The Knox County

NUMBER 2

35° SINGLE COPY PRICE

THURSDAY, OCTOBER 27, 1988 **KNOX CITY, KNOX COUNTY, TEXAS 79529**

A Little Straight Talk

If your home is like many others in this part of Texas, you have experienced some uninvited house guests lately in the form of tiny flies that resemble gnats. From Lubbock to Knox City, these flies are present everywhere due to the unusually warm weather. Here is a way to rid your house of the pesky little creatures: take a mayonnaise jar and fill it about half full with beer, then put foil over the opening and place a rubber band around the foil to keep it secure. Next, take a small object the size of pencil lead and poke holes in the foil. Then set the jar out and leave it alone. The small flies seek the fermenting smell of the beer and go down into the jar through the small holes in the foil. They can't get out through the same holes so they soon drown. It sounds crazy, but it does kill them. I guess it lends truth to that saying about drinking and flying......

A TYPICAL SIGHT in the area now are fields and fields of snowy white cotton. Many farmers have used drop-leaf or acid to defoliate, and report that the cotton is 'great' in part of the field and 'not so good' in other parts. Some of the dryland farmers were lucky enough to get rain at just the right time, and irrigated fields, for the most part, are producing excellent yields. (News Photo)

'Taste of Knox City' Is Nov. 5

The Knox City Chamber of Commerce will be presenting something new

here on Saturday, November 5. A tent will be erected for "A Taste of Knox City" to be held at Pioneer Merchants Park from 11:30 a.m. until 1:30.

According to chamber secretary/manager Doris Crownover, anyone may enter as many recipes in as many categories as they wish, and entry forms must be submitted to the chamber office by 12:00 noon on November 2. Dishes must be brought to the tent between 9:00 a.m. and 11:00 a.m. on November 5.

Recipes should be typewritten or printed on the provided form, and all recipes entered are released for copy and later publication, Mrs. Crownover

Each dish should be of an appropriate size to accommodate a large group. When possible, food should be precut in small samp. size portions. Also, all dishes and utensils should be labeled before bringing them to the serving site.

There will be a special division for youth 18 and under, and the youth divisions will be judged as one

Categories include main dishes which include meat or meat substitutes, casseroles, stews, sandwiches, soups, etc.; fruits and vegetables; breads; salads which can be a combination of meats, vegetables or fruit, cooked or raw, accompanied by a dressing; appetizers which include dips, dippers, fondues, party food, and nachos; and last but not least, desserts including cakes, pies, cobblers, cookies, and puddings.

As will be noted in the ad elsewhere in this week's News, chefs are admitted free, adults \$5.00, children \$3.00, and under three admitted free.

There will be prizes including \$50.00

worth of free groceries for the lucky

Each person attending the "Taste of Knox City" will be given a complete list of the entries, and he or she will mark their favorite dish from each category. The ballots will be tallied to determine the winner of each.

For more information, readers should call Mrs. Crownover at 658-3442.

Carriker Is **Appointed To** Committees

AUSTIN - Lieutenant Governor Bill test and other activities kept some Hobby has appointed Senator Steve Carriker to the Senate Standing Committees on Economic Development Several merchants reported more and Criminal Justice. people in town on Saturday than on

> In announcing the appointments, Hobby said, "Senator Carriker's years of service as a member of the House of Representatives will add valuable experience and insight to the work of these committees, which deal with some of the most critical issues facing Texas today. I look forward to his contribution to these committees and to the 71st Legislature.'

The appointments are for the remainder of the interim. Appointments to committees for the 71st Legislature will be made in January.

'Hound Express' Rolls On By Dave Thompson 25 from the 36. Large picked up 6 on With the Greyhounds going for a first down and 12 on 2nd down as the near perfect season record, the Valley first quarter ended. Third and 7 brought a run by Alex Ledesma that Patriots became their latest victims when Knox City blasted them out of the picked up 5. On 4th and 2, Ledesma onstadium by a score of 55 to 6. ce again picked up a Knox City first Once again playing before a home down with the Greyhounds on the

audience, the Greyhounds started action when Jim Ford fell on the opening onside kick by Valley. Quarterback Billy Wayne Large took the ball on a long run with Alex Ledesma picking up 29 yards on the next play and Billy Large taking it into the end zone on the 3rd play of the possession. The extra point kick was good and Knox City led 7-0 with 11:29 left in the first quarter.

Jim Ford, Danny Grindstaff, Robbie Whitford, and Alex Flores all made tackles that helped to stop the Valley drive. Valley faked the punt on 4th and made a 1st down before Jim Ford brought the runner down. Soon after the first down, Valley made several mistakes for yellow flags that set them back to face a second and 30. A pass attempt was stopped by the Greyhounds and the play brought another yellow flag for the Patriots. Valley then made a quick kick on 3rd down and turned the ball over to Knox City.

Quarterback Large immediately picked up another first down on a first down run, followed by Ledesma running into a wall of Valley defenders and not gaining any yardage. Two Greyhound pass plays failed, and Knox City punted away on 4th and 10.

Alex Flores, Danny Grindstaff, the officials with yellow flags and an incomplete pass soon forced Valley to punt back to Knox City on 4th and long.

Roy Roberson started the next offensive series for Knox City with a quick 5 yard run. Billy Large and Alex Ledesma then teamed up to move the ball from the 40 yard line to the Valley 20. On first down from the 20, Jim Ford received a pass to put the Hounds in a first and goal situation. Alex Ledesma then marched right into the end zone for another 6 points. The extra point kick barely made it in, but the effort gained Knox City their 14th point in the game with 3:13 left in the first quarter.

