Woman's Council.

Mrs. C. D. Grissom was hostess to the Woman's Council of the Christian Church Monday Nov. 14th.

The President, Mrs. Hunt, presided over a good attendance of members. Mrs. Bailey Post was appointed to meet with a committee of women from other churches to plan some sewing for Red Cross relief work.

The devotional period was led by Mrs. Faris Morrison, the president leading in prayer.

The Mission lesson for the afternoon was "Jesus Road," continuing a three months study of the American Indian. This was directed by Mrs. Manly Branch, who made a splendid talk on the subject.

Mrs. Riley Pitman, the principal speaker, was very thorough and particularly interesting in her talk. Haskell Institute, an Indian school was discussed by Mrs. Henry Post.

At the close of the meeting the Council used their regular benediction, all taking part.

Jossett H. D. Club.

The Jossett H. D. Club met Nov. 8 at 2:30 in the home of our Pantry Demonstrator, Mrs. C. A. Thomas. You who were absent missed something worth while.

Much interest was shown from our program. Several demonstrations were given in meal planning and Miss Partlow said: "so dill"

Miss Partlow said: "It doesn't take the farm woman long to plan any meal for any occasion." Even the wash day dinner is just as quickly planned and served.

Refreshments of peaches with whipped cream, pecan cake and cocoa was served by the hostess. Reporter.

Magazine Club.

On Nov. 10th Mrs. F. T. Sanders conducted the concluding lesson on the Raven. The following program was rendered.

Library Notes.

Non-residents desiring to get books from the library, must make a deposit of two dollars. This will be returned to them, when they relinquish their card.

Strangers moving to the city, and people outside the city limits, must have their cards endorsed by a responsible citizen.

CARD OF THANKS

We can't find words suitable to express our appreciation to our many friends who helped us during our recent sorrow in the death of our infant son, Kenneth Freeman. The nearest we can come to an adequate expression is God bless each one of you.

Mr. and Mrs. Clarence Oldham.

Tuxedo Baptist Church Burned.

From The Hamlin Herald—

The people of Tuxedo suffered a great loss last Sunday night when the Baptist church building burned to the ground and no insurance.

Information is that some children were playing in the attic during the afternoon, but whether they had matches or not was not learned.

While death and taxes remain the only certainties, divorce and alimony have become strong probabilities.

Naturally the fellow who marries for money does so because of a lack of cents.

Nerve trouble, says a scientist, is sometimes the cause of dishonesty. More often, we'd say, it's due to too much nerve.

We may have milk from contented cows, but Wall street gets no fleeces from contented lambs.

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels.

When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure papain. Just get Dr. Caldwell's syrup papain. Take a little every day or so, until every organ in your body feels the big improvement.

The next time you have a bilious face or feel that your bowels are sluggish, get a bottle of Dr. Caldwell's syrup papain. It's the only one that's so strong.

usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary!

Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup papain today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't opiate.

Another Big Cotton Picker Is Found.

From the Paducah Post—

Last week an item was run in this paper about one man pulling over 800 pounds of cotton per day. He will now have to take a back seat for W. A. Edwards, who has been snapping cotton on the Charley Wilson farm. Last week Mr. Edwards snapped an average of 1014 pounds for four days in succession. His greatest days work was 1041.

Mr. Self, who does the weighing, stated that this was nicely "snapped" cotton, and not just merely "pulled."

Thieves Use Auto Belonging to Clint Small.

From the Wellington Leader—

Daring Vega bank robbers last week used an automobile belonging to Sen. Clint C. Small, formerly of Wellington, in making their escape. The car was abandoned southeast of Amarillo and had been stolen from Senator Small since October 13.

Police at Amarillo learned of the ownership of the car shortly after Robert Armitage, kidnaped bank clerk, came to the city.

Given Lift, Youth Takes Overcoat On Traveling Man at Munday.

From The Munday Times—

A traveling man passing through the city Saturday night reported to Chief of Police Layne that he had given three youths a lift into town along the highway between Munday and Goree and when a few miles south of Munday he discovered that his overcoat was missing, and suspected that it had been taken by one of the trio.

