THE BOBBY KING FAMILY

Bobby King New Pastor At First Baptist Church

The Rev. Bobby King has answered the call to Knox City's First Baptist Church and delivered his first sermon here on Sunday, February 5.

The Rev. King and his family moved here from Archer City where he had pastored the past three years. Prior to this, he pastored the Olden Baptist Church for six and one-half years. The new pastor has attended Hardin-

Simmons University in Abilene, Howard Payne in Brownwood, and is now enrolled in Criswell Bible Institute in Wichita Falls.

Both King and his wife Sylvia are natives of Seymour, and they have one son, Christopher, 11, who is a fifth grade student.

The community welcomes the Kings.

AIDS Awareness Seminar Set

Girl Scout Cadette Troop 112 is sponsoring an AIDS Awareness Seminar on Thursday, Feb. 23 in the Knox City Community Center at 7:00 p.m. Speaker will be Polly Brunfeld with the American Red Cross in Wichita Falls. Everyone is invited to attend the program which has been described as excellent by scout leaders.

Cadette troop 112 is participating in the 1989 Colgate Youth for America Community Service Campaign. Girl Scouts, Boy Scouts, Boys' Clubs, Girls' Clubs, Camp Fire and 4-H members all over the United States who are interested in community service, enter their projects each year in the program. This year, during the 16th

annual community service campaign, the Cadette Troop of Knox City chose AIDS Awareness as their community project, hoping to provide the people in the community with important and helpful information on the disease.

AIDS is a disease caused by a virus that destroys a person's defenses against infections. The AIDS virus, known as human immunodeficiency virus, or HIV, can so weaken a person's immune system that he or she cannot fight off even mild infections and eventually becomes vulnerable to life-threatening infections and can-

NEWS BRIEFS

Rain Is Wonderful!

The area had cloudy skies with light drizzle all day Sunday with very little precipitation, but awoke to thunder and rain Tuesday morning bringing the first measurable amounts in some time.

Wheat farmers in the area will get a reprieve, and cotton farmers will be able to cultivate the soil. As of noon Tuesday, the Channel 2 scanner showed 1.5.

Study Club To Hear Mrs. Driggers Thursday

The Knox City Study Club will meet Thursday, February 16, at 2:30 p.m. in the Community Center. Ruth Ann Driggers, daughter of Ruth and Tom Christ will present a program of slides on their ministry in Chile where she and her husband spent 17 years. Anyone is welcome to attend.

Hospital Auxiliary To Meet Monday At 5:00

The Knox County Hospital Auxiliary will meet Monday, February 20, at 5:00 p.m. at the downtown Thrift Shop. Auxiliary president Peggy McGaughey asks members to be present for the meeting.

4-H'ers To Compete At San Antonio

Seven Knox County 4-H'ers will be competing at the San Antonio Livestock Show February 9-17. Bryan, Kent and Melinda Latham of Munday will be exhibiting lambs and Nathan Herring of Munday, Adam and Amy Carver and Amanda Baker of Knox City will be exhibiting swine projects.

Buyers Recognized At County Banquet

The Knox County Junior Livestock Show Awards Banquet was held Monday, February 6, in the Benjamin Memorial Building.

J.M. Emerson, board chairman, welcomed those attending the banquet. Following the invocation, buyers were recognized and a covered dish dinner was served.

Emerson also recognized those who have assisted with the show during this year including Ray Crager, Knox City, vice-chairman; Leona Burkham, Knox City, secretary-treasurer; and board members, Jack Whitten and Homer Rolston, Benjamin; and Jim Reid, David Bordovsky, Lloyd D. Welch, and John Reneau, all of Munday.

Superintendents recognized were David Bordovsky and Jerry Pearce, rabbits and poultry; Jon Godsey, swine; George Oustad, sheep; and Fred Carver, Royce Miller, and Randal Kinnibrough, cattle; and show chairman, Lloyd D. Welch of the Brazos Valley Young Farmers, who sponsored the show.

Showmanship donors were L&G Welding, Leon Burkham, swine; Knox County Farm Bureau, sheep; Brazos

Valley Young Farmers, steer; and E&B Boot, Eddy Bailiff, poultry and rabbits.

The Pen and Cages, built by the Knox City FFA Chapter were sponsored by the Knox County Commissioners Court including County Judge David N. Perdue and commissioners Billy Gene Johnston, Bobby Roberson, Philip Homer, and Lee Patterson.

Making up the sale committee were David Albus, Butch Stephens, Greg Clonts, and Jon Godsey, Knox City; John Reneau, Sonny Moore, Floyd Reed Jr., Vernal Zeissel, and Joe Lowe, Munday; Homer Rolston, Sammy Pierce, Donnie Ryder, and Jack Whitten, Benjamin; and Ronnie Simmons, Gilliland.

Finance committee members are Ed Daniel and Mary Ann Boone, Knox City; Cindy McWhorter, Munday; Homer Rolston, Judie Whitten, and Jan Rolston, Benjamin; Louis Baty, Gilliland; Bob Cude, Goree; J.M. Emerson, O'Brien; and Don Daniel, Truscott.

Auctioneer for the 1989 Premium Sale was Royce Miller.

Longest Knox County Trial Ends After 11 Days

The former owners of a Knox City nursing home were found to be negligent in 50th District Court Monday of last week. After approximately five hours of deliberation, a seven-woman, five-man jury unanimously returned a verdict of negligence and awarded the largest settlement in Knox County memory to the estate of a patient. District Clerk Gloria West described the 11-day trial as the longest-running civil trial in Knox County history.

