# HealthFair '98 is Saturday at hospital

The Knox County Hospital District will be sponsoring HealthFair '98, Saturday, October 10, from 9:30 a.m. until 12:00 noon on the front lawn of the hospital.

Among the features this year will be free blood pressure checks, First Flight Air Ambulance, bone density scan, cholesterol screening, glucose levels, refreshments and drawings for free t-shirts. Flu shots will also be given and are \$5.00 payable at the time of service.

Se la

The purpose of HealthFair '98 is to allow the area residents to browse around various healthcare related vendors and providers, to see first hand the various healthcare options that affect daily lives.

Whether it is preventive medicine, wellness or the latest in medical technology, all aspects of the medical field will have representation. This year will be the first year to have the bone density scan testing which will be of no charge to the patient. The purpose of this test is early detection of possible bone loss and osteoporosis. The test is completely painless and is conducted on adults over the age of 30 and the results are tabulated instantly.

As in prior HealthFairs for the hospital district, cholesterol and glucose screenings will be offered at no charge. It is requested; however, that glucose screenings have the blood drawn prior to eating or drinking for the day.

In the hospital's 'Wellness Center', a climate controlled atmosphere with the latest in treadmills, exercise bicycles, rowing machine, stair steppers and a complete set of weight equipment, are available. Contact Teresa Murray at 658-3535 for details on discounted regular membership fees.

In the event of inclement weather, the HealthFair will be held inside the hospital. Come rain or shine, its HealthFair '98 time!

# Greyhounds robbed of win in final 17 seconds of tough game

By Coach Paul Starkie

Friday night's game against the Petrolia Pirates was an exciting battle that came down to the last few seconds of the game.

The Greyhounds took the ball on their first possession and drove down the field. Their drive stalled following a holding penalty, but they kept the ball for most of the first quarter, and turned the ball over on downs deep on the Pirates' end of the field.

Early in the second quarter, the Greyhounds drove down and scored on a short run by Michael Baez. Myles Richardson added the point after, and Knox City was up 7-0. Petrolia, however, came right back with a couple of big plays to score and added the point after to take the lead 8-7.

The score remained unchanged

until the fourth quarter when Knox City put together nice drive which ended in a Brandon Gutierrez touchdown. Myles Richardson's kick for the point after was blocked leaving the Greyhounds ahead 13-8.

Again, those pesky Pirates came right back to score a touchdown with 5:31 left in the ball game. Their extra point attempt was no good, but they had the lead 14-13.

The Knox City Greyhounds then mounted an impressive drive which ended in a Nefro Gonzales run for

a touchdown and a Nefro Gonzalez run for the two point conversion with only 1:34 left on the clock.

This last Greyhound drive included some nice runs and some well executed blocking from the front line and seemed to pull out a victory for the Greyhound Homecoming. However, the Petrolia Pirates came right back with a long pass and a short run to score. Then, the Pirates' attempt at a two point conversion was good to take the lead 22-21 with only 17 seconds left to play. The players on both teams should be commended for their tremendous effort and a very thrilling game.

Come and support the Knox City Greyhounds as they travel to Munday this week for their first district game.

the goal of Breast Cancer Awareness Month is to increase awareness of the importance of early detection of breast cancer through public and professional educatio efforts.

To find breast cancer early, women should do breast sel-examinations every month, have a health professional check their breasts every year and have regular mammograms.

All women have a chance of developing breast cancer. Women 50 or older are the most likely to develop breast cancer.

The American Cancer Society recommends that women 40 or older get a yearly mammogram and breast exam. Getting a mammogram and breast exam only once is not enough.

#### Hospital to participate in 'Think Child Safety'

Knox County Hospital Trauma Center is participating in a "Think Child Safety" program sponsored by Big Country Regional Advisory Committee.

This program is geared toward educating the youth in Knox County on how to be safe in their everyday lives and avoid unnecessary injury and death. To utilize the teenage student population to reach younger children in the message of safety. To create safe zones for children in emergencies using community resources. To build community safety coalitions to protect children and to reduce the number of injuries and death in Texas children.

This program was originally started by the Paris-Lamar county EMS after they lost nine children in a six-month period.

The Regional Advisory Committee has adopted this very worthwhile program for public education. The trauma center will be needing "Think Child Safety Partners" from all the town in Knox County to assist with buying tshirts, stickers and other material.

Persons who would like to be a "Think Child Safety Partner" should contact Sheila Kuehler or Gayle Hudson at the Knox County Hospital at 658-3535.

"Cleanliness is next to what?" asked a teacher.

"Impossible," answered a boy. Maybe you've felt that way too.

