All Around

Cactus Cove Marina at Lake Mackenzie is now being operated by Donnie and Carol Martin, and after the tragic drowning at the lake last week, Donnie had some nice things to say about the Palo Duro students who came out for the day.

"We sold (I think) about 130 permits to those kids," he said. "They were the nicest, most well behaved kids you would ever hope to see—acting better than a lot of the kids who come in here."

"I never did see any evidence of drinking or anything else bad. They were here to have a good time," he said.

He went on to describe the grief-stricken faces he saw in the group after they realized that their friend probably had drowned.

If you haven't been out for a drive through Briscoe County, you have missed one of the prettiest crops of wildflowers we have seen in many years. The yucca flowers are just beautiful, and are dotting the canyon landscapes like the "candles of heaven" the dictionary describes.

There are lots of other wildflowers blooming in colors of white, orange, purple, gold, red, etc. I wish I knew the names of more of them. Charles' sister had a book on Texas wildflowers, and often I wish I had one so I could learn them, too.

Truly, Briscoe County is now wearing her spring finery. From the tall green pastures, filled with fat cows, calves by their side, to the various shades of green of the mesquites, cedars, etc., Mother Nature certainly has outdone herself this year.

Cowboy Camp Meeting Set to Begin Here Today

A Cowboy Camp Meeting will be held on the Johnnie Burson ranch, six miles east of Silverton and 2¼ miles north, May 21-22-23-24. The turnoff from Highway 86 north has been marked with a sign.

Johnnie Burson and Steve Ulrey are co-chairmen of the event.

This will be an interdenominational meeting, and the camp preachers are Boyce Evans of Lubbock and John Keefe of Tulsa, Oklahoma. Jimmy Burson will be the camp music director, and Tommy Hawk of Omaha will be the camp youth director.

This will provide a Christian camping

experience for those of all ages. Everyone is invited to attend—you don't have to be a cowboy or rancher to attend. The event is sponsored by Ranchmen's Camp Meeting Association

She was preceded in death by a son, Dusty McLeland.

Amarillo Teen's Body Located in Lake Mackenzie

Authorities Saturday recovered the body of a 19-year-old Palo Duro High School senior who had been missing since Friday morning.

Members of the Amarillo Police Department's Underwater Search and Recovery team located the body of James Archie in the southwest part of Lake Mackenzie about 1:30 p.m., said Briscoe County Sheriff Dick Roehr.

"We got the divers in about 1:00 o'clock," Sheriff Roehr said, "and about 25 minutes later they found the body in the cove next to the Cactus Cove Marina gas dock."

Authorities took Archie's body to Amarillo for an autopsy to be conducted by forensic pathologist Dr. Sparks Veasey to determine cause of death, the sheriff said.

The death left friends and family in shock, they said.

Those who knew Archie, who was less than three weeks away from his high school graduation, said the track standout's death was a tragedy and that he will be missed.

"He just got through winning the Globe-News most valuable track athlete (for Palo Duro) award on Monday, and I was with him at the awards banquet and we were laughing and joking," said Palo Duro track coach Dwayne Slater. "And Friday, he's gone."

"When I found out it was the biggest shock in years," said Slater, who coached Archie for four years. "I kind of broke down. To me, that's one of the most tragic things that can happen. I'm going to miss him more than anything."

Archie, who had come to Lake Mackenzie Friday with a number of other Palo Duro students as part of an unsanctioned "senior skip day," was last seen swimming in the lake about 11:00 a.m. Friday, his friends said.

"We had a barbecue pit going, and everyone was playing cards and everyone thought he was here," said Palo Duro senior Randy King Friday night. "Then we wondered, 'Where's James?'"

King said he and other friends looked for Archie. When they were unable to find him, they called the Briscoe County Sheriff's Department for help.

Jerry Beck, Briscoe County Sheriff's Deputy, said authorities began to believe Archie was still in the lake when they were unable to find him on land. The underwater recovery team was then called to search the lake, Beck said.

The recovery team arrived about 6:45 p.m. and began diving about 7:30 p.m.

