## Offense Player of the Week

**Matthew Lowe**

"As our center, Matthew had his best game of the season. He executed his schemes well."

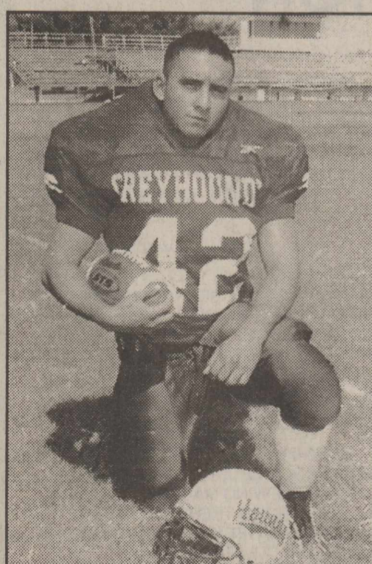

## Defense Player of the Week

**Jay Sandusky**

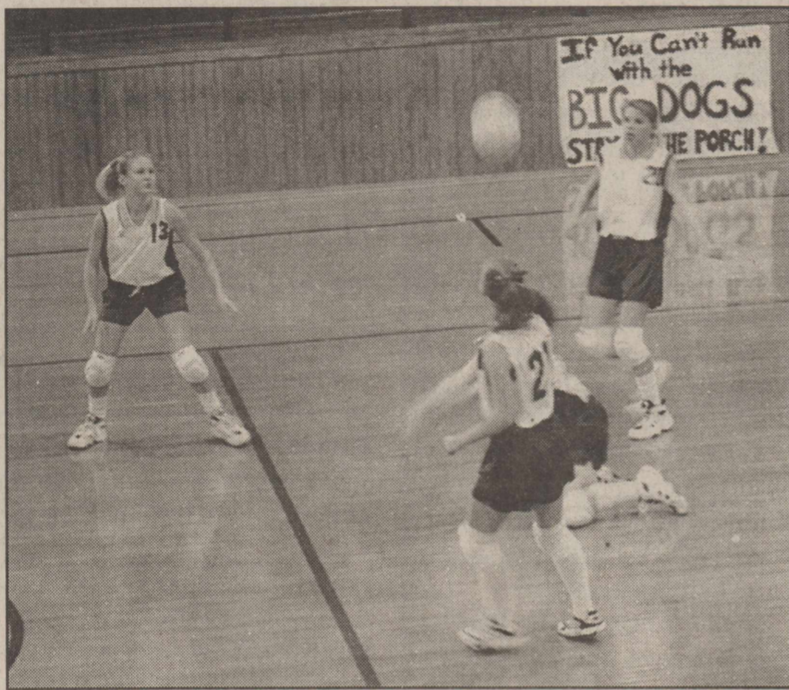

"Jay played an outstanding game. A defensive end, he had 7 tackles, 2 quarterback sacks, and a blocked punt."

## KTAB Player of the Week

**Michael Baez**

Michael Baez was honored by KTAB Television (CBS - Channel 8 on Knox City cable) in Abilene last week as their selection for Player of the Week. As a fullback for the Greyhounds, the honor was given to Michael for his 304 rushing yards in the game against Throckmorton. Baez is a senior at Knox City High School.

ON THEIR WAY TO THE BI-DISTRICT TOURNAMENT, the Knox City High Houndette Volleyball Team easily defeated Rochester in games played here in KC last Tuesday. Shown here are Lauren Clonts (13) at left, Jennifer Vacek (21) Kayla Garcia (diving for the ball), and Dana Holmes (20).

## Houndettes' bi-district is Thursday at Sweetwater

District runners-up, to face Water Valley

The Knox City Houndettes, coached by Jason Loftiss, finished their regular season as district runners-up.

Coming off an October 26 win over Rochester to clinch the spot, the Houndettes will travel to Sweetwater Thursday for a bi-district playoff contest facing the Water Valley Lady Wildcats.

Game time is 6:30 p.m. at Sweetwater's high school gym.

