THE BATTLE OF THE GREYHOUNDS took place in Throckmorton last Friday night as the Knox City Greyhounds took on the Throckmorton Greyhounds. Throckmorton came out on top by a score of 35-9 in a game that had very little effective passing. In the above photo, David Dudensing is shown passing one of only 11 passes attempted by Knox City during the game. Of the 11 passes, 2 were completed for a total of 19 yards through the air. (NEWS Photo)

KC's RUNNING GAME against Throckmorton was impressive as the Greyhounds of Knox City averaged 7 1/2 yards per carry, with a total of 264 yards for the game. Throckmorton came out on top with a score of 35-9, and a total of 331 yards gained on the ground. In the above photo, (9) Michael Frausto is shown picking up yards on an end-around carry. Other Greyhounds in the photograph are (64) Gilbert Casillas and (51) Josh Burt. (NEWS Photo)

Greyhounds Battle

But Throckmorton Hounds Win

By Coach Rogers Lankford

The Knox City greyhounds were defeated 35-9 by a very good Throckmorton Greyhound team last Friday night. Mental miscues as well as mistakes in execution were the 'Hounds downfall. We gave up too much yardage on the ground, but did a good job defending the pass plays.

Offensively, the Knox City Greyhound passing game was not as good as we had hoped; but we were able to pick up 275 yards on 37 carries. This is an average of almost 7 1/2 yards a carry. Two of the 3 Knox City fumbles killed impressive drives. Joseph Johnson led the rushers with 98 yards on 14 carries, followed by Lance Dever with 87 yards on 14 carries, and David Dudensing with 87 yards on only 4 carries. Kevin Dorsey also had a big night returning kicks, with a kickoff return of 65 yards.

On defense, Brian Rosencranz had 11 tackles, followed by Dudensing and Dale Carnes with 9 each. Michael Frausto, Joseph Logsdon and Scott Stephens all had 6 tackles. Carnes and Billy Curd both recovered

fumbles for the 'Hounds.

Notes From The Seymour Game

In the Greyhounds 16-0 loss to Seymour, Ryan Marion was a defensive standout with 14 tackles, an interception, and a forced bad pass. Dale Carnes also had a good game with 12 tackles, a sack, and a fumble caused. Joseph Logsdon had 10 tackles, followed by Lance Dever with 9 tackles, then Kevin Dorsey and Gilbert Casillas with 7 tackles each.

On offense, David Dudensing completed 6 of 12 passes for 74 yards, but our 54 yards on the ground was a disappointment. Turnovers

hurtus, along with some crucial mental errors.

Notes About This Week's Game

This Friday we face a strong Haskell squad who have beaten Munday and Seymour. In our home opener we will need to execute better and make fewer turnovers. If the 'Hounds can do this; we should have a great shot at our first victory of the season.

JV & Jr. High Games

The JV & Jr. High teams will play at Haskell, with their games beginning at 5:00 p.m. this Thursday afternoon.

Penman Conoco Selected As Farm Master Dealer For Rolling Plains

HOUSTON -- September 14, 1993-- Conoco has selected Penman Conoco Service Inc. as an Authorized Dealer for its Farm Master line of agricultural lubricants. Conoco recently launched its Farm Master Authorized Dealer Program and Penman Conoco Service Inc. becomes the Farm Master Authorized Dealer for this area.

"Penman Conoco Service Inc. was selected to be a Farm Master Authorized Dealer because of its commitment to the agricultural industry and we felt it could best serve the needs of farmers in the Rolling Plains area," said Denise Matthews, product manager for

Farm Master. Ray Penman of Penman Conoco Service Inc. said, "I'm excited to be selected as a Farm Master Authorized Dealer because of the opportunity to better serve the equipment needs of our area farmers with a premium line of lubricants that are guaranteed when used as directed."

According to Matthews, the reason Conoco formed an Authorized Dealer network was to provide convenient supply for farmers.

Farm Master is a complete line of quality lubricants specifically formulated for the rigorous condition in agriculture.

Conoco is a DuPont subsidiary.

Firefighters Win In Competition

Several Knox City firefighters teamed up to win a trophy last weekend when they attended the annual fall convention of the West Texas Firemen & Fire Marshals Association in Iowa Park.

Attending the convention from the Knox City Fire Department were Harry Steen and family, Danny Parker and family, and Chief Roland Marion.

Roland, Harry and Danny teamed up together and won a trophy for second place in the water polo contest.

Chief Roland Marion nominated Assistant Chief Craig Williams for the position of 4th Vice President of the West Texas Firemen and Fire Marshals Association. Elections will be held on May 1, 1994.

Knox City Study Club To Open 1993-1994 Club Year On September 16

The Knox City Study Club will open the 1993-1994 club year with a meeting at the Knox City Community Center on Thursday, September 16 at 2:30 p.m. All interested ladies are encouraged to attend.

Chamber Of Commerce To Hold Christmas Parade Planning Meeting

The Knox City Chamber of Commerce will hold a 7:00 p.m. meeting on Monday, September 20 at the Knox City Community Center for the purpose of planning the 1993 Christmas Parade here in Knox City. There was no parade last year and many have indicated a desire to have a parade again this year. The last parade held in 1991 was the biggest ever, and drew a lot of favorable responses. With a goal of making this year's parade even bigger and better than the 1991 parade, anyone interested in helping with this project should make plans to be at this important meeting. The chamber is asking for ideas and suggestions from the community, and those willing to help with the project will be greatly appreciated.

JULIE SPECK

Julie Speck Is Cheerleader At Angelo State

Julie Speck, daughter of Sherry and Danny Speck, has been elected to the Angelo State University cheerleading squad.

Julie, who is a freshman student at Angelo State, will be performing at all the Angelo football games, the home basketball games and five volleyball games.

She has previously been a member of the Aledo High School cheerleading squad for five years and she was a member of an All-Star Competitive Squad of Fort Worth.

Julie is the granddaughter of Bertha Driver of Benjamin, Karen and Ray Speck of DeLeon, Edith and Howard Sloan of Fort Worth and the late Fychelene Sloan Norman of Rochester. She is the great-granddaughter of Jewel Bailey of Knox City and Edna Adkins of Rochester.

RETIRING FROM THE Knox County ASCS effective September 30 is Wanda Phipps, a 37 year veteran. (NEWS Photo)

Longtime ASCS Employee To Retire September 30

Wanda Phipps, a 37 year veteran of the Knox County ASCS, is retiring effective September 30. Mrs. Phipps began work in September 1956 following graduation from Benjamin High School as planimeter operator for Jesse Gilpin. She has since worked in most all departments of the office including compliance, counter, conservation, production adjustment and automation. Currently, she is the technical authority in compliance and production adjustment and is responsible for all automation (computer) activities in the county office.

When she began working, the office was located on Knox City's Main Street and has since moved to 1101 East Main. In 1986, due to the advent of computers, the building was re-

modeled and the office moved from the west side of the building to the present location in the southeast corner of the building.

Wanda has "survived" three office managers - Jesse T. Gilpin, Jerry May and John Rector.

Wanda is married to Leonard Phipps, retired employee of Oxy Oil Company and presently is county commissioner for Precinct 1 in Knox County.

An open house honoring her is planned for Friday, September 17 from 1:00 to 5:00 p.m. at the ASCS office.

Follow employees and producers in the county with whom Wanda has worked for so many years noted that she will be "greatly missed".

ing the most money during the primary fund raising activity for the year.

Amber Reed recognized two individuals that were very special to the 4-H program with the "Friend of 4-H" award.

Receiving these awards were Romain Stubbs of Knox City and Rick Moeller of Munday. These two individuals supported the program in various ways this past year.

The grand finale for the evening was presentation of the "Junior 4-H Gold Star Award" by County Extension Agent Jane Rowan. The gold star award is the highest award a 4-H

member can receive.

Applying for the award were Juli and Mica Larned of Knox City. Recipient of the honor was Mica Larned. Mica is a first year member and has completed projects in foods and nutrition, rabbits and citizenship. She has held the office of club secretary and president for two project clubs. Mica is 11 years old and in the sixth grade at Knox City - O'Brien CISD. Her parents are Jim and Brenda Larned.

The evening's activities also included dancing and bingo.

Donna Sosolik Honored With Bridal Shower

Mrs. Raymond Sosolik, the former Donna Railsback, was honored with a bridal shower Saturday, August 28, in the First United Methodist Church Fellowship Hall. Calling hour was from two until three o'clock in the afternoon.