The search for Archie was postponed about 10:30 p.m. Friday after divers had searched the murky water, which in some areas was 40 to 45 feet deep, for several hours.

The search resumed Saturday at noon, with divers quickly locating the body.

Slater said Archie was good natured off the track but was a fierce competitor on it. Slater said Archie hoped to continue his track career at a junior college before transferring to a senior college.

"He loved to compete," Slater said, adding Archie was the first freshman at Palo Duro to letter in track. "He was a very determined young man."

Don Plumlee, Palo Duro High School Principal, described Archie as "a fine young man and an exceptional athlete."

"It's very tragic for a young man to have accomplished what he's accomplished and have it taken away right here in the prime of his life," Plumlee said.

Plumlee said he was aware that seniors planned a skip day every year, but that there was little he could do to stop it.

"It's unsanctioned," he said. "We don't have any part of it. We just hold our breaths every time they do it because we fear this kind of thing occurring."

Plumlee said no special activities were planned to address Archie's death, but that the school would provide counseling for any students "having problems" coping with the loss of their classmate.

Archie's 23-year-old sister, Dianna Archie, said the family hoped James Archie would be remembered as more than a track athlete.

"He was loved by his family and his friends," she said. "He was not just a good athlete, but he was a good brother and son."

"We will always love him," she said.

FUNERAL SERVICES

Funeral services for James Archie were to be at 1:00 p.m. Wednesday at St. John Baptist Church in Amarillo, with the Rev. Charles Tanner, pastor of Hope Deliverance Church of God in Christ, officiating. Burial was to be in Memory Gardens Cemetery by Golden Gate Mortuary.

Mr. Archie was a lifetime resident of Amarillo. He had attended Travis Junior High School and was a senior at Palo Duro High School. He received the Amarillo Globe-News Most Valuable Player award for boys' track at the 1992 Palo Duro Spring Banquet.

Survivors include his parents, Mr. and Mrs. James Archie, sr.; three sisters, Dianna Archie, Tina Archie and Vicki Archie, all of Amarillo; a brother, Bobby Archie of Amarillo; and his grandparents, Mr. and Mrs. F. C. Campbell of Fort Worth and L. B. Archie of Wellington.

Pascal Garrisons to Celebrate Fifty Years of Marriage

Mr. and Mrs. Pascal Garrison will celebrate their fiftieth wedding anniversary at a reception hosted by their children and grandchildren on Saturday, May 23, from 3:00 until 5:00 in the afternoon, in the Pioneer Room at First State Bank in Silverton. All of their relatives and friends are invited to attend. No invitations are being mailed locally, and they have requested that they receive no gifts.

Pascal Garrison, son of the late Gabe and Susie Garrison, and Donaleta Seaney, daughter of the late George and Agnes Seaney, were married May 23, 1942, in the home of Rev. H. L. Burnham at Spur. The Silverton community has been their home since their marriage, and cattle and farming operations have been their principal interest.

Directors Re-elected By Cemetery Group

During the annual meeting of the Silverton Cemetery Association Thursday, May 7, in the fellowship hall of First Baptist Church, Virgil Crow and Jewell Lyon were re-elected to serve as directors for three years. The association hopes to have cemetery signs placed on the highways coming into Silverton.

The new area of the cemetery is open for the purchase of lots this year. The prices are \$150 for an 8-space lot, \$75 for a 4-space lot, or \$20 for single spaces. Any type of monument or corner stones may be used, but no curbing will be allowed.

The association is most appreciative of all the nice compliments received about the appearance of the cemetery. The donations and memorials received are a major reason for the good care, but the continuous efforts of Clifton Stodghill, Oford King and other workers and volunteers also are contributing factors. The flowers placed on family graves help in the beauty, but families are asked to remove the old flowers when they put out new ones. It is hoped this will help in keeping the weeds cleared and in eliminating places for snakes to hide.

The Memorial Day program will be held Monday, May 25, at 11:00 a.m. Mayor Wayne Nance will deliver the message and John and Maebelle Francis will present special music. All are invited to attend this special time to remember those who have given their lives for the country as well as others of the loves ones who are buried there.