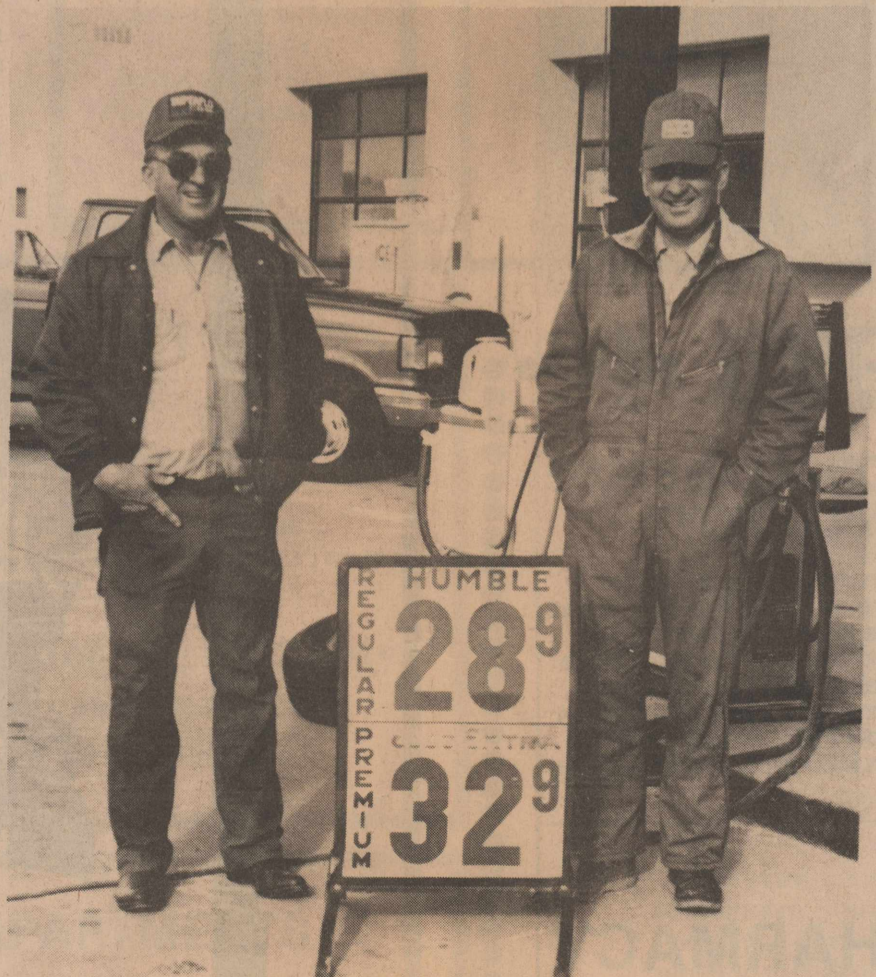

The estate of Lucille Hickman was awarded a \$500,000 settlement from defendant Truco Properties Inc. of Wichita Falls. The nursing home sold

to new owners several years ago.

Jimmy Jones is executor of the Hickman estate. Mrs. Hickman died in July 1987.

The suit was filed in August 1986 and the trial began on January 23 before District Judge David Hajek. Wichita Falls attorneys John Brooks and Bob Balch represented the Hickman estate.

Representing the defendants were Wichita Falls attorneys Charles Barnard, Charles Oldham, and Rosendo Rodriguez Jr.

A TRAFFIC JAM would result if this sign were displayed in front of a service station in this day and age, but Willard and Weldon Skiles only had it out briefly for this photograph. The brothers, co-owners and operators of Skiles Exxon in Knox City, have kept the sign inside their station since the time when gasoline could actually be purchased for 28.9 and 32.9 cents per gallon. Almost an antique, the sign undoubtedly starts many of those "do you remember when..." conversations! (News Photo)

READY TO TAKE on Lueders-Avoca Friday night for bi-district honors in Haskell are these district champion Knox City Houndettes. Standing, from left, are Marci Berryman, Stacy Cheek, Kristi Risinger, Mitzi Marion and Kim Bateman. Seated, from left, are Stephanie Pepper, Leah Rauch, team coach Joel Haragan, Trina Fry and Kim Ainsworth. Front row, seated from left, are Jennie Grindstaff and Karomy Sloan. (News Photo)

Houndette Bi-District Game Friday

Knox City's district champion Houndettes will travel to Haskell Friday night for bi-district action. The Houndettes will meet Lueders-Avoca on the court beginning at 7:00 o'clock.

The Houndettes played Paducah in a practice game Friday night at Guthrie and were victorious by the score of 64-56.

\$25,000 Poetry Contest Deadline Is March 1

A \$2,500 grand prize is being offered in World of Poetry's Free Poetry Contest, open to all poets. There are 300 prizes in all, totaling over \$25,000!

The deadline for entering is March 1, 1989. Winners will be notified and a winners list sent to all entrants--by May 1.

Says Editor & Publisher John Campbell: "Even if you have written only one poem, send it in. It's your chance to win big!"

To enter, send One Poem Only, 21 lines or less, to: World of Poetry, Dept. PR, 2431 Stockton, Sacramento, California 95817.

KC Man Named Service Agent By Farm Bureau

Jack Maddox of Knox City has been employed by the Knox County Farm Bureau office in Munday as service agent.

He began his duties on February 1, and is working primarily in the Knox City area.

A newcomer to the insurance business, Maddox is presently completing the necessary schooling to receive his permanent insurance license. A minister for the past 25 years, he is pastor of the Knox City First Christian Church where he has served the past five years.

Maddox and his wife, the former JoAnn Tackitt, have two children, Jackie Young, an LVN at Lubbock General Hospital in Lubbock, and James, a student at Texas Tech.

Don Welch, Farm Bureau agent, said that he is pleased to have Maddox as a part of his staff.

Peach Tree Pruning Clinic Set February 21

A peach tree pruning clinic will be held on Tuesday, February 21 at 5:30 p.m. at the Zeissel Bros. orchard South of Knox City. The orchard is located just east of the T.A. Watson residence on FM 2701.

Participants should bring pruning equipment for hands-on experience in pruning.

The clinic is being sponsored by the Knox County Horticulture Committee. Members include Lloyd D. Welch, David Bordovsky, Jim Dillon, Jacquita Welch, Paul Richwine, Dwayne Johnson, Bill Baker, Bill Kingston, Betty Kramp, Jerry Pearce and John Perkins.