Receiving guests with the honoree were her mother, Mrs. Don Railsback; and Raymond's mother, Mrs. Leo Sosolik of Seymour.

Special guests included Raymond's sisters, Trisha Hons, Joan Heath, Nita Hons, Brenda Hulcy and Frankie Holub, all of Seymour.

Refreshments of cookies, mints and peach sherbet punch were served from a table covered with a cutwork cloth. An arrangement of mixed flowers in the bride's chosen colors of peach and teal was the centerpiece. Trisha Hons, sister of the bridegroom, served.

Hostesses were Betty Bailiff, Margie Clonts, Doris Crownover, Pam Duke, Wretha Fitzgerald, Ruby Robinson, Faye Shaver, Mary Beth Smith, Sue Stephens and Aleene Waldrip.

4-H Quilt Class To Be Offered

A 4-H Quilt Class will be offered on Saturday, October 2, beginning at 9:00 a.m. at the Knox City Community Center. Participants will make a "rail fence" quilt top.

Anyone interested in participating must pre-register by Friday, September 24 by calling Brenda Larned, 658-5163 or Jane Rowan, 454-2651. A list of supplies will be made available to those signing up.

Requirements for the class are that participants be able to run a sewing machine and sew a straight stitch. The participant must also provide their own sewing machine for the workshop.

More information may be obtained by calling the above numbers.

Summer Scorching Heat Setting Record Demands

For Electricity All Across the South and West

The summer scorching heat wave is setting record demands for electricity all across the South and West as everyone runs air conditioners to ward off triple digit temperatures. According to West Texas Utilities Company, their customer's energy consumption for the month of July was 12 percent above last July.

For the average residential customer, keeping comfortable inside when it is 100 degrees outside means their electric bill will be approximately 20% higher than it was for July 1992. The actual size of the bill will vary depending on each customer's energy usage patterns.

WTU offers tips to help you and your bills beat the summer heat.

* Check and replace air conditioner filters monthly.

* Use heat producing appliances such as oven, washer, dryer and dishwasher during the cooler morning and evening hours.

* Keep outdoor condenser units clean and free of grass clippings, leaves and shrubs.

* Make sure vents aren't blocked by furniture or draperies.

* Next, check for energy waste. A poorly insulated home could easily cost twice as much to cool as a well insulated building. Energy efficient homes offer double-pane windows, storm doors, higher grade insulation in ceilings and walls, superior weather stripping and a high efficiency heat pump.

For those already in a home, check these areas for proper insulation.

* Check the ceiling first, since the sun heats most directly on top of your house. Make sure it's insulated before doing outside walls or floors.

* Use caulking and weather stripping around windows and doors to prevent air leakage.

* Use drapes, blinds, awnings and large shrubs to block heat pouring in through windows and glass doors.

* Install storm windows to cut down even further on the heat transfer through the glass.

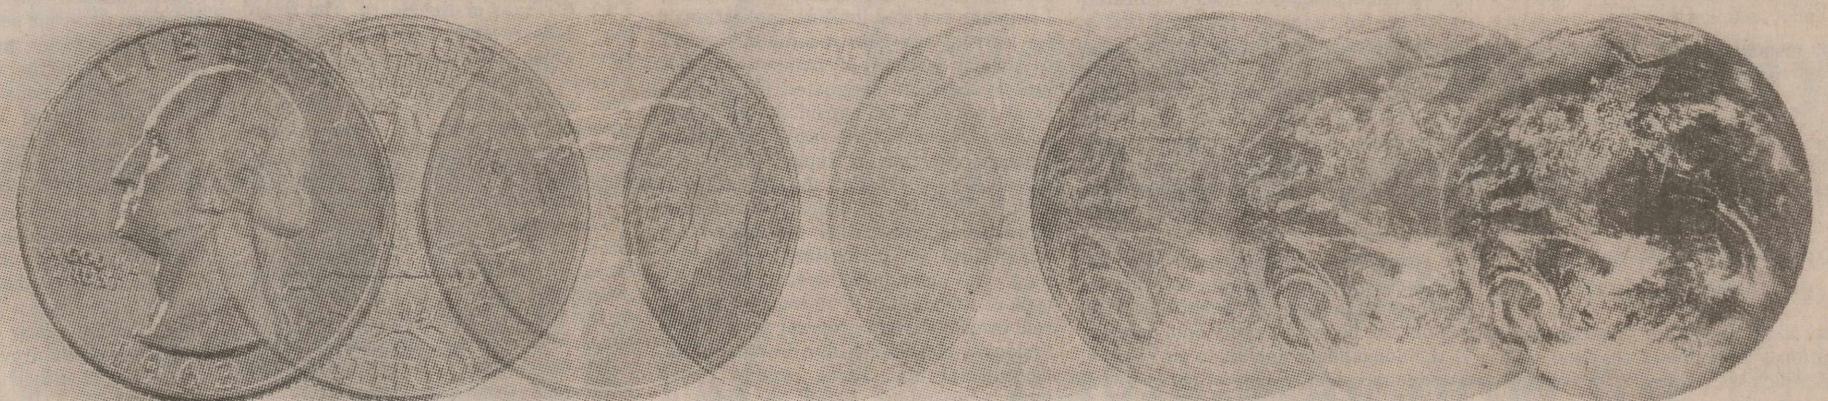

* The simplest technique of all is turning up the thermostat. WTU recommends a setting of 78 degrees or higher.

These simple tips can pay big dividends while customers stay comfortable.

O'Brien Happenings

By Audie Johnston

"My mother admitted to being a less than fastidious housekeeper. One evening my father returned home from work, walked into the kitchen and said, "You know, dear, I can write my name in the dust on the mantel." Mother turned to him and sweetly replied, "Well, darling, that's why I married a college graduate."
HERE AND THERE
 Visiting in the home of J.O. and Charlene Brothers during the weekend were Jerry, Rosie, Jeremy, Lisa, Ethan, Tommy, Rachelle and Parker Brothers of Azle. Also Tammy Brothers of Stamford and Don Brothers of O'Brien.

Charlene Brothers and Marvin Manning were in Wichita Falls Saturday. They were met there by Marv Lancaster, Teresa Ivy and Kandice Cannon of Springtown. The group visited the Riverside Cemetery and finally found the graves that Marvin's grandparents, J.W. and Minerva

Manning, were buried. Marvin went home with the group from Springtown to visit for a while.

Gary and Connie Miles of Dumas visited Connie's parents, Wayne and Corine McKinney, for a while Sunday.

Coy and Loretta Hewitt were in Lubbock Sunday to visit Loretta's mother, Edna Davis, who is in St. Mary's Hospital.

Delmar and Glenda McKinney were in Olney last Monday to attend a funeral for a long time friend of theirs.

Bessie Duncan returned home with her daughter Sue Burleson of Oklahoma last week. She spent a few days with Sue and her families.

I was in Lubbock and Slaton a few days last week. Don and Marilyn Johnston of Slaton came for me and a daughter Loura and Bill Proffitt of Lancaster flew into Lubbock that afternoon. We all were in Lubbock for

a great meal that night and the others present were Jim, Tonia, Wendi and Jami Johnston and her fiancée of Lubbock, Sammie and Ken Roberts, Shirley and Freddie James of Plainview, Rodney, Sherri, Jenna and Jerrod Roberts, Beckie Mowery of Lubbock, Don, Marilyn, Kendra Johnston, Hayes Davies, and Kari and Kristen Lewis of Slaton. Loura and Billy were in Gordon Sunday night to visit Billy's sister Margaret and Jr. Posey. They will return to California Thursday.

Mildred Draper of Lubbock is visiting with Grady and Beatrice Ellis.

"I went to the hardware store one weekend morning to buy supplies for my latest repair project. A harried-looking man entered and approached the register. "Do you rent carpet-shampooing machines?" he asked. "We do," the clerk said. "But they're all out." "Thank God," the fellow replied in relief.

PERDUE VISITORS

Labor Day weekend visitors of Mr. and Mrs. Neil Perdue and Mr. and Mrs. David Perdue and Kristen and Charlotte and Duane Seay of Lufkin, Kim and Chuck Childress and Lauren of Lufkin, Biff and Susan Perdue of Houston, Duane and Liz Perdue of Big Lake, Scott and Marlene Perdue of Nashville, Tennessee; Laurie and Don Chandler, Jenny, Katie and Wes of Snyder and Shelly Seay of Snyder.

The group enjoyed the family dove hunt and some of the group played in the Guys and Dolls Tournament.

