 14 and deliver same at Fair Park. The Fair Association will pay the expense of testing and will take care of them until the Fair. This is a State law and we are compelled to make this request.

Production of Early Grain Pasturage Is Assured; Also Plenty of Stock Water. Cotton Gathering Halts.

TO PRESIDE DURING CORONATION OF QUEEN

E. GASTON FOSTER

E. Gaston Foster, president of the Haskell County Fair, will preside at the coronation ceremonies on opening night of the Haskell County Fair, when Miss Elizabeth Steele of Rule will be crowned Queen of the Fair.

The best seasonable rainfall in this section in a number of years was received during the past week when a total of 4.95 inches, falling within a space of four days was general over practically the entire state.

Accompanied by extremely cool weather and cloudy skies from Friday until Monday night, practically every bit of the moisture went into the ground, providing the best fall season this section has had in five or six years according to farmers.

Production of early grain pasturage is assured, and feed was materially benefited, in fact with a late frost, the majority of farmers are of the opinion that an additional feed crop will be made as a result of the rain.

The rainfall will provide needed water for ranchmen and will assure abundant stock water on the range, including the stockmen.

Although gathering a halt to the marketing of cotton, which was under way in all sections of this territory, picking can be resumed the latter part of this week in most places, it is the general opinion that cotton will not be materially damaged by the rains.

Singers to Meet at Rule Sunday

Singers of this section are invited to attend the Singing Convention to be held in Rule next Sunday afternoon, Oct. 12th. The convention will be held at the First Baptist Church, starting promptly at 2:30 o'clock. An excellent program will be arranged, and new books will be provided for the occasion. If you are a lover of good music and singing, keep the date in mind and attend the convention.—Contributed

33 YOUNG LADIES TO TAKE PART IN THE CORONATION

Thirty-three young ladies, representatives from as many towns and communities in this section will take part in the elaborate coronation ceremonies on Thursday Night, Oct. 16th, when Miss Elizabeth Steele is crowned as Queen of the seventh annual Haskell County Fair.

Names of the following young ladies, with others possibly to be received before the week is out, was announced Thursday by manager Turner E. Camp:

Princess Tammye Echols, Throckmorton.

Princess Lucile Carley, Mitchell.

Princess Wilma Blake, Gaunt.

Princess Pauline Little, Cliff.

Princess Zora Nanny, Howard.

Princess Mary Wyatt, Tanner Point.

Princess Lois West, McConnell.

Princess Rita Mae Guess, Pleasant Valley.

Princess Jesse Moody, Plainview.

Princess Bernice Brookerson, Benjamin.

Miss Aldine Melton, Maid of Honor, Benjamin.

Princess Margaret Walsworth, O'Brien.

Princess Pauline Frierson, Midway.

Princess Gladys Cloer, Rose.

Princess Mary Hartsfield, Post.

Princess Mary Fraley, Balfew.

Princess Juanita Morgan, New Cook.

Princess Bula Force, Roberts.

Princess Dorothy Parker, Wichita Falls.

Miss Margaret Norwood, Maid of Honor, Wichita Falls.

Princess Ollie Brewer, Archer City.

Princess Margaret Irene Waldrop, Abilene.

Miss Jeannette Jones, Maid of Honor, Abilene.

Princess Wonna Williams, Munday.

Miss Lillian McLaughlin, Maid of Honor, Munday.

Princess Ermine Alvis, Rochester.

Miss Mary Tom Bragg, Maid of

Honor, Rochester.

Princess Elizabeth Morrison, Graham.

Princess Norma York, Stamford.

Miss Maxine Rowland, Maid of Honor, Stamford.

Princess Minnie Lee Floyd, Lone Star.

Haskell's representatives are to be chosen by the Junior and Senior Classes of High School, with Miss Anna Maud Taylor and Miss Irene McGregg nominated by the classes, but selection of the Princess has not as yet been announced.

LOCAL ELEVEN TO PLAY AT SEYMOUR FRIDAY THIS WEEK

Friday October 10th the Haskell Indians will journey to Seymour to do battle with their old rivals on the gridiron. The Indians have had a hard time getting started this year but new men are becoming more skilled at playing as each day passes and it won't be long now until we will hear from them.

The outcome of a game between Haskell and Seymour is generally hard to prophecy. Haskell always does the unexpected when the two teams meet. Seymour seems to be able to always spread the hope that they do not have much in the way of a football team. Then how they do like to spring a surprise. With every man on the Haskell team in good condition it is hoped the surprise may be turned the other way this year.

Mr. and Mrs. J. S. Williams of Post-Worth are the guests of Mrs. Williams' parents, Mr. and Mrs. R. E. Sherrill. They will remain for a few weeks visit.

WILL FRITTS CASE TRANSFERRED TO KENT COUNTY

The trial of Will Fritts, charged with murder in connection with the slaying of D. W. Hamilton in Oct. 1933, which was set for trial Tuesday, Oct. 14th at Roby, has been transferred to Clairmont, according to court officials.

Date for trial of the case has not been set, and witnesses who had been summoned to appear at Roby Tuesday need not appear, according to District Attorney Clyde Grison. Witnesses should keep up with the

case, however, in order to know when to appear at Clairmont, when trial date is set.

Elmer Irwin, Jr., son of Mr. and Mrs. Elmer Irwin of Wichita Falls, has been visiting his grandparents, Mr. and Mrs. W. D. Kemp of this city. He returned to his home in Wichita Sunday and was accompanied by Mrs. Kemp, Mrs. Owen Fouts and Miss Lena Belle Kemp.

THE HASKELL COUNTY FAIR

One of the moving ambitions of Haskell has been to become a useful city. It has not been altogether absorbed in its own social or material welfare—its self aggrandizement. With business energies that are directed by an intelligent, alert and active citizenry, the community has prospered in wealth and commercial prestige, but through the course of its progress it has proudly cherished and enlarged the community service which its opportunities have entitled it to render to its territory.

The project of the Haskell County Fair in the city's life was impelled by this ambition. Its development throughout the years into the comprehensive, educational institution which is now the city's pride, has resulted from the peoples' faith and loyalty to which it is dedicated.

Perhaps there is no single influence exerted for the development of this section that transcends in more power for good than the Haskell County Fair plays in agriculture, industry and art. It is becoming the great school of our people whither they may make their annual pilgrimages for learning or entertainment—where none may enter without profit to himself and good even if indirectly to his community.

The Haskell Free Press from the beginning of the Fair's conception has been its sturdy advocate, and today it looks upon the satisfying results of the city's enterprise and measures the sweep of its usefulness, this newspaper shares with the community the high sense of pride in its possession of this institution—and unites with the hospitable spirit of Haskell in the cordial invitation to the people of this section, in whose interest and for whose benefit the Haskell County Fair is designed, to come, enjoy, observe and make the fullest of its offerings.

THE HASKELL FREE PRESS

**Local Crowds
Await Opening
of Comedy Hit**

Filled with delirious fun and hilarious nonsense, "The Cuckoos," Radio Pictures' wild riot of wagery, opens Wed. at the Texas theatre. The show brings the talking screen something entirely new in entertainment.

"The Cuckoos" is not a revue. It's not a musical comedy, although comedy and music hold full sway through the production. The show is a distinct departure from the conventional, offering a well-knit story which serves as a background for the antics of the maddest pair of comies ever to grace the screen—Bert Wheeler and Robert Woolsey,

who won picture fame in "Rio Rita." Romance has not been neglected and a tender love strain is carried by June Clyde and Hugh Trevor. Wheeler and Woolsey are capably aided in their lunacy by Dorothy Lee and Jobyna Howland. Ivan Lebedeff and Mitchell Lewis are the "bad men" and Marguerita Padula lends her glorious voice to a number of song hits.

Filmed partly in Technicolor, offering ten liting hit songs, numbering more than a thousand in its cast and containing the liveliest set of chorus presentations ever brought to the screen, "The Cuckoos" is said to have everything that makes for perfect screen entertainment.

Judging by its record-breaking reception in other cities, "The Cuckoos" is expected to attract capacity audiences during its showing here.

**Enter Paintings
For Fair Exhibit
Next Wednesday**

Those wishing to enter paintings at the Fair will please send them to the exhibit hall Wednesday, Oct. 15th, so that they may be properly hung. We want this department to be the very best that it has ever been. So if you have paintings, please enter them.