Valley started from its own 27 after Alex Ledesma brought the runner down on the kickoff. Robbie Whitford made the next stop as Valley gained only 2 yards. Danny Grindstaff broke up the next pass attempt and on 3rd and 8, Harvey Rocha, Ledesma, and Whitford teamed up to stop the runner at the line of scrimmage for no gain. Valley punted to Knox City on 4th

Knox City took over on the Valley 44 yard line with Ledesma running the first play for 7 yards. Another first down came next with a run by Roberson, moving the ball down to the 20 yard marker. A clipping penalty brought Knox City back to a first and

Valley 9 yard line. Two plays later Large was knocked for a loss back to the 15 yard line for a 3rd down. Large then passed to Ledesma who ran out of bounds on the 1 yard line. Billy Large then moved the ball in to the end zone

extra point by Ledesma was good and Knox City went ahead 21-0 with 9:59 left in the half.

Danny Grindstaff, Mike Manuel, and Jim Ford combined on a tackle to stop the first down run by Valley. The 2nd down run was stopped again by Manuel and the 3rd down was stopped in the backfield by Harvey Rocha.

Coach's Comments

for another Knox City touchdown. The

By Coach Pat Risinger

The Valley Patriots became the latest victim for the "Hound Express" Friday night as the Hounds rolled to a 55-6 victory. This win ran our record to 7-1, 5-0 in district play and sets up the biggest showdown of the year Friday night against Paducah.

Offensively, we rolled up 489 yards, 376 coming on the ground, behind our offensive line. These young men have done an outstanding job this season, and along with line coach C.H. Underwood deserve much of the credit for our success. They will be faced with their stiffest challenge of the year against a good and big Paducah team. For us to be successful these young men must continue to control the line of scrimmage.

Defensively against Valley, our kids dominated allowing only one touchdown. We gave up some rushing yardage but did not allow them to sustain any drives. Overall it was a total team

effort by the Hounds.

The Paducah game is a must win for us in order to reach our goal of a district championship. Paducah is a much improved team from early in the season. They have made some offensive changes that have solidified their ballclub. They run out of slot I offense and have good size on the line and excellent speed on the backfield.

Defensively, they run a split 6 defense with several variations. They stunt most of the time and show multiple front to disguise their stunts. Overall, they have excellent talent, and it will take our best performance of the year to win the game.

Our JV team defeated Crowell Thursday night 36-0 to maintain their undefeated record. They are in action Thursday night at O'Brien against the Paducah JV. This also will be a big challenge for these kids, and we need everyone's support Thursday and Friday nights.

Political Forum Set In Stamford

STAMFORD - Big Country citizens are encouraged to attend a Political Forum here Tuesday night, November 1, to become more informed voters prior to the November 8 General Election. The forum will be held in the VIP Center, two blocks west of the high school, and is scheduled to begin at 7

All candidates within the 30th State Senatorial District, regardless of political party, have been invited to attend, along with national and local candidates.

Each opposed candidate will have time for a few brief remarks and all candidates present will be introduced. A reception will follow the formal portion of the forum to allow voters to talk to the candidates on a one-to-one

Big Country residents are invited to take part in the political fourm and are encouraged to cast a knowledgeable ballot on Nov. 8.

ENTERTAINING THE Oktoberfest crowd Saturday these band members who were "winding down" about 2:00 p.m. Pretty weather and lots of good food pleased the crowd as they milled around Merchants Park. The annual event is sponsored by Retail Merchants of Knox City. (News Photo)

CAUGHT BY the photographer about 2:00 p.m. Saturday were these last minute "lookers" as several of these with booths were beginning to close. Thirteen organizations and individuals displayed their wares during the second annual Oktoberfest sponsored by Retail Merchants. (News Photo)

KC Study Club Meets October 20

The Knox City Study Club met in the Community Center Thursday, October 20. After a short business meeting, the ladies journeyed to Haskell for a tour of the Fields Museum, then on to the Haskell County Library.

After browsing through the many

books they went to the Dairy Queen for refreshments before returning home. Ladies enjoying the outing were Lena McGee, Winifred White, Charlotte Patterson, Elizabeth Wilson, Marguerite King, Audie Johnston, and Janoma Stephens.

CORRECTION

In last week's edition, the story on three men who were burned in an oil field tank battery blaze stated that Larry Barbee of Rule was released from the Knox County Hospital on the Saturday following the accident. We have since found that this information as it appeared in a daily newspaper and heard on a radio broadcast was incorrect. Larry was not released from the Knox County Hospital until the following Wednesday. We apologize for repeating the error and for any inconvenience it might have caused.

Steve, Karen, Kathy, Stephanie and Jake.

Hounds

Valley punted back on 4th with Knox City taking over on its own 41.