RETURN HOME

Mr. and Mrs. Mutt Ivie returned home Monday after spending a week in Ruidoso, N.M.

En route home, they visited their grandson, Jason Ivie, in Perryton.

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 2, 1993

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment that would authorize the Texas Legislature to provide for the issuance of bonds for the state financing of start-up costs for historically underutilized businesses. The amendment provides that the legislature by law may establish a Texas historically underutilized business capital growth and start-up fund. The money in the fund may be used without further appropriation and only for a program established by the legislature to aid in the start-up costs of a historically underutilized business, as defined by the legislature. To carry out the program, the legislature may issue up to \$50 million of general obligation bonds to provide funding. The legislature may require review and approval of the issuance of bonds, the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Bonds authorized by the amendment constitute a general obligation of the state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the issuance of \$50 million of general obligation bonds for the recovery and further development of the state's economy and for increasing job opportunities and other benefits for Texas residents through state financing of the start-up costs of historically underutilized businesses."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 86 proposes a constitutional amendment authorizing the legislature, by general law, to exempt from ad valorem taxation all or part of real and personal property used, constructed, acquired, or installed wholly or partly to meet or exceed rules or regulations adopted by any environmental protection agency of the United States, Texas, or a political subdivision of this state for the prevention, monitoring, control, or reduction of air, water, or land pollution. The amendment applies to real and personal property used as a facility, device, or method for the control of air, water, or land pollution that would otherwise be taxable for the first time on or after January 1, 1994. The amendment does not authorize the exemption from ad valorem taxation of real or personal property that was subject to a tax abatement agreement executed before January 1, 1994.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to promote the reduction of pollution and to encourage the preservation of jobs by authorizing the exemption from ad valorem taxation of real and personal property used for the control of air, water, or land pollution."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 3 proposes a constitutional amendment to clear land titles in which the State of Texas relinquishes and releases any claim of sovereign ownership or title to an undivided one-third interest in and to the lands and minerals within the Shelby, Frazier, and McCormick League (now located in Fort Bend and Austin counties) arising out of the interest in that league originally granted under the Mexican Colonization Law of 1823 to John McCormick or on or about July 24, 1824, and subsequently voided by the governing body of Austin's Original Colony on or about December 15, 1830. Title to such interest in the lands and minerals is confirmed to the owners of the remaining interests in such lands and minerals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the clearing of land titles by the release of a state claim in a fractional interest, arising out of the voiding of an interest under a Mexican land grant, to the owners of certain property in Fort Bend and Austin counties."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 49 proposes a constitutional amendment that would prohibit a state personal income tax without voter approval and would dedicate the proceeds of any income tax, if enacted, to property tax relief and education. The amendment provides that a general law enacted by the legislature that imposes a tax on the net incomes of natural persons, including a person's share of partnership and unincorporated association income, must provide that the portion of the law imposing the tax not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of imposing the tax. The referendum must specify the rate of the tax that will apply to taxable income.

The amendment also provides that a general law enacted by the legislature that increases the rate of the tax, or changes the tax in a manner that results in an increase in the combined income tax liability of all persons subject to the tax, may not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of increasing the income tax. The referendum must specify the manner in which the proposed law would increase the combined tax liability of all persons subject to the tax. The legislature may repeal, or amend without increasing, a tax approved by the voters without submitting the amendment or the repeal to the voters. If the legislature repeals a tax approved by the voters, the legislature may only reenact the tax without voter approval if the effective date of the reenactment of the tax is within one year of the effective date of the repeal of the tax.

The amendment also provides that, in the first year in which an income tax is imposed, and during the first year of any increase in the tax, not less than two-thirds of all net revenues from the tax shall be used to reduce the rate of ad valorem maintenance and operation taxes levied for the support of primary and secondary education. In subsequent years, not less than two-thirds of all net revenues from the tax shall be used to continue such ad valorem tax relief. The net revenues of the tax remaining after the dedication of money for reduction of ad valorem maintenance and operation taxes shall be used for support of education. The maximum rate at which a school district may impose ad valorem maintenance and operation taxes is reduced by an amount equal to one cent per \$100 valuation for each one cent per \$100 valuation that the school district's ad valorem maintenance and operation tax is reduced by the minimum amount of money dedicated under the amendment, provided that a school district may subsequently increase the maximum ad valorem maintenance and operation tax rate if the increased maximum rate is approved by a majority of the voters of the school district voting at an election called and held for that purpose. The portions of the amendment relating to dedicating tax revenues to reduce the rate of ad valorem maintenance and operation taxes apply on or after the first January 1 after the date on which an income tax takes effect, except that if the income tax begins to apply on a January 1, the amendment applies to ad valorem maintenance and operation taxes levied on or after that date.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment prohibiting a personal income tax without voter approval and, if an income tax is enacted, dedicating the revenue to education and limiting the rate of local school taxes."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 18 proposes a constitutional amendment that would authorize the legislature to prescribe the qualifications of sheriffs. Currently, the constitution authorizes the legislature to prescribe the duties, perquisites, and fees of office, but not the qualifications for the office of sheriff.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to prescribe the qualifications of sheriffs."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 21 proposes a constitutional amendment that would abolish the office of county surveyor in Jackson County. The amendment also provides for the powers, duties, and functions of the county surveyor to be transferred to the county officer designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of county surveyor in Jackson County."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 57 proposes a constitutional amendment that repeals article XII, section 6, of the Texas Constitution, which currently provides that no corporation shall issue stock or bonds except for money paid, labor done, or property actually received, and that all fictitious increase of stock or indebtedness shall be void.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing certain restrictions on the ability of corporations to raise capital."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment that would authorize the commissioners court of McLennan County to call an election to abolish the office of county surveyor. The office of county surveyor will be abolished if a majority of the qualified voters of McLennan County voting on the question favor the abolition. If the office of county surveyor is abolished, the amendment requires the maps, field notes, and other records in the custody of the county clerk of McLennan County. After abolition, the amendment also grants the commissioners court of McLennan County the authority to employ or contract with a qualified person to perform any of the functions that would have been performed by the county surveyor if the office had not been abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in McLennan County."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 19 proposes an amendment to article VIII, section 13 of the Texas Constitution that would modify the provisions for the redemption of real property sold at a tax sale. The amendment deletes current language in article VIII, section 13 that allows the legislature to provide for the sale of property without trial to pay for delinquent taxes. It also states that the deed to the new owner vests a good and perfect title subject only to redemption as set out in this amendment or impeachment for fraud. Language is added limiting application of the current two-year redemption period to former owners of residence homesteads and land designated for agricultural use sold for unpaid taxes. When property is sold as the result of a suit to enforce collection of unpaid taxes, the amendment would allow the legislature to limit redemption to property used as a residence homestead or designated for agricultural use at the time the suit was filed. The amendment creates a second type of redemption for former owners of real property when property is neither a residence homestead, nor designated for agricultural use. These owners would have a six-month period in which to redeem their property by paying the amount of money paid for the property, including the Tax Deed Recording Fee, all taxes, penalties, interest, and costs paid plus an amount not exceeding 25 percent of the aggregate total. The amendment applies to redemption of properties sold at a tax sale for which the purchaser's deed is filed on or after January 1, 1994. For redemption of properties sold at a tax sale for which the purchaser's deed was filed before January 1, 1994, the former law is applicable and remains in effect.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to modify the provisions for the redemption of real property sold at a tax sale."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that adds a

new section 49-b-2 to article III of the Texas Constitution. This new section provides that, in addition to the general obligation bonds authorized to be issued and sold by the Veterans' Land Board (the "Board") by sections 49-b (\$950 million) and 49-b-1 (\$1.3 billion) of article III, the board may provide for, issue, and sell general obligation bonds of the state in an amount not to exceed \$750 million to provide financing to Texas veterans, \$250 million of the bonds authorized by this new section shall be used to augment the Veterans' Land Fund (the "Land Fund"). The Land Fund shall be used by the Board to purchase lands situated in Texas owned by the United States government, an agency of the United States government, the State of Texas, a political subdivision or agency of the State of Texas, or a person, firm, or corporation. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest determined by the Board. Lands in the Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, terms, prices, and rates of interest determined by the Board.