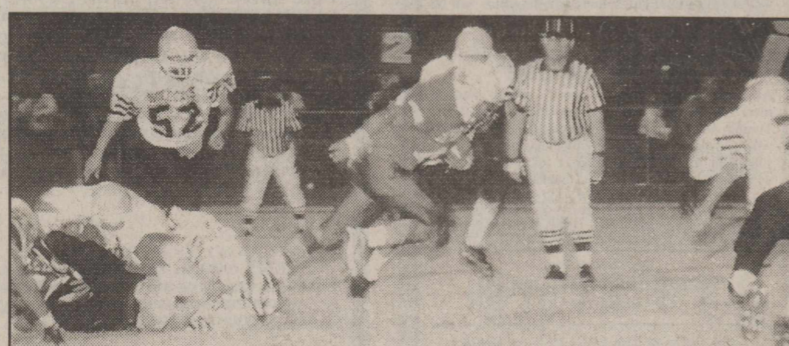

Coach Loftiss asked fans to note that no video camera filming will be allowed during the match. Knox City will be the home team.

Admission to the contest will be \$3.00 for adults and \$2.00 for students. District passes will be honored.

## Greyhound Varsity and JV suit up for 42-0 win over Crowell

SOUNDLY DEFEATING THE CROWELL WILDCATS last Friday night, the Greyhound Varsity and the Junior Varsity teams suited up together for the next to last game of the season. In the first three and a half quarters of the game, the Varsity held the Wildcats scoreless by completely shutting down their offensive unit. Shown above, the Greyhound defense wrapped up Crowell's running and passing game. Greyhound Felipe Sanchez wraps up the ankles of a Crowell runner while 'Hounds Will Grimsley (33), Justin Vasquez, Nefro Gonzales (10), and Myles Richardson (82) move in to assist.

NAMED THE KTAB PLAYER OF THE WEEK for the big country, Knox City Senior Michael Baez showed why he received that honor. While the award was given for Michael's efforts in the game against Throckmorton, he showed his form again last week against Crowell as he breaks for long yardage in the above photo.

## O'Brien Middle School honored by TEA

O'Brien Middle School has been recognized by the Texas Education Agency (TEA) for successfully educating its migrant students.

TEA's Division of Migrant Education has selected the O'Brien Middle School as a winner of the 1999 Acknowledged Campus Award given to school campuses and school districts that had high TAAS passing rates among their migrant students. Statewide, 102 school districts and 319 campuses are receiving this recognition.

The purpose of the award is to recognize school districts and campuses that strive to meet the unique needs of migrant children and their families and that help migrant students to meet high academic standards. There are approximately 116,000 migrant children in Texas.

Recipients will be listed in the program at the 1999 Texas Migrant Education Conference and will also be honored during a luncheon, both of which take place at the Hyatt Regency Hotel on the Riverwalk in San Antonio on November 21-23, 1999.

In order to receive the district award, school districts had to have at least 80 percent of their migrant student population passing each subject area and / or all tests taken of the Texas Assessment of Academic Skills (TAAS) test and have at least a 94% migrant student attendance rate.

The 102 district winners were

divided into four categories based on numbers of migrant students enrolled.

Campus winners also were awarded in the four categories of exceptional, excelling, promising and acknowledged based upon migrant student attendance and performance on the TAAS test. Statewide, some 54 campuses were distinguished as exceptional, 95 campuses as excelling, 89 campuses as promising and 81 campuses as acknowledged.

Each year the Migrant State Conference Planning Committee discusses and selects the criteria for district and campus awards. The committee includes state, regional and district migrant educators.

## KC to host strategic planning workshop

A Strategic Planning Workshop, sponsored by the Knox City Chamber of Commerce and West Texas Utilities, is being planned on two consecutive evenings next week, Monday, November 8 and Tuesday, November 9.

The workshop will be held at the First United Methodist Church beginning at 6:00 p.m. and will conclude by 9:00 p.m.

WTU will be serving a light

dinner.

City officials, chamber directors and economic development board members will all come together to plan for the future of Knox City. WTU has extended an offer to conduct the workshop which they have conducted in many towns and cities throughout the area. With their expertise, they will help to develop a plan for the local future and begin the imple-

mentation process necessary for Knox City to move into the 21st century.

The main focus will be to develop a Strategic Plan to map the progress of Knox City for the next five years.

Those planning to attend are asked to RSVP to this important meeting by Wednesday, November 3, to Doris Crownover at 658-3442.

## Holiday kickoff will be held November 13

Saturday, November 13 is the day being planned by the Knox City Chamber of Commerce to kick off the holiday season.

Beginning with 'Downtown Focus', a program designed to highlight the businesses in Knox City's downtown business area,

the day will feature whatever specials the individual merchants choose to offer for their customers. The Chamber of Commerce will also be set up to provide free hot dogs and the Knox City High School Band will offer a concert in the downtown area.

Then at 7:00 that evening, the chamber will present a program of skits and musical numbers called 'Knox City Follies' in the W.R. Baker Auditorium on the Knox City School campus. A \$100 cash prize will be offered to the best entry judged by the audience.

