### FSA launches hay network to aid distressed farmers

John Rector, County Executive Director of the Knox County Farm Service Agency, announced August 17 a new effort to match farmers and ranchers suffering from hay shortages with producers having hay surpluses.

"Some areas have surpluses, and some have severe shortages," Rector said. "This is a new way to get producers in both situations in touch with each other."

Hay Net is a national clearing-house for producers with shortages or surpluses of hay.

Farmers and ranchers are encouraged to sign up and register their hay situation at their local FSA office. FSA will use its nationwide computer network to share the information.

Producers in need of hay will be provided with lots of the closest producers with hay to spare, and vice versa, allowing them to contact each other and make arrangements.

"I'm pleased to be a part of this effort," Rector said. "It's a tool for getting badly needed hay to people who need it as quickly and efficiently as possible. The more people sign up, the better the system will work."

Hay Net will remain in operation for six months.

Further information on Hay Net is available at the Knox County FSA Office, phone 940-658-3537.

### Another school year begins

"What do you mean.....now that I'm in Kindergarten, I have to go to school all day long ??"

ACTUALLY, THE NEW KINDERGARTEN YEAR brought a lot of new experiences, including a Friday afternoon "bring your favorite treat to school." In this photo, while Taylor Chappell appears to be surprised, he was really just enjoying the food! Shown with Taylor is his mother, O'Brien Mid-School Teacher Sandy Chappell. Classmates and parents became acquainted while enjoying the treats during this special time. Related photos inside this edition.

Don't forget that we are a loving, caring, sharing and helping Christian community. May the Lord's blessing be with each and everyone of you always!"

### August, '98 Sales tax rebate for Knox City takes dramatic 20.72% drop from August, '97

While smaller communities all over the State of Texas are trying to find new ways to create economic development and promote economic growth, some received a drop in the much needed state sales tax rebate delivered each month and placed back into general funds for use by community governments.

State Comptroller John Sharp delivered \$255.8 million in monthly sales tax rebates to 1,094 Texas cities and 118 counties, including a check of \$17,144.26 to Knox City. The rebate to Knox City reflects a decrease of 20.72% from a rebate check of \$21,627.01 for the same period in 1997. Knox City collects a 2.000% rate of sales tax, with a full 1.000% of the tax directed towards EDC funding.

Texas cities received \$235.6 million, 12.7 percent higher than payments of \$209 million at this same time one year ago. Counties received a total of 20.2 million in rebates, 8.6 percent above the \$13.6 million in allocations for the same period in 1997.

The checks delivered this month are for sales taxes collected

in June and reported by businesses filing monthly tax returns in July.

For other Knox County cities, Benjamin received \$789.53, a 4.00% decrease from \$822.51 for the same period a year ago. Goree received \$707.66, up 6.18% from a payment of \$666.42 last year at the same time. Munday received \$11,942.63, up 26.53% from a payment of \$9,437.87 in 1997 at the same time. Munday collects a 1.500% rate of sales tax, with Benjamin and Goree collecting a 1.000% sales tax.

In Haskell County, Haskell received \$38,230.22, up 17.09% from a payment of \$32,648.92 in 1997. Haskell collects a 2.000% rate of sales tax. O'Brien received \$283.80 this period, down 24.07% from a payment of \$373.80 a year ago. Rochester received \$1,986.56, up 33.01% from a payment of \$1,493.54 during the same period last year.

In Jones County, Stamford received a payment of \$54,161.65, up 5.26% from a payment of \$51,452.60 in 1997. Anson received \$18,667.16, up 0.53% from a payment of \$18,567.62 last year. Hamlin received a check of

\$22,456.02, down 1.55% from \$22,810.75 in 1997. Stamford, Anson and Hamlin all collect a 2% rate of sales tax.

In Baylor County, the city of Seymour received a payment of \$18,892.81, up 3.08% from a payment of \$18,328.05 in 1997. Seymour collects a 1.000 rate of sales tax.

In Foard County, Crowell received a payment of \$7,044.51, up 2.61% from a payment of \$6,864.97 in 1997. Crowell collects a 1.500% rate of sales tax.

In Dickens County, Dickens received \$2,913.85, up 47.56% from a payment of \$1,974.60 in 1997. Spur received a payment of \$4,991.47, up 11.94% from a 1997 payment of \$4,458.70. Dickens collects a 1.5% rate of sales tax, while Spur collects a 1% rate.

In Cottle County, Paducah received a payment of \$7,697.09, up 50.59% from a payment of \$5,111.03 in 1997. Paducah collects a 1.5% rate of sales tax.

