'Hounds clip Yellowhammers, 39-6

Weather a big factor in last Friday night's district game against Rotan

Once again, the Knox City Greyhounds ran their way to another district victory last Friday night, despite a whole lot of slipping and sliding along the way. Playing in weather that was best described as 'awful', the 'Hounds and Yellowhammers turned the center of the field at Greyhound Stadium into a muddy bog.

Knox City lit up the scoreboard first with 2 points from a safety, then senior Scooter Thompson added 18 points in a row with touchdown runs from 27, 6, and 4 yards. Rotan managed one score in the game that came off a 3 yard run by Presley Gasper early in the second quarter. The 'Hounds continued their domination of the game with touchdowns by senior Dominique Collier on a 35 yard run, senior Sedrick Roberson on a 6 yard run, and senior Kendrick Green on a 20 yard pass reception from Sedrick Roberson.

The Greyhounds picked up an impressive 269 yards on the ground from 36 rushing plays, and added another 85 yards through the air with quarterback Sedrick Roberson completing 5 out of 8 passes with 1 touchdown. Still hampered by yellow flags littering the field, Knox City was penalized 12 times for 85 yards.

The Rotan Yellowhammers ran for 151 yards on 45 carries and picked up another 11 yards through the air with quarterback Dave Mullins throwing 8 times with 2 completions and 1 interception.

The win last Friday night advanced KC to a perfect 4-0 district record.

DOMINIQUE COLLIER (33) was the leading ground gainer for Knox City High School last week. Shown in this file photo, Collier picked up 72 yards on 7 carries against the Yellowhammers in spite of wet, muddy field conditions at Greyhound Stadium.

Greyounds travel to Munday this Friday for District Championship

Tied with perfect district wins of 4 wins each and no losses, the Knox City Greyhounds and the Munday Moguls will square off this Friday night, November 8, in Munday for the final game in District 9A. Even though both teams will advance into the playoffs, this all important game will decide who will advance in the playoffs as the District Champion and who will advance as the District Runner-Up.

With the kickoff scheduled for 7:30 p.m., Knox City fans are urged to get to the game as early as they can if they desire a seat in the smaller capacity visitors bleachers. Always a hostile environment for visiting teams, Munday's football stadium is sure to be packed with a standing room only crowd on Friday night. Even though fans from both communities are solidly behind their teams, the annual 'Battle of Highway 222' always draws a larger than normal attendance.

Both the Greyhounds and the Moguls have strong running and passing games, and both defensive units have done a fine job of stopping their opponents during the last four district games. In spite of preseason rankings that showed Hamlin, Knox City and Munday to be the top three teams in district 9A, Hamlin was eliminated with losses to both the Greyhounds and Moguls.

Knox City fans attending the game are reminded to wear red or blue and be prepared to make as much noise as possible when the Greyhounds are on defense.

How this week's District Championship Game stacks up....

Team	District Record			Season Record		
	Wins/Losses	Points Scored	Points Against	Wins/Losses	Points Scored	Points Against
Knox City Greyhounds	4-0	143	47	8-1	269	122

George Levesque from KTXS in Abilene will be featured speaker at Thursday night's pep rally

Popular television sports announcer George Levesque from KTXS the ABC affiliate in Abilene - will be traveling to Knox city this Thursday, where he will be the featured speaker at Thursday night's giant downtown pep rally. Following the Greyhounds all season, Levesque placed the team on KTXS's '12 on 12', a listing of the best 12 football teams in the Big Country as seen on Channel 12's 'Sports Sunday' show, aired every Sunday night following the local news broadcast. KCHS entered the rankings in the number 12 slot, just before district action began. In the five weeks since, the Greyhounds have moved up to the number 6 slot.

Scheduled to begin at 8:00 p.m., the community pep rally gives everyone an opportunity to show their support for our Knox City Greyhound football team before their District Championship game at Munday on Friday night. Taking place in the downtown business area, the pep rally will also feature the KCHS Greyhound Pride band, and the cheerleading squads from both Knox City High School and O'Brien Middle School. Another renowned squad will also be on hand to help with the cheers, but their name was not released as of our press deadline here at The Knox County News. A fireworks display is also planned.

