A Little Straight Talk

BY DAVE THOMPSON

With Knox City playing more home games at Greyhound Stadium this year, a problem at the field has become very evident to all the fans who attend the games. The public address system is in bad need of either repair or total replacement. The squeels, blaring volume, and other problems experienced by Bud Reynolds, the stadium announcer, certainly do not add to the enjoyment of a game by anyone. Recently our school system has made many changes and the school board is to be commended for looking towards the future and making changes now. Maybe a new PA system can be included in their next set of improvement plans.

O'Brien Homecoming To Begin Saturday

It's here! It's time for the O'Brien Homecoming. Big plans are underway for registration to begin Saturday morning at 10:00 a.m. in the O'Brien School.

According to officials, the business meeting is scheduled to begin at 2:00 p.m. At this time, the Homecoming Queen and King will be recognized.

Class recognition also will be held during the program followed by a memorial program, music, and visitation. An art showing also will be held on Saturday.

This year's Homecoming is dedicated to the Class of 1938, which will be celebrating its 50th Anniversary.

The Saturday evening meal will consist of stew, cornbread, dessert, and drink. The Homecoming Dance is to be Saturday night beginning at 9:00 o'clock continuing until 1:00 a.m. in the Benjamin Memorial Building. "Country Gold" will be providing the dancing music and officials stressed that others besides O'Brien exes are invited to the Saturday night dance.

Locations for various class meetings and other activities, as well as visitation, will be announced at the Saturday afternoon session.

Sunday church services will begin at 11:00 a.m. in the O'Brien Baptist Church. Don Roberts will be in charge of the music. Linda Underwood will be pianist with Sue Stephens at the organ.

Special Election Called

Voting twice for the same candidate on the same day is usually called election fraud, but this is not so this November in two West Texas House elections.

Without a public announcement, Government Bill Clements signed special election proclamations last week on the advice of Secretary of State Jack Rains, according to

Assistant Press Secretary Jay Rosser, to fill the House seats vacated by former Reps. Steve Carriker and Larry Don Shaw.

Carriker, D-Roby, left his District 78 House seat to be sworn in on August 25 as the newly elected District 30 senator

Fire Prevention Week Slated For October 9-15

Citing the tragic loss of lives and property from fire each year in Texas, Governor William P. Clements Jr. today proclaimed the week of October 9-15, 1988, as Fire Prevention Week.

"Fire continues to be a major threat to all our citizens, particularly the young and the old," Governor Clements said.

Fires in Texas killed 322 people, injured more than 2,000 and destroyed in excess of \$300 million in property during 1987, the governor noted.

"Much of this tragic loss could have been prevented," the governor said. "We have the knowledge and technology today to prevent much of

the needless loss of lives and property in this state and we urge every Texas citizen to practice fire prevention every day in an effort to conserve our valuable Texas resources."

This year marks the 66th anniversary of National Fire Prevention Week. The week-long observance was first established in 1922 by President Warren Harding in memory of the so-called "Great Chicago Fire" of October 9, 1871.

That conflagration killed 250 people and destroyed 17,430 buildings at a cost of \$168 million. People began thinking in terms of fire prevention in addition to fire fighting as a result of this fire.

National 4-H Week Is Now Underway

The week of October 2-8 is being observed nationally as "4-H Week". Theme for this year's observance is "4-H For Youth For America".

Knox County has over 250 youth involved in the 4-H program which is only a small part of the 388,000 4-H members in Texas.

In celebrating National 4-H Week,

we recognize that 4-H is truly a people development program. It helps young people develop skills that will be useful in the real world. It helps them discover their strengths and weaknesses. It exposes them to ac-

Fundraiser Planned For David Counts

Big plans are in the making in Knox City for Sunday, October 16, when a local fundraiser is being planned for Democratic State Representative candidate David Counts.

Interested persons met Monday night to form committees and decided to hold a Cornbread and Stew lunch from 12:00 noon until 2:00 p.m. on Sunday, October 16. The location will be noted in the next week's News.

Various committees are Food committee, Sequoyah Reynolds, chairman, assisted by Rob Harrison, Billy G. Johnston, Jimmy Tankersley and Lane Davis; ticket sales and publicity, Billye Angle and Stacy Thompson; and other committee members, Sandra

Chambers, Elva Gonzales, Carolyn and Tommy Sloan, Sue Clayton and LaNell Mahan.

Other persons who are interested in helping are asked to contact one of these persons or attend the next meeting Monday night at seven o'clock at the Community Center.

Alex was not on the field during the awards ceremony because of his commitment to the football team so this picture was taken Tuesday morning at the high school. (News Photo)

Rhineland Plans Annual Sausage Meal

The Knights of Columbus will host their annual sausage dinner at the Knights of Columbus Hall in Rhineland on Sunday, October 9.

Sausage, fried chicken, various vegetables and homemade desserts will be served from 11 a.m. until 1:30 p.m. Tickets are \$5 for adults and \$3 for children under 12.

Bulk sausage will be sold at \$2.50 per pound to those who order in advance. To place orders, call 422-4828, 422-5531, 658-3416, 422-5344 or 422-4775. The sausage will be ready on Saturday, October 8 and can be picked up at Brown's Store in Rhineland.

In conjunction with the meal, St. Anne's Mothers Society of St. Joseph's Catholic Church will hold a bazaar. Homebaked and handmade items will be on sale at that time.

Members of St. Joseph's parish invite everyone in the community to join them for this annual fall meal. David Kuehler is dinner chairman and Larry Welch is Grand Knight for the organization.

M-44 Certification Training To Be Held October 6

A M-44 certification training will be held on Thursday, October 6 at 7:30 a.m. at the Shamrock Cafe in Munday.

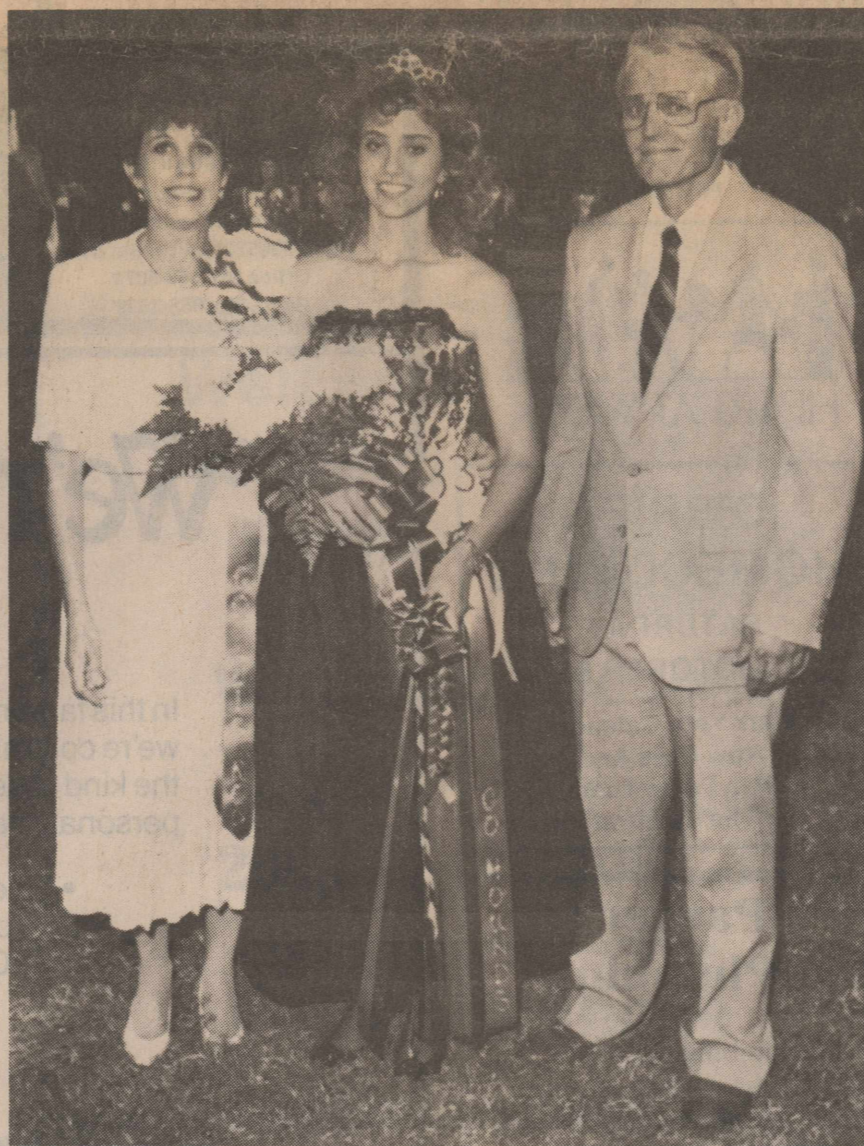

Billy Henderson, Texas Department of Agriculture representative, will present the training. Anyone having M-44 Certification must be re-certified by November in order to receive new licenses.

