VOLUME 84

NUMBER 38

## Signup Details Revealed In The Disaster Program

The President has announced the release of the remaining \$755 million appropriated under the Dire Emergency Supplemental Appropriations Act of 1992 for crop losses incurred in 1990, 1991 and 1992. A total of \$100 million is allocated for program crops planted in 1991 for harvest in 1992, and is considered Phase II. Another \$655 million is for disaster benefits for 1990, 1991 and 1992 crop losses, and is considered Phase III.

Signup for Phase II Disaster began in the County ASCS office Tuesday, September 8, and is to continue through October 2. This signup is for program crops planted in 1991 for harvest in 1992 (wheat, oats, barley, etc.) Signup for Phase III is scheduled to begin October 13 and end February 12, 1993. This is for producers with

losses on other 1992 crops, and for producers with losses from 1990 and 1991 crops who did not previously receive disaster payments for those losses.

The original program (Phase I) provided assistance for either 1990 or 1991.

Producers who elect to receive benefits under Phase II will be required to use crop year 1992 for applying under Phase III.

The current signup (Phase II) is for losses on 1991 fall-seeded crops ('92 wheat, barley, oats, etc.) only.

Producers who receive benefits on '92 crops must agree to obtain multi-peril crop insurance for the '93 crop in cases where the actual production for the crop is less than 35% of expected production. The closing date for multiple peril insurance sales in Briscoe County is September 30.

All producers with an interest in the crop must sign the "CCC-441 Income" form to certify gross income eligibility. In cases where there are different operators in '90, '91 and/or '92, each person must sign a written agreement indicating which year will be covered in

Phase II and Phase III.

### MEASUREMENT SERVICE

Producers who have requested measurement service are reminded that they must certify the acreage before harvest. If your measurement service has not been completed before you are ready to harvest, contact your ASCS office and every effort will be made to complete the service in time.

### HAYING, GRAZING ACR AND CU/PAY ACRES

Haying and grazing ACR and CU for Payment has not been approved for 1992. These acres may not be hayed or grazed from June 1 through October 31.

## Church Planning Garage Sale Here

Silverton United Methodist Church will be having a garage sale Saturday, September 26.

Anyone wishing to contribute items should contact Colleen Reed or the parsonage.

## Briscoe County Health Fair Set For Saturday

Learn how to become "A Healthier You", at the Briscoe County Health Fair which will be held Saturday, September 19, from 1:00 until 5:00 p.m. at the Showbarn in Silverton.

Fourteen agencies from the surrounding area will be represented at the event. Admission is free and services provided will be free of charge or offered at a reduced price. The event is sponsored by the Briscoe County Extension Home Economics Committee.

Plan on coming and learning how you can develop a more healthy lifestyle.

Educational programs sponsored by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

## Senior Citizens to Have Luncheon

Silverton Senior Citizens will have their monthly luncheon Friday, September 18, at the center.

Hostesses will be members of the Rock Creek Church of Christ.

## Voter Registration Deadline Coming Soon

October 4, 1992, is the last day for an eligible unregistered person to submit an application for registration as a voter, in time to be eligible to vote in the general election, says Briscoe County Tax Assessor-Collector Betty Stephens.

Voter registration forms are available in Mrs. Stephens' office in the Briscoe County Courthouse.

## Genealogy Group to Meet Here Monday

Caprock Genealogy Society will meet at 7:00 p.m. Monday, September 21, in the Pioneer Room of First State Bank in Silverton.

The program will be given by Mary Sue Potts, who will show slides of her trip to Scotland.

Everyone is invited to attend.

## Advice Given to Farmers Who Operate Trucks

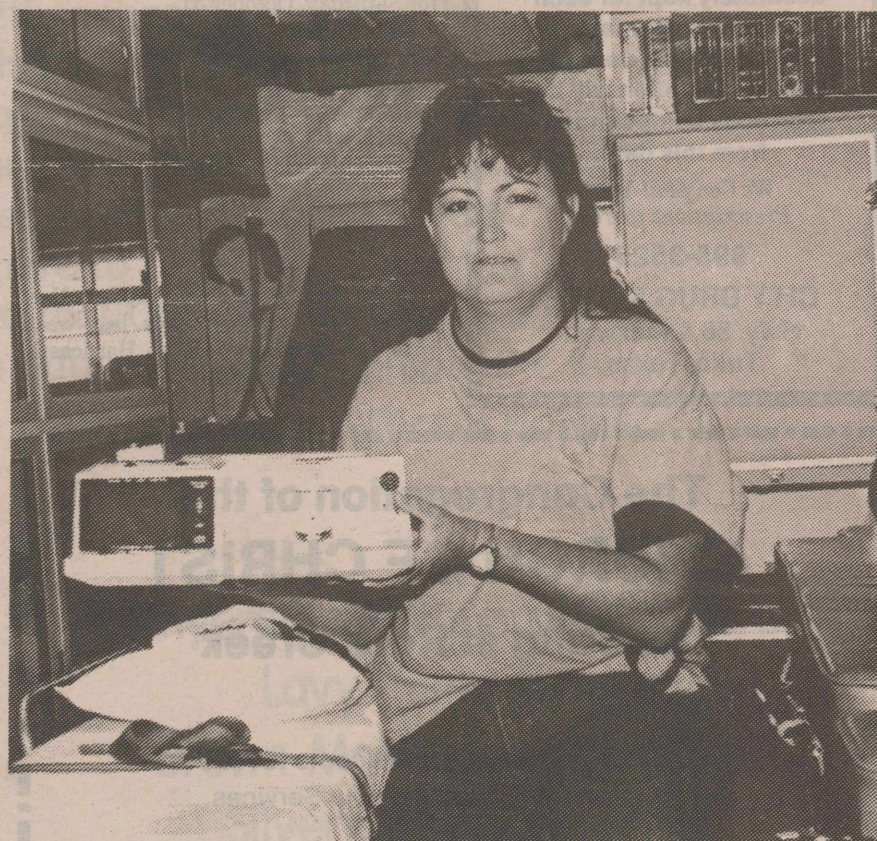

Harvest time is here again and time is precious. In order to save time and extra expense, Justice of the Peace Lynn Frizzell and Briscoe County Tax Assessor-Collector Betty Stephens offer the following advice regarding farm trucks.

