Other players identified by jersey numbers in the photo are (left to right) Albany's Tyrell Tabor (61), Carlos Ruiz (12), Albany's Jon McBride (12) Albany's Alex Rodriguez (30), Brandon Espinosa (72) and Cameron Hutchinson (44).

Albany Lions - 41, Knox City Greyhounds - 0

The Knox City Greyhounds put up a hard fight last Friday night at Albany, but the Lions flexed their muscles and held the 'Hounds to minus 14 yards offense in the first half and a total of 39 yards for the entire game. Matching their defense, the Albany offense scored 41 points and a total of 223 yards on 35 ground carries and 139 yards through the air.

The Greyhounds attempted 6 passes with 1 completion and 1 interception, Albany passed 12 times with 6 completions and 1 interception. One of the key factors in the game was first downs, the Greyhounds were only able to pick up 3 first downs, while the Albany Lions picked up a total of 16 first downs.

AN EXHAUSTED GREYHOUND, Drew Barnard is shown here proudly holding his helmet high during the post game playing of Knox City's school song last Friday night at Albany. The 41-0 outcome of the game is clearly registered on Drew's face.

Standing at 0-5 on the season, the Knox City Greyhounds have an open date this Friday night before starting district competition next Friday, October 10 at Hamlin against the Pied Pipers. Other district action includes Paducah there on October 17, Crowell here on October 24, Rotan there on October 31, and Munday here on November 7.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"A minister waited in line to have his car filled with gas just before a long holiday weekend. Finally the attendant motioned him toward a vacant pump. "Reverend," said the young man, "Sorry about the delay. It seems as if everyone waits until the last minute to get ready for a long trip."

The minister chuckled, "I know what you mean. It's the same in my business."

People want the front of the bus; back of the church and center of attention.

Here and There - Cliff Banner was in O'Brien to visit his brother, Joe and mother, Billie Walker.

Julie Sanders came home with her mother from Amarillo to help to inventory Elmo Long's assets in Paducah.

Billie was in Amarillo to sit with Elmo Long at the hospital and hospice. She brought Alma Long of Amarillo, Elmo's sister-in-law, to the funeral in Paducah. Julie and Dale Sanders returned Alma to the nursing home.

W.A. and Joan Davis of Rockport, former residents of Rochester, visited with Billie and Joe. Frances King joined the party to attend Rochester Homecoming events. Friday night, W.A. entertained the group at the King residence with music on the keyboard.

Visiting C.H. and Linda Underwood over the weekend were their son Reed of Guthrie and his friend of Snyder. They enjoyed a good visit and going out for lunch in Haskell.

Janoma Stephens was in Austin last week enjoying a good Study Club meeting and visiting with friends of other clubs.

Visiting Adelle Herring were her sister, Claudia Reid of Rochester, Kevin Urbanczyk of Goree,

Vivian Hendrix enjoyed a good weekend with her children, LeNear Phillips and LaDocia Morris of Wichita Falls, Pretrecia and daughter Kenda of Grandfield, Oklahoma, John Hendrix of Gilliland and Doris Jones of Knox City.

Orval and Helen Manning were in Abilene Sunday afternoon. Their son, Royce Manning, picked them up and they went back to Abilene to Royce and Peggy's and met with their son, Brad and Monica and sons, Samuel and Jacob, and they along with their grandparents Kash and Agnes Powers and great-uncle Ronald Powers, all enjoyed ice cream, cake and other goodies and helped Samuel celebrate his 4th birthday by opening gifts from everyone.

Houndettes play solid volleyball, but lose to tough Benjamin teams

By Couch Sours

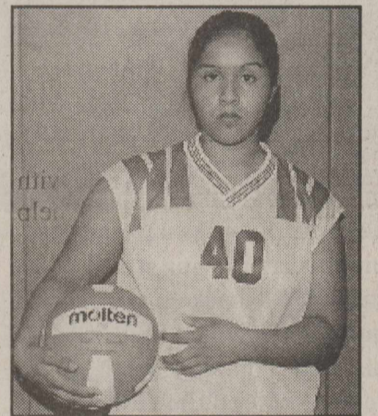

Last Tuesday, the Houndettes faced Benjamin here in KC. JH B-Team started us off. They are improving everyday and it is showing on the court. They had a few problems staying in their correct spots and remembering where to go when rotating, but other than that, are doing well. Benjamin won the 15 min. set, 39 to 12. A-Team is getting better and better everyday and gave the exact same group of girls a little closer match. Jessy Schur served up 4 consecutive points, while Sheniqua Woods contributed 3. The A-Team is working hard to get 3 hits and set the ball up properly in order to learn the fundamentals of volleyball correctly, and so far, I'm extremely proud of them. The final score of that match was 28-15, Benjamin.