Raquel's Is Observing Anniversary

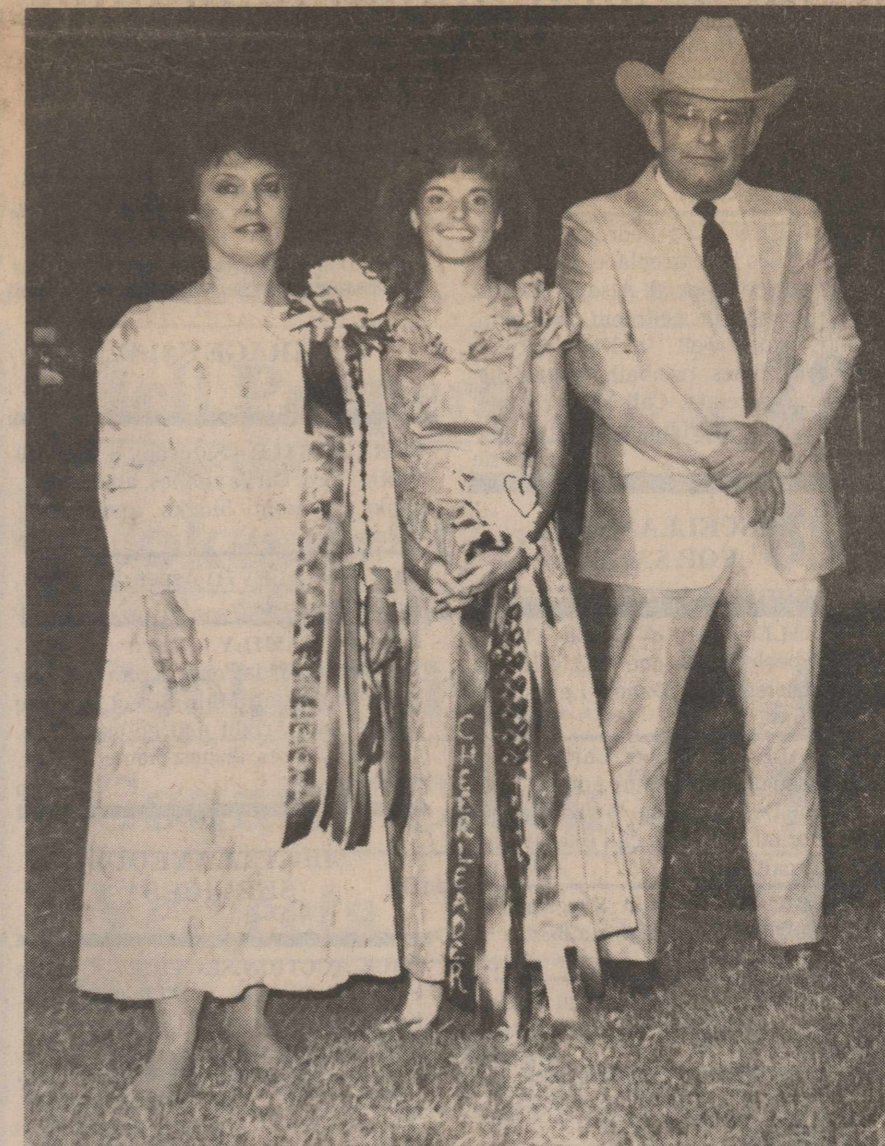

Raquel's will be observing its second anniversary this weekend. Owners Raquel and Victor Vasquez invite customers to come by and visit during their anniversary and register for a free "Dinner For Two" of their choice to be given away Saturday evening. Those registering may do so from Wednesday through Saturday.

Several additional sandwiches have been added to the menu. Raquel's menu selection is now one of the largest menus in the area with a total of 90 plates being featured.

Raquel and Victor appreciate the business over the past two years and will continue to serve their patrons with the same service

Sunday Reception To Honor Doctors

This Sunday, October 9, from 2:00 until 4:00 o'clock, the Knox County Hospital Auxiliary will host a reception at the hospital to introduce and welcome Dr. and Mrs. Terry Springer and also to honor Dr. Newton D. Neufeld.

According to the Pink Ladies, everyone is invited and encouraged to attend this special occasion.

Knox City Lions Set Annual Mop, Broom Sale

The Knox City Lions Club will be holding its annual "Lighthouse for the Blind" Mop and Broom Sale on Thursday, October 6, from 7 a.m. to 5 p.m. The caravan truck and all merchandise will be on display in front of the Knox City Post Office.

All sorts of cleaning aids will be available and proceeds from the sale will go to benefit community projects supported by the Lions. All products are made by blind or multi-handicapped citizens and will also be helped by your purchase.

Greyhounds Win 'Big' For Homecoming Fans

Travel To Crowell Friday

By Dave Thompson

With Knox City hosting Motley County for the 1988 Homecoming game in Greyhound Stadium, the Greyhounds gave a stunning performance as they dominated play on the field and defeated the Matadors by a score of 29 to 7.

Following a pre-game special homecoming performance by the Knox City High School Marching Band, Scarlet Belle Drill Team, twirlers and cheerleaders, and raising of the stars and stripes by Will Acree, Michael Ledesma, and Barry Clark of Boy

Scout Troop 161, the Greyhounds took to the field and opened the game by winning the coin toss and receiving the ball while defending the north goal.

Billy Wayne Large received the kick and gave the Hounds good opening advantage by returning the ball to the Matador 45 yard line. The first series for Knox City stayed on the ground

Social Security News

Every young person should have a working knowledge of social security for planning purposes. Such information is useful in planning for the financial security of a growing family, as well as planning for the retirement years.

This is one of the objectives of the current social security advertising campaign, to help people use their social security program better. You may have seen the public service ads on television or in your newspaper featuring the theme, "Social Security: Many people know only half the story."

Following are highlights of some of the things young people need to know. Additional information is available at any social security office.

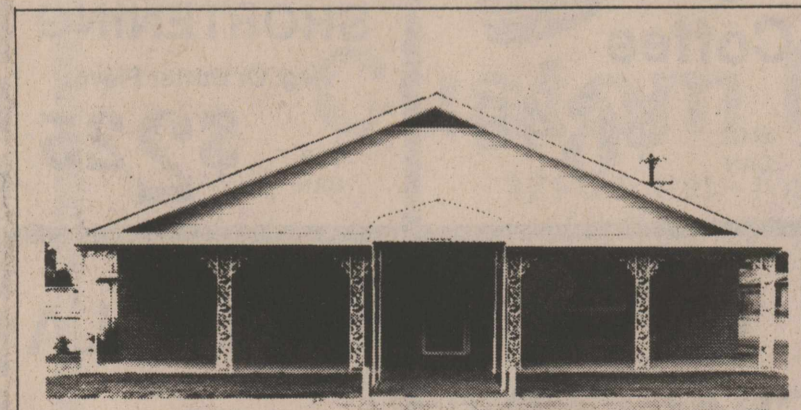

In general, the amount of the social security benefit a person receives is based on their average earnings over their working life. For workers whose earnings are at the minimum wage level, the benefit is generally equal to about 60 to 65 percent of pre-retirement earnings; for workers earning average wages, about 40 to 45 percent; and for workers with the maximum earnings covered by social security over their working lives, the replacement rate is about 25 to 27 percent of their covered earnings.

When a worker becomes entitled to retirement or disability benefits or dies, the spouse and minor children may also qualify for benefits. In addition, adopted children, stepchildren, grandchildren, great-grandchildren, dependent aged parents, and divorced spouses may qualify for benefits under certain circumstances.

How much work is needed to qualify depends on the type of benefit and your date of birth or the age at which you die or become disabled. The amount of credit for work you need for retirement benefits is nine and one-fourth years for people reaching 62 in 1988, and no more than ten years for those reaching 62 later. Work credit needed for disability benefits ranges from one and one-half years out of the past three years for people 24 and younger, up to five years out of the last ten years for people 31 and older (more for people 43 or older). For survivors benefits for a widow and children, the worker needs only one and one-half years of work out of the three years before death.

Most other retirement income, such as savings, investments, and private insurance, does not affect social security benefits. But earnings and other payments may affect social security benefits and vice versa. (1) Up to half of the benefits of upper income people may be subject to the Federal income tax. (2) Most companies "integrate" their pensions with social security, using the amount of the benefit as a base on which to build their pensions. (3) Earnings over a certain exempted amount affect benefits; called the "retirement test," the exempted amounts increase as wage levels increase annually. (4) The public pension offset may reduce the benefit of a spouse who is also receiving public pension based on work not covered by social security. (5) Workers compensation and other public disability payments may offset a social security disability benefit.

