Crowell considers dropping to 6 man

In last week's edition of the FOARD COUNTYNEWS, Crowell ISD Superintendent Charles Hundley stated in his column that Crowell ISD was considering a drop from 11 man class 1A football to 6 man football next year.

Hundley quoted district enrollments at: Hamlin, 148; Munday, 132; Rotan, 115; Paducah, 101; Knox City, 96; and Crowell, 84. He also referred to rumors that when UIL reclassifies in Feb,, some area 2A schools might drop down to class 1A for the 2004-2005 season.

Blood supply experiencing critical shortage, Meek Blood Bloodmobile to visit Monday

The Knox County Hospital Auxiliary will sponsor a community blood drive on Monday, September 22. The Meek Blood Center Bloodmobile will be parked at Knox County Hospital from 1:00 p.m. until 6:00 p.m. Meek Blood Center supplies blood to Knox County Hospital and 15 other medical facilities in the Texas Midwest.

"The entire nation is experiencing a very critical blood shortage at this time. Meek Blood Center has been fortunate to have an adequate blood supply until recently," Frances Baker, donor recruiter, said. "Our blood supply has been critical since Labor Day. I am asking the people of Knox County to roll up their sleeves and help save lives."

The blood supply is dependent on volunteer donors. Donors must be at least 17 years old, weigh at least 110 pounds and in good health, Aspirin, and most maintenance medications, including blood pressure, cholesterol, thyroid, hormones and anti-depressants are acceptable. Diabetics who are not insulin-dependent are also acceptable. There are some restrictions regarding some medications, certain medical conditions and some travel areas outside the U.S.

Those who have questions regarding donor eligibility may call Meek Blood Center at 325-670-2805. Donors are asked to eat a meal and drink plenty of fluids prior to giving blood.

Each donor will receive a coffee mug and a complimentary total cholesterol reading.

A test for West Nile Virus will also be done at no charge with written permission from the donor. Results on both tests may be obtained two days after the blood drive by calling 325-670-2799.

Bike-a-thon planned for September 27

The Knox City "Wheels For Life" Bike-A-Thon to be held Saturday, September 27, at 9:00 a.m. in front of the Knox City Elementary has been announced by St. Jude Children's Research Hospital.

Coordinator for this year's event is Debbie Wilde, who encourages all residents and businesses to support this community effort.

The increase in the overall survival rate of children with cancer from 30% to 70% has been made possible through research. The funds from events like the Knox City Bike-A-Thon make that research possible. The citizens of Knox City work hand in hand with the researchers, technicians

and doctors at St. Jude Children's Research Hospital to provide treatments and cures for children of catastrophic diseases. Due to the overwhelming importance of the research conducted at the hospital, St. Jude freely shares its new treatments and research findings with doctors and hospitals around the world including those in Texas.

St. Jude Children's Research Hospital in Memphis, Tennessee, was founded by the late entertainer Danny Thomas. The hospital is an internationally recognized biomedical research center dedicated to finding cures for catastrophic diseases of childhood. The hospital's work is supported through funds raised by the Ameri-

can Lebanese Syrian Associated Charities (ALSAC). ALSAC covers all costs not covered by insurance for medical treatment rendered at St. Jude Children's Research Hospital. Families without insurance are never asked to pay.

USDA livestock assistance program to help livestock producers sign-up is now underway

Knox County livestock producers who have suffered grazing losses caused by natural disasters will find some relief through the Livestock Assistance Program (LAP) offered by the USDA, Farm Service Agency (FSA).

"This program provides additional relief to livestock producers who suffered grazing losses due to severe weather and related causes," said Michael McDonald, County Executive Director.

To date, the Knox County Office has received 10 applications from producers seeking relief. The LAP sign-up period began August 6 and ends October 24, 2003.

"LAP is intended to address the needs of producers who were not adequately covered by he Livestock Compensation Program (LCP), but producers cannot receive payments under both programs for the same loss," McDonald said.

McDonald added, a producer's LAP payment will be reduced by the amount(s) the producer received under 2002 Cattle Feed Program, Livestock Compensation Program - I and Livestock Compensation Program - II regardless of whether the LAP payment is for 2001 or 2002.

Authorized by the Agricultural Assistance Act of 2003, LAP pro-

vides \$250 million, nationwide, to livestock producers for grazing losses that occurred in either 2001

Under LAP, a producer's grazing land must be located in a county that was declared a primary disaster area under a Presidential or Secretarial declaration. The county must have been approved after January 1, 2001, and a designation requested no later than February 20, 2003, and subsequently approved. Contiguous counties are not eligible.

For those counties designated as a disaster area for 2001 or 2002, additional LAP eligibility criteria must be met for each year. A county must have experienced an average of 40 percent or greater loss of normal precipitation for four consecutive months during the applicable year and suffered at least a 40 percent grazing loss for three or more consecutive months in a calendar year in order to be eligible for that year.

A county may meet eligibility requirements for both 2001 and 2002; however, a producer in that county may receive a LAP payment for only one of the years.

