Hutsell Named Fireman of Year

Flute Hutsell received the Fireman of the Year award at the annual banquet of the Silverton Volunteer Fire Department Saturday night. The presentation was made by Jerry Patton, who said, in part:

"Flute joined the department April 1966, right after the Silverton Clay Plant burned to the ground. His main reason for joining the fire department was to show everyone how to put out fires and save lives and property damage here in Silverton.

"After four years of intense training, Flute finally became the top dog, Fire Chief, in 1970 and served for 13 years as Chief.

"Under Chief Hutsell's terms of office he was instrumental in upgrading the department, training, equipment and membership enrollment. In 1966 when Flute joined the department, we had a 1928 fire truck and a 1948 fire truck and they were very undependable. We now have six pieces of fire fighting equipment, bunker coats, boots and hats for 25 firemen, plus air packs and other equipment.

"Flute quit the fire department in 1984 for personal reasons and the fire department burned three or four houses, Jerry Miller's being one of them, and Flute couldn't stand it so he rejoined in 1986 and worked his way back to the Top Dog again in 1988 and served as Chief through 1991.

"Under his leadership we have managed to burn a lumber yard, two churches, his own home, his shop and yard fence twice in the same day, and a few other houses and cotton gins.

"Flute has received the Bonehead Award for 'screwing up' more than any other firemen in the department!

"Flute received his 20-year service certificate in January 1989. He has served the fire department a total of 22 years, has been our Chief for 17 years, was Fireman of the Year in 1975 has sold more fire department raffle tickets and spent more money than anyone else in the department, and for all this dedicated service we now bestow on Fireman F. E. Hutsell the 1991 Fireman of the Year award and a \$2.99 belt buckle," Patton concluded.

Doug Bradford was recipient of the Bonehead Award for losing the pump for the Hurst tool at a range fire last year. Fortunately, the landowner found it and returned it to the department.

The meal consisted of steak and all the trimmings, and a band from Plainview provided entertainment.

Absentee Balloting Underway in Texas

Texas voters last week began casting ballots for officials ranging from U. S. president to local sheriff in what Texas Secretary of State John Hannah calls "the most progressive election system

in the free world."

Under state law, Texans have more than two weeks to vote early in the March 10 Democratic and Republican primaries. The early voting period ends March 6.

State and local officials even are taking the polls to the people in a new form of balloting called "mobile voting."

"It will put voting right in the middle of people's lives. They can do their shopping and cast a vote, or cast a vote and do their shopping—whatever their priorities are," Hannah said.

Since Texas enacted its "no-excuses, in-person absentee voting" law in 1987, lawmakers have taken several steps to boost voter turnout.

The Legislature renamed the absentee system "early voting". Other changes allow temporary polling places to be set up at malls and other gathering places.

Voting is underway in Silverton at the office of County & District Clerk Bess McWilliams in the Briscoe County courthouse.

Cotton Producers To Meet Here Tuesday, Mar. 3

The annual Briscoe County cotton production update has been planned for Tuesday, March 3, in the Pioneer Room of the First State Bank in Silverton at 7:00 p.m.

The following topics will be covered: "Insect Management", Dr. Jim Leser, including "Thrips Control", "Aphid Control" and "New Management Concepts".

A cotton production overview will be presented by Dr. James Supak. This will include "Harvest Aid Chemicals/Timely Utilization/Optimizing Use", "Varieties" and "Fertility".

A market outlook and marketing opinion will be given by Dr. Jackie Smith, including "Use of Options".

This will be a good time to have many questions answered about the upcoming cotton production year.

If you have any question about this meeting, call the Extension Office at 823-2131.

Producers must furnish total production, actual and appraised, on all farms, for the disaster crop.

Producers eligible to sign up for disaster benefits should call the Briscoe County ASCS office for an appointment.

Briscoe County Belles to Present Special Review

As their contribution to the 100th Birthday Celebration of Briscoe County, the Century of Progress Study Club of Silverton and We The Women of Quitaque are putting together an entertaining historical review of fashions from 1892 through 1992.

The show, narrated by Betty Nan Tiffin and accompanied at the piano by LaRue Garvin, will be presented with a western motif. It will feature Briscoe County models of all ages, both male and female, wearing garments of present and former county residents. There also will be special music, singing and dancing for the entertainment of all.

Mark your calendars now and plan to attend one or both of the presentations. The premiere performance will be in the Silverton School Auditorium on Friday, March 6, 1992, at 7:00 p.m. The program will be presented at the Valley School Cafetorium the following Friday, March 13, 1992, at 7:00 p.m.

