## A Little Straight Talk

BY DAVE THOMPSON

One thing that Dan Quayle has done for the Republican ticket is to guarantee daily front page headlines of almost every major newspaper in the country. The flap over his joining the Indiana National Guard during the Viet Nam conflict has sparked many stories throughout the media. Being a Viet Nam veteran myself, I see both sides of the issue and can't really find fault with anything that Dan Quayle did....that is, until he made a speech Monday night and stated, "No one can say I haven't been in combat, not after the last 72 hours." For Quayle to smile and relate his problems with the press to actually being in combat is, in my opinion, making a joke at the expense of so many who have served in combat and those who have given their lives to insure people like himself a life of freedom in these United States of America.

GREYHOUND FOOTBALL PLAYERS are still sweating and working their way through summer workouts prior to their upcoming season opener on September 2 in Knox City against Seymour. Already into scrimmages, the Hounds played exceptionally well last week against Anson and are looking forward to a scrimmage with Paducah here on Friday. Shown during an early Monday morning workout, Greyhounds practice recovering fumbles in a drill led by Head Coach Pat Risinger (at middle left of picture.) (News Photo)

## Roundup Winners Told

The W.T. Waggoner Ranch of Vernon won four first places to come up with the title of "Best Ranch" in the Texas Ranch Roundup Saturday in Wichita Falls. The Three D Ranch scored 63 points.

Second place with 38 points went to Kingsville's King Ranch; third, R.A. Brown Ranch, Throckmorton, 36 points; fourth, Moorhouse Ranch, Benjamin, 34 points; fifth, Renderbrook-Spade Ranch, Colorado City (last year's winner), 30 points; sixth-seventh (tie) Burnett Ranches, Guthrie and Iowa Park, and the Tongue River Ranch of Dumont, 26 points; eighth, Lewis Ranch, Clarendon, 22 points; ninth, Pitchfork Ranch, Guthrie, 17 points; tenth, Cowan and Son, Seymour, 14 points; eleventh, Double UU Hereford

Ranch, Post, nine points; and twelfth, JA Ranches, Palo Duro Canyon, eight points.

For the first time in the history of the roundup, a past winner was again named the "Top Hand" for being the best cowboy in Texas. It went to George Calvin Self, 24, of the R.A. Brown Ranch in Throckmorton. He previously won the award in 1986.

The "Top Horse" award was also a repeat for the King Ranch as one of their quarterhorses Enchilada was

cited as the best horse in the roundup. Jack Idol, 85, of Benjamin, along with Emry Birdwell, 81, and Nig London, 78, were recognized during the roundup for a combined 245 years of ranching experience. The men were carried around the arena in a horse-pulled buggy.

Profits from the roundup go to the North Texas and West Texas Rehabilitation Centers in Wichita Falls and Abilene and to the West Texas Boys Ranch in San Angelo.

## Ready or Not....

*The Time Is Here!*

Although it is hard to believe that summer vacation has come and gone, Knox City and area teachers will have to accept the challenge of a new year when the group assembles here for a three day workshop.

Supt. of Schools Clead Cheek will welcome the teachers in the W.R. Baker School Auditorium on the Knox City campus.

The Thursday sessions will be "Organizing a District TEAMS Program." The Language Arts Session will be in the auditorium and the Math Session in the cafeteria.

Friday's sessions will deal with

"Tapping Limitless Mental Potential" and "Improving Quality/Quantity of Homework."

On Monday, courses will be "Effective School Plan" with Johnny Rinehart, elementary principal of Knox City-O'Brien CISD as leader, and then a Financial Planning Seminar will conclude the three-day workshop.

Teachers will attend from Goree, Rochester, Benjamin, Haskell, Rule, Weinert, Paint Creek, and Knox City-O'Brien.

Students registered this week on Tuesday and Wednesday and school begins Thursday, September 1.

## Three Youth Compete In 'Texas Pepsi Games'

Three Knox City youth competed in "The Pepsi Games of Texas" in track and field, August 5 and 6, on the campus of Texas A&M University in College Station-Bryan. They competed along with approximately 2500 other youth.

