KC Tennis Teams Off To Regional

By DAVE THOMPSON

With Knox City girls' tennis team members capturing first place in both doubles and singles, and the Knox City boys' tennis team capturing doubles and singles second place in the recent District Tennis Tournament, both teams have assured themselves of a berth in the upcoming Regional Tournament.

The Knox City girls' double team of Trina Fry and Kim Bateman with substitute Leah Rauch took the first place doubles honors with two set scores of 6-0 and 6-0. The third place doubles team was also from Knox City, with Leah Rauch, Kristi Risinger, and substitute Rhonda Albus claiming that spot behind the second place team from Aspermont. Benjamin girls doubles took the fourth place position.

In the singles competition, Stacy Cheek from Knox City took first place with set scores of 2-6, 6-2, and 6-1 while Rhonda Albus took the fourth place position behind second place Aspermont and third place Rule.

Kim Bateman, Trina Fry, and substitute Leah Rauch will advance to the regional competition in doubles, while Stacy Cheek and Rhonda Albus as alternate will also advance in the singles competition. The regional meet will be held next Wednesday and Thursday at Cooper High School in Abilene.

Knox City boys have also assured themselves a place in the regional meet with second place wins in both the doubles and singles competition at the district meet. Jim Ford and Billy Large with either Harvey Rocha or Paul Garcia as substitutes won the second place in doubles behind a first place win by Munday High School with set scores of 6-4 and 6-1.

In the boys' single competition, Patrick Wupperman with Danny Grindstaff as alternate took the second place position behind first place winner Morgen Walker of Rochester with set scores of 7-5 and 6-3.

Regional competition in boys' tennis will also take place at Cooper High School in Abilene next Wednesday and Thursday.

Knox City Woman Now Officer In Charge

With the temporary assignment of Knox City Postmaster Jimmie Wilhelm as Officer in Charge of the Rotan Post Office, Cathye Williams of Knox City has been appointed Officer in Charge of the Knox City Post Office. An employee of the U.S. Postal Service and the Knox City Post Office for nine and a half years, Cathye has now assumed total responsibility of the local postal facility as Officer in Charge.

Beginning her postal career as a part time flexible clerk in 1978, Cathye has received many periodic step advances while working in Knox City. Officially assuming the responsibilities as Officer in Charge on April 5, Cathye will remain as OIC from two to six months. The exact length of the appointment depends on how long it takes to name a new postmaster in Rotan, thus allowing the return of Postmaster Wilhelm to Knox City.

As Officer in Charge, Cathye is required to set and meet certain objectives. During her tenure, she hopes to complete several tasks including updating the letters and zip numbers identifying the local facility from the outside, relabeling names on the post office side of rent boxes for easier identification by postal employees and removal of the old route cases now standing in the lobby. She also hopes to work on internal supply reorganization and employee training.

Active in community affairs, Cathye is currently in her second year as president of the Knox City Chamber of Commerce and has previously served as vice president for one year and a director for two years. She was also a Junior Girl Scout leader for two years.

Cathye is married to Brian Williams, an 18 year veteran of the Texas Department of Public Safety who currently holds the position of Highway

Patrolman, Trooper III assigned to Knox County. The couple has two children, Andy who is almost 15 and Jessica, who is 12. The Williams family moved to Knox City in 1971.

When asked her views about the postal service, Cathye stated her firm belief, "This is the best postal service in the world and most employees are trying to provide the best service and move the mail as quickly and efficiently as possible." In response to a question about her position as Officer in Charge of the local post office, she replied, "I have enjoyed working with the people in Knox City and certainly look forward to working with them in this capacity. If there are any problems, please let us know. Only in that way will we be aware of potential problems and be able to correct them."

Streams in Desert Places

By Ozelle Stephens

"And the Spirit of the Lord came mightily upon him..." (Samson). (Jud. 14:6).

When the nation Israel had done evil in the light of the Lord He delivered them into the hands of the enemy that he might bring them down to the place that they realized their only hope was in the Living God.

Once they were overcome by the Philistines forty years. When God was ready to deliver them He sent an angel unto the house of Manoah who's wife was barren to tell her she would be healed of her barrenness and bear a son. This was a Nazarite unto God. They called his name Samson and he grew and the Lord blessed him. The Spirit of the Lord foved upon him at different times and caused him to be able to do mighty things.

He began to deliver Israel out of the hands of the Philistines. When sin has been avenged and man turns from his wicked ways and calls upon God, he hears and in his loving mercy delivers him by His mighty power, in mysterious ways. His Streams of mercy are ever flowing from His mighty hands...His word says, "He (God) hath given to his own a place where there is no want of anything in the earth."

Care Home News

By Debbie Dudensing

April was the first month for the Milestones and Memories, the resident newsletter. It has a section with a monthly activities calendar, special list of events, birthdays and host of Birthday Party, visitors, and a special section called The Time In The Life, featuring a brief history of two different residents each month. This is a project that our residents are excited about since they are a part of the production of this monthly newsletter. If you are interested in receiving a copy of the monthly newsletter please contact Debbie Dudensing, the Activity Director, or you can pick one up at the office during regular working hours.

