THE GREYHOUND DEFENSE took total control of the game against 2A Seymour last Friday night here in Knox City. Swarming like a pack of angry dogs, the 'Hounds proved that they work together well as a defensive unit. In the above photo, A Seymour runner is stopped by (center of photo) Scooter Thompson (41), Ricky Gonzales (10), and Kendrick Green (21). Other Greyhound defenders in the photo are (left to right) Carlos Ruiz (12), Gemile Roberson (32), Caleb Carver (64), Sedrick Roberson (2), C.J. Bruce (50), Riley Spells (24) and Quinten Spells (22).

THE 'HOUND OFFENSE proved to be a powerful weapon against the Class 2A Seymour Panther defense last Friday night at Greyhound Stadium. Quarterback Sedrick Roberson ran the ball with ease while the new and revised offense blocked and provided a lot of running room for the backs. In the photo above, Roberson (2) takes off to the left side of the line, behind blocking by Gemile Roberson (32), Scooter Thompson (41), Sean Duncan (55) Ricky Dale Smith (76). Other 'Hounds (left to right) are Dominique Collier (33), Kendrick Green (21), Caleb Carver (64) and Drew Barnard (73).

## Greyhounds win season opener, stun Seymour's Panthers, 31-7

Despite a delay of game for one hour and ten minutes that was caused by a power failure, the Knox City Greyhounds entertained the home crowd at their season opener last Friday night by defeating the class 2A Seymour Panthers, 31-7.

Showing an awesome defense and an offense full of weapons, the 2002 edition of the Knox City's 'Hounds proved to be a formidable foe on the field. Preseason worries about an inexperienced line were put to rest, along with any concern of how upcoming underclassmen would perform. The defense was totally devastating, causing Seymour's offense to flicker, at best. Gang tackling and caused fumbles were the theme of the evening for the Greyhound defense as they caused 7 fumbles, recovering 3. The unit was also responsible for 19 solo tackles, 59 assisted tackles, 3 quarterback sacks, 6 hurried passes, 1 interception and 1 touchdown when defensive lineman Caleb Carver picked up a Panther fumble and ran it back for 6 points.

Defensive leaders were Sedrick Roberson with 6 solo tackles, 6 assisted tackles, 1 hurried pass and 1 caused fumble with recovery; Scooter Thompson with 2 solo tackles, 9 assisted tackles, 2 hurried passes and

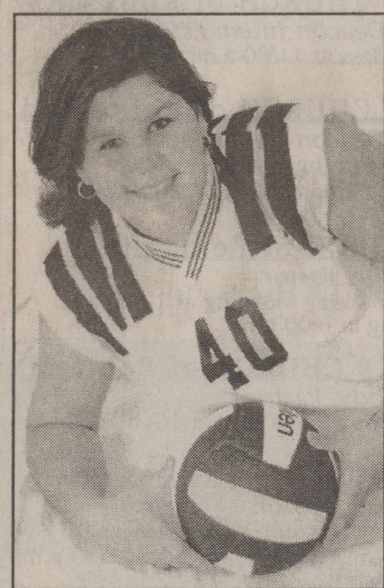

2 caused fumbles; Dominique Collier with 1 solo tackle, 8 assisted tackles, 1 sack, and 2 hurried passes; Gemile Roberson with 2 solo tackles, 5 assisted tackles, 1 hurried pass and 1 caused fumble; and Caleb Carver with 1 solo tackle, 5 assisted tackles, 1 fumble recovery and 1 touchdown. Kendrick Green had the lone interception of the game.

Knox City's scoring was led by Dominique Collier with one 5 yard touchdown run, one kicked field goal and 4 kicked extra points. Other scoring was by Riley Spells with a 2 yard run, Kendrick Green with a 75 yard kickoff return. Gemile Roberson led the rushing with 56 yards on 8 carries, Dominique Collier had 34 yards on 3 carries, Riley Spells had 23 yards on 4 carries, Sedrick Roberson had 18 yards on 7 carries, Scooter Thompson had 7 yards on 2 carries, Quinten Spells had 5 yards on 2 carries, and Carlos Ruiz had 4 yards on 1 carry. Sedrick Roberson also completed 3 of 9 passes for 53 yards.

Knox City travels to Anson this Friday night to take on the class 2A Anson Tigers. Since this is a preseason game, the kickoff is scheduled for 8:00 p.m. There will be a pep rally in the KC high school gym at 3:10.

## Houndettes win consolation trophy in Albany tournament, KC senior Ashley Jobe is named to all-tournament team

By Coach Terrell Harris

This past week, the Houndettes traveled to Chillicothe for a match on Tuesday and then to Albany for a tournament on Thursday and Saturday.