Although LAP is a grazing loss program, payments are based on the lesser of the calculated pasture value or the value of live-

stock feed allowance multiplied by the producer's maximum grazing loss. The eligible amount is 50 percent of the loss amount. A producer must have control of adequate grazing land to support the eligible livestock.

During 2001 or 2002, a livestock producer must have suffered a 40 percent or greater loss of grazing production for three or more consecutive months due to drought, hot weather, disease, insect infestation, flood, fire, hurricane, earthquake, severe storm or other natural disasters.

"Because funding for LAP is limited, a national factor will apply," said McDonald. "This factor will be announced after the signup period ends."

The 2003 Act requires that an adjusted gross income (AGI) limitation apply - a change from previous LAP provisions. A \$40,000 payment limitation also applies to LAP assistance.

The total value of all applications will be determined and, if in excess of \$250 million, will be adjusted proportionately.

USDA has developed a website that provides producer with one convenient location for details on new and existing disaster assistance. The website can be accessed at http://disaster.usda.gov.

Round-Up for Rehab is approaching

As the West Texas Rehabilitation Center celebrates its 50th anniversary of service to children and adults with disabilities, local ranchers are carrying on their own tradition: participating in Rehab's 44th Annual Round-Up For Re-

Heading up the Knox County Round-Up are Mike Sheedy, David Albus, Stanton Brown, Tom Moorhouse and Mike Stewart. Joining them in seeking donations of livestock and cash is Red Steagall, well-known cowboy singer/poet/rancher, who is this year's honorary chairman for Round-Up For Rehab.

The message being delivered by all these volunteers is important - and simple: Let's help Rehab meet the outpatient rehabilitation needs of all who turn to the Center for assistance in overcoming the disabling effects of illness or injury. Ways ranchers can help include:

- Donating livestock cattle, sheep, goats or horses - to be sold at one of the special auctions this fall
- Making a cash gift to Rehab it this is the wrong time of year to cut out an animal to donate
- · Joining the bidding on livestock or novelty items at one of the special sales
- Notifying Rehab or a local chairman now of an intent to have an auction house cut a check to Rehab for one or more animals sold later in the year.

There are eight sales with the Abilene sale taking place September 23.

David Albus is once again offering to hold the cattle in his pens until the Rehab can get down to pick them up.

Benjamin news

By Gladene Green, Benjamin Correspondent

Hasn't this rain and cooler weather been great? We have measured about three inches in the past two weeks and every drop is greatly appreciated. And anymore we might get would be mighty welcome too!

In the area of our ailing friends most are doing much better. Debbie Moorhouse and Jan Carver are recovering nicely from recent surgeries and in Debbie's case, some complications following. But she seems to be well on the mend now and very thankful. Saw Jessie Roberts on Sunday and she too, is feeling lots better. Has had a pretty miserable several weeks with her back problem but is making progress back to better days. And Sue Sheedy seems to be doing much better. She too has been "under the weather" several months.

Mabel Moorhouse took a fall Saturday and was admitted to Knox County Hospital to be checked out to see how badly bruised she was. Haven't heard if she was released today (Monday) or not. Mabel gets dizzy and when that happens she gets pretty unstable on her feet and that causes her to fall if she's not very careful.

Saw Cindy Layton last week and she seems to be doing better. Takes chemo periodically but feels pretty well and was her usual pleasant self. I always enjoy visiting with her.

Penny Brown was in Abilene last Monday for a heart catherization. She does have a blockage but doctors are treating it with medication and hope this will prevent surgery later. She doesn't feel well at all but doctors tell her it will just take time to get back to feeling better.

And Chance Propps hurt his arm in the ballgame Friday night. The coach said Sunday he didn't think it was broke maybe just hyperextended but he did have an appointment today (Monday) to determine the extent of the injury. Seth Kuehler broke his arm in the first game of the season so we don't need anymore injuries! Our athletes are few in number and aside from the pain the injured boys are in, we need the rest of them to be able to play! We just

hope there are no injuries anymore serious that what we have already had.

Sympathy to the family of Donnie Whitmire who lived in the Dallas area and who passed away on Friday. He was the husband of Puddin' Brown and the brother-in-law of Stanton. His graveside rites were today in the Benjamin Cemetery. Donnie had been in failing health for quite some time many of his problems caused by diabetes.

Sports-Involleyball last week, our girls went over to Rochester and brought home victories. Tomorrow (Tuesday), Asperment comes here for Junior High, JV and varsity games beginning at 4:30.

In football, our Mustangs just couldn't keep up with their guests, Ira, Friday night. The final score was 52-6. This week we go to Newcastle for the game.

Junior High also played on Thursday. Harrold came here and beat our boys 30 plus to 20 plus. Our kids are small and inexperienced so I think did OK for just beginning.

Shower honors newlyweds - Garrett and Lisa Siemens Favor were honored with a post nuptial bridal shower in the Methodist Church fellowship hall, Sunday, September 14. Calling hour as from three until four. Punch, mints and cookies were served the guests.