Residents celebrating their birthdays in the month of April are Frances Hudspeth, Lona Feemster, Jewel Mower, and Arthur McAda. Hosting April's resident Birthday Party will be the Benjamin Baptist Church. The party was Friday, April 15, at 3 p.m. A few of our residents enjoyed a day out and lunch at the Senior Citizen Center. Attending were Ida Vaden, Jewel Mower, Eda Faye Pounds, Ila Wooley, and Edna Dennington.

This past week some of the residents helped in planting some spring flowers around the front lawn of the nursing home.

The residents have shown an interest in starting an exercise class. We will be trying to implement this the month of May. We would appreciate one or two volunteers spending approximately 30 minutes weekly to assist the Activity Director in conducting the exercise class.

A special thank you goes to all the volunteers in the community who helped in supporting our resident activity fund bake sale. In spite of the cool and wet weather the bake sale was a success.

We are now seeking new and different ideas for our weekly arts and craft classes. Anyone in the community who could help us with new ideas and their time in helping with the class, please contact the Activity Director at the care home 8-5 Monday through Friday.

Our residents are looking forward to a fun and active spring with new and exciting activities.

Munday Woman Honored On 100th Birthday

A Munday resident, Mrs. J.S. Shannon, was honored Sunday on the occasion of her 100th birthday with a dinner.

Among those who attended were her two daughters, Elizabeth Hargis of Leslie, Arkansas, and Margaret Harber of Junction, a daughter-in-law, Mrs. Fuller Shannon of Knox City, along with her son and his family, Mr. and Mrs. Pat Shannon and children of Austin, the honoree's sister, and several nieces and nephews.

Born April 19, 1888, Sarah Elizabeth Fuller married J.S. Shannon in 1915 and moved to Knox County shortly afterward. She taught in the public schools for many years and later had a private kindergarten. Mrs. Shannon has always been interested in church and community affairs and was active as long as her health permitted.

In addition to the children previously mentioned, other children include Howard P. Shannon of Blacksburg, Virginia, and the late Fuller Shannon.

Services For Willie Collins Held Saturday

Funeral services for Willie Norman Collins, 67, were held Saturday at 2:00 p.m. in First Baptist Church with the Revs. Ronnie Travis, church pastor, and Bill Trice, O'Brien Baptist pastor, officiating.

Burial was in the Knox City Cemetery under the direction of Smith Funeral Home.

Mr. Collins died Thursday at Humana Hospital in Abilene.

Born September 28, 1920, in Rochester, he moved to Knox City 47 years ago from O'Brien. He had lived in Haskell and Knox counties all his life. He married Cleo Reynolds December 16, 1940, in Knox City. He was a self-employed electrician, past member of Knox City Lions Club, a 35-year member of the Knox City Volunteer Fire Department, and a member of the First Baptist Church. He served in the U.S. Navy during World War II.

Survivors include his wife Cleo; a son, Tommie Collins of Hurst; three daughters, Joyce Ann Offutt of Euless, Jean Carol Benefiel of San Antonio, and Virginia Lee McDonald of Silver City, N.M.; three grandchildren; and three great-grandchildren.

Pallbearers were J.B. Reynolds, John Lewis, Vaughn Brooks, Jimmy Lynn, Johnny Helms, and Jerry Benson.

Members of the Knox City Volunteer Fire Department served as honorary pallbearers.

The family requests that memorials be made to the American Heart Association.

Fire Dept. News

April 7, 1988

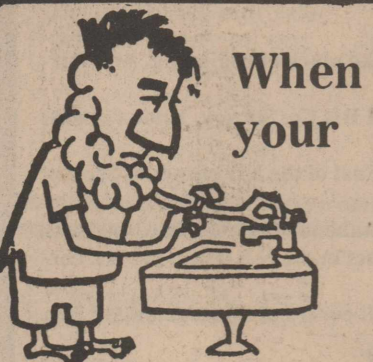

Saturday, April 16, 1988 was a sad day for the Knox City Fire Department. We buried Willie Collins, a 35 year veteran of our department. He never wanted to be an officer or in charge of any committee. He only wanted to be a worker of the Fire Department. Whatever needed to be done he was there to do it.

At sixty-seven years of age this past fall he performed his job at a major house fire in O'Brien like a young man and never complained or rested until the fire was extinguished. With his thirty-five years of service to the Fire Department no one would have blamed him if he would have just watched the younger firemen extinguish the house. Not Willie, he always pulled his weight.

Willie, you will be greatly missed.

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$50.00)

A mammogram can detect a cancer this small, even before it can be felt.

