

Joe Christie

Joe Christie Visits With Roby Farmers

Joe Christie, Democratic candidate for United States senator, brought his campaign to Fisher County Tuesday when he met with farmers at the Farmers Union Co-op Gin in Roby...

American Ag. Meeting Set For Rotan

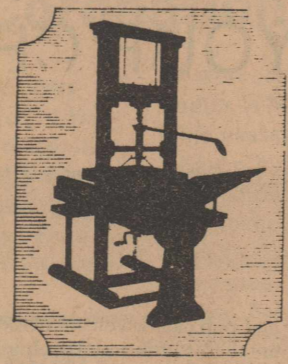

An American Agriculture Movement meeting has been scheduled for Rotan on Tuesday night, Feb. 28, at the Rotan Community Center at 7:00 p.m.

Gary Graham, a Roby farmer, is expected to give an hour and a half talk on "The Tri Lateral Commission and How it Effects Farming Today".

Rotan Eighth Grade Mothers To Meet Thurs.

The Rotan Eighth Grade mothers will meet Thursday, Feb. 23, at 6:30 p.m. in the First National Bank Meeting Room.

It is very important that every mother attend.

Filing Light For School Board Posts

With the deadline less than a week away, filing for positions on the four county school boards has been extremely light.

Two vacancies exist on the Rotan School Board, according to Superintendent Tom Harkey. The positions of Dr. Jerry Marshall and Allan Houston expire and neither have re-filed.

A citizens group, headed by Parker Wetsel at Roby, has drafted a slate of seven potential candidates for the board. Those proposed by the committee include Mrs. James Streety, Mrs. Terry Mauldin, Don Parks, Leonard Mitchell, Jerry Branson, Charlie Horton and Bill King.

Board president John Matthews has indicated that he will seek another term on the board. The other person with an expiring term is Vernon (Bunny) Terry. He has not re-filed and was not available for comment on his intentions at press time.

At Hobbs, the terms of Board President Sim Groves and board member Gary

Nettleton expire. No one has filed for any vacancies on the Hobbs Board.

At McCaulley, the terms of E.T. (Buddy) Gibson, Billy Jeffrey and Randy Kelly expire this year. No one has filed for any vacancies at McCaulley.

The deadline for filing for school board positions is March 1.

Library Opening Set For November 1978

The members of the Rotan Library board met last Monday night with Mrs. Alice Specht, Systems Coordinator for the Abilene Public Library, and discussed the pending grant and proposed opening of the new local library.

The deadline for making application for the library grant is March 1, and the local library board has met all requirements to submit the application on time.

The library board members, consisting of Miss Josie Baird, Mrs. Fran LeBleu, Mrs. Dorothy Harris and Mrs. Kathleen Hale, estimated that the library could be opened on November 1, 1978, if the grand application is approved as expected. Board members not present for last Monday's meeting included Bart Strayhorn and Dr. C.U. Callan.

The new library will be a member of the Big Country Library system and will have access to their books, audio visual equipment, 16 mm films, film strips, periodicals, resource material and posters. The system will also provide workshops for training of local library personnel.

The library board appointed Mrs. Empress Day as co-ordinator of memorial donations and asked local citizens desiring to make contributions to the library to address correspondence to Mrs. Empress Day, 101 Burnside Street, Rotan, Texas.

Hospital Board Meets

Majority Of County Farm Land Is Classed

Fisher County Hospital board members issued a verbal compliment to Dave Posey, Roger Blackwelder and Raford Hargrove after the trio reported the progress being made on attempting to re-evaluate the hospital district tax property.

Posey was recently hired to oversee the re-evaluation process. Hargrove indicated that approximately 60 percent of the county farm land had been classed. The land, according to Blackwelder, is being classed "all on its potential income per acre".

Classing land is being based on type of soil, availability to paved roads, and whether land has been cultivated or is in pasture.

These are all being taken into consideration in determining the taxable value. Although the trio has not started to physically inspect homes, farms or ranches, they do plan to move toward these inspections in the near future.

They are attempting to re-classify and re-value all farm land, ranch land, homes, improvements, personal property and businesses in order to get a new tax roll worked for next year.

By cooperating with area school districts they have obtained house measurements on approximately 75 percent of the county homes.

The tax re-evaluation crew is expected to revise the outdated schedule currently being used by the county, schools and cities in determining values on automobiles, tractors and personal property.

Hospital Administrator

Perry Hunsaker reported to the board that the 1977 hospital occupancy averaged 43 percent while occupancy during January of 1978 rocketed to 54.7 percent.

January revenues were \$56,501.18 coupled with expenses of \$51,087.81 earning a net profit before depreciation of \$5,413.37.

After an estimated depreciation of \$7,000, the hospital posted a loss of \$1,586.63.

The board is expected to discuss a salary survey and take official action on re-leasing the Roby Clinic building at their March meeting.

Missing Narcotics Replaced At Hospital

The apparent lack of control on narcotics stored at the Fisher County Hospital caused Fisher County Hospital Administrator Perry Hunsaker to report the implementation of some new rules and guidelines to board members present for last Monday night's monthly meeting of the board.

Some narcotics disappeared, but have since been replaced, and because of the incident Hunsaker told board members that (1) material has been ordered to build a narcotic cage, (2) keys to the narcotic area will only be in the possession of the director of nurses and pharmacy consultant, and (3) two people will be required to sign in and sign out narcotics in the future.