Hostesses were Mary Young, Jessie Roberts, Pam Duke, Nancy McGreger, Jonnie Williams, Laura McCanlies, Mitzi Welch, Janet Reed, Carrie Benson, Belle Grill and Becky Jones.

The hostess gift to the young couple was a vaccum cleaner and Garrett vowed to do a good job of "breaking it in"!

New of Liberty Hill were here a couple of days last week and attended the auction of the estate of Dub and Jo Cartwright on Saturday. Terry Cartwright of Plano was also here helping in preparing for the auction of his parents' possessions and visiting his brother and family, Tracy, Susan and kids.

Judy Barnett called tonight and

told me she has been on the go the last two or three weeks. Randolph is working in Borger for three or four weeks so she's made a couple of trips up there, the made two different trips to the Lubbock area visiting her sons, Jeff and Jim Bob and their families, Jim Bob and Mixie and little Charlie, of chouse, live at Slaton.

Billie Faye Cummings of Henderson is spending a couple of days with her sister, Pat Benson and other relatives.

Debbie Moorhouse and I were in Childress Friday for grandparents day at Childress Elementary. Lots (and lots) of kids and their grandparents were there for the very well planned program and refreshments. We enjoyed it.

Brandi Hacker and Brandon Herron of Abilene visited her mom and "grandmom" Mary Bohannon and Jonnie Williams last weekend.

Another "college kids" for this first time this semester is Trapper Meinzer, who is attending Texas State Tech College in Waco. Trapper is a spring graduate of BHS.

Betty Bohannon has made two trips to Earth the past two weeks. Last week, she attended the funeral of a Mr. Robbins and this past week, his wife passed away. The Robbins' son, Johnny, has visited here several times and many of us have met him. Sympathy goes to him and the rest of his family.

Visited with Bubba Benson Saturday and he's enjoying his first year at VRJC. And Clay Conner called on Saturday night. Says he's enjoying life in Los Angeles and school (and basketball) at West LA College. But being so far from home may make him realize how really great good old Benjamin is! Wouldn't be so bad if he could get into this car and "run" for an hour or so or overnight visit. But that's just a bit too far for a quick trip.

Bobby Tib Burnett of Austin has been here several days. Made a trip out to Lubbock and presented some of his poetry at the Cowboy Symposium. Jack and Mary Young also attended this event which was held at the Lubbock Civic Center.

HOUNDETTE VOLLEYBALL heads for Notre Dame High School this weekend to play a dual match with Notre Dame and Iowa Park. Next Tuesday, the Houndettes will host Benjamin here at home. Volleyball travels to Aspermont

By Coach Jaree Sours

On Tuesday, September 9, the O'Brien Lady Bulldogs and the Knox City Houndettes traveled to Asperment for some volleyball action.

The JH B-team started off. Improving tremendously from the Rochester game, the first group of Lady Bulldogs were still defeated, 28-20. The JH A-team competed next. They too improved tremendously, but still came up short, 28-17.

JV played their second game of the season. The JV practices everyday with the varsity and I have several JV players who are also on varsity. However, when the JV had to play on their own. They were a little intimidated and didn't play to the best of their ability because of it. The JV did do excellent things though. Sandra Silva played well, defending the net strong, and having consistent server. Aspermont won in two, 25-20 and 25-23.

Finally, the varsity played. We had a really hard time getting anything going, which was a complete let down after the girls played so well at Newcastle the Saturday before.

Houndette Player Of The Week

By Coach Sours
"Our Player of

Tiffany Wilde KCHS Freshman Hobbies: "Listening to music, talk and hang out with my friends, sports"

"Our Player of the Week is Tiffany Wilde.

Tiffany is just a freshman, but has goal setting ability, and is very knowledgeable of what is happening on the court.

Tiffany contributed 12 assists in the Aspermont match, and had 5 kill attempts. She is a very dependable, salty, all-around player and a major part of the team. She will get better and better as the season progresses, and by the end of the season, you'll see on of the best setters in our district in Tiffany. She is a coaches dream in that she never quits and always does what is asked of her. Keep up the good work, Tiff!"

We absolutely did not play anywhere close to our potential, and in turn, Aspermont shut us out in three, 25-20, 25-11, 25-12. Sam Gutierrez was my best passer with 24 for the match. Lindsey Villa contributed 2 aces in game 1. We weren't hitting the ball well and only got 5 kills the entire match. Although we have good, intense practices everyday, our problem is focus and mentality on game day. We are working on it through

and that coupled with the fact that the girls had a weekend off to rest up, will hopefully get the Houndettes rejuvenated so we can get some district wins.

On Saturday, September 20, we will play a dual at Notre Dame at 10:00 a.m. vs Notre Dame and Iowa Park. The following Tuesday we will play Benjamin here at home, JH, JV and Varsity starting at 4:30. Come out and support the Houndettes!