Have all lights working on the vehicle. Register each farm truck so that it is current. If you need a temporary additional weight permit, please go by Mrs. Stephens' office in the Briscoe County Courthouse. This additional weight permit will be good for 30 days.

## PTA Update

An excellent program on AIDS was presented Monday night for 26 parents, teachers and concerned citizens. The program was scheduled to inform parents of the nature of discussion that will take place Monday, September 21, in the classrooms of the 6-12th grades.

Three students from Texas Tech Medical School in Amarillo came and

talked with the parents about their program. The response of those present was very favorable.

The membership drive continues and new members are signing up each day.

The \$2.50 dues for the 1992-93 school year are being taken at school by teachers, or may be mailed to Beverly Minyard. The class with the largest percent of parents and grandparents in PTA will be awarded a coupon for a free ice cream cone.

Don't forget Open House Tuesday, September 29, at 7:00 p.m. We will begin with a short business meeting in the cafeteria and then parents will be allowed to visit their children's rooms or whatever part of the school campus they wish. The new computers are scheduled to be installed by then, and will be discussed by Stan Fogerson and Frank Kirchoffner.

Please continue to send your Campbell Soup labels to school. There are jars in each room, K-5, to deposit the labels. The PTA just distributed balls to all the classes, K-5, at the beginning of the year. These were received from this project. This is a worthwhile endeavor, so please save those labels. There also is a jar at Nance's Food Store for anyone who would like to contribute to this effort.

## Homemakers to Sponsor Annual Carnival Oct. 31

Progressive Extension Homemakers have scheduled the Halloween Carnival for Saturday, October 31.

All clubs, organizations and individuals are urged to plan their booths now.

To put your booth on the list, contact Bena Hester at 823-2131. The booths will be entered on a first-come basis.

Rudy Casuas of Fort Sumner, New Mexico spent several days last week with Lee Stevenson, Jettie Hardcastle and Bertha Mae Allard.

## Golf Course Planning Group to Meet Tuesday

There will be a golf course planning meeting at 8:00 p.m. Tuesday, September 22, at the Quitaque Community Center.

Everyone interested is invited to attend.

## Booster Club Meets At School on Mondays

Silverton Booster Club meets at 8:00 p.m. on Mondays at the school during football season.

Everyone interested is invited to attend, and members are urged to be present.

## Tule Lake Golf Club News

In the September 1 Tule Lake Ladies Golf Playday, Gaye Young won the gross award and Sue Ward took the putting award.

The last Four-Person Nine-Hole Scramble was held September 2, and the winners were: Steve Crum, Buster Dorough, Bill Malcom and Boyd Vaughn with 32, won by playoff on card, second was Mary Davis, Pat George, Doug Bradford and Trent Morris, third place went to Lyndol Dyer, Doris Dudley, Peggy Strange, Billy Joe Young and Kendal Patton with 33 won by playoff on card. The other 33 was Craig Alexander, Shirley Durham, Harold Keeter and Ivan Crosby.

In the September 8 Tule Lake Ladies Golf Playday, Sue Ward was the winner.

In the High Plains Ladies Golf Association Playday held at the Canyon Country Club Golf Course on September 9, Sue Ward had low putts in the first flight with 29. Eva Bernal had low putts in the second flight, also

with 29. Mary Davis had low net in the third flight with 77 and Liz Griffin had low net in the fifth flight with 76. The Tulia ladies tied for the traveling trophy with Muleshoe.

## Club Holds First Meeting in the Ziegler Home

Progressive Extension Homemakers met Monday, September 15, in the home of JonEtta Ziegler for the first meeting of the new year.

Hostesses Bena Hester, Norma Garcia and JonEtta Ziegler provided a meal and presented the program on Healthy Living.

The club will meet only once a month, on the second Monday, this year. Anyone interested in joining is welcome and should contact Bena Hester at the Briscoe County Extension Office for details.

Business was discussed briefly and it was decided to have the Halloween Carnival on Saturday, October 31. The members also decided to have the Christmas Jubilee this year. It has been scheduled for November 21 at the Showbarn from 10:00 a.m. until 5:00 p.m.

Anyone interested in having a booth at the Jubilee should contact a member of Progressive Homemakers. There will be a \$5.00 booth charge to defray the showbarn rental fee.

Members present, in addition to the hostesses, were Anita Ramsey, Colleen Reed, Marsha Brunson, and new member, Leigh Ann Dutton.

If you need work done on your vehicle, just call 995-3565 during the day, or call 823-2039 (Joe) or 823-2498 (Dale) after 7:00 p.m.

They will pick up your vehicle in the morning, drive it to Tulia, make the repairs needed, and return it to you in the evening.

Remember, we're just a phone call away!

# Looking Back

through the files of the  
Briscoe County News

September 23, 1962—Eric Patton showed his versatility Friday night in the game at Matador. He was the leading tackler, recovered a fumbled punt, returned a kick and rushed for a first down on an end around near the end of the game . . . Mr. and Mrs. James Azey Johnson are the parents of a daughter, Angela Nicole . . . Stan Gamble, Casey Frizzell, Justin McFall and Lance Bradford, second graders, showed the flag that was purchased for the school lunchroom with

Campbell's/Swanson's labels they helped save . . . Allison Manning to marry Jack D. Robertson . . . Family of Mrs. Esther McLeland held a reunion in Amarillo recently . . .

September 14, 1972—The Owls will have two weeks to get ready for their next football game. The team came out on the short end of the 38-0 score here Friday night, but most of the fans were very proud of the way the team performed in spite of its lack of experience. When a district somebody goes up against a district nobody, you don't expect a close score, but the Class A Owls played the Class AA (recently Class AAA) Wildcats a 14-0 first half—and the Wildcats have a lot more reasons to be embarrassed for their performance than the Owls do . . . Mr. and Mrs. L. B. Garvin, sr. and Mr. and

Mrs. Ben O. (Irene) King were hosts for the Garvin reunion Sunday in the school cafeteria here . . .

