WEEKEND BASKETBALL ACTION in Knox City saw both the Greyhound and Houndette varsity teams taking on their counterparts from Benjamin. The Intra county games drew a lot of interest and fan support as the Greyhounds (shown above) easily won their game while the Houndettes (pictured below) were soundly defeated by the Lady Mustangs. Local, County Shows To Begin Here Thursday

It's stock show time again! A weekend of livestock show activities will begin Thursday at 5:00 p.m. with Knox City School's local livestock show at the KC Show Barn on the Knox City campus. The show will begin with broilers followed by rabbits and hogs. According to vo-ag instructor Jim Dillon, the local show is open to anyone who attends Knox City-O'Brien Schools and is active in either 4-H or FFA. Friday and Saturday will begin the Knox County Junior Livestock Show at the Knox City Show Barn. Friday's events will begin at 12:00 p.m. with rabbits, poultry and lambs in place; 12:30 p.m., poultry show begins with rabbits to follow; 5:30 p.m., lamb show begins; 8:00 p.m., swine in place; 8:00 p.m., swine weigh in. Saturday's agenda will be 8:30 a.m., swine show begins; 9:00 a.m., steer weigh in; heifer judging with the premium sale to begin at 3:00 p.m. Auctioneer for the premium sale will be Royce Miller. Judges for Friday and Saturday's events will be Dr. Robert Berry, rabbits; Ed Blankenship, poultry; Dr. Jim Johnrow, sheep; Ron Mayfield,

and Lawrence Winkler, beef. Show superintendents are David Bordovsky and Jerry Pearce, rabbits and poultry; Jon Godsey and Daniel Godsey, swine; Lloyd D. Welch and George Oustad, sheep; and Fred Carver, Royce Miller and Randal Kin-nibrough, cattle.

Officers for the 1987-88 county show are Jim Reid, Munday, chairman; J.M. Emerson, Knox City, vice-chairman; Ray Cragar, Knox City, secretary; Leona Burkham, Knox City, treasurer; and Jack Whitten of Benjamin, Maynard Moore of Munday, Homer Rolston and Donnie Ryder both of Benjamin, and John Reneau of Munday.

Show chairman if Floyd Reed Jr. of the Brazos Valley Young Farmers, the organization that is the show sponsor. Members of the sale committee include David Albus, Butch Stephens

and Greg Clonts, Knox City; John Reneau, Sonny Moore, Floyd Reed Jr., Leland Floyd, Vernal Zeissel and Joe Lowe, Munday; Homer Rolston, Sammy Pierce and Donnie Ryder, Benjamin; Ronnie Simmons, Gilliland, Louis Baty; Goree, Bob Cude; O'Brien, J.M. Emerson; and Truscott, Don Daniel and Robert McElroy Jr.

Finance committee members are Knox City, Ed Daniel and Mary Ann Boone; Munday, Don Welch, Ralph Cypert; Benjamin, Homer Rolston; Gilliland, Louis Baty; Goree, Bob Cude; O'Brien, J.M. Emerson; and Truscott, Don Daniel and Robert McElroy Jr.

Showmanship donors for 1987 are swine, L&G Welding, Leon Burkham; sheep, John Reneau; steer, Brazos Valley Young Farmers; and poultry and rabbits, EB Boot and Saddle, Eddy Bailiff.

Alternative Crops Program Re-Scheduled For January

The Knox County Extension Program Council Crops Committee has re-scheduled the program on alternative crops for the Rolling Plains for 8:45 a.m., Friday, January 22. The program will be held in the Knights of Columbus Hall in Rhineland. There is a \$7.00 per person registration fee which does include a lunch by the Knox County Extension Homemakers.

Those producers that have not previously registered for the program but are interested in attending must pre-register by 5:00 p.m., Monday, January 18. To pre-register send a check, \$7.00 per person, to the Knox County Extension Office, Box 167, Benjamin, TX 79505. Make checks payable to the Knox County Extension Program Council.

The Crops Committee has been able to reassemble the diversified group of speakers previously scheduled for this in-depth discussion on alternative crops. The topics that will be covered are horticultural and field crop alternatives for the Rolling Plains, research report on potential horticulture alternatives, identifying and evaluation of potential markets and budgeting for alternative crops. Larry Smith, producer and past chairman of the Knox County Crops Committee will conclude the program with a producers perspective of horticultural alternative crops. This program is an excellent oppor-

tunity for the producer that is trying to make the decision to diversify their operation. The Knox County Crops Committee invites all area producers to attend.

