'Joy Of Christmas' Chosen For Holiday Parade Theme

The 'Joy Of Christmas' has been chosen as the theme for the Knox City Christmas Parade, scheduled for Saturday, December 4 in Knox City. With a kickoff time of 2:00 p.m., the parade has every indication of being the best ever seen in Knox City. The parade organizational committee has been hard at work during the past few weeks and just finished another planning meeting this past Monday evening. Made up of individuals from throughout the community, the committee is headed this year by Roger Rosencranz, with a lot of help from his wife Rita. Others on the committee represent the City of Knox City, the Chamber of Commerce, businesses, organizations, churches, the various schools and youth groups.

Chosen as the theme for this year, the idea behind "The Joy Of Christmas" was that it includes all facets of the holiday season. Instead of limiting parade entries to just a particular subject dealing with the holidays, those entering the parade are free to choose any Christmas idea

they like represented in their entry.

Well over a hundred entries are expected in the parade this year, with many more ideas being thought up at each meeting of the planning committee. The meeting on Monday evening concluded with everyone present taking down a long list of names of businesses, organizations, and churches to be contacted. The enthusiasm of this committee cannot be underestimated, they are all really eager to make this a really good parade. Other ideas discussed included Christmas promotions, downtown food booths, and the annual 'Caring For Kids' campaign here in Knox City.

Once again, the Girl Scouts will be collecting toys for those children in the county who are less fortunate, and their theme of 'Caring For Kids' has also been adopted by the parade planning committee. The entry fee for any person, business, or organization who wants to participate in the parade will be a toy donated to the 'Caring For Kids' campaign. There

will be no other parade entry fees, just the donation of a toy to ensure that every child in Knox County has something for Christmas. The Girl Scouts began the program years ago and have placed a Christmas tree in the front window of the NEWS office in downtown Knox City as a collection point. Those same window display areas will be available again for use this year. Also, the groups of Harley-Davidson motorcycle riders from Harley Owners Group chapters in Iowa Park, Lubbock, and Abilene are being invited to return again this year to ride in the parade and bring the many toys they always donate to the campaign.

The next planning meeting for the committee will be held in two weeks, on Monday, October 18, at 7:00 p.m. in the Knox City Community Center. If you have any ideas to contribute, or if you want to help with the planning of this gala holiday event, you are cordially invited to attend the meeting. With any event this big, all help will be both needed and appreciated!

American Heart Walk Scheduled To Begin Saturday At 9:00 A.M.

The annual "American Heart Walk" to raise funds for the American Heart Association has been scheduled to begin this Saturday morning, October 9, at 9:00 a.m. According to Chairperson Dorothy Jean Dykes, the event will be held in Knox City at Greyhound Stadium, or at the O'Brien school gym in case of bad weather.

The event is open this year to walkers from throughout Knox

County and the surrounding areas. As in past years, walkers from Benjamin, O'Brien and Guthrie are encouraged to participate in the event.

Those walking in the fund raising event this year will be helping the American Heart Association and be competing for prizes that include savings bonds, T-shirts, turkeys, American Heart Walk watches, sweatshirts, coleman

coolers and personal locker bags. The prizes are awarded on a mileage basis with funds collected by participants for each mile they walk during the event. The top male and female fundraiser will each receive an American Heart Walk watch and the top three fundraisers will receive \$50.00 savings bonds. Other prizes and their awarding will be an American Heart Walk T-Shirt for those

raising \$75.00, a T-shirt and a certificate for a turkey for those raising \$150.00, a T-shirt, a turkey certificate and an American Heart Walk sweatshirt for those raising \$250.00, a T-shirt, a turkey certificate, a sweatshirt and a Coleman 10 quart cooler for those raising \$400, and a T-shirt, a turkey certificate, a sweatshirt, a Coleman cooler, and an Ogie personal locker bag for those raising

\$750.00

Prizes will not be available until after the walk and after all money has been turned in. The deadline after the walk for turning in all collections is October 18.

Each walker entering the event is responsible for raising funds, they can receive pledges for each mile they walk, or they can just collect donations from area merchants and individuals.

Those donating to the event are reminded that checks should be made out to the American Heart Association, and that those donations are tax deductible.

Sponsors donating the savings bonds for the event are Jerry's Plumbing, Counts Insurance & Real Estate, and Citizens Bank. M-System has donated the turkeys, and the American Heart Association provides the rest.

Greyhounds Travel To Monday This Friday Night For Opening Game Of District 3-A Football Action

The 0-3-1 Knox City Greyhounds will travel 12 miles to the east this Friday evening when they take on the 3-2 Munday Moguls for the first game of District 3-A football action.

With a game kickoff time of 7:30 p.m., the Greyhounds hope

to open district play with a win over the Moguls.

In action last Friday night at Electra, Knox City lost 42-7. Lance Deaver caught a 69 yard pass from David Dudensing for the only Knox City score of the evening.

4-H Posters On Display In Windows Of Knox County News Office

Members of the Knox City 4-H projects have made posters about what they do in 4-H in celebration on National 4-H Week this week. The posters will be on display in the front windows of the NEWS office, 110 North Central in Knox City. The 4-H youth encourage you to come by and look at what their work tells you about their 4-H activities.