At Chillicothe, the varsity lost a tough match, 9-15, 15-3, 9-15. The second game was one of our best of the year but serving hurt us the other two games.

We opened the Albany tournament by defeating district rival Rotan, 15-11, 15-7. We then beat Sterling City, 15-12, 15-9. We then played Albany and split our games, 15-14 and 13-15.

We finished the day by defeating Eastland 15-14, 15-8. Our 7-1 record earned us the top seed going into Saturday's play.

On Saturday, the Houndettes opened against Newcastle where we dropped a very tough match, 15-3, 12-15, 13-15. We rebounded to defeat Eastland, 15-2, 9-15, 15-5, and again topping Rotan 15-5 and 15-10 to

earn the consolation trophy.

Overall, our record was five wins, one loss and one split. The team is really coming together getting ready for district. Our first home district match will be September 10 with Aspermont.

## Joe Winford King

Former Knox City resident Joe Winford King, 79, of Canyon died Thursday, August 8, 2002, in Amarillo.

Services were held at 11:00 a.m. Monday, August 12, 2002, in Holley Funeral Home Chapel. Burial was at 3:00 p.m. in the Petersburg Cemetery in Petersburg.

Born June 21, 1923, in Rochester to John Wesley King and Ida Perry King, he had only just begun college at Weatherford Junior College when the United States was drawn into World War II.

Joe was a 1941 graduate of Knox City High School and was a standout football and basketball player for the Knox City Greyhounds.

Resolutely determined to fight for his country, Joe entered the Navy and served on the USS Tangier, a seaplane tender, in the Pacific Theatre for the duration of the war, receiving four campaign ribbons.

Following his service in the Navy, Joe completed college at McMurry and began his career and an educator. In his 40-year career, he was at different times a history teacher and coach in Petersburg, Anton, Lorenzo and Lubbock high schools.

He was a teacher and coach at Sul Ross College and McCamey High School. He was a principal at Lockney and Tulia high schools and a superintendent and athletic director at Nazareth.

In 1973, along with his daughter, he was inducted into the Panhandle Sports Hall of Fame, the only father and daughter so honored. He also coached tennis at West Texas A&M University in Canyon.

His WT team won the Lone Star Championship and he was named Coach of the Year in 1991. He was a part president of the Lions Club of Tulia, was a founder of the Lions Club of Nazareth and was an active member of the Canyon Lions Club as well.

In his retirement, and until his declining health intervened, Joe traveled when he could, to be with his children and to watch his grandchildren play high school and college sports. Every spring and summer, he carefully nurtured and tended his garden. Even in his 70s, he was still competing in local tennis tournament. And from his each chair, he "followed" just about every college and professional sport that newspapers would report and that television would broadcast.

He was preceded in death by his parents, John Wesley King and Ida Perry King; and a sister, Pauline (King) Hewitt.

Survivors include his wife, Ola Joyce; a son, Johnny Wayne King and wife, Diane (Moore), of Kaufman; two daughters, Judy Elaine and husband, Gary Daniel White of Salina, Kansas, and Kimla Gayle and husband, John Leon Crossno of Raleigh, NC; a brother, Oliver King of Plainview; two sisters, Lou (King) DuFour of San Clemente, California, and Fanny (King) Carlisle of Kress; and four grandchildren, Heath J. Hefley of Tulsa, Oklahoma, Angie White of Shawnee, Kansas, and Jana Leann King and Kyle Joseph King, both of Kaufman.

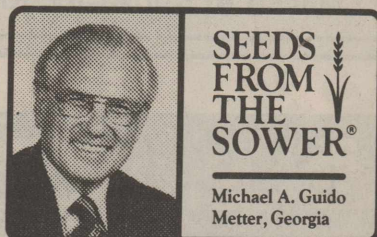

## Immunization clinic to be in Knox City Thursday, Sept. 5

The Texas Department of Health will conduct an Immunization Clinic at the Housing Authority Community Room on Thursday, September 5, in Knox City.

Times for the clinic are from 9:30 to 11:30 a.m. and 1:30 to 3:00 p.m.

DTaP, Polio, MMR and Chickenpox vaccines will be provided as well as other immunizations for adults, infants and children.

A parent, adult family member or guardian must accompany a minor.

A student ran to his teacher, shouting, "Please hold my glass eye. There's a fight outside, and it will get in my way."

Life is a fight. God and evil are in eternal conflict. The greatest battles that have ever been fought haven't been fought on some no-man's land but on the battle fields of human lives. The greatest defeats haven't been when men have lowered the flag of their country and surrendered to the enemy but when men have lowered the flag of their souls and surrendered to the devil.