DARREN ALBUS

Albus Begins New Career With Stenholm

The new year began a new career for Darren Albus, son of Donna and Dwight Albus of Abilene.

Congressman Charles Stenholm chose Darren as his new agricultural legislative assistant in Washington, D.C., for matters other than livestock, dairy and poultry. Researching legislative concerns and working directly with farmers and ranchers of the 17th district will be his prime responsibilities.

Darren was an honor graduate of Abilene High School in 1983. As a member of FFA, he received the honors of "Lone Star Farmer" and chapter president, as well as actively participating on judging teams at the state level. For overall accomplishments, Darren was the recipient of the Houston Livestock Show and Rodeo Scholarship. Proceeding to Tarleton State University, Darren graduated in 1986 with honors and a B.S. in Ag Economics. Courses for his master's in agriculture continued and were completed at Texas A&M in December 1987.

Darren is the grandson of both Mr. and Mrs. M.L. Verhalen of Knox City and the late C.J. (Tip) and Loretta Albus of Rhineland.

Area Thaws Out Monday

Knox City and the surrounding area thawed out Monday with the first above freezing temperatures since Tuesday of last week.

Late Tuesday night and early Wednesday morning, a mixture of sleet and snow fell and with a high of only 28 degrees on Wednesday, travel in the area was slow.

As the week progressed, roads became even more hazardous, and although they remained open, it was extremely dangerous to be on the highways.

Several accidents were reported and two persons were treated at the local clinics for broken bones due to the icy conditions.

Even as late as Sunday, US Highway 82 between Benjamin and Guthrie was reported as 'slick' in many places.

Cotton Operations Continue

Receipts became more steady this week as weather permitted gins to continue operations. Although many gins throughout the area are finished now, those still ginning are keeping a fairly steady stream of samples arriving in Abilene. Ice and snow of varying amounts caused some slowing late in the past week but more pleasant weather soon returned.

Two shifts classed 36,979 samples during the four day week, which brought the season total to 631,378 bales classed. Carryover is now about 15,000 samples, and Abilene may soon return to one shift to class the remaining bales. Grades continued to run slightly lower than the previous week, but 31 is still the season's most predominant grade.

Bales reduced one grade for bark showed the most dramatic increase at 33.5% up from 26.8% one week ago. Strength readings are running slightly more dispersed than earlier, but are averaging approximately the same as

earlier cotton. Micronaire remained steady from a week ago, but continues to read lower than cotton classed earlier. Market activity remained slow again this week.

NEWS BRIEFS

Lynette Tribbey Opens 'The Style Shack'

Lynette Tribbey, owner of The Style Shack, has opened for business. The shop's location is next door to Janie's Barber Shop on North Central. Special prices are noted in her ad elsewhere in this week's News. Lynette plans to be open for business Thursday and Friday of each week.

Perdue Insurance Is Moving This Week

Perdue Insurance Agency is in the process of moving to its new location this week, "provided the weather cooperates", according to Judy Perdue. The agency will be housed in the north side of the former Lowrey's location. If all goes as planned, Mrs. Perdue explained that the firm will be open for business, Monday, January 18, in the new location. She also stated that an Open House is being planned for a later date.

Pink Ladies To Meet Next Monday

The Pink Ladies will be meeting next Monday afternoon at 5:00 o'clock in the downtown Thrift Shop. Peggy McGaughey, president, urges members to be present for the regular monthly meeting.

Mammogram Unit To Visit KC On Monday

The breast screening mammogram unit from Odessa Women's and Children's Hospital will be in Knox City, Monday, January 18. The unit will be located in front of the Knox County Hospital and appointments may be made by calling the hospital at 658-3535.

(Editor's Note: The procedure is simple and a female technologist performs the examination. Those taking the examination are in and out of the comfortable screening van within ten minutes and the professional staff makes one feel completely at ease. Results will be sent to the physician of your choice. Make plans to take advantage of this opportunity while the unit is in the area.)

Local Receives 1965 Postcard From Son

The News office received word this week that Mrs. Kate Wheeler received a postcard during the Christmas holidays from her son, Horace, which was mailed by him in 1965 from Gettysburg, Pennsylvania. Horace, who was in the service at the time, now lives in Denton and hasn't seen the "missing" card yet. Mrs. Wheeler reported it to be in "pretty good shape" and the postage on the card amounted to 4 cents. Some of her son's comments on the short amount of writing space were "...we are here, went to church, attended memorial services, saw Dwight and Mamie Eisenhower, attended a flag raising. I will write you later. Love, Horace."