KVRP FM 95 To Broadcast Greyhound Football Game At Munday

Carl Shearer and David Middleton of KVRP FM 95 in Haskell will be broadcasting the football game this Friday night featuring our own Knox City Greyhounds and the Munday Moguls. The county rivalry will begin at 7:30, with the KVRP pre game report going on the air at 7:15 p.m. Regardless of season records prior to the game, both Knox City and Munday always play a great game when they face each other, so if you can't make it to the game in Munday be sure to tune in to KVRP, 95.5 FM.

4-H Youth Have Fundraiser, Metal Picnic Table Could Be Yours

The youth of the Knox City 4-H are having a fund raising project that could result in you being the winner of a new metal, shop made picnic table. The 4-H youth are accepting donations in the amount of \$1.00 each, or 6 for \$5.00. The drawing will be held during the 4-H Pet and Photography Show that will be held on Monday, October 18, at 5:00 p.m. at the Knox City Park. The custom made table was constructed and donated to the 4-H program by Adlai Weierhausen of O'Brien. The table is currently on display at the West Texas Utilities Office in Knox City. Donations are being accepted by any 4-H member, or you may call 658-3076 or 658-5163 for more information.

Woman's Missionary Union To Hold Annual Meeting in Rule

The Woman's Missionary Union of the Haskell-Knox Baptist Association will convene in their eighty-third annual session on Tuesday, October 12, 1993 in the First Baptist Church of Rule. The theme for the session will be "Serve In Christ's Name...Give Hope." The call to order will be at 9:45 a.m. by Mrs. A.D. May, Association WMU Director. Musicians for the day will be Mrs. Ford Cole, Mrs. Mary Martin, and Mrs. Carl Bailey, all of Haskell. Special missionary speakers will be Mr. and Mrs. Johnny Hailes of Abilene, who recently returned from appointment in Argentina. Other program personalities will be Dr. Mike Smith, Area Director of Missions, Mrs. Dorothy Brown of Munday will lead in prayer patterns, and reports and promotions will be given by Council Officers. A nursery will be provided, and lunch will be served by the host church. All Baptist Women of the Association are urged to attend and pastors and laymen also have a special invitation. The meeting will conclude with the luncheon.

Band Boosters Schedule Meeting To Discuss Homecoming Plans

All Knox City Band Boosters and parents of band members are urged to attend a very important meeting scheduled for next Monday, October 11. Those attending should make note that the meeting will start at 5:45 p.m. in the band hall before the normal band practice. This meeting has been scheduled to discuss activities for the Knox City Homecoming, scheduled for Friday, October 15.

State Senator Steve Carriker Of Roby Praised By Lt. Governor Bob Bullock

The Texas Senate moved swiftly through the 1993 Regular Session -- addressing major issues with a sure-footed, no-nonsense approach that drew bipartisan praise from all corners of the state.

Senator Steve Carriker proved essential to the pace, working hand-in-hand with his fellow senators to define problems and find conscientious solutions to some of Texas' most pressing problems.

As chairman of the powerful Committee of the Whole on Redistricting, Elections and Ethics, he fended off attempts to weaken the rules that are helping restore confidence in government. He was an effective and outspoken advocate for his constituents throughout the highly-productive session, sponsoring more than 50 bills that became law and many that deserved more attention than they received.

Among those was a bill extending the area of local telephone service that should mean significant savings for rural residents who will no longer have to pay long distance rates when making calls to nearby family, friends, doctors and churches. The measure should be of particular benefit to those on a fixed income and to small businesses.

Another measure introduced by the Senator will mean \$5-10 million in additional money available to worthy Texas charities through voluntary payroll deductions by state employees. Texas was the last state in the nation to adopt such a plan and the measure was long overdue.

Carriker's hard work and commitment to working with his Senate colleagues helped avoid gridlock and brought solutions to a variety of tough problems in one of the most productive sessions in the history of our state.

Public Notice

NOTICE OF APPLICATION FOR WASTE DISCHARGE PERMIT AMENDMENT

CITY OF O'BRIEN, P.O. Box 40, O'Brien, Texas 79539 has applied to the Texas Natural Resource Conservation Commission (Commission) for an amendment to Permit No. 13616-01 to authorize the permittee to utilize 7.1 acres of land adjacent to the facility for an alternative effluent disposal method by irrigation. In addition, the proposed permit also authorizes the relocation of the point of discharge to a new location approximately 150 feet downstream. Application rates for the irrigated land are not to exceed 3.0 acre-feet/acre/year. The permit currently authorizes the discharge of treated domestic wastewater effluent at a volume not to exceed an average flow of 20,000 gallons per day, which will remain the same.

The wastewater treatment plant is approximately 0.8 miles north of the intersection of State Highway 6 and Farm-to-Market Road 2229, north of the City of O'Brien on the west side of State Highway 6 in Haskell County, Texas. The effluent is discharged into China Branch; thence to the Brazos River Above Possum Kingdom Lake in Segment No. 1208 of the Brazos River Basin.