Alex Ledesma picked up another first down with a good yardage first down play. Roberson picked up 2, and a face mask penalty against Valley moved the ball into Valley territory. On 1st and 3, Roy Roberson ran for 42 yards and another first down on the 2 yard line. Roberson then moved into the end zone on the next play for another Greyhound touchdown. Ledesma again kicked the extra point to advance the score 28 to 0 in favor of the

With 6:49 left in the first half, Bob Burkham stopped the Valley kickoff runback attempt. Alex Flores, Jim Ford, and Mike Manuel stopped the next three plays for Valley and 4th down brought a punt attempt that backfired with a missed snap and Bob Burkham recovering the ball on the Valley 3 yard line for Greyhound possession. Billy Wayne Large moved the ball in 2 plays later and Willie Rodriquez kicked in the extra point to put Knox City ahead 35-0 with 4:36 left

Good pass coverage by Danny Grindstaff broke up a long pass attempt on first down, Willie Rodriquez stopped the 2nd down runner and Rodriquez and Manuel stopped the third down run, but not before Valley picked up a first down. Jim Ford and Mike Manuel stopped the next run while Andy Mc-Crary stopped a Valley touchdown on the next play by hauling down the runner after a long run and another first down. Under pressure with their backs to the wall, the Greyhound defense held and Valley soon faced a 3rd and 16. The 3rd down run was stopped by Jim Ford and Valley threw a long pass to score its first touchdown on a 4th and 16 yard play. The extra point kick failed and the scoreboard finally showed something on the visitors' side with Knox City 36, Valley 6.

The onsides kick by Valley was downed by the Patriots with Knox City taking over on the 46 yard line. The first play saw a long pass from Large to Alex Flores and a run into the end zone to put Knox City ahead 42-6 with an extra point kick by Willie Rodriquez that

Valley ran out the clock to :08 seconds before they called a time out for a sideline conference. When play returned, Valley completed a long pass for a first down with another time out and :01 second left in the half. The remaining play saw another long pass play that was incomplete. The half en-

ded with Knox City ahead, 42-6. The last home game halftime ceremony of the season for the Knox City band, twirlers and drill team was a good one as everyone combined to put on a good show for the fans. Instead of taped music as in the past, the Scarlet Belle Drill Team performed to a beat provided by the Knox City Greyhound Band and the home town crowd seemed to really enjoy the entertainment. The band then performed its contest show, as they would perform on Saturday in the UIL Marching Band Contest. The entire routine was great and should provide some strong competition at the band contest in Wichita Falls.

The second half started with Knox City kicking off to Valley with the Patriots taking over on their own 12 vard line. The Patriots gained several first downs but failed to score on their next drive. Good play coverage by Mike Manuel, Augie Rodriquez, Robbie Whitford, Monte Owen, and Fred Ledesma high lighted defensive action by the Greyhounds. A fumble recovery by Robbie Whitford turned the ball back over to Knox City with 6:40 left in the 3rd quarter.

With runs by Ledesma and Roberson stopped cold by Valley, a 3rd and 9 play broke loose when Ledesma picked up 8 yards. On 4th and 1, Ledesma picked up the first down for Knox City to keep the drive alive on the Valley 30 yard line. A long and exciting run by

From Page One

Billy Wayne Large was brought back on a clipping penalty against Knox City. On first and 15, Large passed to Harvey Rocha for a pickup of 14 yards. On 2nd and 1, Large kept the ball for short yardage and a first down pickup. Two plays later Valley picked off a pass from Large after Billy Wayne had his arm hit while trying to get the pass off. Valley took over on the 25.

Knox City took over a few plays later and Billy Large immediately ran for 35 yards around the left end for another Greyhound touchdown. The extra point by Willie Rodriquez was short but Knox City still moved ahead 48-6.

Valley once again tried to make the offense work but Mike Manuel soon recovered a Patriot fumble to give Knox City possession on the 30. Bob Burkham and Danny Grindstaff picked up good yardage on the next two plays with Willie Rodriquez in as quarterback for Knox City. On 3rd down, Danny Grindstaff moved into the end zone to put Knox City ahead 54-6. The extra point kick by Fred Ledesma was good, and Knox City moved ahead 55-6 with :02 left in the

On the next offensive drive for Valley, Willie Rodriguez recovered a Patriot fumble to once again give Knox City possession. Danny Grindstaff then moved the ball 30 yards downfield and set Knox City up with a first down on the Valley 25 yard line. Four plays later Knox City turned the ball over on downs after failing to make a first

With 8:38 left in the game, Valley again tried to mount an offense but Augie Rodriquez, Alex Flores, and Danny Grindstaff soon forced a 4th and 1 play. In spite of being hit by several Greyhounds, the Valley runner made the necessary yardage and picked up the first down on their own 35. Willie Rodriquez showed the Greyhound brand of sportsmanship on the next run as he smashed the runner into the turf and out of bounds, then reached down to help the Patriot to his feet and congratulate him on his effort. Flores, Rodriguez, Rocha, and Roberson showed what a fired up Greyhound defense was capable of as they hit Valley hard play after play. The Patriots did make another first down with short yardage runs, and a face mask penalty against Knox City gave Valley another first down on the Greyhound 25. Another first fown for Valley just 3 plays later put the Patriots within scoring range on the 6 yard line. A clipping penalty against Valley set them back 15 yards for a 2nd and 21. A time out with :45 seconds left on the scoreboard. A quick pass play that failed led to another time out with :42 left on the clock. A long pass play that was complete to the 1 yard line for the Patriots. With the clock running. Knox City held Valley just short of the

Players of the Week

BILLY WAYNE LARGE

By Dave Thompson

The player of the week on offense this week was not a difficult choice. Billy Wayne Large played an excellent game and the resulting stats are all in his favor. Once again, Billy showed us all that he has the unique ability to scramble and find the way out of tight places. His extra effort all game long brought about some spectacular runs and a lot of points on the scoreboard. With Billy Wayne running the ball, the play named 'quarterback keeper' should be changed to 'quarterback