SOCIETY and Club

Social
R. L. Norton assisted by Lucy P. Pool, entertained the Girls Auxiliary of the Baptist Church in her home last Friday evening. After playing several interesting games a delicious cream course was served to the visiting members.
Quartekbaum, Geraldine Fouts, Gladys Fouts, Lottie Mae Thompson, Ruth Welsh, Frankie Dorris Bindson, Mary Frazier Diggs, Frances Fouts, Geraldine Conner, Anita Joe Simmons and Mildred Osborne.
The regular G. A. Meeting will be held in the home of Geraldine Fouts, Tuesday afternoon, Oct. 16th, at 4 o'clock. All members are urged to be present. This is a wide-awake bunch of Junior girls and we are expecting great things from them during the coming year.

Christian Endeavor Party.

Members of the Christian Endeavor were entertained by Mr. and Mrs. L. J. Isham in their home on last Friday evening. The tables were brightly colored autumn leaves and the rooms were decorated in golden, glow lanterns and yellow cosmos. Six tables were laid for "Progressive 42." After several games the dominoes were removed and the tables covered with black and yellow crepe paper. The refreshments of chocolate cake, iced in yellow and hot chocolate also carried out the color scheme and were served by Misses Genevieve Isham and Marie Lena Tabbs.
Those present were: Dixie Orr, Myrtle Orr, Alberta Orr, Olive Hester, Mollie Hester, Lucille Atkins, Ethel Frerison, Pauline Frerison, Ola Frerier, Olive Frerier, Alma Frerison, Blanche Frerison, Willie Belle Frerison, Mary Frazier, Velma Frerison, Alice Frerison, Marcille Frerier, Juanita Mapes, Charlie Hester, Felix Frerison, Calista Frerison, Eugene Frerison, Julian Frerier, Bruce Wilson, Genevieve Isham, Marie Lena Tabbs, Mr. and Mrs. M. L. Baker, the host and hostess, Mr. and Mrs. L. J. Isham.

We would like to take this opportunity to thank, publicly, Mr. Conner for what he has done for us. He has been a guiding light to us and we are not looking in appreciation. We know that we are going to be able to do big things under Mr. Harrow, but we want to know that it was Mr. Conner who made the change in our teacher, for reasons best known to himself and the class.
We are just starting the new year and we want every officer in his place next Sunday, as well as all the members. We had a good representation last Sunday and we want the entire class out next Sunday in order that every member may do his best in the class, the officers must put forth the very best that they have. For the officers have been chosen for leaders, and they have a responsibility that they must shoulder, or let some one else do the wheel, who will.
We are studying "Mary, the Mother of Jesus," next Sunday. So come out, and hear Mr. Harrow's discussion of the Mother of the only Perfect Man to walk the earth.

Haskell Baptists

The Spirit of Haskell Baptist Church
There is a fine spirit of fellowship in our church. It is a joy to come and hear the good word and sharing, but it is a greater joy just to come and enjoy the fellowship of God's people. Our people are growing in devotion to Christ. The winning spirit in the church was never greater. It is the hour of the membership to keep a revival going the whole year. We are very anxious that our church render a real spiritual service to our community.

The Bible Our Text Book
We do our best to have every sermon on the Bible. It is our aim to make every sermon an explanation of the Scriptures. We do not care anything about hearing them in church. We also realize that we cannot compete with professionals in the show business, so we are satisfied to preach just the plain Word of God. If you want a greater knowledge of the Bible, we invite you to come and worship with us.

11:00 a. m. "THE RICH YOUNG RULER."
We often read the passage about this young man and it does not mean a great deal to us. There are many wonderful lessons in connection with his coming to Christ. It is the belief of some that Christ taught many plans of Salvation during His life time. Some try to find a different plan, than the one we now have, in Christ's conversation with the young ruler. It should be remembered that there are many texts of our surrender to Christ, but there never has been but one plan of Salvation. Peter declared that he preached the same one that had been preached by the prophets down through the ages. (Acts 13:43). Hear this discussion Sunday morning.

1:30 p. m. "PITFALLS FOR THE REAL CHILD OF GOD"
The Christian needs to be on the lookout everyday. We have more to save than a soul. It is possible for a man's soul to be saved and in the end he will lose his inheritance and works. He is saved as a man keeping from a burning building (1 Cor. 13:13). Let's dodge the pitfalls and save both soul and life.
THE BAPTIST CHURCH WELCOMES YOU.

The Berean Class, "The Class of Southern Hospitality"

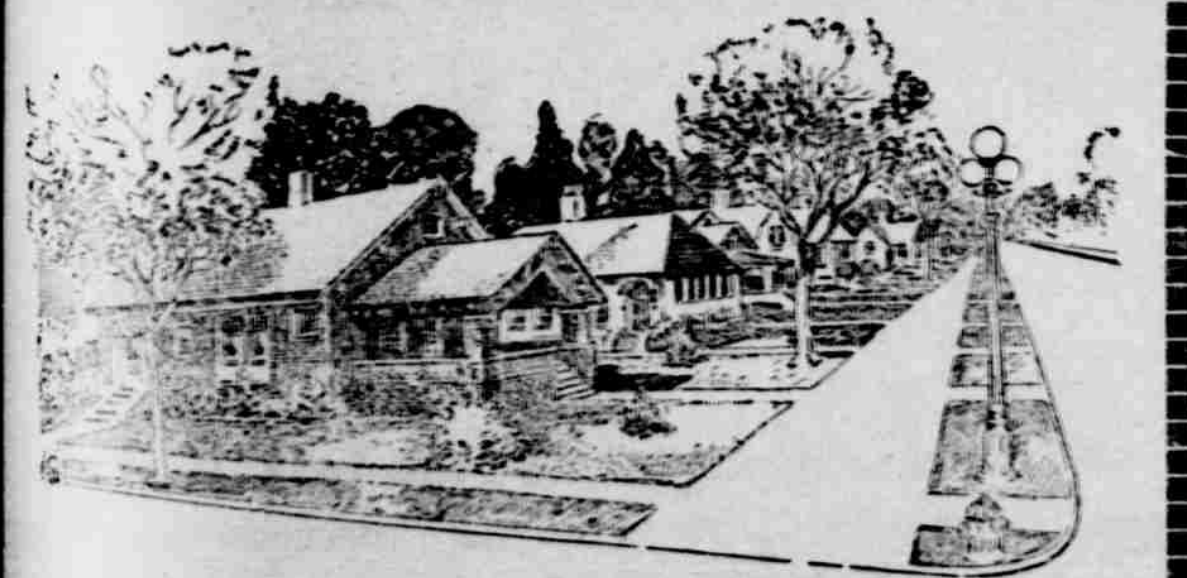

I have told you time and again, that these Bereans can be depended upon to do things like they are supposed to be done. One of these days you might ask me why this is true. And when you do, I'll tell you that it is because they believe in their class, and are willing to work for it. Now, last Sunday, if you will remember was a very bad day, but that made no difference to the Bereans, they were out, just the same. We had a good class, and our new teacher, Mr. Grady Harrow, gave us a good discussion.

Don't Be Mad With Me—Orion Jr. McLain and Patsy Kaigler.
Miss Mulline gave an interesting talk on her recent visit to Amsterdam, Holland, discussing their industries, homes, dress and schools.
The following High School girls and boys put on a play "The Call of the Gypsy":
Jack Byrum, Alpha Fay Davis, Lillian Kaigler, Frances Walling, Kate Darnell, Lena Bell Kemp, Frances Ratliff, Vannie Lee Mann, Lottie Gilstrap.
A short business meeting was held immediately following the program.

A New York woman states in her divorce petition that her husband was selected to judge a bathing beauty contest and now never comes home. Now we know why father never leaves home.

Building Materials

The material used in the construction of any building determines the life of the structure, and, no matter what kind of a building you are contemplating building, you will find that the best material is always the cheapest. We know lumber and buy only the kind that we can conscientiously recommend to our customers.

No matter what your building requirements may be we will be glad to figure with you. Come in and allow us to submit plans, specifications, etc., and you will be agreeably surprised at the tremendous amount of service that is at your command.

Some Great Wins Cash Here Advantage

WELCOME FAIR VISITORS

A Hearty Welcome Goes Out to You From This Firm!

Never before has Haskell received the encouragement and support from the entire County for the—

HASKELL COUNTY FAIR

—as the citizenship of practically every community has tendered this year.

The Fair officials feel proud that they can offer such a fine program this year thru this co-operation. We have been wanting a chance to meet you, so this is a good time to call in and give us that pleasure.

Perry Bros. Inc.