Letters To The Editor

Dear Editor,

I'd like to tell you I'm upset. Last night, Thursday, February 2nd, school officials allowed parents a brief and abbreviated preview of the sex education program that they would like to implement into our schools' program next year. This is due to a well-founded and genuine concern for the number of teen pregnancies in our high school. I'm not upset with them, they are doing what they feel is best to help your children. I'm upset with the parents! This program is going to start in the 4th grade. To me, that means every parent of school aged children from 1st grade on up should have been there. But if I counted right, the only parents there that were not employed by or married to someone employed by the school were 3, to bring to grand total approximately 15 who attended. No school board members and few parents doesn't speak highly of our interest in our children. Is there some committee reading every pamphlet and watching the videos and seeing what our children will be seeing and reading next year? Is anyone asking hard questions? Does this promote abstinence first and foremost or is it mostly a contraceptive educational program? Is there going to be contraceptive referral to the Haskell Family Planning Clinic? How is parental involvement portrayed? How is abortion portrayed? Is the student prepared for sexual forays with an arsenal of contraceptives presented as the wise, smart, and fulfilled student or is the solid decision for abstinence presented as the absolute best choice? There are several good programs available today so has several choices been reviewed and this program selected as the best available? I'm not saying the presented program was bad or good. I'm just asking why aren't the parents interested? I believe it is the parents' role to educate their children and it is the states job to support that role. Parents, don't forfeit that role! Would you like to at least know or have someone find out if this program is suitable to your standards or if it is full of Planned Parenthood disinformation? I'm not sure if this program has been irreversibly chosen or not, but won't you please be interested? I do not support a "head-in-the-sand" naivete nor do I think contraceptives is a dirty word never to be mentioned in the presence of teens. But I do think we should take a close look when moral values are taught in the classroom and make sure there is no contrary values being fought. I've read several letters in this paper from upset parents that thought more should be attending our athletic functions. Well I've driven 150 miles to do so along with many other fans. I believe what's at stake here is more important than a game and our parents needed to show up and didn't.

A Concerned Parent,
Rick Smith

Mission, Texas
2-9-89

Mrs. Stacy Thompson, Editor
Knox City news paper;

Just a line to tell you the kind of service that is being given to your paper by the P.O. Department.

When we first came to Mission last October we received our K.C. paper on Saturday following the day you place the paper in the local P.O. After a few weeks the paper was received on Monday, then Tuesday, then Wednesday, today is Thursday and the paper has not been delivered to my P.O. Box yet, in other words 7 days have gone by since you sent the paper out and I have not received it. I think Doil Hammons in Harlingen is having the same problem. I can not understand why it takes more than one week after you put it in the mail for me to receive it.

I know the problem is not caused by you and I am not complaining about your service, but just wanted you to know what poor service is being given by the P.O. Department.

Maybe a word to the local Postmaster in K.C. can help solve the problem. I know that there are many people down here at this time of the year and it puts a heavy load on local postmasters, but we pay very high for service so where is the problem.

We look forward to receiving the paper weekly and of course expect it to be delivered promptly. We understand several of our friends have died recently, we like to read about it also other news that is happening in K.C.

Have had a few days of cold weather but don't think there has been much damage to Citrus fruit so far, perhaps damage to some early produce such as peppers, tomatoes, melons, etc.

Thanks for listening,
Joe Averitt

4000 Byers Avenue

O'Brien Happenings

By Audie Johnston

"Men are like tacks, if they have good heads and are pointed in the right direction, they serve their purpose well."

HERE AND THERE

Barbara Jo McGaughey of Stamford visited her mother Winnie Johnston Sunday.

Irby and Johnnie Carlisle were in Lubbock over the weekend to visit a sick friend in a hospital there.

Evelyn Trice was moved from the Haskell County Hospital last week to Hendrix in Abilene. She had surgery on her thigh to remove a blood clot. She is doing fine since surgery.

Visiting Dwight and Edrie Gothard Sunday were Edrie's niece Betty Sue and husband Larry Strube and Jake Crawley all of Comanche. They brought all kinds of good food and they enjoyed visiting and eating.

Claudia Reid of Rochester visited her sister, Adelle Herring and husband Ranzy Sunday.

Visitors in Vivian Hendrix home

over the weekend were LaNear and Heather Phillips of Wichita Falls, Bill and Pretrecia Kinzer, Kimberly, Kristy, Kent and Krvin of Grandfield, Oklahoma, LaDocia Morris of Midlothian, Jimmy, Frances and Susan Howell of Iowa Park, Ruby Boydston of Jean and Randy Cosson of Austin.

Murray Underwood of Fort Worth spent the weekend with his mother, Mrs. Ruth Underwood and his sister Anne Underwood. He was here for the funerals of Alfred Hendrix and Odell Carver.

John and Kathleen Hayes of Muleshoe visited Vaughn and Wanda Brooks and Delbert and Hazel Hayes.

"Habits - Good habits are the soul's muscles. The more we use them the stronger they will grow."

Streams In Desert Places

By Ozelle Stephens

"Now concerning spiritual gifts, brethren, I would not have you ignorant." Wherefore I give you to understand that no man speaking by the Spirit of God calleth Jesus accursed; and that no man can say that Jesus is the Lord, but the Holy Spirit. The same Spirit who leads you unto salvation through Jesus Christ and giveth you access unto the Father, giveth gifts of faith, healing, working of miracles, prophecy, discerning of spirits, words of wisdom and etc.

There are diversities of gifts, but the same Spirit. There are differences of administrations, by the same Lord. There are diversities of operations, but by the same God which worketh all in all. The manifestations of the Spirit is given to every man to profit withal. There is no standing still in the workings of the Lord. When you do not push forward, you become weak and loose courage. We must continue to work the works of Him who called us unto Himself.

Care Home News

By Debbie Dudensing

For the month of February there are several residents celebrating their birthdays; Bud Thompson 2/18/09, Walter Thomas 2/1/13, Edna Dennington 2/5/06, and Audrey Nolan 2/18/09. The residents' birthday party will be on February 16 at 3:00 p.m., and the First Baptist Church of Benjamin will be hosting the birthday party.

This month we had a special treat. The girl scout troop #107, under the leadership of Shirley Davenport and her assistant Cyndy Masias, gave our residents a special Valentines' Day party on Tuesday the 14th. Each of the girl scouts made all the residents Valentines' cards and they served cookies, rossettes, cake and punch for the refreshments. The girl scouts have adopted our residents as grandparents and the scouts have done so many special things for them. We want to thank them for all their support and time they give to the nursing home.

Also this Friday the 17th Brownie Tackitt and his band will be playing music for all the residents at 3:00 p.m. Everyone is invited to come out and join us in this time of entertainment.