In accordance with the Texas Surface Water Quality Standards, the Commission staff must determine the existing uses for the receiving water in the area of the proposed discharge and whether the proposed discharge will cause significant degradation to any high quality waters in the area. The unclassified receiving waters of China Branch have no significant aquatic life uses. The designated uses for Segment No. 1208 are contact recreation, and high quality aquatic life uses. The effluent limitations in the draft permit will maintain and protect the existing instream uses. No significant degradation of high quality receiving waters is anticipated. All determinations are preliminary and subject to additional review and/or revision.

The Executive Director of the Commission has prepared a draft permit based on the application submitted by the applicant and other information presently available.

Legal Authority: Section 26.028 of the Texas Water Code and 31 TAC Chapter 305 of the Rules of the Texas Natural Resource Conservation Commission.

This application is subject to a Commission resolution adopted August 18, 1993, which directs the Commission's Executive Director to act on behalf of the Commission and issue final approval of certain permit matters. The Executive Director will issue this permit unless one or more persons file written protests and/or a request for a hearing within 30 days after publication of this notice. If you wish to request a public hearing, you must submit your request in writing. You must state (1) your name, mailing address and daytime phone number; (2) the permit number or other recognizable reference to this application; (3) the statement "I/we request a public hearing;" (4) a brief description of how you, or the persons you represent, would be adversely affected by the granting of the application; (5) a description of the location of your property relative to the applicant's operations; and (6) your proposed adjustment to the application/permit which would satisfy your concerns and cause you to withdraw your request for hearing. If one or more protests and/or requests for hearing are filed, the Executive Director will not issue the permit and will forward the application to the Office of Hearings Examiners where a hearing may be held. In the event a hearing is held, the Office of Hearings Examiners will submit a recommendation to the Commission for final decision. If no protests or requests for hearing are filed, the Executive Director will sign the permit 30 days after publication of this notice or thereafter. If you wish to appeal a permit issued by the Executive Director, you may do so by filing a written Motion for Reconsideration with the Chief Clerk of the Commission no later than 20 days after the date the Executive Director signs the permit.

Requests for a public hearing on this application should be submitted in writing to Kerry Sullivan, Assistant Chief Hearings Examiner, Texas Natural Resource, Conservation Commission, P.O. Box 13087, Austin, Texas 78711, Telephone (512) 463-7908. Information concerning any technical aspect of this application can be obtained by writing Carlos Gonzales, Wastewater Permits Section, at the same address or by telephone at (512) 463-8201. Issued this 15th day of September, 1993.

Rites Are Held Wednesday For Mrs. Hutchinson

Funeral services with Eastern Star rites for Opal L. Hutchinson of Knox City were held Wednesday afternoon, October 6, at two o'clock at the First Baptist Church in Knox City. Officiating were the Rev. Bobby King, church pastor, and the Rev. James Patterson, United Methodist pastor. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Hutchinson, 81, died Monday, October 4, at her residence following a lengthy illness.

Born November 11, 1911, to the late Buford and Ethel Branton in Eastland, she moved to Knox City in 1919. She graduated from Knox City High School in 1930. Mrs. Hutchinson attended Greenbelt Vocational School of Nursing and graduated in 1971. She was employed by the Brazos Valley Care Home from 1973 until her retirement in 1985.

She married Cleveland C. Hutchinson on July 26, 1930. He preceded her in death on September 17, 1969. Mrs. Hutchinson was a past Matron of the Eastern Star, a member of the Knox City Study Club and was a member of the First Baptist Church in Knox City.

She was preceded in death by a son, Charles C. Hutchinson in 1951.

Survivors include two sons, Wayne of Chico and Weldon of Abilene; two daughters, Melba Pharr and Ila Kay Gross, both of Knox City; eight grandchildren and five great-grandchildren.

Pallbearers were Buster Lowrey, Kenneth Myers, Leon Watson, Jimmy Lynn, Joe Clonts and Johnny Helms.

Mansfield Rites Held Monday, October 4

Funeral services for Marvin Herschel Mansfield of Knox City were held Monday, October 4, at 1:30 p.m. in the First Baptist Church with the Rev. Bobby King, church pastor, officiating. Burial was in the Johnson Cemetery in Munday with Smith Funeral Home in charge of arrangements.

Mr. Mansfield, 89, died Saturday, October 2, in the Brazos Valley Care Home.

Born August 7, 1904, in Glasgow, Kentucky, he came to Knox County in 1930 from Weatherford, Texas. He married Ethel Elizabeth Reeves on September 8, 1923, in Parker County. She preceded him in death on December 29, 1989. He created Mansfield Park, a recreational facility, many years ago. He served on the Knox City School Board from 1955-1959 and was a member of the First Baptist Church in Knox City.

Survivors include two sons, Weldon of Amarillo and E.B. of Martinez, California; two daughters, Renella Watson of Knox City and Louise Abbott of Soldotna, Alaska; a brother, Jewel Mansfield of Lawton, Oklahoma; a sister, Mary Jones of Tucumcari, New Mexico; 11 grandchildren and 20 great-grandchildren.

Pallbearers were Bentley Mansfield, Paul Doan, Johnny Espinoza, Raymond Bales, Allen McGaughey and John Helms.

