VOLUME 84

NUMBER 43

Red Ribbon Week Activities Planned

Many communities are beginning their Red Ribbon Week activities on Saturday, October 24, and this includes Quitaque which will be having a Kick-off Celebration beginning at 10:00 a.m. Saturday with a bicycle parade being led by the Quitaque Fire Department and Ambulance Service. Kids are invited to decorate their bicycles with red and meet at the City Park in Quitaque at 9:45 a.m.

A "styleless" show will feature many Quitaque beauties beginning at 10:30 a.m. in the City Park. You won't want to miss these radiant, dazzling contestants.

The Red Ribbon ceremony will begin at 11:00 a.m. with Mayor Elgin Conner acting as master of ceremonies.

In Silverton, Red Ribbon Week activities are expected to begin Sunday with Religious Weekend. Clergymen are being asked to deliver sermons on drug use and its effects on families and to initiate drug-education programs for their youth.

Monday, October 26, is Decoration Day. Groups and individuals are asked to decorate their homes, storefronts, park benches and lampposts with red ribbons and hang Red Ribbon banners in strategic places.

Tuesday will be Red Ribbon Resolution Day.

Wednesday, October 28, is "Wear Red Day." Everyone is asked to wear red in support of the anti-drug campaign.

Thursday, October 29, is Pledge Day. Supporters are asked to pledge their commitment to "American's Drug-Free Decade" by signing a Red Ribbon pledge card. People sign "Sign-up" posters hung in prominent places and organizers send them to an elected official or Texans' War on Drugs.

Friday, October 30, is Recognition

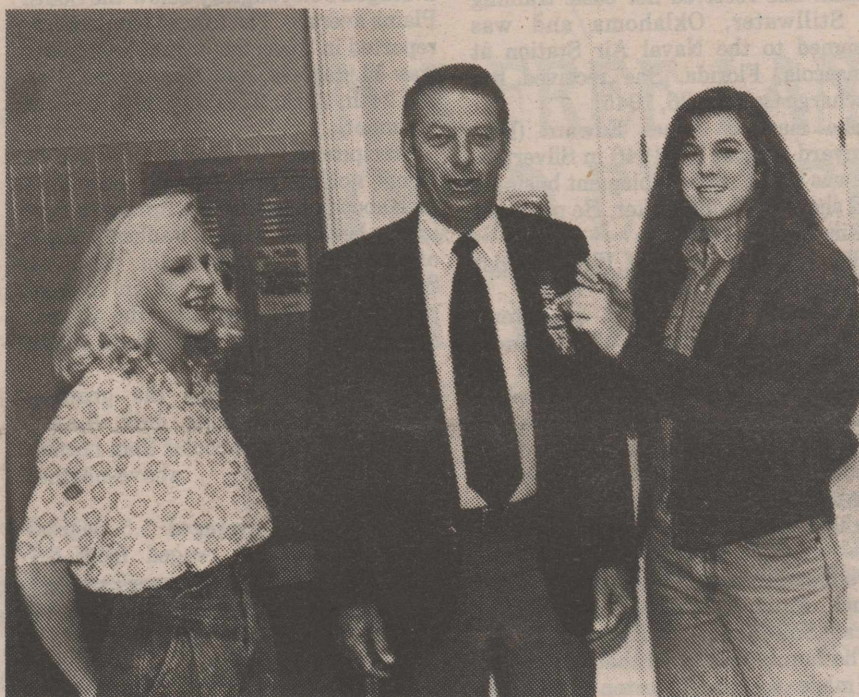

Soph Class to Have Enchilada Supper Oct. 23

The SHS Sophomore Class will host an enchilada supper from 5:00 until 6:30 p.m. Friday, October 23, in the school cafeteria.

The menu will include enchiladas, beans, chips, salad and dessert, topped off with a refreshing drink.

The price charged will be \$4.50 for adults and \$3.50 for children.

The Sophomores invite you to come have a delicious dinner before you go to cheer for the Owls.

Ashleigh Wyatt watches as Brandi Brunson pins a Red Ribbon Week ribbon on the lapel of Superintendent Frank Kirchoffner. The anti-drugs campaign will be emphasized all next week and will culminate in an all-school assembly program on Friday.

Briscoe County News Photo

Day. There will be an all-school assembly beginning at 10:00 a.m. in the Silverton School auditorium. Guest speaker will be Sam Willis from Plainview.

The special week concludes with the

Booth List For Arts & Crafts Show is Growing

The list of booths for the Arts & Crafts Jubilee is growing every day. There is lots of excitement being generated. There is still room for more, so everyone is urged to sign up soon.

To reserve space for a booth, call Bena Hester, at 823-2131. Booth space rent is \$5.00.

Silverton Owl Caps Available

Silverton Owl caps are for sale and will be available at the concession stand at the football game Friday night.

Football Queen To Be Crowned

Nominations have been made, and one of the candidates will be crowned as the 1992 Football Queen at the Homecoming football game Friday night at Payne Field.

The candidates are Christy West, senior; Maria Justice, junior; Rosie Segura, sophomore, and Lori Brannon, freshman.

A Pep Squad Beau will be presented during the Pep Rally at 3:00 p.m. Friday. Those nominated for this honor are Mike Hall, senior; Johnny Patino, junior; Mike Hill, sophomore, and Phil Patino, freshman.

Harvest Festival Interest Growing

Interest in the Harvest Festival continues to grow, and booths are still being registered with the sponsoring organization, Progressive Homemakers.

A number of booths have been reserved, and there are lots of ideas for more booths.

The cost for a booth is \$5.00 and reservations need to be made with Bena Hester at 823-2131.

This night of family fun will be a success only with lots of participation. Everyone is encouraged to consider having a booth.

Flu Shots Being Given at Clinic

Beginning Monday, flu shots are being given at the Briscoe County Clinic in Silverton.

These are covered by Medicaid and Medicare insurance.