## O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"When my grandson Jonah lost his first tooth, I excitedly explained that the tooth fairy would be coming that night. The idea upset Jonah, and he asked me to tell her not to come. So I pretended to call the tooth fairy by having a conversation with the dial tone. Jonah wasn't satisfied. 'Grandma', he said, 'did you talk to the real tooth fairy, or did you get her answering machine?'"

Here and There - Visiting Alton and LaUna Hester, Bernice Rowan, Beatrice Ellis and I Sunday afternoon were two former residents of O'Brien and now live in Snyder, Leon and Polly Autry. The Autrys ran a grocery store in O'Brien. Several years ago and were members of the O'Brien Baptist Church. Polly also was a school teacher.

I was in Goree last Thursday to attend the funeral for Ina Roberts, the mother of my son-in-law Kenneth Roberts of Plainview. Mrs. Roberts was in Seymour hospital when she passed away. Her home was in Goree and she was 94.

Claudia Reid of Rochester, Tamara McGaughey of Knox City and Kevin Urbanczyk of Munday visited with Ranzy and Adelle

Herring last week.

Paul Dean Gothard and wife Kay of Blackwell came by Paul's father's, Dwight Gothard's, house Sunday and picked him up and carried him out for a chicken and dressing lunch at the Cliff House in Stamford and did he ever enjoy it.

Evelyn Trice spent a few days in the hospital in Abilene last week. She had a recent change in her pacemaker and a few other checkups and was dismissed and came home feeling good.

J.O. and Charlene Brothers have been in and out of the doctor's offices the last week and will continue part of this week. J.O. had some cancers removed from his face and was to have more today. Charlene's checkups have been doing pretty good but she's to have an angiogram Wednesday.

Evelyn Underwood is going to Abilene once a week for a shot in her knees. Remember all of these in your prayers. Bernice Rowan also went for checkups and she's doing real good.

Jim Beauchamp of Rochester came by and visited me a while last week. Jim just recovered from brain cancer and doing great. Jim

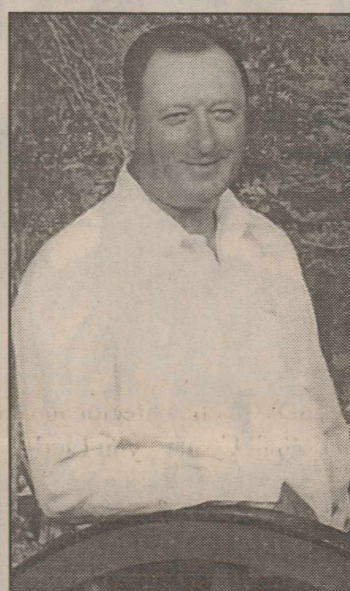

graduated from school in O'Brien a few years ago. Jim has faith that everything is going to be great. We enjoyed talking about old schoolmates and friends.

Visiting Orval and Helen Manning Tuesday was Orval's nephew, Waymon Roberson and wife Linda and daughter and two grandchildren and daughter-in-law. He is a jet pilot and flies out of Dallas. The rest of the Robersons are from Lindsey, California. Charlene Brothers of O'Brien came by for a visit.

The family of Johnny and Bonnie Jo Lippard met Saturday night, August 15, at Luby's Cafeteria in Wichita Falls to celebrate Jonette Tibbets birthday. Attending were Bobby, Samantha and Delany Lippard of Reading, Michigan; Jim, Nancy and Joseph Ellis and Bobbi Lippard of Bethany, Oklahoma; Bruce, Jonette, Wesley, Shawna and Leah Tibbets of Rochester, Denny and Christy Tibbets of Abilene, Mark, Judy, John Henry, Rebekah and Diedra Lippard of Blanchard, Oklahoma; Mr. and Mrs. Calvin Lippard of Iowa Park, Junior and Myra Reeves and Johnny and Bonnie Jo Lippard of Knox City.