If you'd defeat the devil, you must commit your life to Christ, and you must cast aside everything that would get in the way.

You'll make that commitment and casting now, won't you?

## Bike-A-Thon to be Saturday from 9:00 a.m. to noon

The Knox City "Wheels For Life" Bike-A-Thon is being planned for Saturday, September 7, 2002, from 9 a.m. to 12 noon in front of the Knox City Elementary, according to Debbie Wilde, coordinator for this year's event.

She encourages all residents and businesses to support this community effort.

The increase in the overall survival rate of children with cancer

from 30% to 70% has been made possible through research. The funds from events like the Knox City Bike-A-Thon make that research possible. The citizens of Knox City work hand in hand with the researchers, technicians and doctors at St. Jude Children's Research Hospital to provide treatments and cures for children of catastrophic diseases.

Due to the overwhelming im-

portance of the research conducted at the hospital, St. Jude freely shares its new treatments and research findings with doctors and hospitals around the world including those in Texas.

St. Jude Children's Research Hospital in Memphis, Tennessee, was founded by the late entertainer Danny Thomas.

## Benjamin news

By Gladene Green, Benjamin Correspondent

We, like many others were awakened Thursday morning by thunder, wind and rain and lots of lightening flashing. The front got on by us pretty fast but before it was over we had gotten something over an inch of much needed rain. And the rest of the day was much cooler which was appreciated.

School news - The volleyball girls traveled to Paducah Tuesday evening and came home winners. It's good to report victories and we hope we have a bunch.

The Mustangs hosted Valley JV Friday night and tho they played well, when the final buzzer sounded we were on the short end of the score. Had some turnovers and missed extra points thus causing a loss - 29-26. But we will do better as the year goes on. Next week is open then we go to Ira on September 13.

About our ill - Still more encouraging news about Bobby Hudson. Tho still hospitalized he's feeling much better and just may be able to return home in a few days.

Jane Gideon was in Wichita Falls Tuesday to see her doctor. She got a great report and does not have to go back for three months.

Leroy West has been a busy

(Last Week's News)

## Benjamin news

By Gladene Green, Benjamin Correspondent

Hot - that's everyone's complaint - everyday. All last week it looked "rainy" in all directions from us but nothing at all here. Just hot temps with a hot wind blowing. One good thing, our mosquito population is down. That's largely due, I'm sure, to the fact that City Manager Ronnie White has been "burning the midnite oil" and spraying late. We appreciate that!

Better news about Pam Duke.

man this past week. He had two doctor's appointments. He was in Fort Worth Monday to see his kidney transplant doctor and then in Abilene Thursday to see his cardiologist. The heart doctor says he's doing great and he hasn't gotten all the results of his Fort Worth trip. He feels that report will be good too as he's feeling fine.

Joe Nunley was in Dallas Wednesday to see his doctor. This trip just turned out to be a checkup and he goes back in mid-September for further tests and treatment. His condition remains about the same.

Raul Barrietez has been making trips to see his doctor. Dizziness and headaches and doctors have about decided the main problem is inner-ear trouble. He's on some medication and seems to be feeling better.

Here 'N There - Bud Conner visited his brother, Larry in Lubbock, a couple of days last week.

Betty and Roger Bohannon returned home Saturday after several weeks in Minnesota where Roger had been working. After a few days off, he will go to Houston where he will be employed.

Charlie and Reba Morrill returned home last Friday after a three week trip to Nova Scotia. They took a drive up the Gaspe

Peninsula which is south of the St. Lawrence River (I believe). In Nova Scotia, they visited friends and "got in" on wild blueberry picking and learned what good things wild blueberries can do for you.

Janet Reed, accompanied her mom Edith Broach of Lubbock, to Farmersville over the weekend to visit relatives.

Larry and Glenda Bearly returned to their home in Erie, Colorado, Thursday after several days visit with her mom, Odessa Cox.

Clay Conner, student at South Plains College, was home for a weekend visit.

Sue Terry and family of Dallas spent the weekend with her parnets, Jane Gideon and Weldon Gideon. She continued her project of painting her mom's house.

Sharon Johnson Bivins called me from Tatum, NM, Saturday to tell me of the death of her aunt, Norma Patterson Thornhill Jones. Norma was a sister of Sharon's dad, Rex Patterson. My sympathy to the Patterson family.

Mike and Debbie Moorhouse visited her kids, Beckie and Cody and their families in Childress, Saturday.

Sunday guests of Leroy and Gloria West were daughter, Betty Parker and family of Aspermont.