Quitaque, Silverton Firemen to Play Flag Football Oct. 26

Monday night, October 26, at Valley School, the Quitaque Volunteer Fire Department will play the Silverton Volunteer Fire Department in Six-Man Flag Football. The game will begin at 7:30 p.m. Each team will supply its own all-male cheerleading squad, and an ugly cheerleader contest will be held at halftime. An award will be presented to the ugliest cheerleader and to the runner-up.

A similar match-up will take place on Payne Field in Silverton at 7:30 p.m. on Saturday, November 7.

The teams will be competing for a traveling trophy to be kept in the fire hall of the winning team until next year when it will again be up for grabs.

All proceeds will be divided and used by each department for their respective community projects.

Robin Harmon, president of the Quitaque Fire Department, and James Edwards, president of the Silverton Fire Department, were pictured with the trophy which will be presented to the winner of the Firemen's Six-Man Flag Football games to be played in Quitaque and Silverton soon.

OBITUARIES

MARY DEE MINYARD

Funeral services for Mary Dee Minyard, 74, were conducted at 2:00 p.m. Sunday at the First Baptist Church in Silverton. Officiating were the Rev. Bryan Donahoo, pastor, and Ted Kingery, minister of the Silverton Church of Christ. Burial was in the

Silverton Cemetery, with arrangements made by Myers-Long Funeral Directors.

Mrs. Minyard died at High Plains Baptist Hospital in Amarillo Thursday, October 15, following a stroke she suffered at her home here.

She was born in Briscoe County March 19, 1918, and was one of the eight children of Henry Clay and Leona Ann Mercer. She attended the Francis and Silverton Schools, and enlisted in the WAVES February 3, 1943, in Dallas. She received her basic training at Stillwater, Oklahoma and was assigned to the Naval Air Station at Pensacola, Florida. She received her discharge October 26, 1945.

She married James Edward (Doc) Minyard August 20, 1946 in Silverton. He was in the farm implement business and she was a homemaker. He preceded her in death in 1987.

She was a member of First Baptist Church in Silverton.

Survivors include four daughters, Ruth Ann Hatchett of Sumner, Washington, Margaret Tomlin of Sulphur Springs, Marilyn Thrasher of Canadian and Annette Smith of Amarillo; a son, John Minyard of Borger; a brother, Joe B. Mercer of Silverton; two sisters, Faye McCarty of Graham and Ruth Smith of Pineville, Missouri, and nine grandchildren.

Pallbearers were Wayne Nance, Bud Couch, Emmett Tomlin, Lance Smith, Gerald Smith and F. E. Hutsell.

The family requested that memorials be made to the Silverton Volunteer Ambulance Service, First Baptist Church building fund or a favorite charity.

If you need work done on your vehicle, just call **995-3565** during the day, or call **823-2039 (Joe)** or **823-2498 (Dale)** after 7:00 p.m.

They will pick up your vehicle in the morning, drive it to Tullia, make the repairs needed, and return it to you in the evening.

September Weather Was Drier, Warmer

The weather across the Texas South Plains during September turned out to be drier than normal with slightly warmer-than-normal temperatures.

Temperatures averaged 0.8 degree above normal and ranged from 3.2 degrees above normal at Post to 0.9 degree below normal at Lamesa. Silverton's temperatures averaged 70.8 degrees, .7 below the South Plains average.

Maximum temperatures averaged 1.9 degrees above normal and ranged from 4.3 degrees above normal at Post to 0.2 degree above normal at Plainview. The highest temperature reported during the month was 99 at Seminole on the 7th. Silverton's maximum temperatures averaged 84.7, 1.2 degrees below the South Plains average. The highest temperature reported during the month was 97 on the 10th.

Minimum temperatures averaged 0.2 degree below normal and ranged from 2.2 degrees above normal at Post to 2.3 degrees below normal at Lamesa. The lowest temperature reported during the month was 38 at Muleshoe on the 28th. Minimum temperatures in Silverton averaged 56.9, slightly below the South Plains average. The lowest temperature reported in Silverton during September was 44 degrees, and this occurred on the 24th, 25th, 27th and 30th days of the month.

Precipitation averaged 1.54 inches below normal and ranged from 0.33 inch above normal at Big Spring to 2.80 inches below normal at Paducah. Much of the rain occurred on the 1st. Silverton recorded .33 of an inch of rainfall, 2.16 inches below the 45-year average and .74 below the South Plains average.

The weather during the growing season months of June, July, August and September was cooler than normal with slightly above-normal precipitation.

Temperatures averaged 1.5 degrees below normal and ranged from 0.1

degree above the long-term average at Lubbock to 3.0 degrees below normal at Lamesa. Silverton's temperatures averaged 72.9 degrees.

Maximum temperatures averaged 1.9 degrees below normal and ranged from 0.2 degree above normal at Lubbock to 3.9 degrees below normal at Matador. The highest temperature of the season was 108 at Levelland on July 7th.

Silverton's maximum temperatures averaged 85.5 degrees.

Minimum temperatures averaged 1.2 degrees below normal and ranged from 0.1 degree above normal at Abernathy to 2.4 degrees below normal at Lamesa and Spur. The lowest temperature of the season was 38 at Muleshoe on September 28th. Silverton's minimum temperatures averaged 60.3 degrees.

Precipitation averaged .47 of an inch above normal and ranged from 4.50 inches above normal at Big Spring to 3.52 inches below normal at Brownfield. Silverton received 10.61 inches during the period, very near the South Plains average.

Cotton Seminar Planned Monday

A cotton seminar will be held Monday, October 26, at the Memphis Community Center. A brisket meal will be served from 6:00 until 7:00 p.m., and the seminar will begin following the meeting. This will be an informational meeting for cotton producers.

Questions will be taken from the audience, and speakers will include Charles Bragg, National Cotton Council, Memphis, Tennessee; Wayne Cleveland, Cotton Board, and Dr. John Gannoway, Plant Breeder, both of Lubbock; Jerry Ward, USDA Classing Office, Altus, Oklahoma, and Herbie Marchbanks, ASCS, Memphis, Texas.