**Letters to the editor**

Dear Stacy,  
I would like to express my appreciation and gratitude to all the people that had a part in making our 1999 Elementary PTO Fall Festival such a success. Our local businesses supported us with prizes and money. Our school provided us with the largest facility available in town and our teachers went beyond their classroom duties to help with the festival. Not only did many parents spend numerous hours in preparation, working the booths, and cleaning up afterwards, these same parents also provided the funds for their children to enjoy the festivities. We also had many people attend who were not parents of elementary children as well as high school young people helping. I would like to ask that the next time you are in one of these businesses or you see a teacher, parent, or student that helped, please let them know how much you appreciate them. If you know someone who was not able to help or did not want to help this year, please encourage them to help our with the next community

project. Together as a community was the only way we were able to provide safe entertainment for our children and have a successful fundraiser. Thank you Knox City for your support.  
Sincerely,  
/s/ Sharla Carver

October 31st  
Dear Stacy, Dave,  
Billye and Scooter,  
I want you to know how very much I enjoyed reading the article you wrote concerning *The Knox County News*.

Even tho, I'm only twenty-two miles from Knox City and make frequent visits to Knox City, I always look forward to receiving my paper.

I was a very hard decision for me to leave my home and move to Haskell. At the same time I felt like it would be in my best interest to be near my doctor here and two doctors I must see in Abilene.

Knox City will always be my home. I have met and made lots of friends in Haskell. I do and will always feel very close to my many friends in Knox City.

Bill and I always felt very fortunate that we could rear our three children in Knox City.

I appreciate you very much for all of your efforts to keep *The Knox County News* and I wish for you the very best in the days ahead.  
/s/ Judy Anderson

*(Editor's Note: Judy, Was so nice to see you Sunday and visit for a minute. Thanks so much for your kind words and nice comments. Some of my fondest memories from years past include that of your entire family. I cherish those thoughts. We always will consider you homefolk! Stacy)*

## Veterans' News

By John Gillispie, Knox County Veterans Service Officer (940) 658-3487

### Wal-Mart in Stamford to host breakfast for area Veterans on Thursday, November 11

I have just received a letter and flyer from the Wal-Mart store in Stamford that provided information that again this year, the store will host a breakfast to honor area Veterans.

Honoring those men and women that have served their country in military service, the breakfast is being held on Veterans Day as a way for Veterans of the area to join together in observance of Veterans Day. The breakfast will be held inside the Wal-Mart store, beginning at 8:00 a.m. and ending one hour later at 9:00 a.m.

Open to ALL veterans, the breakfast will serve as an opportunity for veterans of all our armed forces to be honored and to also remember those who are no longer with us.

Remember, the date is next Thursday, November 11, from 8:00 to 9:00 in the morning. Veterans should make note of this special occasion hosted by Wal-Mart. Remember, this will be the last Veterans Day observance of the 20th Century. A lot has happened in our world during the last 100 years. Thanks to the service and sacrifice of our men and women in uniform, the United States of America has endured throughout the century, surviving two major wars and several global conflicts. Veterans Day has been designated by an act of the Congress of the United States as a day to honor and remember our Veterans.

To everyone who knows a veteran: as you go through the day next Thursday, take a few moments out of your busy schedule and remember a veteran with a special thought or deed. Your effort will be appreciated.

## O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"The exterior of an office building where I worked was made of mirrored glass. Soon after people moved into a high-rise across the street, our weekly meetings were disrupted by the scene outside our windows - a tenant appearing in his window, completely nude. After a few occurrences we wondered whether he realized he was in clear view. Finally we got together and decided to hang a banner outside our conference - room window. On it we printed "Objects in mirror are nuder than they appear." We never say the guy naked again."

Here and There - The Heaven's Jubilee quartet were in our church Sunday morning and night. We really enjoyed great singing and preaching the men were from Tuscola, Moro and Abilene. A good meal was enjoyed by all who attended.

During the first of the service Don Roberts was surprised by being given a plaque for his good singing and leading and teaching a Sunday School class of young

married couples. He has been leading singing for 27 years and he's always been enjoyed by everyone.

Kenneth and Sammie Roberts of Plainview spent Friday night and part of Saturday with me. They took me out to eat on Friday night and celebrated my birthday. Freddy and Tonya Ledesma and girls came Sunday night and visited me for a while. The girls were "trick or treating" and they also visited Ranzy and Adelle Her-ring.