Thomas Rodriguez, Christina Rodriguez and Angie Logsdon qualified for the "state meet" in their respective events by competing at Abilene district and traveling to Wichita Falls for the regional competition. Several of our local youths attended the summer meets in Abilene.

At A&M, Thomas Rodriguez placed eighth in the 800 meter dash with a time of 2:12, his best time ever. Christina Rodriguez placed fifth in the shot put with a throw of 23 feet, 5 inches, which was her best throw ever.

Angie Logsdon placed second in the shot put in her division with a throw of 34'7/4". Angie, then competed in the discus, and won her second silver medal of the day with a fine throw of 104'1".

Everyone who participated throughout the summer are to be commended on their fine efforts especially Thomas, Christina and

ANGIE LOGSDON  
...double winner

Angie, as during their events, they were not only competing against other fine athletes, but also against a 105 to 106 degree temperature with the heat index figures around 120 degrees.

Congratulations to all who competed.

## Sarpalius Campaigns Here

Campaigning in Knox City last week was Bill Sarpalius, Democratic candidate for 13th Congressional District.

Sarpalius is currently serving as State Senator. He has served in this capacity for the past eight years.

A resident of Amarillo, he grew up at Cal Farley's Boys Ranch where he developed many of his strong principles and his conservative philosophy.

With both bachelor's and master's degrees in agriculture, Sarpalius feels that he is sufficiently qualified to represent the small farming communities like Knox City as well as the larger cities.

## Pork Referendum Set For September 7-8

Knox County pork producers will have an opportunity to vote in a special referendum September 7-8 as authorized by the Pork Promotion, Research and Consumer Information Act of 1985.

Purpose of the referendum is to determine the continuance of the 100 percent checkoff program which provides funds for pork research and promotion to enhance the pork industry. The checkoff is at the rate 25 cents per \$100 on all hogs and pigs as well as on all imported hogs and pork products.

Referendum voting will be conducted in the county Extension office during normal business hours September 7-8.

Producers and importers unable to vote in person may request an absentee ballot from Dr. Bill Thomas, Extension Swine Specialist, Kleberg Center-Room 212, Texas A&M University, College Station, TX 77843. Absentee ballots will be available from August 1 until close of business on August 26. Absentee ballot return envelopes, containing the ballot and registration/certification statements, must be signed

by the voter and mailed so as to be received in the county Extension office serving the county of voter residence by close of business on September 1.

All pork producers who produced and owned porcine animals in the U.S. for sale in commerce and who are subject to assessment during the representative time period of November 1, 1986, through September 6, 1988, are eligible to vote. Importers who imported porcine animals, pork or pork products during the representative time period also are eligible to vote. Also, eligible are 4-H, FFA and other youth who owned porcine animals and are subject to assessment during the representative time period.

The Agricultural Stabilization and Conservation Service will count ballots, determine the eligibility of challenged voters and ballots, and report referendum results.

## Rhineland Corp. Receives Loan, Grant Award

WASHINGTON-U.S. Senator Phil Gramm of Texas has announced the award of a \$126,000 low-interest loan and grant of \$74,000 to the Rhineland Water Supply Corporation.

The Farmers Home Administration funding will enable the corporation to install a complete water system serving 91 customers in Knox County, including a 63,000 gallon standpipe, 31 miles of distribution lines and fire hydrants. The new system will bring treated water from the Millers Creek Reservoir to Rhineland customers to replace well water service.

"I deeply believe in assuring that the funds which Texas taxpayers send to Washington are returned by the federal government to make permanent improvements which will benefit Texans," Gramm said in announcing the project.

FmHA is an agency of the U.S. Department of Agriculture.

It operates a broad range of low-interest lending and grant programs designed to protect and develop watersheds, to finance waste disposal projects and to improve the economic climate of rural communities.

## Tunmire Cited For Agent Honor

Former Knox County Extension Agent David Tunmire was recently cited by the Texas Agricultural Extension Service for Distinguished Achievement by a County Extension Agent for Agriculture.

Edwin Colburn, president of the TAES, commended Tunmire for his programs in cotton production, horticulture, brush control in rangeland and livestock production for a better way of life for the citizens of Knox County. He was further congratulated for his excellent demonstrations in cotton, wheat, grain sorghum and brush control.