Also special mention that each Sunday morning Joe Marion, Peggy Guinn, and Mabel Smith have a time of music worship for our residents. They have done this for quite some time. We want to thank Joe, Peggy, and Mabel for their faithfulness to the residents.

Volunteers are an important part of the nursing home. We want to thank all of you for your time that you give freely to the residents here at Brazos Valley Care Home.

LOOK WHO'S HERE

Why hassle with calling and having to wait till the next day for a UPS pickup? Just bring your package to the News office by 3:00 P.M. for same day pickup!

Let us show you a Texas you've never seen before.

THE ROADS OF TEXAS is the culmination of a mammoth project that has involved many individuals for over two years. When you get your copy of THE ROADS OF TEXAS you'll wonder how you ever traveled the state without it.

This 172 page atlas contains maps that show the complete Texas road system (all 284,000 miles) plus just about every city and community! Texas A&M University Cartographics

Laboratory staff members produced the maps, based on county maps from the State Department of Highways and Public Transportation. The details shown are amazing—county and local roads, lakes, reservoirs, streams, dams, historic sites, pumping stations, golf courses, cemeteries, mines and many other features too numerous to list.

Become one of the first in our community to own a copy of this magnificent atlas.

City Council Minutes

DECEMBER 13, 1988

The City Council met in regular session with Mayor Derrell Marion, Councilmembers Barbara Barnard, Joe Barnard, Marq Brockett, Rob Harrison, and Larry Staggs present.

The meeting was called to order by Mayor Derrell Marion.

The Invocation was given by Mayor Derrell Marion.

There was no public participation for Public Comments.

Marq Brockett made a motion to amend the minutes of the regular meeting of November 10, 1988 to state and name the dates the 1989 budget becomes effective for the Housing Authority. Rob Harrison seconded the stated motion. All voted in favor. The amended paragraph will be so stated as follows:

Additional Public Comments consisted of Mr. Billie Ray Morrow, representing the Housing Authority coming before the City Council to discuss the garbage and sewer rates the City is currently charging the Housing Authority. Mr. Morrow presented to the City Council a price per housing unit that the Housing Authority could pay according to their 1989 Budget. After a lengthy discussion in reference to the total number of garbage containers and sewer connections at each complex and the number of units in each apartment complex, the City Council and Mr. Morrow came to a mutual agreement on the rates the City would set for these services provided by the City to the Housing Authority units. A motion was made by Rob Harrison, seconded by Joe Barnard to accept the offer Mr. Morrow presented to the City Council which the Housing Authority could pay for garbage and sewer services at the Reese and Aspen Square Apartments, effective January 1, 1989, and the Apartment Units A, B and C will be effective October 1, 1989. The motion carried by a unanimous vote.

The Cable Vision Franchise was discussed by the City Council. Mr. William T. Kiper, representing the Mission Cable Company from Austin, Texas, came before the City Council to request the City Council to approve the transfer of the Franchise from Williams Cable Vision to Mission Cable Company. The Mission Cable Company has purchased the Williams Cable Vision Company. After many questions and answers, and a lengthy discussion, a motion was made by Rob Harrison, seconded by Marq Brockett, to approve an Ordinance #1118 transferring the Franchise from Williams Cable Vision to Mission Cable Company for the term to expire on April 15, 2007. The motion carried by a unanimous vote.

The City Council discussed to approve a resolution to tax autos, boats, travel trailers, motorcycles, golf carts, aircraft, etc. (all personal property) for the tax year of 1989. This would be the same method that taxes were assessed in 1988, no change, however, Council action by state law is required. Joe Barnard made a motion, seconded by Larry Staggs, to tax personal property for the City of Knox City for 1989 in the same manner as done in 1988. Joe Barnard, Rob Harrison, and Larry Staggs voted in favor of the stated motion. Barbara Barnard and Marq Brockett opposed the stated motion.

The Santa Fe Depot was discussed. The Mayor and City Council discussed whether to keep the Depot or to sell it. After a lengthy discussion on the subject, a motion was made by Joe Barnard and seconded by Rob Harrison to advertise to sell the Depot, with the stipulation that the bidder agrees that the subject building will have to be moved off the location by February 15, 1989, at the buyer's expense, with no materials or debris to be left on said premises. Joe Barnard, Rob Harrison, and Larry Staggs voted in favor of the stated motion. Barbara Barnard and Marq Brockett opposed the stated motion.

The Mayor and City Council discussed the purchase of gasoline for City vehicles from all locally owned Service Stations. After a lengthy discussion on the subject, it was decided for the Police vehicles and the diesel vehicles to continue to purchase gas at the card system. A motion was made by Larry Staggs and seconded by Barbara Barnard for the rest of the City vehicles to purchase gasoline from locally owned Service Stations in Knox City on a rotating basis, during the Service Stations' normal working hours. If gasoline is needed after hours, it will be purchased at the card system. The motion carried by a unanimous vote.

The subject of an Interest Earning Certificate of Deposit was discussed. City Administrator Dick Wilcox presented to the Mayor and City Council for the City to transfer no less than \$80,000.00 and no more than \$100,000.00 from the Money Market to an Interest Earning Certificate of Deposit. A motion was made by Rob Harrison and seconded by Larry Staggs to transfer no more than \$100,000.00 and no less than \$80,000.00 from the Money Market Account to a Certificate of Deposit, with the Earned Interest to be used to assist in the operation of the City. The motion carried by a unanimous vote.

City Judge Walter Rauch came before the Mayor and City Council to present the City Judge Monthly Report for the month of November, 1988. The results of charge filed for this month were: six (6) paid, two (2) dismissed

and eight (8) failed to appear.

Fire Chief Roland Marion came before the Mayor and City Council to present the Fire Department Monthly Report. Roland stated there were no fire runs for the month of November, 1988.

EMS Director Tommy G. Waldrip came before the Mayor and City Council to present the Monthly Ambulance Report. Tommy stated that the expenses for November, 1988, were \$3,019.05 and the income was \$1,536.95. This created a deficit of \$1,482.20. The Accounts Receivable list was reviewed with the City Council. There were a total of twenty-five (25) medical runs made in November, 1988.