The meal will be provided by Kathy Fowler Agency, Consolidated Cotton Company, Memphis Compress, Garner Cotton Company, and Neely, Craig and Walton Insurance Agency.

Owls Roll Over Elks 64-43 To Go Up by Two in District

Silverton's varsity Owls opened the game at Cotton Center by kicking off to the Elks, and seeing them pick up a first down on the 38 in spite of defense by Lance Holt and Wil Bomar. On third down, Frank Ramirez broke up a pass, and the fourth-down pass went for a loss of three yards and the ball went over to the Owls on the Silverton 35.

Holt ran for a first down and a penalty against the Elks was tacked onto the end, moving the ball to the six. Bomar scored from five yards out, Michael Hill booted the PAT, and the Owls moved into the lead 8-0 with 3:47 still showing on the first-quarter clock.

The Owls kicked off and recovered a fumble on the Cotton Center 20. This offensive effort didn't make enough yardage for a first down, but Bomar caught a pass from Ramirez to move the ball to the Cotton Center 10. A run by Hill moved to the the six-yard line, but this about a yard shy of the stick. The Elks took over and came out passing, making a first down on the Silverton 36, then passing for another as the second quarter opened. They scored with 8:00 remaining in the first half. Ramirez took the blocked Cotton Center PAT kick and ran to just short of the goal. The score at this point was 8-6, favoring the Owls.

The Elks kicked off, and the Owls started on their 35, but this offensive effort failed and the Owls were forced to punt. Bomar brought down the returnman at the Cotton Center 15. The Elks completed a pass for a first down on the Silverton 34, and passed to just short of the goal. They scored with 5:05 remaining in the half and kicked their PAT, putting themselves on the long end of the 14-8 score.

The Owls came right back, taking possession of the kickoff at midfield, with Ramirez running for a first down on the Cotton Center 18. Ramirez passed complete to Bomar after which Holt scored with 2:41 remaining in the half. There was no PAT, and the score was knotted at 14-14. The Owls kicked off, and held the return at the Elks' 28. They fumbled on first down and the Owls recovered on the Cotton Center 25. Holt carried to the 12, and Ramirez scored after taking a lateral. There was no PAT, and with 1:31 still to be played

Wil Bomar makes a tackle on one of the Cotton Center Elks, assisted by an unidentified Owl, as Michael Hill (20) comes around in front to make a legal assist.

Briscoe County News Photo

in the first half, the score was 20-14.

Cotton Center took the kickoff at midfield and scored in three plays. Their PAT pass was incomplete, and with :58 still on the clock, the score again knotted, this time at 20-20.

Cotton Center kicked off again, and the Owls had :49 to work with. Holt scored from 12 yards out with :02 on the clock. Cotton Center intercepted the PAT pass and took it all the way to the endzone for two points, and that was how the score became 26-21. (Lots of razzle-dazzle takes place in six-man football. Anyone who hasn't seen the game wouldn't believe how fast things can change!)

The Owls had just enough time to kick off to the Elks and see a little more dash before halftime.

Cotton Center kicked off to open the second half of action, and the Owls went to work. Holt ran for a first down

on the Cotton Center 23, and three plays later scored with 7:56 still on the third-quarter clock. Hill kicked the PAT, and the Owls moved into a 34-21 lead.

The Owls kicked off again, and Cotton Center showed that they weren't through yet. They passed for a touchdown with 6:07 remaining in the quarter. The PAT kick was blocked, and the Elks tightened the score to 34-27.

Casey Frizzell took the ensuing kickoff near midfield, and the Owls went back on offense. Holt rushed for a couple of yards and a pass from Ramirez to Frizzell was good for a first down on the Cotton Center 10. Holt scored with 4:49 left in the quarter, the

PAT pass was incomplete, and the Owls moved ahead 49-27, and fans breathed a little easier.

The Owls kicked off again and defense by Holt and Stan Gamble held the Elks to very little gain. After an incomplete pass on fourth down, the ball went over to the Owls on the Cotton Center 33. Holt ran for a first down on the eight, and Bomar gained to the three. Holt scored with :46 still on the third-quarter clock, Hill kicked the PAT, and the Owls extended their lead to 46-27.

The Owls kicked off and held the runner at the 16 with defense by Bomar and Holt, a very good combination. The Elks passed complete to their 30, but punted away as the fourth quarter began. This offensive effort by the Owls wasn't one of their best and they concluded it by seeing the ball go over on downs at midfield with 8:19 remaining in the game. Cotton Center also was unable to move the ball, and on third down Matt Francis intercepted an Elk pass at midfield. The Owls moved the ball to the 10, and Holt scored with 6:34 remaining to be played in the game. Hill kicked the PAT, and the Owls moved into a 56-27 lead.

The Owls kicked off yet again, and the Elks went to work. They made a first down on the Silverton 15 on their fourth play, and scored with 2:12 still to be played. They kicked their PAT, and decreased the lead to 56-35. There were lots of substitutes playing for the Owls in this part of the game, but there was still a lot of hard hitting taking place. All of the players got into the game to share the victory.

Cotton Center kicked off short again, and it was taken by Lance Bradford on the Silverton 32. The Owls made a first down on the 25 with :51 showing on the stadium clock, and Holt scored on the next play with :33 still on the clock. Hill kicked the PAT, and the score became 64-35.

The Owls kicked off again and stopped the Elks on their 15. Cotton Center drew a clipping penalty. They ran for seven yards on the first play and scored with :05 still to be played. They kicked the PAT, and the final 64-43 score was made.

Neither team made very many first downs, but there was lots of scoring on fairly long plays. Holt rushed for 211 yards; Bomar, 23; Ramirez, 81; Hill, 11;

See OWLS ROLL Continued on Page Five

One reason that Lance Holt (11) is able to get loose on so many plays is the blocking of his teammates. Here Lance Bradford (35) and Matt Francis (40) are clearing the way for him.