Ladies from the two civic organizations will be selling advance tickets: \$3.00 for adults and \$1.50 for children. Plan to be on hand for an evening of clean fun and entertainment.

Disaster Signup Underway Here

1990-1991 disaster signup continues through March 13, 1992 at the Briscoe County ASCS office.

County producers who suffered crop losses in 1990 or 1991, due to natural disaster, should check with the ASCS office for eligibility requirements.

To be eligible, you must have had a loss greater than 35 percent on crops with insurance, or greater than 40 percent on crops without insurance. All crops are eligible—participating and non-participating, program crops and non-program crops—except crops on ACR and CU for Pay, and minor oilseeds for payment.

The information you provide will aid emergency service personnel in locating your residence or business operation and cut precious seconds or minutes off their response time. The information will be very beneficial in finding rural locations since many homes are generally not numbered and many rural roads are unnamed. The information should be periodically updated by the resident and/or business operator when changes occur.

The information will remain strictly confidential. It will only be used when responding to a 9-1-1 emergency call.

The following should be considered before completing and returning the form :

1. If you have a telephone located elsewhere than just your business or residence, note this in the COMMENTS section. If it is a different number and within the vicinity of your residence, list that number also.

Include the children's number if different from your own.

2. When giving directions from the nearest city, rural residents should give the highway number and begin routing directions from the city limits marker on that highway. If bad weather frequently causes the normal route to be impassable, include an alternate route.
3. In the COMMENTS section, list any circumstances or situations that would be helpful in responding to an emergency, such as health problems, guard dogs, locked gate, flammable material, etc..
4. If you wish, include nearest relative or friend to contact in an emergency situation, including name, address and telephone number in the COMMENTS section.

Mail the completed form(s) to :

4-H Leaders To Meet Here Monday Night

There will be a meeting of the 4-H Adult Leaders Association on Monday, March 2, at 7:00 p.m. in the Pioneer Room at First State Bank.

A program explaining all 4-H contests and competition opportunities will be given. County roundup will be planned.

Friendship Quilters

by Nina Martin

Last Tuesday about 4:00 o'clock, nine weary, weak and wan women emerged from our quilting meeting. Oh! such a great day! It was like going back in time when pioneer ladies met together to scissor and sew pieces of fabric together to birth a quilt. We thought we had all the equipment we needed, but I forgot to take a first-aid kit. Those rotary cutters can be deadly.

When all the blocks are assembled, it will be called the Briscoe Sampler. It will be one of the quilts put up April 18 at the County Quilting Bee. This one will be given away during the August Briscoe County Centennial Celebration.

On Thursday, Ruby, Wanda, Virginia, Jesse, Laverne, Joy, Nelda and myself quilted on Sybil's quilt. We are missing her terribly while she is recovering from her fall Monday before last. Hang in there, Syb; we love you!

GIVE THANKS TO THE LORD FOR THE EXTRA DAY IN LEAP YEAR

We encircle the sun, yet it somehow appears
 That we don't come out even, and every four years
 We discover a twenty-four hour delay,
 Which compels us to add a remedial day.
 Now a glance at the calendar showed it was best
 In a month which is shorter than all of the rest.
 Then we also decided this year needs a name,
 And by calling it Leap Year, established its fame;
 But our Scriptural lessons have taught us the worth
 Of each day we were granted to live on this earth.
 So give thanks to our Father, who showed us the way
 To provide February its twenty-ninth day.

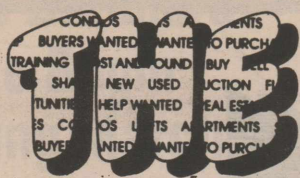

— Gloria Nowak

 February's days
 are twenty-nine.*

To My Son, Teddy —

I have tried to win a match in tennis
against you for so many years. I've seen
you hide little smiles as you clobbered
me on the tennis court. FINALLY—a
day of justice arrived on Friday,
February 21, 1992, when I defeated you
6-4, 6-2. What a feeling of elation and
ultimate satisfaction!! You are a fine
son (a humbled tennis player—maybe?)
and I hope we have a chance to play a
match again soon.

Love,
Mom
We would like to thank everyone for
the cards, phone calls, food and prayers
at the loss of our sister, sister-in-law,
aunt, and great-aunt, Margaret.
Everyone's kind thoughts and words
are greatly appreciated. Thank you for
your prayers and concerns. May God
bless you and keep you safe.

Our sincerest appreciation for all the
help and comfort you have given since
Vinson and Monty's deaths and
especially during the last year. We
appreciate the flowers, memorials,
meals served for us and every
expression of your friendship and
sympathy at the death of our mother.