Pray for the following sick and ailing - Rose Marie Johnston, Bernice Rowan, Jean Barnard, Coy and Loretta Hewitt, Troy Hanson in Haskell care home, Edrie Barnard in Brazos Valley Care Home and Hope Poe in the care home in Munday.

Mr. and Mrs. Jamey Lubeck and sons Steven, Zachary, Christopher of Guatemala and Mrs. Nina Lou Kemp of Duncanville visited with Joe Banner and Billie Walker for a few days. The Lubecks are full time missionaries to the Chorti Indiana.

Because many of the Chorti do not read, they are in the process of building a sound proof room and hope to get funds for recording equipment and tape players so that the Chorti can listen to scripture.

The senior Lubecks, John and Diana, have worked with the

Chorti for the past 25 years putting the language into written form, teaching some of the people to read, and translating the New Testament into Chorti. The Chorti New Testament was dedicated May 1996.

The Lubecks also spent some time with Dwight Gothard, Evelyn Underwood and Rich Palma.

SHELF STABLE MEALS have been delivered to Knox County's eligible citizens made possible through a recent grant. At left of photo is Sheri Baty who worked with site manager Penny Winchester, not pictured, in securing the grant. Nutrition staff of Sandra Garcia, Jane Gideon and Jan Kilgore assisted in preparing the meals for delivery and Lisa Rocha, back center, and Dorothy Carver, at right, made the actual deliveries. ## Shelf stable meal provided to senior citizens through Four Winds RC&D, Aging Services

The Philip Morris Companies in partnership with the National Meals on Wheels Foundation offered a grant to communities that needed help with emergency nutritional needs for the homebound elderly.

Penny Winchester and Sheri Baty worked with the Four Winds Resource Conservation and Development Area and the Knox County Aging Services in securing the grant for the distribution of shelf stable meals. Ms. Winchester stated that they started working on the grant in January of 1999. She is delighted to make the

meals available to eligible citizens throughout the 852 square miles of Knox County.

The Knox County Aging Services is preparing for severe weather by providing shelf stable meals for all their home delivery clients.

Wednesday, the staff of the central kitchen loaded the vans with hot meals for the day - plus a shelf stable meal to be used in case of inclement weather, such as icy road conditions or extreme cold. A second delivery of a shelf stable meal will be delivered in late December in case of any de-

livery problems due to Y2K shortages.

The nutrition staff, Jane Gideon, Jan Kilgore and Sandra Garcia assisted in preparing the meals for delivery. Dorothy Carver and Lisa Rocha loaded the vans and made the actual deliveries to all persons on the home delivery routes.

This shelf stable meal is just one service provided through the Knox County Aging Center. Area senior citizens are reminded that a warm welcome is extended to all to join the programs provided in Knox County.

## Immunization clinic to be in Knox City this Friday, Nov. 5

The Texas Department of Health will conduct an Immunization Clinic at the new Community Center / Housing Authority Building in Knox City on Friday, November 5 from 10:00-11:30 and 1:00-3:00. Participants are asked to take note of the new date for this month only!!

Immunizations offered include DTaP, Hib, Polio, Measles, Mumps and Rubella and Hepatitis B for infants as well as all school immunizations. The Td immunization is available for all adults not having one in 10 years.

The Hepatitis series was required for Kindergarten entry this year. The Hepatitis B series (three immunizations) takes a minimum of 6 months to complete. Parents need to check their child's immunization record for this series if they will be starting school in the next couple of years. Even though it is not a school requirement, the Hepatitis B series is available for all school age children through the age of 19 if they or their parents want it for prevention or the child is at risk. For more information on the immunization or the disease, call the Texas Department of Health or talk to a health care provider.

The varicella (chickenpox) vaccine is available to anyone age 1 through age 15 that has not had the chickenpox. If a child is in need of this immunization, call the office to reserve a dose as the clinic only brings the amount that is reserved.

Participants are asked to bring immunization records and social security numbers. A parent, adult family member or legal guardian must accompany a minor.

All services provided by the Texas Department of Health are provided on a sliding fee scale but no one is denied services due to an ability to pay.

For more information on any of the immunizations, call 940-574-2159.

RETURNING TO KNOX CITY this past weekend for a visit were Mona Schofield Lee, Class of 1947, second from left in center of photo; and her brother, Elvin J. Schofield, 1947 fourth grader, at right; and Mr. Schofield's wife. At left of photo is a former classmate of Mona's, W.R. Baker. **KCHS exes return after 52 years, visit community, watch 'Hounds win**

Two former Knox City students, one a 1947 graduate and her brother who attended fourth grade here in 1947, returned to Knox City last week for a visit, 52 years later.