Barnett Rites Are Held Monday In Benjamin

Funeral services for Aubry (Pete) Barnett of Benjamin were held Monday afternoon, January 11, at two o'clock in the First Baptist Church in Benjamin. Officiating were the Rev. Larry Neal, church pastor, and the Rev. K.E. Woolley, retired pastor. Burial followed in the Johnson Memorial Cemetery in Munday with Smith Funeral Home of Knox City in charge of arrangements.

Born August 30, 1905, in Blue Ridge, Texas, Mr. Barnett was a farmer and did custom harvest work. He married Omitene Barnett August 15, 1957, in Benjamin. He had lived in Benjamin over 67 years and was a member of the Baptist Church in Benjamin.

Survivors include his wife, Omitene of the home; a brother, Rotan Barnett of Dallas; a brother-in-law, Howard Barnett; a sister-in-law, Wynelle Hallaway; and several nieces and nephews.

Pallbearers were Stanton Brown, Bud Clower, John Moorhouse, Tom Moorhouse, Leroy West, and Kermit Woolley.

Debra Dunlap Buried Tuesday In Rochester

Funeral services for former Rochester resident Debra A. Dunlap of Wichita Falls were held Tuesday afternoon, January 12, at 2:00 p.m. in the Foursquare Gospel Church in Weinert with the Rev. Paul Chambers, church pastor, officiating. Burial was in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Miss Dunlap, 37, died Sunday afternoon, January 10, in Wichita General Hospital after a brief illness.

Born September 19, 1950, in Haskell, her parents are Fern Dunlap and the late Odell Dunlap. She was a student at the Aladdin School of Beauty in Wichita Falls.

Survivors include her mother, Fern Dunlap of Wichita Falls; three sisters, Brenda Parkhill of Dallas, Lana Hosea and Althea McCreary, both of Wichita Falls; and her grandmother, Lola Greenwood Moore of Munday.

Nephews served as pallbearers.

Ex-Resident Is Buried Here January 9

Graveside services for former Knox City resident Golden Odell Lewis of Wichita Falls were held Saturday, January 9, at three o'clock in the Knox City Cemetery with Bill Burkham, Church of Christ minister, officiating. Arrangements were handled by Smith Funeral Home of Knox City.

Mr. Lewis, 75, died Thursday, January 7, at 3:30 p.m. in Wichita General Hospital after a lengthy illness.

Born February 25, 1912, in Eastland County, he married Ruth Lewis, October 10, 1931, in Benjamin. Mr. Lewis was a retired farmer. His wife preceded him in death October 4, 1976.

Survivors include a son, Donnie Lewis of Iowa Park; a daughter, Sue Kelpis of Indianapolis, Indiana; five brothers, E.F. Lewis of Dallas, J.L. Lewis Jr. and D.D. Lewis, both of Odessa, and H.F. Lewis and Homer Lewis, both of Eagle Pass; two sisters, Geneva Sweat of Lubbock and Altha Lewis of Fort Worth; and six grandchildren and one great-grandchild.

RETURN HOME

Mr. and Mrs. Raul Espinosa, Jr. and son Brandon spent the Christmas holidays with Brandon's maternal grandparents, Mr. and Mrs. Ben Walk, Jr. and family in Logan, West Virginia. Brandon also visited his great-grandfather, Frank Forbes of Oklahoma City.

VISITS MOTHER

Kenneth Day and his daughter, Kerri, a student at Texas Tech, visited her over the holidays with his mother, Essie Day.

Benjamin News

By Gladene Green

With several days of terrible wintery weather, behind us, we are finally seeing maybe a nice day or two. Can't tell though, by the time this paper is out we may have another "spell". Let's hope it doesn't get as bad as these first two were.

Benjamin lost another citizen Friday, when Pete Barnett passed away in the Seymour Hospital. Pete had been in failing health the past few years but never felt too bad to chat with you when you saw him. He will be greatly missed. We extend sympathy to Omitene and the rest of the family.

The Basketball teams keep up their usual pace-two games each week. This past week Munday came over and the host teams split the winning. The Benjamin girls won in a good game. The score was 48-35. The Munday boys team won by a much wider margin-73-32.

On Friday night, the local teams

braved the ice, snow and downright nasty weather to go to Knox City for a match over there. Benjamin girls continued their winning ways by defeating the Houndettes 35-21. Knox City boys won 71-23. Benjamin girls remain undefeated.