David, his wife Diane and daughter Nicole are now residing in Comanche where David is County Agent.

**IN SPENCER HOME**

Recent visitors in the Charlie Spencer home were Helen, Wesley and Bill Robbins of Burlington, Colorado. The Robbins lived in Knox City for several years. Other visitors have included their son and his family, Max, Susan, Allison, Mark and Andrea Spencer of Arlington.

This past week, Kitty visited her son and family, the Spencers, in Arlington where she enjoyed watching the children in church choirs at Central Methodist Church.

Kitty was in Paducah Saturday afternoon to attend the funeral of a dear friend, David Paul Sandlin, at 3:00 in the First United Methodist Church. David was the son of Mr. and Mrs. Jimmy Sandlin.

**Dick Evatt's Father Buried In Eastland**

Funeral services for Jim Evatt of Eastland, father of Knox City resident Dick Evatt, were held Tuesday morning, August 16, at ten o'clock at Edwards Funeral Home Chapel in Eastland with David Bondurant officiating. Burial was in Eastland Cemetery.

Mr. Evatt, 89, died Sunday, August 14, in an Eastland nursing home.

Born in Jones County, he moved to Eastland in 1940. He was a butcher and meat cutter for J.O. Earnest for many years and a member of the First Christian Church. Mr. Evatt was a member of the Eastland Independent School District's Quarterback Club and was nicknamed "Parson" because he preached the alphabet in minstrel shows for the past ten years.

Survivors include his wife, Myrtle Benham Evatt of Eastland; two sons, Richard Evatt of Knox City and Clyde Evatt of Richmond; eight grandchildren, five great-grandchildren and three nieces.

**DPS Urges Back To School Traffic Safety**

Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety, wants to remind everyone that the summer vacation will soon be over, and thousands of youngsters will be starting back to school, many of those for the first time.

So, once again, we will be seeing those big yellow school buses back on the streets and highways. The Texas Department of Public Safety wants to remind you that Texas law prohibits the passing of a stopped school bus that is loading or unloading passengers when the lights are flashing. If you are in doubt—stop—those few moments you lose may mean a lifetime to some youngster. None of us want to be responsible for the death or injury of a young child, so remember to slow down in the school zones in the mornings and again in the afternoons.

Major Cawthon stated, "Just because most of the children will be in school, we must not forget the preschooler who will still be playing in the residential areas. Remember, slow down as you are driving through school zones, playgrounds, and in and around school areas."

**Basic Options Seminar Slated For August 30**

A basic options seminar will be held on Tuesday, August 30 at 8:00 p.m. at the Knights of Columbus Hall in Rhineland. The event is being sponsored by the Farmers Grain Co-Op in Munday and the Knox County Crops Committee.

Dr. Jackie Smith, economist for the Texas Agricultural Extension Service in Lubbock, will discuss basic concepts

of options and terminology in options. Smith will also discuss futures hedge and buying Put and Call options.

The seminar is open to the public. Members of the Knox County Crops Committee include Charles Escobar, Larry Smith, Maynard Moore, Bobby Sosolik, Greg Clonts, Gerard Kuehler, Bob Cude, Dale Bloxham, Macky Yates and Royce Miller.

## Benjamin News

Ricky Don Trepanier spent a couple of days last week in the Seymour Hospital as a result of injury received in a three wheeler accident. He came home Saturday and aside from bruises, scrapes and lots of soreness is doing quite well and vows to be a little more cautious when he's riding from now on.

Another accident, this one in Wichita Falls, involving Homer Ralston and Jim Pratt proved not to be too bad for the men but did a great deal of damage to Homer's pick-up. The men were hit broad side Friday around noon time and though I haven't seen the vehicle, I'm told it was messed up pretty badly. Of course, all are thankful that the men only got some bruises and a scare from it.

Grace Snailum was dismissed Saturday from the Bethania Hospital and has been taken to a care home in San Antonio. Reports are that she is feeling better. I don't have her address as yet but when I get it I'll let everyone know so we can send her some cards and letters.