Chief Shannon Layne accompanied the man to the point where their

car had been parked at the roadside and they towed the car into town and then went in search of the three youths who were soon located and one of them was wearing the stolen coat.

They were taken into custody by Chief Layne and the youth who was wearing the coat assumed full responsibility for the theft and paid a fine in municipal court.

Marriage in New Mexico Is Announced.

The marriage of Miss Lucile Brown of Snyder and Edward Grissom of Sweetwater, former Abilenean, was solemnized last Saturday afternoon at 4 o'clock in Roswell, N. M.

Miss Brown is the only daughter of Mr. and Mrs. H. P. Brown of Snyder, while Mr. Grissom is the youngest son of Mr. and Mrs. Hardy Grissom of Abilene.

Mrs. Grissom was for two years a student in Simmons university where her popularity was shown in her selection as a "beauty" by both freshmen and sophomore classes. She was one of four girls named as freshmen class beauties in the spring of 1931 and last year was named as one of the sophomore class representatives in the Brand Beauty contest for which Douglas Fairbanks, Jr. was judge.

Mr. Grissom, who moved with his family from Haskell to Abilene a few years ago, was educated in the Kemper Military academy, Booneville, Missouri, and New Mexico Military academy, Roswell, N. M.

Mr. and Mrs. Grissom will make their home in Sweetwater, where he is wholesale agent for the Sinclair Oil company—Abilene Reporter.

Morris-Masengale.

Mr. Coy Morris and Miss Juanita Masengale were united in marriage at Lawton, Okla., November 4, 1932. They are on their wedding tour to Canyon City. Their many friends wish them a happy and prosperous future.

Hobo Club.

Last Thursday the Hobo Club met at the High School immediately after school in a business meeting. Lillian Kaigler had charge of the meeting in the absence of the president, Contine Guest. As there had been some changes in the rules they were read and approved. Miss Geraldine Hunt was voted a new member, after which we adjourned.

Wednesday Nov. 16 the president called a meeting which was strictly a business meeting. Plans were made for a theatre party Friday night at 7 o'clock and a meeting place set. After some other important plans were discussed, which you will hear about later, we adjourned.

Fidelis Class Meeting.

Monday night members of the Fidelis Class of the First Baptist Church met in the home of their teacher, Mrs. R. J. Reynolds to make cloth toys to send to Buckner's Orphanage at Christmas time. Quite a few toys were finished and a number cut and ready to be finished at a future meeting.

Mrs. Reynolds is requesting all members to be present Sunday as we will have a special teacher, our superintendent, Mr. A. C. Pierson. We know he will have a good message, so be there on time with a hundred per cent class.

Mrs. E. S. Wilson and Mrs. Wallace Cox Joint Hostesses

Tuesday afternoon Mrs. H. S. Wilson and Mrs. Wallace Cox were joint hostesses to a lovely party at the Magazine club rooms. The entertaining rooms were filled with beautiful chrysanthemums combined with greenery arranged tastefully in baskets and vases where seven tables were laid for games of "42" and eight tables for bridge. The Thanksgiving motif was stressed in the table decorations and tallies. After a series of games the hostesses served individual pumpkin pies, cheese balls, olives, wafers and coffee to the following:

Mesdames Hollis Atkinson, C. L. Lewis, D. C. Bradley, Server Leon, T. G. Cahill, Chas. Conner, R. C. Couch, B. Cox, D. L. Cummins, Sr., Jno. V. Davis, Jno. Ellis, Tom Davis, T. R. Odell, C. D. Grissom, H. K. Henry, Courtney Hunt, Eugene Hunter, Joe Jones, Roy Killingsworth, E. Martin, Hill Oates, Jno. W. Pace, Mary Oates, Lynn Pace, Oscar Oates, O. E. Patterson, R. J. Paxton, Jno. Oates, J. E. Morris, C. V. Payne, Anton Theis, J. P. Payne, D. H. Persons, A. C. Pierson, Geo. Henshaw, H. S. Post, D. P. Ratliff, Marvin Post, W. M. Reid, R. J. Reynolds, Jno. Miss Julia Williams' room, grade

On Wednesday November 9th the Weimer P. T. A. met in regular session. There was a large attendance of members and visitors.