Roby, Hobbs Teams Edged In Bi-District

The Roby boys were beaten by Motley County 71-48 and the Hobbs girls lost 62 to 42 leaving the only bright spot last Tuesday night the Hobbs Jr. High District win over Ira 27 to 26.

Roby's leading scorer was Brad Stuart with 18, Ricky King had 13 while Brad Wilburn and Jimmy Morton had 6 each. Coach Mickey McCarty said his boys went cold in the 2nd period.

Hobbs coach Tom Pierson said Ira forced Hobbs to play

their (Ira's) game in the 2nd half. The Ira team took a 33-21 halftime lead and played ball control. Tammy Gober had 20 points, Kathy Hull 16 and Debra Teel 6.

Vic McElrath's Hobbs junior high team won district for the second time in a row with Benny Medrano and Mike Porter tied for high point honors with 8 points each.

Their season record was 22 wins and 2 losses.

Roby Lions Burn Ira For District Title

After trailing Ira by 2 points at the end of the first quarter and 4 points at the end of the half, the Roby Lions "caught fire" and defeated Ira by a score of 68-59 at Roscoe last Saturday night.

The Lions were down by 10 points at the end of the third

period with approximately 1:51 seconds left.

Britt Stuart snagged a Brad Stuart rebound and turned it into 3 points then Ricky King popped a 14 foot jump shot to give the Lions a 47-53 score with 7:03 left in the final period. King blocked a shot then took the

ball down court for another two points to move the Lions to within three points of Ira.

Brad Stuart sank another shot moving Roby within one point of Ira then the momentum swung to Roby. Timmy Morton came off the bench, after sitting out part

First United Methodist Church
Rotan, Texas

The Eternal Debt

Have you ever heard anyone brag, "I don't owe anything to anybody"? People who say this sort of thing take pride in the fact that they are totally free of any obligation to others. While this may be an envious financial statement, it can apply to no other part of life for the true Christian. Concerning our responsibility to others Paul says, "I am a debtor." (Romans 1:14) Paul declares that a Christian is never free from his debt. Paul preached, "owe no man anything, but to love one another: for he who loves another has fulfilled the law." (Romans 13:8). Unlike the unbeliever, the Christian always owes his love. Paul remembered the words of his Lord, "A new commandment I give you, that you love another; even as I have loved you." (John 13:34)

With the joy of his debt, Paul proceeded to give his life for those about him who were in need of Jesus Christ. He traveled the world preaching the gospel. Because he paid his debt, we are still reaping the benefits. Thank God that he never felt free from his obligation. Had Paul not made such far journeys perhaps we would never have heard the gospel and Christianity might have been a local religion of Palestine. But Paul felt his debt to great that he yielded to God's call and became a missionary to the gentiles, the non-jewish world. And by his act of obedience, Christianity spread the salvation of Christ over the world like a wild fire. Paul felt his love debt like a consuming fire.

Today many of God's people are feeling the same responsibility Paul experienced. They are realizing how very much they owe the world the privilege of hearing the gospel and finding Christ as Lord. Because many Christians are faithfully fulfilling their debt, millions have come into the Kingdom. Only as God's people recognize their responsibility can the world be won to the Lord. How do you see yourself in connection with the debt of love that calls you? Do you feel the love of God pulling you to follow the example of Paul in sharing the gospel of Christ with others? If you are not moved by your debt of love, many will not hear the gospel and never enter the Kingdom. We have an obligation to a waiting world. Paul paid his love debt to you. Will you pay your love debt to others? Amen.

FAITH BIDS US HONOR THE DEFENDERS OF OUR FREEDOM

More than one nation has undergone the painful necessity of committing its brave men to battle for the purpose of maintaining its freedom whenever it was threatened by enemy forces from without. Whether we honor them in October or November, or call the occasion Armistice Day, Veterans Day or Remembrance Day, the purpose of it remains the same: to give our humble thanks to those who survived the terrible wars and those who did not. And since the list of our freedoms includes the right to worship God in any way we see fit, let us show our gratitude by attending the Church of our choice regularly, and thereby availing ourselves of one of the most vital freedoms for which our courageous heroes risked everything they had.

...ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY

Mary and Bob had driven out of their way to come to this little country church where Mary's grandparents and great-grandfather were buried.

Mary hadn't wanted to come — but she felt it was her duty since they were so near. Now, standing in the quiet winter sunlight, she sensed a feeling of peace and strength, rather than of loss and sadness, which she had expected. All at once she realized that the faith that had seen her forebears through the complexities of their lives could be an ever-present sense of strength for her too.

But it is not enough to adopt the faith of our fathers. Each person must find their own. The Church stands ready to help, its doors are open to all who search, and within its portals you will find that "peace which passeth all understanding."

Farmers Union Into Washington Fly-In

Farmers from across the state will join others from South Dakota, Indiana, Ohio, Colorado and Wyoming in a parity campaign to Washington Feb. 20 through Feb. 24 when members of Farmers Union will sift through the more than 400 new bills introduced to solve the agricultural dilemma.