### ATTEND RANCH ROUND UP

Lots of local folks were in Wichita Falls during the weekend for the Ranch Roundup. Our own Moorhose "bunch" took part and another of our "own" Jack Idol was honored for his contributions to the ranching industry.

Jack was presented along with Emry Birdwell of Palo Pinto and Nig London of Throckmorton between activities in the arena on Saturday night and all were presented the "Texas Trailblazer Award". We congratulate Jack for this honor.

Among those attending from Benjamin were the Fred Carvers, Togo and Lucille Moorhouse, Tom, Jed and Jodi Moorhouse, Ronnie and Karen Patterson and family, Lonnie and Dolly Vincent and family, Jack Idol, Joe Barton, Jack, Judie and Rhonda Whitten, Bobby and Philomae Roberson, Lewis and Betty Lyles, Mike and Linda Lyles and Tom and Gladene Green. I'm sure there were several more but these are all I am aware of.

Bud and Debbie Clower and young son, Michael have moved into their new home. It was completed last week and is a very pretty place and I bet they are happy to "in it".

### HERE 'N THERE

Mr. and Mrs. Jeff Elkins and family of Hobart, Oklahoma and Betty Hibdon of Mountain Park, Oklahoma were weekend guests of Randy and Dorothy Hibdon and children.

Vicki Clower of Farmersville is spending a few days with her dad and family, Bud, Debbie and Michael Clower.

Joanne Nolan and daughter, Patti of

Andrews visited Virginia Griffith, here, and Audrey Nolan in the Care Home in Knox City on Sunday.

Kelly Slade and Sam of Austin were recent guests of Kelly's parents, S.L. Milson and Bo Milson.

Nancy and Fred McGreger hosted a salad supper in their home on Friday night for Nancy's local "kin" and Sue Roberts (Mrs. Bill Roberts) of Woodlridge, VA. Sue had been visiting her parents in Windthorst for several days and was concluding her Texas trip with her visit with relatives here. Those attending were Jessie and Kenneth Roberts, Dennis, Pam, Rebekah, Zeke and Rachel Duke, and Bea Parks. Donnie, Dianne and Angela Roberts of O'Brien also enjoyed the get together.

Kenneth and Jessie and Sue left Saturday morning for VA where they will spend a few days visiting with Bill and his family. Coming back to Texas with them will be grandson, Kevin who will be a freshman at the University of Texas in Austin.

Michelle and Debbie Bufkin accompanied by Kelli Smith of Munday and Susan Holiday returned home Saturday after a very enjoyable weeks vacation in Florida.

Tres Pierce is spending a few days with relatives in Megargel.

Nora Hertel visited her daughter and family the Daniel Albus in Lubbock a few days last week. Nora Duke also visited in the Albus home.

Jeff Conner is recovering from a trip to the dentist to have his wisdom teeth removed. He had it done in Wichita Falls and has had several uncomfortable days but is getting along nicely now and glad that "ordeal" is over.

Bill and Pearl Ryder hosted a Ryder get together last week for Bill's brothers and sisters enjoying much visiting and lots of food were Marvin (Mitch) and Eulalia Ryder of Burlington, Iowa; Edwin and Faye Jones of Gilmer (and their grandchildren, Richard and Michelle), Edith and Jim Cash of Crowell and Myers and Alta Mae Ryder of Wichita Falls.

Weekend guests of Bill and Pearl were Fred and Merle Searcey of Dallas (Merle is Pearl's twin sister). OFF TO COLLEGE

It's off to school for local graduates. I think most of them are leaving this week. If not, they will be going shortly. The students and their college choices are:

Lorrie Rolston and Joel and Hope Balones-San Angelo State; Kim Cash, Jody Stone and Phil Boone-Tarleton State College; Jeff Pierce and Sue Gideon-Texas A&M University; Becky Griffith, Oscar Gideon and Troy Pratt-

By Gladene Green

Texas Tech University; Chris McGreger-Texas University; Craig Hertel-Southwestern Oklahoma Pharmaceutical College.

Again I'm sure there are some I have missed. Please let me know if I have.

## Care Home News

By Debbie Dudensing

Even though the weather may be hot and sultry in the month of August, the residents of the Brazos Valley Care Home are staying cool and active with many interesting activities and special programs during the month.