Briscoe County News Photo

Stan Gamble (60) was shown tackling the Cotton Center ballcarrier, with assistance from an unidentified Owl while Frank Ramirez, jr. (21) makes sure that he doesn't lateral to a teammate.

Trey Ziegler (4) and Leland Wood (10) are seen making yardage for the Owls in their game with Cotton Center here last Thursday.

Briscoe County News Photo

Junior High Owls Fly Past Cotton Center

Silverton's Junior High Owls flew to a big 48-27 victory over Cotton Center here last Thursday afternoon. The Owls began by kicking off to the Elks, and defense by Anthony Gamble, Jon Ivory and Brandon Covington held the offense to no gain and forced a punt which carried to the Silverton 30. Gamble picked up a first down at the Cotton Center 35 and Arnold Garza scored on the next play with 3:19 remaining to be played in the first quarter. Leland Wood passed to Garza for an extra point, and the Owls moved into a 7-0 lead.

On Cotton Center's next series of plays, the defense forced errors. Ivory pressured the passer on third down, and Garza intercepted a pass and carried it into the endzone. There was no PAT, and with 1:54 remaining on the clock, the Owls had extended their lead to 13-0.

When the Owls kicked off again, and Garza was doing a good job in the kicking department, one of the Elks went down on the goal for a safety, extending the Silverton lead to 15-0.

Cotton Center kicked to Silverton, and on the first play from scrimmage Garza went into the endzone for another touchdown. There was no PAT, and with 1:39 still to be played in the first quarter, the Owls held a 21-0 lead.

The Owls kicked off again, and the Elks downed the ball on their 33. They made a first down on the Silverton 30, and scored on the next play after the

Owls had missed two or three tackles on the play. There was no PAT, and with 1:17 still on the first-quarter clock, the Elks narrowed the lead to 21-6.

Cotton Center kicked off to the Owls and the short kick was taken by the Elks; however, the ball didn't travel far enough and the Owls took possession on the Cotton Center 35. Gamble scored three plays later, and Jared Francis carried the PAT. With :32 still on the clock, the Owls led 28-6.

Silverton kicked off again, with Garza doing well in a strong crosswind. The Elks made a good run deep into Silverton territory, but one of the Elks hit a Silverton player in the back away from and behind the play, and this didn't go unnoticed by the referees. The play was brought back to the Cotton Center 35, where the gain was good for a first down. As the second quarter began, defense by Trey Wyatt and Billy Edwards continued to make problems for the Elks, forcing a punt which Silverton fumbled and the Elks recovered on the Silverton 15.

The Elks scored on their fourth play, and passed complete for the PAT, making the score 28-13 with :34 remaining before halftime. The Elks have a very good passing game for a junior high team.

Cotton Center kicked into the endzone for a touchback, and the Owls started on their own 20. Gamble carried a touchdown as time ran out in the first half, but the Owls received a penalty

and the points didn't count.

Following the intermission, Cotton Center kicked off and Gamble took the ball near the Silverton goal and went all the way for a touchdown. He also carried the PAT, and with 5:46 remaining in the six-minute quarter, the Owls held a 35-13 lead.

Silverton kicked off, and back came the Elks into Silverton's team tackling defense. They picked up a first down on the Silverton 30, then went for another before passing complete for a touchdown with 1:46 remaining in the third quarter. They carried the PAT, and narrowed Silverton's lead to 35-20.

Cotton Center kicked off once again, and Garza took to the Cotton Center 35. Garza scored three plays later with :04 remaining in the quarter. Gamble carried the PAT, but the Owls received a penalty. On the replay, Trey Ziegler carried the ball into the endzone to give the Owls a 42-20 lead.

Silverton kicked off to the Elks, who took the ball on their 17 as the third quarter came to an end. Cotton Center made a first down at midfield, then dragged half the team to the Silverton 10 for another first and 15. They scored with 2:33 remaining in the game, passed for the PAT, and saw the score become 42-27.

After the Owls received the kickoff, they moved for a first down on the Cotton Center 12. Andy Bullock carried to the one, and Francis scored with :20 remaining to be played. There was no PAT, and the final 48-27 score had been made. On the ensuing kickoff, the Elks fumbled, the Owls recovered, and time quickly expired on the game clock.

This afternoon the junior high team travels to Three Way for kickoff at 5:00 p.m. Their pep rally is at 12:30 p.m. in the gym. Everyone is invited to come and help the students cheer for their team!

Bonfire Planned Here Tonight

The Homecoming bonfire and pep rally will be held in the area of the rodeo arena and ball park tonight (Thursday).

Everyone is invited to enjoy hot dogs and hot chocolate sponsored by the Booster Club.

Kids to Jump Rope for Heart

Silverton students in grades 3-6 will participate in the Jump Rope For Heart activity from 9:00 a.m. until 12:00 noon on Saturday, October 24.

There will be jump rope skills, routines and contests during the event which will be held in the school gym.

According to Coach Bobbie Jenschke, the public is invited to watch the activities.

Student Council Sponsoring Hop

The SHS Student Council will be sponsoring a Sock Hop on Homecoming night following the football game in the gymnasium. Admission is free and refreshments will be served.

The dance will last from the time the game is over until 1:00 a.m. There will be a dance contest and gift certificates from Hastings will be given as prizes.

All students in high school and alumni from the previous 10 years are welcome to attend.

PTA Update

A very informative workshop was conducted last week by District PTA President Pinkie Porcher and five other district board members. The focus was on leadership role in PTA.

A portion of the program was used to discuss different projects conducted by State and National PTA, one of which was Reflections. With a scholarship available to the winning entry among Seniors, the participation in this project needs to be encouraged.

A note was received from Mrs. Porcher, thanking Silverton PTA for sponsoring the workshop.

The membership drive has now ended and the winners in the contest will be announced next week.