The player of the week on defense is

ROBBIE WHITFORD

Rob Whitford. He scored higher on the defensive stats furnished by the coaches than his teammates and his name was heard on the public address system all game long as he made tackles and sacks. Robbie has a 'superman' approach to the game of football: his is mild mannered like Clark Kent all week long, then swiftly changes to his Superman image for each game. That mild mannered and quiet student becomes an aggressive, hard-hitting, and determined hunter who seeks out his prey all over the

goal line for 2 plays and caused a fumble that Valley recovered itself. On 3rd and 5 with 2 seconds on the clock, Valley tried a pass, but Robbie Whitford sacked the quarterback deep in the backfield to end the game on a positive note for Knox City with the scoreboard showing 55 to 6 in favor of the Greyhounds.

Next Friday night, the Hounds travel to Paducah to take on the Dragons at 7:30. That is the next to last season game, with the last one for the Greyhounds being the following Friday when they travel to Munday for what could be the showdown of the season for the two teams. See you

Benjamin News

By Gladene Green

News is scarce this week. There's been a little "going on" but not much. Everyone over this way is getting ready for the P.T.O. Halloween Carnival. We invite our friends all over the area to come and enjoy the fun with us. Also the firemen are about through with their spook house. And I believe it will be open Saturday night and then on Monday night, October 30. It's always fun and the proceeds go to a real good cause-the BVFD.

Reports from San Antonio are that Grace Snailum is not doing very well. She remains in the hospital and her progress to improved health is slow. We hope to get a more encouraging report the next time we hear. JR. HIGH FOOTBALL

The local boys traveled to Patton Springs Thursday night and came home with another victory. The score is not available but I do know they won. I wish I had all the details but do not have so will just say. "We Won Again and will meet Guthrie here Thursday night"

LOCAL GIRL DOES WELL AT DALLAS

Rhonda Whitten, the daughter of Jack and Judie Whitten of Benjamin, was a recent winner at the State Fair in Dallas. Rhonda won the reserved championship of the American Breed with her Santa Gertrudes steer.

Rhonda is a freshman at Benjamin High School and has been a member of 4-H and we congratulate Rhonda on her accomplishment.

HERE 'N THERE Barbara Kilgore of Los Angeles, California, visited her mom and brother, Ozelle Kilgore and Galen Kilgore recently.

H.T. and Kathleen Melton, who are presently residing in Lubbock were "home in Benjamin" for the weekend. It was good to see them and they both seem to be doing pretty well. And as always, send their best to all their friends here whom they failed to see

I talked to Juanita Burnett today and she reports that her nephew, Tommy Latimer who was injured in an accident a while back, is back in the Hospital in San Antonio and will undergo surgery tomorrow (Tuesday, October 25). Juanita recently returned from a visit with Tommy and Betty and said Tommy is in real good spirits and is hoping this surgery will improve

Jack and Mary Young of Lubbock were weekend visitors in Benjamin. They and Dutch and Imagean Young spent the weekend in Wichita Falls with the Butch Youngs and they all celebrated Imagean's ?? birthday.

Recent guests of Juanita Burnett were Joardis Davis and daughter Kera of Amarillo and Ellen Ellis and Cindy Leo of Austin.

BY AUDIE

JOHNSTON

"The wheel was invented so we could move faster. Credit was invented so we'd have to.'

O'Brien Happenings

HERE AND THERE Debbie Felston of Dalhart visited her grandparents, Clifton and Bessie Duncan, over the weekend.

Vivian Hendrix visited her daughter Frances Howell and family in Iowa Park last week.

Delbert Raye, Misti and Mona Hayes of Seymour and Pam, Mark and Amber Reed of Munday and Charles Tate of Knox City visited Hazel and Delbert Hayes over the weekend.

Rev. Bill Trice and Evelyn spent the weekend in Dublin visiting relatives and friends. Rev. Troy Culpepper of Haskell filled in for him in the pulpit

Winnie Johnston was in Stamford with her daughter Barbara McGaughey over the weekend. She was in Abilene also to see a skin

Ernest Oneal fell at his home here Sunday afternoon and was carried by ambulance to Methodist Hospital in Lubbock with a possible broken hip His daughter Jean Johnston and husband Dwayne live there and Jean

works at Methodist Hospital. Visiting Mr. and Mrs. J.D. Hollis last weekend were Mr. and Mrs. Jimmy Hollis, Mrs. Robbie Hollis and Lauren and Blaine all of Richardson, Doyle Chandler of Snyder and Laura White of

Lubbock Ruth Wampler of Rochester visited Elsie Pierson a few days last week.

Claudale and Jean Barnard and Charlie and Virginia Smith of Munday were in Big Spring last Friday to attend the funeral for the girls aunt Jessie Johnston. They also visited in a Snyder Rest Home. The deceased was a sister of Mrs. Sellars the girls

NEW GREAT-GRANDBABY

Audie Johnston has a new greatgrandchild (number eight, that is). Her name is Kristen Nicole Lewis, born Saturday, October 22, to Kari and Brad Lewis of Slaton, in Lubbock.

Grandparents include Marilyn a Don Johnston of Slaton.

"Kindness-In scattering seeds of kindness, do it by hand and not machinery.'