Quality—Service—Economy

BAND DIRECTOR

PROF. JOE MEACHAM

Daily and concerts by the Haskell Municipal Band, a thirty-five piece organization, will be a feature of the Haskell County Fair. Under the expert direction of Mr. Meacham, the Haskell Band during the past four years has developed into one of the best and most widely known musical organizations in this section, and their services are in demand on numerous occasions.

COLORED MINISTER TO PREACH SUNDAY

Rev. Gee, colored Methodist minister, requests us to announce this week that he will preach on the courthouse lawn next Sunday afternoon at 3 o'clock, weather permitting. The subject of his sermon will be "The Electric Chair With 7 Steps Leading Up To It." The Colored Choral Club will sing. Everyone invited.

STERLING RESIGNS; ELY APPOINTED AS HIGHWAY CHAIRMAN

Resignation of R. S. Sterling as chairman of the state highway commission and appointment of W. R. Ely of Abilene to succeed him as chairman was announced Monday by Gov. Dan Moody. D. K. Martin of San Antonio was appointed a third member of the commission.

Martin, as a member of the commission under the Hobby administration, was considered one of the best posted men in Texas on highway matters. As a business man he has traveled all over Texas.

He and Sterling have been friends for several years and in addition to this friendship, the appointment was considered a concession to South Texas, which has many road projects pending.

Under the line up, Martin's term will expire in 1931; Johnson's in 1933 and Judge Ely's in 1936, Ely having been recently re-appointed.

The commission's terms were shifted. Cone Johnson of Tyler being named to succeed Sterling, his term to expire in 1933, and Martin to succeed Johnson, his term to expire in 1931.

This will mean that the incoming governor will appoint a third member, probably reappointing Martin for a full six-year term.

JOSSELET H. D. CLUB MEETING NEXT TUESDAY

The regular monthly meeting of the Josselet H. D. Club, will be held Tuesday, Oct. 14th at the home of Mrs. Noble Henry. This meeting was postponed from last Tuesday due to the inclement weather, and all members are requested to bring their exhibits for judging by Miss Partlow.

Mrs. Vaughn of Big Spring, daughter of Mrs. Mays, has returned to her home after a week's visit to her mother and other relatives.

Carl Springer of Eastland, and formerly of Haskell, is in Haskell this week, attending legal business.

Notice of Execution Sale

The State of Texas, County of Haskell.
By virtue of an execution issued out of the county court of Throckmorton county, Texas, on a judgment rendered in said court on the 12th day of August, 1930, in favor of Donnell Service Station and against Tibbetts Construction Company, in the case of Donnell Service Station et al vs Tibbetts Construction Company et al No. 522 in such court, I did on the 24th day of May, 1930, at 5:30 o'clock p. m. levy upon the following described tracts and parcels of land, situated in the county of Haskell, State of Texas, as the property of the said Tibbetts Construction Company, to-wit:
The west 45 feet of Lot No. 1, Block No. 68, Original town of Haskell, Texas; Also Lot No. 9 and the South 20 feet of Lot No. 8, Block No. 3, of the J. W. Meadows Addition to the town of Haskell, Texas.
And on the 4th day of November, 1930, being the first Tuesday in said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m.

on said day, at the court house door of said county, I will offer for sale and sell at public auction, for cash, all the right title and interest of the said Tibbetts Construction Com-

pany in and to said property. Dated at Haskell, Texas, this 15th day of September, 1930.
W. T. Sarrels, Sheriff
Haskell County, Texas.

"Save the Difference"

THE SEVENTH

Haskell County Fair

Promises to Be Bigger and Better Than Ever

While in the city, make our store your headquarters. You will find a cordial welcome and the Lowest Prices you have ever seen on High Grade Merchandise.

When the Haskell County Fair was organized we were a contributor to the Fair and to visitors who were seeking bargains in our line. For all these years we have put forth our every effort to give better values and a greater variety of merchandise. This year we believe we have reached the top notch and offer bargains that we know cannot be excelled anywhere. Come in and marvel at what we are offering for so little money.

Greater Reductions in Men's Suits

We will guarantee to save you money on your suit if you will buy from us during the remaining days of our

STORE WIDE STOCK REDUCTION SALE

Buy your suit from Brissom's and save the difference and spend it as you please. Most of our suits are brand new and with two pair of pants—and have been in our house less than 30 days.

Every suit in the house is on sale at the following prices:

\$50.00 Suits	\$35.00
\$44.75 Suits	\$30.00
\$35.00 Suits	\$25.00
\$30.00 Suits	\$22.50
\$25.00 Suits	\$17.50
\$16.75 Suits	\$10.00

For a Perfect Motor Trip to the Fair Fill Your Gasoline Tank With—

Texaco-Ethyl Gasoline

If you think that all premium motor fuels are alike just try Texaco-Ethyl and see for yourself how amazingly superior it is. For Texaco-Ethyl is a "dry" Ethyl Gasoline.

It does more than eliminate the knock and smoothe out power. Because it's "dry" Texaco-Ethyl vaporizes instantly and assures a complete and uniform distribution of the anti-knock compound through the manifold into the cylinders of your engine. That means more speed, greater power, quicker starts, plus quieter, smoother-running engine regardless of driving conditions.

You know the advantage of Ethyl! You know the advantages of "dry" gas! Now enjoy the advantages of both combined in one fuel—Texaco-Ethyl.

When you visit the Fair—Texas Ethyl can be purchased at the following Service Stations in Haskell.

Now Zane Grey's Western Heroes Speak on Screen

"The Light of Western Stars" will romp into the Texas theatre for its 2 day run to rope the audience's heart and soul with its spectacular outdoor scenes, its heart-throbbing romance, its rollicking humor and its great human thrills. It's Zane Grey as he has never been seen on the screen before—now his he-man heroes talk.

Richard Arlen has his second western role as Dick Bailey, the ranch foreman, whose swaggering proposal of marriage incurs the hate of Mary Brian. Awakened to real love, he works to offset his first bad impression, saves the girl from the sinister plans of Fred Kohler, and brings everything to a thrilling and happy ending. Miss Brian, playing opposite Arlen, is even better in this characterization than she was in "The Virginian" and the picture, as a whole, is just as spectacular, just as grand, as was that rousing entertainment.

The Only White Girl on a South Sea Island—and Resired By Three Men. Thrilling, Throbbing Romance and Adventure. See "Paradise Island."

We Welcome You

— TO THE —

Haskell County Fair

And we bid you welcome to our store while in the city.

It is just about time to begin thinking about Heating Stoves for the Winter. We have them for you. We are displaying the best line of Gas Heaters we have ever shown and you will be surprised at the reduced prices as compared with last season.

We also have a good line of Coal Stoves and some dandy bargains in used stoves that we have taken in trade for gas stoves.

Call in and see us during the Fair and call on us for any courtesy that would make your stay in our city more pleasant.

Jones Cox & Co.

**Rally Day Program
At Presbyterian
Church Sunday**

The Rally Day Program that was planned and announced for last Sunday was postponed until next Sunday on account of the rain. The rain kept many people from going to church last Sunday, if for no other reason than an appreciation of the best rain we have had in many months. While we are enjoying the blessings of God we must not forget the great giver of the gifts.

Sunday School begins at 9:45 a. m. and a most cordial invitation is extended to every one to meet with us, especially those who have no church home.

At eleven o'clock the pastor will preach on the subject: "Saving Faith."

At seven o'clock in the evening the Young people will have their Christian Endeavor program. These programs have meant much to all those who attend, and we wish for

others to come and meet with us. A fine group of twenty five to thirty young people meet here every Sunday evening.

The evening church service will be a service of worship in song and prayer with a message from the Scripture by the pastor.

Mad wags of "Rio Rita" hurl giant bolts of laughter in the dizziest riot of slap-stick fun ever brought to the screen in "Cuckoo!"

Honestly, now, how many of you ever heard of Andree before they found his remains up there in the arctic?

The superlative in dumbness was expressed by the fellow who said that another was so dumb that he didn't know that he didn't know.

You will notice that the man in the family who foots the bills is always obliged to toe the mark.

The Cleveland man who drank 11 glasses of water and then challenged all comers for the water drinking championship certainly is gifted with a fine sense of dry humor.

ENTERPRISE, DEFEATS SHAMROCK V FOR CUP:
The America's Cup is still safely in America. The swift defender, Enterprise, is shown crossing the finish line a quarter of a mile ahead of the challenger, Sir Thomas Lipton's Shamrock V, in the first race for the Cup. The American boat showed greater speed throughout the series and under the skillful handling of her skipper, Harold S. Vanderbilt, constantly out-manoeuvred the challenger.