"We're taking ninety Texas farmers to the Capitol in a well organized support movement for solutions," said Jay Naman, President of Texas Farmers Union. "Our protesting members who have been in Washington for weeks have done an excellent job of pointing out the depression we are in. They have also given Congress the message that we are not going to tolerate a poor farm bill. We're going to add our additional thrust and to get behind those bills which would truly bring about 100 percent of parity rather than those that simply give political lip service to the problem."

Congressional hearings in both the House and Senate continue to receive voluminous testimony and new bills which are being introduced. A March 15 deadline exists, however, for any proposal which would affect the 1978 budget.

"I feel confident that some changes can be made," Naman continued. "But we must act together and get behind specific legislative proposals that offer practical solutions, form coalitions with other groups, educate urban Congressmen and then count our votes. If we don't pull this thing together we could let the committees draw us past March 15 and then say 'sorry folks, but you'll have to wait until next year to see any improvement in price supports'."

The Texas farm leader points out that there are some items, such as labeling and inspecting imported beef and a mandate to the Administration to set world price floors, which could be implemented after the March deadline.

"To raise the loan rate or alter the disastrous sections of the farm bill (e.g. cotton)," says Naman, "we must get the bills onto the full floor of both chambers. If farmers are left to play second fiddle to the Panama Canal, then America has only just begun to see what a farm protest looks like!"

The Farmers Union will be carrying a full arsenal of information and voting records to "separate the sheep

and the goats in Congress who are trying to court us with their newly found concern for family farmers."

"It might amaze many of the people who are being taken in by rosy speeches to know that only a few of our Texas delegation in Congress have ever supported 100 percent of parity. Our first challenge is to convince rural Texas Congressmen to support full parity."

Farmers Union members will be visiting with their individual Congressmen as well as working in three-man teams to visit urban and out-of-state lawmakers. Farmers who represent the cotton areas of the state will also have a special session at the USDA with cotton specialists to voice concern over the trade-oriented cotton section of the farm bill. A visit with State Department officials including Trade Ambassador Robert Strauss is also on the agenda.

Local farmers in the Farmers Union Fly-In are: Foy Mitchell, Guy Kemp, Ben Nepper, Mr. and Mrs. R.D. Terry, Max Carriker, Jerry hoodenpyle, all of Roby.

DEPENDENCY TAX REGULATIONS DIFFER FOR SEPARATED OR DIVORCED PARENTS

Certain tax regulations apply to separated and divorced parents in claiming children as dependents, the Internal Revenue Service said.

Since only one parent can claim each child as an exemption, the parent, generally, with custody of the child for the greater part of the year is entitled to the dependency deduction. According to the IRS, there are two exceptions to the rule based upon terms of the divorce decree or other agreement and the amount contributed to the child's support by the parent without custody. Divorced or separated parents should check the details of these exceptions in their tax instructions before either parent claims the children as dependents.

The free IRS Publications 501, "Your Exemptions and Exemptions for Dependents", and 504, "Tax Information for Divorced and Separated Individuals", provide additional information and can be obtained by filling out the handy order blank in the tax package.

Hustlin' Round Hobbs

By Mrs. Jimmy Walker
Hobbs, Texas 735-2840

Well we had a little more moisture in the form of snow and ice, but it has really been cold and I for one am about ready for Spring. All we seem to get done these days is feed the cows, and they are always ready for any form of feed. Wish that we could get a good slow rain and then it warm up, and then these pastures would begin to green up.

Our sincere sympathy goes out to Mrs. Eula Mae Hull and the remainder of the family on the death of Mrs. A.A. Hull of Rotan. She passed away in the Fisher County Hospital on Sunday.

Mrs. Pam Baker and boys from Rotan spent Wednesday, Thursday and Friday with Mrs. Bea Hardin. Then the boys spent Saturday night with Bea, and Pam spent all day Sunday. Mr. and Mrs. Larry McBeth and children of Abilene spent Sunday evening and all day Monday visiting with Bea.

Mr. and Mrs. Dale Cave have just returned from a weeks fishing trip to Amistad. They report nice weather for a short while, but cold winds and weather most of the time.

Hobbs High School girls will be playing Ira for the District at Snyder on Tuesday night. The Junior High boys will also play for the District title that same night in Snyder. They will also be playing Ira. It will be at the Western Texas College gym which is really nice, but they probably won't have enough seats for all of Ira and Hobbs as they really turn out. Good luck to both the girls and the Junior High boys.

If I have missed any news this week, it is because the telephones have been out in some places, and then when they came back in I wasn't able to reach some folks. Call me if you don't hear from me if you have any news, as I am always home Monday morning and Tuesday. Hope that all the sick folks are getting along just fine. Heard that one of George and Janet Price's little girls is in the hospital and hope that she will soon be better. We have sure been having lots of sick folks, and the hospital has been overflowing.

See you next week.

Hospital Auxiliary To Buy Life Machine

The Fisher County Hospital Auxiliary has a contribution fund for the purpose of securing funds to purchase a new life-saving machine for the Fisher County Hospital. Donation jars have been placed in a number of Fisher County businesses and citizens are asked to place contributions in the jars for the purchase of the new equipment.

hours are from 10 a.m. until noon; 2 p.m. until 4 p.m. and from 7 p.m. until 9 p.m.

Hobbs Pee Wee Tourney Re-Set For This Week

The Pee Wee basketball tournament which was recently cancelled at Hobbs due to weather has been re-scheduled.