There was a 30% increase in membership over last year, which will qualify Silverton PTA for a membership award at the Spring Conference.

It is never too late to join PTA!

The next meeting will be Tuesday, November 10, at 7:00 p.m. in the school cafeteria with a program by kindergarten and fourth grades.

Anyone who has a fund-raising idea is asked to contact Beverly Minyard, Michelle Francis, Tina Nance, Kari Patton, Nancy Young or Dianne Donahoo. Any and all ideas are needed, to help with funds for next year's budget.

Go Owls!

Owls Roll

Continued From Page Four

Frizzell, 3. Ureste rushed for 138 yards for the Elks. Frizzell caught a pass for a 25-yard gain, and Bomar caught one for a short gain.

This game kept Silverton's district record unblemished at 2-0, and their season record at 6-1, with only the loss at Follett to mar an otherwise perfect record. The Owls remain tied with Lazbuddie for the district lead.

This week, the Owls will face Three Way on Payne Field. This is the annual Homecoming game, and several festivities are planned surrounding the game. The sophomores will be serving an enchilada supper in the school cafeteria, and the Owls will be crowning a Football Queen in pregame ceremonies. Kickoff is at 7:30 p.m. and the Pep Rally is at 3:00 p.m. Don't miss any of it, because the Owls will have to focus their concentration on Three Way (not Lazbuddie) this week in order to avoid an upset. They need your support in order to get their work done. In order to gain a playoff berth, the Owls must win!

Personalities Are Chosen in SHS

Personalities who will be featured in the Silverton High School yearbook were chosen last week.

These include Mr. and Miss SHS, who are Frank Ramirez and Aimee Francis.

Selected as Best Dressed were Frank Ramirez and Brandi Brunson.

Wil Bomar and Lori Brannon were selected as Most Handsome and Most Beautiful.

Most Popular Boy and Girl are Jess Brannon and Kami Martin.

Eddy Ward and Kayla Ramsey were

named Wittiest.

JoDee Robison and Sonya Ramirez were tabbed as Friendliest.

Lance Holt and Kami Martin were voted Most Athletic.

Aimee Francis was selected as Most Outstanding Student, and Melissa Woods as Most Likely to Succeed.

Aimee Francis was also named Most Dependable.

Elected to Who's Who were Shannon Weaver and Jeramiah Brooks, freshmen; Brandi Brunson and Michael

Hill, sophomores; Kami Martin and Matt Francis, juniors; Aimee Francis and Casey Frizzell, seniors.

Class Favorites are Phil Patino and Molly Bomar, freshmen; Jess Brannon and Rosie Segura, sophomores; Braden Towe and Kami Martin, juniors, and Stan Gamble and Amy Minyard, seniors.

Happy Birthday to . . .

October 22—Jeff Smith

October 23—Margaret Frizzell, Teddy Hubbard, Ruth West, Myrt Edwards, Renee Fuston, Brandi Breedlove, Kristen Roys

October 24—Matt Martin, Sage Brannon, Nina Martin, Renee Ramirez, Roque Ramirez, Wayne Henderson

October 25—Sylvia Fogerson, Lynn Frizzell, Kim George

October 26—Ruby McWaters, Letha Lanham, Melba Caffety, Joe Self, Kay Garrison, Matt Lowrance, Mitch Martin

October 27—Yance Forbes, Lane Garvin, Pam Nease, Tobe Riddell, Ashley Kay McCoy, Vera Markart

October 28—R. C. Kitchens, Tim Gamble, Gerald Smith, Stephen Stephens, Ester Trevino, Janna Nicole Schott

Happy Anniversary to . . .

October 23—Mr. and Mrs. Perry Brunson

October 26—Mr. and Mrs. E. A. Birdwell

October 27—Mr. and Mrs. Joe Maciel

October 28—Mr. and Mrs. Stan Couch

New Arrivals

Johnnie and Linda Deckard of Tulia are parents of a son, Johnnie Wayne, jr., born September 30, 1992, at 3:25 p.m. at Northwest Texas Hospital in Amarillo. He weighed six pounds and six ounces.

Welcoming the new baby into the family are a brother, Joseph Lance, and a sister, Meranda Lenea.

Grandparents are Odell and Bonnie Edwards of Tulia and Leroy and Mildred Gooding of Hulbert, Oklahoma and John Deckard of Tahlequah, Oklahoma.

Great-grandparents are Melvin and Ellen Airehart of Tulia and Frances Edwards of Silverton. The great-great-grandfather is Bob Kinslow of Tulia.

Richard and Venita Howell of Lawton, Oklahoma are parents of a son, Weston Blake, born October 15, at Reynolds Army Community Hospital in Lawton. He weighed seven pounds 3.2 ounces, and measured 19 1/4 inches long.

Grandparents are Johnny and Mary Asebedo of Silverton and Steven and Kathy Howell of Arlington.

Cal and Kathy Brannon of Amarillo are parents of a daughter, Skylar Macall, born at 7:00 p.m. on October 5, 1992. She weighed eight pounds 3 1/4 ounces and was 21 1/4 inches long.

Grandparents are Bob and Nancy Singletary of Amarillo and Joe and Vaughnell Brannon of Silverton. Great-grandparents are Vivian Hall, Maureen and Buck Hall, all of Amarillo, Ruby and Seymour Brannon and Aubrey and Mae Pearl Rowell, all of Silverton.

Workshop to Focus on Texans' War on Drugs

Texas' War on Drugs will be the focus of the programs planned for students and adults at the Red Ribbon Rally and workshops to be held Saturday, October 31, at Tascosa High School in Amarillo. Sessions are planned from 9:30 a.m. to 3:30 p.m.