FHANEWS

By Starla Whitaker

Stephanie Pepper, the only sophomore officer, is currently Vice-President of Achievement. This is Stephanie's second year in FHA, but she doesn't let that fact bother her. In fact, this young sophomore has high aspirations for her office.

Stephanie's plans are to spread the Power Of One throughout the FHA members, and try to encourage them to get them involved in Power of One. Stephanie believes that her job contributes to FHA by helping the members learn more about themselves. Stephanie has high hopes this year in FHA: have a successful and fun year.

Stephanie got interested in FHA when she entered high school, and she was influenced by her friends. Stenhanie says that the hest thing about FHA is, "Learning about myself and others, and having fun times and

This year's youngest officer leaves us with these wise words of advice, "Become in FHA, and encourage others to become involved."

Houndettes End First Round Of Play With 7-0 Record

District Tourney Saturday

Knox City Houndettes ended the first round of district play with a 7-0 record. Lueders-Avoca was defeated by the Houndettes 15-6, 15-10 on Tuesday, October 11. Woodson came to Knox City on October 18 and went home beaten 15-3, 15-3.

Having won all their matches in the first round of district play guarantees the Houndettes a spot in the playoffs. It also allows Knox City to host the district tournament on Saturday, Oc-

The four teams with the best record plays at home on Thursday, October 27. Knox City will play Woodson at home at 6:30 p.m. The four teams that win on Thursday comes to Knox City

The first match starts at 10:00 a.m., followed by a second match at 11:00 a.m. The championship game is scheduled for 1:00 p.m.

Knox City will meet Era or Windthorst in their bi-district match. Windthorst is currently ranked number one in the state. Era moved to Region 2 from Region 3 where they were in the regional tournament last year. Era has beaten Windthorst one game and went 11-15 in game three of a district match. So the Houndettes need to play their best if they want to advance in the playoffs. The bi-district match will be played November 3 or 5 at a site to be determined. Come out Thursday and support the Houndettes.

School

News

Saturday should be a treat for volleyball fans. You will see some good games played. Hopefully, our Houndettes will win the tournament and be the District Champs.

Letters To The Editor

READY FOR THE FUTURE

Fall memberhip recruitment has begun for Girl Scouting in the Wichita Falls and area towns. Girls will be given flyers to take home for their parents to sign and return to school. Girls and their parents will be contacted with the time and place of the first meeting.

Girl Scouting was founded in Savanah, Georgia, by Juliette Low in 1912. Currently there are 2.9 million members nationally and about 1700 members locally.

There are five age levels in Girl Scouting. Daisys are the kindergarten girls. They participate in activities geared to the five year old in small troops. Brownies are the first, second and third grades. Brownies have a patch program where they explore various fields of endeavor. Junior are fourth, fifth and sixth grades. Juniors work on a badge program with 83 areas of interest. Cadettes and seniors are the junior high and high school girls. They work on interest projects ranging from automobile mechanics to make up and dress. There are activities for all girls with many in-

NorCenTex Girl Scout Council was founded in 1961 and is governed by a volunteer board led by president Claire Duke of Wichita Falls. Barbara Brock is the executive director. Girl Scouts are a United Way Agency.

The Girl Scout program depends on volunteers to be troop leaders and ad-

ministrative volunteers. Training is provided for both new and experienced leaders. There are girls waiting for persons to help them grow up to be all they want to be. If readers can give a few hours of their time each week, they are asked to please call the Girl Scout Service Center at (817) 723-4336.

Area representatives are Karen Huffer, Penny Patterson, Peggy Van Allen, Wichita Falls; Gini Kocurek, Sheppard Air Force Base; Glenda Shepherd, Midway/Henrietta; Cheryl Hutchinson, Burkburnett; Denise Parham, Iowa Park; Jeannie Hunt, Seymour; Debi Sellers, Munday; Judy Perdue, Knox City; Nancy Ritchie, Vernon; Deana Hawkins, Quanah; Peggy Norman, Childress; Dianne Phillips, Chillicothe; and June Hamilton, Paducah.

Officials welcome calls regarding the Girl Scout program or about being a Girl Scout Volunteer. If readers want their daughter placed in a Girl Scout troop, please call Judy Perdue, (817) 658-3045.

Former KC Superintendent Dies Sept. 17

Funeral services for former Knox City School Superintendent A.M. Whitis of San Antonio were held Tuesday, September 20, at 11:00 a.m. in the chapel of Briggs-Gamel-Wilcox Funeral Home in San Antonio. Dr. Joe Bob Rushing officiated, and interment was in the Kempner City Cemetery.

Mr. Whitis, 83,died Saturday, September 17, in Humana Hospital-San Antonio.

He was born in Kempner in 1905, the youngest of 12 children born to W.R. and Eliza Ellen Whitis. The family moved to Kempner in 1893 from Oakalla where they had owned and operated a general mercantile store. At Kempner, they remained in the retail business while acquiring extensive land holdings to the north and west of the present town of Kempner.

After attending public school at Kempner, Mr. Whitis enrolled at North

Texas State University.

Upon earning a Bachelor of Science degree at NYSU, he completed his Master of Science degree at Texas Technological University and later did doctoral study at Baylor University in Waco

Beginning as a classroom teacher, Mr. Whitis, career as a teacher and school administrator spanned 48 years. He served as principal of Newcastle High School for several years and later was named superintendent of school at Knox City. He was named superintendent of the A&M Consolidated School Dirict in College Station, the Hamilton Independent School District, and the Eldorado School District.