**"Paradise Island"
Thrilling Romance**

If you are one of those who like their romantic adventure stories set in the languorous, glamorous South Seas—and who does not?—you should see "Paradise Island." And if it should happen that you aren't particularly enthusiastic, you should see this Tiffany production that is playing the Texas Theatre anyhow because it is one of those pictures that accomplishes the difficult task of being absorbingly entertaining.

The elemental in every woman who sees "Paradise Island" is going to respond to and thrill to the situation Marjorie Day, as Ellen Bradford, finds herself in when she reaches the island of Tonga. She is the only white girl there. She is engaged to one of them while the other two, rivals in all things and enemies of long standing, both de-

The census director has announced that most of the unemployment is in the cities. Now isn't that startling?

A lot of fathers will learn what higher learning is when their sons enter college this month and they begin to foot the bills.

Booth Tarkington predicts that by 1980 men will have discarded shorts. If they don't quit fooling with the stock market they won't have any to discard by that time.

One of the star players on the University of Missouri football team is named McGirl. Players on opposing teams probably will try to rush him.

The White House chauffeur has driven five presidents and has never been in an accident. There's a fellow who takes advantage of his brakes.

Pearsey-Pyle.

Surprises have blazed the trail of romance for Lewis Wallace Pearsey, 21 year old, of Arkansas City, Kan., and Elizabeth Earle Pyle, 18 years old, of Jacksonville, Fla., who Friday became the 45,000th couple to apply for a marriage license here since the keeping of territorial records began.
It all started two years ago when they met abruptly on a bus as she was going to Sherman, Texas, to attend Kidd-Key college and he was going there for his junior year at Austin College.
They were engaged secretly and agreed to marry next year. But when Elizabeth came to Oklahoma City to visit an aunt, Mrs. J. N.

Byrd, 1221 East Park place, Lewis decided a year was too long to wait. Unexpectedly, he appeared in Oklahoma City Friday, and they became bride and groom No. 45,000.
The last surprise came when Geo. W. Clark, district judge who probably has performed more marriages than any other person in Oklahoma, celebrated the occasion with a free wedding.

Tuesday Evening Club.

Mr. and Mrs. John V. Davis and Mr. and Mrs. Bert Welsh entertained the Tuesday Evening Club in the home of the latter.

Bridge was the diversion of the evening, and Mrs. J. W. Hill of Amarillo received the prize as high scorer.

Candy was served during the games and sandwiches, tea, potato chips and olives was served to the following:

Mr. and Mrs. Theron G. Cahill, Mr. and Mrs. Herman Bettis, Mr. and Mrs. Harry Bettis, Mr. and Mrs. C. V. Payne, Mrs. J. P. Payne, Mrs. J. W. Hill of Amarillo, Mr. and Mrs. W. P. Trice, Mr. and Mrs. Clyde Grissom, and Mr. and Mrs. Welsh and Mr. and Mrs. Davis.

FOR SALE - Several Poland China small shoats. Priced very reasonable. Mrs. H. Hisey, Telephone 283.

Mrs. J. W. Hill and little daughter, Dolores of Amarillo, are spending two weeks with Mrs. Hill's parents, Judge and Mrs. Joe A. Jones

Snappy Sandwich Shop Opened on South Side Square

Opening of the Snappy Sandwich Shop on the south side of the square is announced this week. The establishment is under the management of Mrs. Jess Edwards, and in addition to sandwiches and short orders, a complete line of confectionery goods is carried.

Ex-Governor Jas. E. Ferguson is in Haskell in the interest of the Morton Estate matters in District Court.

Judge Joe A. Jones has been transacting official business in Ft. Worth this week.

Piles Cured Without the Knife

PIANO FOR SALE—Or Trade. Good as new. See Mrs. Vaughn Bailey.

TAKING THE GUESS OUT OF BUSINESS

By JOHN G. LONSDALE
President American Bankers Association

BANKERS and business men err in not adopting more universally the tactics of the scientist.

John G. Lonsdale

before him, like an open book, the secrets of nature which unaided eyes cannot observe.

The uncanny power of the microscope's all-seeing eye has revealed countless secrets for the material and intellectual progress of humanity. It has enabled us to study the processes of growing cells in plant and animal life, trace the causes of disease and successfully combat the ills of mankind; it has aided the engineer in his search for stronger and more serviceable materials, giving us taller, lighter and more sanitary structures, and better highways; it has disclosed the defects in steel rails and brought us an era of safer railway travel; it has added to the food supply of the nation, in fact, it has affected favorably nearly every activity of the human race, whether it apply to production, distribution or consumption, in time of peace or in time of war.

In the business and banking world, economic research and analysis serve as the microscope through which we are enabled to see basic factors more clearly and thus determine the causes of success and failure. Only recently have we begun to realize the full value of research and analysis and apply them in such a way as to eliminate the guesswork that was characteristic in industry a few years ago. "Eliminate the guess and reach success," might well be a motto for all of us.

Boy, 13, Builds Plane; Won't Fly It Himself

Memphis, Texas.—Construction of an airplane by a thirteen-year old boy is said by Memphis residents to mark the city as the home of one of the youngest plane builders in the country.

Bobby Ragsdale, son of Mr. and Mrs. R. L. Ragsdale, will have his plane completed in a few weeks. He is building it in the rear of a local garage where he has worked every day except Sunday since school closed last May.

L. E. Clark, garage employee, has aided young Ragsdale in doing the welding and metal work and James G. Hammond helped to cover the wings.

The engine develops 28 horse power. It was bought in Fort Worth by Bobby.

Bobby expects to get an experienced pilot to try out the plane. "I am too young," he says. The test flight will be made either in Amarillo or Wichita Falls. "I want to learn to fly before I try this machine," the youthful builder added.

Famous Oregon Gold Mine Is Rediscovered

Port Oxford, Ore.—Considerable excitement has been caused here by the belief that the Lost China mine on the Sixes river has been found.

The story of Lost China runs back 75 years to the days when Capt. Williamson Tichenor, early-day sea captain, founded this little southern Oregon town.

Captain Tichenor did considerable prospecting in the early days. He is said to have taken out some \$20,000 worth of gold from the mine.

Chinese laborers and Indians figured in the subsequent prospecting, and obliterated the fissure, while white men searched other gold fields. Then a fire swept over the country, changing the aspect of the terrain, and the Lost China became somewhat of a legend.

A new discovery of the mine has been reported by S. A. Laurence, local attorney to F. B. Tichenor, deputy United States marshal during the World war, and grandson of the old captain.

English Lead Other Foreigners in France

Paris.—The Englishman leads all nationalities as a permanent resident of France, according to recent statistics of immigration, 84,000 now being classed fixed homeholders in this country, and not including transient voyagers and tourists. North America follows second with 50,000.

Kids Learn to Turn in Alarm, Then Practice

Southbridge, Mass.—Local school children were given instructions by firemen on "how to turn in an alarm." Police officials now plan to give instructions on "when to turn in an alarm." An extraordinary number of false alarms resulted from the educational efforts of the firemen.

Burras Wanted At Fair Park By Tuesday

Those that have Burros that have been contracted for and also others as we will need a few more, are asked to bring the Burro's to Fair Park not later than next Tuesday as the Teams are ready for a little practice.

Gloria Swanson says of her husband: "Apart we'll always be good friends." Apparently Gloria has found the way to be happy, though married.

Miss Ruby Martin who is connected with the Haskell Telephone Co. has returned from Lubbock where her company sent her for a few weeks, and reports that she will probably be permanently located in Haskell.

Wichita Falls Delegation of 250 to Attend Fair

Haskell County Home Demonstration Clubs, under the leadership of Miss Eileen Partlow, County Agent, are 100 per cent behind the Fair this year, and exhibits of club work in all its phases will be seen in every department of the Fair this year more than ever before.

In the group picture at the right are shown representatives and members from practically every community club in the county.

Haskell County H. D. Club Women To Exhibit Work at Fair

TO VISIT FAIR FIRST DAY

Manufacturers and Jobbers of "The City That Faith Built" Sponsor Delegation to Haskell County Fair

Sponsored by the manufacturers and jobbers of Wichita Falls through their Junior Chamber of Commerce, a caravan of at least 250 people from Wichita will journey to Haskell on Thursday Oct. 16th, the opening day of the Haskell County Fair, accompanied by at least one band, and possibly more.