Miss Julia Williams' room, grade

four, gave an interesting program on fire prevention. This program was delayed due to the fact that school was not in session the week that it should have been given, but even if it was late, it helped us all to see the importance of being careful about fire hazards.

The art and English classes displayed many interesting and effective posters.

The room mothers have been active in their duties of assisting the teachers in a number of ways and of remembering the children and teachers by giving little programs and serving refreshments.

Mrs. Preston Derr visited the seventh grade room and gave Mr. John Coggins and his seventh grade youngsters a treat by serving them doughnuts.

Mrs. Cadenhead assisted by Mrs. Baker entertained Mrs. Palmer's room grades five and six. The teacher was presented with a beautiful corsage of chrysanthemums and fern and the whole room was served fudge and date loaf. Mrs. Baker gave an interesting talk on Armistice Day and gave the reading, "In Flanders Field."

Mrs. Jerry McClaran entertained her rooms, grade four, on the after-

noon before the Armistice holiday with delicious refreshments.

Miss Thelma Therwanger, teacher of the second and third grades, assisted by Mrs. E. Griffith, the room mother, is very ably succeeding with several interesting projects for the room.

The latest project requires each child to bring a jar of milk or some kind of fruit juice for nourishment at the morning recess. The children enjoy this.

Another thing that has proved very good is that each child who has a daily newspaper in the home bring yesterday's paper today, and these papers are handed to the children whose parents do not get a daily paper.

A short but interesting program was given by the room, and the parents were invited. Quite a number came and enjoyed hearing the children after which light refreshments were served.

The handwasher that was installed is proving a worthwhile project.

Mrs. Morrison to Direct Harmony Club Program.

Mrs. G. H. Morrison will direct a program on Classicism in Music at Wednesday's regular session of the Harmony Club. The program follows: Roll Call, Music of a Classical Composer; Comparison of Classicism in Music, Literature and Art, Marjorie Whiteker; Sketch of the Life of Bach, Mrs. G. G. Herren; "Menuet" (Bach) Mrs. O. E. Patterson; "Ava Maria" (Bach), Mrs. Vaughn Bailey.

SPORTS

Friday's game with Stamford is THE game of the entire season! It has always been Haskell's greatest delight to beat Stamford—even though they lost all the rest of the conference games a defeat over the Bulldogs meant an almost perfect season. Now there is nothing especially wrong with Stamford as we are treated as nicely there as any place else—there is a friendly rivalry between the two cities that makes any sort of sporting interesting, and as football is the king of sports we are brought to a high pitch of excitement when these two teams meet.

Stamford has a one point decision over Hamlin while the latter has the same margin over us. On paper Stamford should be two points our superior, but their backs are offering six points. So we must be the underdogs—and how glad I am that we are! A team can do more fighting when it is the underdog than at any other time. That was the same situation we faced when we played Hamlin—and look what happened. The Indians turned in one of the most thrilling games of the year and for years to come! Every Indian played his heart out—they made mistakes as well as good plays—they fumbled, as well as recovered—and that ladies and gentlemen, is what makes up a thrilling football game.

This is one time that I am going to pick a winner of a football game. Haskell is going to win this game—now don't forget that! And also remember whether it is raining or snowing the biggest crowd of the year will be watching this game.

Now don't forget folks this is the last game of the season for Haskell if they don't win! By winning they will be thrown into a three way tie—if they lose they will turn in their suits and there will be no more football at home.

All the boys played well last week and again there was no stars in the game. Everyone did his best and that is what we hope to see Friday. That kind of playing will beat Stamford even though it is going to be a very hard fought game.

Joe Short has the drinks on ice now so there will be cold drinks for the squad providing they win—and the entertainment will be furnished by the Texas Theatre.

Secretary Hyde blames the plight of the farmer on the women dieting. Another Republican says cheap wool is due to the fact that women won't wear woolen underwear and stockings any more. Looks like it's up to the women to eat and scratch us out of the depression.