The tournament will be held Wednesday 1 p.m. until 4 p.m. and on Thursday from 5 p.m. until 8 p.m. The tournament will be held in the Hobbs gym.

The Fisher County Hospital Auxiliary is also accepting memorial donations. These donations will all be acknowledged.

The auxiliary members asked for local resident cooperation in observing visiting hours for patients at the local hospital. Visiting

WRANGLER 'NO-FAULT' 14 oz. DENIMS WITH SANFOR SET

If you guys don't want to find faults with your 100% cotton denims when they come out of the dryer, they'll have to be Wrangler 'No-Fault' denims. Then you'll get freedom from wrinkles and freedom from puckers.

That's no idle claim. It's the truth. In fact, Wrangler 'No-Fault' jeans and jackets are made from the only 100% cotton denim that won't

shrink more than 1% and they come out of the dryer ready to wear.

What's more, they get softer faster, last longer and fade just the way you want cotton denims to.

All because of a miracle process called Sanfor-Set. So if you want 100% cotton denims that always look right, get the ones called 'No-Fault'.

*When home washed and tumble dried.

COUNTY AGENT NEWS

BY RICHARD SPENCER

A dry fall and low winter temperatures throughout most areas of Texas have permitted little growth of small grains. However, some areas have recently received adequate moisture to revive lingering stands and may benefit significantly from a topdressing of nitrogen. This is particularly true if small grains were not fertilized at or since planting and stands have been grazed.

A decision as to whether or not to topdress must be based on the nutrient status of a particular soil, the present condition of the crop, available moisture and whether the crop will be grown for grain or grazed out. Topdressing from 30 to 60 pounds of actual nitrogen per acre should be considered for grain production. Higher rates ranging from 40 to 80 pounds per acre should be considered if the crop is to be grazed out and adequate moisture is available.

Research has shown repeatedly that an adequately fertilized small grain stand will recover more rapidly from stress; produce more grain or forage per inch of water used; and increase crop quality. Thus, if moisture is available and growing conditions improve, topdressing with additional nitrogen should pay dividends in terms of increased forage and grain production.

Landscape plants around your home air conditioning unit can cut costs when hot weather arrives. And now is the time for landscape plantings. Plants can reduce your air conditioner's required capacity by three percent.

A study by the American Refrigeration Institute has shown that the shade provided by trees or shrubbery falling on the outside portion of a split-system air conditioner can result in lowered demands on that unit. It can mean the difference between 80 degrees Fahrenheit or about 77 degrees Fahrenheit inside the home.

Within one year, the small cost of trees or shrubbery installed to provide shade is more than covered when subtracted from the price of air conditioner operation.

This cooling and money-saving effect is explained by an air conditioning unit's efficiency being related to its ability to transfer heat from inside to outside. This is apparent when you compare the air conditioning ability of a unit in an outdoor temperature of, say, 95 degrees Fahrenheit to the capacity of the same device when it's 105 degrees Fahrenheit out.

Landscape designers, garden center managers and other professional nurserymen point out the screening outdoor air conditioning machinery with plantings also preserves the esthetic value of the home.

So, by keeping your air conditioner in the cool with trees and shrubs, you can enjoy the cool indoors at a lower cost.

Giant Spider

Among spiders, the giant is the bird-eating spider of South America. A two-ounce male collected in French Guiana in 1925 had a three-and-one-half-inch body and a leg extension of 10 inches.

Rotan Girls Finish Second In District

Rotan Varsity and Jr. Varsity girls ended their season Tuesday night, Feb. 14, by defeating Knox City in the varsity game 51-39, and Jr. varsity game 44-25.

In the varsity game, Ginger Duke had 21 points, 2 rebounds and 2 steals; Charre Smith had 17 points and 1 steal; Cindy Weathersbee had 4 points, 1 rebound, 2 assists; Ann Gentry had 9 points, 2 rebounds and 1 steal; Melody Walker had 3 rebounds; Cheryl Jones 8 rebounds, 13 ball advancements, 3 steals; Tina McCombs had 1 rebound, 10 ball advancements; and Blanche Gentry had 12 rebounds, 6 ball advancements and 1 steal.

In the Jr. Varsity game all the players who will be back next year played some in the game just to see how they would play the 5 on 5 game. Girls basketball may all be 5 on 5 and it was decided to see how the girls would play. The JV's won, 44-25.

Purchase meat by weight, not by package size, suggests Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Ag. Extension Service, Texas A&M. Look for even-weight packages—it's easier to figure cost per ounce with even weights, not fractions, or odd-ounce sizes, she adds.

United States consumption of tea—the world's most popular beverage, next to water—is second only to Great Britain says Mary K. Sweeten, foods and nutrition specialist with the Texas Ag. Extension Service, Texas A&M.

The seventh and eighth grade girls ended their season Thursday night, Feb. 16, defeating Snyder in the 7th grade game 30-16, and in the 8th grade game 32-24. Eighth graders won 17 games and lost 2 while the 7th graders won 12 losing only one.

CONTINUED FROM PAGE 1

of the final period with 4 personal fouls, lead the Lions to a district title.