Topics included for students are "Kids, Drugs & Suicide," sharing and caring for friends; "PALing Around," peer assistance & leadership; "Fun Without Drugs," peer education; "Stress Dots;" "How to be an eagle in a house full of turkeys," to learn how to stay safe and drug free even though other people aren't; "Movin' & Shakin'," getting involved with positive peer groups; "AIDS," peer education; "Say it Straight," practicing communication skills through role playing; "Success Without Drugs," being drug free in a drug-filled world; "On the Road Again," fitting in; "Alcoholism 101," fitting in; "Surviving Food—the Silent Addiction," learning about eating disorders associated with addiction; "Teen Court," a teenage alternative; "All wound up and no place to go," recognizing and coping with stress; "Police Ice & Legend," gang issues and concerns.

Included in the adult workshops will be "What to do about gangs;" "Drugs in Black and White;" "Kids Who Will; Kids Who Won't," parenting tips for tough issues and techniques to create a positive self esteem in your child.

Spirit awards will be given to schools with the most attendance according to school size. Students and adults will be counted. One free snack with other snacks available at minimal charge. Lunch will be provided for participants.

The purpose of the Red Ribbon Campaign is to present a unified and visible commitment toward a drug-free nation. The Red Ribbon Campaign is designed to create awareness of the drug problems facing the communities and nation. Everyone has the right to live in drug-free families and communities, learn in drug-free schools, work in drug-free workplaces and drive on drug-free highways.

News Notes

Items of Interest About SHS Ex-Students Contributed by Former Students

Class of 1940—The Class of 1940 of Silverton High School lost a dear member, Phyllis Allred Joslin, who died of cancer Saturday, October 17. She will be missed because she exemplified the spirit of the class. She lived in Plainview at the time of her death. She had attended a recent Homecoming.

Class of 1973—Freeda Henderson, a graduate of Silverton High School with the Class of 1973, recently was featured in *Meet Your Neighbor*, a front-page item in the *Plainview Daily Herald*. She is the district manager's stenographer for Southwestern Public Service Company, for whom she has worked for 18 years. She is a member of the Women's Division of the Plainview Chamber of Commerce, attends First Baptist Church in Plainview, and enjoys crafts, traveling and bowling.

Best Teachers Named For New Who's Who

A select group of America's teachers are being honored by their toughest critics, their former students, in the second edition of *Who's Who Among America's Teachers*, 1992.

All of the 65,000 teachers being honored were selected by their former students who themselves are currently listed in *Who's Who Among American High School Students*, or *The National Dean's List*, publications which recognize the top 5% of the nation's high school and college students respectively. Paul Krouse, publisher of *Who's Who Among America's Teachers* said, "There is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication. In this publication we clearly have the best teachers in America selected by the best students."

The students were requested to

nominate teachers who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject and/or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom, and many praised their teachers for their ability to relate to youngsters on a personal as well as a professional level. One student wrote about her teacher saying, "she made education something pleasurable, instead of a dreadful ordeal, by letting me spread my wings and showing me the best way to fly."

Local educators honored in *Who's Who Among America's Teachers*, 1992 include Bobbye L. Bean, second grade; Jane Self, junior high English, and Sheryl Weaver, high school business teacher.

American Heart Association

With the Sick

Billy Pinkerton of Turkey, husband of Silverton School Nurse Margie Pinkerton, has been very ill in an area hospital and has been treated for an infection in intensive care much of the time. He will have to continue his medication for awhile after he is able to return home.

Delene Tyler of Quitaque has had surgery in Rochester, Minnesota. Her friends have been showering her with cards to wish her well while she is so far from home. Her address is Rochester Methodist Hospital, 201 West Center, Rochester, Minnesota 55902, Delene Tyler, Room #6202. Her telephone number is 507-286-7890.

Patsy Towe's mother has undergone very serious surgery in a Lubbock hospital. Mrs. Beseda is doing well, the doctors believe, and a cat scan after the surgery seems to indicate that the desired results were achieved; however, Mrs. Towe is no different than others in wishing her mother would show more rapid improvement.

Silverton School Lunchroom Menu

Monday, October 26—Fish with Tartar Sauce, Coleslaw, Blackeyed Peas, Cornbread, Brownie, Milk
 Tuesday, October 27—Meat and

Thursday, October 29—Fried Chicken, Gravy, Green Beans, Mashed Potatoes, Hot Rolls, Syrup, Butter, Milk

Friday, October 30—Hamburger with Cheese, French Fries, Salad, Cookie, Milk

EXTENSION TOPICS FOR TODAY

by Ronda Alexander
 Briscoe County Extension Agent
 Home Economics

I. F. Y. E.

International 4-H Foreign Youth Exchange (IFYE) is a program created in order to assist the development of youth programs throughout the world and to create better international understanding. IFYE's live and work with host families abroad and learn their culture, language and way of life.

Since the program began in 1948, over 20,000 individuals representing the U. S. and 89 cooperating countries have participated in the 4-H international exchange program.

Texas 4-H Alumni, age 19-25, are eligible to participate in the IFYE program. The cost of the program to the participant is \$950, plus any spending

money, while \$2,600 is paid for by the Texas 4-H Foundation and the sponsoring county. The program lasts from three to six months.

Countries participating in the exchange include East Asia, Latin America, the Caribbean, Africa, India, Nepal, Australia and New Zealand.

If you are interested and eligible, please contact the Extension Office by October 26, 1992, so that you can complete the application.

SPS Says PUCT To Review Rates

Southwestern Public Service Company said today that the Public Utility Commission of Texas has initiated a procedural filing to review the electric utility's rates.

The review is based on the commission staff's semi-annual Earnings Monitoring Report that says

SPS's revenues for 1991 appeared higher than necessary to earn an appropriate rate of return.

SPS residential rates have declined 20 percent since 1983 and are currently among the lowest in the state for investor-owned utilities. The average of SPS's retail rates—which include residential, commercial and industrial rates—is 29.7 percent below the average of the retail rates of all other Texas electric utility companies.

SPS strongly believes its earnings are reasonable, and are primarily the result of efficient and cost-effective operations, said Gerald Diller, SPS group manager of rates and regulation.