New section 49-b-2 creates the Veterans' Housing Assistance Fund II (the "Housing Fund II"), and \$500 million of the general obligation bonds authorized by the section shall be used for the Housing Fund II. The Housing Fund II is a separate and distinct fund from the Veterans' Housing Assistance Fund (the "Housing Fund") established under section 49-b-1 of article III. Money in the Housing Fund II shall be administered by the Board and shall be used to make home mortgage loans to veterans for housing within this state in quantities, on terms, and at fixed, variable, floating, or other rates of interest determined by the Board. The principal of, and interest on, the general obligation bonds authorized by this section for the benefit of the Housing Fund II shall be paid out of the money of the Housing Fund II. The principal of, and interest on, the general obligation bonds authorized by section 49-b-1 of article III for the benefit of the Housing Fund shall be paid out of money in the Housing Fund. If there is not enough money in the Land Fund, the Housing Fund, or the Housing Fund II, as the case may be, available to pay the principal of, and interest on, the general obligation bonds authorized by this section or by sections 49-b or 49-b-1 of article III, there is appropriated out of the first money coming into the treasury in each fiscal year an amount that is sufficient to pay the principal of, and interest on, the general obligation bonds that mature or become due during that fiscal year.

If the Board determines that assets from the Land Fund, the Housing Fund, or the Housing Fund II are not required for purposes of the fund, the Board may transfer the assets to another of those funds or use the assets to secure revenue bonds issued by the Board. The revenue bonds shall be special obligations of the Board and payable only from and secured by receipts of the funds, assets transferred from the funds, and other revenues as determined by the Board and shall not constitute indebtedness of the State of Texas or the Board. The Board may issue revenue bonds from time to time, which bonds may not exceed an aggregate principal amount that the Board determines can be fully retired from the receipts of the funds. The revenue bonds shall be sold in forms, denominations, and in installments, and bear a rate or rates of interest as the Board determines.

The general obligation bonds authorized to be issued by the Board by this section or by sections 49-b and 49-b-1 of article III shall be issued and sold in forms and denominations, on terms, at times, in the manner, at places, in installments, and shall bear a rate or rates of interest the Board determines. The bonds shall be incontestable after execution by the Board, approval by the Attorney General of Texas, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing issuance of \$750 million in general obligation bonds to augment the Veterans' Land Fund and the Veterans' Housing Assistance Fund and to fund the Veterans' Housing Assistance Fund II."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 31 proposes a constitutional amendment relating to the duties of trustees of local retirement systems which provide retirement and related disability and death benefits for public officers and employees and that do not belong to a statewide retirement system. The amendment provides that the

board of trustees of such a system shall (1) administer the system of benefits; (2) hold the assets of the system for the exclusive purposes of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the system; and (3) select legal counsel and an actuary and adopt sound actuarial assumptions to be used by the system.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing that the trustees of a local public pension system must administer the system for the benefit of the system's participants and beneficiaries."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 23 proposes a constitutional amendment providing that any person accused of a violent or sexual offense committed while under the supervision of a criminal justice agency of this state or a political subdivision of this state for a prior felony may, after a hearing and evidence substantially showing the guilt of the accused, be denied bail pending trial. If the accused is not, however, accorded a trial within 60 days from the time of his incarceration upon the accusation or indictment, the order denying bail shall be set aside unless a continuance is obtained upon the request of the accused. In the amendment, the term "violent offense" means murder, aggravated assault (if a deadly weapon was used or exhibited during the commission of the assault), aggravated kidnapping, or aggravated robbery. The term "sexual assault," means aggravated sexual assault, sexual assault, or indecency with a child.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the denial of bail to certain persons charged with certain violent or sexual offenses committed while under the supervision of a criminal justice agency of the state or a political subdivision of the state."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that amends article VII, section 17(a), of the Texas Constitution to provide that, of the \$100 million currently appropriated by that section for the use of public institutions of higher education during each fiscal year, those institutions may also utilize this money to pay for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. For the five-year period beginning on September 1, 2000, and for each five-year period thereafter, the legislature, during a regular session that is nearest, but preceding, a five-year period may, by a two-thirds vote of the membership of each house, increase the amount of the \$100 million constitutional appropriation for the five-year period. The amendment also reflects name changes that have been made to some of the institutions of higher education for which such funding is available. The amendment adds the Texas State Technical College System to those institutions eligible to receive such funding, but limits its allocation of the annual appropriation to 2.2 percent of the total appropriation each fiscal year. The amendment also provides that each governing board authorized to participate in the distribution of money under article III, section 17, may also issue bonds and notes for the purposes of refunding bonds or notes issued under that section or prior law for the purposes of acquiring capital equipment, library books and library materials, paying for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. The amendment deletes language in article III, section 17, which authorizes the legislature to designate a single agency to issue such bonds or notes in lieu of the governing bodies, and to transfer to that agency the authority to collect and pledge money to the payment of such bonds and notes as directed by the governing body of each eligible institution. Funds appropriated under article III, section 17, may not be used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent im-

provements that are to be used only for student housing, intercollegiate athletics, or auxiliary enterprises.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the amount and expenditure of certain constitutionally dedicated funding for public institutions of higher education."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 45 proposes a constitutional amendment that adds a new subsection (e) to article III, section 49-h, of the Texas Constitution. The new subsection provides that, in addition to the amounts authorized by subsections (a) (\$500 million), (c) (\$400 million), and (d) (\$1.1 billion) of section 49-h, the legislature may authorize the issuance of up to \$1 billion in general obligation bonds and may use the proceeds of the bonds for acquiring, constructing, or equipping new corrections institutions, including youth corrections institutions, and mental health and mental retardation institutions and for major repair or renovation of existing facilities of those corrections and mental health and mental retardation facilities. The amendment also provides that the provisions of subsection (a) of section 49-h, relating to the review and approval of bonds, and the provisions of subsection (b) of section 49-h, relating to the status of the bonds as a general obligation of the state and to the manner in which the principal and interest on the bonds are paid, apply to bonds authorized by this amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of up to \$1 billion in general obligation bonds payable from the general revenues of the state for projects relating to facilities of corrections and mental health and mental retardation institutions."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 37 proposes a constitutional amendment that would authorize the county commissioners court of a county to call an election to abolish the office of county surveyor. The office of county surveyor is abolished if a majority of voters of the county voting in the election approve the measure. If the office of county surveyor is abolished, the maps, field notes, and other records of the county surveyor are transferred to the county officer or employee designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit the voters of a county to decide, at an election called by the commissioners court, whether to abolish the office of county surveyor in the county."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 44 proposes an amendment to article III, section 49-(b) of the Texas Constitution, which currently limits the principal amount of bonds outstanding at one time for the Texas agricultural fund to \$25 million and for the rural microenterprise development fund to \$5 million. The amendment would raise the principal amount limit for the Texas agricultural fund to \$100 million. The amendment would also make the principal amount limit for each fund apply to the total principal amounts of both bonds and notes issued or sold rather than just the principal amounts of bonds outstanding at one time.

The proposed amendment will appear on the ballot as follows:

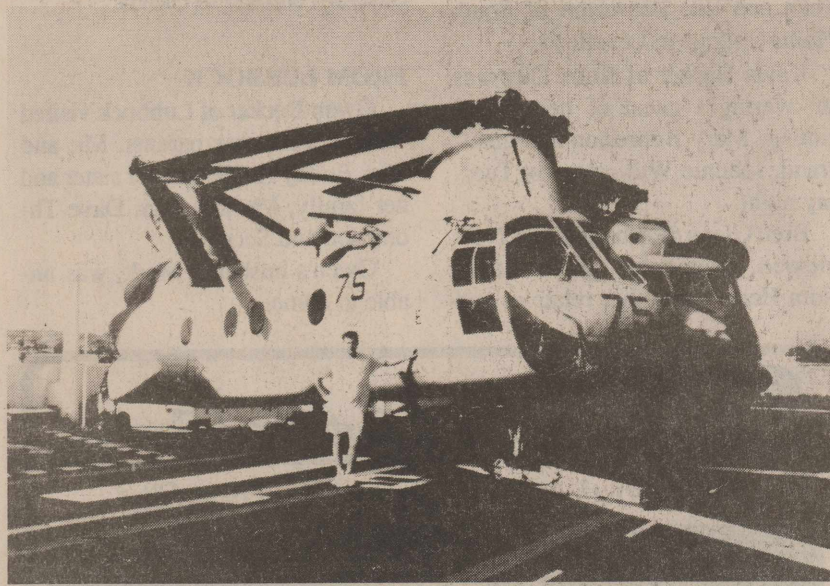

"The constitutional amendment authorizing up to a total of \$100 million in bonds and notes to be issued or sold to finance the Texas agricultural fund for providing financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced primarily in this state by agricultural businesses domiciled in the state."