The training of additional Ambulance Volunteers was discussed by EMS Director Tommy G. Waldrip and the City Council. More volunteers are needed and interest has been expressed by several people within the community. A motion was made by Marq Brockett and seconded by Rob Harrison for the City of Knox City to pay for the Instructor of an ECA course and the supplies to train additional Ambulance Volunteers, with the following stipulations: If any person fails the exam, he or she will pay the full price of the course. Each certified trainee will agree to volunteer to be on primary call for at least twelve (12) hours per week (or) at least twenty-four (24) hours per week on back-up call. This volunteer time will be for a period of one (1) year. Any out of town person attending this course will pay full price. The motion carried by a unanimous vote.

Police Chief Gil Gillilan came before the Mayor and City Council to present the Police Department Monthly Report. The Department answered one hundred and sixty eight (168) calls for the month of November, 1988. There were nine (9) offenses reported and sixteen (16) charges filed in City Court. The sixteen (16) charges filed represents \$1,040.50 in revenue for the City.

Water Superintendent Charles Pack came before the City Council to present the Outside Maintenance Monthly Report for the month of November, 1988. Charles stated this month was again mostly routine, consisting of hauling brush, reading meters, flushing fire hydrants, turning water meters on and off and taking care of nuisance dogs. A new water tap was installed at Doug Meinzer's residence to improve water pressure. Also, Charles attended a Waste Water School this month in Lubbock. He now has a Class D Waste Water Certificate.

City Administrator Dick Wilcox presented to the Mayor and City Council the Monthly Accounting for the month of November, 1988. Marq Brockett made a motion, seconded by Rob Harrison, to record the Monthly Accounting along with the Minutes of the City Council meeting. All voted in favor of the stated motion.

An Executive Session was requested by the Presiding Officer, Mayor Derrell Marion. Joe Barnard made a motion to convene into Closed Executive Session, seconded by Barbara Barnard, for the purpose of discussing the hiring of additional em-

ployees for the Police Department and the Outside Maintenance Department. Also to discuss each Department's functional operation. All voted in favor of the stated motion.

After a lengthy discussion concerning hiring another Police Officer and another Outside Maintenance Department employee, and the functional operations of each Department, the Presiding Officer, Mayor Derrell Marion requested for a motion to come out of Closed Executive Session and resume into open meeting business. Larry Staggs made a motion to come out of Closed Executive Session and resume into open meeting business. The motion was seconded by Rob Harrison. All voted in favor of the stated motion.

The need of an additional Police Officer for the City of Knox City was discussed by the Mayor and the City Council. A motion was made by Rob Harrison for the City to advertise to hire an additional Police Officer. The motion was seconded by Marq Brockett. Barbara Barnard, Joe Barnard, Marq Brockett, and Rob Harrison voted in favor of the stated motion. Larry Staggs opposed the stated motion.

The need of an additional Outside Maintenance Department Employee was discussed by the Mayor and City Council. Garbage Truck Driver Rickey Gonzales is currently employed part time by the City of Knox City. A motion was made by Joe Barnard, seconded by Rob Harrison, to employ Rickey full time for the City. When Rickey is not driving the truck, he will assist with other City operations. The motion carried by a unanimous vote.

The 9-1-1 Emergency Telephone Number for the Police, Fire Department and Ambulance for Knox City was discussed by the Mayor and City Council. City Administrator Dick Wilcox presented to the City Council that the State Emergency Communications suggest that the City of Knox City participate with the County of Knox and the other cities in Knox County to implement a study to provide the 9-1-1 Emergency Telephone Number to the citizens of Knox County. Councilmember Joe Barnard made a motion that the City of Knox City participate with the County of Knox and the other cities in Knox County to implement this study of the 9-1-1 Emergency Telephone Number. The motion was seconded by Larry Staggs. The motion carried by a unanimous vote.

Councilmember Barbara Barnard made a motion to adjourn. The motion was seconded by Marq Brockett. All voted in favor.

An open letter to the Knox County residents from the Brazos Valley Young Farmers -

Due to the recent controversy regarding the permanent location of the Knox County Junior Livestock Show and comments made during a meeting of the Junior Livestock Show Board, we feel it is necessary to present a few facts in this matter.

The comment was made that the Brazos Valley Young Farmers was a Munday organization, also referred to as the Munday Young Farmers. The specific name of this organization is the Brazos Valley Young Farmers. It is a county-wide organization with members from various communities in the county, including Knox City, Munday, and Vera. Membership is open to anyone wishing to join of all ages.

The comment was made that the Brazos Valley Young Farmers did not help with the set up of the show at Knox City. This is true. But, we were left with the impression that preparations by the local FFA Chapter show the day before would be adequate for the Knox County Livestock Show. If this is not the case, we are available as an organization to help as needed.

Our organization received the impression from the Knox County Show Board that the facility that the Brazos Valley Young Farmers provided was a Munday facility. The facility is located in Munday, but is not for the sole benefit of Munday. We purchased the building for the benefit of all Knox County youth and citizens and would hope that youth and citizens of Knox County would utilize this facility.

It was brought up that the Brazos Valley Young Farmers declined an offer to help finance a show barn at the county seat. This is a true statement but, the conditions on such an arrangement were too restrictive. The conditions of the arrangement were to provide all our funds and have no input into the project. Therefore, we could not justify such an arrangement.

In conclusion, the Brazos Valley Young Farmers as an organization did not intend to create a conflict in Knox County with the purchase of our facility. We know of no other county that has multiple show barns. The Brazos Valley Young Farmers facility is being provided and maintained at no cost to the tax payers of Knox County and our organization is proud to be able to provide such a facility for Knox County.

Benjamin News

By Gladene Green

I hope everyone had a nice weekend. The weather was nice and lots of folks were out and about. Saturday found several Benjamin-ites in Knox City for the little dribblers basketball tournament. There was much excitement as the teams took to the floor for their turn at playing. Our youngsters did themselves proud as they brought home 2 trophies! The 2nd, 3rd & 4th grade girls won consolation for their efforts. The 2nd, 3rd & 4th grade boys won 1st and they also have a trophy to prove it. We sat there all day watching these games and complaining of being tired but to see the excitement generated by these kids and the pleasure they got from winning, made it all very worthwhile. It was fun.