Mona Schofield Lee, Class of 1947 and her brother, Elvin J. Schofield, the 1947 fourth grader, along with his wife were in Knox City visiting and reminiscing on October 29 and 30.

At the Friday night football game, Mrs. Lee visited with a former classmate, W.R. Baker. Baker explained that he was extremely pleased to know the whereabouts of the former classmate, Mrs. Lee. In planning their 50th class reunion two years ago, they had not been able to locate her for the event and now they had found their 'missing link'.

Schofield was appreciative to the citizens for their hospitality and gave a little family history in

the following letter to the editor. We are using it in its entirety.

*The Knox County News*  
Knox City, TX 79529  
Dear Editor,

We would like to express sincere appreciation to the citizens of Knox City for your outstanding hospitality during our recent visit, October 29 and 30.

While it has been 52 years since we lived in Knox City, it seemed like only yesterday. From our first visit at *The Knox County News*, to the merchants on "the main street" and later at the football game, we were made to feel extremely welcome.

Mona was a 1947 graduate and was able to visit personally with Carol Godsey, Bill Baker and Marie Rushing, her former classmates. Of course, we were delighted that the Greyhounds won the football game, since our Dad coached the 1946 team to an undefeated season and the Bi-District Championship against South Lockett. After being introduced during the halftime, perhaps the most heart warming welcome we received was from an unknown 7 year old girl, who gave us her

"momento football" that was being distributed by the Cheerleaders after each touchdown. Should anyone know her identity, please give her a big "thank you" for us.

Thanks for a great time. Knox City, you're the greatest !!

Sincerely,  
/s/ Mona Schofield Lee

**Foursquare to host Harvest Festival Nov. 9**

Ladies of the Foursquare Church will host the 29th annual Harvest Day Festival on Tuesday, November 9.

Registration will begin at 10:00 a.m. and the meeting will start at 10:30 followed by a covered dish luncheon at 12:00 noon.

The Harvest Day Festival was organized November 12, 1970. Ruby Robinson has lovingly served as secretary since the beginning. She has kept records for each year showing that the ladies have given over \$5000.00 to the Ministerial Alliance with a total attendance of 1,930 in the past 28 years with 377 ladies from the community who are deceased.

This will be the last Harvest Day Festival before the new millennium. Organizers hope this will be the 'biggest' one ever and a special invitation is extended for all to join in.

## Benjamin news

By Gladene Green, Benjamin Correspondent

Well,hello everyone - We have had a very welcome rainy week-end. Much cooler and the moisture is wonderful. Not sure how much we have had, but it has been nice and is still raining lightly this afternoon (Sunday). Needed something to boost our spirits as the Cowboys sort of let us down. Just didn't keep up that first half "spiz" into the second half. Seems that happens a lot - oh well, I still like 'em.

Our ill friends are about the same - Ruth Ressel is still having some pretty bad days. Is not able to eat and that makes it hard on her.

Eunice Friday is about like she has been for several days. Is not responsive but apparently is not too uncomfortable. She's still in the hospital.

Maretha Patterson is undergoing some heart tests. Feels pretty well but has a few problems the doctors feel need to be checked out. She goes to Abilene tomorrow (Monday) for further tests.

Word from Fredericksburg is that Wynelle Holloway is doing well since her recent surgery. She's still in the hospital but is making progress every day. That's good to be able to report that.

Sharon Johnson's grandson, Cory Overton, who lives in Seminole is having some heart problems. He's about 9 years old and had to have some heart surgery when he was a baby to correct a problem. He will see his doctor again in January. It looks like he may be facing some more surgery in the near future.

Leola Isbell, Joe Nunley and George Parrish, our Benjamin friends in the Brazos Valley Care Home are doing pretty well. And Nora Hertel in the Munday Nursing Center is also doing well. Ruth Idol also in Munday is much as she's been for several weeks. She doesn't respond at all but hopefully, is comfortable. Go by and see these friends where you're over that way.

Ball News - We went over to Aspermont Tuesday night and now that the season's officially over, let me boast just a bit. Not only did our Lady Stangs win every match they played this year - they won every game - Never had to play 3. That's mighty good and we are all very proud of them. We play Bronte next Thursday night (4th) in Albany in a bi-district match.

And I failed to say last week that our Jr. High volleyball team is also undefeated for the season.