The Knox City Church of Christ provided our Sunday Church services for the residents.

On Monday Bro. Woolley from Benjamin held our morning worship hour. Afterwards a group of residents went for a short walk and enjoyed relaxing on our new patio swing. Later that afternoon we had a domino tournament for those who enjoy dominos.

Tuesday morning quite a few residents enjoyed exercise class and at 10 a.m. we enjoyed rhythm band. At 3:00 that afternoon several residents tried their luck at bingo.

Bro. Jack Maddox of the Knox City First Christian Church held our Wednesday morning Bible study, and one of our residents, Mabel Pyeatt, accompanied the singers with music at the piano. At 3:00 for arts and crafts, we finished new door arrangements, and some lovely crochet pot holders and afagans.

Thursday morning our "walk and roll club" had their weekly outing. At 10:00 the Sunshine Girls from the O'Brien Baptist Church provided their weekly nailcare and manicures for the residents. At 11:00 we had current events and read the area newspapers. At 3:00 that afternoon we held our monthly resident council meeting. The residents have decided on having a homemade icecream social on Wednesday, the 17th at 3:00 this month.

Friday morning we had our morning exercise class at 11:30. Several residents enjoyed going out for a special lunch at the Knox County Senior Citizens Center. We try to make this a twice monthly event which the residents enjoy thoroughly. At 3:00 we held our Friday afternoon bingo. A few blackout winners were Mabel Pyeatt, Mary Foshee, Jewel Mower, and Hazel Clark.

Saturday we spent our leisure day playing table games and working interesting puzzles. In the afternoon several of our ladies kept busy with needlework and knitting, while some of the men enjoyed watching sports on the large screen television in the lobby.

Our monthly resident birthday party will be held on Thursday the 18th at 3:00 p.m. Hosting this month's birth-

day party will be the First Christian Church of Knox City. Residents celebrating their birthdays this month are Zollie Thomas, Albert Fox, Betty Montgomery, Maggie Davis, Annie Dowding, Burney Camp, and Herschell Mansfield.

Several new residents have joined our care home family in the past few weeks. We want to take this opportunity to welcome our new residents: Ethal and Herschell Mansfield, Arnell Denton, Walter Townsend, Walter Thomas, and Margie Clark, all of Knox City, Kathleen Turner of Iowa Park, Grace Snailum of Benjamin, and Esther Perez of Rule.

## Pattersons Take Granddaughter To Tarleton

(The following was submitted by Christine Patterson.)

Turn around once, turn around twice, turn around three times and our little girl walked out the door. College '88-Kim, a graduate of Benjamin High School Class of '88, daughter of Fred and Lanay Cash, granddaughter of the O.L. Pattersons, was helped move to this, a new adventure, at Tarleton State University, Sunday, August 21, by her grandparents and younger brother Timmy. (Kim's parents had to work at their jobs, hers in Vernon as a nurse and his at the Truscott Salt Lake Dam).

This also turned out to be an adventure for her grandparents. Kim was to pick up her key to her dorm at one o'clock. She got introduced to a line of humanity, standing in the August heat for her turn to get her key. After reaching that point finding a place close to her dorm to unload her things into a ten by ten bedroom with one wall lined by closet, an alcove for studying, and a bath to be shared by two dorms, occupied by two girls each. Timmy remarked the disbelief of our girls with "one bath room was unreasonable-It should be four baths with two girls."

On finding a parking spot close to her dorm, she stood in the spot while her granddad moved the car. All were rushed as she was to be at the clinic for a physical at two o'clock. Kim is playing basketball for the Texans. All college athletes were lined up for their physicals.

While she was at the clinic, Timmy and grandparents sat under a shade tree on a bench in front of her dorm. Kim was moving into one wing of the dorm that had more teen age girls than twice the population of Benjamin. While sitting and watching the girls

moving into this one wing, being helped by parents, grandparents, brothers, sisters, boyfriends, and just friends, one was reminded of the old red ant bed-a bucket of oats being spilled, and all the ants rushing to carry grains of oats into the den before dark, but instead of oats it was clothing, bed covers, curtains, rods, pillows and more pillows, all shapes and sizes, boxes all shapes and sizes, suitcases all shapes and sizes, lamps, radio, T-V's, stereos all shapes and sizes, entertainment centers, typewriters, word processors, popcorn poppers, bookshelves, what-not shelves, rugs all shapes and sizes, and almost every dorm had a small refrigerator. you also saw the hair dryers and curling irons, electric irons and ironing boards. One could only wonder how many fuses would blow if all the electrical appliances were plugged in at the same time.

