All Around
The Town

BY MARY ANN SARCHET

Judge Jimmy Burson called the other morning to tell us that several times lately he has had calls from people looking for hunting leases in this area.

All the land he knows about is leased.

If you have some acreage you will lease for hunting, call the Judge's office or the Extension Service and give them the particulars. They'll try to put you in touch with someone wanting to lease hunting rights.

An Unemployed American

taken from a VFW paper

This person starts out his day early, having set his alarm clock (made in Japan) for 5:00 a.m. while his coffee pot (made in Japan) is perking. He shaves his face with an electric razor (made in Taiwan), then dries his hair with an electric hair dryer (made in Taiwan). He puts on a dress shirt (made in Taiwan) and a pair of tennis shoes (made in Korea). After cooking some breakfast in an electric skillet (made in Japan) he sits down with his calculator (made in Mexico) to figure out how much he can spend this day. He checks his watch (made in Hong Kong) with his radio (made in Japan) and goes to his car (made in Japan) and goes to look for a good paying American Job. At the close of a frustrating and disappointing day this person decides to go home and relax. He puts on a pair of sandals (made in Hong Kong), pours himself a glass of wine (made in France) and turns on his TV (made in Japan) and tries to figure out why he can't find a good paying American Job.

Organizational Meeting Held for Local Chamber

A group of 25 individuals interested in organizing a Silverton Chamber of Commerce met in the Pioneer Room at First State Bank on October 6.

There are many advantages to having a local Chamber of Commerce. One of them is the promotion of the area to the rest of the state.

Additional information will be provided at the next meeting which will be held on Tuesday, November 10, at 7:30 p.m. in the Pioneer Room. All individuals and businesses are encouraged to take part in the meeting.

Early Voting Begins in Texas

Voters will have more opportunities than ever before to exercise their voting privilege this year. New voting rules throughout Texas will permit much more flexibility.

October 14 through October 30 is the period established for early voting, previously called "absentee voting."

Briscoe County and District Clerk Bess McWilliams says that early voting will be conducted in her office in the courthouse between the hours of 8:00 a.m. and 5:00 p.m. each day of the designated period.

You no longer have to give a reason for voting early.

Voting is a privilege—use it or lose it!

Commodities To Be Given October 22

Commodities will be given to those who are entitled to receive them beginning at 9:00 a.m. on Thursday, October 22, at the Briscoe County Showbarn in Silverton.

Be sure to take a box or sack to use to carry home your commodities.

A \$20,000 gift has been presented to the Silverton Volunteer Ambulance Service by the Martha Ann Cogdell Hospital Trust. The ambulance service and clinic association in Silverton have been recipients of a number of gifts from the trust in years past.

The trust was created by the Cogdell family in 1953 to honor the memory of Martha Ann Cogdell who died at the age of thirteen. It was created for the purpose of making donations to religious, charitable and educational institutions in the state of Texas. For more than twenty years the donations have been made in the immediate area.

Funds were received by the Quitaque

Volunteer Ambulance Service and other medical facilities in the area.

Funds were provided for the construction of the Cogdell Clinic in Floydada, the Cogdell Clinic in Lockney and the Briscoe County Clinic in Silverton, the purchase of ambulances for Quitaque, for the Caprock Hospital ambulance fund to supplement the money given by other donors to purchase a new ambulance, and donations to these ambulance funds to be used to assist in the purchase of equipment for and making repairs to the ambulances.

Silverton Volunteer Ambulance Service recently has purchased a new \$11,000 heart monitor for its number one unit. Purchases of this type would not be possible without the Cogdell memorial donations.

Members of the ambulance service and residents of the whole county are deeply indebted to the Cogdell family's generosity.

Extra Caution Needed Due to Dryness of Area

Due to the dry conditions, Fire Chief Dwight Ramsey has asked Silverton-area residents to be extra careful when burning trash.

If you have tall grass around your barrel, wet an area outside the barrel and burn it off. The firemen have answered a number of calls the last two weeks, mostly to grass fires.