## Notice of Public Hearing on Tax Increase

The Benjamin I.S.D. will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll by 1.88 percent. Your individual taxes may increase or decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The public hearing will be held on August 27, 1998, 7:00 p.m. Benjamin School Library

FOR the proposal: Tracy Cartwright, Shana Heard, Tim Horne, and Mitzi Ham

AGAINST the proposal:

PRESENT and not voting:

ABSENT: Wyman Meinzer, Randy Reed, and Richard McCanlies

The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average residence homestead value	\$ 11,167	\$ 11,395
General exemptions available (amount available on the average homestead, not including senior citizen's or disabled person's exemptions)	\$ 15,000	\$ 15,000
Average taxable value	\$ -0-	\$ -0-
Tax rate	1.39	1.39
Tax	\$ -0-	\$ -0-

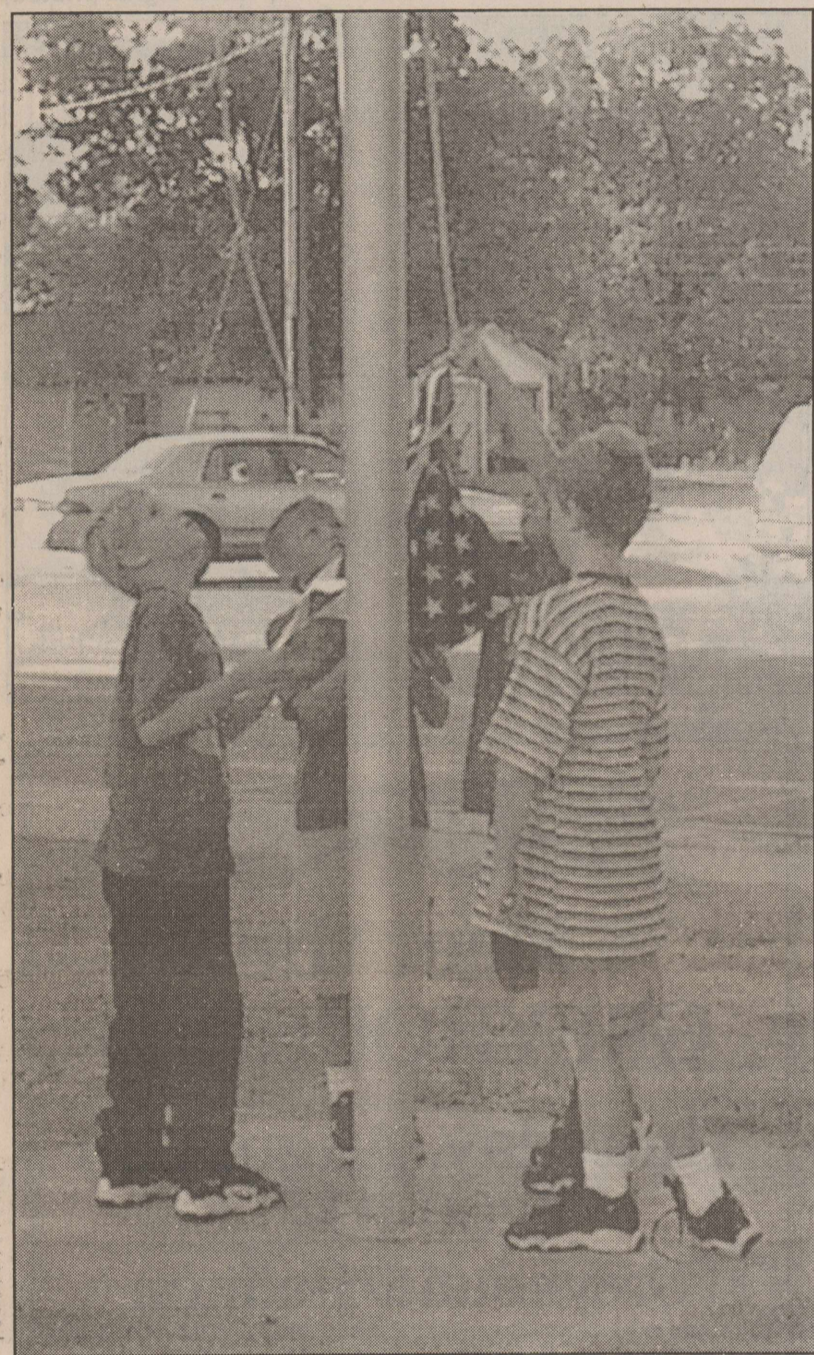

Under this proposal, taxes on the average homestead would not change by \$ -0- or -0- percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would not change by \$ -0- per \$100 of taxable value or -0- percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

**Elementary students raise U.S. flag that flew over Kuwait**

KNOX CITY ELEMENTARY SCHOOL PRINCIPAL Maribeth Williams holds the certificate that accompanied a United States flag that flew over Kuwait. The flag was presented to the elementary students in recognition of their efforts during the last school year to support U.S. Armed Forces Servicemen stationed overseas. Shown in the background, elementary students lined up for the flag raising ceremony early Monday morning.