We ventured around the campus to find the same activities going on at each dorm. Granddad could fondly recall his venture to W.T.S.U. in 1937, only two suitcases and a box maybe. No air-conditioned rooms for sure.

Kim returned from her physical and she and roommate set about putting

their room together. They had to report to a meeting, so we bade the roommate, Ann, and neighbors who shared their bath room all farewell. Remembering all the stuffed animals, dolls and security blankets that went through the dorm front door that afternoon, we felt all would be alright.

# Truscott-Gilliland News

By Clara Brown

August 1, 1988

July ended normally for the Wichita River Country, hot and dry. August took up the same theme on Monday morning. Grass is beginning to lose its green and stock tanks are shrinking lower every day as the need for rain increases.

The Truscott Community Center thanks everyone for the time, donations, and discounts which helped make the trail ride lunches a success, including the Dairy Bar and D and T. The money raised through preparing the lunches will go to help make improvements at the center.

Sunday, August 14, will be the time for another Grandma's Sunday dinner. Baked ham will head the menu, followed by potato salads, home grown tomatoes, low calorie desserts like "Millionaire Pie", and other choices to help fill in any corners in the stomachs of customers.

Reservations are coming in at a good rate for the Truscott homecoming supper, Saturday, September 3.

The quilt which will be given away at homecoming is finished and on display at the center.

Mrs. D.E. Burgess accompanied her daughter, Mrs. Barbara Zeissel of Munday and her children to Wichita Falls Tuesday when the children got their medical checkups for school.

School time is only one month off. If we were on the pattern of the 70's and early 80's school would begin in two weeks. A September school opening time is one of the few things that came out of the House Bill 72 school reforms which received general approval and needed no "fine tuning" in Austin to work right.

Funeral services were held Tuesday for A.E. "Son" Propps at the Benjamin Memorial Center. "Son" was a member of a family which settled in Baylor County in 1879, 109 years ago. Even before that some of the Propps had hunted buffalo in the Wichita Divide country. The family has been connected with area ranches since pioneer days, from the Millett Ranch to today's 6666, as well as owning their own land. Survivors included his widow, Avis Propps of Paducah; two sons, Joe and Herbert; and two sisters, Corinne New of Gilliland and Maurine McDonald of Seymour. Burial was in the Gilliland Cemetery.

Vivian Brown celebrated her 85th birthday Saturday, July 30, at the Brown home on China Creek. Here for the weekend celebration were Wayne and Laverne Brown of Blanco, Texas; Mary and Kim Harbour of Owassa, Oklahoma; and Jacquelyn Brown of Houston. Jack and Clara Brown of Truscott also took part. Flowers were received from Margaret and Don Daniel and J.H. and DeAlva Gillespie. Mrs. Brown came to Truscott as a teacher in 1925.

Bill Klapper, who once worked on the Dud Ellis ranch at Gilliland, visited Harold Barry and Jack W. Brown Sunday afternoon. The Pampa bit and spur maker was on his way home from a ranch rodeo at Archer City. Also visiting Jack Brown Sunday evening were John Thomas and Jerry Fiske of Crowell and Duane and Bill Parnell of Paducah.

Former China Creek resident Joe Barry recently moved to California where he will be playing polo and managing a new polo club near San Diego.

Paul Bullion was in a Vernon hospital for a few days last week, but is now home and doing well.

Mitsy Zeissel of Munday took her grandmother, Mrs. D.E. Burgess, to Quanah Thursday for a checkup.

Curtis Casey met friends in Jacksboro Thursday for a picnic at the state park there. They were Jim Branum and his two sons of Fort Worth and Jim's sister, Linda McQuain of Waipahu, Hawaii, and her two sons, and a niece of Allen, Texas.