Her tests were all good on Thursday. Doctors believe her problem may have been caused from some medication she was taking. She's back at school but must take it easy - she does not need to overdo anything. She's also taking medication to prevent (hopefully) any further occurrence of this problem.

Jane Gideon is still feeling good. Her main complaint is the very strict diet she's having to

stay on. But she says she has gotten more used to it and it's not as bad as it was when they first put her on it. She goes back to see her doctors on Tuesday.

Bobby Hudson is still in Covenant Hospital in Lubbock. He developed pneumonia after his triple bypass surgery and is pretty slow getting over it. Doctors think maybe they have finally got the right combination of antibiotics to handle it tho, now, so maybe he

will start to show more improvement. Please continue to pray for these friends.

School news - The volleyball girls and football boys have each had scrimmages this week and from what I saw, they looked pretty good. It will be good to get into regular games and see how they fare. We don't have enough for a Junior High football team. The schedule was made up hoping some more would come in but that didn't happen, so for the first time in a long time. Right now there's not Benjamin Jr. High Colt team.

The Jr. High volleyball girls are Brittany Kuehler, Jenna McCanlies, Sadie Benson, Shaylee Propps, Nafeesa Ebraheim, Carla Benson, Julia Acevedo, Judith Acevedo, Cherie Hearn, Shawna Favor, Jackie Zavala, Tina Siemens and Kim Williams.

Off to college - A pretty good group of Benjamin graduates are off to school. Some for the first time - others returning after summer break and still a few who went all summer. Those students and the school they are attending are Lynn Moorhouse Rogers, Sandra and Carmen Acevedo - San Angelo State; Clayton Conner, Garrett Favor, South Plains College; Rachel Duke, Kathy and Toby Rainwater, Ashley Cartwright, Midwestern University; Liz Moorhouse, VRJC; Blaine Conner Bradley, VRJC School of Nursing; Jason Patterson, University of Karlstad in Karlstad, Sweden; Monica Zavala, Howard County Jr. College, Big Spring; Brandi Riggins, Hardin-Simmons; Rebel Rainwater Huffman, University of Texas Medical School, Galveston; Zeke Duke, Texas Tech medical school. Rebel and Zeke are well on their way to becoming doctors.

I hope I haven't missed anyone but if I have, please let me know. I do not want to slight anyone.

Here 'N There - Billie Faye

Cummings of Henderson has been visiting her sister, Pat Benson and other relatives and friends.

Paul Riggins who lives in Oregon has been here visiting his brother, Joe and family.

Raul and Reyes Barrientez and Jimmy and Michele Barrientez and family visited Mary, Sean and Hannah Widmer at Argyle over the weekend and helped Hannah celebrate her birthday. Hannah is Raul and Reyes' granddaughter and Jimmy's niece.

Laura Johnson and Cheyenne Favor were in Weatherford Saturday attending a 4-H meeting. Laura and Cheyenne are council delegates for the Knox County 4-H.

Marsha Condron tells me that their son, Bobby, received his degree in finance on August 14 from Midwestern. Bobby will be leaving Sept. 12 (thru 16) for Chicago where he will be doing some modeling for an agency out of Dallas. Then he will leave October 4 for South Africa where he will also be modeling for the same agency. He will be gone three months to Africa.

Marsha and Derrell also had company Saturday. Her mom, Melba Martin of Afton was their and Sandra and Monroe Gage, also of Afton.

Aaron Kuehler of VRJC was home for the weekend.

Lynn Moorhouse Rogers of Midland was home last weekend to visit relatives and to attend the baby shower for Mica Larned Saturday.

Mike and Debbie Moorhouse visited Bobby Frank Hudson in Lubbock hospital Thursday.

Joy Yancey of Lakeside City visited her sister, Jane Gideon and Imagean Young Thursday and Friday. Peggy Shropshire of New Deal visited Jane on Friday.

Joe Nunley will be doing to Dallas Wednesday to see his doctor. Joe has a number of problems and has very few good days. We hope this trip to Dallas will pro-

vide some help for him.

Bill and Annette Elliott of Dallas and Harmon and Nan Mathis of Seymour were recent visitors in the home of Omitene Barnett.

Weekend guests of Chris and Penny Phillips were Pat Antonisse of Richardson, Jo Ima Hill and Jay and Misty Fronterhouse of Munday. They also attended the wedding of Shelly Scott and Kevin Myers on Saturday.

A study in the Archives of Internal Medicine maintains that living wills can save about \$60,000 per patient in medical costs. Researchers studied 474 patients who died in a hospital during 1990-92. Bills for those without living wills were three times as high.

Currently only one medical school in the entire country, out of 126, has a full-fledged department of geriatrics: Mt. Sinai School of Medicine in New York.