When grandpa was a boy he had to get his naughty magazines from a train news-butcher and read them in the nymow.

Efficiency experts who seek to eliminate lost motion might get some valuable pointers from observing a setting hen.

Popular humorists are highly paid, but some of the funniest people don't get a cent for being that way.

A girl who is "beautiful but dumb" might make a good enough wife if she'd stay that way.

See where a certain Legislature has imposed a severance tax. Could that be a new name for alimony?

Truth is stranger than fiction, and also scarier.

Build Up Health and Pains Go Away

WOMEN who suffer from weakness often have many aches and pains which a stronger state of health would prevent.

Women in this condition should take Cardul, a purely vegetable tonic that has been in use for over 50 years. Take Cardul to improve the general tone of the system in cases of run-down health and "tired nerves." Women have found, in such cases, that Cardul helps them to overcome pains and make the monthly period easier. CARDUL is safe and wholesome for women of all ages. Try it!

SPORTSMANSHIP

The thing that distinguishes a genuine sportsman from a "bum sport" is that those who have the spirit of sportsmanship not only know how to win gracefully, but how to lose uncomplainingly. The difference between a genuine sportsman and the other kind is that your real sportsman never tries to shift the responsibility for his failure upon somebody else.

We have long believed that the sporting attitude toward life is the soundest of all philosophies of living. Try your best to win, but if you lose don't be too quick to blame somebody else for your failure. Nine times out of ten, people get whatever rewards their individual ability, character and industry entitle them to. But it is our observation, also, that about nine times out of ten the man who fails is ready to lay the blame upon the Government, or the capitalists, or the boss, or anybody else but himself.

True sportsmanship does not imply taking defeat lying down. The true sportsman never knows when he is licked. He never accepts defeat as final, but continues to strive to the end of the game. He observes the rules of the game rigidly. If he doesn't like them, he may try to have them changed, but so long as the rules are as they are, he follows them.

We hear a great deal of whining in these days of depression, but every little while we run across a real sportsman, who hasn't let circumstances lick him, but is starting out afresh to try to win the game of life. To every such man we take off our hat.—Republican, Stanley, Wis.

WHAT IS A NEWSPAPER?

"The newspaper has become the public market place. Newspaper advertising creates the trade upon which the foundation of the community is laid. This is a social service of the highest order, for it makes known the new and better things of life, creates new desires, inspires people to work harder that they may be fulfilled, thus leading to a standard of living that is not equalled outside of America.

"Into this development came the newspaper. Producers, manufacturers, retailers—everyone with anything to sell—turned to the newspapers as the medium through which to reach a larger market.

"Newspaper advertising has become the voice of business. Through the newspaper the seller can tell his story to the millions—when, where and as frequently as he wishes—at a minimum cost. No other medium of advertising has ever taken its place.

"This is not only a service to the manufacturer and retailer, but a service to the consumer—who learns through newspaper advertising when and where to buy and what to pay."

The demands made by a community upon its publisher are equal to or greater than those made upon men in public office. His aid is sought upon every conceivable project. He must spend at least half of his time outside of his own place of business, and must make everybody's business his business. No one ever asks a newspaper man if he has time—time is about the only commodity he is blessed with, and he is expected to use it liberally in the interests of his town.

He is supposed to contribute to every project, assist in every activity, promote every cause and work for every public interest—but if he asks for work, the cry is raised: "Oh, yes, sure the newspaper wants to make money!"

A newspaper is looked upon by many as a sort of a divine agency—that God will care for it as he does for the lilies and the sparrows. Well, being neither, we can't say—but our experience has been that God helps him who helps himself.—Standard, Fairfax, Minn.

YOU'LL PAY TODAY

You, the reader of this, will help pay for a fire today!

At first glance that seems an impossible exaggeration. The chance of your home or place of business going up in smoke at a specified time is negligible. But—and here's the rub—so long as fire loss continues, you'll pay every day of your life, if you never so much as burn a tablecloth.