September 6, 1962—Sabin Oral Vaccine to be given in Silverton and Quitaque . . . County tax rate will be lowest in forty years . . . Thirty-two boys are on this year's Owl football team . . . Brent Bean entertained on his third birthday . . . Mr. and Mrs. George Long, Nancy and Nicky recently spent several days in Albuquerque, New Mexico . . . Mrs. Perry Thomas, sr. was transferred to Swisher County Hospital in Tulia on Sunday, from Northwest Texas Hospital in Amarillo. She is reported to be responding well to treatment following recent surgery . . . Miss Luree Burson went to Borger on Monday of this week for a faculty meeting . . . The Claude Crossing Club

met last week with Mrs. Janie Garrison as hostess . . .

September 18, 1952—Richard Darrell Glover honored on sixth birthday with a party attended by Tony Allison, Wayne Nance, Stanley Fogerson, Dennis Ray Dickerson, Carol and June Elkins, Riley Harris, Larry and Janie West, Stevie Bingham, Johnny McGavock, Karen Donnell, Linda and Betty Craven, Mary Beth McWilliams . . . Mrs. Dean Allard, Mrs. Minnie Stevenson, Mrs. Jim Stevenson, Billy Don Stevenson and Joe Lynn Allard visited Mr. and Mrs. Wood Hardcastle at Skellytown recently . . . Miss Juanita Cox is bride of W. E. Autry, jr. . . Mr. and Mrs. Edward Edwards are the parents of a son, James Roy. Mr. and Mrs. Arlie Barnett are parents of a daughter, Linda Ann. Mr. and Mrs. Bill Self are parents of a son, Thomas Warren . . . Mr. and Mrs. Irvin Francis are parents of a son, Danny Mac. Mr. and Mrs. Clayton Wood are parents of a daughter, Jane Lee . . . Loney Stout and Miss Juanita McEwan marry in Clovis, New Mexico .

September 17, 1942—Jim Clemmer's brother killed in an auto accident last Tuesday night . . . Tires and tubes issued September 9, 1942 included: D. T. Northcutt, two tractor tires; Silverton School, two bus tires; Louis Kitchens, two pickup retreads; Quitaque School, two bus retreads; Wallace School, four bus retreads; Johnnie Lanham, two pickup retreads; N. C. McCain, one obsolete trailer tire; W. H. Jackson, one obsolete trailer tire; T. E. Cobb, two pickup tubes . . . Mrs. L. W. Francis, Mrs. J. Lee Francis and Mrs. Milton Frizzell attended a shower Thursday afternoon near Kress honoring Mrs. Hollie Francis . . . Misses Bates, Rampey, Darnell and Walker are staying with Mrs. Dick Cowart this winter. Miss Lenard is staying in the R. E. Douglas home and Mrs. Walling is with Mrs. Nash Blasingame . . . George Weast took his daughter, Lucille, to Austin today, where she will attend Texas University. Rex Douglas also will attend Texas University, and accompanied them to Austin . . . Mrs. Hugh Nance is working at the AAA office . . .

September 12, 1929—City tax values total \$713,000 . . . Lee Mosley sells first bale cotton at 20c to Whiteside & Company . . . Public speaking will be taught in Silverton by Mrs. Clyde Wright . . . Council and Marshal will cooperate in straightening out traffic violations in Silverton . . . Due to increased enrollment, much in excess of the expentancy, two new teachers are being added to the staff of the public school here . . . Claynell Fowler celebrates her fifth birthday with a party. Attending were Bruce Burleson, jr., Marjorie Crawford, Barbara Fowler, Willie Amel Smithee, Betty Simpson, Martinez Cowart, Patricia and Fay Tice Bomar, Carl Dean Bomar, Rex Douglas, Vada and Vida Graham . . . Floral Club meets in the home of Mrs. Miner Crawford . . .

November 26, 1925—Thelma Nix, daughter of G. A. Nix, local blacksmith, left Silverton a little more than a year ago to go to Globe, Arizona where she had employment in a restaurant. Until last Saturday Mr. Nix had not heard from his daughter. She was located in San Pedro, California living under the name "Thelma Jackson" . . . W. C. Montgomery, 42, was killed late Thursday when the car in which he was returning home left the highway at a small bridge near the cemetery and overturned . . . W. L. Jenkins began his second pastorate here Sunday at the Methodist Church . . . Jim Busby, big deputy sheriff, returned from a week's trip to McGargle, Graham and Wichita Falls. This was one trip that Jim didn't "get his man" for he wasn't on a "man hunt"

The varied and versatile savings plans, Certificates of Deposit, Money Market funds, IRAs and investment plans we offer are geared to growth, at any stage in life. Some are more aggressive. Some offer more security. Some offer flexibility. But all are aimed at working for you in the way that's best suited to your specific situation and needs.

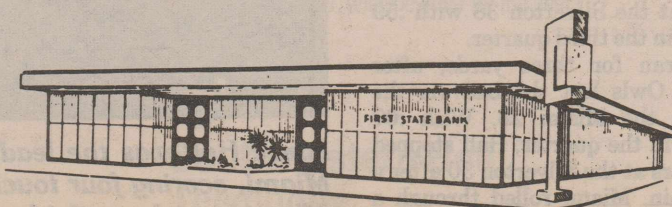

When you're looking for savings plans, they're all right here to help you prepare your financial future. And we're right here to help you select the ones right for you.

For information on our complete selection of savings plans and options, call or visit us any time.

**NO MATTER WHAT STAGE IN LIFE YOU'RE AT... WE'LL POINT YOU IN THE RIGHT DIRECTION.**

Where would you like to be 5 years from now? Or 10? Or 25? Are you planning for retirement? Just starting out in life? On a fixed income? Ready to begin school? Looking to buy a home? The answers lie in mapping out a clear cut route to savings. And that's where we can help.

Each depositor insured to \$100,000

# Owls Defeat Miami to Post Perfect 2-0 Record

Silverton's Owls defeated Miami on the road last Friday night and moved into a 2-0 season record.

Coach Clyde Parham said, "We worked hard this past week on a lot of fundamental things like blocking and tackling techniques that killed us" in the game with Lefors.

The coach added that Miami, which lost three of eight fumbles, "had three starters out, so they were playing with all freshmen and sophomores."