Little girls playing were Rachel Duke, Crystal Hibdon, Amanda Bufkin, Gina Bolanos, Audra Neal, Kathy Bufkin, Ivy Bolanos, Lucy Carver, Michelle Conner, Diandra Grill and Kathy Rainwater.

The boys team included Wade Pierce, A.R. Hibdon, Tyler Carroll, Jacy Collins, Jay Whitten, Jeremy Simmons, Chad Rainwater, Riley Carver, Edward Estrada, Andy Deshawn and Zeke Duke.

Coaches were Eddie Wolsch, Nancy McGreger, Tammy Collins and Kenneth Carroll.

SOROSIS CLUB MEETING

The Benjamin Sorosis Club met Jan. 6, 1989 in the home of Lucille Moorhouse.

Roll call was answered with "What I Like About Our Federated Club."

This being the federation program, the club was happy to have General Federated Women's Club Mesquite District President, Winifred White speak to them on the subject of Federation And What It Means To The Clubs. It was a most interesting program.

The club voted to sponsor a clean-up campaign in March with a definite date to be announced later.

Another matter attended to was a vote by the club to adopt two miles of highway to keep clean from Benjamin toward Knox City. The Spring Chickens will join the Sorosis Club in this project.

Hostesses for the meeting were Bea Parks, Jessie Roberts and Ruth Ressel. Other members attending were Louise Hertel, Eunice Friday, Leola Isbell, Pearl Ryder, Lucille Moorhouse and two guests, Winifred White and Lena McGee of Knox City.

On Feb. 2, 1989 the Sorosis Club met in the home of Eunice Friday.

Members of the club answered to the roll call with "My Idea of a Good School."

The program was given by Belle Grill, a teacher in the Benjamin School and wife of school superintendent, Benny Grill, who spoke on the subject "Education". She brought out many interesting facts concerning our school and why it is a good one.

The club voted to give a tree to the city park. This is a project the club has been very interested in and has helped to promote.

Delicious refreshments were served by the hostess, Eunice Friday and Gaye Neal.

NOTICE

In last week's Courier, the names of the Knox County exhibitors, both 4-H and FFA who went to Fort Worth were listed. There was one FFA'er left out. That happened to be my grandson, Jeff Herring who sent his Chester White pig down to the show (Jeff didn't get to go because of the unexcused absence rule). But his pig did win 8th in its class. This was the one that won the best of the breed championship at the county show and I just felt like he needed some recognition. Also? Does that sound like a "typical grandma?" Probably so.

BIRTHDAY CELEBRATION

An 80th birthday reception honoring Fred (Snow) Crenshaw will be held next Sunday, Feb. 19 at Matador from two until four o'clock in the Matador Senior Citizens' building, and family members request no gifts. Mr. Crenshaw resided in Benjamin for many

years. HERE 'N THERE

Betty Parker and Sabra of Aspermont spent Sunday with her parents, the Leroy Wests.

Mr. and Mrs. John Paul Golden and family of Abilene spent the weekend with his mom, Lois Golden and his sister and family, the Randy Hibbons.

Stephen and Sheila Kuehler and family have moved to Munday to make their home. We will miss them over here but wish them well in their new surroundings.

Lucille Moorhouse reports that her granddaughter Kelly Moorhouse is still making progress after her recent accident. This is good news and we hope to continue to get these good reports.

Brenda Gallaher of Wichita Falls visited her parents, Dutch and Imagean Young, a couple of days last week.

Virginia Griffith and I were in Lubbock on Sunday. She went to visit her brother in law, Joe Dillard who recently underwent surgery and is still a patient in the St. Mary's Hospital. And I had a very enjoyable day with my uncle and aunt, Tom and Ruth Sitton.

Be sure to call me with your news. See you next week.

County Extension Agent

GARDENING SEASON NEARING

As spring is fast approaching, homeowners are getting itchy feet to begin getting outside into the garden. Gardens are being tilled and the time is nearing for planing onions and potatoes.

Both are cool season vegetables that can withstand moderate amounts of cold weather.

Prior to planting the ground should be tilled roughly 8 to 10 inches and have a fertilizer with a 1-2-1 ration applied at a rate of 2-3 pounds per 100 sq. ft. incorporated.

Phosphorus (the second number in the formula) is needed to enhance root development of which onions and potatoes are both root crops.

Onions should be planted 3-6 inches apart about 1 inch deep. Onions will grow larger bulbs when given more room to develop.

Likewise if onions are planted too deep then bulbs will be smaller.

Onion varieties that grow well in this area include 1015Y, Yellow Grano, Grano 502, Red Grano and the Granex which are white and yellow.

Onions should be watered thoroughly about once per week and should be sidedressed with a fertilizer at a rate of ½ cup per 10 feet of row as onions get five to six leaves.

Seed potatoes should be planted at about 5-6 inches deep at 6-10 pounds per 100 feet.

Potatoes should be dipped in sulfur or Captan to prevent rotting.

Potatoes should be fertilized with a fertilizer with a ration of 1-2-1 at a rate of 2-3 pounds per 100 sq. ft. and watered thoroughly on a regular basis. In order to increase yields, soil should be pulled to the potato as growth occurs.

As danger of frost arrives, potatoes can be covered with a layer of soil to avoid freeze damage.

Potatoes should be sidedressed with a balanced fertilizer at a rate of ¾ cup per 10 feet of row prior to blooming to increase size and pounds of potatoes harvested.

Educational programs conducted by the Texas Agricultural Extension Service are open to people of all ages, regardless of socioeconomic level, race, color, sex, handicap, religion, or national origin.

Services Held Saturday For Manuel Saenz

Funeral services for Knox City resident Manuel Saenz were held Saturday afternoon, February 11, at two-thirty in the O'Brien Baptist Church. Officiating were the Rev. Tino Ranel of Littlefield and Andy Gonzales of Seymour. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mr. Saenz, 86, died Thursday, February 9, in a Seymour hospital.

Born January 11, 1903, in Cuero, Mr. Saenz was a retired farmer. He was preceded in death by his wife, Anita H. Saenz, December 12, 1981. He was a Presbyterian.