Among those who came in for the Son Propps services Tuesday were Christy Shook of Mansfield, Tracy Smith of Graham, and Tommy Shaw of Fort Worth. Tommy Shaw returned over the weekend to visit in the home of his brother, Elmo Shaw.

Joe, Kay and Sara Tomanek of Boyd visited Mr. and Mrs. Edmund Tomanek and Michael Sunday.

Forrest and Winnie Carter of Granbury and daughter, Marcia Kunkel of Granbury, visited Winnie's mother, Mrs. Venta Horne, last Tuesday after attending the Propps funeral.

Shad Hord of Corsicana returned home Sunday after visiting for several weeks with his grandparents, Derrell and Vula Hord. He had to get back to take his football physical on Monday.

The Hord's daughter-in-law, Dottie, is doing better and is home now.

Emily Gray of Vernon spent Saturday night with her grandparents, June and Newell Looney.

Rhonda Kessler and children, Amanda and Justin of Newcastle, spent Friday through Sunday with her parents, the Lloyd Heards.

Saturday night Allan and Kathy Heard of Weinert visited the Lloyd Heards and enjoyed ice cream.

Lois and John Chilcoat of Olney visited her daughter, Jo Heard, Sunday and brought an early birthday cake. Jo said birthday 49 is on the way.

Julie and Adam Welch will be spending this week in Wichita Falls with their grandparents, Mr. and Mrs. Jack Horne.

Except for some scattered showers August has been as hot and dry as ever. The grass is getting a definite yellowed, August look.

This column may be a little short, as Sunday afternoon the writer accepted her husband's invitation for some "togetherness". That meant while he cleaned out a fence row and cut mesquite in stove lengths, she was allowed to patch the wood over the fence and then into the pickup. It wasn't the coolest way to spend an August afternoon. It might not even have been the smartest way. It did result in a pickup load of "town cut" wood that made a better looking pile than the usual knarl of mesquite stumps.

All sorts of important dates are coming up in August. First, will be Saturday, August 13 when there will be an election for state senator to replace Ray Farabee. Steve Carriker, Democrat, and Bobby Albert, Republican, are running for the office. They are both running so hard and saying so much that it reminds voters of the olden days when everyone in Texas was labeled "Democrat" but the election fights were bloody.

Remember when they used to put a big blackboard over the post office porch and mark up the votes as they were telephoned in. Everyone would double park down the middle of Main Street and have a good time visiting while waiting for the final returns. Anyway, be sure to vote for one or the other on Saturday.

Kristy Kimmell attended bus driving school Monday through Thursday of last week.

A weight loss club has been started. The next meeting will be Tuesday night at the Gilliland Community Center at 5:30.

Sybil Simmons was the latest winner of the Gilliland Club's quilt.

Marek and Matthew Bullion have been visiting their grandparents, Paul and Ila Mae Bullion. Ila Mae and Crystal went after them last Thursday. The boys will stay until the weekend of Aug. 13-14, when their parents, Murry and Shelly Bullion of Plano will come after them. The boys have been enjoying horseback riding while they are in the country.

Freddie and Lupe Palacio and Angie and P.J. are in Dallas at the Children's Medical Center with Consuelo who had an operation on her bladder last Wednesday. They will be there several more days.

A collection is being taken to help

pay the family's expenses while they are with Consuelo. Donations can be made to Gail Whitley or Kristy Kimmell.

The Dushan family was welcomed to Truscott with an ice cream supper last Tuesday night. Mike and Chris have three boys, Pete, 17, Phil, 14 and Andy, 10.

At the community meeting last Tuesday night it was voted to have Mike Dushan install fluorescent lights in the community center and to repair and upgrade the center's electrical system.

Reservations are still open for the Homecoming supper on September 3. Payment can be made at Homecoming, but reservations must be received here by the morning of August 22 so that the caterer can be notified of the number to expect. About 50 reservations have been received. This means that many who plan to attend have not turned in their reservations, as in a slow year we have at least 150 attend. This is the same caterer who has done the annual meals for Edmund Tomanek's insurance company for the last two years.

Between the Wichitas, the Knox County History, and Knox County Souvenir coins will be available at homecoming.