The Owls opened the game by kicking off to Miami and holding the return man at the 20. On the second play, Miami fumbled and Matt Francis recovered for the Owls, giving Silverton a first-and-goal situation on the Warrior six. Lance Holt scored on the next play, and the PAT attempt failed. With 8:51 still to be played in the first quarter, Silverton moved ahead 6-0.

On Miami's next play, they fumbled and Holt recovered on the 23. Runs by Michael Hill and Holt gained to the 12 where a face-mask violation moved the ball half the distance to the goal, placing it down on the Miami four. After an incomplete pass, Holt scored with 7:26 still on the first-quarter clock. An offside penalty against Miami was declined. The PAT was kicked by Hill, and the Owls moved into a 14-0 lead.

So far, Silverton was getting lots of practice kicking off, and the Warriors started their next offensive campaign at their own 23. On fourth down, needing 10 yards, Miami didn't get off the punt, attempted a pass, and the ball went over to the Owls on the Miami 29. Holt ran for a first down on the 14, and on the next play Francis scores. Hill kicked the PAT, and the Owls moved into a 22-0 lead with 5:30 still to be played in the first quarter.

Silverton's next kickoff was brought out to the Miami 27, and after running three plays, on which they netted a single yard due to defense by Holt and Zane Henderson, the Warriors punted. Frank Ramirez took the ball back to the Silverton 30, where Miami was whistled for a face-mask violation which moved the ball to the Miami 35.

Holt picked up several yards before Ramirez passed to Casey Frizzell for another Owl touchdown. The PAT was good, and with 2:35 remaining in the first period, the Owls held a 30-0 lead.

When Silverton kicked off, the Warrior returner went down to get the ball and his knees touched down, and the ball was downed at the Miami four.

On first down the Warriors were penalized half the distance to the goal, and on third down they fumbled the ball in the endzone and Zeb Holt recovered for a touchdown for the Owls. There was no PAT, and with 2:14 still to be played in the opening quarter, the Owls held a 36-0 lead.

Silverton kicked off once again and Miami carried it out to the 28. At this point the Warriors never had been in Silverton's end of the field. On fourth down, needing five yards, the Warriors passed complete and the Owls were penalized for a personal foul. The ball went over on downs and the penalty was assessed against the Owls, the penalty having been after the play.

Jeremiah Brooks rushed for a few yards, and the second quarter began with a carry by Wil Bomar. Quarterback Braden Towe was thrown for a big loss on third down, and on fourth down the Owls punted away. Miami brought the ball out to the Miami 23.

On first down the Warriors carried to

Frank Ramirez was pictured as he returned a kick for a touchdown in Friday night's game at Miami. Ramirez is quarterback for the team, and Friday night he shared the position with Braden Towe.

Briscoe County News Photo

the 36 where they were stopped by Henderson, and on the next down they made their first first down of the game on the Silverton 34, where they were stopped by Mike Hall. Another first down was gained on the Silverton 17 in spite of defense by Brooks and Hill. They charged on to the Owls 10, where the ball went over on downs. Towe completed a pass to Bomar on the Silverton 20, but the Owls were forced to punt.

Miami made a first down on the Silverton 30 and were stopped on the 10 by Hall. The Warriors scored from six yards out with :55 remaining in the first half. Their pass for PAT was incomplete, and the halftime score stood at 36-6.

Miami kicked off to open the second half, and Holt carried it out to the Miami 25. Hill picked up five yards and Holt scored on the next play. There was no PAT, and with 9:03 remaining in the third quarter, the Owls held a 42-6 lead.

Hill kicked off again for the Owls, and Hall stopped the return at the Miami 25. The Warriors were held to no gain by Stan Gamble after which they threw an incomplete pass. Ramirez took the fourth-down punt back to the Silverton 36. With 7:52 remaining in the third period, Brooks lost a couple of yards after which the Owls got a first down on a roughing-the-passer infraction. The Owls fumbled, Brooks recovered on the Miami 36, then carried from the Silverton 34 to the Miami 39.

Miami ran for a first down on their 17, stopped by Hall, and then got another first down with 3:16 remaining in the third quarter. Miami fumbled and recovered, and after an incomplete pass the ball went back to the Owls at the Silverton 38 with :59 remaining in the third quarter.

Brooks ran for three yards, after which the Owls lost the ball via the fumble on the Miami 28. With :07 remaining in the quarter, Hall stopped the Warriors at the Silverton 30 after a 20-yard gain. Miami rolled through a first down on the five, where they were stopped by Henderson, to score with

7:38 remaining in the game. There was no PAT, and the score stood at 42-12.

Miami kicked off to the Owls, and Holt carried to the Silverton 25. Holt picked up a first down on the Miami 35, then ran all the way for an Owl score with 6:24 still remaining to be played. There was no PAT, and the Owls led 48-12.

Miami ran three plays and punted, and Ramirez took the short punt all the way for another Owl touchdown. The PAT was kicked by Hill, and with 4:24 still to be played, the Owls held a 56-12 lead.

The teams exchanged possessions a couple of times before the game ended.

Holt put up four touchdowns and rushed for 123 yards in just 10 carries in the game. He's getting better and better every game, Coach Parham said of the junior player. "We're hoping by the time district rolls around he'll be in full swing."

The Owls will be traveling to McLean this week, and even though the Tigers stand 1-1 this season, their loss was to the always-tough Lazbuddie Longhorns. "McLean isn't as tough as they have been, but they still have one of the (Christian) Looney kids, so that's enough said," Coach Parham added. "He's an excellent, excellent player."

Phil Patino underwent surgery last week at St. Anthony's Hospital in Amarillo for placement of a metal plate on a bone in his arm that was broken and didn't heal properly.

Lance Smith expects to rejoin the Owls after four weeks. He is recuperating from surgery that he underwent recently on his wrist. He has had his stitches removed, but was advised to keep his arm in a sling a bit longer.

The Owls and Warriors each made 10 first downs in the game, and had an almost identical total offense: Silverton 192 yards, Miami 183 yards. Brooks rushed for 17 yards; Hill, nine; Lance Bradford, five; Bomar, two.

Frizzell received a pass for a 30-yard gain; Francis caught one for 12 yards; Holt caught one for four, and Bomar caught a pass for minus yardage.

Ramirez, Bomar and Towe accounted for the passes thrown, gaining 41 yards through the air.