Young people are also urged to check their lifetime earnings records maintained by the Social Security Administration every three years, particularly if they change jobs often. The records are the basis for benefits when they retire, die, or become disabled. A free form for this purpose is available at any social security office.

David Counts Receives CLEAT Endorsement

David Counts, Knox City businessman, has received the endorsement of the Combined Law Enforcement Associations of Texas in his bid for the House of Representatives, 78th District.

Counts, the Democratic nominee, expressed pleasure in receiving this endorsement from the 8,000 member association.

Ronald G. DeLord, president of CLEAT, said, "CLEAT believes that you are committed to seeing that the government uses its resources to aid local police and district attorneys in our war on drugs and crime. A strong local police force is the public's only safeguard."

Counts continued, "It is nice to be recognized as the 'law and order' candidate having worked closely for years with various law enforcement programs."

Please Register To Vote Before Oct. 9 Deadline

Voters who have moved or have not registered for the November 8 General Election must do so by October 9 to be eligible to cast a ballot in the election.

To be properly registered, a voter must have a white voter's registration card, sent out in November 1987.

Voters may register at the Knox County Courthouse in Benjamin in the office of the Tax Assessor-Collector, or voter registration cards are available at the Chamber of Commerce office in Knox City.

According to Oscar Mangis, Knox County Tax Assessor-Collector, anyone with questions may call his office at 817-454-2411.

Since October 9 falls on Sunday, Mangis said that those registering in person may do so until 5:00 p.m. on Monday, October 10, while persons sending in their registration by mail must have it postmarked no later than Saturday, October 8.

Absentee voting begins October 19 in the county clerk's office and runs through November 4.

Eiland Wins National Championship

Jim Eiland of Dallas won the National Championship in the Sportsman Division of Aerobatic Flying at Denison last week.

He competed against 17 others for the first place honors. He has won first place over Texas and Oklahoma this past season, and his championship win at Denison is the end of this season.

He plans to fly his Pitts Special to Knox City in the near future and demonstrate some of the maneuvers required in the competition, according to his parents, Elsie and Ken Lawson.

GTE Reminds Hunters To Use Safety Caution

With the dove season here again, GTE Southwest is reminding hunters not to shoot in the direction of telephone lines and poles, according to Robert J. Meyers, general manager for GTE Southwest's Mid-Texas Division. The warning and reasons given are timely and should be considered by every hunter.

Meyers said, "A shot may disrupt telephone service and endanger many people who depend on their telephones during an emergency. Damaged communication lines often do more than disrupt weekend plans. The lines

may be carrying emergency messages which guide planes, serve radar tracking stations or connect several missile sites."

Just remember: Each minute a telephone is out of order, the safety of many people may be threatened, which is reason enough not to shoot birds on telephone lines or poles.

There is another reason not to shoot a bird on a telephone line or in the direction of a line: it is against federal and state laws that prohibit any action to disrupt communications.

DECISIONS MADE EARLY

Many people plan for what might happen — fire, burglary, injury and accidents. Now more and more people are planning for what will inevitably happen. It simply makes good sense to prepare for that which we cannot avoid.

Pre-need funeral arranging allows one to control the type of service they would prefer, to freeze the prices at today's price, and save loved ones the anguish of deciding these matters at a later date.

If we can help you, whether in pre-arrangement or simply by answering questions, we want you to know that we are concerned and ready to serve. This is our personal commitment.

Recent visitors in the home of Butch, Sue, Scott, Suzzane and Steffani were Don and Mary Katherine Huffines of Dallas, Randy, Ann and Charles Egenbacher of Lubbock, Rex, Wanda, Kandi Davey and Shonda, Jessica and Jennie, Chad Guess of North Dakota and John and Dessie Egenbacher of Knox City.

Ivan and Delma Rowan attended a Blue Grass Musical in Lufkin over the weekend.

J.O. and Charlene Brothers enjoyed a two weeks vacation sight seeing in several southern states on their way to Florida they enjoyed traveling along the Coast of Louisiana, Alabama and Mississippi. In Florida they visited Spacat Center and other places around Orlando. Then they spent a couple of days around Daytona, enjoying the beach. They also got to take a lap around the Daytona 500 race track, not very fast, but it was interesting. On their way back home they enjoyed the sights further north in Georgia, Alabama, Mississippi, Louisiana and parts of Texas. In Vicksburg they

toured the National Military Park and watched some boats on the Mississippi River. They had a very interesting and enjoyable trip, but was glad to get home to the wind, sand and all.

Mr. and Mrs. Paul Sanchez and boys visited Manuel and Morow Sanchez in Gilmer over the weekend.

Jean Barnard hosted the Sunshine Girls S.S. class party at her home last Thursday night. Those enjoying a delicious salad supper were Betty Poe, Leona Raby, Delma Rowan, Hope Poe, Eva Covey, Veeta Reed, Jan Prevo, Bertie Ivie and Audie. Secret pals were revealed and named were drawn for Christmas.

The O'Brien Baptist Church were hosts to the Davey family from Plainview Sunday night. There was lots of beautiful songs sung by the Mother (Wanda) daughter Kandi and Steffani and Suzzane Stephens sang with them and everyone enjoyed the singing and lots of home made ice cream and cake afterwards.

I spent the weekend in Slaton visiting my son, Don, Marilyn, Kenda and Lance Johnston and Brad and Kari Lewis. Saw Slaton and Roosevelt play football Friday night and Slaton won 27-0. Also attended a "Stork Shower" in honor of my granddaughter Kari Lewis.

SENIOR CLASS NEWS

By Karen Daniel
After the big weekend six-week tests are here. The seniors will hopefully survive through everything! The seniors would like to congratulate Kim Bateman, Trina Fry and Alex Flores. Kim received the honor of being Football Sweetheart, and Trina received Band Sweetheart. Alex received Band Beau honor. Way to go, Seniors!

Keeping up the good work, the Hounds and Houndettes dominated once again. The Hounds topped the Homecoming with a great victory. The Houndettes showed their power at the Aspermont tournament. The team placed first and Kim Bateman was awarded an all-tournament honor. Keep up the success!

JUNIOR CLASS NEWS

By Leah Rauch
Homecoming hoopla has come and gone, so everything is again back to normal. Junior Starla Whitaker, assistant drum major, should be commended for her good job Friday night.

Six weeks tests are here already! The Juniors are studying hard...or maybe hardly studying, but they all wish six weeks tests were over!

The Houndettes brought home the championship trophy from Aspermont Saturday. The Hounds defeated Motley County in a district ballgame. Congratulations!

SOPHOMORE CLASS NEWS

By Stephanie Pepper
The Sophomores had a very busy week. The JV girls beat Rochester last Tuesday. They played Newcastle Tuesday. Some of the Sophomore girls suited up with varsity in the Aspermont Tournament. We won the Championship. Congratulations to Kim Bateman, who received all-tournament.

The JV guys tied with the Moguls last Thursday. Johnny Grindstaff had the only touchdown. The score was 8 to 8. We also had our bonfire Thursday. Everyone met at the football field and drove to O'Brien, honking all the way. After waiting a few minutes for the firemen to start a fire, the cheerleaders started some chants and everyone was excited! After awhile the bonfire was roasting us so we began to move back further away. The bonfire was fun and exciting. We would like to thank all of the people in the town that was involved with it!

Homecoming was also an adventure! The band, cheerleaders, drill team and twirlers provided a pregame show for us. At the kick-off, everyone released balloons. At the half-time show, Kim Bateman was honored with Football Sweetheart, Trina Fry received Band Sweetheart and Alex Flores received Band Beau. One of our Sophomore girls was pretty excited about that! Our own Sophomore Mitzi Marion was a candidate for Football Sweetheart.

Last Friday in English we wrote poetry for our poetry notebooks. We had to draw a picture with words. Various drawings were of Miss Piggy, watches, snowmen, clouds, paperclips, and babybottles.

We'll be back not in two-minutes and two seconds, but in One-Hundred and Seventy Eight hours--so stay tuned til then!

FHA NEWS

By Starla Whitaker
On Monday, September 26, on Knox City High School campus, there was an FHA leadership workshop. From 4:30-4:45 refreshments and registration were being held in the school cafeteria. FHA members from Munday, Guthrie, Quannah, Haskell, Rule, Rochester, Benjamin, and Knox City and Iowa Park attended.

At 4:45, the W.R. Baker Auditorium was being filled by the members. President Beth Underwood introduced the Speakers, Region I officer Amy Moorhouse from Guthrie, and Lynn Parker Region II officer from Munday proceeded with the opening ceremony. Vice-President of Recreation Nicki Ivie led everybody in the Prayer Song. I then led everybody in the Pledge of Allegiance. Vice-President of Programs Marci Berryman gave the opening ceremony. Vice-President of Projects Ivy Maurer gave workshop directions.