You've tried to achieve it in your own strength. But you've failed. However that vain struggle will disappear if you turn your life over to the Lord.

He loves you. He'll forgive you, save you, enable you - if you'll trust Him.

With His power, all things are possible. And to that despairing cry, "I can't!" or "I ought to, but -," you'll change it to, "I will."

For "I can do all things through Christ who strengthens me."

#### **Knox County 4-H'ers compete** with record books

Seven youth from Knox County completed 4-H record books for the 1997-98 year. These record books competed at the district level on July 14. Two of these record books advanced to the state level. This judging was held in College Station on August 10-12.

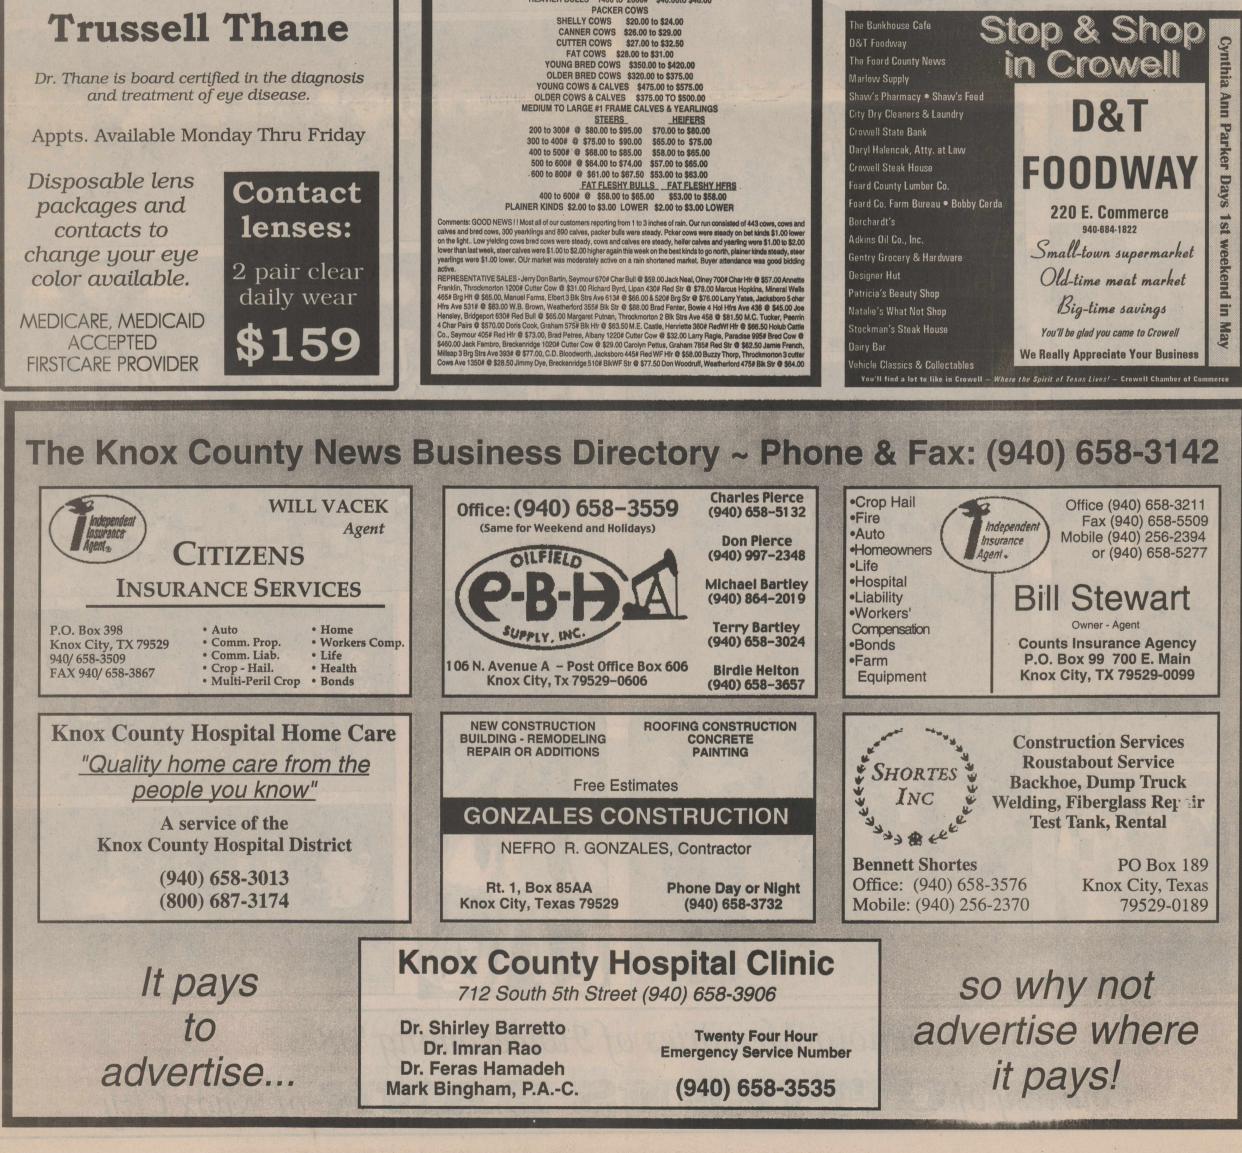

In the junior age division, Jordan Lowe of Munday placed first in safety. Vanessa Solis of Knox City placed second in the housing and home environment category.

Justin Lowe of Munday placed first in the intermediate age division of the safety category. Logan Morrow of Knox City placed third in a very tough intermediate horse category.

As seniors, all individuals winning their district category advances to the state level. In the senior bread category, Mandi Myers of Munday placed first. Mandi advanced to state where her record book placed sixth.

In the senior horse category, Roni Morrow of Knox City placed first. This record book placed seventh at the state contest.

The final Knox County 4-H record book for 1997-98 was completed by Jessica Frazier of Knox City. Jessica did not place at district, however, she had an outstanding record book considering that this was her first year to com-

## **Benjamin news**

What a busy week this past week has been but a very, very enjoyable one. The revival at First Baptist Church was well attended and what a blessing it was to all!

And on Saturday, I attended homecoming at Munday and enjoyed so much seeing so many of my friends from school days. The crowd there was a good one. The parade on Saturday morning was some 50 to 60 floats strong. And some were really nice ones with lots of work put into them. Our class of '56 had a float in the parade and 10 of the graduates of the class rode on it. When the judging was over, we didn't win, but had fun!

Football game time found the Moguls battling the Archer City Wildcats - and winning! ! 27-0. Homecoming royalty was crowned at halftime. I was selected as one of the nominees for coming home queen along with Joy Guffey Hord, Donna Michalik and Selwa Choucair. The high school nominees were Alicia Herring, Kristi Harlan, Amber Reed and Anna Marie Waldrip. Amber was crowned but all those girls were winners as far as I was concerned. All very pretty young ladies. So all in all - it was a fun day and I look forward to the next one.