The fire department needs old straw brooms to use in fighting grass fires. If you have an old straw broom, please take them to the City Hall.

Buyers Club to Meet Monday

There will be a meeting of the Silverton Buyer's Club on Monday, October 19, at 7:30 p.m. in the county courtroom.

A new president will be elected and everyone needs to come with their fundraising ideas. Try to attend to support the local county livestock show.

Boys and girls in kindergarten and first grade enjoyed having firemen come to visit them with their fire truck last week. A program on fire safety was given by Doug Bradford, and Charles Sarchet assisted in showing the children how the truck operates. This is a program that is looked forward to by the younger children each year.

Owls on Track For Showdown at Cotton Center

Silverton's Owls passed their first district test last Friday with a 44-31 win over the Whitharral Panthers, and now they must study for their next exam Friday at Cotton Center in a game that could very well decide a playoff spot.

"They've got a lot of talent and a lot of seniors coming back," Coach Clyde Parham said of the Elks (4-2), who are off to their best start in 10 years following last week's 58-14 victory over Three Way. "Coach Bryant has done a good job with them. I just hope we catch them on an off night."

Coach Parham said with unbeaten Lazbuddie "almost a shoo-in" for one of the district's two playoff spots, the Silverton-Cotton Center match-up could very well be for that remaining post-season ticket.

"It's going to be a big game," he said.

The Owls kicked off to Whitharral to open last Friday night's game at Payne Field. The short kick was taken at the Panther 28, and on first down Whitharral fumbled and the Owls recovered on the 32. Runs by Lance Holt picked up a first down on the 18 and Holt moved the ball to the 13, after which a fourth-down play saw Frank Ramirez go into the endzone for a score with 7:18 remaining to be played in the first quarter. Michael Hill kicked the PAT, and the Owls held an 8-0 lead.

Silverton's ensuing kickoff was taken by Whitharral out to the Silverton 38, with defense by Holt, and after making six yards on first down the Panthers were held to virtually no gain by team tackling led by Casey Frizzell and Matt Francis. On fourth down, needing four yards, Whitharral threw an incomplete pass and the ball went over to the Owls at the Silverton 28.

This time, the Panthers held the Owls to no gain, but the Owls were able to kill Hill's punt on the Whitharral one after a Panther player had stood and watched the ball roll toward the endzone, hoping for a touchback.

This time, the Panthers passed for a first down on their 28, with good defense by Wil Bomar. Stan Gamble, back in the lineup after having been on the sideline the previous week, stopped the next two plays, allowing the Panthers about a two-yard gain. Holt stopped the next play, and on fourth down, needing six, the Panthers punted to the Silverton four. Deep in their own territory, the Panthers rushed in on Frizzell and tackled him in the endzone for a safety, giving Whitharral two points. The Owls free kicked and Whitharral brought the ball out to the Silverton 36. As the first quarter ended, the Panthers came up inches short of a first down, due to defense by Frizzell, and the ball went back to the Owls on the 21. Holt ran on first down and the Panthers received a 15-yard penalty, giving Silverton a first down at midfield. Holt picked up eight yards, after which two incomplete passes caused the ball to go back to the Panthers on the Whitharral 33. This time they made a first down at midfield, in spite of defense by Frizzell and Gamble, both of whom had a good game, and scored with 3:09 still to be played in the first half. They carried the PAT into the endzone, and held a 9-8 lead.

Lance Bradford took the onside kick at the Silverton 35, and the Owls went back on offense. Frizzell caught the first-down pass out of bounds, and on second down Ramirez passed to Holt for a short gain. Ramirez picked up a first down on the Whitharral 28, after which Holt ran for another on the 11. Holt scored with 1:58 remaining in the

period, there was no PAT, and the Owls moved back into a 14-9 lead.

The Owls kicked off, and the Panthers carried the ball out to midfield. They completed a pass to the 20, and passed for a first down, stopped by Bomar. The Owls got a costly penalty which gave the Panthers five yards, and Whitharral carried the touchdown with :50 remaining before halftime. They kicked the PAT, and moved into a 17-14 lead.