Rites Are Held In Haskell For Frierson Infant

Funeral services for Caleb Daniel Frierson of Haskell, infant son of O'Brien Mid-School faculty member Tracy Frierson and husband Randall, were held Saturday morning, October 2, at ten o'clock in the First Presbyterian Church in Haskell with the Rev. Steve Kerr officiating. Burial was in the Willow Cemetery in Haskell.

Born in Abilene, he died Thursday, September 30, in a Haskell hospital.

Survivors include his parents, Tracy and Randall Frierson of Haskell; a brother, Ethan Ross Frierson of Haskell; his grandparents, Janette and David Frierson of Haskell and Marilyn (Mrs. Norman) Gladson of Fort Stockton; his great-grandparents, Mollie and Calvin Frierson and Julia and Oris Gibson, all of Haskell, Frank Daniel of Fort Stockton, Marjorie (Mrs. Lester) Gladson of Sterling City, and Roy Neal and Mickie McKenzie, both of Bakersfield.

Memorials may be sent to the Norman Gladson Memorial Scholarship Fund, 208 West 18th, Fort Stockton 79735 or a favorite charity.

THIS BEAUTIFUL AFGHAN will be given away Saturday in Haskell benefitting the Psychiatric Rehabilitation program of the Headstream Memorial Mental Health Center. Donations may be made locally at Cathy's where the double-bed-sized afghan in southwest colors is on display. Psychiatric Rehab has two critical overall goals for clients' skill acquisition and social network development. The primary intent of the Psychiatric Rehab is to assist clients in obtaining and maintaining life skills which will enable them to cope effectively with the demands of their personal and social environment. The ultimate goal is to improve the overall quality of life. (NEWS Photo)

Now Is The Time

By Zo Felts, Dist. Technician
Several of you have already been asking about the trees for the upcoming season. So here is your notice that we are now taking orders for windbreak seedlings for homes, farmsteads, feedlots, screen plantings, etc.

The species are well adapted to this area and people have been successful at beginning and establishing windbreaks as well as beautification. There is one new species available for us this year. It is the Chinkapin oak. At the present we have no picture or any information on this species but will be receiving that right away. Most other things available are as before. The native plum is available this year as a single tree and the Forest Service advised that this may be the last time it will be offered. It has been one of the species in the wildlife packs before but now can be bought individually.

Stop by the SCS office week day mornings 7:00 to 12:00 noon or call 658-3526 for more information.

Foster, Adoptive Parents Needed For Knox County

Sara Gamble, Certification Specialist from the Wichita Falls office of Child Protective Services, spoke with the Knox County Child Welfare Board Tuesday, September 28, about the need for foster parents and adoptive parents in Knox County.

Families are needed to provide temporary or extended care for abused and neglected children. Children needing foster care need a home with a safe and caring environment until their families can deal successfully with the problems that lead to the abuse and neglect. If those problems can't be resolved, adoptive parents are needed.

Training for foster parents and adoptive parents is required and all families must meet State Licensing Standards to be approved. Anyone interested in becoming foster parents or adoptive parents for CPS may call Debbie Welborn at the Knox City office of CPS at 658-3524 or Ms. Gamble at the Wichita Falls office of CPS at (817) 766-3371.

Local Women Attend Federation Fall Meeting

The Texas Federation of Women's Clubs met in Austin for the Fall Board Meeting September 23 through 25 with Texas Federation of Women's Clubs president Mary Margaret Roberson presiding.

Those attending from the Mesquite District were Janoma Stephens, Mesquite District president; Winifred White, Texas Federation of Women's Clubs Trustee; Erma Liles, the General Federation of Women's Clubs Second Century Endowment Chairman (Erma is a Texas State Life Member); Frances Dear, first vice president of the Knox City Study Club and this was her first time to attend a State meeting. Others attending from Mesquite District were Marie Ward, President of the Phoenix Club of Aspermont and Texas Federation of Women's Clubs Yearbook Chairman (Marie is a Texas State Life member); Pollye Wheeler of the Albany Study Club and the Texas Federation of Women's Clubs Chaplain; and Jo Ann Dickson, member of the Tuesdays Club of Anson and the Texas Federation of Women's Clubs Memorial Chairman. Some very interesting speakers were Senator Judith Zaffirni (D-Laredo) represents the 21st Senatorial District. She is chair of the Senate Health and Human Services Committee and reappointed to the Senate Finance and Education Committee; Dean Man Sherman, Professor and Dean of the Lyndon B. Johnson School of Public Affairs; Floy Lilly, currently program manager of the Clint W. Murchison Sr., Chair of Free Enterprise of the College of Engineering at The University of Texas, she is involved in the clean air act; Dr. Hans Mark, a professor in the Department of Aerospace Engineering and Engineering Mechanics at The University of Texas.

bench and a plaque will explain the wood that was donated by the TFWC to build the bench. A drawing of the bench was presented to the TFWC president, Mary Margeret Roberson. A tour of the new underground State Capitol was very interesting and a very beautiful place. Club members were divided into groups for a tour. One group guide got lost and after wandering around they found an elevator that took them to the ground level. Marie Ward, who was in the group, reported it to be "an experience". Following the tours, the groups boarded buses for the Driskill Hotel.