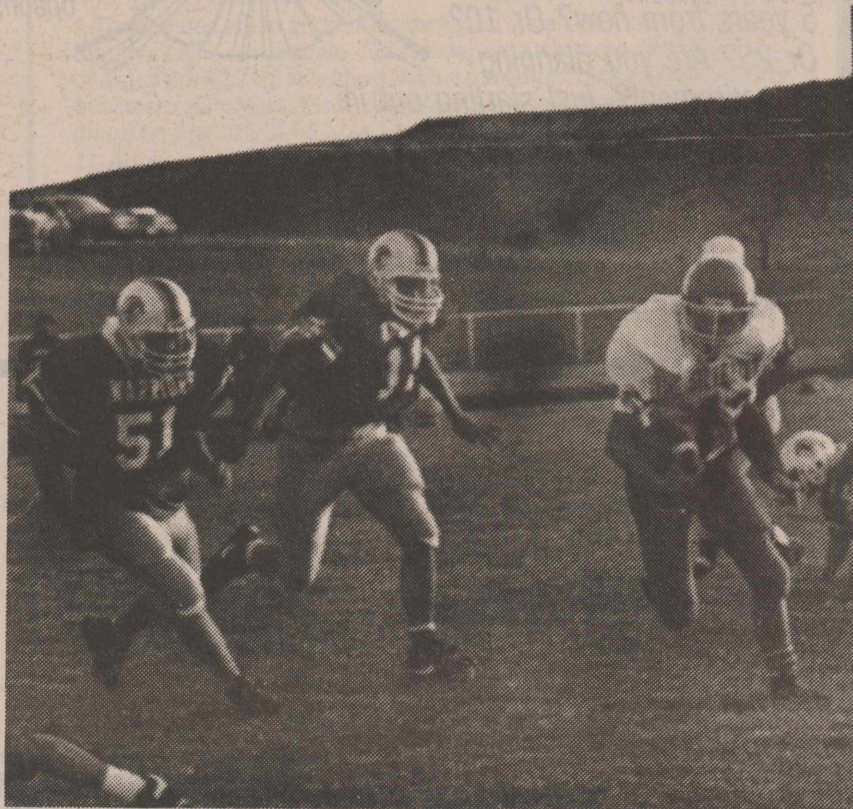

The game at McLean will be the toughest so far this season for the Owls. They need your support. Pep rally is at 3:00 p.m. at the gym. Kickoff is at 7:30 p.m. Be there!

## Hamburger Supper to Be Served at McLean

The McLean Senior Class will be serving a hamburger supper from 4:30 until 6:30 p.m. Friday in the McLean School Cafeteria.

The menu will include hamburgers, potato salad, cobbler, tea and coffee. Prices are \$4.00 for adults, \$3.00 for students, and children four and under will be admitted free.

The class invites Silverton football fans to plan to eat with them before going to the game.

Lance Holt was the leading rusher for the Owls Friday night at Miami, scoring four touchdowns enroute to the Silverton victory. Miami has a beautiful football field and track, nestled in the rolling plains.

Briscoe County News Photo

Amy Maciel presented Grandparents' Day certificates to her grandmother, Fay Perkins, and to her great-grandmother, Maggie Sweek, during the third grade party last week. The boys and girls made their own refreshments for the party, and did a very nice job of serving their guests. The Grandparents' Day is an annual event of Mrs. Nance's third grade, which is the second largest class in school.

Briscoe County News Photo

## School Library to Have Annual Book Fair Soon

Silverton School Library will sponsor a Scholastic Book Fair from September 21-23, from 8:00 a.m. until 3:20 p.m. daily, presenting a wide variety of books for students at all reading levels.

According to the Barbara Bush Foundation for Family Literacy, when parents and teachers work together to introduce children to the world of books, the results can be dramatic. Children who read more become more successful readers, and, in turn, successful readers read more books. This happy cycle is encouraged when parents, teachers and friends come together to share and explore new publications at events such as Scholastic Book Fair.

The Scholastic Book Fair will display hundreds of titles, including award-winning favorites, classics, how-to books, biographies, mysteries, adventures and the latest works of popular authors. All are offered at reasonable prices, so that students can choose books that appeal to their personal interests and parents can add

to home libraries or purchase gifts for their young readers.

Proceeds from the fair will benefit the library, but the real profit lies in introducing children to the "magic" of the books and in encouraging them to be life-long readers.

Classroom visits will be scheduled with teachers, and a note will be sent home with younger children. Please note their time to visit the fair, and come at that time if you can. Your participation is appreciated very much.

## Junior High Owls Open Season At Home Today

Silverton's Junior High Owls will open their football season at 5:00 p.m. today when they host the McLean Tiger Cubs at Payne Field.

The Owls have an open date the next week and their next outing will be when they host Lazbuddie on October 1.

These boys need your support. Be there!

Members of the team include Anthony Gamble, Brandon Covington, Billy Edwards, Arnold Garza and Jonathan Ivory, eighth graders; Trey Wyatt, Trey Ziegler, Miles Comer, Leland Wood, Jared Francis, Christopher Justice, Andy Bullock, Will Hester and Michael Reagan, seventh graders.

## Silverton School Lunchroom Menu

Thursday, September 17—Fried chicken, gravy, green beans, mashed potatoes, hot rolls, syrup, butter, milk

Friday, September 18—Hamburger with cheese, French fries, salad, cookie, milk

Monday, September 21—Corn dog, vegetarian beans, chocolate peanut butter cup, milk

Tuesday, September 22—Meat and cheese pizza, salad, crackers, fruit, milk

Wednesday, September 23—Burritos, salad, pinto beans, cornbread, brownie, milk

## Ten Reasons to Read to Children

1. Because when you hold children and give them this attention, they know you love them.
2. Because reading to children will encourage them to become readers.
3. Because children's books today are so good that they are fun—even for adults.
4. Because books are one way of passing on your moral values to children. Readers know how to put themselves in other's shoes.
6. Because until they learn to read for themselves, they will think you are magic.
7. Because every teacher and librarian they encounter will thank you.
8. Because it's nostalgic.
9. Because for that short space of time, they will stay clean and quiet.
10. Because, if you do, they may then let you read in peace.