Barney Arnold Featured In Abilene Sunday Paper By Larry Zelisko

(Editor's note: One of our very favorite persons was featured in *The Abilene Reporter News* last Sunday with an interview in Larry Zelisko's *Big Country Journal*.. Barney Arnold, Knox City businessman, was recognized as the elder statesman of real estate in Knox City by Zelisko, and we are reproducing the article in its entirety for our readers who may not have read it in the Sunday paper.)

"He's 93 and still reports to the office every day, though lately business has been kinda slow, he says.

"The afternoons have been so hot this summer, and I haven't been out and prowling around like a real estate man should," Arnold says.

"Obviously, Arnold enjoys what he's doing or else he would be making plans to retire. In his long life, Arnold has worked at a variety of jobs, and about the only one that beats real estate is ranching, he says.

"His cowboying career, however, ended about 15 years ago when he fell off a horse. Already well into his 70s then, he told his wife, the late Lida Bell, that he was going to lease the ranch out.

"Although he gave up ranching, Arnold didn't give up working the land. He is known around town for his vegetable garden. He grows most anything, and then gives most everything away.

"Arnold was born in Grandview in Johnson County in 1899. His father was an attorney and moved the family to Jones County in 1902.

"Arnold says he remembers reaching Abilene, where their belongings had been shipped by box-car, and staying at the Commerce Hotel. He remembers because he had a great time playing on the front porch, he says. The family then shipped their belongings to Anson by wagon, but it was still a two-day trip, so they had to spend the night at the Clear fork of the Brazos River by Truby.

"After graduating from Anson High in 1916, he enrolled at Jones Business College in Abilene, before taking a job with the Abilene & Southern Railroad.

"He went on to work in the court-

house in Anson and in the title business in Eastland. Also, he got into the gin and cotton business. He came to Knox City on July 1, 1931, and operated a gin. He started buying ranches to operate and lease out, and pretty soon he found himself in the real estate business. He has also had his hand in the insurance business, and was a probation officer for a while.

"His civic service is as varied as his occupations. He has been mayor and on various boards, including secretary of the hospital board for 25 years.

"His main interests -- gardening, ranching and real estate - have one thing in common - land. Arnold knows the land and works hard to make it produce. And the land around Knox City has been good to Barney Arnold for years."

More Random Thoughts.....

No particular subject again this week, just some more random thoughts that have crossed my mind this past week.

Went to the football game against Throckmorton last Friday evening to witness the battle between two Greyhound teams. While the score did not favor our Greyhounds, their play was impressive. Then on Sunday I watched the game between Dallas and Buffalo and thought I was watching the Knox City game all over again. Both games were similar in that Knox City and Dallas both fought hard games and never gave up until the final buzzer sounded. Both games were turned over to the opposing teams by mistakes. While our Greyhounds are playing their hearts out with the talent on hand, Dallas needs to work on getting a few more players who can get the job done. One would be Emmitt Smith, the other would be a new field goal kicker! Team owner Jerry Jones is trying to save money by not giving in to the salary demands of Emmitt Smith, but I guess it all depends on how much he thinks another Superbowl trophy is worth. I would bet it's worth far more than what Emmitt is asking.

Our first home football game is this Friday night, I hope our team is able to see the bleachers full of loyal fans on hand to wish them well against the visiting Haskell Indians. Game time is 8:00 p.m.

I appreciate the nice comments about my random thoughts column last week:

- with a smile, City Manager Joe Rice said he "owed me one" with reference to the item on the downtown flag! There was a new flag up and flying shortly after the paper came out, thanks Joe.

- Sallie H. Stephens from Lubbock also liked the items on Jerry Lewis and on the flag. As a matter of fact, she sent a check for \$10.00 to help purchase a new flag in the future. I turned her check over to Joe early Monday morning. Her note indicated that she felt others might also give to the fund...

- Chamber Manager Doris Crowover called to express her thanks on the items about how much trash people are leaving on our city streets, and on the item about the upcoming Chamber of Commerce Christmas Parade. Thanks Doris, I certainly appreciate what the chamber is doing to get the Christmas Parade back on track. It is always a lot of fun and I'm looking forward to it!

I enjoy picking up the daily news-

papers and reading the stories about the lottery winners. Amazingly, almost all say the same thing. They all comment on how they don't think it will change their lives much. If we suddenly received fifty million dollars in payments of \$100,000 a month for the next twenty years, I guess it wouldn't change our lives much either. Our past lives that is, because our future lives would be totally changed! The sign on the front door of the News office would say it all in one simple word: BYE!!!

In another item about trash, a big thumbs down to the young people who sit on the steps of the First Baptist Recreation Center on weekend nights and leave their coke cans, candy wrappers and other trash all over the upper and lower steps. No one objects to where they sit and gather, but they can sure act a little more responsible and take their trash with them when they leave.

BIG NEWS this week. In case you missed her this weekend, Lezlee Hearn was able to come home on a weekend pass from St. Marys hospital in Lubbock. It's been a little over five weeks since her tragic and near fatal car accident on the Lubbock Highway between Guthrie and Dickens. Lezlee returned to St. Marys on Sunday night to continue her rehab therapy. She and her mom addressed the congregation at First Baptist Church on Sunday morning, I was watching by television on cable channel 17 and it was a thrill to see Lezlee standing there!

Did you know that Romain Stubbs had a birthday this past week? If you

didn't know, don't feel bad - I think it kinda got snuck by all of us! Someone got it into the Abilene newspaper, but we missed it. Anyway, happy (a little late) birthday to a really great lady who always the extra mile to make everyone else's birthdays so nice!

MR. AND MRS. MICHAEL THOMAS WEIGAND
... the former Delanie Lyn Worley

Locals' Granddaughter Wed In January 2 Colorado Ceremony

Delanie Lyn Worley of Aurora, Colorado, and Michael Thomas Weigand of Cypress, California, were married Saturday, January 2, at the East Alameda Church of Christ in Aurora. David Howard performed the double ring ceremony. The altar was decorated with five bouquets of mauve roses and white lilies. Mauve bows marked the family pews.

The bride is the daughter of DuAnn and Ron Worley of Aurora and the granddaughter of Jewell and Lynn Worley of Knox City. Linda and George Weigand are the parents of the bridegroom.

Music was selections sung by DuAnn and Emily Worley, Joe Galow and Tim Mitchell of Aurora.

Given in marriage by her father, the bride wore a floor length dress of satin with a portrait collar. The bodice was decorated with lace, sequins and pearls. She carried a bouquet of white lilies with burgundy roses.

Maid of honor was Teresa Bose of Goshen, Indiana. Bridesmaids were Emily and Lindy Worley, sisters of the bride; Becky Davis of Phoenix, Arizona; and Gail Anderson of Aurora. They wore burgundy tea length dresses with portrait collars and carried bouquets of white and burgundy lilies.

Best man was Jackson Bond of Lakewood, California. Groomsmen were Chuck Cobbs of Cypress, California; Marcus Pfeifer of Amarillo and Cory Humphrey of Panhandle, Texas. They wore black tuxedos with burgundy ties and cummerbunds.

The reception followed in the fellowship room. Decorations were green plants with pink, mauve and

Graveside Rites For Q.D. Byrd Held Monday

Graveside services for Q.D. Byrd of Rochester were held Monday afternoon, September 13 at three o'clock in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Mr. Byrd, 74, died Sunday, September 12, in a Stamford hospital.

Born January 16, 1919, in Haskell County, he married Elizabeth Wilson on September 11, 1945, in Haskell. He served as an Army MP on New Guinea during World War II and served as Haskell County Commissioner for three years. He worked for the City of Rochester for 12 years and became City Manager in 1984 and retired in 1991. Mr. Byrd was a Baptist and was preceded in death by a brother and three sisters.

Survivors include his wife, Elizabeth of the home; two sons, Clifford and Hank, both of Rochester; three daughters, Linda Carter of Anson, Mary Alice Gibson of Merkel, and Lousie Corzine of Stamford; three brothers, Jackie Byrd of Comanche, Denver Byrd of Rochester and James Byrd of Throckmorton; two sisters, Dorothy Dunn of Abilene and Odelia of Roscoe; 10 grandchildren and one great-grandchild.

Pallbearers were Eddie Searl, W.G. May, Ernie Simpson, Bobby Joe Helton, Steve Saffel, Ricky Byrd and Carl Scoggins.

Kermit Rites Are Monday For George Davis

Funeral services for former Knox City resident George Edward Davis of Kermit were held Monday, September 13, at the First United Methodist Church in Kermit with the Rev. Glenn Hutton and Rev. Paul Duerksen officiating. Interment was in the Kermit Cemetery. He was 98.