Regarding The Ill - Debra Moorhouse had a through checkup last week and doctors found no sign of cancer anywhere so needless to say, Debra and her family were very glad to get that news. She's feeling pretty well and staying busy with her job as school secretary

#### Tommy Latimer has taken a turn and is again in very critical condition. Still a patient in ICU at Bethania in Wichita Falls, Tommy had shown some improvement about mid-week but news today was not nearly as encouraging. He and his family need our prayers.

Former resident Grace Bisbee, now a resident of Haskell, suffered a massive stroke at her home early last week. She's in Hendrick Hospital in Abilene and reports near the end of the week are that she has shown some improvement. JoAnn Hamilton was in Abilene on Thursday to see her arthritis doctor. She said he told her to continue the medication she has been on for several weeks.

Shannon Parker is improving daily and has been able to lay aside one of her crutches. That's great news as she has had a pretty rough time of it.

Wynelle Holloway, sister of Omitene Barnett, will undergo surgery Tuesday in Fredericksburg Hospital. Wynelle has had health problems for a while and of course, we wish her well with her surgery. Remember all these friends in your prayers.

Sympathy goes to the family of Betty Reeves Meinzer today. Betty died Saturday in a St. Louis, Missouri, hospital. Her funeral will be Tuesday in Knox City. She was a sister-in-law of Benjamin resident Earlene Meinzer and her husband was the late Walter Buck Meinzer.

Judie Whitten returned home Wednesday night after a few days helping her daughter and family, Christi, Ryan and Kate Ross move

from Clarendon to near Ardmore, Oklahoma. Judie said Kate is growing and "sure is pretty".

Jane Gideon spent the weekend with her brother, Joe Nunley in Seymour. Also visiting Joe and Jane was another sister, Joy Yancey of Wichita Falls.

Fred Louis (Screwdriver) Crenshaw of Abilene visited friends here Thursday and Friday and attended the revival Thursday night.

Weekend guests of Hazel Stockton and Bud Conner were Michele Conner and Bob and Stephanie Brannan of Lubbock. Bob and Stephanie visited his mom, Gertrude Brannan.

Jimmy Barrientez of Lubbock spent the weekend with his parents, Raul and Reyes.

Sharon Johnson and Maretha Patterson returned home Sunday after several days in New Mexico and visiting in Seminole.