According to advices from the secretary of the Junior C. of C., stops will be made at each town between here and Wichita Falls, each city along the route being invited to join in the caravan to the Fair.

Miss Dorothy Parker, Princess, and Miss Margaret Norwood, Maid of Honor representing Wichita Falls in the coronation ceremonies Thursday night, will accompany the trippers to Haskell, as will Hon. R. E. Shepherd, former Wichita Falls mayor, who is to take a leading part in the pageant following the coronation of the Queen.

HISTORY OF WORK OF POST 4-H CLUB

(By Zora Nanny)

The girls of Post community, Haskell County, met with the home demonstration agent, Miss Partlow, in January 1929 and organized a 4-H Club. We have had a club at Howard two years and I am a third year club member. Since there was not enough members to keep our club going at Howard, I moved my membership over to Post.

I selected gardening instead of poultry because I am more interested in that and am better prepared for gardening and I wanted to see what we could raise best here. We have had few vegetables to date this year.

Early in the year I picked out a place for my garden which was rich and in a low place that would hold the water when it rains. We cannot irrigate like I would like to. I measured my garden 66 feet by 33 feet. After that I broke my garden and got it in good shape to plant. The first thing I set out was onions.

A real hot bed was my next job. I wanted to grow my own plants of pepper, tomatoes and cabbage and some new plants cauliflower and egg plant. I made my hot bed by digging a pit 1 1/2 feet deep and building a frame sloping to the south and then filling in with manure and straw to within 6 inches of the top. An old window pane made the top of the bed.

I hoed and worked the garden and then planted radishes, lettuce, and okra. The last of April I set out a few cauliflowers, egg plants and cabbage and tomatoes. I had to haul two barrels of water which I set out my plants.

Since I had plants left over in my hot bed I set them out at different places.

A flood hit my garden the last of April and washed most everything away.

During the month of May I planted lettuce, mustard, cucumbers, cabbage, carrots and Swiss Chard. On the thirteenth we had a flood which washed nearly everything away. All I had left was a few tomatoes and okra, onions, a few heads of pepper, Swiss chard and a cucumber vine. By this time the weather became hot and dry and what I replanted for the third time did not do much good.

I gathered 15 lbs of onions and three quarts of cucumbers besides we ate Swiss chard for some months. Okra and a small amount of pepper was gathered. I am still in hopes that my egg plant which is blooming will make fruit. I have a pretty fall turnip patch growing on now.

I have done all of my required sewing which was preparation of poultry vegetables, starchy vegetables, pulsed vegetable and biscuits, mountain muffins and whole wheat muffins, all five times and more. I have done a great deal of my cooking besides.

I have canned and helped can 24 quarts of peaches, 27 quarts of apples, 8 quarts of pear preserves, 3 quarts of cucumber. For exhibit purposes, I have prepared one quart of fruit, one quart of eggs and one quart of tomato sauce and pint of Dials which are things required and which I have in clothing and in fabric. I have a slip of material, one of cotton print, and one of same good.

I have cover for my work, to fit my hemmed

and with Bermuda fagoting as the trimming. This is the first fagoting that I have.

The first year of club work I was elected yell leader, second year I was president of my club, and this year I was elected secretary of the Post Club but since I had to drive 6 miles to the meeting I thought best not to accept the office.

I have attended the Farmers Short Course for three years, the club sending me the first time, the second trip I won because of my winning in afternoon dress contest and the third year I entered the afternoon dress contest and won in the county and entered the 4-H Appropriate Dress Contest at College Station. In 1928 I won a trip to the Dallas Fair and enjoyed this trip very much. I appreciated getting to make these trip and got a lot of good information there. My club and communities have been responsible in helping me.

I think every girl should be a 4-H Club member, since my work has helped me so much.

Miniature Farm Exhibit on Display At County Fair

One of the many interesting things to be seen at the Haskell County Fair will be a miniature farm exhibit. The exhibit is being prepared by the Vocational Agricultural Class of Haskell High School. Everything on the farm is to be modern in every respect. The West Texas Utilities Company is preparing an electrical display in connection with the exhibit and everything in the exhibit is to be electrified if it is possible to electrify.

The exhibit is to represent a modern diversified farm for Haskell County. The crops represented and all buildings and equipment are such as might be used in Haskell county.

News of Interest From Howard

The singing at this place Sunday night was enjoyed by all present.

Everyones has been enjoying the rain that has been falling for the past few days.

Mr. and Mrs. Estell Gilleland of Haskell visited in this community Sunday evening. Mrs. Clarence Singleton and baby of Haskell visited in this community one day this week.

Mr. and Mrs. Alford Fowler and baby visited Carl Fowler of Douglas Thursday night.

Weldon Andrews of Beaty, Texas is with his sister now, Mrs. Edmund Medford.

There will be preaching services at the Methodist Church Sunday.

Texas Graham is now a newspaper columnist, and we'll bet there's either a ghost or an angel back of it.

A writer says that President Hoover entered office without any political training, but he'll have plenty of it before he leaves.

Entertainment for All! Be Here!

BEAUTIFUL PAGEANT TO BE BIG FEATURE OF THIS YEAR'S FAIR

History of Haskell County From Earliest Days Down to Present Time to Be Depicted in Impressive Pageantry.

The history of Haskell County from its early settlement down to the present day will be graphically presented in pageantry on the opening night of the Haskell County Fair, with over 100 persons taking part, among whom will be pioneer citizens of this section who have taken part in the development of the county and of West Texas.

With an elaborate scenery setting, Indians, cowboys and cowgirls, the old-time conveyances will be seen, side by side, with modern day's adaptations of progress. Old and new customs will also be enacted in the pageant, interspersed with an appropriate musical program.

Following the coronation of the queen under the direction of Mrs. Clayborn Payne, and the train of Indians, cowboys, early conveyances and farm vehicles, directly supervised by Manager Turner E. Camp, will be a pageant, depicting the social customs and costumes from the time of the earliest settlers of Haskell on down to the present day, this division is under the direction of Mrs. C. M. Kaigler and Miss Rub y Fitzgerald. Ex-mayor R. E. Shepherd of Wichita Falls will sing, "When You And I Were Young Maggie" while the following Haskell Pioneers are on the stage: Mr. and Mrs. F. G. Alexander, Judge and Mrs. S. A. Hughes, Mr. and Mrs. R. E. Sherrill, Mr. and Mrs. B. Cox, Mrs. W. F. Draper, Mr. and Mrs. M. A. Clifton, Messers. M. E. Park and T. J. Lemmon.

The next group that were social leaders in their day, before the advent of the rail road, victrola, radio, very few pianos, used the french harp while they chased, "The Buffalo," this they will do on the evening of the pageant, with Mr. R. V. Robertson playing the instrument and leading the game at the same time. Mrs. W. W. Koonce will sing a song popular at that time: "After The Ball." Members of this group who have been in nightly rehearsal are: Judge Joe A. Jones, Mrs. R. C. Montgomery; R. V. Robertson and Miss May Fields; Charlie Jones and Mrs. Ethel Irby; Virgil Hudson and Mrs. J. M. Diggs; Messers and Mesdames John Couch, R. J. Reynolds, F. T. Sanders, and John Robertson.

The next division will include members of the local Elk's Lodge with their wives, they will stage a grand march and a typical period dance and a song that came into high favor and has remained so throughout the years will be sung

by Mrs. W. W. Koonce, "Let Me Call You Sweetheart." Elk's members and their wives; Messers and Mesdames, Henry Alexander, J. E. Bernard, Hardy Grissom of Abilene, Courtney Hunt, Curren Hunt and Tom Pinkerton.

Two drastic changes in the world politic, and in women's dress will follow. The first will be a war scene: Red Cross workers, headed by Mrs. C. L. Lewis, the 1st. Haskell Chairman of Red Cross and Mrs. Joe A. Jones, and Mesdames W. W. Koonce, J. M. Martin, V. Bailey, Hill Oates and Wiley Reid. The soldiers are Chas. Conner, Tom Davis, Clyde Grissom, Raleigh Lemmons, Gilly Mulkey, F. M. Squyres, Oscar Oates, Rev. M. L. Baker, Bert Welsh, Bill Collier, Larry Smith, Bud Harris, Thomas Ballard, E. E. Sloan, Elam Parish, Virgil Meadors, Tom Holland, Bob Fitzgerald, Jim Shriver, Andrew Shriver and Albert Woods. The gold star mother, Mrs. S. R. Rike. At this juncture, Mr. Shepherd will sing a popular number of his choosing. The group showing vital change in womens clothes following the war, and who will be gowning in high topped boots, flowing veils, hats weighted down with plumes, on down to the present day costume are: Mrs. E. Gaston Foote, Mrs. Virgil Reynolds, Misses Lois Earnest, Bertha Carmin, Nettie Malino, Mary Sherrill, Ermine Daugherty and Alyne Mitchell.