PROUDLY DISPLAYING examples of the new 'Thunderstick' noise makers that the Knox City Chamber of Commerce ordered prior to the District Championship game with Munday, Chamber Executive Director Marla Hawkins informed the NEWS that 250 sets will be hand for Greyhound fans to purchase before the game this Friday night. The Chamber will sell the popular noise makers as a fundraising project.

KC Chamber of Commerce plans downtown 'tailgate party' at Thursday night's pep rally

Proud to show their support of the Knox City High School Greyhound Football Team, the Chamber of Commerce is playing a big role in this Thursday night's pep rally. The community support organization will be sponsoring a 'tailgate party' before, during and after the pep rally that is set to begin at 8:00 p.m. in the downtown business area.

A featured item at the event, 'sausage on a stick' is being prepared just for the large crowd that will be on hand to wish the 'Hounds well before their District Championship game at Munday on Friday night of this week. The delicious snack will be sold as a fundraising project by the Chamber Directors, and cold drinks will also be on hand. The chamber will also be selling the ever popular 'thunderstick' noise makers for all Greyhound fans to have on hand at the game.

KCHS fall sports, band seniors to be recognized Thursday night at pep rally

Parents of KCHS seniors who have participated in the fall sports and band program are reminded to be on hand for the downtown pep rally on Thursday night where the students will be recognized.

Counts loses State House seat

In late breaking news following Tuesday's elections, Texas State Representative David Counts of Knox City heard the very sad news that he lost his re-election to the Texas House, representing District 68.

Campaigning in new territory this election, Counts' old district was divided up by the state's realignment of districts earlier this year. He was forced into a race with incumbent, Rick Hardcastle of Vernon. The new district is comprised of Baylor, Clay, Cooke, Cottle, Dickens, Foard, Hardemon, Haskell, Jack, King, Knox, Montague, Motley, Throckmorton, Wilbarger and Young counties.

Many Christians come to a dead stop. All was well when they started out. But now they have no power. Why? Because of a failure to heed the Bible verse, "Be filled with the Spirit." One translation renders it, "Be constantly filled with the Spirit."

Have you run out of power? Do you want to get going again? First, confess your sins to the Lord. Second, consecrate your all to Him. Third, by faith, claim the cleansing and the filling.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"Over the years, my husband and I have usually managed to decode the cute but confusing gender signs they sometimes put on restroom doors in restaurants (Buoys and Gulls, Laddies and Lassies, etc.), but every so often we get stumped.

Recently my husband, Dave, wandered off in search of the men's room and found himself confronted by two marked doors. One was labeled "Bronco" and the other was designated "Cactus."

Completely baffled, he stopped a restaurant employee passing by.

"Excuse me, I need to use the rest room," Dave said. Gesturing toward the doors, he asked, "Which one should I use?"

"Actually, we would prefer you to go there," the employee said, pointing to a door down the hall marked Men. "Bronco and Cactus are private dining rooms."

Here and There-Lowell Rowan and wife Sue of Denton spent Friday night with Lowell's mom Bernice Rowan and went on to Lubbock to see a relative of Sue's, who is ill.

Pretrecia of Oklahoma visited

her mother, Vivian Hendrix, a few days last week and helped her catch up with some housecleaning

Visiting Dan and Marilyn Talbot last week were their daughter, Cathy and husband of Shallowater and they were all in Abilene last Thursday for Dan to have some throat surgery. The surgery seem to be doing good so they went home with their daughter and husband for awhile and Dan will be back in Abilene Tuesday for a checkup.

Claudale and Jean Barnard will be in Lubbock today (Monday) for doctor's checkups. They will visit their grandson Jon Bryant and wife Lindsey while there for checkups.

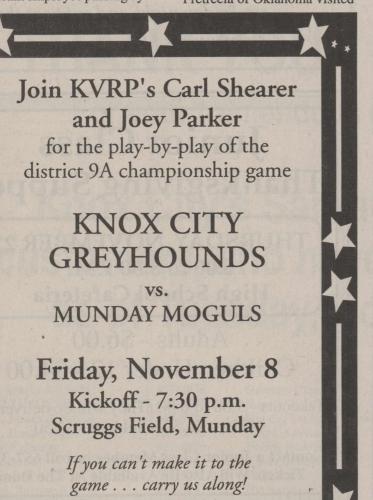

Richard and Mary Ann Palma will be in Wichita Falls today (Monday) for Richard who has a doctor's appointment and needs our prayers.