Whitharral kicked off, and Bradford again took the short shot. Ramirez ran for a first down on the 22 and passed to Holt to move the ball to the 10. Holt carried the score with :15 remaining on the clock. Hill kicked the PAT, and the Owls moved back into the lead, 22-17.

The Owls kicked off again, and on first down Whitharral threw a "Hail Mary" pass which was complete on about the Silverton five as time expired in the first half.

Whitharral opened the second half by kicking short to Frizzell, and runs by Holt picked up a first down on the Whitharral eight. A pass from Ramirez to Francis was good for a touchdown with 8:14 remaining in the third quarter. Hill kicked the PAT, and the Owls moved into a 30-17 lead.

When the Owls kicked off to Whitharral, a face-mask penalty moved the Panthers to the Silverton 32, and they wasted no time getting to the endzone in spite of Silverton's team tackling. They scored on a pass with 5:44 remaining on the third-quarter clock, passed for the PAT, and trailed 30-24.

Whitharral, at this point, decided to direct their short kick to the other side of the field to try Matt Francis' hands, and they found him to be very capable at handling the ball. Ramirez picked up a first down on the Whitharral 22, and runs by Holt netted another on the eight. Hill carried to the five, and Holt lateraled to Ramirez for the touchdown with 2:54 still on the third-quarter clock. Hill kicked the PAT, and moved the Owls ahead 38-24. At this point in the game, the Owls' offensive blocking was looking better than it had in the first half.

The Owls kicked off again, and held the Panthers to very little gain and on fourth down they punted into the endzone. A pass from Ramirez to Gamble was complete on the 30 after the ball had been fumbled and rolled back toward the endzone. Whitharral

snagged a Ramirez pass and carried it to the Silverton six on the next play. As the fourth quarter began, the Panthers scored with 9:29 to be played in the game. They passed complete for the PAT, and narrowed the gap to 38-31.

Whitharral aimed their kickoff at Francis again, and he showed them that the first time was no fluke by taking it at the Panther 35. Holt ran for a first down on the six, and Hill scored with 7:09 remaining in the game. Hill's PAT kick was blocked, and the Owls held a 44-31 lead.

The Owls kicked off once again, and the runback was stopped on the Whitharral 35 by Holt. Whitharral passed complete for a loss of nine yards, due to defense by Hill, and on the next play passed complete for a loss of five yards because of defense by Frizzell. They passed complete to the Silverton 37, stopped by Gamble, and on fourth down passed for a first down on the Silverton 36 where they were stopped by Jeremiah Brooks. They completed a pass on second down and Ramirez held on until the team could assist in stopping the forward progress. They ran to the 17, stopped by Ramirez and Frizzell, who make a very good defensive team. On their fourth-down play, Bomar intercepted a Whitharral aerial at the goal and carried out to the

nine. Holt ran for about five yards, and Ramirez completed a pass to Hill for a first down on the 29. Holt gained a first down on the Whitharral 31, and the Owls killed the clock.

"The third quarter did it for us," Coach Parham said. "I thought it would be a pretty even game and it was. We were both in the same situation, coming off our first losses of the year. They weren't really up and neither were we. It was one of those do-or-die situations."

The Owls made 12 first downs as compared with eight for Whitharral. Silverton rushed for 263 yards, passed for 37 and had a total offense of 300 yards. The Panthers rushed for 137 yards and passed for 118 for a total offensive effort of 255 yards.

Holt rushed the ball 31 times for a gain of 171 yards. Ramirez picked up 61 on eight carries and Hill rushed four times for 33 yards. Ramirez passed complete five times for a gain of 37 yards.

Hill caught a pass for a 17-yard gain, Gamble caught one for 12 yards, Holt caught two for seven. Bomar recovered a fumble and also had an interception.

The Junior High Birds lost their game at Whitharral on Thursday afternoon, with a score of 31-12. The Junior High will be hosting Cotton Center this afternoon (Thursday) with kickoff at 5:00 p.m. Their Pep Rally is at 12:30 p.m. in the gym.