Lynn Parker gave a workshop named "Leadership Keys." Lynn described all the six keys that every FHA leader needs. Lynn then got help from her FHA Chapter to pass out pieces of different puzzles. Everyone was then to find the rest of their puzzle. For the last lesson, and a creative event, all of Lynn's attendants were in groups of six. Each group was given a small packet. The group members then told how three of the contents of the contents of the packets related to FHA.

Then each group switched. Amy Moorhouse's workshop was called "Stand Out From The Crowd." The activities included singing a rap song about the Power of One, coming up with a slogan about a grooming product and FHA, and writing out one of the eight FHA purposes with pictures. Everyone had fun. They laughed at their faults and basked in their good points.

After each workshop, Beth gave our closing ceremony in the cafeteria, while Amber Mahan, the current secretary for Knox City, gave the closing ceremony in the auditorium.

The members of Knox City FHA would like to give special thanks to Lynn and Amy for giving a truly worthwhile workshop and to the members who came from surrounding towns. It took everyone's cooperation to make the workshop the success that it was.

FRESHMAN CLASS NEWS

By Kim Chambers
What a week! The freshman class stayed amazingly busy.

Mrs. Watson has kept us occupied by assigning us a journalism report every day. But we are finally finished and sure glad that's over with!

In American History we had a test. Coach Risinger has made it clear that you better study for his tests! Some of the freshmen girls played on J.V. and defeated Rochester Tuesday.

The J.V. Hounds tied Munday Thursday night! Good job guys!

We all hope that this next week flies by as fast as this one has!

VISITS GRANDMOTHER

Visiting Mrs. Edna McCarty over the weekend were her granddaughter, Stacy Johnson, and her roommate Jan Heffelfinger, both students at Abilene Christian University.

Houndettes Take First In Aspermont Tournament

By Nocona McNitt

The Houndettes racked up another district win against Rochester. Trina served 10 points while Kim added three of her own with Leah adding one of her own ending the first match with a score of 15-3. The second match 15-4 was more strung out. Kristi had five points, Tina had three, Kim one, Stacy one, Leah two and Trina two, ending the match.

The Houndettes traveled to Aspermont Saturday for our last invitational tournament. We met up with Albany for our first match. Since this was our fourth time to meet up with Albany, I don't feel that the girls did as well as they should have; however, the matches were played very well. Scores were 15-11, 15-11 against Albany. In the first match, Trina scored six, Kristi scored four and the remaining five points were added by Kim Bateman and Leah Rauch. The second match was led off with Stacy scoring five, Tina four, Trina three, Leah one, Kim

KIM BATEMAN

one and Kristi adding one to end the game.

Aspermont and the Houndettes met up to play for first place. Trina started off the game by serving seven consecutive serves, Kristi served five, Tina added three and Stacy added one to end the first match. The second match was a lot more exciting both teams were fired up; however, the Houndettes had the most flame. Trina scored eight, Stacy two, Kim one and Leah ended the game with the final four serves.

The Houndettes brought home the first place trophy. There was also another trophy coming home Saturday night and that was brought home by Kim Bateman. Kim was awarded an all-tournament trophy.

Congratulations to all the Houndettes. We played district foe Newcastle and Albany Tuesday night.

Houndettes are 15-2 overall and 4-0 in district play.

Rochester was our opponent in the second round of play at the tournament. We defeated them 15-3, 15-5. Stacy and Leah led the scorers with four points each in game one. Leah led the team in total points served with seven in game two.

Stacy Cheek Is Winner Of National Award

The United States Achievement Academy has announced that Stacy Cheek has been named a United States National Award winner in English.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Stacy, who attends Knox City High School was nominated for this National Award by Renella Watson, an English teacher at the school.

Stacy will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Stacy is the daughter of Clead and Pat Cheek The grandparents are Mr. and Mrs. B.C. Cheek of Godley, Texas and Mr. and Mrs. Jim Townzen of League City, Texas.

JV Hounds Deadlock 8-8 With Munday

By Paul Calvillo, Edmund Casillas, Ray Flye, and Trevor Lain

Knox City JV Hounds played the Munday Moguls to an 8-8 tie Thursday, September 29, in Munday.

Johnny Grindstaff ran three yards to score the Hounds touchdown in the second quarter. Shannon Taylor ran the two point conversion to make the score 8-0 Hounds.

The stingy defense held the Moguls scoreless until the fourth quarter. Quarterback Bobby Dawkins broke around the right side for about 70 yards to score the Mogul touchdown. Dawkins ran the two point conversion to tie the score 8-8.

With the exception of the one play our defense did a good job. We had several quarterback sacks. We also

held the Moguls several times inside the 10 yard line.

Crowell comes here to play Thursday, October 6. Game time is 7:00 p.m. on the O'Brien field. Come out and support the JV Hounds.

The JV Hounds have a 3-0-2 record.

Saturday Bike-A-Thon Collects Total of \$906.00

The St. Jude's Bike-a-thon proved to be very successful Saturday morning when anxious bikers pedaled their way to a total of \$906.00 in their morning efforts.

Bike-a-thon chairman Sharon Newton reported that top winner was Cris Lee Hacker with \$156.00 collected. Cris Lee was the lucky recipient of a bicycle.

Mrs. Newton issued the following statement after the Bike-a-thon conclusion:

"I would like to thank everyone who helped with the St. Jude's Bike-a-thon. This includes the people who donated their money, the students who collected the money and rode in the Bike-a-thon, the moms and dads who either rode their bikes or drove their cars to help keep up with everyone. Those people were Joetta Boyd, James and Sharlene Alderson, Connie Mullin, Sherry Hacker, and Jane Penman.

Also, a very big thank you to our police chief Gil Gillilan who always helps out with so many things in our community, especially events involving children; Dave and Stacy Thompson for their great support and advertising; and the businesses that helped purchase the bike, Boyd's Oilfield, Tri-State Chemical, Penman Conoco, and Citizens State Bank.

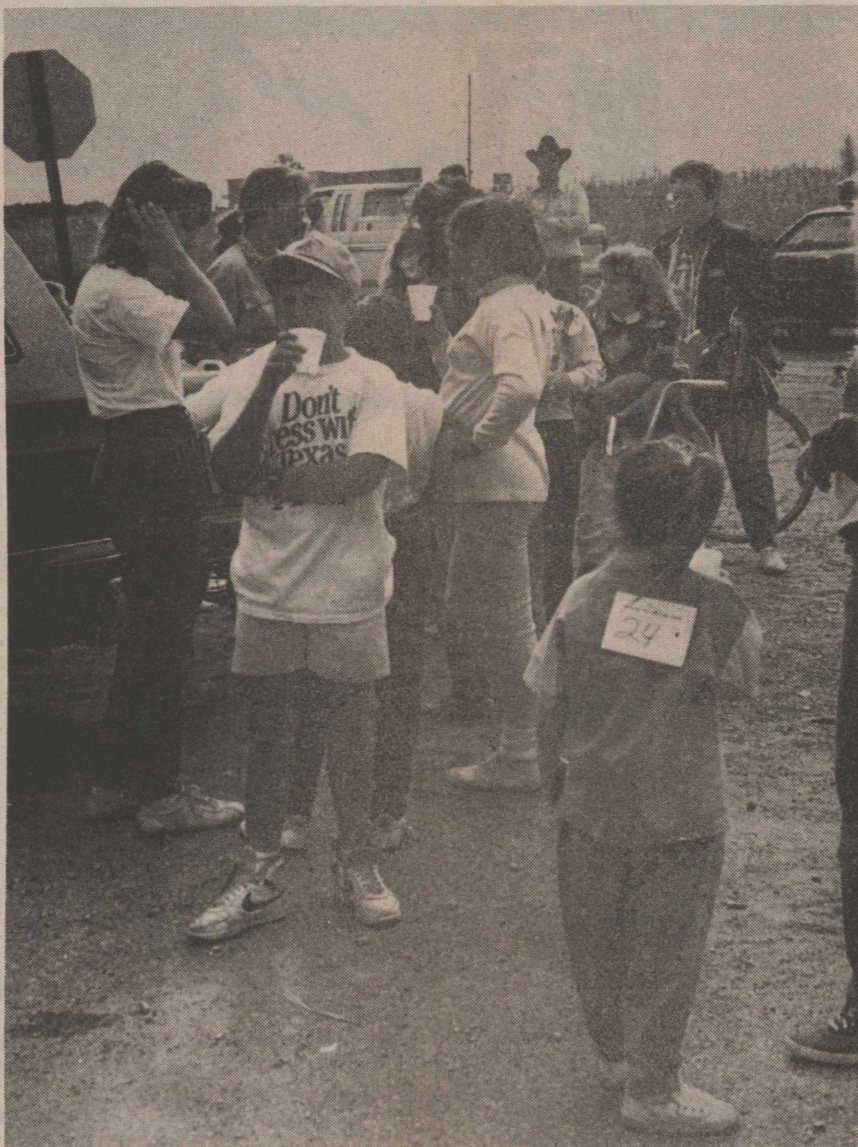

I appreciated everyone's help so very much.