The cost of fire goes into every budget. Insurance premiums are based on fire losses—therefore, every fire tends to increase, or to hold up, rates. A community's tax rate depends upon the number of properties and enterprises it has to tax—therefore, when a home or a business is destroyed, the taxes it would pay must be added to others. A percentage of fires throw men out of work and cause local industries to stop producing—and then we pay for fire in poorer business opportunities and commercial stagnation.

There are other ways in which you pay for fire, but these will serve. You might think them over next time you put off having electrical equipment inspected, or your furnace fixed, or delay until tomorrow cleaning that rubbish from the garage or basement. Fire prevention is an individual matter and can be achieved only by individual action.

Remember—you're going to pay for fire today!

NEWS FROM OVER WEST TEXAS

Two in Hospital From Gas Explosion.

From The Knox County Herald—
A gasoline stove in the Mattiff home in Goree exploded on Monday of last week and four members of the family were badly burned, two critically so. Mr. E. L. and Mrs. M. G. Mattiff, brothers, were seriously burned and are in the local hospital. Their mother, 87 years of age, was badly burned about the face and both hands. Her grand son, 18, was also badly burned, however he with his grandmother returned to Goree after receiving treatment here. The Mattiff home was completely destroyed by the fire, nothing being saved. The family's money hidden in the home, also burned.

Store at Red Springs Is Robbed.

From The Baylor County Banner—
C. E. Campbell of Red Springs suffered the loss of \$200 or \$300 worth of groceries Wednesday night of last week, when parties entered his store. The robbery occurred before the shower during the night, and the rain obliterated all trace of the robbers.

Other places have been reporting many instances of different kinds of thievery, and no doubt this territory will get its share. Having been free from this menace for so long, people of this country hate to have to stand over their goods to keep them from being taken.

Petty Thievery and Prowlers More Numerous.

From The Rotan Advance—
There have been a number of cases of petty thievery in Rotan recently, a few cases of hi-jacking, and reports of prowlers in the residence section that had a suspicious appearance. Stores have had some goods taken away during the rush periods of Saturday.

Those people who are inclined to do any of these things should remember that it is not a new racket and that they are being watched for.

And when one starts prowling around residences he is in danger of getting badly shot.

People should take every precaution to guard against thefts in and around the home, for with all the new people coming into the country there is sure to be a few who are in the habit of trying to get their living by dishonest means.

Starts Survey on Highway No. 16 in Foard County.

From The Foard County News—
Work on the location survey for Highway No. 16 in Foard county was started Wednesday morning by B. K. Garrett, who has been named Foard county resident engineer by the Texas Highway Department. He and a crew of men started the survey from Crowell toward Pease River.

Mr. Garrett was recently assistant resident engineer in Collingsworth County and has also had engineering experience in connection with highway programs in various other

counties. A location survey on Highway 16 is to begin immediately in Knox county and Mr. Garrett will also direct this work from his headquarters in Crowell.

These surveys are being made to determine the best route for paving of Highway 16 in Foard and Knox counties. The State has practically agreed to pave in these counties if the right-of-way is furnished.

Rochester Man Injured in Gin Accident.

From The Rochester Reporter—
Ernest Michael sustained a very severe hurt when he got his left arm caught in a gin stand at the Rochester Gin Company gin, where he was working, last Friday night. The arm was pulled in the stand to his elbow before the power could be cut off to rescue him from a greater injury and perhaps his life. He was carried to the sanitarium at Knox City and prompt attention given the wound. At last report he was doing as nicely as could be expected under the circumstances. But he will probably be in the sanitarium some time recovering from the wound. It is believed that the arm has been saved so that he will regain use of it.

Experience of Wolf Hunters.

From The Rule Review—
Some days ago J. E. Cloud, Arthur McCready and others were very active in hunting wolves. They had a fine chase one night, and only two of the dogs were really in the front line of battle when a very large wolf was overtaken at a hay stack on the Baldwin ranch. The two dogs tied into the wolf, but were unable to handle him. McCready went to the rescue, but in the scramble of McCready, dogs and the wolf, the wolf got away and the dogs were unable to corner him again that night. However, other hunts have been more successful, and a number of wolves have been caught lately.

