Kathy Verhalen Is 'Artist Of Month'

A photography display entitled "Around the Bend" is currently at the Citizens State Bank through the month of April. The featured photographer, Kathy Verhalen, is the youngest child of Mr. and Mrs. M.L. Verhalen. She graduated from Knox City in 1970 and in 1974 received a Bachelor of Science Degree in Education at Texas Tech University. At present, she is completing her 14th year with the Arlington Independent School District, teaching eighth and ninth grade Speech, Drama and English.

Other than teaching, Kathy's interests include directing plays, coaching speech tournament participants, selling and collecting antiques, writing poetry (of which are displayed) and short stories, and backpacking.

As a self-taught amateur photographer Kathy became seriously interested in photography after her first solo hike into the Grand Canyon in 1985. She expresses an interest in pursuing the free-lance market after more experience to improve her craft, but primarily she simply loves the excuse to "salvage a scene to savor later."

ADDITIONAL UIL WINNERS from the district meet included from left, Leah Rauch, second, typewriting; and first alt. headlines; Trina Fry, second, accounting, second alt. number sense; Kim Bateman, fourth alt. team debate; and Patrick Wupperman, first, science, top scorer in physics, and fourth alt. team debate. Runoff Election Is Tuesday

Tuesday, April 12, will be another day of voting when top winners in the primaries square off in the runoff election to determine whose name will appear on the ballot for the General Election in November. Some of the candidates are unopposed.

Voters in the Democratic Party Primary Runoff Election in Knox County will choose either William L. (Bill) Hudson or Charles E. McDonald as a Member, State Board of Education, District 14.

In the race for District Attorney, 50th Judicial District, voters will elect either Chad Williams or Larry Evans.

Both 7N and 7S voters will again cast their ballots at the Knox County Aging Center from 7:00 a.m. until 7:00 p.m. The three boxes in Munday along with Sunset voters will vote at City Hall, while all other county locations will remain the same, according to David Counts, Knox County Democratic chairman. Bud Reynolds is election judge for Knox City, and Juanita Nelson is election judge for Munday.

Republican chairman Bill Baker advised the News office that the Knox City Community Center will be the location for Knox City Republicans with Bruce Campbell Jr. as election judge. Munday voters will cast their ballots in the Munday Elementary Library where Ernestine Dickerson will be election judge. In Truscott, voters will vote at the Community Center with LaNay Cash as election judge.

LARRY EVANS

CHAD WILLIAMS

Appearing on the Republican ballot for U.S. Senator will be Beau Boulter and Wes Gilbreath; for U.S. Representative, District 13, Larry S. Milner and Bob Price; for Railroad Commissioner, Ed Emmett and P.S. (Sam) Ervin; and for Justice, Supreme Court, Place 2, Ronald S. Block and Nathan Hecht.

Absentee voting for the runoff elections may be done in person until Friday, April 8, at 5:00 p.m. and ballots

may be received by mail up until the day of the election, Tuesday, April 12, officials said. Also, voters who cast their ballots in the primaries are ineligible to vote or participate in another political party's runoff election. In other words, if a person voted in the Democratic Party's Primary Election, he or she is ineligible to vote in the Republican Party's Runoff Election, and vice versa.

Remember to vote Tuesday! YOUR vote does count!

Planting Date Set For May 16

Approximately 200 persons from across the county were in Rhineland Monday night for the Cotton Uniform Planting Meeting.

Producers voted by secret ballot and selected May 16 as the planting date for Knox County. Four dates were presented and the percentage of the voting was May 9 - 11%, May 16 - 55%, May 23 - 30% and May 30 - 4%.

Speakers at the meeting included Emory Boring, extension entomologist; and Jeff Sloffer of the Texas A&M Research in Vernon. A fish fry, sponsored by the Knox County Boll Weevil Association, was prepared by Stanley White of Stephenville.

Tennis Netters Win Places At Roscoe Meet

By Ronnie Verhalen

Knox City tennis players won a first, a second, a third, and a fourth place at the Rotan Spring Invitational Tournament, March 28 and 29, to inaugurate the high school tennis season. Knox City-O'Brien netters got more doubles teams and individuals into the semifinal round, into the finals, and won more trophies than any other school participating.