The student turning in the most money was Cris Lee Hacker with \$156.00. Scooter Thompson was close

CRIS LEE HACKER was named overall top money raiser during the Bike-A-Thon that was held last Saturday morning as a benefit fundraiser for St. Jude Children's Hospital and the fight against childhood cancer. Cris rode the entire route and raised a total of \$156.00 to help children less fortunate than himself. Cris is to be congratulated for his hard work during the project. (News Photo)

behind with \$133.00. Our grand total was \$906.00."

PAUSING FOR REFRESHMENTS, these participants in last Saturday's benefit for the St. Jude Children's Hospital were tired and hungry when they finished their Bike-A-Thon. The event raised over nine hundred dollars for the fight against childhood cancer. (News Photo)

Streams In Desert Places By Ozelle Stephens

While being grateful and thankful for what Jesus brought into the world, I was led to think of the first promise God the Father gave in Gen. 3:15. "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel."

Here begin a highway of the seed of Abel, Seth, Noah, Shem, Abraham, Isaac, Jacob, Judah, and David. They all looked for the promised Saviour as they journeyed through this world.

Isaiah tells of the greatness of this promised One. "For unto us a child is born, unto us a son is given; and the government shall be upon his shoulders; and his name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace. If you have or haven't accepted this Great One as your King and Lord of your life, think with me through this Holy Season of His Great Love and be ready and watching for His Second Coming back to this earth.

Youngdahl Rites Held In Dallas

Services were held in Dallas at Restland on Saturday, Sept. 24, for Virginia Youngdahl, sister of the late Elmo Stephens.

She died Sept. 22 in a Dallas hospital after a brief illness.

Born Jan. 2, 1902, in Comanche County, Texas, she had lived in Dallas where she was involved in real estate for most of her adult life.

She was a member of the Baptist Church.

Survivors include two sisters, Zora Lowrey and Veleria Flanagan, both of Dallas, and two brothers, Claude and S.W. Stephens, both of Dublin.

Mrs. Janoma Stephens was in Dallas for the services.

FROM GARLAND

Rev. and Mrs. Floyd Bailey Jr. of Garland visited here over the weekend with his parents, Rev. and Mrs. Floyd Bailey, and with her daughter and family, Rev. and Mrs. Rick Smith and girls.

Benjamin News

By Gladene Green

JR. HIGH FOOTBALL

The Benjamin Colts were hosts Thursday night to the Northside Junior High team. Benjamin remains undefeated this season by winning over their opponents 31-13. Making the touchdowns were Jason Redwine who ran for three, Timmy Cash made one and Trey Stone had one. The only point after try was made also by Redwine. Scores by quarters were 1st-13-0, 2nd-13-0, 3rd-25-0 and 4th-31-13.

Northside is coached by one of our own boys Craig Hertel. He only had six boys and did well for such a few players.

Again during the half we were entertained by the little boys who played a "flag" football game. Those players were Chad Rainwater, Justin Waldron, Tyler Carrol and Jeremy Simmons on the blue team and Jacy Collins, A.R. Hibdon, Wade Pierce, Jay Ryder and Cory Kimmel playing for the Reds. I'm not sure who won, but it was fun to watch. They had their own cheering too. Those cheerleaders are Audra Neal, Rachel Duke, Crystal Hibdon and Amanda Bufkin.

And believe me, we have some real enthusiastic little girls who will do good when they get into Junior High and High School.

IN HOSPITAL

Kim Conner Ivie has been a patient in the Methodist Hospital in Lubbock this past week. She entered the hospital Monday a.m. with severe chest pains and on Monday afternoon it was determined that her problem was a blocked valve to her heart so she underwent the Angia Plasta procedure to immediately to correct the problem. She is doing well. Her doctor says she should suffer no damage and should be as good as new when she recovers. Her parents, Bud and Van Conner have been with her in Lubbock. Kim will return to her home in Dickens when dismissed from the hospital which hopefully will be today (Monday).

GRANDSON RECEIVES RECOGNITION

Shane Groves has been selected as a new member of the Outstanding College Students of America because of Outstanding Merit and accomplishment as an American College Student. Shane is a Sophomore at the University of Texas and is the son of Mr. and Mrs. Leon Groves of Mineral Wells. His grandmother is Aliene Groves of Benjamin (whom I might add is very proud of this young man!).

GARAGE SALE PLANNED

Several families over here are planning a community garage sale early in November. We plan to rent the Memorial Building and have it all under one roof. So anyone desiring to "join us" let me know and we'll discuss the "fine details". Watch the classified ads for the exact date and time.

We former Monday-ites are getting ready for our homecoming. It will be October 15 and promises to be "maybe one of the best ever". The merchants are getting their windows ready for the "window decorating contest". I was in the M System Friday and having such good time looking at their decor. (The are using old pictures some of "way back when"). But when I came across mine from 1954, the fun stopped! Isn't it always strange how much your mood changes when things shock you? It's all done in fun tho and really quite a bit of entertainment for the store customers.

At any rate, I'm sure looking forward to MHS Homecoming-1988.

HERE 'N THERE

Hazel Stockton visited her brother and his wife, Sam and Clara Loper and her granddaughter, Kim Ivie a patient in the Methodist Hospital in Lubbock during the weekend.

Lorrie Rolston and her roommate, Carla Bohanan of Comfort were weekend guests of Lorrie's parents, Homer and Jan Rolston. Lorrie and Carla are students at Angelo State University in San Angelo. On Saturday, Lorrie and Carla and Jan, Homer and Jennifer attended the Beach Boys concert in Wichita Falls. They said it was a very enjoyable day.

Brady Wampler of Rochester died Friday a.m. at his home. Mr. Wampler was the husband of the former Ruth Gillentine, and was a former resident of Benjamin. Funeral was Sunday in Rochester.

Betty Hibdon and Larry Easley of Snyder, Oklahoma were Sunday guests of her son and family, the Randy Hibdons.

Betty and Sabra Parker of Aspermont were Sunday guests of Betty's parents, Gloria and Leroy West.

Sam Slade of Austin spent a couple of days here last week with his grandmother, Bo Milson while his mom, Kelly Slade was in Lubbock attending the National meeting of the Family Outreach of America organization. Kelly is on the Board of Directors of this organization in Austin. I was not real familiar with the work of this group of people but have learned that the group organized in the 1970's to help with the problem of child abuse in the U.S. today.

Jimmie Klutts asked me to mention that there are several dishes at the Memorial Building that belong to folks in the community. The dishes have been left there from recent meals provided by the community for various reasons. The main one being funerals. So if you have missed a dish, check with Jimmie. It may be there at the building.

Roger and Betty Bohannon and family of Amarillo were weekend visitors in Benjamin. Also in see their friends and family were Larry Neal and Lonnie Bohannon, also of Amarillo.

Johnny Brannon of Lubbock was a recent guest of his mom, Gertrude Brannon.

The first Sunday singing was held here Sunday at the Church of Christ. Several area folks were here and lots of good singing was enjoyed by all.

Micky Smith is a patient at Humana Hospital in Abilene undergoing tests. We wish Micky a speedy recovery.

Dutch and Imagean Young and Dee Ann and Anthony Lamb, along with Brenda Gallaher of Wichita Falls and Mike Young of Seymour were in Dickens Saturday night to visit Joe Nunley and "fix" birthday supper to honor Dee Ann and Mike.

Visiting Billy and Pat Benson and their other Benson relatives during the weekend were Tommie Gail Robinson, Tommy Benson and Charlie of Abilene and Butch and Letha Young of Arlington. Billy Ben is feeling pretty good, but will enter the hospital (Bethania, Wichita Falls) today for more treatment which always makes him feel worse. If all goes well, he will be home Sunday. Please continue to remember Bill and his family in your prayers.

Troy and Julee Pratt of Lubbock were weekend guests of Troy's parents, Jim and Barbara Pratt.

Social Security News

Rising health care costs continues to be a major problem for the elderly. However, there are some steps people can take to keep their personal health care costs down, and indirectly perhaps, affect overall costs in the health care marketplace.

The first thing you need to do is decide to become an "informed consumer." You should become aware of the options available to you in selecting health care, and make a conscious effort to be more selective.

One of the most important health care decisions you probably make involves your health care insurance. Most people purchase additional health insurance, "medigap insurance," to cover those costs that Medicare does not cover. Such costs include deductible amounts and coinsurance, extended care beyond that covered by Medicare, and drugs or medicines if you aren't in a hospital or skilled nursing facility.