Newcastle Man Held Up By Hi-Jacker.

From The Newcastle Register—
Newcastle's tranquility was shaken slightly last Saturday evening by the advent of hi-jackers in town, when Loyd Camp, deliveryman for McKnight's grocery, was relieved of 70 cents at the point of a gun by a hi-jacker in the south part of town. Loyd was delivering groceries when a fellow asked for a ride and pro-

duced a gun and proceeded to relieve him of his change. He says the muzzle of that gun looked like rain barrel.

Early in December CHEVROLET will present A NEW CAR

of such importance that no person interested in the purchase of a low-priced automobile can afford to disregard it

AMERICA naturally expects big things of Chevrolet—world's largest builder of automobiles for 4 of the past 6 years.* And again America's confidence is fully justified. The new Chevrolet, to appear early in December, advances standards in every phase of motoring. For Chevrolet has broken boldly with the past wherever change means improvement in style, comfort, smoothness, performance, safety, economy, and dependability.

Chevrolet engineers have packed it with advancement after advancement. Fisher body craftsmen have taken advantage of an even

longer wheelbase to contribute entirely new coachwork—including one of the most fundamental comfort improvements of all time. And Chevrolet's experience, together with the marked advantages that naturally accrue to the leader in sales, makes possible a price which takes account of today's incomes.

So keep an open mind on the question of an automobile purchase until you see Chevrolet's Great American Value for 1933. It will prove to you, beyond a doubt, that this is the time to buy a car, and this is the car to buy.

How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough thousands of physicians are now recommending Calotabs, the nauseous calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish—no danger.

Calotabs are sold in 10c and 25c packages at drug stores. (Adv.)

THE PUBLIC should be prudent in seeking relief from pain. Take nothing which does not have the approval of the medical profession.

BAYER ASPIRIN will never do you any harm, and almost always brings the desired relief. But remember that the high medical endorsement given Bayer Aspirin does not apply to all tablets for relief of pain.

THE DOCTOR is careful to specify Bayer Aspirin for these important reasons:

It has no injurious ingredients. No coarse particles to irritate throat or stomach. Nothing to upset the system. Not even any disagreeable taste. The Bayer process insures a pure, uniform product.

INSIST on the tablet you know to be safe. And the one that has speed. Bayer tablets dissolve so quickly, you get immediate relief from your headache, neuralgia, or other pain.

WEST TEXAS—"Raw Materials Capitol"—
Offers Immense Industrial Opportunities

It has been the history of West Texas that after every national depression this section... normal—and marches ahead to greater prosperity... fully than any other section of the country.

Present fundamental conditions are sound, and West Texas' wealth of natural resources—unsurpassed in any other part of the country—promise future progress of a magnitude that will dwarf that sensational development which a few short years ago riveted on this section the attention of the entire nation!

AND ALERT INDUSTRIES ARE TAKING ADVANTAGE OF THIS ASSURED DEVELOPMENT!

An adequate, flexible and inexpensive power supply is vital to industrial activity. Here in West Texas, the "Land of Opportunity", this industrial necessity is ably and amply supplied by the West Texas Utilities Company.

Industries recognize power as one of their prime problems. They recognize, too, that in West Texas this company has solved that problem by making their power investment for them—and is able to furnish energy at a lower cost than it could be produced in any other manner.

The West Texas Utilities Company, dependably serving 125 progressive West Texas cities, makes available more than 100,000 horsepower of electrical energy, distributed from three major generating stations and 22 auxiliary plants over a 2,500-mile transmission line network.

For detailed information on any subject concerning West Texas, write this company's Industrial Department, Abilene, Texas.