The Garrisons are parents of one daughter, Carolyn, of Silverton, and one son, Max, of Canyon. Carolyn, married to Gordon Lowrey, has three children: Angie, Shavonne and Frank. Angie is married to Joe Kirk Smith of Flomot and they are parents of a son, Dakota. Shavonne married Jeff George and lives at Claytonville, and Frank is employed in Childress. Max married the former Kay Strange. Their two sons, Walt and Cody Garrison, both are students at Texas A&M University at College Station.

Briscoe County Commended For Jamboree Effort

A representative of Burger King attended the last Caprock Jamboree and was so impressed with the county effort, involvement in community affairs and the willingness of businesses and individuals to donate door prizes and time to the production of the monthly show, that he wants to be a part of that effort.

Not only has this business offered a "cash prize plus two Whoppers" each month, but it has offered a \$50 prize for the "band of the month" once every six months if five other businesses or individuals also will donate \$50 once every six months.

It is thought that this would be an incentive to get more bands to come and play, if they had a chance to win a \$50

prize. The "band of the month" would be chosen by the vote of those attending the show. Those present would drop their vote in a box to indicate their favorite band on that show. The winner would be sent the prize shortly after the show, and the winner's name would be announced to the audience at the following month's show.

The "band of the month" award could get to be one of the biggest calling cards there is for attendance, because each band would bring its "following" to vote. That would mean more people, to eat more burgers, and that means more money for the local organizations and that means more money for local businesses because they wouldn't be begged for donations as often.

If anyone is interested in donating \$50 every six months to the Jamboree, please contact John or Maebelle Francis, 847-2619.

This is not meant in anyway to plead for more money from the businesses or individuals, because you already have gone the second mile, but if there are those who would like to take part in this, it could be YOUR name called when the announcement of the favorite band is made: "Burger King's" band of the month is "Caprock Country." (This is just an example; it could be your business and any one of the other bands

that participate in the Jamboree.) Each thing added to the Jamboree gets it one step closer to having our town designated as "Music City, Texas."

The comments received during the last few weeks from area fans of the Jamboree have been overwhelmingly positive, and it is because of you, the local residents, who are willing to do your part, to help make the Jamboree grow and get better and better each month. For that you are to be commended!

Whatever you would that men should do unto you, do you even so to them. (Mt. 7:12) Recompense to no man evil for evil (Rom. 12:17) Follow after the things that make for peace (Rom. 14:19) Study to be quiet, and to tend to your own business, and to work with your own hands to provide things honest in the sight of all men (Rom. 12:1, 7) Be swift to hear, slow to speak, slow to wrath (Jas. 1:19)

Buy the truth, and sell it not (Prov. 25:23) Love not sleep, lest you come to poverty (Prov. 20:13) Whatever your hand finds to do, do it with all your might (Ecc. 9:10) Be ye thankful (Col. 3:15) Fear God and keep His commandments: for this is the whole duty of man (Ecc. 12:13)

If you want to make someone happy, do not bore your friends with your troubles. Tell them to your enemy: he will be delighted to hear about them.

Life is like a tennis game. You cannot win without serving.

Now the time the devil reminds you of your past, just remind him of his future...

When I get the idea that I am wise I am reminded of what the sage said a long time ago. "No one knows a millionth of one percent about anything." (But then, what did he know?)

Let me always remember that anger is very dangerous: the fire one kindles for his enemy very often burns him instead...

Work is great; the man who rolls up his sleeves seldom ever loses his shirt...

An old axiom: Children who have everything, seldom appreciate anything.

If you must hammer on anything, why not build something?

Children have never been too good at listening to their elders, but they have seldom failed to imitate them...

Children who always get what they want will more than likely want all their lives...

Then there was the wise minister who observed "the greatest task of the church is to get sinners into heaven, and saints out of bed"...

A child's home background may explain misbehavior, but it can never excuse it...

Silverton Pioneer Honored At Plainview Round-Up

Agnes Allard, 87, was crowned Pioneer Woman of the Plains during the 64th annual Pioneer Round-Up held Saturday at Ollie Liner Center in Plainview.