The Driskill Hotel is a historical place through all the years has served as a pivot around which great men and great events revolved, the rendezvous of those who have written the glorious history of a glorious state.

Saturday was breakfast and the closing of the board meeting. One hundred and twenty nine club members from all over the State of Texas headed for home.

Carriker Named To Storage Tank Study

AUSTIN -- Lt. Gov. Bob Bullock on Wednesday completed interim appointments to a number of state panels and interim committees, naming Sen. Steve Carriker of Roby to a group charged with studying state reimbursement policies for petroleum storage tank clean-up.

Bullock also named Sen. Kenneth Armbrister of Victoria and Sen. Bill Sims of San Angelo to the panel. Sims will serve as co-chair. House Speaker Pete Laney will appoint three House members and designate a co-chair.

"This is a particularly strong committee," Bullock said of his appointees. "I am confident Steve Carriker will work closely with the other members to come up with a workable balance of good business practices, fair policies and environmental protection on this very important issue."

The committee will look into the Texas Water Commission's handling of a storage tank clean-up fund and give particular attention to tank removal contractors' charges to tank owners.

Benjamin News

By Gladene Green

Seems lately each week I begin with news of more pleasant weather. Indeed, today (Sunday) is another cool, fall-like day. And we are thankful for such beautiful weather.

Reports on Togo Moorhouse is that he is resting but being kept in Bethania Hospital in Wichita Falls for observation. He was admitted early last week.

Pat Barton was released from Bethania on Wednesday after undergoing heart tests. Finding no real problem, they let her come home to her daughter's, Jan Rolston in Knox City, until she is able to stay alone.

Tom Moorhouse has been a patient at Bethania for several days. Reports today are that he is improving, but no word yet concerning when he may be dismissed.

We, as always, send best wishes to all these friends.

HERE 'N THERE

Brenda Gallaher of Wichita Falls was a weekend guest of her parents and sister, Dutch and Imagean Young and Dee Ann and Anthony Lamb.

Edwin and Faye Jones of Rhonesboro have been visiting his brother and sister-in-law, Charles and Joy Jones and her brother and family, the Bill Ryders and with relatives in Crowell and also in Knox City, Saturday, they and the rest of the Jones family got together for the observance of their mom's, Myrtle Jones' 94th birthday. Mrs. Jones resides at the Brazos Valley Care Home in Knox City. They told me about 25 relatives joined in for this get-together.

Ruth Ressel and Jo Cartwright were in Wichita Falls Thursday for Ruth to see her doctor. Her report was good for which they are all very thankful.

Terry, DeeAnn and Chase Cartwright of Plano visited his parents, Dub and Jo and his brother and family, Tracy, Susan and kids a few days last week.

Mr. and Mrs. Chester Bohannon of Colorado City visited his aunt, Era Brown, Friday. They were enroute to Seymour for the funeral of J.O. Archer on Saturday.

Don, Marilyn and Amanda

Ervin were weekend visitors in the Fort Worth area.

Doug LaPlant of Wichita Falls visited the Sammy Pierces on Sunday.

Visiting Debra Ebraheim and Nafessa a few days this week have been her mom and sister, Katrine King and Lynda Brooke Pagel of Killeen. They also visited Sammy and Barbara Pierce and Wade Pierce.

"Dutch" and Ed Jones and Deena Jones of Hawley, Daisy Roberts and family and Cindy Farr of Grapevine, Polly Lofgren and Katy of Arlington and Mrs. Donnie Whitmire and family also of Grapevine visited Era Brown last week and attended graveside rites for Terry Wells Wednesday.

Weekend guests of Jan and Fred Carver were Dennis and Evelyn Anderson and Dustin of Miami, Jerry Don and Barbara Anderson of Kemes, Stacia Antilley and Kallie of Guthrie, Dorothy Anderson of Knox City and Tammy Lyles and family of Benjamin. On Friday night, they attended the Chillicothe-Miami game in Chillicothe. Dustin plays on the Miami team.

MYRTLE JONES

Local Woman Celebrates 94th

Mrs. Myrtle Jones celebrated her 94th birthday last Saturday, October 2, at the Brazos Valley Care Home where she resides.

Guests had a great time enjoying cake and punch, visiting, and taking pictures.

All of her five children and their families attended.

Among those attending were Faye and Edwin Jones of Winnsboro; Frances and John Chilcoat, Knox City; Elaina and Cody Reece and Gayle, Jayson, and Tony Morgan, all of Munday; Joy and Charles Jones, Benjamin; Sue and Charles Nall and Becky Nall, and Jeannie, Jennifer, Jeffrey, and Jeremy Calvert, all of Prairie Grove, Ark.; Cathy, April, and Matthew Gardisser, Fayetteville, Ark.; Myrtle Shaw, Knox City; Scotty, Diane, and Elizabeth Elston, Stephenville; and Anna and Weldon Chism, Vemon.

October Is National Breast Cancer Awareness Month

In 1992, an estimated 180,000 women were diagnosed with breast cancer and approximately 46,000 died of it. The American Cancer Society estimates one in nine women will develop breast cancer in her lifetime. It is the second major cause of death for women.

