THE 'IMPERIALS' GOSPEL GROUP WILL BE IN CONCERT in Knox City on Thursday, May 5. Ministerial Alliance To Feature The Imperials In Concert

Once again, the Knox City Ministerial Alliance is combining efforts to bring gospel music to Knox City and the surrounding area. The alliance has announced that the world famous 'Imperials' will be performing here in Knox City on Thursday, May 5, at 7:00 P.M.. The concert has been scheduled into the W.R. Baker Auditorium on the Knox City School campus.

The Imperials recently celebrated their 30th year of ministering the gospel through recordings, television, and personal appearances all over the United States and beyond its borders to many other countries. Although the members have changed through the years, the quality, sound and popularity has been received and appreciated. The name 'Imperials' has become a household word in the Christian community.

The group has many credits behind them. They have been awarded 4 Grammys from NARAS and 13 Dove Awards from GMA. They have also been

Group Of The Year 8 different times, and continue to have songs in the top 10 radio charts all over the country.

Setting the tone for contemporary Christian music, the Imperials are as popular now as they have ever been. Having evolved from a conservative, traditional southern gospel quartet to a thoroughly hip pop vocal group, the Imperials can rightly claim to have drawn the blueprints for contemporary Christian music.

Armond Morales, the only original remaining member of the group, can remember back to the time Elvis Presley asked the Imperials to tour with him. "Elvis was a major Southern gospel fan," Morales said. "We did all his concert dates and recordings during that time, and one movie. It was exciting. He loved our singing, and we got to be very close friends. He was a very regular guy to us. I just don't know what happened to him between 1971, when we left, and the time he passed away. It was a shock. He still called me on my birthday up

until the year he died."

The group now includes David Wills, a veteran of 19 years, and relative newcomers Steve Ferguson and Jeff Walker. All four members are ordained ministers.

Speaking about the Imperials game plan, Morales makes it clear that the group does not subscribe to the theory that gospel artists need to dilute the spiritual content of their work to reach broader audiences. "Our calling goes way back into the church," he said. "Some people are of the opinion that you need to tone the message down to make people like you, then tell them about Christ. We've never felt that way. As far as we're concerned, the Gospel message can't be conveyed too strongly."