Several have asked when the 1988 Benjamin Homecoming is. After checking, I'm told it will be the third weekend in June-the 17th, 18th & 19. Mark those dates on the calendar and start making plans to be here. As time goes on, we'll say more about it. HERE 'N THERE

Jim, Jason and Kobi Melton of Abilene and the Jack Youngs of Lubbock were New Years guests of H.T. and Kathleen Melton.

Henry Rogers was in Dallas last week to "baby-sit" his grandchildren while the children's parents took their grandmother to Galveston for a medical check up.

Brother Woolley learned Saturday of the death of his nephew who lived in Houston. Due to bad weather, the Woolleys were not able to attend the funeral.

Katrine Hudson and her daughter and son-in-law, Debbie and Hassan Iberham of Killeen were here several days last week for a visit with friends and relatives. Debbie and Hassan married in July and have been living in Egypt since that time. They plan now to remain in Texas. He will continue his education in the field of accounting and computer science.

It was good to see Debbie and to meet her husband. We're glad they are back in Texas and Debbie said that the living in Egypt was a very good experience, she is glad to be home.

Anthony Lamb of Wichita Falls spent last week with his grandparents, Dutch and Imagean Young.

O'Brien Happenings

By AUDIE JOHNSTON

Lynn and Velma Davidson of Fairbanks, Alaska, visited Mr. and Mrs. S.J. Reeves this week. Claudale and Jean Barnard also visited the Davidsons one night. Lynn is retired from Civil Service and they are returning to Kingsland to establish their home.

Claudale and Jean Barnard spent the weekend in Levelland with their daughter and her family, Claudia and Eddie Bryant, Jennifer and Jon.

Ranzy and Adelle Herring are visiting their daughter and her husband, Panzy and Alvin Hines in

Lubbock.

Audie Johnston has returned home after visiting in Slaton with the Don Johnstons and in Lubbock with Jim, Tenia, Wendi and Jamie Johnston. Audie enjoyed watching the granddaughters play basketball while there.

IN COWART HOME

Visiting Gus, Marie and Kelly Cowart during the Christmas holidays were Mike, Janet, Louis and Kristi Addison of Lamesa, Reggie, Sharon, Justin and Kami Hambrick of Ackerly, and Steve and Karen Black of Grapevine.

RETURN TO NORTH CAROLINA

Cora and Dexter Covington of Mebane, North Carolina, have returned home after a visit with her mother, Mrs. Oleta Fitzgerald.

IN CARVER HOME

Visiting in the Odell Carver home during the holiday season was their son, Johnny W. Carver and family of Taft. Also visiting Christmas Eve were Mr. and Mrs. Fred Carver and Mr. and Mrs. Mark Collins and sons of Benjamin, Mr. and Mrs. Gary Antilley and children of Guthrie, Mr. and Mrs. Craig Carver and children of Knox City, and Mrs. Virginia Webb and children, also of Knox City.

Streams in Desert Places

By Ozelle Stephens

"Therefore I say unto you, what things so ever you desire, when you pray, believe that ye receive them, and thou shall have them." (Mark 11:24).

Would you like to make your everyday life a different thing all together? You can through prayer. This world is filled with unbelievable things; that is things that a skeptical person would not believe, though they are not unbelievable possibilities. It is filled with glorious things that you wouldn't think could happen until they do happen, by the power of God. We all have our difficulties, but we can rise above them and conquer them.

That is the great thing about prayer. This can be done when you keep your mind and heart clean of hate, doubt, fear and disharmony. When you think thoughts of God's truth so deep that your only thoughts are of love, faith, and unselfishness.

Prayer did for David, what nothing else could do. His words say, "it will draw us out of many waters, deliver us from strong enemies, enlighten our darkness aid us to run upon a troop, and leap over a wall." I say unto you, Have Faith in God.

CARD OF
THANKS

There are no words to express our thanks, feelings, and gratitude to our many friends and loved ones for the expressions of love you have shown us during this time of sorrow at the loss of our beloved Pete Barnett.

For the memorials, for the beautiful flowers, plants and cards; for the food, for the calls and visits, for other expressions of love and concern, we say thank you.

We love you and pray God's richest blessings on each of you.

SENIOR CLASS NEWS

By Rhonda Albus

The Seniors are "back to the old grind!" Everyone is getting back into the swing of things in school. District Basketball has started and the girls are 1-1 and the boys are 2-0. Semester tests are this week, so the Seniors have been keeping busy studying. Two Seniors, Alan Donaldson and Michele Lanier are debating and we wish them the best of luck.

JUNIOR CLASS NEWS

By Trina Fry

Last Tuesday the basketball team played Goree, winning both boys and girls games. Friday's game was against Benjamin. Although the girls lost, the boys won with no major problems.