The Birds—both teams—need your support and the noise you make for them this week as much as they ever have needed it. The high school Pep Rally is at 3:00 p.m. in the gym Friday. Kickoff is at 7:30 p.m. at Cotton Center. Be there to make noise for the Birds!

Class of 1960—Bill Verden, George McJimsey, Glenda McWilliams Couch, Lynda Brannon Seymour, Ronald Vaughan, Elaine McDaniel LaBaume, Frankie Hunt Ledbetter, Dale McWaters, Gordon Lowrey, Wayne Stephens, Glenna Thompson Cornett, Ted Hancock, Dona Garrison Smith.

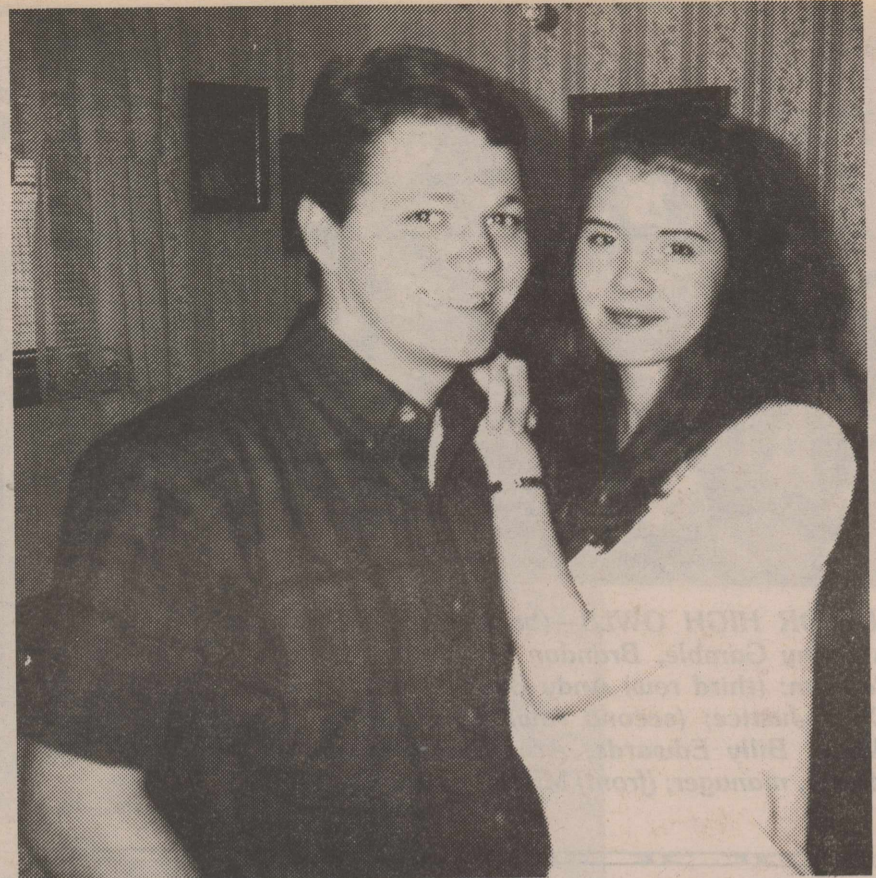

Class of 1960 Has Reunion

The 32-year reunion of the SHS Class of 1960 now is history. If you did not attend, you really missed a lot of fun and were probably the subject of conversation. The group met Friday night and again on Saturday as planned. They never made it to the brunch because they were too busy visiting. They finally broke up in time to go to the program at school and it was a good program. There they had the opportunity to visit with other graduates of SHS.

A "Graduation Quilt" made and given to Elaine McDaniel LaBaume for graduation by Ruby McWaters, was displayed. Mrs. McWaters is Elaine's aunt, and there was a block made with each graduate's name on it. Bill Verden,

class sponsor, also was on the quilt. Pictures were displayed of the first, third and twelfth grades. A scrapbook also was brought. Several pictures of families, children and grandchildren were brought by those who attended. They also read the information sheets that were returned; of course, some class members never sent one, so what was told about them was what their former classmates wanted to tell.