Thursday night, Junior High football was played here at home. We were hosts to Guthrie. And won 20-6. That finished the season for our little boys. They crowned their royalty at halftime. Enrique Acevedo, an 8th grader, was crowned hero. Ashley Bufkin, also in the eighth grade, was the team's choice for sweetheart. Ashley is a cheerleader and the daughter of Mike and Lori. Pancho and Amelia are Enrique's parents. I congratulate these students.

Here 'N There - Mr. and Mrs. Dan Milam of Lubbock visited Earlene Meinzer last Monday.

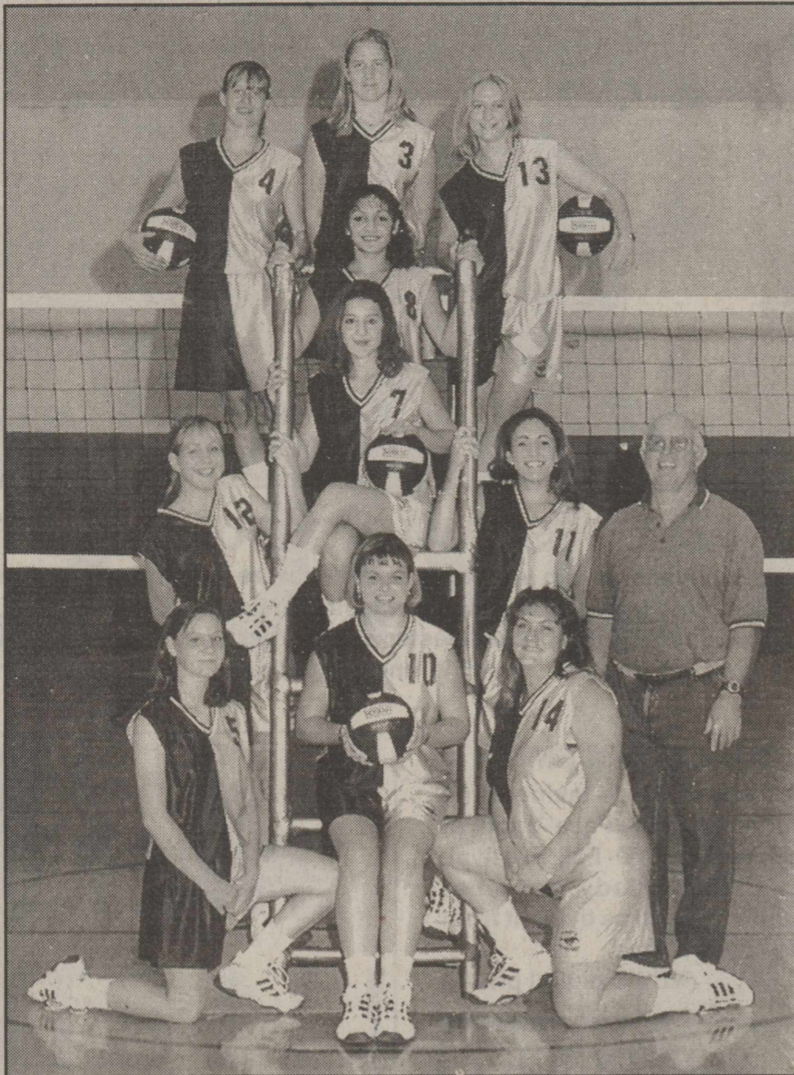

Brenda and Jim Larned were in Wichita Falls Thursday to be with her mom, Mrs. Bob Thomas of Wellington, who had some surgery there. She is doing fine and was going home on Friday.

Weekend guests of Judy Conner were her son Jim Bob and Mixie Siepel of Lubbock. They also visited other relatives.

Charles and Winnie Sue Nall, who live in Arkansas, visited Charles and Joy Jones Friday. Also joining them for supper was John and Frances Chilcoat of Knox City. Winnie Sue and Frances are Charles' sisters.

Charles Hertel of Midland is here for a few days, visit with relatives and friends.

Jack and Katy New of Liberty Hill were here during the week-end to be with her mom, Ruth

### VOLLEYBALL DISTRICT CHAMPS CROSS COUNTRY RUNNERS-UP

**BENJAMIN'S LADY STANGS**, coached by C.H. Underwood, finished the regular season in volleyball 17-0, District Champions, with no three game matches. They will face Bronte this Thursday in Albany at 7:00 p.m. for a bi-district playoff. Last Saturday, the Lady Stangs also finished as District runner-up in cross-country to a fine team from Guthrie. The other regional qualifying position went to Crowell.