High School Girls in chorus and dance sketches, Lena Bell Kemp, Elizabeth Gilbert, Vannie Lee Marrs, Lillian Kaigler, Frances Walling, Mattie Mauriel Walling, Janie Lybse Martin, Virginia Silts, Aletha Fay Davis, Edith Foote, Contine Guest and Kate Darnell.

And lest we forget, the popular dance of a few years ago, a group of little girls and boys will do the Charleston. The tap dancers will interpret, "The Old Man," in Turkey in the Straw, these are Misses Ella D. Koonce, Elizabeth Gilbert, Annabel Burt, Louise and Lillian Kaigler. Futures belles, featuring Miss Miss Beverly Gilbert are Louisa Thompson, Billy Murphy, Dorothy Josselet, Noka Bailey, Frances Cook, Patsy Ruth Fats, Joyce Hill Hamilton, Mildred Mayes and Kinzie Tucker.

Mr. Shepherd will conclude the entire evening's program with a snappy con, asking the assembly to join in on the chorus. Music for the evening's program will be furnished by the Haskell Band, and the pianist, for solos and choruses Miss Edythe DeWitt.

Home Town Thoughts

The people who fight all public improvements, are apt to be the same ones who knock their home town for not going ahead.

If you are a good friend of your home town, you should be the friend and patron of its home business places.

A well advertised store on a side street, should have the advantage over a non-advertised store on a main street.

Advancing Towns

The reason why some cities and towns make a rapid advance in population and wealth is not usually because of their very superior natural advantages. In the majority of cases it is because such towns are provided with the leadership of enterprising and active people. These folks in their own private business, are not satisfied unless the sales of their product keep increasing. They are incessantly studying how they can make new markets for their work and services.

In their function as citizens, these people are equally energetic. They are never satisfied with a community that is just standing still. They are always working for new improvements. They form and carry on active organizations for the public good, they communicate enthusiasm

to their many followers, with the result that a public sentiment is created which feels that useful things can be done, and they are done.

The To-Morrow Habit

Travellers in Central and South America have often laughed at the way the people of those countries have of saying "manana," which means to-morrow. If you ask those folks to do something for you which you need right off, they are apt to say "manana." But when to-morrow comes, they still say they will do it to-morrow, and it is never done.

That point of view is not limited to South and Central America. We can find plenty of people who act that way in our own towns, and some even in Haskell. It is a terrible habit to acquire. It brings many business concerns to ruin, and it holds many towns stationary when they are entitled to go ahead.

The Greatest of Pioneers

The observance of Columbus day, now made a legal holiday in three quarters of the states, pays tribute to one who was foremost among the pioneers of America. And pioneering is not merely venturing off into some new country where conditions are toilsome and dangerous. In the case of Christopher Columbus, it was far more than that. He had to prove to a skeptical age that there was a far country to venture into.

Columbus must have been regarded, up to the time he discovered the American continent, as a visionary, in short the kind of a person now called a "nut." He had a dream about some unknown land across the seas, where untold wealth could be found, when all sensible people knew that there was nothing in those distant waves but desert wastes of sea. At least the wisecracks of his time thought. But they are forgotten, while the memory of this great pioneer will live as long as the human race endures.

It takes a stalwart strength of soul for people thus to devote their lives to promoting some great idea which the limited intelligence of the

age regards as a mere crank notion. When a person can do that, he is a great pioneer, a wonderful originator of new advances.

That spirit is still needed in our time, when people have settled down in fixed modes of thought, and laugh at new ideas as dreamy visions of the impractical. The world of course is full of cranky notions, which will never get anywhere, and would never fit the facts of science or human society.

But we must not get so much fun laughing down the freaks or the cranks, that we fail to recognize

a real pioneer like Columbus when he comes to us, and tells us of some marvellous development that could open new opportunities of human advance as the discoveries of Columbus did.

Much of the unemployment is being relieved by the appointment of commissions and boards to study unemployment.

A contemporary confides that the new Belgian prince is in direct line of succession to the throne, because "his older sister is a girl."

A new machine can exert a pressure of 300 tons to the square inch. Still, it couldn't squeeze money out of some people.

"Lone Chicago Bandit Holds Up Two Policemen"—Headline. Now if it were the other way round that would be real news.

A dispatch says "General Pershing has accepted an invitation to be a distinguished guest." In fact, he could hardly be any other kind.

The unemployed in this country are not so bad off after all. In Bavaria, we read, the jobless are paid dole in the form of Limburger cheese.

When asked in court how large a family he had a Chicago man replied: "One child and an automobile." Well, anyone who owns one of them will agree with him that a

one should be listed as a

MINERAL SALTS TIRED HUSBY NEW

"My husband took 2 boxes of Vinol. Now he has good strength and more strength, pep and than he ever had."—Mrs. Starkey.

Doctors have long known the value of mineral elements in combination with cod liver peptone contained in Vinol. Nervous, tired people are surprised how it gives new strength sound sleep a BIG appetite. Gives you PEP to enjoy life! Vinol is delicious. Martin's Drug Store.

"This New Home Comfort Rate Makes Electric Refrigeration Even Cheaper"

"You've more than likely wanted one of the modern Electric Refrigerators but have hesitated because of operating costs. Let me explain how cheaply you can use electric refrigeration under the schedule of the new Home Comfort rate.

"The average five-room house without an electric refrigerator, electric range, or water heater uses most of the service included on the initial and second rates, so you would simply connect the electric refrigerator on the lighting circuit, use the one meter, and practically all of the additional service for refrigerator or other use would be recorded on the new low rate of 4c per kilowatt-hour—3c where service is also used for heating or cooking. This means that you could use an electric refrigerator at about one-third the initial rate.

"Many other appliances will be just as economical to operate. I'm going to explain some more for you next week."

And Remember—You Can Make Your Own Average Rate

Pension Credit For 4000 Former Atlas Cement Employees

Full pension benefit for their whole period of continuous service with the former Atlas Portland Cement Co., whose properties, assets, and business was acquired by the United States Steel corporation in January, will be extended to Atlas workers now continuing with the Universal Atlas Cement Co., a U. S. Steel corporation subsidiary. This decision, according to an announcement by C. A. Walkerstedt, superintendent of the Waco plant of the Universal Atlas company, places in line for pension benefits approximately 4000 former Atlas employees, many of whom thus get credit for twenty-five or more years of work with the former firm.

The United States Steel corporation pension fund, introduced in 1910 by the corporation and Andrew Carnegie jointly, was one of the first general pension plans established in American industry. Its benefits are apportioned according to a sliding scale based on wages and length of service. The new ruling means that former Atlas men will receive pension credit for continuous service including not only the period since January, but all continuous service with the former Atlas company.

The pension plan involves the retirement of men who have served twenty-five years or more, usually at age of seventy; by request, at sixty-five or thereafter; and at any age, thru permanent incapacity.

A Minneapolis man has been sent to prison for becoming engaged to 143 girls by mail. He ought to have got life.

News From The Cottonwood Section For the Week

We had a shower in this community Sunday morning, which will be of some benefit.

The pie supper was a success at this place Friday night. We made about \$25.00 which will go on the piano for the church.

Mrs. T. S. Furr and daughter from Stamford visited relatives in this community the week-end.

Mrs. Cecil Merchant and daughter of Archer City spent a few days with Mr. and Mrs. J. O. Merchant last week.

Mr. and Mrs. Arthur Chaffin are the proud parents of a fine boy born the 21st.

Mr. and Mrs. George Chaffin visited relatives at Pleasant Valley Sunday afternoon.

Cottonwood H. D. Club
The Cottonwood H. D. Club meet Thursday afternoon with Mrs. Roy Reaves. There were 12 members and one visitor present. Our lesson was discussed and we had no business to attend. We then adjourned to meet with Mrs. Slover Bledsoe on the 9th of October.

How do you like your series bets now?
What game are you going to see tomorrow?

A merchant complains that Republican hard times have become so bad that even the fellow who buys without paying has quit buying.

Mrs. Will Rogers says her husband is never funny around the house, which may mean either that Will is afraid to get funny with her or that she lacks a sense of humor.