Those members of the Class of 1960 attending were Gordon Lowrey and his wife, Carolyn; Ronald Vaughan and his wife, Annette; Elaine LaBaume and her husband, Jon; Jerry Patton, and his wife, Brenda; Glenda Couch, and her husband, Bud; Frankie Ledbetter, and her husband, Ron; Wayne Stephens,

Dr. and Mrs. Randy Hughes of Waco announce the engagement and approaching marriage of their daughter, Amy Lynne, to Mark Anthony Barker, son of Mr. and Mrs. Kenneth Barker of Waco. The couple plans to be wed on Saturday, November 14, at Emmanuel Baptist Church in Waco. Miss Hughes is working on a bachelor of arts degree with a major in business administration and a minor in English literature. Her fiance is pursuing a bachelor of business administration degree with a major in economics/finance. Both are attending Mary Hardin Baylor University in Belton. The bride-elect is the granddaughter of Mr. and Mrs. Berton Hughes of Memphis, formerly of Silverton.

and his wife, Betty. The class sponsor, Bill Verden, and his wife, Evelyn, also were there. Others who had attended school with the class who attended were Ted Hancock, and his wife, Wanda; Lynda Seymour, Dale McWaters Glenna Cornett; Dona Smith, and her husband, Dale; Virgal Minyard, and his wife, Latresa; George McJimsey, and his wife, Martha.

There probably will be another class reunion and it is hoped that everyone will be able to make the next one.

Congratulations to the one who won the new 1992 Ford Explorer that was given as a door prize; only those in attendance were eligible.

Time to Reserve Booth at Annual Harvest Festival

Time is running out to sign up for a booth at the Progressive Homemakers Harvest Festival. Booths already taken are a cake walk, pie walk, Mexican food, bingo, pumpkin pond, ball toss, dart throw.

Bring your family, eat Mexican food and enjoy visiting and fun for the whole family.

The costume contest needs a sponsor. Anyone interested in this needs to get in touch with Bena Hester at 823-2131.

The Harvest Festival will be held Saturday, October 31, from 7-9 in the Briscoe County Showbarn in Silverton. Every club, organization and individual is urged to participate and make this annual event a night of family fun.

Awards Given at 4-H Banquet Sunday Evening

The annual Briscoe County 4-H Achievement Banquet was held Sunday, October 11, in the Silverton School Cafeteria.

Highlighting the evening was the presentation of the Gold Star and Friend of 4-H awards.

Lance Bradford, son of Doug and Jenny Bradford, and Cecilia Castillo, daughter of Joe and Maria Castillo, were recognized as this year's Gold Star recipients. The Gold Star is the highest award a 4-H'er may receive at the county level.

The Friend of 4-H awards were presented to the Briscoe County News and Wayne Nance. These awards are presented to a business and an individual who have contributed greatly to the 4-H program.

What 4-H Means to Me

To be a part of the 4-H organization is a great opportunity. There are many activities for the 4-H'ers to choose. Some of my favorites include camps, food and nutrition, clothing, design competition, dances, swine and method demonstrations.

This summer was filled with many adventures. Going to Austin for 4-H Congress was a very fun and educational experience. Electric Camp in Weed, New Mexico was lots of fun and filled with many electrical classes along with exciting and competitive sports.

Winning State in the Design Competition and receiving a \$250.00 scholarship was an event I had been waiting for, for a long time.

—Ashleigh Wyatt

4-H means hard work to get something done. It means working hard to achieve the goal that you would like to have. That is what 4-H teaches you. I enjoyed going to camps this summer. The reason is because you meet many new people. The best reason is you meet very pretty girls there.

—Trey Wyatt

STOCKER ALERT!

A news bulletin on parasite control from MSD AGVET.

Now's the time to control parasites that may have been building up all summer in your stocker calves.

Before you turn out your stocker calves, make sure they're not carrying a heavy parasite burden. That could be a real possibility, because parasites, both internal and external, can build up all summer, and start damage long before you can see it with your naked eye. Damage that can keep your calves from gaining weight as fast as they should. That, in turn, may affect your bottom line.