Ricky King, Brad Stuart, Brad Wilburn, Timmy Morton and Gregg Jennings with reserve duties from Britt Stuart led by 10 points with 34 seconds left in the contest. Other varsity team members are Denny Cox, Shelby Thompsom, James Streety, Mark Pope, Kenny Martin and Gordon Maberry.

Card of Thanks

We would like to thank all the people who brought food and visited us during the death of Mr. Sol Smith. Our thanks to the nurses,

Dr. C.M. Callan for the help they gave and to the Weathersbees, Mac and Doug. Thanks for the cards and flowers.

During Mark Twain's days as a newspaperman, he was editor of a small Missouri paper. One day he received a letter from a subscriber, stating that he had found a spider in his paper, and asked if this was an omen of good or bad luck.

Twain replied: "Finding a spider in your paper is neither good nor bad luck. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."

will keep the spider away from your door.

Coach's Comments

By Sonny Barnes

I want to take this opportunity to thank all the players, parents, officials, bookkeepers, clock keepers, and fans for helping make this a rewarding season in basketball. We appreciate the support and encouragement that the school and the people of Rotan have given our girls basketball teams this year.

Our varsity team ended the season 22-11 and coming in 2nd behind Crowell the district winner. Last year we ended in 4th place with Knox City. We lost 4 district games; 2 to Crowell, 1 to Hamlin by 1 point, and one to Knox City by 1 point. We only lost 2 games in our gym; one to Crowell and one to Jayton by 3 points. Jayton, Slaton, Stanton, Hawley and Crowell were losses to teams that won their district and are now in playoff games. Hamlin, Knox City, Merkel and Post are losses to teams that did not win their district but are strong teams in their district.

Overall, our 4 teams; 7th, 8th, JV and Varsity teams won 59 games and lost 23. 7th grade 12-1, 8th grade 17-2, JV's 8-9 and varsity 22-11. I believe our UVs would have done better had they been worked each day with the 5 on 5 game. Our JVs and varsity had the same time to work out each day and we spent most of our time on the 6 on 6 game. Our JVs will get better at the 5 on 5 game if we go to it next year, which is sure a good possibility.

Track season is soon to start and I just hope the same enthusiasm is carried into our high school and junior high girls track season. Girl's track is the fastest growing girls sport in the state at this time. Last year more girls participated in girls track than any other girls sport. Now that girls basketball is going 5 on 5, girls track can do nothing but make girls better at playing 5 on 5 basketball. The ability to move quick and run for a long period of time can be obtained through participation in track. The ability to jump comes from running and building up leg muscles, especially in girls.

Returning from our last year's track team will be Ginger Duke, Cheryl Jones, Blanch Gentry, Tammie

Whitefield, Tina McCombs, Connie Ramirez, Ramona Pearson, Regina Pearson. Freshmen who will add much to our program will be Vickie Moore, Ann Gentry, Katy Lopez, Carrie Sue Matthies, Jeannie Swafford and Veronica Carrillo. Other girls may participate if they wish.

Track schedule is: March 4, March 11, Lakeview; March 7, Spur; April 1, Snyder; April 8, Jayton; April 13, District at Jayton; April 21 & 22, Regional at Odessa; May 5 & 6, State Meet at Austin.

Golden Haven Home News

This Sunday the First Baptist Church brought our morning service and the Church of Christ brought our afternoon service. We really enjoy these services and we thank each one involved in bringing them to us.

Winners in bingo this week were Clara Neves, Mary Hurst, Mary Cooper, Lena Early, Dana McReynolds, Octavaneous Harrell, Viola Barrington, Ed Roberts, Annie Bettis.

Billy Gene and Betty Weaver of Hamlin visited Elba Bates this week.

Those visiting Clara Neves were Ellis and Ann Eves of Snyder and Mr. and Mrs. Jimmy Milton of Bonham.

Norma and Charles Meek of Sylvester visited Letha Meek.

Those visiting Maebell Ogden were Mrs. Earl Leach of Rotan, Mr. and Mrs. John Leach of Rotan, Mrs. Ruby Lang of Rotan, and Mrs. Dorothy Lomax of Rotan.

Mr. and Mrs. Marvin Ashley came by the home on Sunday and took Elenora Gould and Lois Henry out for a drive. They both loved it.

That's all the news for this week. Come and see us.

American Ag Wives Schedule Adult Basketball Tourney

The Fisher County members of the American Agriculture Wives group is going to sponsor an adult basketball tournament on March 16 through 18th at the Roby High School Gymnasium.

Entry fees for the tournament have been set at \$1.00 per player with the deadline for entry March 6.

The adult age groups have been divided into three categories. Age 29 and under players will compete in division one; players age 30 to 49 in division two and players age 50 and over in division three.

Both male and female players are welcome to compete in the tournament.

There will be a separate division for female players broken into age divisions, according to a tournament spokesman.

The American Ag Wives want entries from all over the county. Players from Rotan, Roby, Hobbs, McCaulley, Sylvester and Longworth are

invited to compete.

Teams will be formed by drawing players at random from the three age brackets.

Interested players are asked to sign up at the Terry Gin in Roby or call Jo Ann Terry at 776-2643. Players can also sign up at the Newspaper Office in Rotan

or call Mrs. Glenn Copeland at 735-3472 for additional information.

Farm wives that can help

work at the concession stand or can donate food are asked to call Tammy Herron at 776-2301.