After retirement from public school administration, Mr. Whitis returned to the classroom full-time as teacher of

O'Brien Exes 1949-1953 'Get-Together'

O'Brien exes from the classes of 1949-1953 met during the recent homecoming weekend at the home of Leonard and Wanda Phipps for a good time of fun, food, and fellowship. The serving table was covered with a gold cloth and centered with an arrangement of fall silk flowers in a brown ceramic vase. Refreshments of cake, cookies, chips, dip and soft drinks were served. A scrapbook of homecoming class parties, pictures and annuals of the activities of the '49-'53 school years were shared along with quite a few laughs.

Attending from the class of 1949 were J.O. Brothers, Sammie Johnston Roberts, O.L. Emerson, Newman Young, and Dixie Moon Pierce, Charlene Manning Brothers, Sydney Joe Hester, June Lowrey Tankersley, and Rebecca Barnard were present from the class of 1950, Jim Beauchamp, Bill Dodd Matura, Anne Underwood, and Ruby Brothers Wilson attended from the class of 1951, present from the class of 1952 were Sammie Ellis Murry, Joyce Beauchamp Hester, Bobbie Stephens Marshall, Aderle Herring; and from the class of 1953 were Wallace Cox, Ernie Lancaster, Wayne Hutchinson, and Leonard Phipps

Guests included Grady Murry, Samuel Tankersley, Helen Lancaster, Tommye Cox, Jessie Matura, Jerry Don and Betty Erwin, Al and Barbara Erwin, Nona and Mindy Hutchinson, Wanda Phipps, Doris Herring, Kenneth Roberts, and Carl Marshall.

Information Day Held Is 'Successful'

The Knox County Extension Service held its annual information day Monday, October 3, at the Citizens State Bank in Knox City.

Seventy-eight Knox City area residents stopped by to view the exhibit and visit with members of the Extension Program Council and County Extension Agents Jane Rowan and Donnie Peters.

The Citizens State Bank donated a \$50.00 savings bond to the Extension Program Council. Those present were registered to win the bond which was given away at 3:00 p.m. Alma Culwell of Knox City was the lucky recipient.

The Knox County Extension Service is located on the first floor of the County Courthouse. They invite the public to call on them for assistance as they offer a variety of programs and activities for everyone.

David Counts Receives Agfund Endorsement

The Texas Farm Bureau Friends of Agriculture Fund, (AGFUND), Inc. has announced support for David Counts of Knox City who is seeking election to the Texas House of Representatives from District #78 in the November 8, General Election. The AGFUND endorsement is based upon the candidate's views in regard to key issues affecting farmers and ranchers and other rural Texans.

AGFUND Treasurer Warren Newberry of Waco said, "It is important that we exercise our right as citizens and actively support candidates for public office who will best serve the interests of the State of Texas."

The endorsement is the result of evaluation by local farmers and ranchers of the candidate's views on issues such as environment, transportation, property rights, and others that relate specifically to agriculture.

October 20, 1988

Dear Stacy:

We received the two papers delivered by UPS, Tuesday and we want to give you our thanks for them. We have enjoyed them so much! The pictures of our grandsons, Dr. Springer and wife were very good, the courage of the reception, and the annoucements were excellent, and we appreciate your printing my letter. All of these will be put in my scrapbook. You have a very nice paper!

Knox City will be remembered daily at our house, as we remember our children and grandchildren everyday.

Thank you so for your kindness.

Sincerely, Mrs. J.D. Nunley Graham, Texas

(Editor's Note: Thank you for your kind remarks concerning our *Knox County News* Mrs. Nunley. We are delighted to have Dr. and Mrs. Springer as a part of our community.)

Traci Fry Receives ACU Honor

Traci Fry of Rochester, Junior English Education and Journalism major at ACU, has received notice of her acceptance into the "W" club at the University. Membership into the ACU Women's organization is by nomination only. Students must be nominated by both faculty members and club members, maintain a high grade average, and be active in all phases of University life.

Traci is a member of Tri Kappa Gamma social club and plays on each of TKG's five seasonal intermural athletic teams. Thursday, Traci's team won the University championship in powder puff football. She is also a member of the National Honors Society, Kappa Delta Pi, and is a USAA Scholastic All-American. Traci is a tutor at the Learning Center and will be an Optimist editor again next year. At present, she is doing her observation teaching in English at Abilene High School. She is the daughter of Keith and Sandra Fry and the granddaughter of Thelma Grin-

LOOK WHO'S THERE

Elizabeth Hines is proud to announce that she has a new great-granddaughter.

The baby has been named Victoria Sue Shields and she was born October 17 at 8:20 a.m. at Parkland Hospital in Dallas. She weighed in at five pounds,

Proud parents are Linda and Victor Shields of McKinney.

Grandparents include Barbara and Keith Flowers of Richardson.

OKTOBERFEST

(From Page One)

Winners in the pumpkin decorating contest at the Mini Mall, also sponsored by Retail Merchants, were Cari Trojcak, most original; prettiest, Manuel Ledesma; and ugliest, Micheal Ledesma. Scarcity of pumpkins in the immediate area this year limited entries as compared to last year's, officials said.