The filing did not indicate a target amount of reduction; however, based on previously-awarded returns on equity allowed other utilities in Texas, the company does not believe this filing will have a substantial financial impact.

We Believe!

REPRESENTING NEW YORK LIFE

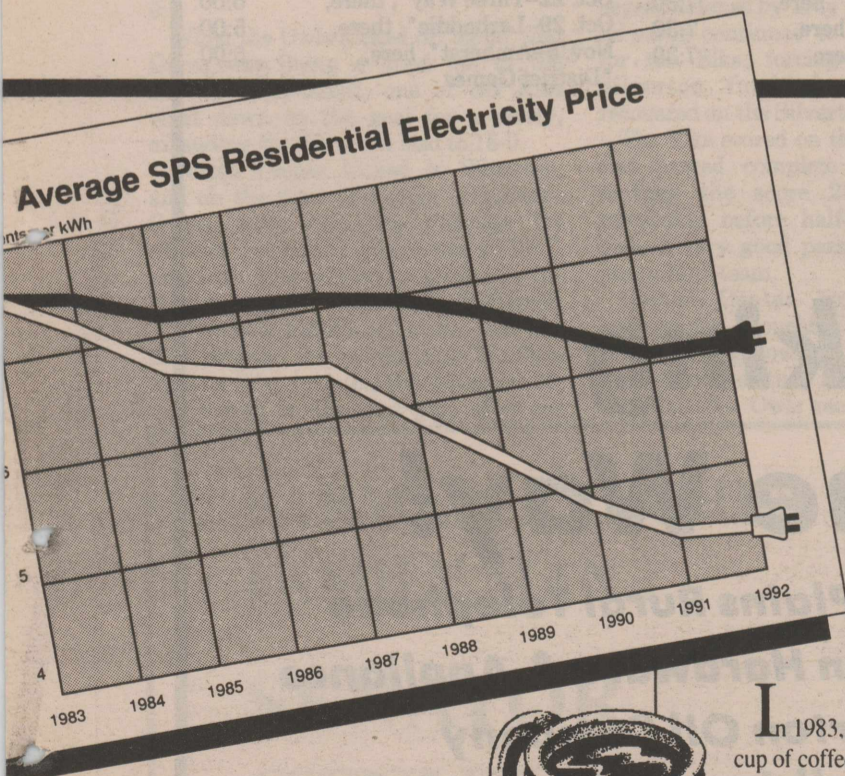

We have annuities paying 7.5% interest with monthly interest paid directly to you.

1-800-766-2063

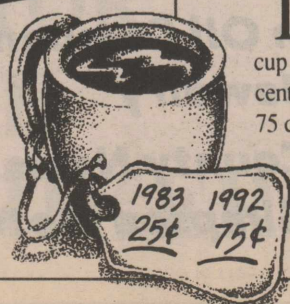

806-455-1132

Did You Know You Are Paying 20% Less For Electricity Than You Did Nine Years Ago?

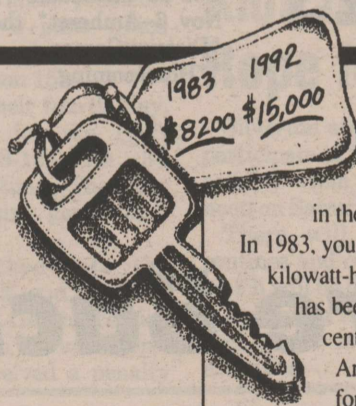

(94% of our customers didn't.)

Actual Price
 Price Adjusted for Inflation

In 1983, you could buy a cup of coffee for about 25 cents. Today, you pay around 75 cents. An automobile that carried a sticker price of \$8,200 is now listed for \$15,000.

Compare this to the average residential cost of electricity in the SPS service area. In 1983, you paid 7.59 cents per kilowatt-hour. Today that rate has been reduced to 6.08 cents. That is 20% less! And, when you adjust for inflation, the real cost has been reduced 42%!

Our heating rate has been significantly reduced, too. Today, you pay only 2.92 cents per kilowatt-hour to heat your

home electrically. That is much less than the national average for electric home heating.

And, because industrial and commercial rates, as well as residential ones, have come down, the area as a whole benefits. SPS' low rates can help attract new industry and encourage local companies to stay in our area.

ELECTRICITY FROM SPS. A GREAT BUY THAT KEEPS GETTING BETTER.

Lease of TWG's Grain Facilities is Negotiated with Dimmitt Cooperative

"We hope to have everything in place by the end of the week, country points ready to receive grain and an agreement signed," whereby Dimmitt AgriIndustries, Inc. would lease and operate Tulia Wheat Growers, Inc.'s grain facilities, said Bill Clark, general manager of the Castro County cooperative last week. This seems to have been accomplished, because TWG is continuing to receive grain.

It was very important for Briscoe County farmers to have an elevator to take their grain within convenient hauling distance, rather than having to haul to Claytonville or some other point. The freeze dictated that arrangements be completed quickly, because it moved the harvest date forward.

A producer information meeting was conducted in Silverton last week, and a similar session was to be held for Tulia stockholders.

Asked whether Dimmitt AgriIndustries, Inc. (DAI) would purchase commodities from local producers, Clark said, "We're buying now. We post a daily price. Stockholders here are entitled to the same privileges we have with our own membership."

"All warehouse receipts issued by Tulia Wheat Growers are now being accepted. We're issuing cash for

warehouse receipts" received by producers from the local cooperative.

Clark said "country points" are open to receive grain. Union Hill opened and was to be followed by Wayside, Flynt and the grain receiving terminal at Silverton. Officials anticipate these facilities will remain open only during harvest.

While officials of both cooperatives anticipate a lease agreement on all TWG grain facilities, Tulia Wheat Growers continued to operate its fuel and fertilizer divisions, bulk feed mill (custom mixes were discontinued), Tulia farm store and the gin, which is located in Briscoe County.

Don Russell is serving as interim general manager of Tulia Wheat Growers.