PLAY CAST: Three of the characters that will be performing in Friday's Rotan school play, open to the public, include left to right, Tammi Sparks, Jamie Strickland, and Carmen Sparks.

Card of Thanks

We wish to express our thanks for every act of kindness and concern for us during the illness and passing of our loved one.

Our thanks to all who had a part in the lovely service with songs and words of comfort. For

the beautiful flowers, sympathy cards and letters and also for the delicious food, we are grateful.

May God bless each of you.

Mrs. Fila Campbell
M.O. Campbell and family,
Mrs. Stella Mae Brooks

Short Duration Grazing

A New Idea For Improving Rangeland

Rapid grassland improvement, more net profits per acre, more livestock production, reduced labor costs, and less fuel consumption — these are some of the benefits of a new system of grassland management called Short Duration Grazing. The idea is to put livestock from several pastures into one herd; then put them all in one pasture for a fairly short period. When the forage has been grazed to the desired degree, move the herd to the next pasture in the rotation. Each pasture is grazed a few weeks, then rested for several months.

BENEFITS

- **IMPROVES GRASSLAND.** With yearlong use, livestock repeatedly use the more desirable plants, reducing their ability to reproduce and compete. Long periodic rest with short duration grazing reverses this trend, allowing choice forage plants to gain a state of vigor impossible to attain under constant grazing.
- **MORE NET PROFITS.** Improved range conditions means more high quality forage for livestock. This can mean more net profits over an extended period of time.
- **MORE LIVESTOCK PRODUCTION.** Livestock producers in Texas who are using short duration grazing have been able to gradually increase livestock numbers.
- **SAVES LABOR AND FUEL.** When all livestock are in one pasture, they can be checked faster, saving labor and pick-up mileage.
- **CAN HELP WILDLIFE.** Short duration grazing systems can be managed to benefit wildlife. Having most pastures vacant can also simplify the leasing of hunting rights.

THINGS TO CONSIDER

Supervision

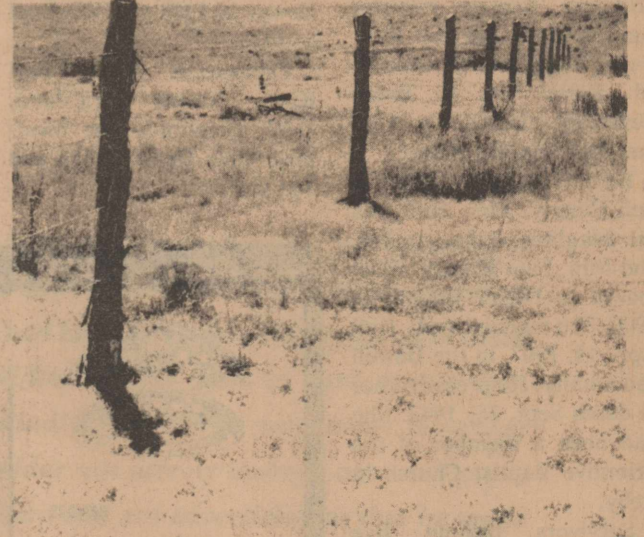

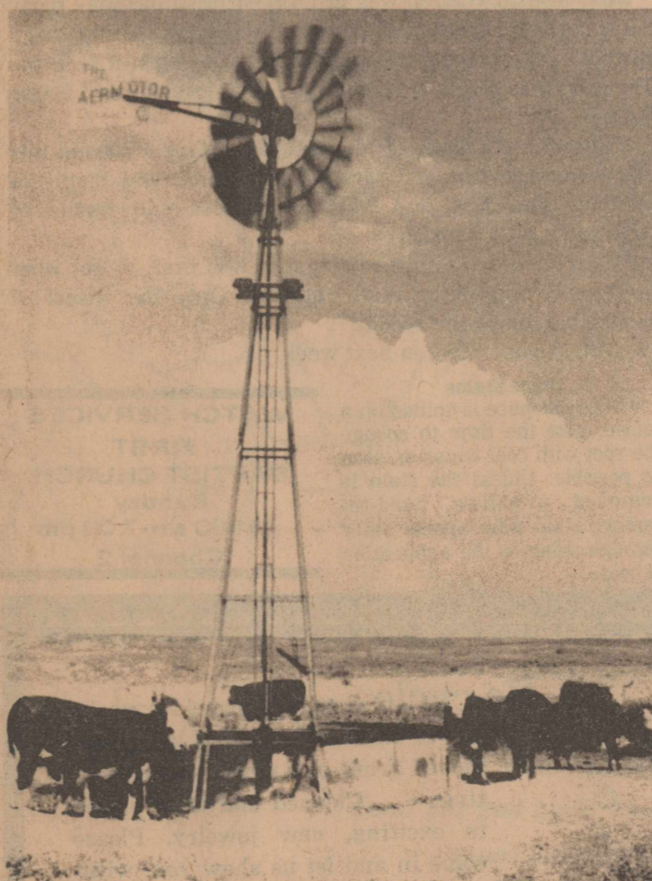

Close supervision of livestock and forage is required to determine when to move to the next pasture in the rotation.

Water

Grouping livestock from several pastures into one herd can cause water shortages. You may need to plan for more ponds, windmills, troughs, and pipelines.