It was a feat just to make it to the second-day semifinals, as the number of players/teams in a division ranged from 32 to 45, and three or four victories were required just to make it that far. Two of our singles players and two doubles teams did so. Physically, the tournament was wide-ranging, also, as matches were played on the courts of Snyder, Sweetwater, and Hamlin, as well as at Rotan.

Monday, Rhonda Albus lost her first-round match, but only narrowly, 6-4 7-5, to Underwood from Stamford.

Tornado Seminar Slated Monday Night In Munday

Munday Chief of Police and Knox County Sheriff Elect Henry Dancer has informed *The Knox County News* about a seminar that will be conducted in Munday by Keith Hayes from the National Weather Service Office in Abilene. The seminar will take place at 7:00 p.m. on Monday, April 11, at the Munday Fire Department. The discussion will center around the formation and spotting of tornadoes.

Since the season for tornadoes is rapidly approaching, Chief Dancer thought this was an appropriate time for the class. He encourages all law enforcement personnel, ambulance per-

sonnel, firemen, utility workers, school officials and news media from throughout Knox County to attend this very important meeting.

Aided by the use of National Weather Service films, Hayes will discuss all aspects of tornadoes and the proper precautions that need to be taken whenever a tornado is spotted. Always interesting, the tornado information presentations by the National Weather Service are given as a public service and designed to pass on information that could be helpful in the event of an emergency involving a tornado.

Electric Appliance Update Set For April 12

An appliance Update will be held in connection with the WTU Cooking School on Tuesday, April 12 - 5:00 p.m. at the local WTU office.

The latest in microwave cookery from Lisa Hoff, West Texas Utility Home Economist, will be discussed.

Water Issues To Be Discussed

Dr. John Sweeten, Extension Agricultural Engineer-Waste Management, will be speaking on issues related to our area water use, availability and quality as well as new laws governing our water. The meeting will be held Monday, April 11 - 7:00 p.m. at the Knights of Columbus Hall in Rhineland.

Anyone interested in attending is welcome. The program will include a time for questions and answers about the topics discussed. This program is being sponsored by the Knox County Community Development Committee and more information may be obtained by calling the Knox County Extension Office-454-2651.

Oxy Cities Services Undergoes Name Change

Clarence Patterson, manager of the Stonewall Gas Plant, advised the News office Tuesday of this week that there have been no new developments in the plant proceedings. He did state however, that effective April 1, 1988, Oxy Cities Service NGL, Inc., a subsidiary of Occidental Oil and Gas Corp., will change the name to Oxy NGL, Inc. This name change is being implemented to promote consistency of corporate names with its ultimate parents, Occidental Petroleum Corp. In short it is still the same company, but April 1, 1988, the name will change. Patterson continued by stating that personnel and phone numbers will remain the same.

TENNIS (From Page One)

Rhonda was a doubles alternate last year and is coming on strong in singles this year. Stacy Cheek defeated Un-named Opponent 6-2 6-0, Patrick of Patton Springs 6-0 6-0, Guerra of Rotan 6-3 6-4, and third-seeded Campbell of ACHS 6-3 6-4, to close out a good day's play.

Danny Grindstaff also lost a close first-round match, 6-4 6-4, to Montgomery of Sweetwater, but he also played well. Patrick Wupperman badly beat Bye of Hoonosewhere, then iced Wylie of ACHS 6-0 6-0, Patterson of Forsan 6-0 6-0, and Santos of O'Donnell 6-2 6-1, to round out his Monday matches.

The improving team of Leah Rauch and Kristi Risinger foiled Burks and Baeza of Patton Springs in their first contest, 6-1 3-6 6-3, then were overcome by Rotan's McQueen and Hernandez, 6-2 6-4. They are both getting better each time out. Last year's state qualifiers, Kim Bateman and Trina Fry coolly knocked off Scisres and Sonnier of Hamlin 6-0 6-0, Figueroa and Jolley of Sweetwater 6-1 6-0, and Walker and Newman of Cross Plains 6-2 6-1, to make their day.