Solution: Treat them when you turn them out.

While you're handling your incoming calves, give them the advantage of internal and external parasite control from their first day on your pasture. An advantage that can translate into fast, efficient gains.

The difference treatment can make.

In Oklahoma State University trials on 855 shipped-in stockers, animals treated for parasites with IVOMEC® (ivermectin) Injection averaged over 28% better weight gains than untreated animals during a twenty-eight day conditioning period.¹

Pounds and Profits.

Every additional pound of gain not lost to parasites can provide a greater return on your investment. And that's the money you can bank on when your stockers go to market.

Choose the form of IVOMEC® (ivermectin) that suits your operation.

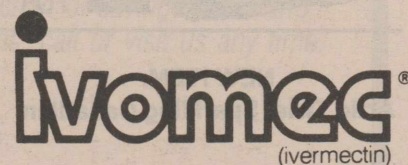

You can get IVOMEC as a pour-on or an injection. Both forms kill a broad spectrum of parasites, including economically important mature and immature worms. Plus, IVOMEC kills external parasites like lice and grubs. IVOMEC Pour-On can also help you control horn flies for up to 28 days.

For stocker calves that come from liver fluke areas, you

can use IVOMEC-F® (ivermectin and clorsulon) Injection. It kills the same parasites as IVOMEC Injection, plus adult liver fluke, too.

IVOMEC. An investment in stocker performance that can really pay off.

Treat your calves with IVOMEC before turning them out to graze. Then weigh the difference for yourself.

PARASITE CONTROL THAT'S WORTH THE DIFFERENCE.

Mrs. Holt Named To Direct Spelling Bee in Silverton

Debbie Holt, a teacher on leave of absence, has been named Spelling Bee Director for Briscoe County.

The annual National Spelling Bee, co-sponsored by the Amarillo Globe-News and West Texas State University, Canyon, is open to any student who must not have passed beyond the eighth grade at the time of their individual school finals; and must not have reached their 16th birthday on or before the date of the national finals.

There are two levels of competition: (1) The Junior Bee is open to any student in grades five and below; (2) the Senior Bee is open to any student in grades eight and below. County directors may combine the two events if they so choose.

The director will select a date and site for the county event. Silverton ISD is the only school in the county and will be the only one participating in the local bee.

Letter to the Editor

Dear Editor,

First of all, I want to thank you all at the Briscoe County News for a fine paper each week and your support of all activities going on in the community. Then, I want to commend all those who worked so hard at organizing the Art Show and the Banquet preceding it. No longer do we need to go to the city to find quality entertainment. The Banquet was just wonderful with superb food and a candlelight atmosphere to add to the occasion. Much hard work went into the planning of that alone, not to mention all the hours that was spent putting on a classy Art Show. And may I add that some of the finest art and photography was by our very own people. I would like to say to everyone who didn't take the opportunity to attend these activities, to plan NOW to attend next year. Thanks to all who worked so hard to add a bit of "culture" to our little town!

Sincerely,
Maebelle Francis

Holiday Arts and Crafts Bazaar Set in Nazareth

You are invited to take part in the annual Holiday Arts and Crafts Bazaar in Nazareth on Sunday, November 22. The event begins at 10:00 a.m. and closes at 4:00 p.m. in the school cafeteria.

Booths are 8'x10', and the cost for each is \$15.00. One table and two chairs will be provided. Please state if you need the table or if you will be using your own display racks, etc. The organizers need to know if you prefer a wall or center booth. Booths will be assigned on a first-come, first-served basis, and your money must be received in order to hold a booth space for you.

Checks are to be made payable to Nazareth Art Club. Enclose information as to what will be in your booth.

Cafeteria will be open at 7:30 a.m. on November 22 for you to set up.

Last day to reserve a booth will be Saturday, November 14.