Fencing

You may need more cross-fences to make short duration grazing work. Ideally, you will need six or more pastures, although they don't necessarily have to be the same size.

Essay Winners Named In Local DAR Contest

Winners of the American History Month Essay Contest sponsored by Anne Pettus Shelburne Chapter Daughters of the American Revolution of Rotan were honored at the February meeting of the chapter.

Mrs. Rudy Hamric, Chairman of the contest, introduced the students and their mothers who were also special guests. Represented were first place winners of grades 5, 6, 7 and 8. A Certificate of Award and an Excellence in History Medal were presented to each by Mrs. Hamric.

Those honored were Meg Field, fifth grade; Maury Gruben, sixth; Jerilyn Marshall, seventh; and Conrad Hamric, eighth.

Meg is the great niece of Miss Pauline Fleming and granddaughter of Mr. and

Mrs. Willie Fleming and Mr. and Mrs. George Field; Maury is the son of Mr. and Mrs. Glen Gruben, grandson of Mrs. Arlon Cross and the late Mr. Cross and the late Mr. and Mrs. Alvin Gruben, and great-grandson of Mrs. L.C.J. Cross; Jerilyn is the daughter of Dr. and Mrs. Jerry Marshall, and granddaughter of Judge and Mrs. Floyd Marshall and Mr. and Mrs. John Burtoft; and Conrad is the son of Mr. and Mrs. Rudy V. Hamric and grandson of Mr. and Mrs. Aub Hamric and Mr. and Mrs. Luther Maberry.

Topic for the essays was "Growing up in Colonial Times (circa 1760-1790)". Mrs. Hamric announced that the winning essays had been submitted to the state chairman for judging. Certificates of Appreciation will be

presented to each student who participated in the event.

During the regular meeting Mrs. Connie Tutt presented an interesting program titled, "Paul Revere, Silversmith". She gave much about the life and multi-faceted talents of the man who was immortalized by Henry Wadsworth Longfellow in his "Midnight Ride of Paul Revere". At the close of her presentation Mrs. Tutt showed two reproductions of Revere Silver Bowls. These had a special meaning for her because she received them as awards for two pens of prize winning cattle.

Following the program Mrs. Dathurlia Hale and Mrs. Lawrence Weatherman were recognized as having been members of DAR for thirty one years.

In addition to the essay winners and their mothers, members attending were Mmes. C.E. Atwell, Whit Clark, Dathurlia Hale, Rudy Hamric, A.P. Kennedy, Jerry Marshall, Ruple Morrow, J.L. McCright, Archie Neeley, F.E. Tutt, G.M. Young, and Misses Josie Baird and Delila Baird, all of Rotan; and Mrs. D.B. Lyle of Snyder.

The Chapter Regent, Mrs. Clark, presided at the meeting. Hostesses were Miss Josie Baird, Mrs. Hale, Mrs. McCright and Mrs. Weatherman.

Rhodes Speaks Out For Senior Citizens

A major concern of Democratic congressional candidate A.L. (Dusty) Rhodes, is the plight of America's senior citizens, and their daily battles against inflation and the dwindling effectiveness of the social security system.

According to the Abilene businessman and attorney, senior citizens are being hit from two sides. On the first hand, the primary source of income for many elderly Americans, social security, is becoming less and less effective because of the waste going on in that department. "For example" stated the candidate recently, "there are a number of welfare functions that are being funded through social security which, in turn, depletes tax dollars that should be earmarked for the retirement of elderly Americans. These welfare functions should not necessarily be done away with, but they should be moved out of the social security system." Rhodes pointed out that "the original concept of social security was never to provide for the total cost of retirement, but rather to provide a base of income for the retired American worker. "Unfortunately", Rhodes continued, "many of our senior citizens have no other income but the meager

amount provided through social security. And the skyrocketing rate of inflation, and one can understand the dire situation faced by many elderly Americans."

Rhodes stated that there are several measures that can be taken to curb inflation. "To solve any problem, you must go to the source. In the case of inflation," continued the candidate, "that source is deficit spending. When I am elected to Congress, I intend to recommend a number of budget cutbacks in various areas. Increased deficit spending reduces the value of the American dollar, which, in turn, reduces our purchasing power because a part of every dollar spent at the retail counter is used to pay interest on the national debt. Another phrase for deficit spending, is 'Failure to live within our own budget'. The Federal government can and must tighten its belt if there is ever going to be any hope of balancing the budget and curbing the inflationary spiral".

Rhodes' concern for the plight of senior citizens has been demonstrated in the past by his involvement with the "Generation Connection", a senior citizen symposium in Governor

Briscoe's program for the elderly. In addition to serving as master of ceremonies at last year's "Generation Connection" luncheon and series of workshops held in Abilene to improve the quality of life for elderly persons, Rhodes also led a workshop on law. He was later awarded a Texas Department of Human Resources commendation for his work in that area.

Rhodes is seeking to replace the retiring U.S. Representative Omar Burleson as Congressman for the 17th Congressional District.

ESSAY WINNERS: American History Month Essay Winners honored at DAR meeting were Conrad Hamric, 8th grade; Jerilyn Marshall, 7th; Maury Gruben, 6th; and Meg Field, 5th grade.

ATTEND DAC MEETING: Mrs. Kenneth Whisenant, speaker for DAC meeting, and Miss Josie Baird, Chapter Regent.

