## Lindsay Mfg. intros Greenfield systems for smaller fields

*Kuehler Irrigation & Supply is local distributor*

LINDSAY, Neb. - Lindsay Manufacturing Co., a world leader in technology driven irrigation systems, has unveiled Greenfield as the brand name for their newly acquired line of mechanical move irrigation systems.

Kuehler Irrigation and Supply with Gary Kuehler as owner is introducing this system for smaller fields. The Greenfield line includes center pivot and pivoting lateral move systems specifically designed to irrigate smaller sized fields in a simple and efficient manner.

"The Greenfield line provides greater product diversification for Lindsay by entering a new market - highly efficient, small-field irrigation," Lindsay President and Chief Executive Officer, Rick Parod said. "We have great confidence in being able to supply customers in this special market with a high quality durable product that will be serviced and sold by highly qualified dealers."

Greenfield center pivots are engineered to irrigate from one to 60 acres and can be custom sized by span length, overhang and endgun options. Greenfield irrigation systems require extremely

low power input using 24-volt control circuitry and 90 volt CD motors. These systems provide accurate water distribution with low-pressure requirements, making them suitable for a wide variety of applications. Greenfield pivots are supported on 12-inch wide by 26-inch high flotation tires for minimum ground compaction and maximum crop clearance.

Greenfield pivoting lateral move systems are designed to irrigate up to 80 acres and will cover almost an entire rectangular shaped field. These low-pressure systems have the strength and power to pull their own water supply hose.

The unique pivoting feature allows the system to make a 180-degree turn at the end of a run so the system will irrigate the opposite side of the lane on its return trip.

This feature gives an average six span system an effective coverage width of 1,360 feet while using the same hydrants for both runs across the field.

Both Greenfield irrigation systems have minimal wheel tracking and are hot dipped galvanized structures. The systems will be manufactured at Lindsey's newly acquired facility in Nunn, Colorado, formerly known as Oasis Enterprises.

Lindsay Manufacturing Co., headquartered in Lindsay, Nebraska, is a world-leading manufacturer of irrigation systems, including the Greenfield brand, which offers big efficiencies in small-field irrigation.

For more information on Greenfield center pivots and pivoting lateral move irrigation systems, visit the web site at [www.minipivot.com](http://www.minipivot.com).

Do you remember your first lollipop? I remember mine.

It was a big, red lump of sweet candy. I was delighted with my first taste.

But I wasn't satisfied with just tasting it. I wanted to keep on licking it. So I turned it over and over in my mouth day and night.

That's meditation. Spiritually, the Christian's mouth is his mind. The Bible says, "This Book shall not depart out of your mouth, but you shall meditate on it day and night."

Want something sweeter than a lollipop? Taste and see that the Lord is good. He's better than the best. Then delight yourself in His wonderful Word.

## Saturday's Christmas parade to promote community spirit

The Knox City Chamber of Commerce annual Christmas Parade is coming up this Saturday and will begin at 3:00, an hour later than in previous years.

Participants are asked to assemble at 2:00 p.m. south of the Knox City High School and Elementary School to line up. Entry fee is a toy for the Knox City Child Welfare.

Theme of this year's parade is 'O Christmas Tree' and there will be no competition, just participation, to promote community spirit.

Chamber officials have asked the Knox City High School band to be the Grand Marshal, heading up the parade. Merchants, churches, other organizations, and individuals are asked to decorate floats, bicycles, golf carts, and other vehicles to help celebrate the beginning of this Christmas season. Those who would like to walk are also encouraged to participate.

The accomplishments of the band with its Superior rating for the first time in many years, along with district and bi-district playoffs for the volleyball and football teams, have really brought the community together as evidenced by the tremendous turnouts for the downtown pep rallies.

Also, fan support at the various games has displayed great community spirit, and this is the intent of Chamber officials in planning the parade to continue the "oneness" the community is enjoying.

Drawings for gift certificates will be held Saturday afternoon both before and after the parade.

Merchants began giving tickets Monday of this week for each \$5.00 purchase. These will be placed in the hopper for the downtown drawings and gift certificates may be redeemed at any Knox City merchant, chamber officials explained.

Those participating in giving out tickets include Larson's Pharmacy, Lawrence Bros., Knox City Florist, Duckwalls, Art Stall and Frame Shop and Appearances.

## Child Welfare angel tree to be located at Art Stall this season

The Knox County Child Welfare tree will be housed this year at the Art Stall and Frame Shop.

A new procedure for distributing gifts this year. To make sure each child is remembered, angels will be put on the tree with a child's physical information and the child's request for gifts they would like to receive.