For more information contact Lucille Drerup, Box 3, Nazareth, TX 79063, Phone 806-945-2562, or Rose Mary Wilhelm, HCR 2, Box 13, Nazareth, TX 79063, Phone 806-945-2583.

The county winner will compete on April 17, 1993 in the 45th regional competition in Canyon. The top speller will receive an all-expense paid trip (for two) to Washington, D. C. as the area's contestant in the 1993 National Spelling Bee. This event begins on May

30.

Additional information is available from Jeane Bartlett, Spelling Bee Editor, Amarillo Globe-News, or Gene Parker, bee coordinator, West Texas State University.

Most schools use the booklet, "Words

of the Champions," prepared by the national sponsors, the Scripps Howard Newspapers. The 1993 issue, 50c each, will be available from Mrs. Bartlett around mid-October. The booklet contains over 3,000 words and 524 new words over the 1992 issue.

FmHA Programs Assisting Rural Texas Cities

"The Community Programs Division of the Texas Farmers Home Administration's (FmHA) State Office is proud to announce the success of fiscal year 1992," according to Neal Sox Johnson, State Director for FmHA. A total of 85 loans and grants have been obligated to Texas communities with amounts totaling over 41.8 million dollars. These funds were used to assist rural water and sanitary sewer systems serving more than 47 thousand residential connections with a collective rural population of 138 thousand persons.

Community Facility Insured Loans were obligated to assist a variety of essential facilities such as volunteer fire departments, drug awareness facilities, city streets, hospital repairs and a natural gas system. These loans, totaling almost 1.9 million dollars, served approximately 45 thousand families in the rural areas of Texas. Additionally, FmHA obligated three Industrial Development Grants totaling 668 thousand dollars. One grant provided FmHA with a unique opportunity to assist in the financing of a demonstration facility to construct a fresh water shrimp farm in Burleson County.

FmHA has increased its emphasis on guaranteed loan programs. The guarantee program helps borrowers establish a relationship with commercial lenders and assists their transition to private sector credit. Guaranteed loans totaling nearly 445 thousand dollars were obligated for water and waste disposal and community facilities.

President Bush's budget for fiscal year 1993, as recently approved by Congress, has authorized 990 million dollars nationally for rural water and waste program loans and grants and 100 million dollars for essential community facility programs. In addition, the President's budget has authorized 35 million dollars for guaranteed water and waste loans and

SPS Files to Pass Fuel-Cost Saving To Customers

Texas retail customers of Southwestern Public Service Company should be seeing a credit in an upcoming electric bill.

SPS has filed with the Public Utility Commission of Texas to credit approximately \$10.1 million to its Texas retail customers for savings in fuel costs and related interest. The proposed credit includes \$9.1 million in actual fuel savings and almost \$1 million in interest, based on an annual rate of 11.7 percent.

A Texas residential customer using 1,000 kilowatt hours of electricity a month would receive a one-time credit of \$15.94.

"We expect commission approval in time to apply the credit to customers' December bills," said Gerald Diller, SPS group manager of rates and regulation. The credit would cover fuel expenses from July 1991 through August 1992.

Retail customers include residential, commercial and industrial users.

"Negotiated contract terms allowed SPS to take advantage of purchasing natural gas when prices were low," Diller said. "And additional savings were realized through lower short-term freight rates for a portion of our coal."

In addition, the company's power plants overall have consistently ranked among the most efficient in the nation in converting coal and other fuels into electricity, he said.

SPS President and Chief Operating Officer Coyt Webb said the company expends significant effort to remain a low-cost producer. "The cost of fuel makes up about half of an electric bill, and our ability to control this cost is very important to our customers," Webb said.

Different forms of fuel-cost adjustment apply to SPS customers in other states, as well as to the company's firm wholesale customers. Savings as they occur are passed through to these wholesale customers and retail customers in New Mexico, Oklahoma and Kansas.

Thanks a million for all the pretty
birthday cards, gifts and telephone
calls. It made me so happy to be
remembered.

Lots of love,
Bertha Mae Allard

We would like to thank you for your
cards and every expression of
friendship. It means more than you will
ever realize to know you care.