Providing country western music for the Oktoberfest were Antoine Tichelman of Sagerton, fiddler; Brownie Tackitt, fiddle; Jo Anne Maddox, piano; Bob Berryman, guitar; Orvell Dear, harmonica; Jake Wallace of Munday, fiddle; and Wallace's daughter who also played piano and sang. Also providing vocals was Evelyn Balis.

EDDIE AND FAYE SHAVER

Shavers Celebrate Golden Anniversary

Mr. and Mrs. E.B. Shaver Jr. recently observed their fiftieth wedding anniversary on October 15-16.

For the family celebration, they joined their daughter and son-in-law, Joan and John Muller, and grandchildren, Annica and Edward, in Denton, at the home of their son and daughter-in-law, Brack and D'anna, and grandsons, Braxton, Nolan, and Austin. The family enjoyed a weekend of numerous activities.

Saturday, the group attended a soccer game in which Braxton played and a Tennessee Williams' play "Summer and Smoke" in which Nolan had a role. Saturday evening, family members

enjoyed a dinner at a Denton restaurant, along with the traditional fiftieth anniversary cake.

On Sunday morning, the Shavers had a formal brunch at the Hyatt-Regency

Born west of Rule, the former Faye Yarbrough is the daughter of the late Felicia Ann and Elam (R.E.) Yarbrough. Eddie, the son of the late Mary Elizabeth (Mollie) and E.B (Ed) Shaver, was born west of Knox City on the Bush and Burnet Ranch.

Faye and Eddie are graduates of Knox City High School. They were married by the Rev. Sherrill in the Methodist parsonage in Knox City on October 14, 1938. Prior to their marriage. Faye was a local telephone operator. Eddie has been farming in the Knox City, Benjamin, and Haskell areas since he began helping his father at the age of 14.

He was a cadet in the U.S. Army Air Force, then served in communications in the U.S. Army for over three and one-half years during World War II, assigned to units in Iwo Jima, Wisconsin, Nebraska, and California.

The Shavers' two children include a daughter, Joan, born in 1942, and a son E.B. Shaver III (Brack), who was born

Eddie served on the school board for the Knox City Independent School District during the 1950s, and both Faye and Eddie have been active members of First United Methodist Church in Knox City since their marriage. Eddie is a member of the Teague-Carpenter American Legion Post No. 229, and Faye was a charter member of the 1946 Study Club and helped raise funds for the Woman's Building. Faye was employed by the late A.V. Kemletz and the late A.B. Lowrey before accepting employment with Dr. R.G. Howell.

The couple continues to farm locally and enjoys semi-retirement.

Plant Material Center Growing Trees and Grasses

By JOEL DOUGLAS

The James E. "Bud" Smith Plant Materials Center, locally known to many as the grass farm, has a wellkept secret. There are as many species of trees, shrubs and forbs grown on the center as there are grasses. Some of the forbs that can be seen are maximillian sunflowers, which are blooming this time of year, partridge peas, englemanndaisies and bushsunflowers. These forbs provide food and cover for all types of wildlife, including quail, turkey and deer. They are also used for landscaping due to their showy flowers. Trees and shrubs growing on the center include many of

the oaks, pines and junipers (cedars). These trees and shrubs are used for windbreaks around homes and farmsteads, to provide food and cover for wildlife and beautifying the landscape. Many of these trees are the same ones that the Wichita-Brazos Soil and Water Conservation District sell each year to the public. If readers are planning to purchase trees this year, now would be a good time to come by and see what they look like.

The Plant Materials Center is located four miles northwest of Knox City on FM 1292. The center is open Monday through Friday from 8:00 a.m. to 4:30 p.m.

Care Home News

By Debbie Dudensing

The new Adopt A Grandparent program has started off real well this month. Under the direction of their troop leader Shirley Davenport, Knox City Girl Scout Troop #107 and their adopted grandparents worked together this month in arts and crafts to make door decorations for the residents' doors.

We would also like to thank the Dennington family for their entertainment during the noon time and on Saturday while they were here for the O'Brien Homecoming. Carmoleta, Blue Eyes, Katie, Nita, and Linda spent lots of time at Brazos Valley Care Home during their visit here. All the residents enjoyed their music and singing.

Also a special mention would like to be made to all our regular volunteers who give of their time each week, to spend time with the residents in their activity program. Residents and staff alike appreciate the time well spent.

Visitors for the past few weeks have

Heart Association To Meet At Benjamin

The Knox County Unit of the American Heart Association will meet next Tuesday night, November 1, at 7:00 o'clock in the Benjamin Memorial Building.

All directors and visitors are invited, a spokesperson said.

Safety, Caution Are Urged For Halloween Night

A most exciting time for many young children will be Monday, October 31, Halloween. As numerous, excited children will be combing the neighborhoods for those "Trick or Treat" delights, Major V.J. Cawthon, Regional Commander of the Texas Department of Public Safety urges motorists to be especially alert and on the lookout for youngsters who in their excitement may dart into the streets.

Nationwide each year over 8,000 pedestrians are killed and nearly 100,000 are injured. Because a pedestrian's chances of getting killed or injured are increased 800% at night, we adults, must think of our children's safety. Major Cawthon suggests that the following precautions be observed so that Halloween will remain a happy, enjoyable time. Children should be instructed in some traffic safety tips such as to use sidewalks. Do not jay walk. Look in all directions before crossing streets. Walk, do not run. Adults should accompany children when they go trick or treating. Children should wear make-up rather than masks. Light colored, nonflammable costumes which can easily be seen by motorists should be worn. Children should carry flashlights in order to see and be seen.