It is more likely to happen to women over age 50, who have other family members with breast cancer, who never had children or who were over 30 when they had their first child.

Nearly nine out of ten women could survive it if they would

check their breasts regularly, age 20-40 should have a doctor check their breasts every three years, have their first breast x-ray (mammogram) by age 40; from 40 and over women should have a doctor check their breasts every year and have a mammogram every year. Women should see a doctor if a lump is found in a breast or if any others changes are found in the breast.

For literature or programs for organizations on breast cancer, call Eileen Rolo at (817) 658-3771 or Donna Daniel at 658-3766.

Benjamin ISD Minutes

October 1, 1993

The Benjamin ISD Board of Trustees held one regular meeting and two special meetings during the month of September. At the regular meeting on September 13, the board selected Board President Ronnie Simmons as the district's delegate to the Annual School Board Convention, held in Dallas on September 24-27. In other action the board approved an agreement to sell Weighted Average Daily Attendents credits to Guthrie CSD. In personnel ac-

Parenting Enhancement Program Is Planned

Haskitt and Associates Counseling Services announces that Sarah Meinzer LMSW, LCDC will be offering a "Parenting Enhancement" program for adult children of alcoholics and other troubled family systems. The course will be offered at no charge on six Thursday evenings from 6:00 to 8:00 p.m. beginning October 14 in the Fellowship Hall of the Santa Rosa Catholic Church in Knox City.

Many parents do not feel they know enough about "typical" or "normal" teenage and child behavior. This course is designed to help parents become more effective and confident parents and to work toward realistic goals for themselves and their children.

Participants will learn about a range of "normal" behaviors and will explore their own strengths and concerns as parents. Parents will be taught skills for helping the children develop self-esteem for fostering family communication and for establishing effective discipline.

The group will be limited to 20. Information and registration may be obtained by calling Sarah Meinzer 454-3311 after 7:00 p.m.

New rules are making life insurance even safer. The "residents only" rules mean that if you live in Texas, for instance, & have a life insurance policy with a company that fails in Nebraska, for example, the guarantee fund in Texas will have to make good on your policy.

To the consternation of health authorities, the incidence of TB has increased by 18% between 1985 & 1991. Nearly 1/4 of the victims are over 65.

Child Welfare Board Minutes

September 28, 1993
Munday, Texas

The meeting was called to order by Vice Chairman Judy Burnett. Those present included Judy Perdue, Judy Lowe, Debbie Sosolik, Dixie Elliott, Lynward Wilcox, Linda Haynes, Christi Richardson, Debbie Welborn and Sara Gamble.

Treasurer's reports were given: Knox City balance - \$1615.79; Munday balance - \$2228.97.

Debbie Welborn introduced Sara Gamble, Certification Specialist from Wichita Falls. Ms. Gamble informed the board about the foster parenting program and the need for foster families. Information was distributed to the board.

The next meeting was scheduled for October 26, 1993, at 6:30 p.m. in Knox City.

There being no further business, the meeting adjourned.
Rob Harrison, Chairman
Judy Perdue, Secretary

tion, the board hired Stacia Propps as a half-time library aide.

In a special meeting on September 17, the Benjamin trustees voted to consider setting a 1993 tax rate of \$1.20 per \$100 of property value and scheduled a public hearing on the tax rate for September 30, 1993 at 7:30 p.m.

At the public hearing on September 30, no Benjamin ISD patrons appeared to speak on the proposed \$1.20 tax rate. Trustees scheduled a vote on the proposed rate for October 11, 1993, at the next regular board meeting. In other action at the September 30 meeting, board members approved a contract with Claims Administrative Services of Tyler, Texas, to provide Workmen's Compensation Insurance for the school district. The board also renewed district memberships in the Texas Association of School Boards Unemployment Compensation Fund, TASC Personnel Services, and the Texas Association of Rural Schools.

JUNIOR CLASS NEWS By Heather Tilson

It's another exciting week! Not really! I am just trying to lighten things up a little bit!

I think that everyone was thrilled to have Monday off. It was a break from the regular school routine. I hope there are

more three day weekends to come. It should be a law anyway!

This week is very important! We are playing Munday this Friday and Munday is our arch rival. Our football team and band are both going to prove who is better! We are going to show them we have Greyhound pride! We are going to put them to shame! Once and for all we have the attitude that's going to bring us a victory!

Everyone needs to attend this Friday night event! You'll be glad you went! The half-time show which will be our band will be spectacular! And the football team will bring home a win! So, this Friday you can all be proud to be a Greyhound fan!

Houndettes Take On Rochester September 18

By Coach Linda Haragan

The Knox City Houndettes took on the Rochester Lady Steers in their second district match on Tuesday, September 28. The contest took place in Rochester.

The JV team started their match off like a house of fire beating the Lady Steers 15-3. Coach Kuehler let her second group (all freshmen) play the second game, but they had a little trouble with Rochester and was defeated 11-15. In the third game the first team went back on the floor, but things did not turn out as well as they did the first game. The Lady Steers won 15-8. It was a combination of sitting out a game and possibly being a little over confident that helped the JV Houndettes taste defeat. The JV Houndettes have been winning a lot this year and they don't take losing very well.

