Thanksgiving 2001

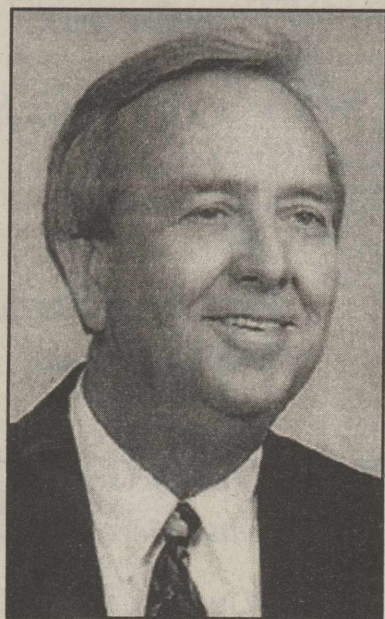

... A Time For Thanks

Another year has come and gone and so much has happened, not only in our lives, but others as well. Even though sometimes we don't understand why, we must always remember to trust in the Lord. The Bible tells us, He will never leave us, nor forsake us. This brings to mind the poem, 'Footprints', revealing the one set of footprints that appear. It's comforting to know that this is when the Lord is carrying us.

This time last year, our County Judge and longtime friend, David N. Perdue, never dreamed the path his life would take. He shares his story and the thanks that he and his wife Judy feel in their hearts this Thanksgiving season.

Keep the Faith and always remember, 'In everything give thanks'. 1 Thessalonians 5:18

The Knox County News - Dave, Stacy, Scooter, Billye

Sharing his story . . .

The following story has a strange twist, both good and bad of what can happen to anyone, just as it happened to me. Hopefully, those of you reading this will take notice of my story and not have to experience the shock that I have.

During the last week in May, I noticed a small spot on my upper lip, which appeared to be a bite of some kind. After a week it had not gone away, so I had a doctor check it out. After attempting to drain it, he agreed it looked like a bite and treated it as such.

A week later, I went to a dermatologist, who extracted the spot, had it tested and advised it was a benign tumor - what a relief. But, within a week, the spot appeared again, this time much larger and growing rapidly. The dermatologist recommended an Ear, Nose and Throat Doctor, who recommended removal, and the surgery was scheduled for August 1st. This all happened the first week in July.

One of the many blessings in my life is that I have a brother-in-law who is a Oncologist. One phone call to him with an update on what was happening, and he had a consultation scheduled for the next day, with surgery scheduled immediately, if necessary. I had surgery to remove the lesion on my lip, but a follow up CT scan the next week indicated a problem in my kidney . . . cancer. I was given a choice of three places to go for treatment M.D. Anderson in Houston, Washington, D.C. and San Antonio.

On July 22nd, we traveled to San Antonio to have more scans and consultations. I started chemotherapy (two medications: Interfuron and Prolueken) immediately. After four weeks of injections, the small lesion had shrunk by 50% and my doctor advised removing the kidney. One week later, the cancerous kidney was removed by laproscopic surgery - no stitches, no bandages - - just glue! Isn't that amazing?! Then another four weeks of chemotherapy followed.

Fortunately for me I was able to take the injections at the Knox City Clinic. The injections drained my energy, gave me flu like symptoms and I lost my appetite. So most of my county duties have been done at home. Thank goodness for telephones, fax machines and computers!

I am not out of the woods yet, and I returned to San Antonio on November 15th for more tests. My purpose in sharing this with you is to caution everyone to pay attention to your bodies, and if you see anything new or different, see a doctor. It just might save your life.

David N. Perdue

THANK YOU

To each of you that have expressed concern of my well being, either by card, telephone, visits or any other expression, we THANK YOU.

To all our County Churches, Sunday school classes and individuals who added me onto their prayer lists . . . you will never know how much I appreciate each and every one of you. Your prayers have given me strength and such a love for the each of you.

We still have a ways to go but we know we are not alone.

Judy and I THANK YOU all so much, and GOD BLESS each of you.

DAVID N. PERDUE

New Arrivals

It's a boy!

Charles Wayne Conner

Mixie and Jim Bob Conner of Slaton announce the arrival of their son born Wednesday, November 14, 2001, at Covenant Medical Center in Lubbock.