PROUDLY RAISING THEIR FLAG to fly over Knox City early Monday morning, these Knox City Elementary School students are shown raising the United States flag that flew last over a U.S. military installation in Kuwait.

**U.S. Flag presented to K.C. Elementary**

The students and faculty members of Knox City Elementary School lined up early Monday morning to raise a very special United States flag at the school.

In recognition of their support of U.S. military troops serving overseas during the last school year, the students received an unexpected surprise when the school was presented with a U.S. flag that once flew over a United States military installation in Kuwait.

Accompanied by a certificate of appreciation, the flag presentation was arranged by U.S. Air Force Airman Steven McQueen. During the project last year by students at Knox City, McQueen was the recipient of a large box of food and letters from the students. He is married to the former Erin Lierly, daughter of KC-O'Brien CISD Athletic Director and Head Football Coach Lynn Lierly, and Lorra Lierly, a first grade teacher at Knox City Elementary School.

The students worked hard to collect the food, write the letters, and send the packages to three servicemen that had ties to Knox City. Besides McQueen, boxes were sent to Ronnie Reece and Lance Dever, both who are in the United States Army and were stationed overseas when the students undertook their project. The school received letters from the men, who thanked them all for their efforts.

**Weigh Down Workshop set at FBC**

Do you feel like a slave to food? Do you fight the battle, only to regain the weight soon after? If so, come to a free orientation session and learn about The Weigh Down Workshop - a Christ centered program that teaches replacing devotion to the refrigerator with a deeper, more satisfying devotion to God.

Through this 12-week seminar, participants will learn how they can be delivered from the slavery of overeating and of dieting. God can change hearts so that one can truly have no desire to eat

if not physically hungry.

The free orientation will be held on August 23 at 5:00 p.m. in the First Baptist Church chapel.

This program is for men as well as women, so make plans to attend.

A video lesson is presented each week in class and each participant receives a workbook and set of 12 audiotapes.

Discover the program that is changing peoples' lives as well as their weight.

For more information, call Beverly Munsell at 658-3632.

## Hewitt granddaughter meets Dallas Cowboys center

ASHTON NEAL & DALLAS COWBOYS CENTER CLAY SHIVER  
(Courtesy Photo)

Ashton Neal, six year old daughter of Toni and Tony Neal of Wichita Falls and granddaughter of Loretta and Coy Hewitt of O'Brien, was one of the winners in an event called the "Dallas Cowboys Helmet Carriers", sponsored by radio station KLUR FM 99.9 at the Dallas Cowboys training camp.

Ashton was one of 15 who participated in the event held on August 5 at the 4:00 p.m. practice.

The children were all given white T-shirts from the Dallas Cowboys pro shop on the field with blue and silver cowboys colors reading "Dallas Cowboys Official Helmet Carrier" on the front. They lined up near the field and waited for the players to come out and were matched with the first 15 players on a first-come, first serve basis.

As the players came out, they would hand their helmet to one of the waiting children and would walk with them onto the field. They talked with each participant and autographed their t-shirt.

Ashton's player was Clay Shiver #50, starting center for the Cowboys. He autographed her shirt and wrote "God Bless You" and the Bible verse Phillipians 4:13 on it.

Helmet carriers also had their pictures made with their players during this special time.

## Benjamin news

By Gladene Green, Benjamin Correspondent

Well, for some it's already started and for our Benjamin students, school starts Wednesday. Seems nearly all of them are ready to go so that will make it more pleasant for everyone. It's bad when kids don't want to go.

Kenneth Roberts continues to improve nicely since his recent knee surgery. Still kind of a "slow go" but that will, also, improve as the days pass.

Leroy West was in Abilene Thursday to see his doctor. He has to see him again in a month for a further check on his problem. Leroy says he's feeling better, hopes surgery can be avoided.

Debra Moorhouse is continuing to feel pretty good after her chemo and radiation treatments. Says all her follow up tests show good results and that she's just where she's supposed to be at this point. She has another round of chemo in a couple of weeks.

Bill Spikes is doing well with his full oxygen treatments getting ready for his dental work. He's about midway on his treatments.

Others, who have not been feeling the best this summer, among them, Bill Ryder, Nora Duke and Ruth Ressel seem to be doing some better.

Dennis Duke also is doing OK since his eye accident. He's working every day so a pretty good indication that things are better. Of course, I don't think he missed any work to begin with. But good to know things are OK with him.

Shannon Parker is also continuing her positive progress and that is good to report. She has had a pretty "home bound" summer but of course, she and her family (and the rest of us) are very thankful for her condition as it is. There surely could have had much more serious consequences from the accident, which she was involved.