This week is semester testing time. After we take all of the tests, the year will be half over.

Saturday, some people from the other classes and Beth Underwood from the Junior class went to a ULL practice meet in Rotan. At 6:45 they rose to go take practice tests in order to prepare for ULL.

Soon the stock shows will begin. All the animals are being prepared for the big shows. Chickens are being fluffed, pigs are being washed, and tails are being curled. The city stock show starts Thursday. The county show will be held on Friday and Saturday. A concession stand will be open for the public.

Local Student Selected To Compete In Olympia National Typing Contest

Trina Fry, a Junior student at Knox City High School, has been selected to compete in the Olympia National Scholastic Typing Contest.

TRINA FRY

The typing competition will occur at the state and national levels. Each participating school will select one student to represent it in the state championship. The typing test for this level of competition will be administered by designated business education teachers at each school. All official entrants will be awarded certificates of participation. The winner from each state will receive an Olympia electronic portable typewriter, a certificate of award, and the opportunity to compete against other state champions in the national championship.

The competition for the national championship will take place in April at each contestant's school and will be performed on Olympia typewriters supplied by Olympia. The test will include a timed writing and a timed production test of a standard business

letter, a tabulation from a rough draft, and a full-page memorandum.

Students in the national championship competition will compete for cash awards of \$500 for the designated

natural champion, \$350 for the first runner-up and \$200 for the second runner-up.

The contest is sponsored by Olympia USA, Somerville, New Jersey, a leading marketer of electronic typewriters for the school, home and office. Olympia distributes its products through a national network of franchised Olympia dealers.

A spokesman for Olympia stated that more than 5,000 high schools from across the nation are represented in the contest.

SOPHOMORE CLASS NEWS

By Starla Whitaker

Well, Christmas vacation is over and if we can just make it to Spring Break, we will be doing fine.

All week we took a few Six-Weeks tests, and now we are preparing for the biggie. Yes parents, Semester test time is here already.

Sophomores, if you are a little depressed from the thought of test, cheer up! The year is half over!

THANK YOU

As time for the 1988 Knox County Junior Livestock Show draws near, the members of the livestock show board wish to express their appreciation to last year's premium sale buyers and donors for your support of the young people who participated in the show. We also want to remind you that someone will be calling on you this week to solicit donations for this year's show. Your generosity has helped make the show a success in the past, and we hope you will be as giving this year. Anyone who wishes to donate to the show and is not contacted should call Sonny Moore at Farmers Grain Co-op or Floyd Reed at Quality Implement. And if any buyer or donor is left off the list, we apologize sincerely.

October 12, 1987

The City Council met in regular session with Mayor Derrell Marion, Councilmembers Barbara Barnard, Marq Brockett, Jonathan Godsey and Larry Staggs present. Frankie Baker was absent.

Mayor Derrell Marion called the meeting to order.

The invocation was given by City Administrator Dick Wilcox.

There were no Public Comments, other than the ones listed on the agenda.

The minutes of the regular meeting on September 8, 1987 and Special Session on September 28, 1987 was presented to the City Council by City Administrator Dick Wilcox. Councilmember Marq Brockett made a motion the minutes be approved as presented. The motion was seconded by Larry Staggs. All voted in favor of stated motion.

David Counts, Bob Harrison and Steve Pepper, representatives from Rolling Plains Well Service, came before the City Council to discuss the

possibility of purchasing eight (8) city lots in block number thirty-seven (37) in Original Knox City from the City of Knox City. After a short discussion, the City Council voiced their appreciation to Rolling Plains for their interest in the lots. It was decided and explained by the City Council that according to ART, 2368a, V.T.C.S., the City would have to advertise the lots for sale in the local newspaper for two (2) consecutive weeks, then fourteen (14) days after the first issue the bids for the lots could be opened.

The possibility of installing street lights on the south end of Avenue E street was discussed. It was decided by the City Council to take no action until the City Administrator could obtain additional information on this subject.

There was not a Fire Department Monthly report this month, due to the absence of the City Fire Chief Craig Williams.

Gil Gillilan, Police Chief, came before the City Council to present the Police Department Monthly Report. Gil stated the department answered 202 calls for the month of September, 1987. There were 8 charges filed in City Court and 14 offenses reported this month. The gross revenue for this month from fines was \$536.00.

Dean Homstad came before the City Council to present the Outside Maintenance Monthly Report. Dean stated this month was generally routine on mowing, water leaks, street patching and trash hauling.