The baby has been named Charles Wayne and he will be called Charlie. He weighed seven pounds, thirteen ounces, and measured 20 inches in length.

Paternal grandmother is Judy Conner of Benjamin. Paternal grandfather is Larry Conner of Wolforth.

Maternal grandparents are Charlie and Marlene Siepel of Lordsburg, New Mexico.

Paternal great-grandparents are Mr. and Mrs. Bobby Roberson of Benjamin.

Maternal great-grandparents are Mr. and Mrs. Charles Siepel of Carlsbad, NM; and Mr. and Mrs. Richard Nichole of Las Cruces, NM.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"More responses to the age-old question: 'Why did the chicken cross the road?'"

• Karl Marx: To seize the means of production and escape the alienation of the proletariat.

• Sir Isaac Newton: Chickens at rest tend to stay at rest. Chickens in motion tend to cross the road.

• Ernest Hemingway: To die. In the rain.

• Groucho Marx: Chicken? What's all this talk about chickens? Why, I had an uncle who thought he was a chicken. My aunt would have divorced him, but she needed the eggs.

Here and There - Joe Banner was in Amarillo over the weekend visiting with his daughter, Dianna Springs; her two boys, Thomas and Jocody; his sister and husband, Laura and David Wade;

and his nephew, Kenneth Banner.

Dana Sherman and son Tucker visited with Billie Walker and Nathan Sherman last weekend. Nathan went back to Panhandle with them where he had a good paying job as a welder.

While here, they visited Nathan's grandmother in Haskell.

Margie Sarabia's sister, Sally Garza of Arlington and her parents, Henry and Beatrice Guerrero, were in Amarillo to visit her sister, Ortence Agura, last week.

Phil Sarabia of Graham visited his mother, Margie Sarabia, over the weekend.

Paul Gothard of Blackwell came Saturday and visited with his father, Dwight Gothard, and carried him out to eat and did a few odd jobs for him.

Lowell Rowan of Denton came

and picked up his mother, Bernice Rowan, Friday and they were going to do some traveling around and attended some musicals with lots of good singing going on.

Several members of O'Brien Baptist were in Knox City Sunday night and attended church services at First Baptist. All churches met together for a good song service and a good sermon from Bro. Paul Chambers. All enjoyed refreshments after the service. Those from O'Brien Baptist were Bro. Kyle Gullledge and wife Leah, Orval and Helen Manning, Don and Marilyn Talbot, John Lippard, Jr. Reeves, George Hodges, Charlene Brothers, Veeta Reid, Janoma Stephens and I.

Felton and Betty Herring of Fort Worth visited Ranzy and Adelle Herring a while last week.

Retired Teachers to meet Nov. 27 at Aging Center

The Knox County Unit of the Retired Teachers will meet Tuesday, November 27, at 2:30 p.m. at the Knox County Aging Services.

Second Team Def. End

Sedrick Roberson picks up yards behind great offensive blocking.

Will Grimsley booms the ball away on a fourth down punt.

Dominique Collier gains yards on a wide open run around the left.

The fans were totally into the game, cheering wildly in the rain.

Greyhounds finish season

Knox City's Greyhounds finished their 2001 football season last Friday night when the team suffered a hard fought 14-7 loss in the rain and mud to Petersburg for the Bi-District Championship.

Playing at Matador, Knox City scored first against the Buffalos before going into the locker room at half time tied 7-7. The score remained deadlocked until the fourth quarter when Petersburg went ahead by a touchdown and stayed ahead until the final buzzer.

Knox City players on the field were supported by one of the largest crowds of the season as fans cheered wildly throughout persistent rain and cool temperatures. The tremendous number of fans making the 90 mile drive to Matador was a reflection on how the school and community came together this season to support the Greyhounds through a very exciting season under first year head coach Wayne Hutchinson.

Finishing the season with a record of 8 wins and 3 losses, the 'Hounds had a total of 13 players recognized with post season All District Honors. Coach Hutchinson was also named as Coach of the Year for the District.