The equally quiet pair of Paul Garcia and Harvey Rocha were victorious in their first encounter, defeating Dennis and Martinez of Roby 6-2 3-6 6-1, then got upset 6-0 6-2 by the Rotan team of Gruben and Speck who went on to win second place overall. Harvey and Paul are getting better rapidly. Jim Ford and Billy Large found the going more to their liking. They overcame Hunt and Carriker from Trent 6-3 6-4, Green and Smith from Winters 6-4 7-5, and, to round out the day, socked it to the first-seeded duo of Garcia and Matthies of Rotan, 7-5 6-1. Pretty decent for a team that just got together a week earlier.

Tuesday, we returned to finish the tournament. Stacy first lost 6-3 6-3 to Han Pham of Stamford (who eventually won second) and then to Williams of ACHS, 6-4 6-4. Fourth place out of 45 players isn't bad, though, for last year's district champion.

Billy and Jim also lost their initial match on Tuesday, 6-1 6-4 to the eventual winning team of Gilhausen and Klose of Haskell. Then they doused Cooper and Lewis of Hamlin 6-1 3-6 6-3 to walk away with the third-place trophy, a coup in a field of thirty-two.

Bashful Patrick, who last year won district and was third at regional, defeated a not-so-mannerly Stamford lad named Hill 6-2 6-4, before losing in a good match to a hard-hitting foreign exchange student from Finland currently going to school in Forsan. The Finnish Tuiremo, who said that Wupperman won more games from him than anyone he has yet played in the U.S., won 6-3 6-4 in the growing darkness. Patrick won second place, quite an accomplishment in a crowded field of forty-five.

Katrina Kay and Kimberly Ann, in their casual way, downed the Winters team of Bellew and England 6-3 7-5, then Williams and Engle of Cross Plains 6-3 6-2 to abscond with the first-place trophy from a total of thirty-eight teams. We hope they win more.

Our tennis players did very well, especially considering the number of schools and teams participating. We hope it will be a good warmup for district play. Zone competition, by the way, will have taken place (on Tuesday, April 5) by the time you read this, but district play between the two zones will happen the following Tuesday, April 12, in Knox City and O'Brien. Wish us luck; come out and watch.

Trina Fry Recipient Of National Award

The United States Achievement Academy has announced that Trina Fry has been named a United States National Award winner in Science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Trina, who attends Knox City-O'Brien High School was nominated for this National Award by Bob Collins, Science teacher at the school.

Trina will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Trina is the daughter of Keith and Sandra Fry. Grandmother is Thelma Grinstead of Rochester.

"The Ten Amendments for Widows." They are:

1. Yes, there is life after what's-his-name. You don't have to jump into the grave after your husband. You can be a full person on your own.

2. Never settle for a man simply because he's still breathing. You can demand the best in all of your relationships.

3. Don't let the world take advantage of you because you're alone. Beware of scams. If it sounds too good to be true, it's too good to be true.

4. Your children are separate people. Don't make them your life and don't let them make you theirs.

5. You can be beautiful; the face you wake up with in the morning is not necessarily the one you're stuck with for the rest of the day.

6. You can find out again just how much fun life can be as a "merry widow" in the world.

7. When one door closes, another one opens and new opportunities are knocking all the time.

8. You can love living alone and discover the delicious pleasures of a single life.

9. Your senior years can be golden, not brass. You're getting older, but you're also getting better.

10. You never have to feel ashamed to be alone in the world. A table for one can be a grand adventure.

These are your 10 new rules for living. I learned to believe in them, and you can too.

Cancer Crusade Volunteers Attend Kickoff March 17

American Cancer Society volunteers from 15 counties, including three from Knox County, attended the 1988 Crusade in Wichita Falls on March 17 for District 13.

Grace Welch of Knox City, and Virginia Griffith and Pearl Ryder, both of Benjamin, represented Knox County at the kickoff which featured the theme "The Sharin' o' the Green."

The annual meeting serves as the first official function of the Crusade -- the educational and fund-raising drive sponsored by the American Cancer Society volunteers each spring.