Tommy G. Waldrip, E.M.S. Director, came before the City Council and presented the Ambulance Monthly Report for September, 1987. The E.M.S. expenses for September, 1987 were \$3,940.90 and the revenue income was \$1,002.59. This creates a deficit of \$2,938.31. A total of thirty-three (33) runs were made by the ambulance this month.

The City Council approved a Resolution of the City of Knox City, Texas, authorizing the submission of a Texas Community Development Program application to the Texas Department of Community Affairs for the Community Development Fund, and authorizing the Mayor to act as the City's Executive Officer, an authorized representative in all matters pertaining to the City's participation in the Community Development Program. KNOX KOUNTY KONNECTIONS

GET SOCIAL SECURITY NUMBER FOR DEPENDENTS

If you claim an exemption for a dependent--whether it's your 85 year old mother, or 5 year old child--you must list a social security number for that person.

Requiring a social security number for all dependents 5 years of age and older is part of the tax reform that goes into effect this year. If dependents' social security numbers are not listed on the 1040 or 1040A tax form, or if they're wrong, you may be subject to a \$5 penalty for each missing or incorrect number.

If you have dependents without social security numbers, you need to apply now. Get form SS-5, complete and file it with any office of the Social Security Administration. A representative from the Vernon Social Security office comes to Munday and Knox City monthly. Times are listed in the local newspapers or you may contact the Vernon office by calling 552-9346.

When you apply for a social security number for a dependent, remember to bring evidence of the person's date of birth, U.S. citizenship or legal alien status and identity.

A public, hospital or religious birth record will generally be accepted as proof of birth and citizenship. Proof of identity can be established with something that shows name, age, address, physical description and a picture.

Documents such as a driver's license; school, work or youth organization identify care; insurance policy; medical records; U.S. passport; U.S. citizen identification card; work badge or building pass may serve to show identity. The document you use must be original or certified.

If you apply for a dependent's social security number but don't receive it before you file your 1987 tax return, you can write "applied for" on your tax return.

STORING KEEPSAKE GARMENTS

The attic or garage may be the best place to store any number of things, except grandma's wedding dress, the baby's christening gown or that antique quilt you're saving for your daughter. Textile heirlooms of all types require special care and storage.

Most people know that their textile heirlooms must be cleaned and packaged properly. But it's equally important that they then be stored in

the proper environment.

Changes in temperature and humidity can cause damage to fabrics. Store these textiles in an area of your home where the temperature stays relatively constant. A bedroom or any other lived-in area of the home is best.

Attics and garages are poor places to store heirlooms because they're not heated or cooled. Humidity and temperature change radically from day to night and season to season and will contribute to the deterioration of even well-packaged textiles.

TOY BUYING TIP

When buying toys be a label reader. Look for and heed age recommendations, such as "not recommended for children under three." Look for other safety labels including: "Flame

retardant/Flame resistant" on fabric products and "Washable/hygienic materials" on stuffed toys and dolls.

Educational programs conducted by the Texas Agricultural Extension Service are open to people of all ages, regardless of socioeconomic level, race, color, sex, handicap, religion or national origin.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

CALL 658-3535 FOR APPOINTMENT

MONDAY, JANUARY 18, 1988

KNOX CITY, TEXAS

A Service of

KNOX COUNTY HOSPITAL

\$50.00

According to the American Cancer Society, one out of eleven women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Appointments may be made by calling 658-3535.

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over -An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with

significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

For more information or to make an appointment call 658-3535.

Helpful Hints For Medicare Recipients

The drastic changes in Medicare the last few years have sent many Medicare recipients into a tailspin. Here are a few pointers that might help in the purchase or retaining the present supplement programs you carry.

First, Medicare's eligible and allowable charges are two totally different things. (Part B-Medical) Medicare deems most medical expenses as eligible. A few non-eligible expenses are, yearly eye exams for corrective lenses, where there is no presence of a disease such as cataracts, and regular dental care, such as filling teeth. The Medicare Allowable expense, is the expense that is deemed allowable for the area and the average charges for that certain area. This is not to say that Medicare will pay all your charges allowable under the Medicare program.

You must remember, you are responsible for the first \$75.00 per year, under Medicare, and then Medicare pays 80% of the Allowable charges. This means, if you see a doctor that accepts assignment, you pay only the \$75.00 yearly deductible, and the 20% difference of what Medicare allows. But, if you use a doctor who does not accept Medicare assignment, this means that the doctor looks to you for payment. Even though his office might file your Medicare, you are responsible for his total billed charges, and not what Medicare deems allowable.