Survivors include four sons, Benny of Seymour, Moses of Elmer, Eliaz of San Marcos, and Joe of Ranger; four daughters, Mrs. Tommie Sanchez and Sarah Casillas, both of Seymour, and Esther Grindstaff and Nellie Averitt, both of Knox City; a brother, Rudy Saenz of Waco; three sisters, Lilly Hernandez of Waco, Rosie Vasquez of Grand Prairie, and Dora Mendoza of Marion, Ohio; 46 grandchildren and 46 great-grandchildren.

Grandsons served as pallbearers.

LOCAL WINNERS in the Soil Conservation Poster Contest were, front row from left, second graders Rudy Ramos, sixth; D.J. Dockins, fifth; Valerie Rodriguez, fourth; Tricia Legg, third; Eli Huber, second, (not pictured); and Jimmy Trevino, first; middle row from left, first graders Jeffery Rocha, sixth, Natalee Bloxham, fifth; Chris Rocha, fourth; Cari Trojak, third; Laura Greenwood, second; and Sarah Moore, first; and back row from left, third graders Nathan Hedgecock, sixth; Reed Underwood, fifth; Jordan Newton, fourth; Clifton Hawkins, third; Felicia Marin, second; and Anthony Ainsworth, first. The first three places in each grade advance to district competition. (News Photo)

SEMINAR

(From Page One)

cers.

By 1981, doctors had identified 266 people in the US with AIDS. By the end of 1987, there were over 49,000 diagnosed cases of AIDS. The number of people who are infected with the virus but have not yet developed the disease is estimated to be over 1.5 million.

The AIDS virus is transmitted

through the exchange of infected body fluids. 88 percent of current AIDS cases are homosexuals or intravenous drug abusers; one percent are infants who were infected by their mothers; four percent became infected through blood transfusions and in three percent the cause is undetermined.

It is estimated that by 1991, over 270,000 people will have developed AIDS in the United States and almost 179,000 will have died from the disease.

At this time, there is no known cure for AIDS. Many of the illnesses associated with the virus are treatable, but the infection itself cannot be cured and is fatal.

It is of vital importance that everyone learn the facts about the AIDS virus, how it is transmitted and what the future holds.

Exercise Leads To A Healthy Heart

Exercise is one of the most effective safeguards against America's number one killer — cardiovascular disease — says The National Exercise For Life Institute. In 1986, heart disease claimed the lives of 978,500 Americans or one every 32 seconds, according to the American Heart Association.

"February — National Heart Month — is a good time to think about the health of your heart and to make some permanent changes in your lifestyle attitudes and habits," says Diane DeMarco, executive director of the Twin-Cities based Institute.

Today, 65.9 million Americans have cardiovascular disease, and the AHA estimates that more than 500,000 Americans will die from heart attacks this year.

The main cause of heart disease is atherosclerosis, a slow build up of cholesterol and fatty tissue in the arteries. Eventually, your arteries harden and narrow as the build up increases, restricting blood flow. When the arteries supplying blood to the heart muscle narrow to about two-thirds of their normal width, you may be a candidate for a heart attack.

However, the good news is that healthier lifestyles and preventive medicine can help deter cardiovascular disease. Experts say that the best way to prevent the disease is to stop smoking, lower your blood pressure, eat a proper diet (in order to reduce your blood cholesterol levels) and engage in regular aerobic exercise.

Aerobic exercise involves continuous and rhythmic physical motion that elevates your heart rate to 70 to 85 percent of its maximum capacity. Examples are brisk walking, swimming, cycling, jogging and cross-

country skiing. To be effective, it generally needs to be done about half an hour, three days a week.

"The toughest part of exercising is keeping it up week after week. Many people who start a new exercise regimen don't stick with it because of boredom, lack of time, or choosing the wrong activity," explains DeMarco.

"When choosing your exercise program, select an aerobic activity you really enjoy. Then make a contract with yourself to work out regularly. Try to anticipate excuses for not exercising, and find answers to deal with them. Finally, set goals for yourself and keep a log of your progress," continues DeMarco.

DeMarco also advises that people consult with their physician before embarking on an exercise program.

Today, many people's personal exercise programs include cross-training, which combines in-home exercise equipment, such as the NordicTrack cross-country ski exercise machine, with outdoor exercises. Cross-training allows for variety in an individual's exercise program.

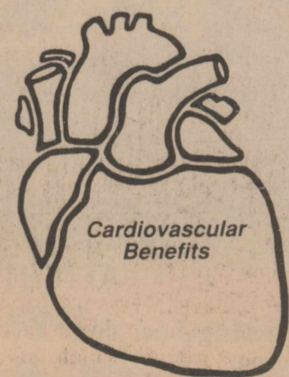

"At-home exercise equipment such as the NordicTrack is quickly gaining popularity because it duplicates the motion of cross-country skiing, which is considered by fitness experts to be the most efficient aerobic exercise," says Ed Pauls, inventor and founder of NordicTrack.

"NordicTrack builds cardiovascular fitness by quickly elevating your heart rate to the fitness-building zone. Because you're exercising your major muscles at separate resistance settings, you're able to maintain the most effective fitness-building heart rate without placing undue strain on any one muscle group," explains Pauls.

The purpose of The National Exercise For Life Institute is to collect and disseminate information about the many benefits of regular aerobic exercise, in order to convince more Americans to start and maintain a program of regular aerobic exercise.

For more information on the benefits of regular aerobic exercise, call The National Exercise For Life Institute at 612/448-3094.

Exercise Leads to a Healthy Heart

- Raises HDL (good) cholesterol
- Lowers LDL (bad) cholesterol
- Reduces triglyceride levels
- Lowers blood pressure and reduces risk of hypertension
- Reduces risk of premature hardening of the arteries
- Strengthens heart and lungs
- Important for long-term weight management
- Greatly lowers risk of adult diabetes

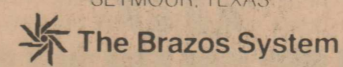

What's the *best* thing about life in the country?

- A sunrise
- Open roads
- Peace and quiet
- Dependable electric service

A fresh breeze . . . peace and quiet . . . a sunrise . . . deer on the edge of the field . . .

Life in the country has special things to offer. Because of your rural electric cooperative, you can have them with all the conveniences of city living. While we bring you electricity and service in the friendly style of the country, we are also working to make your quality of life even better . . . in such areas as health care.