The 1988 goal for District 13 was announced as \$218,250 which includes the

Knox Unit. In 1987, \$7,752.00 was raised by the Knox Unit. The goal this year is \$8,000.00 officials said.

These funds will be used to continue the ACS's three-fold attack on cancer through research, education, and patient services. The American Cancer Society is second only to the federal government's National Institute as a source of cancer research funds.

In Texas alone, more than \$7 million is currently invested by ACS in 13 major hospitals and research institutions throughout the state.

All of these funds were raised by volunteers.

The 1600 meter relay placed second. Leah Rauch, Kim Bateman, Mitzi Marion, and Stacy Cheek make up this relay.

Finishing third place were Angie Logsdon-shot put, Leah Rauch-triple jump, Ymelda Gonzales-3200 meter run and Stacy Cheek-400 meter dash.

Fourth place finishers were Leah Rauch-hurdles and Ymelda Gonzales-1600 meter run.

ON TUESDAY, APRIL 12th DEMOCRATIC PRIMARY RUNOFF ELECTION

ELECT
LARRY EVANS
as our
District Attorney
for the
50th Judicial District of Texas
(Baylor, Cottle, King & Knox Counties)

TO THE CITIZENS AND VOTERS OF KNOX CITY AND KNOX COUNTY, TEXAS:

I would like to take this last opportunity to speak to you concerning my candidacy for the office of District Attorney of the 50th Judicial District of Texas.

The office of District Attorney is in no way similar to that of your friendly family attorney. The District Attorney is charged by law with the duty of prosecuting the most serious crimes which occur in our community, felony-grade crimes such as murder, robbery and sexual assault, to name a few. The District Attorney is a trial attorney, and not every attorney is automatically a trial attorney simply because he is licensed to practice law. A trial attorney earns his skill and proficiency as such through trial and error, picking himself up after hard knocks, and from years of stepping into the arena of the courtroom. That's why there's an old saying, "if you're sick get a young doctor, but if you're sued get an old attorney".

On June 1st of this year, I will have had twenty years experience as an active trial attorney, including time spent serving the citizens of Titus, Camp, Morris and Marion Counties in Northeast Texas as their elected District Attorney. I want to put my experience to work for you.

When I announced my candidacy, I did so not only because I felt I could do the job better, but because I felt that the citizens of the district had been denied for too long their rightful voice in the administration of criminal justice in the community. Too many cases were being settled out and plea bargains cut without regard to the rights of the people injured by the commission of the crimes, the peace officers who worked long and hard to bring the offenders to justice, and the trial juries who ought to have been allowed to speak out as to what they thought an appropriate punishment in those cases should have been.

I promise you that if I am elected cases are going to be disposed of openly and with due regard to the rights of injured parties, peace officers and all parties concerned. Trial juries will be impanelled and allowed to speak out in all serious criminal cases such as those involving the sale and delivery of drugs and controlled substances. The people will be invited to become a part of the system more often than once every four years on election day.

The 50th Judicial District is a four-county judicial district, and no one county is entitled to monopolize the services of the District Attorney. Of course, some counties' needs are greater due to larger populations and the resultant greater activity of crime. I can promise you that if I am elected I won't forget that I am the servant of all of the people of the district and I will do my very best to see that every county is adequately represented. So long as I am not actively engaged in the trial of a criminal case in another county and cannot absent myself, I will never be more than a telephone call away from any citizen or peace officer needing my assistance, and I will personally respond at any time day or night, and render whatever assistance is needed.

If you want me as your District Attorney, I urge you to come to the polls and vote for me on April 12th in the Democratic Primary Run-off Election. Each and every single one of your votes is important and necessary.

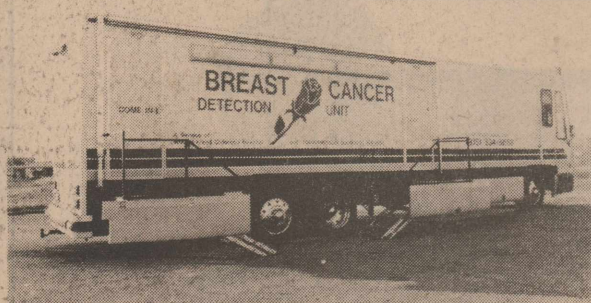

I want to go to work for you, and your support and influence will be greatly appreciated.