Under Part A or "The Hospital" coverage, the patient is responsible for the \$540.00 deductible. Medicare then takes over the charges for the first sixty days during a "Spell of Illness."

Rather than talk about the fears of catastrophic events, let's look at something that is very real. You as a Medicare recipient may have to pay this \$540.00 hospital deductible up to five times a year the way "Spell of Illness" is determined. A "Spell of Illness" ends with the expiration of sixty consecutive days without your re-entering the hospital. This, believe it or not, actually helps you, the recipient, because once, the \$540.00 entrance fee (as it is commonly referred to), is paid, Medicare is set up to pay the reasonable and customary charges of the hospital for sixty days if it is

deemed necessary by Medicare (based on a semi-private room).

As a purchaser of "Medicare Supplementary" insurance coverage, some things to investigate are:

1. Does the coverage pay hospital's and doctor's medicare deductibles?

2. Does the coverage pay doctor's office calls, as well as in-patient calls?

3. Does the coverage pay the difference (Medical-Part B-bills) of allowable or eligible charges, that is, the 20% difference between what Medicare allows and the payment you receive from Medicare, or does the proposed coverage pay the difference of the doctor's billed charge and what you receive from Medicare?

4. Does the insurer with whom you are dealing service or assist in claims and can he furnish you with the names of people in your immediate area that can attest how well the company pays claims? Once you have these names, don't be bashful, call the people and ask questions, not only about the coverage, but about the service received from the agent.

5. Do not be afraid to say NO. Remember, in today's market, you as a consumer, have the right to purchase the coverage that you feel you need and can afford.

6. If you have a question about how a Medicare payment was made, or if you

are not satisfied with that payment, Medicare lists a toll free number in the top right hand corner of the "Explanation of Benefits" statement they send you. This number is there for your convenience. The people that answer will be courteous and willing to assist you in any way possible.

Truscott-Gilliland News

By CLARA BROWN

Another week of winter is behind us, and it was a very, wintery week. The second snowfall, (sleetfall might be a better description) with temperatures dropping almost to zero kept almost everyone in who didn't need to chop ice so livestock could water or to feed cattle. All the Christmas books were read, so if we have another storm, people may be in trouble.

One person observed Monday that one strange thing about the latest cold spell has been the lack of wind the last several days. The almost windless days have helped the woodpiles last longer. Even in this bad, icy weather the area propane trucks have made their rounds to make sure customers have fuel for heat. Even if you do have a fireplace or wood stove, it is still good to know that you can turn on a gas fire because someone has made sure you have the fuel.

Truscott and Gilliland were just about shut down the last several days. To start with, on Thursday the senior citizen meal at the center was cancelled. Then on Friday Gail Whitley only set hair for three persons. The Grandma's Sunday Dinner was cancelled since no one wanted to brave the ice to get things ready. No church services were held in Truscott or Gilliland Sunday. Monday morning brought sunshine and slightly warmer temperatures. Actually the temperature was 20 degrees higher, but when you start from 15 above 0 for your comparison, the improvement is hard to notice.

Kay Carroll said she and Charles went to Vernon Thursday. The worst part about driving in Vernon that day was trying to maneuver in the ice-glazed parking lots.

Son Propps was released from the Knox County hospital last Tuesday and he and Avis were being taken to Lubbock so he could have therapy, when they were turned back at Guthrie because of the highway conditions. They returned to Knox City and checked in at the rest home for a few days.

Ila Mae Bullion went to extension council last Monday, in between ice storms.

Some say the wild hogs have been seen rooting up the ice to get to the wheat plants. Following them have been deer and sandhill cranes.

The Owen News were in Haskell Sunday to have dinner with their granddaughter and her family, Mr. and Mrs. Jeff Teague and children, Missy and Justin.

Sunday the Dennis Welch family had dinner with his parents, E.D. and Mary Welch.

Lee and Gail Whitley and Crystal were in Guthrie Sunday to visit his sister and mother, Kay and Donald Miller and Donald Lee and Clint of Guthrie and Fran Fox of Desert Hot Springs, California. They said the road was icy in spots in the morning but was in good shape when they came back. However, Highway 6 from Benjamin to Truscott had more ice in the afternoon since it does not have as much traffic.

Allen Heard has moved from Newcastle to Weinert where he will work for Tiffen Mayfield.

John Mark Kinnibrugh of Graham and a friend, Jamie Reid of Archer City, visited his parents over the weekend. They went hunting but found few quail.

