Lane Davis To Head Retail Merchants Assoc.

The Retail Merchants Association met last Thursday night at The Oil Patch Cafe, and Lane Davis, new president, outlined goals for the coming year.

Davis plans to have a letter in the mail soon to all members and prospective members.

"The very basis of this organization is to create additional business for Knox City merchants and to promote projects that will attract customers for our businesses," he said.

Plans call for at least four major projects during the year, and with one event scheduled each quarter, plans can be made in advance to work out details.

The Christmas promotion was discussed, and members present agreed that a different concept is needed, and new ideas will be forthcoming on this, Davis said.

Appreciation was expressed to JoAnne Maddox for her year as president.

NEWS BRIEF

Foursquare Church Sets Special Services

The Knox City Foursquare Church will have two special services, one this Wednesday, Thursday and Friday and another to begin Sunday of next week and continue through the following Wednesday.

John Beard from Church On The Way in Los Angeles, California, will be at the local church on Wednesday, Thursday and Friday, January 27, 28 and 29. Sunday through Wednesday, January 31 through February 3, Steve Schulze from Kansas will be featured. Both of these men have music ministry as well as preaching.

Everyone is invited to make note of these services and are welcome to attend any or all of them.

Deadline To Register Is February 5

With "Super Tuesday" coming up March 8, it is imperative for those who have not registered to vote to do so before the Friday, February 5, deadline.

Registration forms are available at the Chamber of Commerce office in Knox City, thus saving prospective voters a trip to Benjamin or the necessity of requesting one by mail from Oscar Mangis, Knox County Tax Assessor-Collector.

Voters who have participated in a primary or general elections during the past few years are probably still registered. However, if a person is not sure of his or her voter registration status, or if they have moved since they last voted, they will need to contact Mr. Mangis at his office in Benjamin.

All persons, 18 years of age or older, who live in Knox County and have no criminal record, are eligible to register and vote.

A number of very important races are coming up in the March 8 election, and voters need to be ready to cast that "all important ballot."

JV's Win In Tourney

Knox City hosted a JV basketball tournament January 21, 22 and 23. Games were played in the Knox City gym and the O'Brien gym.

The JV Houndettes kept the first place trophy at home by defeating Haskell 42-24 in the championship game. Kim Ainsworth scored 14 points while teammate Marci Berryman contributed 7 points, 3 coming from a 3 point shot. This was Marci's second 3 pointer in a week.

The Houndettes defeated a tough Crowell team enroute to the championship game. The Houndettes scored 41 points to Crowell's 35. Marci Berryman and freshmen Mitzi Marion had 14 points each.

Aspermont was the Houndettes first opponent, and was defeated 27-50.

Freshmen Lisa Polk contributed 16 points, while Ymelda Gonzales had 11 points.

The JV Houndettes have now won five in a row. These girls have improved a great deal since the beginning of the season.

The JV Hounds lost a tough game to Paducah in the championship game. The Hounds pulled ahead, but with time running out Paducah hit a 3 pointer to take a one point lead. The Hounds had several chances to win the game, but could not get the ball through the hoop. This was the JV Hounds' first defeat of the season. They had to play

Interesting Facts About Knox City

By BILLYE B. ANGLE

Several items of interest concerning Knox City have come our way in the last couple of months which we thought might be of interest to those who live here as well as those who have lived here previously. As space permits, we will relay these articles to you and if

readers have any information they would care to share, we would welcome it.

First of all, David Counts recently brought a story in the office from the Austin American Statesman with a feature story on Ace Reid by John Kelso. In the story, Reid related that

he began his professional career in Knox City. This writer easily relates to this as in 1946 she also was an employee of the late Ed W. Bateman when

Sue Gideon Named To ACU Dean's Honor Roll

Sue Gideon, daughter of Oscar and Jane Gideon of Benjamin, has been named to the Dean's Honor Roll at Abilene Christian University.

While carrying a work load of 16 hours, Sue has maintained a grade point average of 3.815 out of a possible 4.00 point.

Sue, a valedictory graduate of Benjamin High School, carries with her the foundation of education set forth by the stern, but pleasant guidance of Superintendent Benny Grill.

Sue is an example of the average student graduating from Benjamin Schools. The Benjamin Schools has in the past, as well as now, produced college students percapta of any high school in Texas.