A victim of a bad check writes a plea for "a really good bad check law."

Some of these check artists must be using rubber checks for they bounce right back from the bank.

Maybe senators object to women colleagues because they're afraid the ladies will out-talk them.

In case of an overproduction of moonshine we may expect some one to start a "buy a gallon" week.

Recent flops on the wet and dry question illustrates how elastic a politicians convictions can be.

Harvard, it is reported, will open a school of geography. For land's sake!

Bernard's Answer to Letter in Regard Highway Location Sagerton Section

An answer to last week's article headed by wording, "An Open Letter Regarding The Highway Situation in Sagerton," signed by W. P. Caudle.

First I want to thank this Gentleman from Sagerton for the honor he conferred upon me in referring to me, and the Judge as two that were operating in Highway matters for the County, and infers that the authority invested in myself and the Judge were such that we or I could change Highway routes in the County laid out by the State Highway Department at will, very erroneous but flattering never the less the true state of my official position being only that of flunkey for the Commissioners' Court, or go between in trades between land owners on the Right-of-way desired and the Commissioners' Court.

The cases referred to as having been placed before the condemnation board appointed by the court was referred to them only after I had presented the matter to the Commissioner's Court that the property owners wanted an excessive price for their right-of-way thru lands, and what prompted them to submit these matters to a special court, was in the interest of the Tax payers of Haskell County and the diligent effort of expending the Bond and Tax payers money only.

I want to say here that I have found the County Judge and all of the Commissioners of the Court, in my course of connection with them, ever alert in trying to protect the Tax Payers of the County in expending funds whether bond money for road purpose or tax monies and have one so without fear or favor. In view of this fact it seems to me unjust they should be unduly criticized because a few land owners, their influence and friends, wanted what seemed (To The State Government) as well as being far in excess or exorbitant in price of what 90 percent of the property owners agreed to settle for, to meet this demand would impair the county's road building program, and on the basis of such price for right-of-way if bought, would be about all the Tax payers of Haskell County would have, with no money left to grade, bridge and hard surface their roads.

Further, the Commissioners' Court has no say in the matter of locating any State and Federal roads, whether it be No. 18 or No. 51 or any other, it is a matter of the high-

way Department and its Engineering Department to lay out and locate these road systems, and to do so from the most economical standpoint regardless.

I have been informed, where lands are held at such high value for right-of-way, that the state will not lay out roads and force the County to secure right-of-way at a cost that is prohibitive, but first a survey is made and effort to secure right-of-way before they can determine what same will cost and whether or not to continue the route.

Personally I regret the circumstances that seem to have developed in securing the right-of-way thru Sagerton, and any change that the State may make in the future, The REMEDY in my opinion lies with the good citizenship of the town itself, in co-operating with both the County and State in securing the right-of-way at a fair price in line with other settlements in that section.

One more thought before closing; the County and State are doing more for our local citizens by paying a just price for right-of-way, more than any railroad has ever done, land worth as much, who usually demand free right-of-way and a substantial bonus to come into your locality. The State and Federal Government are paying two-thirds the cost of construction and the Tax Payers paying one-third and getting a just cash compensation for their lands taken, plus two-thirds cost of improvements and permanent up keep.

What your local court needs is co-operation in the future, if your road system is to be successful and speedily constructed, and selfish interests laid aside.

Respectfully,
J. E. Bernard.

FOR RENT—Two Unfurnished Rooms. See Mrs. W. J. Sowell, etc.

Out in Chicago they're investigating a tombstone racket. When they get to the bottom of it they'll find the cause lies deep.

Mrs. Cantor lost \$20,000 worth of jewelry the other day, and now we're anxious to see what kind of wisecracks Eddie makes out of that.

The grammar class may parse this sentence displayed on a sign in front of an Atlanta theatre: "Joan Sawyer in Our Blushing Bride Coiled by Refrigeration."

SCHOLARSHIP TRIPS FOR HASKELL COUNTY 4-H GIRLS ANNOUNCED

Following an exhibit of Club work done by members of the various clubs of the county, judged by Miss Grace Nelson, Home Demonstration agent of Knox County the following are announced as those making the highest score on their compete exhibits of clothing, Food Preservation, Home Improvement article and club history and record books.

Miss Zora Nanny of Post Club had the best complete exhibit with a total of twenty three points but since she has attended the Girls Encampment once, will not be eligible for a second trip. Miss Pauline Frierson of Midway ranked second with a total of nineteen points. Dorothy Lewellen of Roberts third and Marguerite Anderson of Midway fourth. All of these girls will have work exhibited at the State Fair of Texas.

These girls accompanied by girls from Knox and Baylor counties and Eileen Partlow, Home Demonstration Agent will leave Haskell October 20th. The scholarships are given by Haskell County Fair Association.

Good Luck Pals.

The Good Luck Pals of the Home Economics Department of the Haskell High School held their first meeting of the year, Thursday October 2. The following officers were introduced to the new members: President, Agnes Grissom; Vice President, Mary Frances Collier; Secretary, Lois Fouts; Treasurer, Molly Hester; Choister, Lilly Fae Stoker; Pianist, Sue Couch; Parliamentarian, Lucille Akins; Club Artist, Beulah Cass.

The Club decided on having a social every third Thursday in the month. Our first social will be held October 16 in honor of Mrs. J. U. Fields, club sponsor. After all business was attended to, Sue Couch played a selection on the piano. The following persons stood for adjournment.

Mollie Hester, Lucille Akins, Annie Lee Pitman, Lela Mae Chapman, Nina Lou Gay, Emma Grace Harcrow, Lilly Fae Stoker, Mary Frances Collier, Ollie Hester, Gladys Mays, Willie Mae Adams, Allegra Kinnison, Paury Ballard, Edith Foote, Theda Naples, Annie Maud Taylor, Dorothy Foote, Hortense

Walling, Kathleen Crawford, Jerene Kinnison, Louise Cannon, Mary Louise Parks, Ethel Irby, Emma Kate Richey, Ruth Morgan, Eva Dell squyres, Villa Hutchens, Ruby Williams, Helen Higgins, Sue Couch, Janie Lyle Martin, Vada Thomas, Betty Ann Hancock, Lena Bell Kemp, Juanita Stone, Rozelle Jones, Frances English.

The aim of the Good Luck Pals: We propose as a group of Home Economics Girls to become worthy home members and worthy citizens.

One-for-Another Class Has Party.

The One-for-Another Sunday School Class of the Methodist church had a very delightful party last Friday night, Oct. 3. We played games until a late hour.

Delicious refreshments of pineapple, whipped cream, bananas, cherries and cake, were served to: Clara Wilfong, Juanita Stone, Pauline Deisman, Margaret Richey, Beulah Cass, Aurine Cousins, Frances English, Virginia Jones, Elizabeth Stewart, Jerene Kinnison, Henrietta Perrin, T. C. Stewart, Z. A. Parker, Joseph Gose, Leo Roberts, Willie Foll, William Alvis, Garvin Foote and John Paul Perrin.

Local News From

Rose Community

Mr. and Mrs. T. M. Patterson and children and Mrs. Eula Little of Alabama visited Frank Patterson and family last Monday.

The friends of Alvin Andrews surprised him with a birthday party last Tuesday night. A number of games were played and at a late hour they departed wishing him many more happy birthdays.

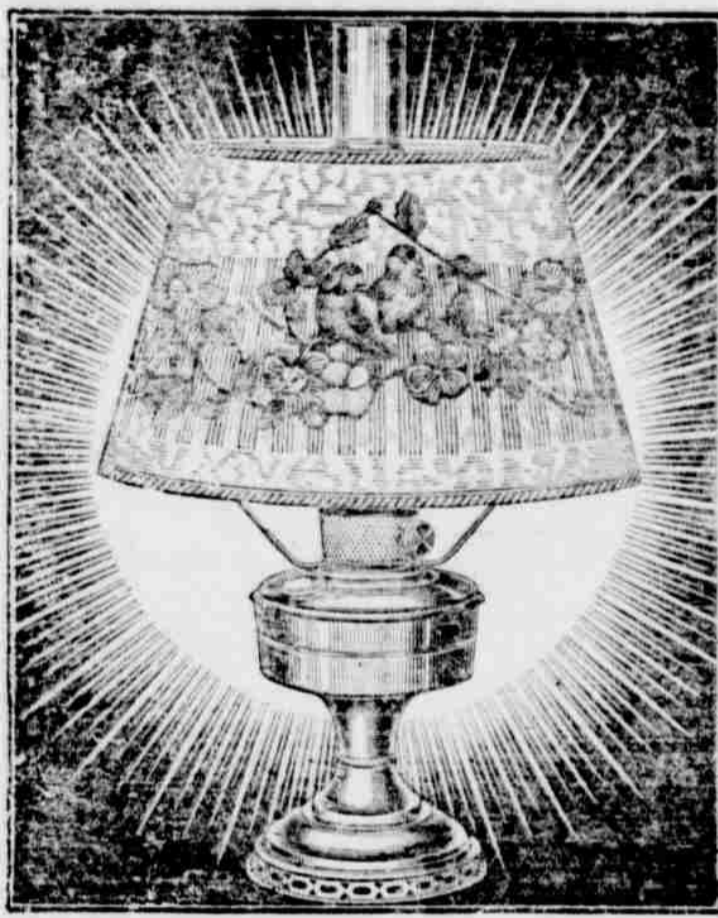

Mr. and Mrs. Troy Carrigan of Ft. Stockton are now making their home with their father, Will Carrigan. We welcome them in our community.