Sincerely,

Larry Evans

Streams In Desert Places

By Ozelle Stephens

"He leadeth me beside the still waters." (Ps. 23:2).

Notice the clause, "He Leadeth Me." We find revealed here the cause of most trouble, heartache and unhappiness in our lives. We are unwilling to be led.

The Shepherd does not drive the sheep. They do not know where to go or how to protect themselves. They follow the shepherd where He leads, and are safe. Only when Christ's sheep follow where He leads are they sure the way is safe.

He leads the sheep by the still

waters. Still waters indicate depth, tranquility and abundant supply. God's provisions are deep...they are never expendable. God's provisions will never give out...God's Springs will never run dry.

You determine the depth of one's experience with God by the calmness, the quietness, the poise with which they face life's storms. Their every day life is fed steadily and unfailingly by the hidden Springs of His grace. Each trusting member of the flock can have the deep water experience in his life, when led by the Great Shepherd.

**To The Voters Of
Knox County:**

Since I have announced my candidacy for District Attorney, I have made an effort to meet each and every resident of Knox County. For those of you I have not met, I am Chad Williams, and I am a candidate for District Attorney for the 50th Judicial District.

I am a member of the State Bar of Texas, American Bar Association, Texas District and County Attorney Association, and I am licensed to practice law in the United States District Court of the Northern District of Texas. I recently was named to the State Bar College of Texas due to the fact that I have completed eighty (80) hours of continuing legal education.

I am currently serving as the Baylor County Attorney.

I was a former resident of Knox County, and I currently live in Seymour, where I maintain my law office, but I frequently practice law in the District Court of Knox County, Texas, and I have tried a number of criminal trials to a jury in Knox County. If elected District Attorney, I will maintain the office of District Attorney in the area.

I want to make the office of District Attorney a 24-hour obligation, not just a part-time job, and if elected District Attorney, I will be dedicated to that commitment.

The District Attorney needs to be accessible to the Court, law enforcement officials and to the public. As a former resident of Knox County and a current resident of Baylor County, I am accessible to the Court, to law enforcement officials and to the public.

On Super Tuesday, March 8, 1988, you the voters of Knox County gave me more than 50% of the vote. Now, I would ask each and every voter of Knox County for the same support and for your vote to elect me District Attorney on Tuesday, April 12, 1988.

Benjamin News

By Gladene Green

Well, I hope everyone had an enjoyable Easter. The weather cooperated nicely for those who planned "outings" with family and friends and for all the youngsters who were out to hunt Easter eggs. I enjoyed lunch with Diane and Ricky in Munday. Also joining us were his parents, Clarence and Clara Herring.

REMAINS IN HOSPITAL

Homer T. Melton remains in Methodist Hospital in Lubbock. According to his daughter, Mary Young, his condition has improved somewhat since last week. He still has a long way to go before returning home and I ask each of you to please keep him and Kathleen and the rest of their families in your prayers.

1st BIRTHDAY

Seth Kuehler is one year old and he had a party on Sunday to celebrate. All his guests enjoyed "Mickey Mouse" cake and punch and he enjoyed all his gifts.

Those on hand to help him "open his packages" were Nathan Kuehler, Sara, Jennifer and Will Vacek, Ashley and Matthew Cartwright, Trey Propps, Chance Propps, Kerrie Sue Kuehler, Bubba Benson, big brother Aaron and grandparents, Dale and Gerard Kuehler and Bill and Pat Benson and of course his parents, who hosted the get together, Steve and Sheila.

HERE 'N THERE

Visiting Clodell Duke for Easter were Ken, Gaye and Mark Roberts of Hereford and Jan Pollock. The Roberts also visited his parents, Kenneth and Jessie Roberts.