As always, our very best to all these dear friends.

New Arrival - It's a baby girl for Christi and Ryan Ross. Catherine Ann was born Wednesday, August 12, at 9:00 a.m. at the Childress Regional Medical Center. She weighed seven pounds and was 20 inches long. Very

proud grandparents are Jack and Judie Whitten of Benjamin and Ron and Kathy Ross of Grundy City, Iowa. Maternal great-grandparents are Bill and Pearl Ryder of Benjamin and the late David and Adele Whitten of Eastland. Judie is with her new granddaughter and her parents to help out for a few days. Christi, Ryan and Catherine live on the Johnson Ranch near Clarendon.

Ex-Students Get-Together - During the homecoming in June, the class of 1945 of BHS got-together for the first time since they graduated. All of the grads who are now living were there except Margaret Bill Robertson, who was ill. Bryson Laird, one of their classmates, is now deceased. Those present were Nolan Parker of Stanton, Joe Ben Qualls, Cleburne; Walter Carl Taylor, Vernon; Wanda Benson Jennings, Wichita Falls; Vega Carter Swift, Houston; and Claudia Meinzer Rentrop, San Augustine.

Here 'N There - Lewis and Betty Lyles were in Lubbock on Saturday for the graduation of their granddaughter, Suzanne Robinson from Texas Tech. Suzanne is the daughter of Judy and Tommy Robinson of Sherman.

Charlie Barker of Austin was an overnight guest of Mary Bohannon and Jonnie Williams Friday night. Charlie is Mary Tom's cousin.

Tammy Kilgore of Denver, Colorado, visited me on Friday afternoon. She's the daughter of Jerry Kilgore who is a second cousin to my late husband Van. She was doing a family tree study on the Greens. Think I was able to help her out a little and I did enjoy visiting with her.

Sharon Johnson and Maretha Patterson visited with Sharon's daughter and family in Seminole.

I spent the weekend with my girls, Debbie and Diane and their families in Childress.

The following is about the Coody reunion held in mid-June. Claudia Meinzer Rentrop sent the write up to me, thinking some of the family who were not able to attend, would enjoy reading about

what they missed and who they missed seeing.

The annual Coody family reunion as held on June 13 and 14. On June 13, the annual picnic was held at the Knox City Park with 40 present. A good time was had by all that attended. Several brought genealogy and compared their research with other family members.

The annual Sunday meal was held at the Knights of Colubus Hall in Rhineland with 92 present. Among them were Mary Crow, Hurley, NM; Dudley and Ruby Myers, Donnie Coody, Seymour; Louella Huberdeau, Harrah, WA; Frank and Lois Coody Fine, Duncan, OK; Floyd and Martha Coody Huff, Joplin, MO; Tommy Benson and Linda, Charlie Benson and Julie, Abilene; Mike, Imojean, Ashley and Brittany Howse, Mansfield; Gene, Casey and Chance Howse; Penny and Raymond Lee, C.W. Harbert, Arlington; Claudia Meinzer Rentrop, San Augustine.

Also, Butch McCanlies, Billy Carl, Bubba, Laura, Sadie, Karla and Dylan Benson, Pat Benson, Stephen, Sheila, Aaron, Seth, Kaitlyn Kuehler, Benjamin; Daryl and Tomi Gayle Rios-Maldonado and son, San Antonio; Maida B. Scott, Moran; Greg and Robin Chester, Cleburne; Billy and Linda Gooch, Mansfield; Mattie Meinzer, Childress; Delbert, Derick Blyton, Laura and Justin Harlon, Grand Prairie; Wanda Benson Jennings, Kenneth and Ola Mae Benson, Kenneth and Thelma Myers, Wichita Falls; Joy Lowe, Longview; Ron and Jeanette Coody, Farmers Branch; Steve Maberry, Marilyn, Heather and T.J. Moore, Jerry and Sheila Benson, Munday; and Bob and Marie Meinzer, Albuquerque, NM; Bobby Meinzer, Rancho Santa Fe, CA; Cheryl Meinzer, La Costa, CA; Leann Benson, Abilene; Nancy Coody Morales, Tyke, Gina Meinzer and son, Haskell; Billy Van, Warren P. A study in the Archives of Internal Medicine maintains that living wills can save about \$60,000 per patient in medical costs. Researchers studied 474 patients who died in a hospital during 1990-92. Bills for those without living wills were three times as high.

Currently only one medical school in the entire country, out of 126, has a full-fledged department of geriatrics: Mt. Sinai School of Medicine in New York.