Although the federal warehouse license was to be secured in the name of Tulia Farmers Elevator, the business name is to be Dimmitt AgriIndustries, Tulia Branch.

Clark said the Dimmitt-based cooperative and local grain business would have common management.

Tulia Wheat Growers presently has six employees in its grain division and two employees would man each rural receiving point.

"Employees we had in place have the first right of refusal" when positions are filled, Thompson said. Interviews

were to be conducted to fill each position in the facilities which presumably have been leased by the Dimmitt cooperative.

Thompson emphasized that "right now we're working to make the transition as smooth as possible." He added that stockholders, the board and management desired "to keep this facility a cooperative in Swisher and Briscoe counties. The membership reaps benefits from doing business with a cooperative that they can't realize any other way."

He added, "We're pleased to be associated with Dimmitt AgriIndustries, because it is so well thought of in Castro County. There will be some bleedover effect."

Asked whether Tulia Wheat Growers anticipates permanently moving out of the grain business, Thompson responded, "at this point, no."

Thompson pointed out Dimmitt AgriIndustries "has in place market tools, such as a grain pool, that will enhance the opportunity for producers to market their grain in a profitable manner."

The DAI general manager said, "We come into this community to work with the community, just as we do in Dimmitt. We attempt to benefit the community."

Burning Fields Spark Citations For Castro County-Area Farmers

Go Owls!

Due to citations to local farmers, the Texas Corn Producers Board began working with the Texas Air Control Board on the rules and regulations concerning the burning of corn stubble in the fields. Carl King, executive director, and Harold Bob Bennett, executive assistant, have been in close contact with officials in the Texas Air Control Board (TACB) in Austin and in the Regional Office in Lubbock.

Carl King stated, "We are just trying to understand what the guidelines are for burning and how it pertains to the farmers."

"After numerous telephone conversations with the TACB, it is obvious they want to cooperate and work with us, but there are certain restrictions that must be followed," states King. The most important of these are that under absolutely no circumstances is the Texas Air Control Board going to allow burning when the smoke drifts toward a town, a public highway or road (paved or unpaved), or when wind speed is in excess of 23 m.p.h.

"The Texas Corn Producers Board and the Texas Air Control Board understands that there are economic and management needs for controlled burning such as double cropping systems, and the control of noxious weeds, but as farmers and good managers, the guidelines must be followed and the privilege of burning must not be abused," states Harold Bob Bennett. "We want to protect our constituents, the corn farmers, and at the same time cooperate with the Texas Air Control Board." Controlled burning may be allowed but written or verbal authorization must be obtained from the Regional office by contacting Jack Benton in Lubbock at (806) 796-3494.

The Texas Corn Producers Board is a state agency representing over 65,000 corn farmers in Texas.

Red Ribbon Week Proclaimed By Judge

Judge Jimmy Burson has proclaimed the week of October 24-31 as Red Ribbon Week in Briscoe County, and urges citizens to support the drug awareness programs to be held in Quitaque and Silverton.

This special week will show support for a drug-free community.

Supporters can pledge their commitment to America's Drug-Free Decade by signing Red Ribbon Pledge cards and supporting the activities that are planned.

School Nurse Margie Pinkerton still is seeking "little" door prizes to be given to students at the assembly program planned October 30. Inexpensive red items especially are needed. If you have something to donate as a door prize for this event, please contact Mrs. Pinkerton or Beverly Minyard, PTA president.

IN A FREE LAND, WE SHOULD EXERCISE OUR RIGHT TO VOTE

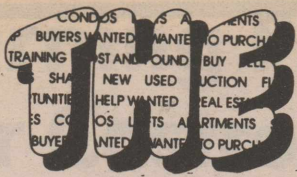

In every nation that calls itself a free land, there comes a time to either retain or replace its elected officials. The arguments by opposing candidates are heard for what may seem an eternity, and finally, after studying the issues, the electorate will have their say at the ballot box. As usual, there are the complaints about low voter turnout, a tragic situation incomprehensible to the people in countries where there is no provision for voting their leaders in or out. Those who don't bother to vote justify it thusly: "What's the difference who gets in? It won't help me any. Nobody has all the answers," and so they shouldn't complain if they don't like the outcome. Even between two able candidates, a choice can be made. We should always vote, and pray to God that our selections will be wise ones.

*In a democracy,
 agreement is
 not essential;
 participation is.
 —Gene Brown*

CARDS OF THANKS

We, Dorthy Hale and family, wish to thank the fine people in Silverton and Briscoe County who paid their respects, brought food and gifts, flowers and donations, and brought your love and care into our home during our time of sorrow. We love each and every one of you and we all sincerely give our thanks. Dorthy and family

Thanks to all you wonderful people for every kindness shown us when we lost our loved one. For every prayer, visit, phone call, card and letter, as well as for the bountiful meal you prepared and served for us. Your every expression of love will long be remembered. And may the love you showed us be passed on to you in your time of need. Thanks again. Frances Kellum Fred and Judy Kellum and family Leah Dare and Gene Goodwin and family Joe Kellum and Kristen David and Denise Kellum and family

Words alone cannot express all the good things you have done. The calls, the visits and the luscious foods from each and every one, your prayers to ask our God above to guide me back to health have touched my heart that each of you is blessed with all this wealth. It will take awhile for me to return to a normal daily pace . . . We surely know now how lucky we are to live in this wonderful place. Sincerely, Marshall and Shirley Watson

I would like to take this time to thank each and every one of the wonderful people who live in Silverton for the

flowers, food and phone calls during the sickness of my dear sister and her passing away. T. V. and Opal

To family and friends, we would like to say thank you for the prayers, cards, gifts and visits while I was at the hospital and recovering at home. It's nice to have people who care. Mike, Estella and boys

We would like to thank each and every one for the telephone calls, the cards and visitors that came to see me in the hospital and since I've been home and for the prayers that went up for me. I am getting along real good from my accident. May God bless you all. Joe and Elzora Gallington and family