The Varsity Houndettes did not start their match out like they had wanted. Rochester's gym has a much lower ceiling than the Knox City gym and it creates problems for the Houndettes. They spent a great deal of time in practice trying to prepare for the lower ceiling, but it certainly was a factor in the first game. It was not the reason the Houndettes lost, but it contributed. The Lady Steers have a good team and that with the fact that the Houndettes were making some costly mistakes gave the Lady Steers the first game, 15-9.

Between games the Houndettes and Coach Haragan had a little discussion about what needed to

be done. It wasn't an easy task but the Houndettes pulled out a 15-12 victory throwing the match into a third game. It was truly a team effort.

The Houndettes took an early lead in the third game but the Lady Steers were not going to give up so easily. They came back every time the Houndettes tried to pull away. When the match was finally over the Houndettes had won by defeating the Lady Steers 17-15 the last game.

If you missed this match, you missed some excitement. It certainly kept fans from both schools on their feet. Both teams did a good job and should be proud of

their efforts on the floor.

The Houndettes finally showed in a game what they have been doing in practice, serving some very hard serves. Those serves truly paid off. There was some situations that the Houndettes sacrificed their bodies to get to balls that could have easily been missed. It was very evident that these young ladies wanted to win. They made mistakes, but they hustled to make up for those mistakes.

Congratulations Houndettes.

'A Glimpse of Europe'

By Stephanie Pepper
Part Two

How many of you have seen "The Great Muppet Kaper"? Remember the Happiness Hotel where Kermit and Fozzi stay while they are in London? Remember Kermit's bed, the one that folded up into the wall? That was the only similarity missing from my motel room in Budapest. Kermit was my beacon in the night. I knew if he survived the Happiness Hotel with all it had to offer, I could survive the Park Hotel with its many "extras"!

Our trip to Budapest saw many evidences of the Communism which had only left the country permanently in 1989. While we toured the many historical sights, like Castle Hill, Parliament, and the Liberation Monument, I kept hearing "I'm proud to be an American" in the back of my head. Budapest became "Budapest" only in the 1970s. Before that, the now unified city was actually two separate cities of Buda and Pest. Although Budapest and Prague are virtually new to total freedom, Prague is a beacon of light compared to Budapest. The citizens of Prague were happy and friendly. The city, although evident of its former situation, seemed to smile at its new "life". Budapest was cold and grey. They hardly tried to communicate with foreigners on the whole. I only visit a few folklore shops that were happy to see Americans. It was almost as if the people of Budapest were scared to begin their new life of freedom. Housing in both Prague and Budapest consisted of dozens of skyscraper apartment buildings packed with residency. Can you imagine living in such conditions and not knowing any better?

One of the highlights of Budapest was the Folklore Dance I attended Friday night. The dancing was a close comparison to square dancing mixed in with a bit of singing and chanting. The dancers were actually "Gypsies". One of the stipulations was they all were under the age of 25.

The train ride back from Budapest was quite eventful. One member of our group, Scott, accidentally set off the alarm that stopped the whole entire train! He was pulling the curtain down in front of the window and pulled the lever not knowing what it was. He learned quickly. When the train stopped security guards came running to his car, but he took refuge in another car and we all escaped unscathed!

Last week I visited the Vienna Arsenal where the Arch Duke of Ferdinand's car and uniform he was assassinated in that began World War I is kept. To imagine that I stood next to such an important part of history gave me cold chills. His original stained uniform is kept in a glass case as a reminder to all. What is most frus-

trating about going to museums here is not being able to understand explanations or read the plaques written in German.

Early Sunday morning (7:00 to be exact) Paula, Jenny and I went to see the Vienna Boys Choir. They perform in a chapel that also holds a service. While the singing was genuine, every other aspect of the service appeared to be commercial. People that opted to sit for the service had to pay forty dollars for a seat (we opted to stand). I have visited several different worship services, and every time I have come away with a feeling of reverence. This service was different however, an example of how easy commercial things can take over that which is more important.

On the lighter side, the whole program was in German. My friends and I just observed and basically went to hear the famous choir. We did meet a couple from Boston who shared "tips" on traveling. At one point of the service the couple turned to us, shook our hands and said "Peace be with you". The immediate thought that went through my head was "It's over, now I can catch a quick nap then go to Church and take another nap." My replay (in an unconscious Texan accent) was "Ya'll have a good trip." They just looked at me smiled . . . and sat back down. It was part of the service! It took Paula and Jenny all they had to hold back their laughter. Luckily the service was

over within ten minutes and we all walked away a little embarrassed!

Tichy Eis, as I have mentioned upon several occasions, is closed, and cold weather is coming. We are already starting to wear our heavy jackets and even sometimes our "long johns". In other words...soak up that warm weather!

We will have a chance, however, to shed the jacket and break out lighter gear this next week in Italy. My train leaves Thursday night at 7:45 p.m. I will spend the weekend touring Italy and from there several of our group will take an appendage trip to Greece. In Greece we travel through Corinth and stay a couple of days in Athens. Before arriving in Greece, I have the privilege of re-orientating myself another ferry ride. I just hope this one is better than the one from England!