Homeowners who anticipate visits from the "ghosts and goblins" should leave the front porch light on and clear any obstruction from walkways.

As Major Cawthon stated, "Halloween can be fun, if celebrated legally and safely."

WTU Asks For Rate Increase

West Texas Utilities Co. has asked for permission to increase fuel factors effective on January 1989 bills. In the request filed today with the Public Utility Commission the company stated that the primary reason for the increase is the expiration of a 20-year gas supply contract at the Rio Pecos Power Station.

"This contract was essentially a fixed price contract which let us buy fuel at pre-1973 Oil Embargo prices,' said WTU local manager Dick Evatt. "Compared to the average cost of fuel during the last 20 years, this 22 cents per million BTU gas will have saved our customers almost \$350 million by the time the contract expires in late December 1988," he said. That includes the period in the early 1980s when average fuel prices had reached \$4 per million BTUs before declining to \$1.95 in 1987.

The company will continue to operate its system in a way that will minimize fuel cost and is presently studying gas supply proposals. However, WTU expects to pay eight to ten times more for replacement gas than the cost of the expiring contract.

The local manager emphasized that this change is tied primarily to expiration of one contract. Since 1985 WTU has lowered the factor five times, and had six refunds totaling almost \$50 million as a result of other contract changes.

WTU filed the request four months before the effective date of the factors to allow the commission time to review the request and process it through necessary channels.

Under the request a typical residential customer using 635 kilowatt-hours a month would see an increase of \$2.97 or 5.7 percent per month on the electric

Fuel factors cover the cost of boiler fuel used to make electricity. All other costs essentially are covered in base rates and can only be changed through a lengthy rate case proceeding. The company's last rate increase went into effect in January of this year. WTU officials do not anticipate the need for a rate increase in the foreseeable future although there could be some changes in the fuel factor as prices change.

Historical Commission Meets October 19

By Clara Owens

The Knox County Historical Commission met at the Assembly Room in the courthouse on Wednesday, October 19. The purchase of books for the use and training of museum volunteers was approved. A budget for 1989 was approved and approval was given to a tentative budget for 1990. Both budgets are to be reviewed at the February meeting.

A quilt as a museum fund raising project was discussed and Bill Baker and Faye Railsback were appointed to look into the project.

A museum building was again discussed. The search is continuing for a site. Anyone with a view on this is invited to submit suggestions to the Museum Committee of the KCHS. Members are Kenneth Roberts of Benjamin, Bill Baker of Knox City, and Doug Myers of Munday. Bill Baker was appointed to look into the pros and cons for one recently suggested site. Mrs. Jesse Roberts of Benjamin is coordinator of museum activities. A group of volunteers plans to catalog all

the items presently in the museum cases. The recently ordered books will make it possible to do this in a professional manner.

All citizens of Knox County are being asked to think about what kind of exhibits they would like to see at the museum to help tell the Knox County story and what items they or family members might be able to contribute to exhibits. No items are being taken now, but the types of articles available will influence plans for exhibits.

The Knox County Cemetery Survey under the chairmanship of Moulton Wiggins is continuing. At least six cemeteries have completed the tombstone copying portion of the project. The commission is still looking for a copy of the Sams historical marker which was taken from the Divide. Does anyone have a picture of the marker?

Radon Gas Testing Program Announced

A low-cost radon gas testing device that may prevent an increased risk in lung cancer is now available through the American Lung Association of

"Radon poses a potentially significant health risk," Wade Thomason, environmental health specialist for the American Lung Association of Texas, said, "Radon testing has not been done in Texas on a wide-scale basis. Therefore, we wanted to offer a testing service the average homeowner could afford."

According to the Environmental Protection Agency, "exposure to high levels of radon gas over a long period of time is associated with an increased risk of lung cancer." The EPA estimates 5,000 to 15,000 annual lung cancer deaths result from exposure to excessive levels of radon gas.

Radioactive radon gas occurs naturally in the ground and seeps into homes through cracks in foundation or basement walls and through other

The Lung Association of Texas, in cooperation with Glenwood

Laboratories, Glenwood Ill., is offering an alpha-track detector to residents of Texas at a discounted price of \$24.95.

After the homeowner has had the detector in place for a period of two weeks to three months, it is then sent back to Glenwood Laboratories in a postage-paid container provided in the kit. They will analyze the detector, determine the level of radon gas present, and send a confidential report back to the homeowner.

Requests for the kit must be submitted by mail to the American Lung Association of Texas, c/o Radon, P.O. Box 26460, Austin, Texas 78755. A check for \$24.95 payable to the American Lung Association of Texas should be included along with name and mailing address with each order No telephone requests will be accepted. Allow four weeks for delivery

The radon testing identification kit contains the alpha-track monitor, monitor seals, identification control cards, monitor hanger strips, return container and an easy-to-read instruc-

BREAST CANCER DETECTION UNIT AJAILABLE TO AREA WOMEN

Tuesday, November 1

KNOX CITY, TEXAS

According to the American Cancer Society, one out of eléven women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines

1. 35-40 years of age - One baseline mammogram.

11. 40-50 years of age - A 97% five year survival rate and mammogram every 1-2 years depending on breast type and

> III. 50 years of age and over An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with

significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast

A screening mammagram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00 The Unit accepts cash, check, Visa, Mastercard and American

eddingplan.