Those wishing to buy for these children are asked to go by the Art Stall pick an angel from the tree and record this information on the records.

After purchasing these items, the buyer should return their gifts to the Art Stall and put under the tree with the angel.

A picture of the angel tree and additional information will appear in next week's News.

# Benjamin news

By Gladene Green, Benjamin Correspondent

Last Week's News - Good morning on this Monday of Thanksgiving week. Sure gonna be a busy one for most folks and for some it probably won't be much different than the other weeks and days. As for myself, I'm not sure what I'll be doing. Haven't been told by my girls yet!! Seriously, when several families are involved and have to be visited, it sometimes takes some "engineering" to get everything worked out but I bet it will. Always does.

Been a pretty quiet week and weekend. Got in on some more cold weather but no moisture this time. So maybe the farmers can get the rest of their wheat in and cotton out. Looks like just a few more days of nice weather will take care of a lot of it.

Thanksgiving Supper Held - Last Wednesday night, beginning at 6:30, the annual community Thanksgiving supper and program was held at the Community Center. This event is sponsored by the Ministerial Alliance. Lots of good food was enjoyed by a good crowd. The Church of Christ was in charge of the program and it was different than it had been in the past. It included scripture readings by different youth of the church and after each reading several member of the congregation ant. It was very good. There was also special music by Bud Conner and a girls group composed of Mary, Nancy and Margaret Siemens, Gina McCanlies, Cheyene Favor and Amanda Riggins. Debbie Clower accompanied them on the piano. And Kenneth Roberts gave the report of the financial status of the Ministerial Alliance. John Gillespie gave the invocation, Ben Gleaves read a Thanksgiving story and Wes Holland gave the benediction.

Sympathy Sent - I and the rest of the community extend heart-felt sympathy to the small family of Leola Isbell today. Leola died

last Wednesday after several years of failing health. She had been in the Brazos Valley Care Home for several years. Her funeral was Thursday at the Methodist Church.

Shower Honors Bride-To-Be - Blaine Conner, bride-elect of Ray Bradley of Munday, was honored Saturday morning with a brunch held in the Fellowship Hall of the Methodist Church. The decorations were in fall colors and refreshments were quiche, breakfast muffins, coffee cake, a fruit plate and coffee and punch. The honoree received many nice, useful and practical gifts and several "pretties" for decorating.

Hostesses were Pam Bloxham, Lori Bufkin, Pam Duke, Val Estridge, Nancy McGreger, Becky Moorhouse, Debbie Pankhurst, Penny Phillips, Mel Reed, Jessie Roberts, Joyce Sanders, Nancy Shahan, Kay Stewart, Robin Stewart, Cindy Thompson, Sheryl Urbanczyk and Jonnie Williams. Blaine and Ray will be married December 2 at the Benjamin Methodist Church.

Here 'N There - Recent visitors of Lamoyne and Christine Patterson and attending the Veterans Memorial Dedication were some of Christine's family. They were her sister, Movelda Mayes of Conroe, a niece Nathalie Propes of San Antonio. Also a sister-in-law, Jean Mitchell of Fort Worth, Karen and Wayne Hamilton of Carrollton and Scott and Jennie Mitchell, Nathan and Michael of Flower Mound.

Visiting Hazel Stockton and Bud Conner have been Bob and Stephanie Brannan of Lubbock and Kim Moore, Samijo and Shelby of Spur. Bob and Stephanie also visited his mom, Gertrude Brannan.

Among the out-of-town relatives and friends here for the funeral of Leola Isbell on Thursday were Scott Hertel of Dallas, Kent Hertel of Coppell, Craig Hertel of Gainesville, Nelda Brewster of

Abilene, Willa Cunningham of San Angelo, Rosellen and Daniel Albus of Lubbock, Walter and Peggy Hertel of Munday, Matt, Lillian and Ronnie Verhalen of Knox City and Lance Kilgore and Jan Kilgore, also of Knox City.

Dutch and Imagean Young spent another weekend at their deer lease. No report yet on whether or not they had any luck. But bet if the did, we will hear of it.

Joy Yancey of Lakeside City was here for a weekend visit with her sister, Jane Gideon.

Betty Bohannon and her granddaughter, Sabra, returned home Tuesday from a several days visit with their husband and granddad, Roger in Colorado Springs, Colorado. Roger is working up there and barring any unforeseen changes, should be there about a year and a half. Betty said it was nice up there and right out the window of Roger's apartment you could see Pikes Peak.

Don Morrill visited a few days recently with his stepson and family in New Braunfels.