The daylong event, which featured various activities, was sponsored by the Plainview Business & Professional Women's Club. Theme for this year's event was "The Gay '90's... Again."

A member of a pioneer family that helped to organize Briscoe County, Mrs. Allard was born in Silverton on April 19, 1905, the daughter of Tom and Lena Watson Northcutt. Mrs. Allard's mother, at age 18, came from New Orleans, Louisiana where she had been in school, to Silverton to teach and join her parents who already were here.

Mr. Northcutt came to Silverton from Longview, Texas. He was in the mercantile business and was a building contractor for houses and schools. Mrs. Allard's grandfather, John Northcutt, was the first justice of the peace after Briscoe County was organized. The families of both of Mrs. Allard's parents first lived in dugouts when they came to Silverton.

Mrs. Allard grew up and went to school in Silverton, graduating from high school here. After attending Amarillo College for six months, she worked for the Federal Home Loan Administration in Silverton until she married Roy Allard on February 15, 1929, in Silverton.

Allard, who moved to Silverton from Stephenville when he was 16, went to work at the JA Ranch at age 17. After the couple's marriage, they lived on a ranch where he was employed near Fort Sumner, New Mexico.

In 1933 Mr. and Mrs. Allard moved to the Shoe-Bar Ranch where they lived for 32 years. He was manager of 30 sections of this 80-section ranch that is 30 miles east of Silverton and 30 miles south of Clarendon. The road to Clarendon separated the Shoe-Bar Ranch on the east and the JA Ranch west of the highway.

Mrs. Allard cooked supper for the hired men when they were at their ranch bunkhouse, having from one to six cowboys at the Allard table, but when the men were out working with the cattle, they ate from a chuckwagon.

Part of the food Mrs. Allard served she had canned from the ranch's large vegetable garden which was open to the public to gather free what grew there. Allard got up at 5:00 a.m. daily and cooked breakfast for himself and hired hands.

Mrs. Allard's day started at 6:00 a.m. Often she had to drive their car to Clarendon to get medicine for the cattle or ranch supplies and groceries. If she was unable to go, she called to Clarendon for what was needed and the mail carrier, Bob Baird, an ex-JA Ranch hand, brought it to the ranch.

"We had lots of people coming and going who ate with us too, Mrs. Allard said. These included cattle buyers from Kansas City who came to look at the cattle as the ranch sold in "big bunches," 1,000 to 2,000 head at a time.

The doors at the Allard's were never locked and travelers and ranch workers would come in and help themselves to food, and always washed their dishes. "People don't know how nice cowboys are—they are gentlemen!" commended Mrs. Allard.

Friends, including four doctors from Amarillo, liked to hunt quail, ducks and geese on the Shoe-Bar and often recalled their good times on the ranch.

Mrs. Allard often attended meetings of a home demonstration club but did not join because she had to stay home to

Agnes Allard

answer the telephone many times. However, the Extension Agent, Mrs. Obra (Jessie Mae) Watson considered Mrs. Allard a member. Allard was a member of the Texas Cattlemen's Association.

The Allards had one daughter, Mrs. Shafe (Jonnie) Weaver of Silverton, who was born in Silverton and attended school here, staying with her grandmother, Mrs. Northcutt, during the weekdays. Mrs. Allard also has two grandchildren and nine great-grandchildren. Of her six brothers and two sisters, Mrs. Allard has one surviving sister, Velma Rhodes of Austin.

In 1965 the Allards moved to Tulia upon his retirement from the Shoe-Bar Ranch. The ranch owner wanted them to continue to live on the ranch and said he wouldn't have to work. Mr. Allard died February 2, 1971.

While living at the Shoe-Bar, the Allards attended a little Baptist Church in the Brice community only three miles from them. A member of the Presbyterian Church in Silverton before it disbanded, Mrs. Allard joined First Presbyterian Church in Tulia and is an active member, always present at services when able, helps with church dinners and participates with the Care and Concern group which visits sick people and shut-ins.