Sue's credits in high school were many along with all-Star Cast and one-act play, to football sweetheart, to valedictorian, four years in basketball and track and all the way to state in cross-country racing were a few of her credits. She was also a cheerleader for four years.

Sue has a philosophy of life parallel to what Oscar Wilde once said, "the satisfaction is not in the end product, but in the doing."

Benjamin News

By Gladene Green

After Basketball last week, the Benjamin girls still remain undefeated in the District. On their home court Tuesday night they came out victorious against Goree. Lorrie Rolston was injured in that game with only seven seconds left to play. Lorrie was fouled and fell to the floor dislocating her left shoulder. She was taken to the emergency room in Seymour that night for treatment and on Thursday, she went to Abilene for treatment by a specialist. She's still in a lot of pain and of course, her basketball career is ended. By the way the score in that game was Benjamin 34, Goree 31. Goree boys forfeited.

Then on Friday night we all went to Munday for the Mustang-Mogul get together. The Benjamin girls were very capable of handling Munday on their own court. Matter of fact the end of the first quarter saw the scoreboard reading 14-2, Benjamin was leading. The next two quarters Munday picked up a little and the Lady Mustangs cooled down on scoring but they came back in the fourth and won 53-37. Kim Cash and Francine Redder had a whopping 25 points each. Angie Offutt was high scorer for Munday with 13.

Our boys didn't fare so well. Munday took that game by an overwhelming score of 103-26. Jeff Pierce scored high for the Mustangs. But the boys stayed in there and were playing just as hard at the last as they were at the beginning.

Our Lady Mustangs are Lorrie Rolston, Kim Cash, Francine Redder, Kelly Westmoreland, Sandra Balones, Carmen Estrada, Rebekah Duke, Christi Whitten and Shannon Parker. Coach is John Mark Trice.

The boys team is made up of Jeff Pierce, Buster Redwine, Kemp Jones, Jeff Conner, Jody Stone, Phil Boone, Fred Redder and Lanham Jones. Coach is Ben Grill.

LOCAL'S KIN RECEIVES HONOR

Denny McCarthy of Iowa Park has been named Outstanding Agriculturist for Iowa Park by that city's Chamber of Commerce. Denny received his award at the Chamber's Annual Banquet Saturday night. He was recognized for his support of youth organizations and work in promoting farming and ranching.

Denny is married to the former Sue Duke of Benjamin and his mother-in-law is Clodell Duke.

That is a very nice honor and we congratulate Denny and Sue and their kiddoes, Will and Marcy.

NEW ARRIVAL

Matt Tolson has an announcement to make. He has a new baby brother born Thursday, January 21, at 11:03 a.m. in the Seymour Hospital. He weighed 7 lb. 4 oz. and has been named Michael Drew. The parents of these young men are Chad and Amy Tolson. Grandparents are Janice and Buddy Tolson and Linda and Charles Griffith. Great grandparents are Roy and Mary K. Daniel, Buster and Louella Tolson, Wilma Dean Griffith and Thelma Hawkins.

Streams In Desert Places

By Ozelle Stephens

In the Sermon on the Mount Jesus said, Blessed are the meek, the merciful, the peace maker, they that hunger and thirst after righteousness. Here too He taught the lesson of love to all mankind, to the enemy as well as to friend and kinsman. Here he expounded the lesson of faith.

Take no thought (do not be anxious) for tomorrow. For your Heavenly Father knoweth what you hath need of. Over and over again, He called upon His disciples to rely upon God for all the necessities of life, to cast out fear, to practice calm confidence in the all knowing and all loving God. Remember fear imprisons. Faith liberates. Fear paralyzes. Faith impowers. Fear disheartens. Faith encourages. Fear sickens. Faith heals. Fear makes useless. Faith makes serviceable. And most of all, fear puts hopelessness at the heart of life. While faith rejoices in its God. Listen to Jesus while you read the word and He will make you strong in faith and able to stand in the times you live.

WEEKEND GUESTS

NEWS BRIEF

Local Boy Scouts Need Help

Knox City Boy Scouts are in dire need of adult help if the local scouting program is to continue serving the needs of area youth.

Greenbelt District Executive Paul Cook informed *News* personnel last week that the local boy scouts desperately need adult help if the program is to continue here. While scouting in Knox City has been strong in past years, the program has suffered lately with fewer scouts and very little adult participation. Paul has been traveling from Vernon each week to hold the meetings in the absence of a local adult leader.