Many insurance companies offer medigap policies in response to the increasing demand for quality health care. However, many people end up purchasing more health insurance than they need, or they duplicate their Medicare coverage, or find out too late that the policy does not really provide the kind of protection they need.

In shopping for medigap policies, you should observe the following guidelines:

Compare policies—Take your time, consult others, and get a variety of opinions on as many policies as you can.

Avoid over buying—A single, comprehensive policy is better than several with overlapping or duplicate coverage.

Investigate coverage—Find out if the policy excludes pre-existing conditions (health problems that you already have when coverage begins) or only covers them after a certain date.

Check for a waiting period—If there's a waiting period before the new policy becomes effective, you'll want to keep your old policy in effect until that time.

Beware of scare tactics—Don't buy a policy just because the sales pitch exaggerates your medical costs or your likelihood of becoming ill.

Buy from a reputable agent—To check the reputation of an insurance agent/company, to report a deceptive practice, or to get more information on medigap, contact your state department of insurance.

Letters To The Editor

Letter to the Editor:

I am a concerned citizen. Recently, many folks in Knox County and others in surrounding counties, were upset and scared by a group of Satan Worshipers coming into our area, and then felt horror at the disappearance of a little girl just south of us.

A rally was held to unite us in making it clear that we do not want that kind of folks in our area.

But, Satan himself is stealing our children right here in Knox City and we are doing nothing. He tells our kids that it is ok to drink, to dance, to use drugs, to have sex outside marriage.

Why can't we unite here in Knox City and let the drug dealers and booze pushers know that we don't want them here and help send them on their way?

Will you, youth and parents, help create some activities for our youth that they will enjoy and not be spoiling their life?

Will you help create a place where our youth will feel free to go to and meet their friends without being under the shadow of Satan?

We spend money to have a good police force and we should, so let's get behind them.

We spend money to have good schools and churches and we should.

We spend money to have a good hospital, a good ambulance service, a good fire department, and we should.

But our greatest asset, our youth, has no place to meet or activities planned for them where they will have a choice of how to spend their spare time. The after game fellowship should prove that the kids' like to get together.

We have many fine booster clubs and we sponsor other things but our youth run wild during their free time.

Parents, youth and interested folks, lets do something about this need in Knox City. Please contact me at 658-3384.

Dear Stacy:

We just wanted to share with you and the public one of the many compliments we have received regarding the current upkeep of the Knox City Cemetery. Recently, Dr. Charles G. Markward and his wife, Ruth, of Dallas, made a trip to Knox City. While here they visited our Cemetery, where their infant son is buried. They were sincerely impressed with the condition and appearance of the Cemetery. To show their appreciation, they made two generous contributions. One was to our Cemetery Maintenance Fund in the amount of \$250.00. The money in the Maintenance Fund is used for the upkeep of the Cemetery. The other contribution was to our Cemetery Endowment Trust Fund in the amount of \$1,000.00 This money is deposited into our Money Market Account. The principal amount is not invaded, and the interest is available for use in further upkeep and maintenance of the Cemetery. Thus, it is not necessary to spend City tax monies in these areas.

In closing, we would like to publicly express our sincere gratitude to Dr. and Mrs. Charles Markward for their generous contributions. We are pleased that the upkeep of the Cemetery has made such progress, and we continually strive to keep its condition and appearance nice.

Sincerely,

Dear Editor,

Would you help me find a few good men by publishing this letter in your paper? The few good men mentioned are WWII Veterans and were assigned to the 351st Heavy Bombardment Group at Polebrook, England, between 1943 and 1945. There are about 5,000 lost souls and some of them may be in your area. We have formed a 351st Association of flying and ground crews and have annual reunions. If you fit the above description, please contact Ken Vaughn, 1 Shady Lane, Belleville, Ill 62221.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

County 4-H'ers Honored With Awards Program

Gold Star Winners Are Named

4-Hers were honored Sunday, September 11, when they held their annual achievement program. Approximately 60 members, leaders, parents, and guests attended the program.

Mistress of Ceremonies for the afternoon was Christi Whitten of Benjamin. First year 4-H members led the group in the Pledge to the American and 4-H Flags. The welcome was delivered by County Extension Agent-Ag Donnie Peters, and Rhonda Whitten responded. The 1987-88 4-H year was recapped by Angie Partridge who reviewed major highlights of the year.

Project pins were presented by Tressie Boyd and Andrea Longan to the following:

FOOD AND NUTRITION - Lorin Clem, Michelle Connor, Danette Owens, Jason Simons, Michelle Berryhill, Mitzi Alderson, Amanda Baker, Jennifer Baker, Heather King, Kandis Longan, Melissa Berryhill, Kacy Longan, Cody Alderson, Tressie Boyd, Robyn Clem, Anna Kay Kiser, Andrea Longan, Will Dutton, Cathy Nelson, Cody Perry, Stefani Stephens, Kristi Chambers, Suzanne Stephens, Kerri Smith, Michelle Wilde, Leslie Wilde, and Teisa Porter;

BEEF - Jason Patterson;

HORSE - Lila Jo Rector and Tressie Boyd;

LEADERSHIP - Angie Partridge.

Also, **FASHION REVIEW** - Mitzi Alderson, Amanda Baker, Carol Griffith, Kandis Longan, Stefani Stephens, Tressie Boyd, Lorin Clem, Anna Kay

Kiser, Julie Welch, Suzanne Stephens, Robyn Clem, Michelle Berryhill, Andrea Longan, Melissa Berryhill and Kacy Longan;

RABBIT - Tressie Boyd and Amanda Baker

PLANT IDENTIFICATION - Cody Alderson, Tressie Boyd, and Mitzi Alderson;

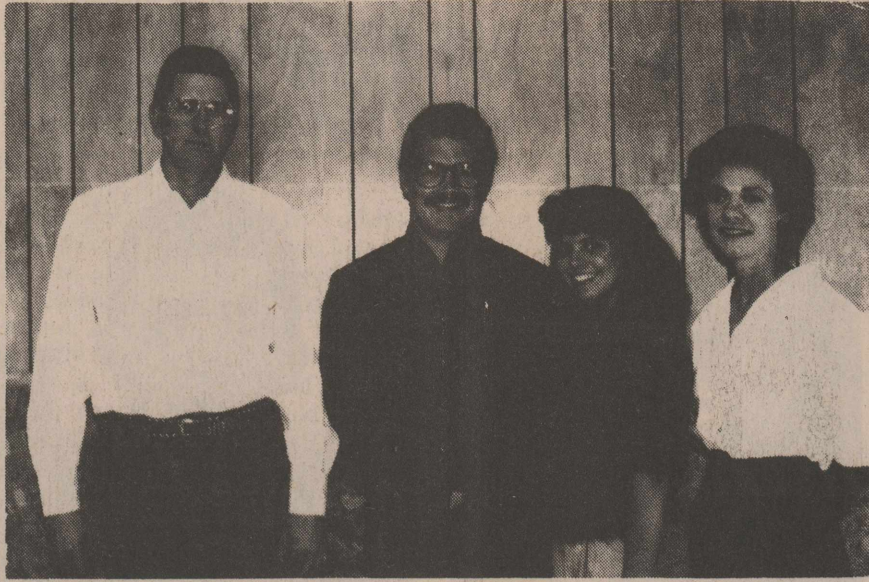

DOG CARE - Tressie Boyd and Phillip Bowen;

CLOTHING - Mitzi Alderson, Amanda Baker and Tressie Boyd.

Kacy Longan presented special awards to Amanda Baker and Angie Partridge for their 4-H Record Book. Mitzi Alderson recognized the leaders and parents for their support the past year.

Special recognition was given to the Gilliland Extension Homemakers Club and they were presented a plaque for their service to the 4-H program. Over the years this group has supported the 4-H program in various ways. This past year they donated a sewing machine to the 4-H program enabling youth who did not have access to a machine learn to sew. This is just one example of the many kind things this group has contributed.

Highlight of the afternoon was the presentation of the Junior and Senior 4-H Gold Star Awards by Jane Rowan, County Extension Agent-H.E. This award goes to one junior and one senior member who have excelled in the 4-H program. Honored this year for Junior Gold Star was Amanda Baker

4-H INVOLVES both youth and adults! Pictured are James Alderson, adult leader; Donnie Peters, County Extension Agent/Ag.; Angie Partridge, 4-H member; and Jane Rowan, County Extension Agent/H.E. of Knox City. She has been a 4-H member for two years. During this time she has participated in foods and nutrition, clothing, rabbits and horse.

She was reporter for her clothing club this past year and has participated in the district fashion show two years. She also participated in the county food and show and livestock show as well as the Multi-County Foods Rally where she helped her family serve as "Chuckwagon" cooks for Navajo Tacos.

Amanda is nine years old and in the fourth grade at Knox City-O'Brien. Her parents are Becky and Jimmy Baker.