On the offensive side of the line, fullback Scooter Thompson (a junior) completed the regular season as the team's leading rusher with 467 yards on 73 carries. Other leading rushers were running back Riley Spells (a freshman) with 454 yards on 49 carries, quarterback Sedrick Roberson (a junior) with 390 yards on 73 carries, running back Gemile Roberson (a junior) with 386 yards on 63 carries, and fullback Dominique Collier (a junior) with 327 yards on 46 carries. Quarterback Sedrick Roberson completed 29 of 48 passes for 591 yards with 6 interceptions, and quarterback Brad Johnson (a junior) completed 19 of 32 passes for 166 yards with 2 interceptions. The Greyhound offense gained 2092 yards on the ground and 840 through the air during the regular season.

On the defense, linebacker Will Grimsley (a senior) led the team with 108 tackles and 16 quarterback sacks, linebacker Scooter Thompson had 106 tackles and 11 sacks, and lineman Casey Carver (a senior) had 80 tackles with 22 sacks. The tough Greyhound defense only allowed an average of 10.7 points per game for the season.

Around town

By Mike Burkham, City Manager

As we enter into this time of National Thanksgiving for the freedoms that we enjoy, let us all remember the tremendous sacrifices of the past that have allowed us the opportunity to enjoy this way of life in the greatest country on this earth. In this time of unrest across the world, let us never take for granted the wonderful blessings that we have and commit ourselves once again to the values and principles that made the United States of America into the home that we enjoy.

Amazing things continue to happen in our little town. Due to the efforts and investments of individuals, businesses and churches, a tremendous face lift has occurred throughout Knox City. Many groups and private citizens have been employing the services of a private paving contractor to resurface their driveways and parking lots. The improvement in appearance to our community is obvious along with the improved service to those who will make use of these areas. The City is attempting to follow suit with resurfacing North Avenue

D. This is the most traveled street in Knox City since it seems to be the street that many of us taking getting to and from the school. We all know that there are other streets in town that are in need of similar attention, but after months of consideration, the City Council determined that due to condition and usage, this was the place to begin.

Work with the patching / paving machine is also going at a rapid pace. Most of the potholes have been repaired in town and the maintenance men are now beginning to work at putting a seal coat down on the streets in town that are in the worst shape. This is proving to be very effective thus far and it is our hope that these efforts will make traveling throughout our community a little more enjoyable in the future. Our one regret is that we are being held up by the weather. There isn't anyone in this country that will turn down a good rain, and it has finally come to us in enough quantity to provide a benefit to our farmers and ranchers. For this we are all thankful, but it does hinder

our efforts on your behalf. Your continued patience is appreciated as we all put forth our best efforts to provide you with the best service that we are able within the budgetary and manpower restraints that we have.

I know that sometimes it appears that we are not getting very much accomplished as we go about our day to day operations, but I believe that we can all see that as long as we continue to work together that some obvious improvements will come about for each of us. The best indicator that we have is the constant improvement in sales tax receipts that are returned to the city. Over the past year, the city of Knox City has shown steady improvement in this area. This is not just a benefit to the City in its operations, it is also a true indicator of how the citizens of our town and the surrounding area are supporting the local businesses. For this I thank each of you and also congratulate the businesses of Knox City for providing the goods and services that the people you serve require.

Groom wins 6-man bi-district contest

The Groom Tigers, coached by Larry Reid, won their six-man bi-district football game last Friday night by defeating the Miami Warriors, 48-22.

Groom (11-0) will play Patton Springs (10-0) this Friday night at Valley for regional.

Haskell / Knox Pecan Show set for Dec. 4

Haskell County is teaming up with the folks from Knox County to have a pecan show this year! The show will be held on December 4, at 9:00 a.m. at the Haskell National Bank Meeting Room in Haskell.

Anyone who has a pecan tree can enter the show. It's much simpler than you might think! The process involves gathering up 40 of your best pecans and putting them in a sack. You must label your sack with your name, phone number and pecan variety. If you do not know the variety, our pecan experts can figure it out for you. The next step is to drop off your sack of pecans at any of the designated drop-off points on November 30, December 1 or 3. Drop-off sites are as follows:

- Haskell - Haskell County Extension Office
- Rule - Simpson Oil
- Benjamin - Knox County Courthouse
- Knox City - City Hall Building
- Munday - TAMU Experimental Station / Vegetable Center

SEEDS FROM THE SOWER

Michael A. Guido
Metter, Georgia

A brilliant man who excelled in medicine, music and philosophy wondered, "What shall I do?"

While going through his mail, he noticed a magazine that was addressed to his neighbor but had been put in his box by mistake. In it was an article, "The needs of the Congo."