PRESBYTERIAN CHURCH
 Next Sunday evening we begin a systematic study of the Bible which will carry us through the entire Bible in thirty-three lessons. This will not be an exegetical nor expository study but a reading course. A simple outline will be used which will serve as a guide, and will help the reader to remember what a given book contains. It was prepared for the purpose of answering such questions as, "What is in Leviticus?" "What is Genesis about?" etc. Anyone who takes this reading course with us will feel more at home with the Bible and can at least find his way about through the Scriptures.
 The plan is simple: Everyone read carefully the assigned Scripture, aided by the outline and notes (which are in book form at thirty cents each), then come to the study period set for the pastor to teach that particular portion of Scripture as a whole. Then those who wish to receive a credit certificate, will answer the questions on the lesson, which are given in the book of outlines, and hand in at the following study period.
 Thousands have been benefited by this course during the past year, more are taking it this year—this is your opportunity. All who do not feel obliged to go somewhere else to church are cordially invited to enjoy this reading course with us on the first and third Sunday evenings of each month.
 This Reading Course will be introduced Sunday evening with a sermon on the Inspiration of the Scriptures.

placed in my hands for service, I, W. T. Sarrels, as Sheriff of Haskell County, Texas, did on the 19th day of October, 1932, levy on certain real estate situated in Haskell County, Texas, described as follows, to-wit:
 West 1-3 of Lots 3 and 4, in Block 12, fronting 46 2-3 feet on the South side of Hughes Street in the City of Haskell, in Haskell County, Texas.
 And levied upon as the property of Horace Pinkerton and wife, Pearl Pinkerton, A. C. Boggs, R. I. Johnson, H. C. Lee, Harry Lee, R. E. Lee, Jr., and Tennie Elizabeth Lee, a widow, and that on the First Tuesday in December, A. D. 1932, the same being the 6th day of said month, at the courthouse door of Haskell County, in the city of Haskell, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale, I will sell the above described Real Estate at Public Vendue for cash, to the highest bidder as the property of the said Horace Pinkerton and wife Pearl Pinkerton, A. C. Boggs, R. I. Johnson, H. C. Lee, Harry Lee, R. E. Lee, Jr., and Tennie Elizabeth Lee.
 And in compliance with law, I give this notice of publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Haskell Free Press, a newspaper published in Haskell county, Texas.
 Witness my hand this 19th day of October, 1932.
W. T. SARRELS,
 Sheriff of Haskell County, Texas.

Notice of Bankrupt's Petition for Discharge
 In the District Court of the United States for the Northern District of Texas.
 No. 1505 in Bankruptcy.
 In the matter of James Robert Mitchell, Bankrupt.
 Office of Referee. Abilene, Texas, Oct. 28th, 1932.
 Notice is hereby given that James Robert Mitchell of the County of Haskell and district aforesaid, did, on the 29th day of September, 1932, file in the Clerk's office of said Court, at Abilene, a petition setting up that he has been heretofore duly adjudged a bankrupt under the act of Congress approved July 1, 1898; that he has duly surrendered all his property and rights of property, and has fully complied with all the requirements of said acts and of the orders of the Court touching his bankruptcy, and praying for a full discharge from all debts provable against his estate in bankruptcy, save such debts as are excepted by law from such discharge.
 On considering the above mentioned petition, it is ordered that any creditor who has proved his claim, and other parties in interest, if they desire to oppose the discharge prayed for in said petition, shall, on or before the 2nd day of December, 1932, file with the Referee for the Abilene Division of said district, a notice in writing of their opposition to a discharge in the above entitled cause.

MELO-LAX
 Health gives you enthusiasm, pep and courage—puts the joy of living in your heart. You cannot be happy and successful if you are unhealthy—depressed, fretful, complaining or played-out. What is the matter with the average person in poor health? Self-poisoning, caused by years of over-eating, wrong diet or neglect, resulting in headaches, coated tongue, bad breath, colds, indigestion, gas, poor complexion, aches, sore joints, sleeplessness and "that tired feeling."
 Compounded from my secret formula and prescribed in my practice for the past 20 years with marvelous results, as proven by thousands of satisfied patients, MEL-O-LAX is the perfect remedy for self-poisoning.
 Try my MEL-O-LAX tablets—send check, money order or cash for the \$1 box or else send 25c (coin or postage stamp) for liberal trial size—and be convinced. After you have once used MEL-O-LAX tablets, I know you will never again be without them.