Next up was JV. They came out a little intimidated I think. They do extremely well in practice and compete head to head with my Varsity everyday and match up well. However, they are still flustered when they step into the gym at game time. The more they play and the better they get, the more confident they become, and they are improving every day. The first game we started off slow, with Benjamin winning 25-9. We let #20 (Kuehler) serve 10 consecutive points due to our serve receive. We finally stopped her, but the damage had been done, as you can tell by the score. The next game we played much better, but still let #13 (Zavala) serve 10 consecutive points. My JV only has 6 girls, so leaves me with no subs for backrow or when we get into a rut. But the JV finally did stop her and make a comeback, making the final score of the second game 25-18, Benjamin.

Varsity came out and played alright, but I was a little disappointed in them, especially after the way they had played so strongly on Saturday at New Castle. They were having a hard time getting things to go their way, but they battled through it and only lost the first game 25-19. Sam Gutierrez, Brittany Hawkins, and Nikki Moss each had 1 kill, while Tiffany Wilde had 4 assists along with Bridgett Billington's 2. Tiffany also had an ace. Sam

Houndette of the Week

This week's Houndette of the Week is Erica Nevarez. Erica is a 5'3" Junior who has worked her way up from JV and is a real asset to the team. When she first saw Varsity court time, she was pretty flustered and unreliable. Now she is a source of strength that I and the team rely on to help us battle in games. She has a killer serve and usually contributes many points due to aces. If it is not an ace, it is usually such a hard serve that it gets the other team out of position to where they cannot successfully set up the ball. Erica is also an extremely good passer and is a definite strength in the back row. Due to Jodi Chambers injury, Erica has had to begin going in for Lindsey Penman (who has been playing where Jodi usually does) in the back row and has stepped up and done an excellent job. Now we as a team depend on her ability to pass well and serve well. Erica is a great kid with a lot of try and want to and she will go above and beyond what you ask her to do. She is a real asset to this team and I know she will only double her ability next year, and I'm looking forward to her being an all-around threat. Keep up the good work Erica!

Erica Nevarez
 KCHS Junior

"My hobbies are watching movies, riding my bike, and reading."

was again my primary passer passing 17 perfect passes. Lindsey Villa and Nikki also contributed 7 each and Erica Nevarez with 5. The next game was not as close on the scoreboard as Benjamin beat us 25-15. We struggled with our serve receive and couldn't get anything started. Also, #17 (Propps) had a tough serve that we had a hard time with. We fought through though, with Sam and Lindsey Penman leading us in kills and Bridgett having 7 assists, while Tiffany had 3. April Megana stepped in when needed and gave us 1 assist as well. Benjamin had a strong serve receive during the second game, and we had no aces. Sam lead us in passing again with 10, Lindsey Villa with 6 and Nikki with 6 as well and Erica Nevarez with 5. As you can tell by the number of perfect passes, we could not get as many plays started, because we could not get a pass. Refusing to go down in 3, we won the third game, 25-14. Sam and Nikki led in kills with Brittany, Tiffany, and Bridgett all having assists.

Erica Nevarez played an extremely strong game, accounting

for 4 points on aces alone. Nikki, Tiffany and Erika were our big passers—Nikki having 8, Tiffany and Erica with 4 and Bridgett and Sam throwing in 2 each. The girls played well and with confidence and it paid off. It wasn't to last though, as we lost the 4th game (and match) 25-11. We let #14 (Siemens) serve 9 consecutive points on us that went unanswered. We didn't give up however, with Nikki having our only kills and leading in passes with 7. Sam was my second best passer with 6, while Bridgett and Erica added 4 each.

While the girls played decent, it wasn't their best. Our main problem is inconsistency and lack of confidence. That the girls have the ability, I have no doubt. It's just convincing them of that. Keep encouraging them and tell them to keep their heads up. We have several who have been out sick or at practice or the game, but not playing up to par due to illness. Jodi Chambers is back from her pulled groin, and is doing well.

Keep fighting Houndettes and remember that I and the rest of the community believe in you!

Benjamin news

By Gladene Green, Benjamin Correspondent

On a wonderful, fall Monday afternoon, the rumbling of thunder can be heard and a few light sprinkles have fallen. Very pleasant and also a reminder that winter may be just around the corner. I'm sorry about not having any "news" last week but maybe I can make up for it this week.

The news of our ailing friends in the community is a little better. Chance Propps has had surgery on his arm from a football injury a couple of weeks ago and is going to start moving it and hopefully get it back to normal use pretty soon. Dillon Benson broke his arm Thursday night in the Jayton game and he's in a cast and will be several weeks. Seth Kuehler says he will get his cast off Wednesday. These "gridiron injuries" have really hit our boys hard.