Dutch and Imagean Young were in Wichita Falls Sunday to help grandson, Anthony Lamb hunt Easter eggs. They also visited DeAnn and Brenda while there.

Earlene Meinzer had her sister and brother-in-law Archie and Irene Struck of Goree for Easter Sunday. Also Rick, Patsy and Trapper Meinzer of Munday.

Visiting the Joe Bartons and the Homer Ralstons and the rest of the Moorhouse relatives during the Easter weekend were Tim, Karen, T.J. and Todd of Dallas, and Zell Barton, Danny and Ann Allen and Gloria White, all of Amarillo.

Danny and Chris Robertson and children of Midland and Dee Powers of Thalia visited Bud and Debbie Clower and Michael and Leroy and Gloria West during the weekend.

Jack and Judi Whitten and children spent Easter with his Mom in Eastland.

Tres Pierce spent his spring break with his grandparents, Jimmy and

Ivolene Pierce at Megargel.

Jim Bob Conner spent spring break in Wichita Falls.

Brett and Shawna Glenn of Lubbock were recent guests of his grandmother, Nora Hertel.

Our friends, Lona Feemster and Audrey Nolan in the Care Home are doing pretty well. They are always glad to see visitors, so if you have time go see them.

Easter weekend guests of Gertrude Brannan were Ann Roddy and family of Denton, Mary Whitsitt and family of Carrollton and Johnny Brannan of Lubbock.

Randy Russell, former Knox County Jailor, has moved to Dickens where he has accepted the position of Deputy Sheriff in Dickens County. We wish him well in his new environment.

Lana Gideon of Lubbock and Sue Gideon of A.C.U. in Abilene were weekend guests of homefolds.

Troy Pratt of Texas Tech and Julee Martin of L.C.U., both in Lubbock were Easter weekend guests of his parents, Jim and Barbara Pratt.

Now for another update on our "soon coming" grocery store. It's almost ready to start "stocking". It is believed that after a "hard weeks work," maybe just maybe it will be ready to open next week or at least by the 15th. We will all be glad and commend Buddy, Janice, Alan and Beverly for all the good work they have done in such a short time. Think little grandson Justin Baty has even helped too!!

February Report For DPS Released

Capt. L.A. Reinhart, District Supervisor of the Lubbock Highway Patrol District comprising of 21 counties said, "For the month of February, our troopers investigated one fatal accident, 49 personal injury accidents, and 71 property damage accidents. There was one person killed and 49 persons injured in these accidents."

Sgt. Sam Wester of Haskell stated, "In Knox county, our troopers investigated no fatal accidents, no personal injury accidents, and one property damage accident in the month of February. No persons were killed and no persons were injured in these accidents."

Truscott-Gilliland News

By CLARA BROWN

Sunday was a beautiful day for Easter egg hunts and family get togethers. Monday started out almost a duplicate in weather. After reporting last week that a big mesquite was showing signs of leafing out, this writer saw the first mesquite leaf of spring last Monday afternoon. However, a Sunday afternoon check at China Creek showed the big old mesquite barely had leaf ends breaking out of the knobs. It does sound like spring is here though the mesquite don't often get fooled.

Grandma will be serving chicken and dressing at Truscott Sunday. Everyone is invited.

Duane Carroll of VRJC was home for the weekend visiting his parents Charles and Kay Carroll and Michael Daniel.

Michael Carroll placed seventh in the 400 yard dash at the Electra track meet last week.

The J.C. Langstons returned Friday from a two week visit in Rockport with their children and the Richard Jones family.

Kathy Lowrance sister and brother in law from Michigan, Barbara and Jerry were here during Easter.

Last week Joan Daniel and Irene New visited the wife of the Gilliland Baptist pastor, Mrs. Fannie Mae Burton at Hendrick Hospital in Abilene, before her surgery. Irene said she will be in the hospital for a few days this week, but is doing well. While in Abilene Irene and Joan also visited Margaret Todd at Coronado Care Center.

Tommy Shaw of Hurst visited Elmo and Billy Shaw Saturday. Also visiting the Shaws were the Mike Shaws of Mansfield.