She formerly belonged to a quilting club in their rural community and has made many quilts, has crocheted afghans and embroidered. She is a member of the Tulia Garden Club and Friday Bridge Club.

A good cook, she shares fruit, jelly, cookies, her famous stew or macaroni and cheese with visitors.

Mrs. Allard walks without aid after having an artificial knee joint implant several years ago and is recovering successfully from cancer surgery. She continues her various activities but says, "How I like to play bridge, read and do nothing!"

Next Blood Drive Will Be May 26

Silverton's next blood drive is scheduled to be held from 10:00 a.m. until 2:00 p.m. Tuesday, May 26, at the City Hall.

The bloodmobile from Coffee Memorial Blood Center in Amarillo will be here to take the blood donations.

Election Results Are Canvassed By Councilmen

At the regular meeting of the Silverton City Council on May 11, results of the general election were canvassed and an order declaring the results of the City election was passed. Councilmen Flute Hutsell, Dwain Henderson and Charles Sarchet were sworn into office by Mayor Wayne Nance.

Others present were Councilmen John Bowman and James Griffin; Jerry Patton, secretary; Lynn Frizzell, Mike Juarez, Barry Francis, Wayne and Colleen Reed.

Motion was made by Sarchet, seconded by Hutsell to elect Councilman Henderson as Mayor Pro-Tem. Motion carried.

Mayor Nance announced that he will make department appointments at the June 8 meeting.

Frizzell presented two proposals for a sandlot volleyball court. One proposal was with masonry sand at a total cost of \$2,930.64. The second proposal was with sand donated from Quitaque at a total cost of \$931.00. The court, location, maintenance and upkeep of the property and equipment, liability insurance, etc. were discussed. A motion was made by Bowman to contribute \$550.00 for the construction of a volleyball court at the west end of the Show Barn. Motion died. After additional discussion, a motion was made by Hutsell, seconded by Bowman to contribute up to \$1,000.00 for the construction of a volleyball court on lots 2-3, block 48. Motion carried, with Councilman Henderson abstaining.

Motion was made by Hutsell, seconded by Griffin for the City to use its backhoe to dig the out-line for the volleyball court. Motion carried. Bowman and Henderson abstained.

Mayor Nance appointed Frizzell and Juarez as a volleyball court committee and charged them with the responsibility of overseeing construction of the court, replacement nets, sand and general future maintenance of the facility.

Bids for the 1980 Plymouth were opened. Two bids were received, one from Jerry Beck for \$200.00 and one from Pat Braddock for \$500.00. Motion was made by Griffin, seconded by Sarchet to accept the high bid from Braddock. Motion carried.

The tax collection report was presented for review.

Mayor Nance reported on the City Clean-up project. Three vacant buildings have been "adopted" and will have their fronts decorated in the near future.

The Council discussed the Junk Vehicle Ordinance, and a motion was made by Bowman, seconded by Hutsell, to notify all owners that have vehicles that are in violation of the ordinance. Motion carried.

The Council discussed the color brochure that the Silverton Promotion Committee is planning. The matter was tabled.

The Council discussed the Americans with Disabilities Act. Information was

presented on a joint contract for ADA consultant services which would assist the City in complying with the requirements of the Act. A motion was made by Griffin, seconded by Sarchet, for the City not to participate in the joint contract at this time.

The Council discussed the Solid Waste Regional Meetings, the Green Thumb program and the upcoming budget before adjournment.

**WE OWE OUR FREEDOM TO
 THE LIVES THEY GAVE UP
 FOR US**

All thinking people must abhor
 The dreadful tragedy of war,
 Which often we could not avoid;
 And so our troops were then deployed.
 It's so unthinkable, and yet
 We mustn't let ourselves forget
 The debt of gratitude we owe
 To those who fought our every foe,
 And gave their lives so gallantly
 To help preserve our liberty.
 So let's remember them with pride;
 We're free today because they died.
 For this, let's thank the Lord and pray
 That we will live to see the day
 When all is safe upon our shore,
 And freedom reigns forevermore.