Jerry Parker is out and about after his recent surgery. Seems to be feeling OK. Saw Jan Carver Friday night. She's getting along fine since her knee surgery. Is undergoing some therapy and should be back to her normal activities pretty soon.

Sonny Bufkin underwent some surgery a couple of weeks ago but so far I have not had a progress report. I know he and his family and many others in the community need our prayers. Tho their problems may not be big ones, when they happen they sometime seem terribly big.

My great-grandson, Dillon Hutson of Childress, is in Children's Hospital in Dallas, his condition being diagnosed as Arterial Venous Fistula - that is where the veins and arteries are intertwined causing blood leakage into the spinal column. This causes numbness and paralysis in the bladder, bowels and legs. He is on extensive anti-inflammatory drug therapy and physical therapy and will be for several weeks after which he will have surgery to

correct the problem. This is a condition he was born with but just now has begun to bother him thus explaining why it had never been found. He's 8 years old, a 3rd grade student in Childress Elementary. His parents are Beckie and Wade Keys and he is the grandson of Debbie and Mike Moorhouse. Dillon was admitted to Children's, Saturday, September 20, being flown there from Baptist St. Anthony's in Amarillo. Please remember this young family in your prayers.

Sports - It was a good week in sports last week. On Tuesday, our volleyball girls met up with Knox City at KC and won all the way. The varsity had to play 4 games but did come out winners. This week is open and next week, it's Rotan, there.

The Jr. High football boys went over to Jayton Thursday night and tho played their hearts out, lost the game. But the High School defeated Jayton's high school team here Friday night. The score (I believe) was 69-53. A number of Mustangs "got in" on the scoring. They all played well. Next week, Woodson comes here for the game. And on Thursday night, Rochester comes here for the Junior High game.

The after game fellowship was at the Baptist Church. Nearly all of high school, some junior high and a few grade school kids along with Coach Copeland and his wife, Angie, enjoyed hamburgers, all the trimmings, tea and cookies. It was a fun time.

Win honors - Dawn Vanderpool called to tell me her children had done well at the EEAACH fair in Knox County. Her daughters, Jessica and Leah, won blue ribbons in the junior high division with their carrot cake and little son, Benjamin, won a blue ribbon with his brownies in the pre-school division.

Brittney Coop was the top win-

ner with a pair of dressy overalls. Brittney is the daughter of Curt and Lori Ralston Coop. (Now - before you "scold" me for not mentioning your child (if you had an entrant) remember, you didn't call me and I didn't know it.)

Jane Gideon says her brother, Joe Nunley, is not doing too well since his move to Arizona. He has a feeding tube now and pretty well unresponsive most of the time. We're sorry to have this report on Joe but his health has been failing for several years.

Baby shower - On Sunday afternoon, a baby shower honoring Maria Acevedo and her baby daughter, Conchita, was held in the home of Nancy McGreger. Nancy was assisted with hostess duties by several ladies of the community. The young lady received many gifts and with all the clothes, her mom can dress and re-dress her all day.

Another new citizen of Benjamin is Sonja, the new daughter of Katrina and Henry Banman. She's about two weeks old and Conchita is a week old.

I've learned that Tick Moorhouse is in the VA Hospital in Big Spring. He's been there about a week and will be there probably about 6 months. We certainly wish Tick well.

There's a few changes around town. Hank and Linda Wagner have bought the home of Dub and Jo Cartwright and are getting moved this week. Chad and Kathy Rainwater and family will be moving into Wagner's house (north of Baptist Church - formerly the home of Tom and Edith West). Bo Milton has had her house painted white and Jane Gideon is through with her kitchen and bath remodeling. And there is a project going - Keep Benjamin Beautiful is being urged by the citizens. If everyone cleans their own area, it'll look better and not take too much effort of anyone.

Friday night faces...

GREYHOUND PUNTER Rickey Gonzales was a busy man last Friday night at Albany, punting the ball 8 times during the game. Shown here, Rickey punts the ball during the second quarter while teammate Derrick Magana (24) blocks for him as an Albany defender barely misses blocking the Knox City punt.