June Looney left the north country

Friday and headed for New Braunfels to visit the family of her daughter Nancy Becker. Newell stayed home to feed.

Lucille Langston reports her family returned Friday from Rockport. They left here December 23, along with her mother, Mrs. Martha Riley and spent Christmas at Rockport with their children. Mrs. Riley became ill and spent six days in the hospital, so their return was delayed until she could make the trip.

A rig has moved in on the Alexander Ranch and drilling has started. Sunday a crew of roughnecks had to be pulled out of the ditch on the China Creek-Alexander road, which must be the slickest road in Knox County.

Care Home News

By Debbie Dudensing

The residents of Brazos Valley Care Home want to thank everyone for making Christmas very special this year. All the gifts and fruit that were given were greatly appreciated. Also a special thank you to the churches who came out and sang Christmas Carols to the residents.

The Birthday Party for the month of January will be January 21 at 3:00 p.m. and is hosted this month by the Knox City Girl Scouts. Birthdays celebrated this month are Dora Followill, Jewell Mullins, Tot Jamison, and Pete Rocha.

The Brazos Valley Care Home and residents wish everyone a safe and Happy New Year.

Care Home visitors the past two weeks have been Ruby Pierce, Eula Booe, J.D. Hollis, Cecil and Edna Lambert, Patti and Brandon Lewis, Dora Brown, Bill McGuire, Rastus Pack, Aaron Lewis, Brett Proctor, Dollie Feemster, Andrea and Joseph Marin, Earlene Meinzer, Mrs. Bill Ryder, Robbie and Clyde Feemster,

Bobby and Philomae Roberson, Mary Hernandez, Gladene Green, Birdie and Bobby Helton, Evelyn Rogers, Hanna, Maribeth, and Julie Williams, Joseph Courvier, Paul Hudspeth, Amy Hudspeth, Teresa Hudspeth, Barbara Pratt, Grace Welch, Virginia Griffith, Alice Wilson, Sipe and Doyle Griffith, Jack and Jo Maddox, Jimmie Klutts, Dub and Jo Cartwright, Sue Woodall, Danny, Jan and Tara Woodall, Ken, and Gloria Woodall, Helen Green, Debby Curd, Grover and Ada Durham, Johnnie Mae Land, Betty Poe, and Leonia Raby.

A special welcome goes out to Son and Avis Propps of Guthrie, our new residents.

Farm & Ranch Notes

By DAVID TUNMIRE

A simple soil test is an important management tool that is often overlooked. It can insure that proper amounts and grades of fertilizer are being applied for economically optimal yields.

In fertilization result demonstrations conducted in Knox County soil tests are used to determine what fertilization levels will be evaluated. During 1987, these demonstrations were conducted by L.D. and Lloyd Don Welch, David Key and James Amerson in wheat, sorghum, and cotton, respectively.

The soil test recommended rates of fertilizer in the wheat and sorghum demonstrations proved to be economically the best fertilization rate. They also were the top yielding plots in both demonstrations.

The fertilizer rate recommended by the soil test for the cotton demonstration was economically only second best. The best plot only had an additional 5-0-0 foliarly applied at first bloom but these results were not real clear.

These fertilization demonstrations conducted by local producers clearly demonstrate how soil testing can be an important management tool. The complete results of these demonstrations will be in the 1987 Results of Agricultural Demonstrations in Knox County which will be available soon.

Proper sampling is an important key to getting good soil test results. Normally, a soil sample at plow depth is adequate which is about six inches deep. If a subsoil sample has never been taken, then take samples from several sites to look at nutrients status below the surface. Subsoil fertility status is very important in deep rooted crops such as coastal or cotton.

The next question that needs answering is, "How many subsamples and what size field should a single sample represent?" If a field is uniform, then 10 to 15 subsamples per 100 acres should be adequate for a good soil analysis. Fewer subsamples and a larger area are possible if the field has never been fertilized.

Prior to taking small samples, scrape the litter from the surface, then use a spade, soil auger or soil sampling tube. To use a sharp shooter, dig a V-shaped hole and take a 1/2 inch slice of soil from the smooth side of the hole. Repeat in 10 to 15 different places.

Place subsamples in a clean container (plastic bucket, paper sack,

etc.), mix thoroughly, and take out approximately one pint for the composite sample.

Soil sample bags and information sheets may be picked up at the Knox County Extension office located in the county courthouse at Benjamin.

Educational programs conducted by the Texas Agricultural Extension Service are open to people of all ages, regardless of socioeconomic level, race, color, sex, handicap, religion or national origin.