FINISHING SECOND in the 1600 Meter Relay during the recent District Competition was the Houndette team of Leah Rauch, Kim Bateman, Mitzi Marion and Stacy Cheek, shown here enjoying themselves after receiving their medals. (Anthony Logsdon Photo)

FINISHING FIRST in the 1600 Meter Run during the recent District Track Meet and qualifying for regional competition was Raul Baiza, shown here being congratulated as he stands for the award ceremony. Other Greyhounds qualifying for Regional were John Grindstaff in the 3200 Meter Run, Willie Rodriguez in Pole Vault and Billy Wayne Large in both 100 Meter Run and 300 Meter Intermediate Hurdles. The regional meet will take place in Abilene one week from Friday. (Anthony Logsdon Photo)

Houndettes Move On To Regional

The Knox City Houndettes scored 127 points to win second place at the District Track meet. Munday won the meet scoring 208 points. The Houndettes out-scored the Mogulettes in the field events 53 points to 52 points. The Mogulettes came on strong in the running events to out-score the Houndettes.

Friday morning did not start out too well for the Houndettes. Ymelda Gonzales won the 3200 meter run with a fine 13:01, her best effort of the season. But tears of joy soon turned to tears of sadness. Ymelda was disqualified on a technicality that turned out to be very controversial. However, the disqualification stood. So the second place runner, Robin Reneau won Munday, moved up to first place. Ymelda had out run Miss Reneau by 7 seconds.

The rest of the day turned out better for the young ladies from Knox City. Five Houndettes qualified for the regional track meet in Abilene on April 29 and 30.

Angie Logsdon won the discus with her best throw of the season, 103'11". As it turned out, Angie had the best throw of any girl in our region for the district meets. She will also compete in the shot put at Regional. The put of 34'9 1/2" was not her best effort of the season, but won her second place and a chance to work on her distance before the Regional meet in two weeks.

Leah Rauch ran a fine 16.15 in the hurdles for a second place finish. Leah has run a 15.88 this year, so we know she can run in the 15's. She also jumped 34'3/4" in the triple jump, giving her a second place in this event. This was Leah's best jump of the year. She has been improving each week, so who knows what she might jump in two weeks.

Leah won 5th at State last year in the triple jump.

Stacy Cheek threw a fine 92'9 1/2" in the discus to qualify for Regionals. This was Stacy's best throw of the year. She has been in a slump, so hopefully she has gotten things back on track.

The 800 meter relay won second with a time of 1:51.85. This is four seconds better than they ran last week and is their best time this year.

The 1600 meter relay also won second with a fine time of 4:12.31. The Houndettes took off 12 seconds from their time ran last week. The 4:12.31 was the second fastest time run at any district meet in our region.

Juniors Kim Bateman and Stacy Cheek, Sophomore Leah Rauch, and Freshman Mitzi Marion are running on both relays.

Good luck to these young ladies at Regional.

Third place finishers at the District Meet were: Kris Tiffin-discus; Sheila Wilson-hurdles; 400 Meter Relay-Roxie McCrary, Kim Bateman, Mitzi Marion and Lisa Polk; Shot Put-Stacy Cheek.

Fourth Place - Ymelda Gonzales-800 m. run; Jenny Grindstaff-Hurdles; Mitzi Marion-Triple Jump.

Fifth Place - Lisa Polk-100 m. dash; Stacy Cheek-400 m. dash; Roxie McCrary-200 m. dash; Kris Tiffin-shot put.

Sixth Place - Kim Ainsworth-800 m. run; Lisa Polk-200 m. dash; Michelle Manuel-high jump.

The Houndettes have competed well this year considering all the injuries, illness, and bad weather. Michelle Manuel was the only Senior on the track team. We will miss Michelle next year, but we are looking forward to next year and hope to do even better.

SOPHOMORE CLASS NEWS

By Starla Whitaker
What a week for Sophomores. We were busy, busy, busy. Six-Weeks tests loomed over everybody, but they didn't spoil the Sophomores' concentration on spring sports.

Sophomore tennis player Billy Large, who makes up one-half of the Knox City's awesome doubles team, will advance to the Regional Tennis Tournament with his partner. Girls' sophomore double team of Leah Rauch and Kristi Risinger placed third at District and will be alternates.

On Tuesday there was the District Golf meet. Both girls and boys teams will be going to Regional. Both teams are made up of some Sophomores.

Thursday the One-Act play cast, which contains sophomores Amber Mahan, Nikie Ivie, John Casillas, and Starla Whitaker went to the ACU production of "Noises Off" in order to finish their half credit.

Thursday and Friday was the District track meet, and the Sophomores really participated in adding points to Knox City's score.

On the girls' side, Angie Logsdon placed first in the discus and second in the shot. Kris Tiffin placed third in the discus and fifth in the shot. Leah Rauch got second in the triple jump and hurdles, 800m relay and 1600m relay. Ymelda Gonzales got fifth in the 800m run. Sheila Wilson placed third in the hurdles. On the boys' side, Billy Large placed first in the hurdles, second in the 100 yd. dash, and third in the long jump and mile relay. Willie Rodriguez placed second in the pole vault. Boyce Tankersley placed third in the hurdles.

Before signing off, some reminder, Sophomores. May 6-7 is the Science Fair. Friday your poetry notebook is due. Saturday is Regional UIL. Until next week....