DAC Chapter Meets In Snyder

Members of the George Cogdell Chapter of Daughters of the American Colonists met recently in the home of the Vice Regent, Mrs. Leland S. Herod, in Snyder. Miss Josie Baird, Chapter Regent presided.

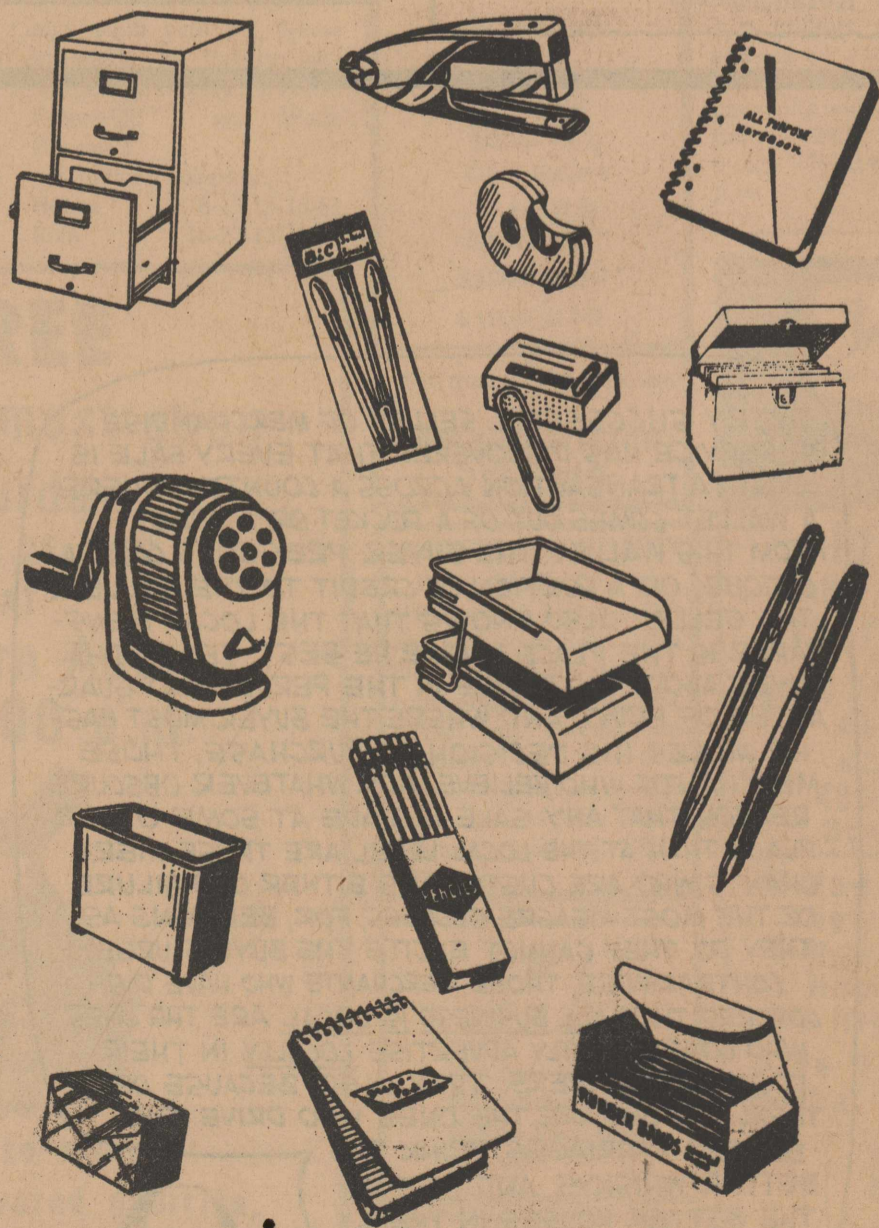

Following opening rituals, a brief business meeting was held. Miss Delila Baird gave a registrar's report. She noted that six members had been accepted by the National Society since the last meeting. These are Mrs. Ophelia Blackard, Mrs. Wilson Connell, Mrs. Jerry Springer, Mrs. Ray Courtney, Miss Betty Courtney

and Mrs. Maurice Young. Mmes. Blackard, Connell and Your were present. The registrar also read excerpts from letters from Mrs. P.m. McKee, state registrar, and Dr. Dorothy L. Noble, National Registrar of DAC. Mrs. McKee wrote, "I am so proud of you. Do you realize that you have grown 50 percent since you organized? Also, that you have the largest percentage of junior members of any Texas Chapter". Dr. Noble said, "Congratulations on all of your new members, and especially on having a mother, her two daughters,

and a granddaughter". (The latter reference to Mmes. Connell, Springer, Courtney, and Miss Courtney).

Following the business session, Mrs. Herod, program chairman, introduced Mrs. Kenneth Whisenant, a member from Abilene. Mrs. Whisenant gave an interesting and informative program on basis of genealogical research.

For 21¢ or less you could put this letter into a call across the country.

If you're an average talker, you can suggest you talk for just one minute. But even if you talk 10 minutes, you're only talking \$1.58, plus tax. Or \$2.57 if you dial Sunday through Friday between 5 p.m. and 11 p.m. And that's talking clear across the country. So if you're still putting words into letters, just think of what you could be putting into a Long Distance call.