Christmas is in the air!! Dub and Jo Cartwright have their Christmas display out and ready to turn the lights on. They usually "light up" about Thanksgiving and for several weeks we all get to enjoy the fruits of their efforts. Make a trip over this way and see what they do every year. Kids and grown ups as well enjoy it.

Glenda Cox Bearly was able to go home last Tuesday after a week's stay in a Longmont, Colorado, hospital after suffering a heart attack on November 7. She's much better and getting stronger each day. We're glad to get that report.

I hope everyone has a happy, safe Thanksgiving. Be careful if you are traveling. You never know what the "other feller" is going to do. See you next week.

Thanksgiving is over and we head into the Christmas season.

One of the busiest times of the year. I hope everyone had a good holiday weekend. I spent a pretty quiet one but did enjoy the R&R. Had planned to have my dinner (belated) today but daughter, Debbie had to make a trip to the emergency room last night (Saturday) with a terrible case of a virus. So needless to say, we postponed our "feed" - will get together here in a few days. By the way, Deb's much better this afternoon but sure spent a miserable 24 hours.

About our ill - Don Hertel reports that his mom, Nora, who resides in the Munday Nursing Center fell Saturday and was taken to the Knox County Hospital where they checked her out good. Nothing broken - just bruised and she's now "back home" in Munday and doing OK. She's very fortunate not to have any broken bones.

Mabel Moorhouse spent Saturday night in the Knox County Hospital. Had a little flareup with her heart and they kept her overnight to monitor her. She's home now and feeling much better.

Athletes receive honors - Clayton Conner has been named to the second team offense in District 9 six-man football. Clay is a junior in BHS and made the team as a spread back. He is the son of Steve Conner and Janet Reed.

Also named to the 8-2A all-academic volleyball team are Sandra Acevedo, Ashley Cartwright, Elizabeth Moorhouse and Ashley Bufkin. Sandra, Ashley Cartwright and Elizabeth are juniors. Ashley Bufkin is a freshman. Their parents are Pancho and Amelia Acevedo, Tracy and Susan Cartwright, Mike Moorhouse and Mike and Lori Bufkin. I congratulate all these students.

Here 'N There - Word from Glenda Bearly in Colorado is that she is doing much better after her recent heart attack. She's getting stronger and exercising more all the time and tho still taking it pretty easy is slowly getting back to normal. She expressed much appreciation to all who sent cards and letters of well wishes and especially for all the prayers said in her behalf. That helped her and her family get through some pretty long days and I'm mighty glad to have this good report from her.

Jane Gideon and Weldon Gideon accompanied their daughter, Lana Mendoza and family of

Seymour to Dallas where they spent thanksgiving with their daughter and sister Sue Terry and family. They were joined by Sue's husband, Dave's family for lunch on Thanksgiving Day.

Joe and Julia Trepanier and family spent Thanksgiving with their daughter, Kathy Zapata and family in Wichita Falls. Joe will be having more back surgery in the near future - that is - as soon as doctors can get it all set up.

Fred and Jan Carver had a good bit of company on Thanksgiving. Visiting were Tami Lyles, Cassie, Tyler and Jacy Collins of Benjamin, Gary, Stasia, Ryan and Kallie Antilley of Guthrie, Riley and Stephanie Carver of Throckmorton, Dorothy Carver, Dorothy Anderson, Craig Carver and Stella Carver of Knox City, Barbara Beavers of Lubbock, Kelly, Madeline and McCray McCormick of Floydada and Marsha and Mike McBride of Wichita Falls. Also Barbara's daughter, Keesha, her husband and daughter and the Lubbock soccer team stopped by for a "pit stop" and dessert. Keesha's daughter is on that soccer team.

Jonnie Williams and Mary Bohannon didn't go far this year but had a very enjoyable meal and visit with Mary's daughter, Brandi and Rick Vasquez and family at Knox City. Betty Mancille, also of Knox City and her son and grandson, Jimmy Mancille of Austin and Tommy Latimer of San Antonio were also lunch guests of the Vasquezes.

Stanton and Shari Brown had a good holiday and weekend with Calvin and Thelma Brown in Perryton. They report both Calvin and Thelma doing well and it's good to hear that news.

Bobby and Philomae Roberson and Corrine Parrish had a long weekend in Ruidoso, NM. They came home on Saturday as Corrine began to feel bad and didn't want to be so far away from home if she got really sick. Reports today are that she feels better after resting from her trip.