# Mr. and Mrs. Griffin Celebrate Golden Wedding Anniversary

Mr. and Mrs. L. D. Griffin celebrated their fiftieth wedding anniversary September 6 with the reaffirmation of their wedding vows at the First United Methodist Church in Silverton. Rev. Lee Roark of Lorenzo performed the ceremony.

Mr. and Mrs. Mikel D. Griffin were honor attendants. Candlelighters were Taylor and Lori Griffin. Musical selections were presented by Mrs. J. T. Nuckles of Canyon and Ty McMurtry of Amarillo. The ceremony was attended by members of the couple's family.

Following the ceremony, a reception hosted by Mr. and Mrs. Mikel D. Griffin, Taylor, Lori and Cord was held in the Pioneer Room at First State Bank. Guests were registered by Taylor Griffin and thank-you scrolls were presented by Lori Griffin.

Roy Ann Bomar, Katy Bomar, Sandy McMurtry, Mary McMurtry and Lynelle McMurtry presided at the reception tables.

Guests from out of town included Mr. and Mrs. Farris Martin, Roscoe; Mr. and Mrs. Melvin McGaugh, Ralls; Mrs. Durene McPherson, Happy; Mr. and Mrs. David Joslin, Mr. and Mrs. John Nester, Fort Worth; Mr. and Mrs. Larry McWilliams, Midland; Mrs. Agnes Allard, Mrs. Billy Vars, Mrs. Imogene Harris, Mrs. Warner Ward, Mr. and Mrs. Paul Miller, Mr. and Mrs. Howard Wright, Mr. and Mrs. Delbert Devin, Rev. and Mrs. Andy Blair, Mr. and Mrs. John Earl Simpson, Mrs. Winona Jones, Mr. and Mrs. Earl Bell Cosby, Tulia; Mr. and Mrs. Harold Edwards, Wayside;

Also, Mr. and Mrs. Owen Thornton, Mr. and Mrs. Ray Sissney, Mrs. Gale McPherson, Lockney; Elizabeth Shoen, Tucson, Arizona; Mr. and Mrs. Leonard Matsler, Mrs. Frank Potts, Mrs. Mollie Burleson, Mr. and Mrs. Nick Long and Mollie, Floydada; Mrs. Teen Burleson, Quitaque; Mr. and Mrs. Kenny Barton, Mr. and Mrs. Bundy Hal Campbell,

Mr. and Mrs. L. D. Griffin

Matador; Roy Ann Bomar, Austin; Mr. and Mrs. Wayne McMurtry, Houston; Mr. and Mrs. J. R. Harding, Byers; Mr. and Mrs. Burl Belew, Fluvana;

Also, Mr. and Mrs. Kelly McMurtry, Mr. and Mrs. Ty McMurtry, Mrs. Vivian Campbell, Mr. and Mrs. George Green, Mr. and Mrs. Blanton Garrison, Mr. and Mrs. Steve Cross, Beau and Kate, Mrs. Arlie Barnett, Jessica Gibson, Jessica Wood, Amarillo; Mrs. J. T. Nuckles and Ryan, Canyon; Mr.

and Mrs. Bob Heath, Mr. and Mrs. Harold Storie, Mr. and Mrs. Mickey Bowes, Mr. and Mrs. Hoyse McMurtry, Judge and Mrs. Sam Cummings, Mr. and Mrs. James Griffin, Kathy Brown, Lubbock;

Also, Rev. Lee Roark, Lorenzo; Mrs. Lou Wooten, Mrs. Marcalete Dana, Albuquerque, New Mexico; Mrs. Cecil Joslin, Mr. and Mrs. Paul Toliver, Mr. and Mrs. Conrad Henderson, Mr. and Mrs. Gene Riddlehuber, Mr. and Mrs. Merle McMurtry, Mrs. Louise Cross, Plainview; Bob Martin, White Deer; Mrs. Bainie Gardner, Mr. and Mrs. Clyde Curlee, Levelland.

## Miss Lavy is Shower Honoree

The Pioneer Room of the First State Bank was the setting for a bridal shower honoring Lisa Lavy, bride-elect of Joe Covington, Saturday, September 12, 1992.

Guests were greeted by Donna Estes, who secured their names for the honoree's memory book and presented them to the honoree, her mother, Pat Lavy, and to the mother of the prospective bridegroom, Tanya Covington of Lockney.

Angie Smith served punch, coffee, cookies and a vegetable platter from a table draped with a white cloth graced by an ivy and silk flower arrangement in the honoree's colors of navy, mauve and white, a gift to the couple from the hostesses. A basket of ivy and silk flowers also greeted guests when they arrived.

A Regina Housekeeper Vacuum Cleaner was presented to the couple by the hostesses, Donna Estes, Angie Smith, Amy Otis, Becky Francis, Mary Tiffin, Mary Davis, Mary Jane Patton, Della Boling, Tammi Stafford, Carolyn Lowrey, Elaine Forbes, Pat Rice, Betty Nan Tiffin, Patsy Davis, Tina Davis, Jo Ann McFall, Sandy Perkins, Sherri Mattheus, Becky Dunn and Jena McFall.

Mae Booth, grandmother of the honoree, was a special guest and a friend, Barbara Cawley, attended from Lockney.

### Happy Birthday to . . .

September 17—Bud Vaughan, Bill Brooks, Jared Wood Holt, Judy Gill, Melinda Sutton, Polly Jarrett

September 18—Ruby Hester, L. B. Ivory, Jimmy Ellis, Wil Bomar

September 19—David Reagan, Walter Hill, Erlene Barbour, Rev. R. C. Guest, Walter Hill, Bailey Loyd, Kenzie Burson, Lynda Fogerson

September 20—Doc Simpson, Connie Smith, Guy Breedlove, Jimmy Don Stevenson

September 21—Rodger Kennedy, Danna Coleman, Eric Patton, Donald Fleming

September 22—Shavonne George, Wayne Nance, Dianne Bridges, Becky Dunn, Mark Auston

September 23—Emmie Garcia, Russell Simpson, Grover Thomas, Bryn Mayfield, Krislyn Perkins

### Happy Anniversary to . . .

September 21—Mr. and Mrs. Clifford Oldham

September 22—Mr. and Mrs. Jerry Bean

September 23—Mr. and Mrs. Bill Durham, Mr. and Mrs. Maynard Greeson

Diamond Williams, Tina Nance, Josie Anderson, Zelma Mayfield, Mary Jane Patton, Wilma Gill, Pat McJimsey, Jewell Lyon and Peggy Fleming, and their gift to the newly-married couple was a place setting and platter of Blue Pin Stripe, the pattern chosen for their new home.