Mr. Davis was born in Ingalls, Oklahoma Territory on February 22, 1915. He graduated from Oklahoma A&M (Oklahoma State) with a degree in Electrical Engineering in 1916, and served as a Second Lieutenant in the Army Air Corp during World War I. Following the War, he worked for General Electric in New York and for the Cities Service Oil Company in the newly discovered Permian Basin Oil Fields. In the late 1920's, he became involved in private business in the Jal-Kermit area. He was a 72 year member of the Masonic Order and holder of Thirty-second degree of the Scottish Rite, the Lions Club and the American Legion.

On December 25, 1930, he married Ora Mae Medlin in Carlsbad, New Mexico.

Survivors include his wife, Ora Mae of Kermit; four sons, George M. Davis of Kermit, Leland E. Davis of St. Cloud, Minnesota, James M. Davis of Austin and Glenn G. Davis of Hurst; seven grandchildren, ten great-grandchildren, and one great-great-grandchild.

Pallbearers were Bill Myers, Lee McWorkman, Tommy Thompson, Jerry McGuire, Julian Dawson and James Green.

Honorary pallbearers were the Men's Bible Class of the First United Methodist Church, members of the Masonic Lodge No. 1258 Kermit, and Lodge No. 1302 Wink.

How about the cool weather we are having? It really does put a hint of fall in the air, doesn't it? If we could have this type weather the year around, it would sure be nice, but fall like conditions will soon give way to cold winter. But we can enjoy these pleasant days while they last.

Word was received here Sunday of the death of Doris Golden of Fort Worth. Doris was the wife of former Benjamin resident, Bobby D. Golden. Funeral will be here on Wednesday at 2:00 p.m. at the First Baptist Church with burial in the Benjamin Cemetery.

We extend sympathy to Doris' family.

Reports on everyone else in the community are that all's going pretty well. Our friends with health problems are all feeling pretty good and we are always glad to report that.

They tell me "up at school" that the year has gotten into full swing and all seems to be going well. Junior High began their football season Thursday night and I'm sorry I do not have all the details but maybe I can do better hereafter. I do know the game ended in a tie. Beyond that -- I'm lost!

HERE 'N THERE

Henry Rogers was in Scurry, Texas, on Labor Day for the funeral of his great-niece. He was accompanied to Scurry by his son, Wesley of Haskell.

Wiela Cunningham of Electra visited her mom, Ozelle Kilgore and

Galen on Labor Day.

Enjoying the last long weekend of the summer here with her family, the Jack Whittens, was Christi Whitten, student of Northwest Missouri University in Maryville.

Guy and Donna Spikes and family of Lubbock were Labor Day weekend guests of his parents, Bill and Dorothy.

Mr. and Mrs. Billy Jay Jennings of Markham visited Bud Conner recently.

Spending last week with Shirley and Stanton Brown and Shari were Calvin and Thelma Brown of Perryton.

Visiting Lou Leaverton during the Labor Day weekend and getting in some "first of the season" dove hunting were Jerry Leaverton and family of Amarillo, Rick Leaverton and family of Denver, Colorado, Nick Leaverton and family of Pismo Beach, California, Nicki Sue Baker and family of Dallas, Ray and Janice Allsup of Archer City, Essie Mae Walters of Pampa, Bert and Judy Leaverton of Knox City, Bill Leaverton of Texas Tech and Lee Leaverton of South Plains College in Levelland.

Kayla Hacker of Knox City was an overnight guest of her grandmother, Mary Bohannon and great-grand, Johnnie Williams, last Tuesday night.

Brett Glenn of Albuquerque, New Mexico, visited his grandmother, Nora Hertel and other relatives and

friends Labor Day weekend.

Earlene Meinzer and I attended the Vera homecoming on Sunday. It was very nice, a good meal and we saw many people we hadn't seen in a while. Others from here that we saw there were Bill Rutledge and Bobby and Philomae Roberson.

Don and Louise Hertel visited their son, Craig at Gainesville, during the weekend.

David and Dana Golden of Burkburnett were visitors of his grandmother, Lois Golden, during the weekend.

Recent guests of Hazel Stockton were her brother and his wife, Sam and Clara Loper of Lubbock.

Visiting Rex and Maretha Patterson recently were Wanda Holland of Burkburnett and Colleen Patterson of Wichita Falls.

Kenneth and Jessie Roberts attended the funeral of Kenneth's uncle in Clovis, New Mexico, one day last week. They visited her brother in Hereford enroute to his.

FROM LUBBOCK

Gwen Decker of Lubbock visited Sunday with her parents, Mr. and Mrs. Buddy Angle and her sister and her family, Mr. and Mrs. Dave Thompson and Scooter.

Gwen's husband, Mark, was unable to come.

Vera Reid Honored At August 31 Coffee

Vera Reid was honored with a "going away" coffee on August 31 in the home of Ruth Rhodes.

Vera and her husband Rick are in Phoenix, Arizona, serving as Mission Service Corps Volunteers.

Those attending the coffee were Janice Rhodes, Rita Rosencranz, LaNell B. Kight, Charlotte McNeil, Karen Lankford, Ramona Helms, Eileen Rolo, Ruthie Acree, Annita Warren, Sylvia King, Katelyn King, Linda Espinosa, Linda Willson and Ruth Rhodes.

1993 Property Tax Rates in Benjamin ISD

This notice concerns 1993 property tax rates for BENJAMIN ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the school district used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the school district can set before it must hold a rollback election. In each case these rates are found by dividing the total amount of taxes and state funds by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 182,949.93
Last year's debt taxes	\$ 0
Last year's total taxes	\$ 182,949.93
Last year's tax base	\$ 25,523,055
Last year's total tax rate	\$.325 /\$100

This year's effective tax rate:	
Last year's adjusted taxes	\$ 82,932.22
(after subtracting taxes on lost property)	\$ 22,357,423
+ This year's adjusted tax base	\$
(after subtracting value of new property)	\$.3709 /\$100
- This year's effective tax rate	\$

x 1.03 = maximum rate unless the school district publishes notices and holds hearing	\$.3820 /\$100
--	-----------------

This year's rollback tax rate:	
School maintenance and operations component	\$ 257,045
+ This year's tax base	\$ 22,357,423
- This year's local maintenance and operating rate	\$ 1,1497 /\$100
+ \$.06 = this year's maximum operating rate	\$ 1,2097 /\$100
+ This year's debt rate	\$ -0- /\$100
- This year's rollback rate	\$ 1,2097 /\$100

Schedule A

Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
M&O	546,768.00

Schedule B

1993 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
This Entity, Benjamin ISD, does not have a debt secured by property tax	\$	\$	\$	\$
<i>(expand as needed)</i>				
Total required for 1993 debt service	\$	\$	\$	\$
- Amount (if any) paid from funds listed in Schedule A	\$	\$	\$	\$
- Excess collections last year	\$	\$	\$	\$
- Total to be paid from taxes in 1993	\$	\$	\$	\$
+ Amount added in anticipation that the unit will collect only _____ % of its taxes in 1993	\$	\$	\$	\$
- Total Debt Levy	\$	\$	\$	\$

PERFORMING DURING THE HALFTIME CEREMONIES of the game against Throckmorton last Friday night, the Knox City Band played new tunes and received a strong round of applause from the Throckmorton fans. The band also did a great job of keeping the fans on the Knox City side of the field excited throughout the game. The band is under the direction of Ray Weaver, who is new to the Knox City-O'Brien CISD this year. (NEWS Photo)

JUNIOR CLASS NEWS

By Heather Tilson
The most hideous thing known to mankind. The root of all evil. The terrifying word that brings screams to children. It's BAA - CK! Yes, it's SCHOOL once again!

It has been quite an adjustment getting back into the routine of school. The getting up early and not to mention the homework, has been very hard. The junior class has adjusted well.

Last week we voted for class officers. The junior class President is Billy Curd. I would like to mention the fact that he's my cousin. Our vice president is Josh Burt. Our class secretary is Eric Richardson. Junior class reporter is Heather Tilson. We also voted for class favorites. Our class favorites are Billy Curd and Stephanie Williams. Yes, it does seem that this year we have an all male anarchy. What is our government system coming to! The United States Political system has reached our public schools. By the year 2000, women will only be recognized as pillars of the community!

On the bright side of things, our football team has played very well against the last two opponents. They have put forth much effort and hard work these past few weeks. Keep up the good work guys! I have faith in y'all!