Any adults wishing to help and participate in the scouting program are urged to contact Paul Cook at (817) 552-7305 or write to the Greenbelt District Office at 4125 Augusta #246, Vernon, Texas 76384.

Truscott-Gilliland News

Wind, sunshine, and most chilly temperatures would about make up the weather picture of the past week.

Florence Miller, president of Gilliland Extension Homemakers, reported 10 attended a meeting at her home last Wednesday. Committees were appointed and the yearbook filled out before the program on "Clutter".

Ruth Moore and Irene New were in Vernon last Friday.

Shirley Lee Moore of Woodbridge, Va. spent the first week of January visiting with his parents, Ruth and Shirley Moore, whom he had not seen for over a year.

Services for Glenn Shook were held at Wichita Falls Saturday, with burial at Crowell. He was the father-in-law of Christie Shaw Shook. Tommy Shaw of Arlington and Elmo Shaw of Truscott attended the services.

laws, the Bill Mescalls of Paxtong, Harrisburg, Penn., had burned on Sunday. The Mescalls celebrated their 40th wedding anniversary the Sunday after Christmas. It was the house where their children grew up and was entirely destroyed in the fire. Fortunately, the Mescalls were gone at the time.

Ila Mae Bullion reported that another copy of *Between the Wichitas* was sold this week. The committee hopes to sell enough to pay off the publishing debt by July and then to start saving to put up some historical markers on the divide.

FACTS ABOUT KC

he published the National Quarterhorse Journal here and she worked during the time Ace Reid drove to Knox City on a weekly basis to draw cartoons for the monthly magazine.

Reid grew up during the Depression on a ranch near Electra, and according to Kelso, "When Reid drew about rough times on the ranch, he drew from experience." His dad, Ace Reid Sr. sent some of Ace Jr.'s cartoons to Mr. Bateman, and the editor liked what he saw, and life as a professional artist was begun.

Quoting from the feature story, "He paid me \$3 a piece to drive 150 miles from Wichita Falls to Knox City to draw a cartoon," Ace recalled. "He'd give me the \$3, and I'd drive 150 miles back. And that easy money like to drove me crazy...I had a choice to either starve to death punching cows

or starve to death drawing cartoons. So I picked the one I could do in the shade!"

Mr. Bateman employed Charlie Moss and his wife Ann to do the publishing of his magazine as well as a registry book for the association. The Mosses had been publishers of the local paper and sold out to Irene and the late Jimmie Branch to assume the new business. Also assisting in the publishing were former residents Dale Graham and D.C. Hughes. This writer dealt with proof-reading, circulation, and secretarial work. The publication was located in the building just east of the present Knox City Laundry. Following Mrs. Bateman's death, Mr. Bateman eventually ceased publication and moved from Bateman Ranch to Fort Worth.

Ace Reid, the very successful cowboy cartoonist, has become immensely popular with the ranching communities. He has put out a cartoon calendar each year, selling two or three million copies each year, according to Kelso's story.

He also has produced 12 books with more than a million copies being sold. The Kerrville rancher travels all over

the United States with speaking engagements, and he has appeared on the West Texas Rehab Telethon several times.

In future issues of the News, other interesting facts about Knox City will be furnished our readers courtesy of Ronnie Travis and information compiled by Reziade: The National Zip Code Encyclopedia.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

FRESHMAN CLASS NEWS
By Stephanie Pepper

The Freshmen had an action-packed week. We worked hard in the classrooms and on the basketball court.

Last Monday night, the Freshmen guys played Munday and beat them. Tuesday night, the JV's played Throckmorton. Both teams won Thursday which started our tournament. Knox City had three teams. We did very well. The JV girls beat Crowell and Haskell. The JV guys played a hard game with Paducah for first. They fell to them by one point for second. The Freshmen guys played well and came out with consolation. Congratulations to everyone.

The Freshmen have one more book report left! We recently did soap carvings. Some of the various carvings were airplanes, a piano, a vaulting horse, chains, baseball bats, ships, a castle, and many more. In History, we are getting into World War I. We are working with acids and bases in Physical Science. We are finished cooking in Homemaking and will begin sewing soon.

Monday, the JV girls and Freshmen guys played Throckmorton. We would like to wish the varsity players good luck on the rest of their district and playoff games in basketball.