The club met Friday night. A large crowd was present and a short program was rendered.

Announcing the Annual Opening

DISPLAY and SALE of the New 1931 Line of the Wonderful

INSTANT LIGHT Aladdin KEROSENE Mantle Lamp

WE extend a most cordial invitation to everyone to visit our store and inspect this new 1931 line of Aladdin Lamps. Every home where oil is depended upon for lighting may now have all the pleasure and comfort of a perfectly lighted home. Aladdin light is a white light, near to sunlight in quality, is soft and mellow and just the right intensity. Aladdin light is economical too—burns one-half the kerosene and produces twice the light as the old way—actually pays for itself in a few months.

The Aladdin is simple—a child can run it. It burns without odor, smoke or noise. It is absolutely safe—no danger, no penetrating, pumping-up, or touch required; a match and a minute is all that is required. Over 7,000,000 people now use and enjoy it. Come in and let us demonstrate it to you—there's no obligation whatsoever.

Many Styles with Beautiful Decorated Glass and Parchment Shades

The line includes table, vase, hanging, bracket and floor lamps in a variety of handsome finishes, with a splendid assortment of glass or parchment shades from which to choose.

A full line of Aladdin Supplies and Parts for all models always on hand.

Visit our Store while attending the Fair—See our display of these wonderful lamps, and let us explain a Special Introductory Offer regarding Aladdin Lamps in which you will be interested.

Texas Marine Is Awarded Pershing Rifle Trophy

High honors for marksmanship were won by Gunnery Sergeant Carl J. Cagle, U. S. Marine from Texas, in the National matches, recently concluded at Camp Perry, O. The sharpshooting Texan won the coveted Pershing trophy by making the highest score in the National Rifle team match, which was captured by the Marines. He was also awarded a gold medal for his high score in another event. Sergeant Cagle was born in McGregor, Tex., and a hostful of medals testify to the shooting laurels he has won in his nine years of service with the U. S. Marines.

Notice of Execution Sale

The State of Texas, County of Haskell.
By virtue of an execution issued out of the county court of Throckmorton county, Texas, on a judgment rendered in said court on the 12th day of August, 1930, in favor of Donnell Service Station and against Tibbetts Construction Company, in the case of Donnell Service Station et al vs Tibbetts Construction Company et al No. 522 in such court, I did on the 24th day of May, 1930, at 5:30 o'clock p. m. levy upon the following described tracts and parcels of land, situated in the county of Haskell, State of Texas, as the property of the said Tibbetts Construction Company, to-wit:
The west 45 feet of Lot No. 1, Block No. 68, Original town of Haskell, Texas; Also Lot No. 9 and the South 20 feet of Lot No. 8, Block No. 3, of the J. W. Meadors Addition to the town of Haskell, Texas.

And on the 4th day of November, 1930, being the First Tuesday in said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day, at the court house door of said county, I will offer for sale and sell at public auction, for cash, all the right title and interest in the said Tibbetts Construction Company in and to said property. Dated at Haskell, Texas, 4th day of September, 1930.
W. T. Sarrels, Sheriff, Haskell County, Texas.

Prices Down

We wish to notify our friends and customers that we have put our labor prices on automobile repair work down with the price of cotton. These are some of our prices:

to the Haskell County Fair

This Bank recognizes the importance and educational value of the Haskell County Fair, and as the Seventh Annual Exposition is about to be celebrated, this institution joins hands with other progressive Haskell firms in commending the splendid work being done by the Fair officials, the farmers, merchants, livestock and poultry exhibitors, and in fact everyone having a part in the three days program.

The success of the Fair depends upon the whole population. It is because the people of this community are united in a common work, working toward a common goal, striving for the accomplishment of one purpose—the bringing of prosperity to Haskell County—that they have accomplished much in the past.

From 1904 to 1930 the name of the Farmers State Bank has been definitely and continuously linked with the progress and growth of Haskell County. People of all kinds of business have come to recognize this organization as an institution of friendly and personal service, and it is indeed a great satisfaction to us to know that we are an integral part of this great section.

It is our ambition to be of even greater service to our public by planning now to give them an adequate banking service for the future.

THIS IS A GOOD YEAR TO BUILD ECONOMICALLY

A profitable property from an old house

Many old houses have become too old-fashioned for comfort and too shabby to rent or sell. Yet they are too valuable to let go to ruin. Such houses can easily be made convenient and attractive. Improving the entrance, adding a pergola, redesigning windows, finishing the exterior with a light-tinted stucco, converting unused attic space into sunny rooms and putting in a sanitary concrete basement have turned the old house shown above into a pleasing modern home.

If you're interested in turning an old residence or business building into an asset, ask your building material dealer, architect or contractor for suggestions on remodeling. You'll be surprised at how economically you can have the work done this year.

Haskell County Gardener Receives \$243.83 From Products Raised On One-Sixth of An Acre Garden

Gardening in West Texas is neither impossible nor problematic in the opinion of Mr. and Mrs. Herbert L. Bosse of Ward Community, Haskell county. Vegetables to the amount of \$243.83 have been marketed to date, including 4,022 1-2 pounds and twenty varieties, namely, beans, onions, squash, beets, carrots, cucumbers, rape, spinach, radish, turnip greens, English peas, blackeyed peas, okra, pumpkins, yard beans, tomatoes, pepper, cantaloupes and potatoes. Squash, onions, cucumbers and turnip greens proved to be the best money crops. \$85.35 of squash alone or 1637 lbs were sold.

Mrs. Bosse, who is garden demonstrator in her Home Demonstration Clubs says, "If one has a surface tank that holds water during the summer months, a plot of ground

back of this tank will make a good garden. A rich piece of ground is not needed but fertilizer will help along with irrigation."

Potted Plants For Fair Exhibit Wanted Wednesday

Persons making floral exhibits will please bring all potted plants and stands to set them on to floral department in main exhibition building, Fair Park, on the afternoon of October 15th. All cut flowers must be in this division by 9 o'clock a. m., October 16th, and remain intact until closing day of Fair. All plants should be in attractive containers.

Please help the Fair and flower show by bringing other flowers and plants for decorative purposes.

The following is a list of specimens on which prizes are offered, the first

prize being \$100 and the second prize 50c.

1. Fern, best specimen.
2. Foliage, best specimen.
3. Best potted flowering plant, any variety.
4. Best specimen red rose, not less than three.
5. Best specimen white rose, not less than three.
6. Best specimen pink rose, not less than three.
7. Best specimen yellow rose, not less than three.
8. Best specimen cosmos.

The Advantages of Electric Service

Only a few years ago, electric service was considered to be a luxury available only to the city dweller. Today, over 600,000 farms in the United States are profiting by the many advantages and benefits made possible by complete utilization of this great force.

The electrification of these rural homes has made housekeeping on farms as comfortable, as convenient and free from drudgery as housekeeping in the suburbs of any large city; it has turned the modern farm into an industrial enterprise operated on the same principles of efficiency as any manufacturing establishment, reducing the man-power required and increasing its prosperity; it has improved the service to small rural communities, bringing to them a variety of industries, increasing their population, and providing the farmer with an expanding local market—always more profitable than a distant market.

The benefits of dependable electric service, brought to the rural home and small city over high tension transmission lines from the strategically located generating plant serving a large area, are manifold. The West Texas Utilities Company, typical of the far-seeing and progressive public service system, is rendering dependable electric service in 120 prosperous cities, towns and communities in West Texas, the "Land of Opportunity."