Several locals attended the wedding of Craig Hertel and Donna Havercamp in St. Peter's Catholic Church in Lindsey Saturday afternoon and the reception following at St. Peter's Centennial Hall also in Lindsey. Those attending from Benjamin were Jessie Roberts, Rachel Duke, Nancy McGreger, Pam and Dennis Duke, Rebekah and Phil Boone (of Trent), Jack and Mary Young and their grandson Trevor Neil of Haltom City, Jim and Barbara Pratt of course, Craig's parents, Don and Louise. Others from the area attending were Darlene Bellinghausen and Mr. and Mrs. Mat Verhalen of Knox City. The Hertels said close to 500 persons were in attendance.

"How would you disperse a crowd?" "Take up an offering," he answered. "That does it every time." But man is at his best when he gives. His manliness suffers if he doesn't give.

Do you know why God receives your offering? Because He needs it? No, but you need to give.

Dear Fellow West Texan: As I have walked the neighborhoods of West Texas and District 70, I'm more confident than ever that we can solve most of our problems if we rely on the resourcefulness of our communities rather than on government bureaucracies in Austin or Washington D.C. As Governor Bush has shown, that means less interference from government, allowing working people to keep more of their hard earned dollars, and returning power and resources to local communities. I believe that families are still the basic building of society and that we can do much more to restore the fundamental values of our nation by electing principled leaders to office - leaders who represent communities, not More than anything else, we need elected officials who will truly take the special interests. time to listen and respond to your concerns. More than likely, I've been to your home and listened if you had an issue to discuss. If I missed you, I hope we'll meet in the near future. I look forward to hearing from you and working with you to build a better Texas. Sincerely,

# **TxDOT** to hold public meeting

CHILDRESS - The Texas Department of Transportation will hold a public meeting on Tuesday, October 27, at 7:00 p.m. in the Perry Patton Community Center located at 131 West Cisco Street in Munday.

The community center is handicap accessible.

The purpose of this meeting is to discuss the Transporation Improvement Plan (TIP) for the Knox, King, Cottle, Foard, Motley and Dickens counties of the Childress district.

The TIP is a three-year plan developed by TxDOT. It includes a priority list of projects that will be carried out within the 3-year period, and a financial plan that demonstrates how the TIP can be implemented, indicates resources from private (if any) and public sources that are reasonably expected to be made available to carry out the plan, and recommends any innovative techniques to finance needed projects and programs.

Verbal and written comments relative to the proposed projects may be presented at the meeting or submitted to Darwin Lankford, P.E., Advanced Planning Engineer, TxDOT, P.O. Box 900, Childress, TX 79201, (940) 937-7186, at any time on or before October 27, 1998.

This meeting will be conducted in English. Any request for language interpreters or other special needs should be made at least two days before the public meeting by contacting Barbara Seal, Public Information Officer at 940-937-7145. TxDOT will make every reasonable effort to accommodate these needs.

# **Houndettes upset Rochester**

The volleyball action could not have been any better than it was last Tuesday night at the Knox City gym. The Houndettes defeated the Rochester Lady Steers in two games, 15-8, 15-11.

A full house witnessed the hard fought battle by both teams. The win moved Knox City into first place as the first half of district came to an end.

The Houndettes are now 5-0 as they begin the second half of district play.

# 'Houndettes of the week'

The entire Knox City varsity volleyball team deserves this week's honor. The Houndettes defeated Rochester last Tuesday in two games, 15-8, 15-11.

Varsity Houndettes are freshmen Nikki Gonzales and Angela Roberts, sophomores Kayla Garcia, Erica Quintana, Tandy Roberts and Jennifer Vacek, juniors Lauren Clonts and Roni Mor-

## **JV Houndettes thump Rochester**

The JV volleyball team hosted and defeated the Rochester Lady Steers last Tuesday in two games, 15-9, 15-0. The JV's record is now 7-3.

JV team members include Natalie Bloxham, Crystal Espinoza, Dana Holmes, Tiffany Jobe, Mandi Kimmel, Audrey Lankford, Belinda Lerma and Jane Ann Penman.

The JV team will return to action Tuesday, October 13, as they travel to Rotan. Game time is 5:00.

A mother took her son to a cafe for lunch. Glancing around the room the boy saw a sight that puzzled him.

"Mom," he cried, "look at that man at the counter. He closed his eyes and he's talking to his lunch." Sad, isn't it, that the boy thought

only of the lunch, and not of the Lord. You can tell he had prayerless

parents and graceless meals, can't you?

What do you have at your home?

One thing that's needed in the American home is the family. And one thing that's needed in the family is parents who pray and read the Bible. It's true - the family that prays together stays together.