The days are flying by here. I will only be in Vienna nine days during the month of October! I still cannot believe I am here. I get the paper every week and thoroughly enjoy catching up! I am able to see home and the United States from a total different perspective. I have come to realize we are so lucky and blessed in the world we live in. It's not necessarily the big luxuries but the little ones that make home...home!

CITY HALL NOTES

More News On The Sewer Line Smoke Testing Currently Underway

The city will complete the smoke testing of all sewer lines and connections on Thursday and Friday of this week. The smoke testing is being performed to identify open lines and clean outs where infiltration and inflow of runoff water can occur. This excess water in the sewer lines is burdening the waste-water treatment plant and causing non-compliance with Texas Natural Resource Conservation Commission (TNRCC) guidelines. The city employees are correcting all problems associated with the city's sewer lines and connections. All problems identified at residences and commercial establishments must be repaired within 30 days of notice being served. The TNRCC will be monitoring our progress closely. If you receive a notice that your property has problems that need correcting, please cooperate.

City To Begin A Program Of Testing For Lead And Copper In Water

Due to recent state mandates, the City of Knox City will soon begin a program of testing for lead and copper from approximately 20 different areas throughout town. The state requires the City to submit a "Site Sampling Plan" prior to beginning. The limitations we will be working with included houses or buildings constructed after 1982, the water must not be treated (such as with a water softener), it must be drawn first thing in the morning, and a host of other specifications. The sample may be drawn by the individual, or a city employee can come out to collect the sample if you prefer. The city will be remitting letters they feel will meet the state's criteria and follow up with a phone call. Since this is such an important task for the city, we are relying on the cooperation of our citizens.

4-H Community Service Photography Project Aids City Hall

Members of the 4-H Photography Project are helping City Hall with a community service project being completed this week. As one of their photography projects, the 4-H members went throughout the community and took pictures of areas within Knox City that need to be cleaned up, and/or are a danger to children playing in their neighborhoods. The photographs detailed lots overgrown with weeds, old abandoned cars, trucks, refrigerators and washing machines. The students identified the area of concern on the back of each photograph and turned their projects in to City Hall. This was not just a Knox City 4-H project, students in the Photography Project from other areas of Knox County did similar projects.

Your Input Is Vital To The Process Of Government At City Hall

If there are any comments or questions about any of the above subjects discussed this week, or any other concerns that involve the city, please do not hesitate to contact City Hall at 658-3113.

Dog Trainer Ricki Russell Attends Kansas Bloodhound School

Ricki Russell, a resident of Knox City who is known for his ability to train dogs that are used in police work, has recently returned home after spending his vacation at a week long bloodhound Handler-Trainer school in Hutchison, Kansas.

Having recently opened his own private business named Special Services Canine, Ricki will soon receive a bloodhound that he bid on from the Kansas Department of Corrections.

The 9 month old bloodhound will be ready to start training as soon as he arrives here in Texas. The training that Russell received during his schooling in Kansas will be put to use training this new bloodhound.

Instruction received by Russell

included how to train bloodhounds in scent discovery, airborne scents and sniffing out narcotics. Russell also went through classes on case law as it pertains to the use of bloodhounds. During the school, he spent three days in the field with bloodhounds actively tracking inmates from the Kansas Department of Corrections who took part in the training.

When fully trained, Ricki will make his bloodhound available to law enforcement agencies for drug searches, missing persons locating and escaped prisoner tracking.

Ricki stated that "making the dog available to track missing children and lost persons is my way of giving something back to the community."

Guthrie Student Is Commended NMSC Student

Guthrie High School principal Harvey Wellman has announced that Mary Jane King has been named a Commended Student in the 1994 National Merit Scholarship Program. A Letter of Commendation from National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the school to this outstanding senior.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on the 1992 Preliminary SAT/National Merit Scholarship Qualifying Test, which was the route of entry to the 1994 Merit Program. Commended Students have shown exceptional academic promise by placing among the top five percent of more than one million program entrants; however, their qualifying test scores are slightly below the level required to continue in the competition for Merit Scholarships to be awarded in 1994.

An NMSC spokesperson stated, "Being designated a Commended Student in his keen competition is a credit to these young people as well as to their schools, which play a key role in their development. We hope that the recognition these scholastically able students receive will encourage them to develop their talents and abilities to the fullest and that the example they set will inspire other young men and women to strive for academic excellence. Commended students represent a valuable intellectual resource crucial to our nation's well-being."

St. Paul Baptist Has Homecoming and Anniversary

St. Paul Baptist Church celebrated its homecoming and church anniversary Sunday, Oct. 3, and everyone reported a "wonderful" time.

A special time 'Now and Then' honored some of the first Black people who came to Knox City. The Flye family were here in horse and wagon days and still are living in car and airplane days. Minister Anderson Flye was Father of each church started in the Black Community and also helped with public education before and after the McGee-Ward School was built. "Thank God, they still live!" members said.

During Homecoming activities, Monique Hemphill of Munday was chosen queen and Gary Reid of Knox City was named king.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.