He read it, prayed about it, and said, "My search is over." He went to the Congo, became a great missionary and received the Nobel Peace Prize.

Was it an accident the mailman put the magazine in his box? No, an act of God.

Like the hymn says, "God moves in a mysterious way His wonders to perform."

Immunization clinic to visit in Munday on December 6

The Texas Department of Health will conduct an Immunization Clinic at the Perry Patton Community Center in Munday, Thursday, December 6, from 10:00 to 11:30 a.m. and 1:30 to 3:00 p.m.

Immunizations offered include DTaP, Hib, Polio, Measles, Mumps and Rubella and Hepatitis B for infants as well as all school immunizations.

The Hepatitis B series was re-

quired for Kindergarten entry this year and was required for 12 years old on August 1, 2000. Parents are asked to check their child's immunization record for this series.

The varicella (chickenpox) vaccine is available to anyone age 1 thru adulthood that has not had the chickenpox. For those children in need of this immunization, parents are asked to call to reserve a dose as only the proper amount will be reserved.

Participants are asked to bring immunization records and social security numbers. A parent, adult family member or legal guardian must accompany a minor.

All services provided by the Texas Department of Health are provided on a sliding fee scale but no one is denied services due to an ability to pay.

For more information on the immunization clinic, call 940-552-8770.

SEEDS FROM THE SOWER®

Michael A. Guido
Metter, Georgia

Two men were crossing a farmer's field when an angry bull ran after them. They started to run, but they knew he'd catch up with them. So one said, "Pray, John!"

"I know only one prayer," he answered. He cried, "Lord, for what we're about to receive, make us truly grateful."

Funny, isn't it? But the Bible does say, "In everything give thanks."

What - give thanks for problems and pains? Why? Because nothing and no one is outside God's control. And the Bible says, "All things work together for good to them that love God."

Trust Him, and you'll see that your misfortunes become His fortunes to enrich you.

Benjamin news

By Gladene Green, Benjamin Correspondent

Finally - we have some cool weather. Had a norther come in earlier in the day today (Monday) and temps are nicer. Far more reasonable than we have had. And chance - maybe even a promise - of a freeze tonight. We'll see.

Basketball got off to a good start last week. Jr. High played Rochester Monday night and came home with victories for both the boys and girls.

Then on Tuesday night, our high school traveled to Patton Springs. The girls won against Meadow. (Patton Springs boys were still playing football.) Then the high school boys entered a tournament at Lueders during the weekend bringing home the first place trophy. John Shaw and Clayton Conner were selected to the all-tournament team. Jr. High entered a tourney at Guthrie and won third place. So looks like we have a good "round" ball year in the making.

Thanksgiving Supper - The annual community-wide Thanksgiving supper was held Wednesday night at the Community Center. With all attending bringing a covered dish (or dishes) a bountiful table was set and lots of people were on hand to enjoy. A program followed the meal which was as

follows: Invocation - Hank Wagner, Hymn - (group singing) We Gather Together, Ministerial Alliance Fund Report - Kenneth Roberts, Ministerial Alliance Offering, Special Music - Church of Christ and Children's Choir, accompanied by Wes Holland, Message - Wes Holland, Hymn (group) - To God Be The Glory, Benediction - John Gillispie.

New Arrival - Jim Bob and Mixie Conner of Slaton are very proud to announce the arrival of a baby boy. Charles Wayne was born Wednesday, November 14, 2001 at 7:28 p.m. at Covenant Hospital in Lubbock He tipped the scales at 7 lbs. 13 oz. and was 20 inches long.

Maternal grandparents are Mr. and Mrs. Charlie Seipel of Lordsburg, NM and paternal grandparents are Larry Conner of Wolforth and Judy Conner of Benjamin.

And his "great-grands" are Bobby and Philomae Roberson of Benjamin, Mr. and Mrs. Charles Seipel of Carlsbad, NM and Mr. and Mrs. Richard Nichols of Las Cruces, NM. With aunts, uncles, cousins and lots of friends, Charlie will be getting lots of attention. Judy Conner visited her new grandson during last week.

About our ill - Nora Hertel spent

a couple of days in the Knox County Hospital last week suffering from a light stroke and also with another problem or two. She's much improved and was able to go back to the Munday Nursing Center Thursday.