The Senior Gold Star recipient was Christi Whitten. This eight year 4-H veteran is the daughter of Jack and Judie Whitten of Benjamin. During her

4-H career she has carried projects in sheep, foods and nutrition, beef and poultry.

She has served as a delegate to the District 3 4-H Council in 1986 and was awarded showmanship honors at the Wichita Falls District Beef Show.

Christi stays busy with local and county 4-H activities and helping younger 4-Hers in the county. Being a junior at Benjamin High School also keeps her on the go with basketball, cheerleading, annual staff and various other community activities.

Christi will represent Knox County at the District Gold Star Banquet November 1 in Haskell.

Following the awards ceremony a reception was held to honor award recipients.

KC Circle Club Plans Drive, Supper

The KC Circle Club is planning its annual membership drive and salad supper, Tuesday, October 11, in the home of Nancy Stout. Nancy and Glenda Moore will serve as hostesses.

Each member is asked to bring a prospective new member and a salad. This month's program is "Accenting With Accessories" and will be presented by Bettye McBroom of The Hayloft in Haskell.

Retail Merchants To Meet Thursday at 7:30

Retail Merchants Association president Lane Davis is asking all members to meet Thursday night at 7:30 o'clock at the Oil Patch Cafe to finalize plans for the October project. The Christmas program also will be discussed, he said.

Local Women Attend State Board Meeting

Winifred White, Mesquite District President, and Lena McGee, past District President, were among 165 women from across the state of Texas who attended the GFWC Texas Federation of Women's Clubs Fall Board Meeting. This year's meeting was held in Austin at the Marriott at the Capitol, September 23, 24, and 25.

Among the highlights were visiting the Governor's Mansion and the Capitol. Club women from the state have dressed dolls as the First Ladies of Texas actually appeared at the Inaugural Ball for their husband's administration. All 36 are on display at the Capitol. On Friday, the ladies enjoyed the TFWC Historical Foundation Tea.

Saturday luncheon speaker was State Senator Judith Zaffirini. That evening the Songs in Sign Choir from the Texas School for the Deaf entertained.

without enough yardage for a first down. With a fourth and five, Knox City went for the five and ended up with a 39 yard touchdown run by quarterback Billy Wayne Large. The extra point kick was good, and Knox City took an early lead 7-0 with 9:54 left in the first quarter.

The first series by Motley County ended early when the kickoff receiver fumbled the ball on the return and the fumble was recovered by Fred Ledesma to put Knox City in control on the Matador 20 yard line. After three short runs by Billy Large and Alex Ledesma, a first down put Knox City at the seven yard line. Two plays later, Large ran right up the middle for his second score of the evening. With 7:57 left on the clock in first quarter action, Alex Ledesma kicked in the extra point to advance the score 14 to 0 in favor of Knox City.

The first yellow flag of the evening was thrown against Knox City on the kickoff return and the five yard penalty put the ball on the 30 yard line for Motley County. A strong defensive stand by the Greyhounds held Motley County to just two first downs before they punted back to Knox City on a fourth and 16 play. A disputed call was argued by the coaches and officials when Motley County fumbled the ball on the kickoff and the kicker was hit by a Greyhound. The officials first called a penalty for roughing the kicker and it was argued by the Knox City coaching staff, but the officials held their ground and marked off 15 yards against Knox City and gave Motley County a first down on the call despite a loud roar of disapproval from Knox City fans. An officials penalty against Knox City just three plays later gave the Matadors another first down deep in Greyhound territory. Several plays later the Matadors gained another first down on the Greyhound two yard line as the first quarter of action ended. Three plays and another disputed penalty call later, Motley County crossed the goal line to score six points and added one more with a good extra point kick.

Following the kickoff return, Knox City ground out three plays but ended up punting back to a tough Matador defense on fourth down.

After four plays and one first down, Motley County fumbled on a first and 15, with Knox City recovering the fumble on the Matador 30 yard line. Short runs by the Hound offense resulted in two quick first downs prior to a touchdown run by Roy Dale Roberson. Ledesma missed the extra point kick and left the scoreboard showing Knox City 20, Motley County 7, with 4:00 left in the half.

After a short kickoff return, Motley County started on its own 20 yard line. After a short run, the Matadors gained a first down with a completed pass to their 37 yard line. Just two plays later they picked up another first down on a long pass play. Another long pass completion moved them deep into Greyhound territory, with play resuming at the Hound 20 yard line. Two plays later they picked up another first down at the Knox City nine yard line. A personal foul by the Hounds moved the ball down to the Greyhound four yard line on second down. A penalty against Motley County moved them back five, and a strong tackle to the pass receiver on the following play held. Two plays later Augie Rodriguez intercepted a pass to give the Greyhounds possession with :10 seconds left on the clock and just two plays later the half ended with the score still 20 to 7 in favor of the Knox City Greyhounds.

During halftime homecoming ceremonies, Trina Fry was named Band Sweetheart, Alex Flores was named Band Beau, and Kim Bateman was named Football Sweetheart for

the 1988 Greyhounds.

Knox City kicked off to Motley County to open the second half. Stopping the Matadors cold on three runs, Motley County punted back to Knox City on fourth and 5.

With first and 10 from their own 39, the Hounds opened their second half offense with a series of short runs by Ledesma and Large that picked up two quick first downs. After a loss of yardage to bring up 3rd and 16, Billy Wayne threw a screen pass to Alex Flores who took it the rest of the way for another Knox City touchdown. A pass attempt for the conversion failed, but the drive placed Knox City ahead 26 to 7 with 6:38 left in the third quarter.

Following the kickoff return, a 40 yard pass play by Motley County put them deep into Greyhound territory at the 10 yard line with another first down. Four plays later the Greyhounds took over on downs at their own 9 yard line after a superb defensive stand with their backs to their own goal line.

On offense, the Hounds counted on Alex Ledesma once again to run up the right side and gain enough for another first down. A quarterback keeper by Large and a Large to Flores pass gained Knox City another first down and a facemask penalty by the Matadors moved Knox City deep into Motley County territory. When the Matador defense stiffened and refused to allow any additional yardage, Knox City punted on fourth and 5.

Two plays later, the third quarter ended with Motley County's having a first and 10 on the 25 yard line. With the Matadors threatening to score, they fumbled and the loose ball was recovered by the Greyhound defense. Knox City took over on its own 20 yard line and brought the ball back to midfield with runs by Ledesma and Large. A good run by Alex Ledesma and a personal foul by Motley County moved the ball down to the 27 and placed Knox City within scoring distance. But once again the Matadors held, and Knox City turned the ball over on downs.

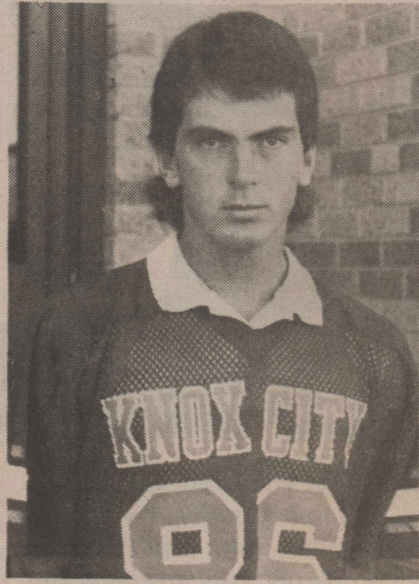

On first and 10, Matador threw a pass that was intercepted by Knox City to allow the Greyhound offense the opportunity to go to work again deep in its own territory. After several stalled plays, Ledesma kicked a 40 yard field goal to put the Greyhounds ahead 29 to 7 over Motley County. The remainder of the game was spent with the ball going back and forth between both teams. The highlight at :30 seconds on the clock was a referee being tackled, which brought a loud cheer from the home fans.

Knox City ended the game on defense with the score 29 to 7 in favor of the Hounds. Next week the Greyhounds will travel to Crowell to take on the Wildcats in Wildcat Stadium. We'll see you there as we watch the Greyhounds roll on!

Players of the Week

ALEX FLORES

DANNY GRINDSTAFF

By DAVE THOMPSON

Player of the Week on Offense in the Greyhound victory over Motley County is Alex Flores. He demonstrates a unique talent to find a whole in the line and charge through it for hard earned yardage. His efforts against Motley County seemed to fire up his teammates during the early part of the game and that spark lasted until the final buzzer sounded with Knox City ahead on the scoreboard. Rebounding from an injury during the early part of the season, Alex is a definite plus for the Greyhound Offense.

se.

The Player Of The Week on defense this past Friday night was Danny Grindstaff. While the coaching staff felt the entire defensive line should receive awards, it was the name of Danny Grindstaff that the fans heard repeatedly over the public address system. His hard hitting and tackling was an asset in keeping the Matadores at bay all night long. The fact that Motley County only entered the end zone one time says a lot for Danny and the rest of the Knox City Greyhound defense. It was awesome.

