# Scouting's Eagle Rank awarded to J.J. Rios in weekend ceremony

J.J. RIOS proudly displays his Eagle badge and certificate.

MEMBERS OF KNOX CITY'S BOY SCOUT TROOP gathered on Sunday afternoon for an award ceremony in honor of J.J. Rios (far right) receiving his Eagle rank, the highest rank in scouting. Shown here with J.J. are (left to right) for the ceremony were Eagle Scout Kevin Patton of Haskell, Wesley Powell, Nathan Lierly, Landon Weiershausen, Grant Lewis, Caleb Carver and Josh Ivlie.

## Family proud as their son earns highest rank in Boy Scouts of America

This past Sunday afternoon, Knox City's Boy Scout Troop gathered with scouting officials, families, guests and friends at the Doug Meinzel Community Center for an awards ceremony that held special significance for J.J. Rios and his family. Honoring J.J.'s rise to scouting's highest rank, the ceremony marked the official presentation of the Eagle pin and certificate to J.J. In attendance for the ceremony were J.J.'s Boy Scout Troop and their families, local scout leaders and their families, scouting officials from Haskell and Wichita Falls, and others who took part in the presentation ceremony. Special honored guests were J.J.'s parents, Jessie and Dora Rios, shown in the photo at left with J.J. following the presentation.

During the 30 minute ceremony, a walk down the 'Eagle Trail' highlighted the various phases of scouting and reminded J.J. of the sacrifices he and his family have made on the long journey towards becoming an Eagle Scout. Each scout present for the ceremony had a part in the presentation, a process of participation that encourages each scout to work to the best of their personal ability as they also envision receiving the Eagle rank.

A meal was served following the ceremony and everyone present had an opportunity to visit and enjoy the gathering.

## O'Brien Bulldogs clinch first place in district

By Coach Jimmy Chappell  
The O'Brien Bulldogs clinched first place in district and capped an undefeated season with a 28-8 victory over Paducah.

O'Brien posted an 8-0 record including a 5-0 district mark during this season where they outscored their opponents by an average of 38-10.

Offensively, the Bulldogs moved the ball consistently only having to punt three times the entire season. They also averaged less than one turnover per game.

Defensively, the starting unit allowed only one touchdown from scrimmage the entire season. They also averaged three takeaways per game.

The special teams did an excellent job of keeping the opposition pinned deep in their own territory on punts and kickoffs.

Besides providing good field position for the offense, the punt and

kickoff return teams scored five times.

Overall, the Bulldog team matured over the course of the season and the coaching staff is pleased and enthusiastic with their progress.

## O'Brien Class of 1948 celebrates 50 years as they gather for a homecoming reunion on October 10

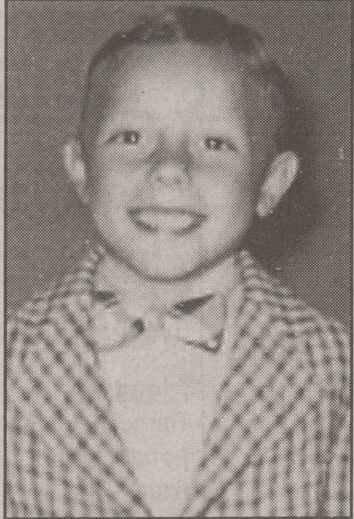

The O'Brien graduating class of 1948 celebrated their 50th class reunion during the O'Brien Homecoming on October 10.

Eight members and the ones that still have their spouses met at The Heritage House for the evening meal. Afterwards, they went to the

home of Margaret Waldrip Hill in Munday to reminisce and look at the "50th Class Reunion" book that Jean Banner made for each member. Senior sponsors Mr. and Mrs. Pat Wyatt also composed a book of their family and sent one to each member.

Our of the graduating class of 13, eight members were present. Two are deceased and three were unable to attend.

The "50th Class Reunion" bok consisted of a questionnaire that was filled out and returned and pictures of each member's family,

At 10, you were 'Nifty'!

Now look who's 50!

**O'Brien happenings**

By Audie Johnston, O'Brien Correspondent

"Mom's The Word - Mother's Helper: What every child suddenly becomes when he or she wants to borrow money. Mother Tongue: The only tongue on earth that has ever had to utter "Did you flush?" to another member of its species. Working Mother: What a woman becomes the instant she leaves the delivery room. Mother-To-Be: Woman who still takes sleeping through the night and doing errands along for granted. Mother's Day: What is made each time a child uses such beautiful words as "thank you" or "I

love you." Here and There - Dan and Marilyn Talbot were in Shallowater Saturday to visit their daughter Cathy Hughes and husband Greg and son Derrick. They will be going to Corsicana on Tuesday to visit with Marilyn's sister. O'Brien Baptist Church had the community men's breakfast Saturday morning at 7:00 a.m. The meal was good and enjoyed by around 30 men. The program was very meaningful. There were several churches attending the meeting. Craig Brothers and son Chase of Abilene visited with his par-

ents, J.O. and Charlene Brothers, over the weekend. Demp Emerson's sister and niece of Muleshoe visited Demp and wife Hazel over the weekend. Beatrice Ellis and Stella Carver were in Lubbock Monday for some shots in their hip and knee. This will be Beatrice's fifth and last shot and Stella's third. The shots seem to be helping both. Barbara Kimbrough of Haskell and Barbara Banner of Hawley visited Billie Walker last week. Bennett and Sue Shortes were in Lubbock over the weekend to visit Sue's daughter, Stefani Stephens, student at Texas Tech.

# Thank You.

"Four years ago, you trusted me with your vote when you chose me as your State Senator. I worked hard to keep that trust. Now, you have honored me again with your support. I just wanted to thank you and let you know that I will again strive everyday to maintain the trust you have placed in me. Representing this district in Austin is a privilege, and I look forward to again serving as your voice in the Texas Senate."

A Maine physician says more and more men and women in their 40s and 50s are being treated for fractures related to osteoporosis. And he says the disease is more prevalent in heavy drinkers and smokers in that age range. That's because alcohol is "toxic to bone" and because chemical substances in cigarettes can interfere with normal bone regeneration. Osteoporosis is a progressive disease that causes victims to lose bone density. The disease causes about 300,000 hip fractures yearly.

**Immunization clinic is Thursday**

The Texas Department of Health will conduct an Immunization Clinic at the Community Center/Housing Authority in Knox City on Thursday, November 12, from 10:00 to 11:30 a.m. and 1:00 to 3:00 p.m. Immunizations offered include DTaP, Hib, Polio, Measles, Mumps and Rubella and Hepatitis B for infants as well as all school immunizations. The Hepatitis B immunization is required for kindergarten entry in the fall of 1998. This immunization series consists of three injections taking a minimum of six months to complete. The hepatitis B immunization is also available for any child at risk or any child whose parents wish them to have for

protection or prevention. The varicella (chickenpox) vaccine has arrived and is now being given to 12 month old through 15 year olds. If interested in more information on the varicella, call the Texas Department of Health office. Participants are asked to bring immunization records and social security numbers. A parent, adult family member or legal guardian must accompany a minor. All services provided by the Texas Department of Health are provided on a sliding fee scale but no one is denied services due to an ability to pay. For more information on any of the immunizations, call 817-574-2159.