Aaron and Felipe Sanchez, students at Angelo State, visited their parents Lila and Paul and brothers Rey Rey and Amy and Ramie and Pablo, over the weekend.

The pulpit committee met Sunday night for their first meeting. Those present were Donnie and Diane Roberts, C.H. Underwood, Janoma Stephens and Charlene Brothers. They have received a few resumes and will be getting several more as they have been busy on their computers.

The Pink Ladies hosted the Halloween Party at the Brazos Valley Care Home last Thursday. We all enjoyed helping serve their goodies of different kinds of fruit, cookies and drinks. There were several dressed up for the party and enjoyed having Bonnie entertain with her music.

A mother asked a little girl, "Did you behave yourself today?"

"Oh, mother," she answered, "I

was gooder than the goodest."

But the word "good" has no degrees of comparison, because it's applicable only to God. There's no possible improvement on God.

All that comes from Him–His love and laws, His grace and gifts, His pity and provisions, are good.

God loves you and desires your good. Therefore, He'll make all things work for your good.

So give thanks to Him, for He's

Veteran's News

Readjustment Counseling Service

The Texas Veterans Commission is always in need of qualified referral sources for veterans and their dependents for a wide variety of needs. One of these sources in Texas is the VA's Readjustment Counseling Program - "The Vet Center."

Vet Centers were established by Congress in 1979 to provide services to Vietnam Era veterans and dependents. The program has been expanded in size, scope and services since then. There are 206 Vet Centers nationwide with at least one located in each of the fifty states, the District of Columbia, Puerto Rico and the Virgin Islands. Texas now has thirteen Vet Centers with a staff of over 60 veteran counselors, social workers, sexual trauma counselors and psychologists.

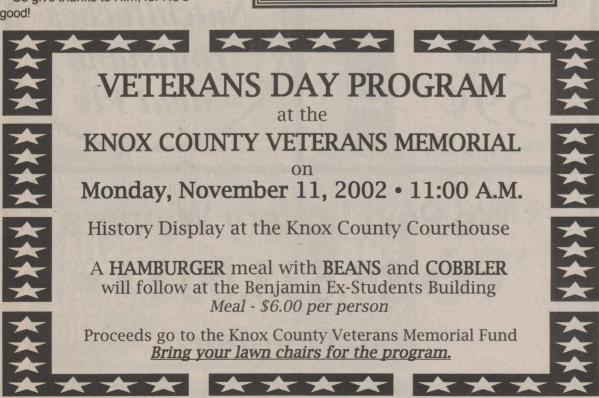

The goal of Readjustment Counseling is to provide veterans and their dependents a community based location to resolve war and sexual related trauma issues and help them return to a successful civilian life.

Counseling assistance can include individual, family and group therapy in the areas of Post Traumatic Stress Disorder (PTSD), social services, employment, education, veterans benefits, substance abuse and sexual abuse counseling. The Vet Centers may also provide readjustment counseling services in areas where there are no Vet Centers through conract private health care

Any veteran is eligible who served during a wartime or conflict zone period and received an 'other than dishonorable' discharge. These periods include World War 11 (Dec 7, 1941 to Mar 2, 1946), Korea (June 17, 1950 to July 27, 1954), Vietnam (Feb 28, 1961 to May 7, 1975), the Gulf War (Aug 2, 1990 to a date to be determined) and the campaigns in Lebanon, Grenada, Panama, Somalia, Bosnia, Kosovo and Afghanistan.

Vietnam era veterans who did not serve in Vietnam are also eligible, provided they request services at a Vet Center before January 1, 2004.

A PENNY

I found a penny today, Just laying on the ground But it's not just a penny, This little coin I've found.

Found pennies come from Heaven, That's what my Grandpa told me, He said Angels toss them down, Oh, how I loved that story.

He said when an Angel misses you, They toss a penny down, Sometimes just to cheer you up, To make a smile out of a frown.