Joe Nunley can't seem to get to feeling better. Has had several days of just feeling pretty bad. Joe still enjoys company and I urge any of you who have an opportunity to be in Munday to go by and see him and our other friends who are residents of the nursing center.

Jo and W.T. Cartwright got back Saturday from Houston. Doctors there said she's holding her own and to keep doing what she has been. She's hoping to be able to start going to Abilene for some of the tests she's having in Houston and eliminate so many trips down there. Just continue to pray for her and her family.

And finally - Congratulations to the Moguls and Greyhounds for their football accomplishments this year. You represented our county well and we commend you and your coaches. Good luck with basketball. And Happy Thanksgiving, everyone. Let's not forget to count our many blessings and pray for those less fortunate than we are. See you next week.

Obituaries

Romana C. Valdez

Funeral services for Romana C. Valdez of O'Brien were held Thursday, November 15, at 2:00 p.m. at Santa Rosa Catholic Church. Burial was in the O'Brien Cemetery with Smith Funeral Home in charge of arrangements.

She died Tuesday morning, November 13, at her O'Brien residence following a lengthy illness.

She was born July 3, 1919, in Terlingua, Texas.

Survivors include her husband, Felix of the home; a brother, Ventura Catano of Knox City and a sister, Sylvestra DeLao of O'Brien.

Will Burkham earns reserve champion honors at national bull riding finals

Will Burkham completed his year of competition in the National Junior Bull Riders Association by claiming the Reserve Champion position in the 13 and under age division at the National Finals Bull Riding in Ada, Oklahoma on November 9-11. Will was one of only two riders in this age group to ride all three of his bulls in the finals and was sitting in a good position to take the championship going in to the final round on Sunday. This is when the luck of the draw demonstrated its influence. The bull that he drew for his final ride did not have the trip that he needed to score high enough to take the lead. The judges offered Will the option of a reride, but Will understood the odds of being able to take the lead if his major competitor and friend, L.J. Jenkins, made his final ride. He made the wise decision of taking the current score as the announcer proclaimed to the crowd that, "We actually have an intelligent bull rider, he is taking the score!"

As the Reserve Champion of the finals, Will received a custom made belt buckle, a Carhart jacket and numerous other prizes. This proved to be a successful finish to a good season for Will as he prepares to move up to the Junior Division in the NJBRA next year. He is also considering participating in other rodeo association in the future which include the National High School Rodeo Association as well as other bull riding associations.

WILL BURKHAM

Will is the 14 year old son of Michael Burkham and Melissa

Burkham, his grandparents are Don and Carol Mullis of Hochatown, Oklahoma and Leon and Leona Burkham of Knox City.

Water screening is scheduled in Knox City

Four Winds RC&D Area, in cooperation with Texas Agricultural Extension Service, Wichita Brazos Soil and Water Conservation District and Natural Resources Conservation Service will be conducting water screening in Knox City on December 4. The screening event is designed to help rural resident to learn about practices that improve water quality for home and agricultural use.

Water samples will be screened for nitrate, total salts and bacteria. The cost of the screening is \$3.00 per sample to cover materials and supplies.

Water sample bags and instructions can be obtained at the following locations:

Natural Resource Conservation Service, 1101 E. Main, Knox City
Four Winds RC&D Office, 606 E. Main, Knox City

Texas Agricultural Extension Service, Courthouse, Benjamin Monday, December 3, pick up the sample bag and instructions;

Tuesday, December 4, collect the water sample (if possible collect the sample in the morning and bring in a fresh sample for screening) and return the sample for screening, before 12:00 p.m., to the NRCS office in Knox City.

Wednesday, December 5, results will be available after 12:00 p.m.

For additional information contact Four Winds RC&D (940) 658-3680, NRCS (940) 658-3526 extension 3, or Texas Agricultural Extension Service (940) 454-2651.

Advanced word processing course to be held at VRJC

The Division of Workforce Education and Training at Vernon College has scheduled a computer course this fall entitled Advanced Word Processing: Word III.

Instruction will be given in multiple document editing, footnotes, endnotes, table of contents and index generation, user defined macro procedures, mathematics capability and file import and export from other programs.

This course is scheduled to meet on Tuesdays from 6 to 8:40 p.m.

beginning November 27 and ending December 11.