## Mrs. Smith is Shower Honoree

Mrs. Martin Kenneth Smith, the former Susan Annette Minyard, was guest of honor at a shower in the Pioneer Room at First State Bank in Silverton on Sunday afternoon, September 13, from three until four o'clock.

Guests were greeted by Tina Nance, who directed them to the guest registry which was decorated with a half grapevine arch accented with peach and teal flowers and a feather pen.

Guests were received by Annette and Marty Smith and by the bride's mother, Mary Dee Minyard.

Marilyn Thrasher of Canadian, sister of the bride, was a special guest. H. R. and Thelma Fulton of Canyon, cousins of the bride, also were guests from out of town.

The refreshment table was draped with a peach cloth and a spiral grapevine centerpiece was accented with peach and teal flowers to carry out the bride's chosen colors. Crystal appointments were used to serve punch, an assortment of cookies, coffee and a fresh fruit plate.

Hostesses were Jessie Bomar, Lottie Garrison, Virginia Hardin, LaVern Kingery, Roy Reed, Rena Schott,

## Ingredients to Being An Effective Family

What is your family like? Is it effective in meeting the needs of its members? The first five listed are from a recent column, which had a brief explanation.

1. They have a chief.
2. They have a switchboard operator.
3. They are much to all their members but everything to none.
4. They are hospitable.
5. Trouble is dealt with quickly and openly.
6. They prize their rituals—they observe holidays together, family celebrations and traditions, grieve together and in other ways have a sense of connectedness.
7. They are affectionate—they hug, kiss, and are genuine when expressing feelings. They frequently demonstrate love and caring.
8. They have a sense of place—there is some house or town that is special to them. It is a sense of "this is where I'm from".
9. They connect with posterity—there's a feeling that something came before them and there will be something left after they're gone. They feel linked to something.
10. They honor their elders—grandparents and other elderly

relatives are respected and cared for. Their experience, wisdom and personalities are valued.

If you look at your family and think it's not meeting everyone's needs in an effective way, don't place blame. See

what can be done to change things so more family members' needs can be met. Remember, there will always be someone who doesn't feel their needs are being or were not met. There are no "Super Families" that produce super

men and super women that can be all things to all people. Sorry.

## Heart Smart

Are you Heart Smart? Were you aware that September is National Cholesterol Education month? If you are confused about mixed messages you hear about cholesterol and fat in the diet, we have the answer for you.

A mailout series which is designed to help you understand the relationship of nutrition, weight maintenance and regular exercise to heart disease, is available for you. It should also help you learn ways to use this knowledge to reduce the risk factors of high blood cholesterol and triglyceride levels. Hopefully, the more you know about coronary heart disease and the methods to control it, the better your health will become.

The series is available free of charge and will be mailed to you weekly for six consecutive weeks. Call me soon to sign up so that you won't miss this opportunity to become Heart Smart.

## Support Group to Meet Here Today

The Silverton chapter of Alzheimer's and Related Illnesses support group will be meeting at 7:00 p.m. tonight (Thursday, September 17) at the Church of Christ in Silverton.

A video tape, "Living a Nightmare," will be shown.

Please come and help support the group as they go through a sad time in their lives and seek to support one another.

# THE WARMTH OF THE EARTH

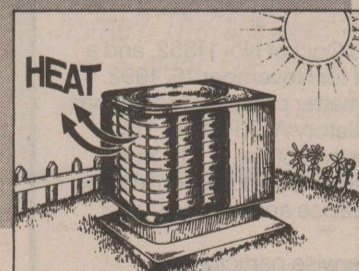

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.

**Dual Fuel Heat Pump**

# Task Force to Promote Tourism in the Area

A task force to promote tourism and recreation is being started in the Panhandle. In a meeting held at Canadian last Wednesday, the directors of the North Rolling Plains Resource Conservation and Development (RC&D) Council voted to organize the task force.

The main thrust of the task force will be to develop a plan to "market" recreation and tourism in the area. Organizing a "Marketing Council" will

be one of the main goals of the task force. The Marketing Council will promote recreation and tourism in an effort to bring dollars back into rural communities of the Panhandle.

"Rural communities are hurting economically. Tourism is one way we can help those struggling communities," says John Crowell, coordinator for the RC&D Council.

"This task force will help communities to develop, organize, and

coordinate events. By working together we can attract more tourists and keep them in the area longer."

According to Crowell, "Interstate 40 and Highway 287 bring millions of people through the Panhandle each year. Many are looking for something to see and do. They need to know that the Texas Panhandle is more than just a stretch of highway connecting the lakes of Oklahoma with the mountains of New Mexico.

"We have a unique history and culture that still lives and must not be forgotten. The trail of the Red River Wars is just one example of our history that needs to be preserved for our children and developed for tourism. This task force will look at potential historical, recreation and tourist developments as well as promote the ones we already have."

In other business the North Rolling Plains RC&D Council voted to provide help for several community projects around the area. These include constructing a "Creative Learning Playground" at Memphis, starting a new fire department at Hoover, upgrading the Wheeler TV Translator System, building an open air pavillion at Canadian, finding a permanent home for Silverton's Caprock Jamboree, and sponsoring a fund raising/grant writing seminar.

The RC&D Council will help find possible sources of funding and prepare grant proposals. Some projects may be partially funded with RC&D funds from the Department of Agriculture Soil Conservation Service. The RC&D office also will help in organizing, planning and promoting local projects where needed.

Judge Jimmy Burson serves as secretary on the North Rolling Plains RC&D board of directors and represents Briscoe County.

For more information, contact the North Rolling Plains RC&D office in Pampa at (806) 669-0312.

## Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
<b>Two Features per line</b>				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
<b>Three Features per line</b>				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
<b>Four Features per line</b>				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Southwestern Bell Telephone

## MONEY TALK

**Q. Why doesn't my bank give me credit on the same day if I make a deposit after 2:00 p.m.?**

**A.** During the course of a normal business day hundreds or even thousands of deposits might be made at your bank. The processing of these deposits, whether they are in the form of cash or checks, entails extensive bookkeeping procedures. Each deposit must be posted and then, in the case of checks drawn on other banks, forwarded to the federal reserve where they are cleared. All of this paperwork must be completed by the end of the day.

If deposits were accepted and credited up until the time the bank actually closed its doors, bank tellers and other bank staff members would have to work all night completing the required paperwork. The 2:00 p.m. deadline allows the bank to begin closing out its books for that day.

If you have a question, write Money Talk, Texas State Treasury, Communications Division, P. O. Box 12608, Austin, Texas 78711.

High Plains cotton producers received some good news during a brief stop by President George Bush at the Shallowater Co-op Gin in Shallowater.

Officials at Lubbock-based Plains Cotton Growers welcomed the President's visit and announcement of the release of \$755 million in disaster relief funds as good news for the area's cotton producers.

"We are very pleased that the President has decided to release the remaining disaster funds," says PCG Executive Vice President Donald Johnson. "This will definitely help producers get back on their feet and try again in 1993."

Johnson noted that the President's visit also indicates that PCG efforts to get word out about the extent of damage to the area's crop was effective. He explained that PCG has been working hard to encourage the release of these funds, through correspondence directly to the President and working closely with area Congressmen and industry leaders, since July.

PCG stepped up its efforts to gain the release of the remaining disaster funds shortly after the heavy rains that devastated over half the area's cotton acres.

Bush's visit, the first by a serving President since Gerald Ford came to the area in the mid-1970's, drew a substantial crowd, estimated at near 7,500, to the Shallowater Co-op Gin.

Bush released the funds citing the substantial losses to the High Plains' cotton crop, as well as losses in wheat and other crops across the nation.

Cotton producers who want to sign up for disaster assistance can do so during sign-up for Phase 3 of the program. Phase 2 sign-ups will only be open to fall-seeded crops of wheat, oats and barley for harvest in 1992.

Initial information received from the Agricultural Stabilization and Conservation Service (ASCS) about Phase 3 of the Disaster program indicates that both program and non-program crops will be eligible for assistance.

Phase 3's sign-up period will begin October 13, 1992 and run through February 12, 1993 according to Lester Byrd, Chief of the Texas ASCS Production Adjustment Division in College Station. Phase 3 also will allow producers to select the year they wish to receive disaster benefits, either 1990, 1991 or 1992.

Byrd explained that sign-up for Phase 2 of the Disaster program will be September 8 through October 2. He added that a producer signing up for Phase 2 to cover 1992 wheat losses will be required to stay with 1992 under Phase 3 for other crops he may have losses on.

Producers who have received disaster payments for 1990 or 1991 losses will be able to select one of the remaining two years to file on under Phase 3.

The start of the control phase of the 1992 High Plains Boll Weevil Diapause Control Program is just around the corner according to Lubbock-based Plains Cotton Growers (PCG).

The control phase of the program began Wednesday, September 2, with the awarding of the aerial spraying contract to McAdoo Flying Service of McAdoo. McAdoo was the successful bidder for the program with a bid of \$5.39 per gallon of chemical applied according to program guidelines. The

bid translates into an equivalent application cost of 51-cents per acre.

McAdoo Flying Service has been awarded the contract for the program several times in the past and will be operating their Turbine Air Tractor aircraft on this year's program. McAdoo also will subcontract three additional turbine aircraft from South Plains operators for use on the program.

"We are pleased to have the contract go to McAdoo Flying Service this year," says Roger Haldenby, PCG's Boll Weevil Program Coordinator. "We have worked with Bill Tidwell in prior years and are happy to have him on board again this year."

In addition to the awarding of the bid Haldenby also announced that the Boll Weevil Program would be operating and evaluating a new guidance system during this year's program. The system is being provided by Arizona-based Satloc, Inc. Satloc will provide the program with what is described as a very precise parallel tracking system that makes use of a satellite drive Global Positioning System (GPS).

The addition of the electronic guidance technology was first introduced to the program on an evaluation basis during the 1991 program, explains Haldenby. This year we are taking the next step in this process with the use of the Satloc system.

In addition to aiding the pilot in aligning spray passes to maximize coverage the Satloc system takes advantage of the latest computer technology to actually provide a record of the aircraft's flight path, altitude and spray operation. This should greatly enhance the ability of the program to keep track of the amount of chemical applied as well as where and how it is applied for evaluation at a later date.

Haldenby also announced that the first scheduled application of the year will begin September 16 and is expected to cover approximately 50,000 acres. He adds that the second application is scheduled to begin on September 28 and include 120,000 acres at that time.

Haldenby reports that following the past two mild winters weevil pressure is heavy this year. He notes that weevils have been found in portions of Lynn County a good distance from the edge of the Caprock. Any producer finding boll weevils in fields during this growing season is encouraged to apply in-season treatments to control them. He is confident, however, that the control program will continue to prevent the weevil from becoming established above the Caprock.

The latest USDA estimate of crop production for the Districts 1-N and 1-S of the Texas High Plains dropped slightly over the last month.

The new September estimate has the High Plains producing 1.24 million bales from 1.39 million harvested acres. This translates into an estimated average yield of 428 pounds per acre.

**Public Notice**

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press \*67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

\* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

\*\* Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

# GOD'S LOVE HAS PAINTED THE BRILLIANT COLORS OF AUTUMN

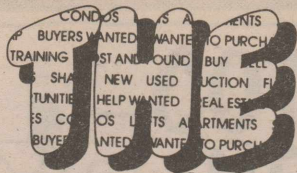

The heat of summer's on the wane  
And cooler breezes fill the air.  
Though sunny days will still remain,  
We soon will see the branches bare.  
But first, the beauty to behold,  
Of this, the climax of the year;  
With leaves that turn to red and gold  
Before they fade and disappear.  
For whether maple, elm or oak,  
Or other kinds, they turn to brown;  
And soon, the pungent smell of smoke  
Will prove they all came drifting down.  
The lessons of our chosen creed  
Are there to help us understand  
The love that God displays, indeed,  
When autumn's beauty paints the land.