Switch IT & Keep IT

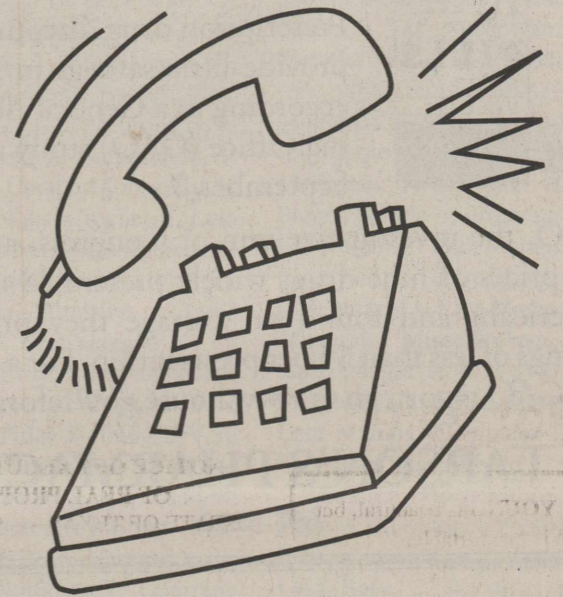

LOCAL NUMBER PORTABILITY

Simply put, number portability permits a customer who changes local telephone service providers and remains in the same location to keep the same telephone number.

You can now switch to Santa Rosa Telephone Cooperative, Inc. and keep your existing number.

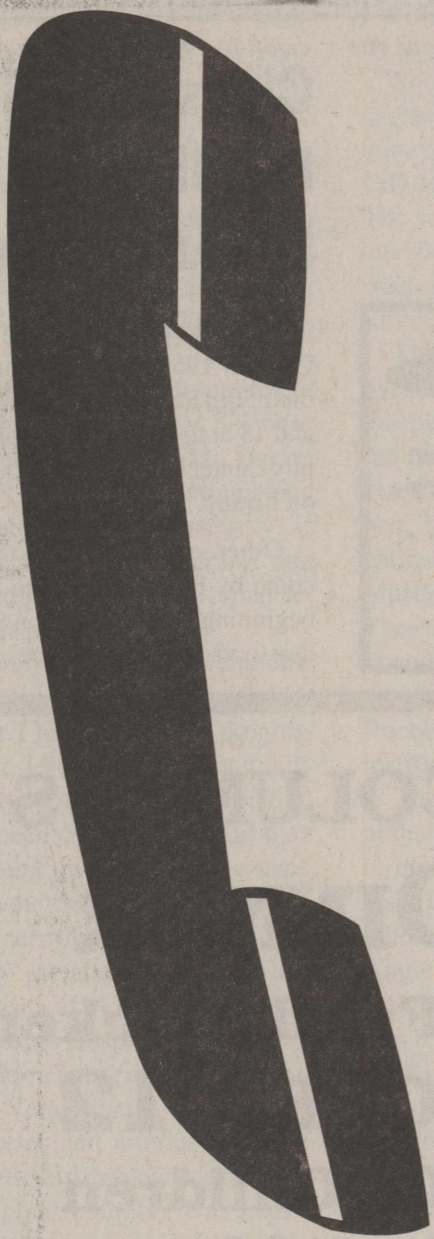

This has been made possible just this week through lengthy, extensive changes in our telephone network and support systems.

What **LOCAL NUMBER PORTABILITY** means to Knox City:

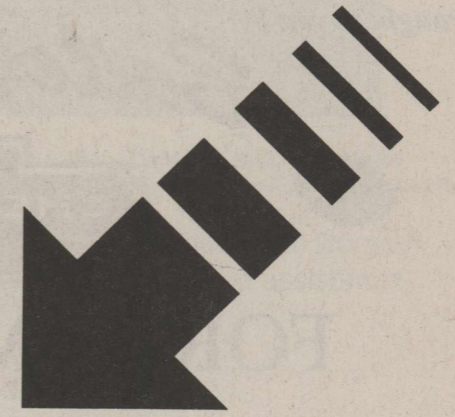

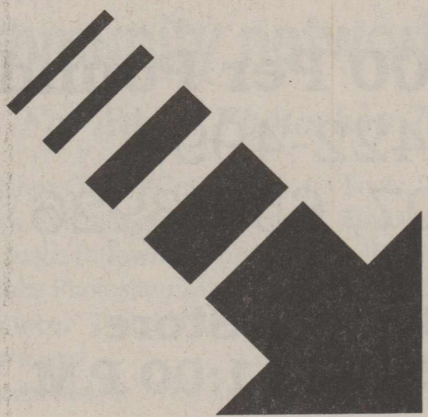

1. You can switch to SRTC and.....

- a. Keep Your Number !
- b. Lower your local service phone bills !
- c. Appreciate our personal, reliable customer maintenance
- d. Value SRTC's fast & friendly customer service without punching, pressing or hitting anything !
- e. Rely on over 52 years of telephone service business (Santa Rosa Telephone Coop., Inc. was established in 1951)
- f. Make use of the "One Bill" option. You can have local service, long distance service and Internet (dial up or a DSL) all on one bill.
- g. No additional service charges or surcharges just to keep your number !

Call 889-1125
and let us tell you more,
and . . .
switch you over.