An attitude of service

SEYMOUR, TEXAS

MRS. LARRY REID
...the former Karen Daniel

Miss Daniel, Reid Wed In February 4 Ceremony

Karen Daniel and Larry Reid were married February 4 at the First Baptist Church of Knox City with Rev. Truett Kuenstler officiating.

Parents of the couple are Mr. and Mrs. Ed Daniel of Knox City and Mr. and Mrs. James Reid of Rochester.

Vows were exchanged before a brass archway of candles decorated with greenery and dove.

Given in marriage by her father, the bride wore a traditional gown of white taffeta. The Princess bodice fashioned with a Venise and Rachel lace yoke with a lace fitted collar was accented with small pink flowers. The large puffed melon sleeves were held with lace ruffled cuffs. The full skirt fell into a semi-cathedral train finished with tiered Venise lace ruffles. Her beaded head band held her veil of silk illusion that fell to fingertip length.

Matron of honor was Sherri Daniel of Allen, and serving as best man was Matt Reid of Waco. Other attendants were Teresa Wright of Odell and Scott

Sloan of San Angelo. Mark Daniel of Knox City and Richard Daniel of Allen served as ushers and candlelighters.

The bridesmaids' dresses were a floral print of the bride's colors of dusty rose and grey. The bridegroom wore a white tuxedo, and grey tuxedos were the attire of the groomsman and ushers.

Bobby and Regina O'Neal of Rochester provided the musical selections accompanied on the organ by Susan Turner, also of Rochester. In addition to the traditional wedding selections, they sang "If" and "Honestly".

The reception immediately followed the ceremony. At the bride's table, punch and cake were served by Gena Newsome of Midland and Faye Mullino of Rochester. Kelli Whitten of Knox City and Trina Fry of Rochester served from the bridegroom's table.

The rehearsal dinner was hosted by Mr. and Mrs. James Reid at their home in Rochester.

return until the statute of limitations for the return runs out. Usually this is 3 years from the date the return was due or filed, or 2 years from the date the tax was paid, whichever date is later.

Sometimes you may have to keep tax records for a longer period, such as in property transactions, when the basis for the new or replacement property depends on the old property's basis. Keep those records for as long as they are important in figuring your property's basis.

RECORDS TO KEEP FOREVER. These records include birth and death certificates, list of financial assets, medical records, powers of attorney, trust agreements, wills and W-2 statements. Also keep divorce decrees and custody agreements, military papers, naturalization papers and prenuptial agreements.

Getting a handle on your paper trail will take a little time and effort, but will be worth it. Once you've accomplished this task, you'll be able to find every paper you need.

Auxiliary Fund

REMOVING STAINS FROM WASHABLE FABRICS

Most spots and stains can be removed by prompt attention and correct laundry procedures, but some will require extra treatment.

The Texas Agricultural Extension Service has available a free pamphlet on "Removing Stains From Washable Fabric". It is available free of charge and can be obtained by calling the Knox County Extension Office-454-2651 and requesting bulletin B-1616.

WEEDING OUT THE RECORDS

Winter is a good time to re-assess your financial habits because a year has just ended. Like most people, your financial papers and records could probably stand a little overhauling.

But before you begin reorganizing, consider what you really need and what you can prune out. Most of us have more paperwork than necessary and it just takes up a lot of space.

Start by setting out boxes and files to hold three types of records: those you can toss, those you need to keep six or more years, and those you need to keep for the rest of your life.

THINGS YOU CAN TOSS. If you don't need the record for tax purposes or if you are sure it can easily be replaced, don't save it.

Receipts for small daily purchases do not have to be saved, especially if they have no tax consequences. But keep receipts for expensive items to settle insurance claims in the case of loss, theft or damage.

It isn't necessary to keep monthly mutual fund and brokerage statements once a comprehensive year-end statement is issued. However, you should save trade confirmations and dividend-reinvestment statements. This information is needed to determine your cost basis when you sell a security. Without it, you may overpay taxes when you sell the security.

You can safely discard most business receipts for less than \$25 and your credit card bills after your bank returns the cancelled check verifying that you paid the bill. However, if you

SAVE-A-HEART

Red paper hearts pieced with cupid's arrows, beribboned boxes of chocolates, bouquets of flowers, love poems that begin "roses are red..." We send little hearts and big hearts and lacy and frilly hearts to each other on February 14 to show the ones we love how much we care about them. But do we show those we love how much we care about them every day by taking care of our hearts?

February is National Heart Month. Heart and blood vessel diseases are still the nation's number one killer. Nearly one million Americans, including 50,000 Texans, die each year as a result of these diseases.

The American lifestyle—high fat diet, lack of regular exercise, overweight and cigarette smoking—is a major contributor to heart attack.

To reduce your risk of heart attack, the American Heart Association suggests that you:

1. Have your blood pressure checked regularly. If it's high, cooperate with your doctor to keep it under control.
2. Don't smoke. No cigarette is safe.
3. Eat foods that are low in saturated (animal) fats and cholesterol.
4. Maintain proper weight.
5. Exercise regularly to maintain cardiovascular fitness. Check with your doctor before beginning an exercise program.
6. Have regular medical check-ups and follow your doctor's advice about reducing your risk of heart attacks.

cluded from income also reduce the amount eligible for the tax credit. This means the credit won't be available to those excluding \$2,400 for one child or \$4,800 for two or more children through company plans.

3. The name, address, and tax ID number of the day-care provider must be entered on 1989 returns filed in 1990. If the provider is a tax-exempt entity, the tax ID number is not needed. Day-care providers must provide users with a completed Form W-10 for this purpose.

Educational programs conducted by the Texas Agricultural Extension Service are open to people of all ages, regardless of socioeconomic level, race, color, sex, handicap, religion, or national origin.

SCHOOL LUNCHROOM MENUS

Week of February 20-24, 1989

1989 DEPENDENT CARE TAX CHANGES

Three changes affect dependent care tax credits and exclusions for the 1989 tax year.

1. A child must be under age 13 (previously 15) for dependent care costs to qualify. There is no age cutoff for disabled dependents.
2. Dependent care expenses ex-