The temperature has been hitting 104 degrees and over pretty regularly lately. This is August and no doubt about it. Spotty showers have places looking green while half a mile away the grass is yellow and brittle. We need that "general rain", from strangler and tank buster that people are always talking about.

Grandma's Dinner had a good crowd Sunday. Cold ham, hot roast beef, and a big variety of cold, cold salads kept many patrons going back for seconds.

Gay Johnston Cook of Lewisville was a surprise guest at the Sunday dinner, along with her husband, aunt, and uncle. Her father was Banjo Johnston who was foreman at the JY Ranch for several years. Gay said of all the places her father worked that the JY and Truscott seemed the most like home to her. She has been seeing the notice about the Truscott dinners in Texas Highways and finally managed to make one. She enjoyed good visits with Vivian Brown and the R.C. Daniels.

The Derrell Hords visited their son and daughter-in-law in Corsican last weekend. Dottie is doing much better. She has her new foot and is learning to use it.

Bro. Barton, pastor of the Gilliland Baptist Church, is still having problems with double vision when he reads or does close work, but otherwise is better.

The special election at Truscott resulted in 15 votes for Steve Carriker and 8 for Bobby Albert.

Bette Sue Adkins spent most of last week visiting her parents, Harold and Carry Barry.

Bob Brown of Knox City and the Spike Box Ranch visited his grandmother, Vivian Brown, Sunday.

Jack and Winfred Powers visited her sister, Jo Daniel Sunday.

Murry, Shelly and Courtney Bullion of Plano were here over the weekend to pick up Matthew and Marek. Murry was surprised with a "Happy Birthday" son from the crowd at Grandma's Dinner.

The Gilliland club already has another quilt ready to give away.

Persons wishing to reserve a ticket for the noon meal at the Gilliland homecoming September 4 should con-

tact Ruby Martin by August 20.

The Truscott reservations deadline is August 22.

The Truscott homecoming will be Saturday, September 3, and the Gilliland homecoming will be Sunday, September 4, August 22, 1988.

If we had any cool days back in June and July, if we missed any summer weather then, we are making up for it in August. We are three weeks into August and already this month we have had three months of summer weather. Someone needs to push a terrapin uphill or tie a quail in a tree or arrange any of the "signs" of rain in hopes that nature will be fooled into sending a cooling rain. The key word back there was rain. Not a heavy dew or a sprinkle or a scattered shower, but a rain, a downpour, a turning inside out of the clouds that will make even my male kinfolks look for dry weather.

Clean up day for the Truscott homecoming will be August 29, starting at 7 a.m., in what cool there is of a morning.

Ila Mae Bullion reports 180 made reservations for the homecoming supper at Truscott.

Sunday, August 28 there will be a guest speaker at the Gilliland Baptist Church. It will be the son-in-law pastor, Rev. Paris Barton. August 28 will also be the day for the congregation's monthly birthday party.

Ruby Melott Wilson and her three children, Kenny, Dustin and Emily have been staying with Edgar Jones and visiting with Truscott friends. They live in Mexia but her husband, Larry works with the Corsicana fire department.

Joyce Williams of Floydada and Norma Lee of Vernon came to Truscott Sunday to visit with Ruby and her family.

Several from Truscott and Gilliland attended the Ranch Roundup at Wichita Falls over the weekend. Johnny Kimmell participated in the Roundup as a member of the Moorhouse Ranch team.

Ruth and Shirley Moore are back from a vacation with R.A. and Billie Bradley. This is the fourth summer the two couples have traveled together. They had visited all but a few of the 48 contiguous states during past years, and this year completed the roll by visiting Arizona, California, Oregon, Washington, Montana and Idaho. They also visited Victoria and Vancouver, British Columbia, Canada. It was jacket weather in Canada when they were there.

The major factors in choosing to attend college in Vernon were convenience and costs; however, Edward has been extremely pleased with the friendly and caring faculty at VRJC. He has received assistance through the scholarship, Pell Grant and Carl Perkins Work Study programs. He has been able to get on the job training by working in the VRJC computer labs. When he leaves VRJC, he plans to work in his field while continuing his education part time.