So don't pass by that penny, When you're feeling blue. It may be a penny from Heaven, That an angel's tossed to you.

County Veterans to be honored November 11 in Benjamin

Veterans of Knox County will be honored at an 11:00 a.m. program at the Knox County Veterans Memorial, Monday, November 11, 2002.

The Knox County Historical Commission is interested in information about veterans of all wars and conflicts. Those with letters, war souvenirs, and other memorabilia are invited to display them in the courthouse on November 11. A table will be set aside to display photographs of veterans.

A hamburger, beans and cobbler meal will be served at noon that day at the Benjamin Ex-Students Center to help support ongoing projects related to the Veterans Memorial. These include engraving additional names and the collection of information about each veteran for their future book. A search through the 1966 Knox County History provides information wanted about Knox County veterans. The following

is an example. In World War I, Michael Watson Perry served in the "36th Infantry" of the 90th Division while his brother, Charles Stuart Perry was in the Quarter Master Corps, U.S. Army. Sending the two brothers to service was not all

the J.J. Perry family contributed to the war effort. The two girls in the Perry family entered government service in Washington, D.C. in September 1918. They were Katie Finch (Dorothy) and Elizabeth (Bess) Perry.

Plans were underway for a new hospital building at Knox City when the U.S. entered the war and many doctors and nurses were called by the army, delaying the building of a county hospital until 1926. Rufus McClain and Henry Jones bought a Knox City drug store in 1916, but in 1917 they closed their store to answer Uncle Sam's call to WWI.

Benjamin news

Same song - "umpteenth" verse. Rain on the famous Knox Prairie. When will it stop? That's anybody's guess and tho I hate to complain, I'm getting a little weary from all the mud and "sloshy" stuff.

It has always quit tho and I guess it will again, but sure would be good to see just a "ray of sunshine" today (Saturday).

Outside of the weather talk, not much else going on. Had another ballgame last night and Guthrie remains undefeated for the year as they best us by a score of 58-12. Next Friday night, Rochester comes here for the last game of regular season.

The cross country runners left this morning at 4:30 for Arlington for a meet today. I think it's rainy down that way too so it will probably be pretty messy. C.H. Underwood, the coach, made the trip with them. And congratulations to the Greyhounds and Moguls on their wins last night. Next week will be THE game. Anyway it goes, we will have the district winners in Knox County. Good

O'Brien Baptist to host annual Harvest Festival

The O'Brien First Baptist Church will host the ladies Fall Harvest Festival on Tuesday, November 12.

Registration wil begin at 9:30 and a salad lunch will be served.

luck !!!

Reports on our ill still encouraging. Bobby Hudson continues to be "out and about" and is getting stronger each day. That's good to report.

Julia Trepanier spent Monday night in Knox County Hospital. It was first thought she may have had a heart attack and I have not heard different but did see her yesterday and she seemed to be feeling pretty well. That's also good to report.

Dorothy Word has spent a few days in Knox County Hospital. She returned home today and is feeling much better. Please keep her in your prayers.

Upcoming events for the month of November include the volleyball playoff game on the 7th with Water Valley at Sweetwater. The 11th there will be a program honoring Knox County Veterans at 11:00 a.m. and a hamburger and beans lunch following. The annual Thanksgiving community supper and program will be on November 20. Then with Thanksgiving on the 28th the entire month

looks pretty busy.

By Gladene Green, Benjamin Correspondent

There has been very little visiting this past week - at least that I know of.

Mike and Debbie Moorhouse were in Atlanta, Georgia, all week for meetings in connection with their business. They returned home Friday.

Julie and Tommy Thomas were in Lubbock Thursday to visit with their daughter, Sarah Meinzer. As I said a couple of weeks ago, Sarah will soon leave for California to make her home.

And to report on Bill and Melba Parham - they still have not left for Houston and M.D. Anderson for this treatments. There has been a very unexpected delay in getting the medicine to be used in his treatments. They hope every day to hear from them telling them to come on and get started. Maybe that will happen very soon, now.

Visited with Hank and Linda Wagner this week and he is doing great since his back surgery and some therapy. Said he will be going back to work on Monday if all goes as planned.