Coach's Comments

By Coach Pat Risinger

The Hounds thrilled their Homecoming crowd Friday night with a big district won over Motley County 29-7.

Offensively, we were able to rack up 398 yards. Total offensive rushing for 259 yards behind the excellent blocking of our offensive line. Coach Underwood and his "Animals" deserved a large amount of the credit for our success in the game and this season. We only threw five passes for 67 yds, but two of those to Alex Flores were good for 66 yards and an important touchdown. Our special teams did another good job Friday night as they scored one on a fake punt, consistently gave us good field position, and our field goal unit with kicker Fred Ledesma kicked a 40 yard field goal. Defensively, we allowed them to score due to a roughing of the kicker penalty, but coach Chappell's "Crunch Bunch" had two excellent goal line stands. Boyce returned after a two week absence and despite fighting the flu had an important interception to help on defense.

All our kids deserved everyone's ap-

preciation and a "pat on the back" for their efforts this season. It has been a long time since the 'Hounds' were 4-1, and these young men have really worked hard to achieve this.

Crowell is our next opponent. They resemble Motley County both offensively and defensively. They have a good ball club and we must have a good effort by everyone to come out on top. The Hound's and the coaches appreciate all the support we have received from the fans, band, cheerleaders, drill team, and pep club. We travel to Crowell next Friday and need all of the support we can get. Wear red and let's all go to Crowell and support the Hounds' in their effort to win the district championship.

Our JV team remains undefeated and these youngsters continue to play well and contribute to the success of the Hounds' football program. They worked very hard in work-out serving as the Scout Team simulating our next opponent. Their efforts do not make many headlines, but they are appreciated by the coaches and the varsity players.

4-H WEEK From Page One

tivities in a variety of career fields and helps them to build positive self-concepts for directing their lives. And, most importantly, 4-H'ers learn and have fun doing it. And families can add to the fun by learning and growing together.

Learning doesn't stop with the 4-H member and family. Volunteer leaders learn new skills while sharing their expertise with young people. Through a network of volunteer leaders, state land grant universities, state and local governments and the U.S. Department of Agriculture, 4-H has been able to stimulate youth to develop life skills.

4-H is open to any youth 3rd grade-19 years of age. Anyone interested can become involved by contacting the Knox County Extension office at the Courthouse in Benjamin-454-2651.

Genealogy Class Scheduled At VRJC

A special class entitled Introduction To Genealogical Records & Techniques has been scheduled for the fall semester by the Continuing Education Division of Vernon Regional Junior College.

Dr. Stanley S. Graham will be the instructor for the class which will be conducted on the VRJC campus in Vernon. This class will be held on Saturday, October 15 from 9:00 a.m. to 1:00 p.m.

The registration fee will be \$6.00 and information and forms will be available from the Continuing Education Office at 552-6291.

ELECTION From Page One

taking the place of Ray Farabee, who resigned earlier this year to take a job with University of Texas System.

Shaw, a former Democratic representative from Big Spring, resigned his District 69 House seat for financial reasons and is now an aide to House Speaker Gib Lewis.

Due to the special election, voters in both House Districts 69 and 78 will receive two ballots on November 8, one for all general election candidates and one for the appropriate House seat special election. In the Knox County area, voters will decide between Democrat David Counts or Republican Rod Waller for the House District, 78 seat for a two year term beginning January 10, 1989, the day the Texas Legislature convenes. On the special election ballots, area voters will more than likely cast ballots for the same candidate twice since both candidates running for the two year term on the general election ballot are expected to file for the temporary term. The temporary term would be for approximately two months, and the filing fee is \$600.00. Those wanting to file have until Monday, October 10, at 5:00 p.m. to do so.

The District 78 House seat includes the counties of Cottle, Fisher, Garza, Jones, Kent, King, Knox, Lynn, Nolan, Scurry, Stonewall, and rural Taylor.

FROM LUBBOCK

Mr. and Mrs. Mark Decker and Clay of Lubbock visited here last weekend with her parents, Mr. and Mrs. Buddy Angle, and her sister and family, Mr. and Mrs. Dave Thompson and Scooter.

Retired Teachers Hear Dolly Vincent

The Knox County Retired Teachers met Tuesday, September 27, at the Knox City Community Center with twenty members and one guest present.

Jessie Roberts introduced Dolly

Vincent from Benjamin who presented a very enjoyable program, "Customs of the Island of Bahrain." Dolly lived there from July 1983 to October 1985 working for a computer company in administration. She became very close friends with a native family while there and was, therefore, able to share firsthand their culture, customs, dress and foods. She also brought pictures and artifacts.

President Jessie Roberts presided at a business meeting following the program. Barbara Ratliff and Dorethy Myers were welcomed as new members. Appreciation to the program committee was expressed and Louise Kemletz, chairman presented an overview of the 1988-89 yearbook and the many interesting programs to come. An announcement of the District Meeting to be held in Vernon on October 18 was made. Members were urged to attend if possible.

Hostesses Margaret Siecke, Louise Finley, and Zoy Risinger served refreshments of orange sherbet frosties, brownies and cookies.

August Report Is Released By DPS

Capt. L.A. Reinhart, District Supervisor of the Lubbock Highway Patrol District comprising of 21 counties said, "For the month of August, our troopers investigated two fatal accidents, 63 personal injury accidents, and 59 property damage accidents. There were two persons killed and 63 persons injured in these accidents."

Officials stated, "In Knox county, our troopers investigated one fatal accident, no personal injury accidents, and two property damage accidents in the month of August. One person was killed and no persons were injured in these accidents."

Vaden Scores Highest In Ft. Sill Test

PFC Charles Vaden, who is stationed at Fort Sill, Oklahoma, scored the highest in his battalion in the ranks of E1 through E4 in the QSE (quarterly section evaluation) test taken during field exercises used to test soldier skills and knowledge on their MOS.

Charles was recommended by his lieutenant for an Army Achievement Medal.

Charles, his wife Eloise, and daughter Brittany live in Lawton, Oklahoma.

A Knox City High School graduate, Charles is the son of Mr. and Mrs. Jimmy Vaden.

KIDS AND SALT ALERT

Kids eat too much salt and it may put them at risk for developing high blood pressure.

Kids are getting the most sodium from between-meal snacks and the biggest culprits are salty crackers and soups.

Studies show that the average 4 year old child eats around 3 grams of sodium daily. The recommended safe intake for a 4 year old is .04 grams daily.

The biggest problem: kids may be developing a lifelong taste preference for high salt foods. High levels of sodium in a small child can influence the development of high blood pressure, especially for children in families with a history of hypertension. It also overworks their kidneys.

A NEW KIND OF DRUG—HUGGING
Hugging is healthy: It helps the body's immune system; it keeps you healthier; it cures depression; it reduces stress; it induces sleep; it's invigorating; it's rejuvenating; it has no unpleasant side effects; and hugging is nothing less than a miracle drug.

Hugging is all natural: It is organic and naturally sweet; it has no pesticides, no preservatives and no artificial ingredients. It is 100 percent wholesome.

Hugging is practically perfect: There are no movable parts; no batteries to wear out and no periodic checkups. It is low in energy consumption, high in energy yield and it is inflation-proof and non-fattening. It has no monthly payments and no insurance requirements.

Care Home News

By Debbie Dudensing

The residents of Brazos Valley Care are surely enjoying the cooler weather. It makes the morning walks a lot more enjoyable.

We would like to give a very special welcome to our newest volunteers helping out in our activity program at the care home. They are LeeAnn Benson, calling Bingo games every Tuesday and Thursday; LaUna Hester, provides our special musical entertainment on Friday mornings; Lynward and Juanita Wilcox, holding Bible study on Sunday mornings. We would also like to thank two long time volunteers for providing Sunday morning music worship before Sunday School.

Also starting a new Volunteer program will be the Girl Scout Troop #107 under the direction of Shirley Davenport of Knox City. As one of their projects they have decided to start an "Adopt a Grandparent" program here at the care home. Each Girl Scout has chosen one of the residents to be their adopted grandparent. They will be bringing them cards and gifts that they make, for their birthdays and special holidays. Also once monthly the Girl Scouts will provide a craft for them and their adopted grandparent to work on together. This is a great opportunity for our Senior citizens and the youth of the community to join together in special activities and events.

On Friday, October 7, at 3:00 p.m. the Foursquare Church will be hosting the Residents' Monthly birthday party. Residents celebrating their birthday in the month of October are Mary Lou Foshee, Myrtle Jones, Tom Ed Osborn, and Fred Redder.

Visitors for the past few weeks have been Ila Wooley-Byron Putnam, Chrystal Hacker-Chris, Clint, and Sherry Hacker, Jo Hacker, C.L.