Registration fee will be \$30.00 plus book and taught by Amy Vaughn.

For additional information or registration forms, contact the Vernon College Continuing Education Office at 552-6291, ext. 2209. Pre-registration is recommended.

This course will take place at Vernon College, 4400 College Drive in Vernon.

Giving thanks to Texas farmers and ranchers

"Oh beautiful, for spacious skies, for amber waves of grain, for purple mountains' majesty above the fruited plains, America . . ."

The ode to our Nation celebrates the strength, natural beauty and cherished freedoms that symbolize the United States of America. Embedded in that celebration of our Nation is an appreciation for this country's agricultural abilities.

"Thanksgiving is truly an American holiday, a tradition that began when our Nation's ancestors joined together to celebrate the bounty of the land. I would ask that all Texans join me in remembering and thanking those who preserve the beauty and bounty of Texas agriculture," says John Fuston, State Executive Director for the Texas Farm Service Agency.

Farmers and ranchers comprise less than 2-percent of the American population, yet grow enough food for the Nation's more than 200-million citizens, with generous amounts of food exported annually.

In Texas, with a population of more than 20.8 million, more than 14 percent of jobs are in farming or farm-related activities.

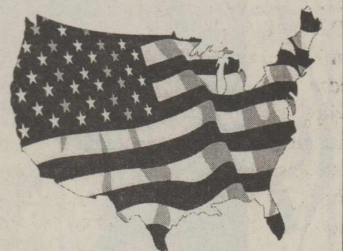

Farms and farm families are a valuable part of Texas culture. They embody a way of life based on wholesome values . . . hard work and self-sufficiency, with emphasis on family and community.

As family and friends gather for our Thanksgiving feast, remember those who helped make this holiday fulfilling and those who help keep America strong. The Texas Farm Service Agency acknowledges Texas producers for all they do and represent.

Thanks

to everyone for their cards, flowers, calls, visits, concern and prayers during my time of surgery and recovery.
Your kindness has meant so much to us.
We ask God's blessings on each of you.

Bid Notice

INVITATION FOR BIDS

The Housing Authority of the City of Knox City, Texas (hereinafter called the "Local Housing Authority") will receive sealed bids for a single construction contract for the modernization of existing parking lot and construction of new carport, including demolition, site work, alterations and all work specified and/or shown on the drawings until:

TUESDAY, DECEMBER 18, 2001, 2:00 P.M.

THE HOUSING AUTHORITY OF THE CITY OF KNOX CITY S.W. 4th STREET KNOX CITY, TEXAS 79529

Immediately thereafter all bids will be publicly opened and read aloud. Proposed forms of contract documents, including plans and specifications are on file and available for inspection at the office of the Housing Authority of the City of Knox City and at the office of Cameron Alread, Architect Inc., 209 W. 8th St., Fort Worth, Texas 76102, (817) 322-6231 and at plan rooms in various cities of the state.

Copies of the documents may be obtained by depositing \$50.00 with the Architect for each set of documents so obtained. Such deposits will be refunded on return of the plans, specifications and other documents in good condition within 30 days after bid opening.

A certified check or bank draft, payable to the Local Housing Authority, U.S. Government Bonds, or a satisfactory bid bond executed by the bidder and acceptable surety (the BID BOND shall be from a Company which is on the U.S. Treasury Department List, as an approved Surety Company) in an amount equal to five (5%) percent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds. The bonds shall be from a Company which is on the U.S. Treasury Department List. Attention is called to the provisions for Equal Employment Opportunity as set forth in these documents. Attention is called to the fact that not less than the minimum salaries and wages as set forth in the specifications must be paid on this project.

The Local Authority reserves the right to reject any or all bids and to waive any informalities in the bidding. No bid shall be withdrawn for a period of ninety (90) days subsequent to the opening of bids without consent of the Local Authority.

Researchers at Harvard have known for some time that Down Syndrome patients who survive past 30 tend to develop brain lesions & dementia like Alzheimer's Disease suffers. Downs patients are extremely sensitive to the pupil dilating drug tropicamide, use by ophthalmologists to look inside a patient's eyes. Using the drug on the eyes of Alzheimer's patients found that the eyes of those people dilated 13% vs only 4% for a control group of non Alzheimer's people.