The girls volleyball teams have been doing exceptionally well, too. The varsity and junior varsity are very strong teams. Good luck girls!

The band has improved a lot since last year. Our sound and marching are remarkable. We have shocked quite a few people in the community. By the time contest rolls around we will have everybody in the stands clapping and giving us a standing ovation!

Everybody seems to be enjoying their extracurricular activities and putting a lot of work into them. So, some out and support our local Greyhounds, Houndettes, and the Knox City Band. Your support is needed and appreciated!

'A Glimpse of Europe'

By STEPHANIE PEPPER

Three other girls and I walked up the steps of a small hotel in Ulm, Germany, trying not to anticipate. We were all sharing our room together and thoughts ran through our heads as to what it would look like. The youth hostel we stayed in Paris wasn't bad, it just wasn't what anyone was used to. Our showers - which everyone used (yes, that means guys, too) were through the stair well and down the hall, and the "W.C." (toilets) were on the opposite end. We opened the door and walked in. "Look, shower, a shower! A shower in our own room!" We then jumped up and down, dancing all over the room and gave each other hugs. After that we ran through the halls to see if everyone else had such luxury! Before, I would laugh at anyone throwing such a fit because of a shower in their hotel room - oh never again!

Early the next morning we ate breakfast: rolls, a boiled egg, and some kind of meat in a plastic can (don't worry, I didn't eat it). Afterwards we loaded and drove through the beautiful German Alps. The Eiffel Tower was unbelievable, and so were the many castles in England, but nothing can compare to the work of God.

We arrived at Neuschwanstein Castle at 11:00 a.m. We had 2 1/2 hours to look around before the bus left. Plenty of time we thought! To get to the castle, which King Ludwig built in the 1800s, you must walk (or pay to ride) UP a long, long, long road. The Castle is set off in the mountains which makes for some beautiful scenery. We walked to the castle, looked around and then we walked up another hill to a bridge. I took a whole roll of film just in that one spot. Looking out from the bridge the castle dominated the scene. But in the foreground you could see the whole city and beyond that more mountains.

Several of us hiked up the mountain across from the castle. We went as far up as we could and just stood there. Behind us there was a perfect "hideaway" lake surrounded by mountains. We stood there in silence forever. Nothing could be said of

what we saw. As you can imagine, we basically ran back down the mountainside, grabbed some wrauwurst and barely caught the bus to leave.

If you imagined how excited we were at our room in Ulm, it was twice the celebration in Oberammergau. Not only did we have a shower to ourselves, but a toilet was included! Friday morning we left Oberammergau headed for "home" - Vienna. We were all anxious to get somewhere to settle down a little. On our way, we stopped at Dachau, one of the concentration camps during World War II.

I don't know how to describe Dachau, or show the feelings that went through me as I walked through there. I can't imagine living through something like that. They housed over 1600 men in barracks built for 200. Each one of us was very solemn as we walked through that horrible part of history. We saw the Krematorium, where they burned thousands of bodies, the fumigation stalls and "showers" which in reality were gas chambers. For our philosophy class, we are reading "Man's Search for Meaning" by Viktor Frankl. Dr. Frankl lived through Dachau, and was "promoted" from work camp to working in the camp infirmary.

After Dachau, we had a long six hour trip to "home": 22 Sonnwendgasse, better known as The Kolpinghaus. We were all antsy upon arrival: what to expect. As it turned out, the Kolpinghaus is very much like our dorm rooms at school. We settled in, ate supper and SLEPT!

Worship service Sunday morning was filled with singing. We had church at ICU (International Christian University) in a little room filled with people from the U.S., Lithuania, Croatia, Austria, China, and many other countries. I've always heard if God is in your heart any communication barrier can be broken and there was, while we all sat and praised God.

Monday night we had our first meeting to set up studies with our English speaking students. We work one on one with them, teaching them

English through the Bible. All of the students are very open to learn, and very friendly.

The work at European Missions is busy! One advertisement for free Bibles was put in a Russian newspaper. Other papers picked it up and started running it. The EM has received millions of responses from the ad! So many are reaching out for the gospel. To meet their needs quickly, the return addresses were photocopied and taped on boxes. Work is being done around the clock to mail out Bibles as quick as we can!

Things are getting into full swing here. I forgot to mention I'm on the 5th floor! We found Tichy Eis, a wonderful ice cream shop - three scoops for only about a dollar! The calories are canceled out because of all those stairs I must climb to my room!

We are all learning to value everything we have in the U.S. (including Charmin!) The work we're doing here is definitely worth the sacrifice. Please continue to pray - and THANK YOU SO MUCH FOR THE LETTERS! A lot of times they make or break a good day!

Remember: the next time you pop in thirty-five to fifty cents for a Coke... savor it! Here it costs almost two dollars for one can of Coke!

Golden Rites Are Wednesday In Benjamin

Funeral services for Doris G. Golden of Fort Worth were held Wednesday afternoon, September 15, at two o'clock in the First Baptist Church in Benjamin with the Rev. John Gillispie officiating. Burial was in the Benjamin Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Golden, 69, died Saturday, September 11, at her residence from a lengthy illness.

Born May 20, 1924, in Cleburne, her parents were the late Lloyd F. and Mary Bowden. She married Bobbie D. Golden on October 2, 1968, in Weatherford. She was a member of the Baptist Church and was a member of the Rebekkah Lodge #252 in Fort Worth.

Survivors include her husband, Bob of Fort Worth; three daughters, Jan Golden of Azle, Judy Finstad and Becky Robinson, both of Fort Worth; two brothers, Loyd Bowden and L.H. Bowden, both of Cleburne; a sister, Frankie Baker of Cleburne; ten grandchildren and three great-grandchildren.

ASCS Weekly News

By John Rector
County Executive Director

SEPTEMBER 17 DEADLINE

- September 17 is the deadline and date to remember for the following:
1. Last day to sign up for 1990, 91 and/or 92 disaster quality adjustment for program crops. There will be no extension.
 2. Last day to switch from regular program to 50/92 on 1993 cotton or 0/92 for 1993 wheat and feed grain. The planted acres will still be eligible for disaster (including the acres you switch to CUPAY). The CUPAY acres will have a zero yield assigned to them for disaster purposes regardless of what it has been appraised - providing the crop was disaster affected.
 3. Last day to switch back from 0/92 to the regular program in order to be eligible for 1993 disaster on the planted acres up to the permitted. Beware of this - if you were required to buy federal crop or multi-peril insurance for the 1993 crop due to drawing disaster in 1992 and certified 0 acres for harvest to the insurance company and did not pay a premium - you will be required to pay back the 1992 disaster payment (plus interest) you drew on the crop in order to switch back and draw 1993 disaster. The County Committee must further determine that the crop was planted for harvest and was not carried to harvest due to natural disaster.
 4. Open house planned September 17 to honor Wanda Phipps due to her retirement.

WHEAT/OATS INSURANCE DEADLINE

If you produced less than 35% of your established ASCS yield this year (1993 crop) you will be required to purchase multi-peril or federal crop insurance for 1994 in order to draw 1993 disaster. The final date to buy this insurance for wheat and oats is September 30.

MRS. BUSTER REDWINE
... the former Angie Williams

Miss Williams, Redwine Wed In August 7 Ceremony

Angie Williams and Buster Redwine, both of Lubbock, were united in marriage in a double ring ceremony on Saturday, August 7, at seven-thirty in the evening at the First Baptist Church in Knox City.

The bride is the daughter of Mr. and Mrs. Kelley Williams of Guthrie. Judy Redwine of Truscott and Mr. and Mrs. James Redwine of Sherman are parents of the bridegroom.

Vows were read by Reverend John Gillispie in a candlelight ceremony. The altar was decorated with three brass cathedral candelabra trees separated with fans of candles and spirals of candles on either side. The choir loft contained two spirals of candles. All were decorated with fronds of delicate springer fern and gypsophila. The center cathedral candelabra was decorated with a large arrangement of white Stargazer lilies with snapdragons, casa blanca lilies and gypsophila. Along the railing of the altar was greenery and gypsophila accented with votive candles. The aisles were marked with white hurricane globes adorned with white satin bows. Small candles with greenery and gypsophila were placed in each of the windows of the church.

Beth Hester, aunt of the bride, pianist, played a prelude of nuptial music as guests arrived. Selections included "Annie's Song" by Denver, "Wedding Prayer" by Dunlap, "Theme from Ice Castles" by Hamlisch, "O Perfect Love" by Barnby, "The Rose" by McBroom, and "Jessica's Theme" by Rowland.