Gail Whitley and Ila Mae Bullion were in Wichita Falls Tuesday for Gail to keep a dental appointment.

Easter weekend visitors in the R.C. Daniel home were Brenda and Tony Dennis and Nicole of Dallas and Johnny, Janet and Lindsey Daniel of Grapevine. Joan said they attended the sunrise service at Gilliland Baptist Church, hunted Easter eggs, and rode the wagon out at Don Daniel's.

Saturday afternoon visitors in the home of Mrs. Thelma Jamison were her daughter and son-in-law, Colleen and Alton Patterson, and her granddaughter and her husband, Lisa and Steve Moorman, all of Wichita Falls.

The spring turkey season began last week and game warden Ronnie Ainsworth was out early and late on opening day.

Bette Sue and Derrah Adkins spent Easter weekend with her parents, Carrie and Harold Barry.

Sunday, Lula and Louis Baty again hosted the annual Easter egg hunt and dinner for the Emma and Ruel Scott family. Lula said her brother and all but one of her sisters were present, plus grandchildren and great-grandchildren.

Bill Brown of Brownfield visited his parents, Jack and Clara Brown Saturday through Monday. Easter Sunday dinner guests in the Brown home also included Mrs. Vivian Brown and E.J. Jones.

Benjamin students were on spring break last week. Kim Cash spent Thursday visiting in Crowell and on Friday went to Vernon with her mother, Mrs. Fred Cash.

Tommy Shaw and a friend from Hurst visited Mr. and Mrs. A.L. Cook Saturday.

Curtis Casey was in Abilene Friday. While there he visited his sister, Mrs. Frances Carroll; had lunch with the Rev. Claude Harris and his wife, June; and visited Margaret Todd. Margaret's Abilene address is Coronado Care Center, 1751 N. 15th St., Abilene, Texas.

Margaret Jones of Abilene reported several visitors in the home of her mother, Mrs. Bertie Welch, over the weekend. Many came to see Mrs. Welch's nephew, Paul McGaughey of Victoria, Australia. He is the son of Joe B. McGaughey, the grandson of John and Pleasie McGaughey, and the great-grandson of H.M. and Lillie Propps Jamison.

Paul McGaughey is presently making a tour of the United States and enjoyed a visit with several relatives and friends while at his aunt's. They included Wilfred, Betty and David Welch of Wichita Falls, Charles Welch of Lubbock, Lloyd and Margaret Jones of Abilene, E.D. and Mary Welch of Gilliland, Thelma Jamison, Frances Cook, Glenn and Valoic McGuire, Linda Gustead and Kevin of Munday, and Dennis Welch of Gilliland.

Corinne New reports that her fire damaged room is almost restored.

Herb and Dickie Propps of Benjamin honored his mother with a family din-

ner Sunday. Avis was 75 on Saturday. Among those attending were Avis and Son Propps of Guthrie, Corinne New of Gilliland, Maurine Propps of Seymour, Bill and Pearl Ryder of Benjamin, Donnie and Jimmie Ryder of Benjamin, Mrs. Friday of Benjamin, Dick and Mattie B. Harper of Thalia and Mrs. Harper's sister, Bill and Judy Blaine of Throckmorton and son Bill, Jr. and the Herbert and James Propps families.

Margaret Daniel has announced the recent birth of a great-niece. It is Rebecca Ruth Fisher of Austin, daughter of Mike and LaRue Fisher and granddaughter of Clyde and Jane Bullion of Austin.

Visitors in the Don Daniel home for Easter Sunday were Duane, Nancy, Zane and Jeff Daniel of Guthrie and Michael, Kathy, Neal, Amanda, and Mary Elizabeth Daniel of Crowell and Jerry Bob Daniel of Paducah. When R.C. and Joan Daniel called to say that they were coming out in the wagon with Lindsey Daniel and Nichole Dennis, several of those at the Don Daniel home elected to go to town and ride out in the wagon. Brenda and Tony Dennis and Johnny and Janet Daniel also visited Don and Margaret. After the wagon ride the children had another

easter egg hunt. It was a beautiful day for a hunt and it must have been lots of fun riding out in the wagon.