Thanksgiving week guests of Bud Conner and Hazel Stockton were Kim Moore, Samijo and Shelby of Spur, Steve Conner and Abigail of Colorado City, Bob and Stephanie Brannan of Lubbock, Ray Bradley and Blaine Conner of Borger and Michele, Jim and Caleb Barrientez and Clay Conner of Benjamin. I had supper with them on Thanksgiving night,

(by candlelight, due to the thunderstorm and power failure). Everyone here experienced the darkness and the kids all thought it was great using candles and lamps. Didn't bother them at all. But it all turned out well and made us again realize how we take all these modern day conveniences for granted.

Keith, Pam and Casey Conner of Big Spring were unable to be here as Casey is a member of the Big Spring football team and they were in the playoffs playing El Paso Riverside in Artesia, New Mexico, on Saturday and of course, had practice every day. By the way, Big Spring won and their next game will be with Wichita Falls Saturday, December 2, at Shotwell Stadium in Abilene.

Thanksgiving guests of Betty and Bonnie Bohannon and kids were Roger Bohannon who is working near Colorado Springs, Colorado; Brandon, Jamie and Sabra Bromley of Newark, Lonnie, Misty and Chance Bohannon and Rex Bohannon of Everman, Craig Howell of Nebraska, Ernie Mitchell of Soldier, Kansas, and Rick, Jennifer and Destiny Trepanier of Knox City.

Joy and Charles Jones had their kids, David and Kayla of Runaway Bay and Sheila and Ishmael DeLos Santos and family of Vernon. Also, Peggy and Walter Hertel of Munday, Timmy Hertel of Windthorst and Bobby Trainham of Benjamin.

Janice and Buddy Tolson had their kids, Chad of Bowie and Beverly Strickland and family of Rochester for Thanksgiving Day. Kim Moore of Spur came for a visit in the afternoon.

Larry and Gaye Neal and Laura enjoyed the rest of their family during Thanksgiving, Audra Neal of Dallas, Sara Blackstock and Joseph of Fort Worth, Larry and Catherine Neal and boys of Breckenridge.

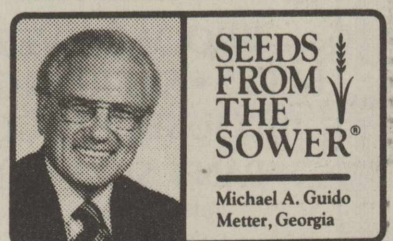

Sue and Jack Sheedy had their town kids for lunch Thanksgiving Day, Mike, Kay and Brittney Sheedy, Mitzi Ham, Heath and Mitch, Shane Welch, Clint, Misty, Kolby and Levi Jones and Ray Ham of Amarillo.

Lucille Moorhouse spent Thanksgiving with her son and family, John and Carolyn in Seymour. Said she had a very enjoyable time and enjoyed being with her newest little great-granddaughter, Lysa.

Leroy and Gloria West spent Thanksgiving with Betty, Roger, Sabra and Chelsea Parker in Aspermont. Sabra returned home with her grandparents for a few days visit returning to her home Sunday.

Holiday guests of Debbie Clower and family and Dickie Lloyd were their daughter and sister, Martha and Cullen Johnson and Jennifer of Dallas. Also Vickie Clower of Seymour.

Thanks to Melanie Verhalen Mitchell for writing to the paper and saying she reads my news - Hey, Melanie, remarks like those are what keeps me writing every week - Thanks !!

A little girl fell on the floor and hit her head. Her mother comforted her as she applied a cold pad to the lump, and then said, "Let's pray about it."

Soon the tears stopped and the girl ran off to school.

That night when they knelt to pray, the mother asked, "What do you want to thank God for?" "My bump," she answered, "because now He can make it well."

How often we fail to thank God for our problems, yet they give Him a chance to show us His power, and in the hurt we can experience His healing.

Oh, bless God for your bumps, and they'll become your blessings.

A father drove to the post office to mail his letters, but his little boy insisted on dropping them in the box. He leaned too far out of the window and tumbled to the ground. Getting up he cried, "Pop, you didn't get close enough."

There are times in everyone's life when God seems far away. They come at a moment of disappointment, defeat, disease, or the death of a loved one. And you tumble. Why?

God hasn't moved. You didn't get close enough.

Right now the Bible urges, "Draw near to God." I will. Won't you?

## SNORING ISN'T FUNNY!

Did you know that sinus and allergies can cause nasal blockage at night, resulting in mouth breathing and snoring?

When mouth breathers turn on their backs, the tongue falls back in the throat and blocks the airway. This is called **OBSTRUCTIVE SLEEP APNEA** and it is **DEADLY!**

The most common time for heart attacks is between 3:00 am and 6:00 am, and over 60% of the victims have a history of snoring and sleep apnea.

If you or your loved one snores, don't ignore it. That sound is a warning of possible obstructive sleep apnea.