Grandparents and parents of the couple were seated as "Forever in Love" by Kenny G was played. Jeanne Ann Gibson, aunt of the bride, organist, and Jimmy Gibson, uncle of the bride, trumpeteer, played "Trumpet Voluntary" by Purcell as the bridesmaids and bride entered and "Trumpet Tune" and "Air" by Purcell for the recessional. "With You I'm Born Again" was played as candlelighters, Natalie Gragg, cousin of the bride; and Marcus Kimmel, nephew of the bridegroom, lit the candles. Greg Gibbs of Wichita Falls sang "I Love The Way You Love Me" and Amy Hartley, cousin of the bride, sang "Wind Beneath My Wings" prior to the entry of the wedding party.

Kendra Williams served her sister as maid of honor. Bridesmaids were Lisa Masterson and Laurie Masterson of Guthrie, Scotta Knight of Memphis, and Amy Moorhouse of Lubbock. Flower girl was Nikki Gragg, cousin of the bride, of Terrell. Attendants to the bride wore black satin tea-length dresses with a white off-the-shoulder scalloped collar. Their accessories were pearl earrings and necklaces, gifts from the bride. Each carried nosegays of red tulips, mini callas, and gypsophila adorned with morie ribbons.

Serving as best man was Jason Redwine, brother of the bridegroom. Groomsmen were Jeff Pierce of Breckenridge, Phil Boone of Wichita Falls, Kemp Jones of Amherst, and Jim Bob Conner, cousin of the bridegroom, from Benjamin. Groomsmen also served as ushers. Serving as ring bearer was Job Redwine of Knox City, nephew of the bridegroom. The bridegroom wore a black traditional full dress tux by Raffinati. His attendants wore traditional classic tuxedos with red and black stained glass vests and bow ties to match.

The bride, given in marriage by

her father, wore an elegant gown of white satin and schiffli lace designed by Alfred Angelo. The bodice encrusted with pearls and sequins featured a Queen Anne neckline, Renaissance sleeves and a basque waistline. The bodice back featured a keyhole opening with draping pearls and a candybox bow at the waist. The full ballgown skirt adorned with lace appliques flowed to a cathedral length train. To complete her attire, the bride chose a floral tiara with pearl sprays attached to a double silk illusion pouf and fingertip veiling.

As the bride and her father approached the altar, the bride lifted a rose from her cascading bouquet of springer fern, white long-stemmed calla lilies, petite trumpet flowers, and stephanotis, accented with gypsophila and presented it to her mother. For something old, the bride carried her maternal grandmother's handkerchief and borrowed a string of pearls that belonged to her paternal grandmother. Her something blue was her garter and her something new was diamond earrings, a gift from the bridegroom. She had coins, minted in 1969 and 1971, in her left shoe and a 1993 coin in her right shoe.

The mother of the bride chose an elegant black and white tea length dress with sheer long sleeves accented with rhinestones. She wore matching accessories. The mother of the bridegroom wore a blue and white tailored dress with matching accessories.

Amy Hartley sang "The Lord's Prayer" following the wedding vows and Greg Gibbs sang "I Cross My Heart" during the lighting of the unity candle. The bride presented her mother-in-law with a red rose following the wedding ceremony.

Nancy Graves of Lubbock registered the guests at a table covered with a black satin cloth draped with white twinkle tulle and accented with iridescent pearls and tulle rosettes. A white basket held the wedding programs.

Parents of the bride honored the couple, members of their wedding party and guests with a reception in the Fellowship Hall immediately following the ceremony.

The bride's table was draped with a three-tiered ruffled organza floor length cloth. Garlands of plumosa fern, gypsophila and tiny bridal white roses were draped along the edges of the table. A large three-tiered fountain cake surrounded by four satellite cakes was beautifully decorated with casa blanca lilies, red and white carmine roses, gypsophila and fern. Mock champagne was served from a silver champagne fountain. Dawn Sherwood and Shawna Mixon, both of Lubbock, served at the bride's table.

The bridegroom's table was covered with an overlay of black satin with a white satin cloth overlay in the center. A two-tiered cake with the bottom layer being Italian creme topped with a chocolate cake in the shape of a guitar was served by Rhonda Stevens, sister of the bridegroom. The centerpiece was an ice sculptor in the shape of a large basket filled with giant red anthuriums, Boston fern, springer, red wooden curls and accents of black ponytail grass. Coffee was served from a silver coffee urn by Tami Tabor of Lubbock.

The food tables were covered with white satin cloths with a centerpiece of large brass swans. A fruit compote

arrangement was surrounded by finger sandwiches, dips, ham rolls, and sausage and cheese. Guests were seated outside in the church courtyard that was decorated with lanterns and satin bows.

Kallie Antilley of Guthrie and Mandi Kimmel, niece of the bridegroom, distributed rice bags.

Wedding coordinator was Donna Byrd of Rochester.

The couple left the church in a 1929 red and black Ford that originally belonged to the bride's great-grandparents.

For a wedding trip to Ocho Rios, Jamaica, the bride wore a sleeveless black dress with multi-colored striped collar with matching accessories.

Following their wedding trip, the couple is at home in Lubbock where the bride is a senior at Texas Tech University majoring in ag economics and is employed by Bill Price Western Shop. The bridegroom attended South Plains College and is employed by Farmer's Allrisk Insurance Company.

Rehearsal Dinner

Judy Redwine honored her son, Buster Redwine and his fiancée, Angie Williams, members of their wedding party and relatives with a rehearsal dinner, Friday, August 6, at the Fellowship Hall of the First Baptist Church in Knox City. The room was beautifully decorated in a western theme.

Bridal Brunch

Jeanne Ann Gibson of Borger and Beth Hester of Canadian hosted a bridal brunch at the Guthrie Community Center on Saturday, August 7, for their niece, Angie Williams, and members of her wedding party. The tables were beautifully decorated with greenery and votive candles. Each guest received a heart-shaped picture frame holding a picture of Angie and Buster, her fiancée. Angie presented members of the wedding party with gifts of appreciation.

IN ANDERSON HOME

Guests in the home of the Robert Andersons have been her mother, Mrs. Shirley Tucker of Fort Collins, Colorado, and her sister, Mrs. Toya Watson and children Chanel and Rhett of Woodland Park, Colorado, and Robert's brother, Russell Anderson of Henderson, Nevada.

Mrs. Tucker and Mrs. Watson and children left Tuesday of this week, while Russell will remain for awhile to assist with Skyler, Tucker, and the new triplets.

A study of people with mild hypertension found that those who receive medication plus modify their diets and lifestyles do better than those who don't receive medication but do change lifestyles.

Researchers are finding more evidence that aging is related to oxidative damage to body cells. Insects in one study lived longer when the amount of oxygen they breathed was reduced.

1993 Property Tax Rates in Knox City-O'Brien Consolidated ISD

This notice concerns 1993 property tax rates for Knox City-O'Brien Con ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the school district used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the school district can set before it must hold a rollback election. In each case these rates are found by dividing the total amount of taxes and state funds by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 262,140.88
Last year's debt taxes	\$ 0 -
Last year's total taxes	\$ 262,140.88
Last year's tax base	\$ 63,936,801
Last year's total tax rate	\$.4100 /\$100

This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 261,491.16
+ This year's adjusted tax base (after subtracting value of new property)	\$ 58,062,849
= This year's effective tax rate	\$.4503 /\$100

x 1.03 = maximum rate unless the school district publishes notices and holds hearing \$.4638 /\$100

This year's rollback tax rate:	
School maintenance and operations component	\$ 794,860
+ This year's tax base	\$ 58,129,719
= This year's local maintenance and operating rate	\$ 1.367 /\$100
+ \$.06 = this year's maximum operating rate	\$ 1.427 /\$100
+ This year's debt rate	\$ 0 - /\$100
= This year's rollback rate	\$ 1.427 /\$100

Schedule A

Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
MAINTENANCE & OPERATIONS-	-\$580,000

Schedule B This entity, Knox City-O'Brien Con. I.S.D., does not have a 1993 Debt Service debt secured by property taxes.

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
(expand as needed)	\$	\$	\$	\$

Total required for 1993 debt service	\$
- Amount (if any) paid from funds listed in Schedule A	\$
- Excess collections last year	\$
- Total to be paid from taxes in 1993	\$
+ Amount added in anticipation that the unit will collect only _____ % of its taxes in 1993	\$
= Total Debt Levy	\$