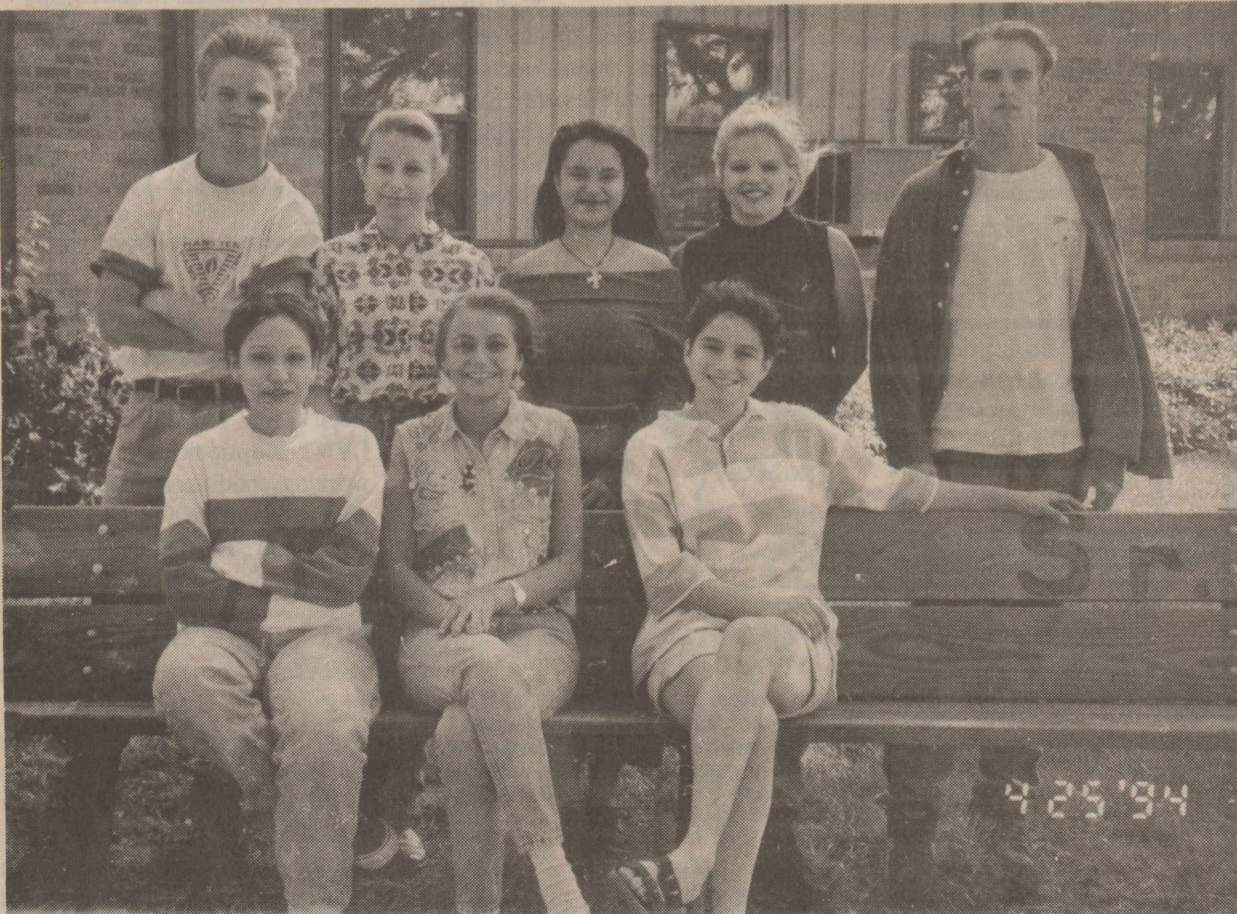

Remember, The Imperials will perform in Knox City on Thursday, May 5, 7:30 P.M. at the W.R. Baker Auditorium. The concert is sponsored by the Knox City Ministerial Alliance. Admission is free. A love offering will be taken.

TENNIS TEAM members qualifying for regional to be Thursday and Friday at South Plains College in Levelland are front row, from left, Scott Stephens, boys singles; Chrystal Tankersley and Jessica Williams, girls doubles; Back row, from left, Christie Manning, girls singles; and Marc Espinoza and Josh Burt, boys doubles. These girls, along with Lisa Russell who was second in typing (not pictured) will advance to the state meet in Austin on May 6 and 7. Slight tremors of the hands and head are accepted as an unavoidable symptom of old age by many. But the tremors can be treated in many cases by the drugs propranolol or primidone.

Studies show that men are more likely than women to get quick treatment in emergency rooms for symptoms of cardiovascular disease. Yet, coronary artery disease is the number one killer of women, with stroke second.

Benjamin News

By Gladene Green

With the wind blowing very strong out of the south today, we are promised a pretty good chance of severe weather. We hope that doesn't materialize, but we do hope for rain. Think it would help everyone's outlook.

The sick of our community are about the same. Meretha Patterson is still in the hospital with her broken hip and wrist but making some progress. Will not be released for several weeks, tho, according to reports.

Juanita Burnett is still in Bethania Hospital in Wichita Falls. Tho showing some slight improvement today, she is still in very critical condition and doctors say it will be a long time before she will show much marked improvement.

Joanne Hamilton is patient in the Seymour Hospital with heart problems. She was better on Sunday but no word when she may be home.

We urge you all to remember these folks in your prayers.

EX-RESIDENT PASSES

Word was received here last week of the death of Louise Russell Smith of Albuquerque, New Mexico. She was the daughter of the late Mr. and Mrs. Orb Russell. Funeral was last week in Albuquerque. Her husband, John, and children and a sister, Marie Meinzer, survive her.

Memorial services for Margaret Burnett, another former resident, were held Thursday at the First Christian Church here. Mrs. Burnett resided in the Austin area and was well known by many here. Sympathy is extended to the families of these two ladies.

HERE 'N THERE

Visiting Earlene Meinzer one day last week were Betty Meinzer of Hale Center and Joe David Meinzer of Idalou.

Betty Lyles, Joy Jones and myself and John Gillespie of Knox City were among the many who attended the Vacation Bible School clinic at First Baptist Church in Stamford Monday night. Bible school here at First Baptist will be in May.

Elizabeth Barrientez of Wink is here for a few weeks visit with her dad, Jimmy and grandparents, Raul and Reyes.

Blaine Conner was in Lubbock for a dental appointment. Her dad, Steve, brought her home and spent the weekend with relatives here.

Recent guests of Bill and Dorothy Spikes were Penny Eaton and girls of Irving, Guy and Donna Spikes and family of Lubbock and George Lebus of Eagle Nest, New Mexico.

Stanton and Shari Brown spent the weekend with Calvin and Thelma Brown in Perryton.

Weekend guests of Charles and

Joy Jones were their grandsons, Dewayne and Chase Polvado of Vernon.

We welcome Mike and Debra Moorhouse and family back to Benjamin to live. They have purchased the Herb Propps home and got moved in this past weekend. We are always glad to get "new people" in here.

Tres Pierce continues to improve after his recent wreck. He's going to have to be down for several weeks but his jaw is mending and he should be OK soon. Good to have that favorable report on Tres.

Don and Louise Hertel were in Abilene Saturday for the regional UIL meet. Their son, Craig's, one-act play was in competition and won! So they are state bound here pretty soon. Craig, as most already know, teaches at Lindsey and this will be his second trip to go to state with a play. Needless to say, we are all very proud of Craig's accomplishments.

And finally, my weekend company was Gordon, Debbie and Cody Taylor and Diane and Kevin Bell of Childress and Stephanie Jarrell of Memphis. Bud Conner joined us for supper Saturday night. We all "took in" part of the Cynthia Ann Parker "goings on" in Crowell Saturday p.m. A bunch of folks, lots to see and good music to listen to.

Benjamin FFA Team Competes At State Judging

The Benjamin High School FFA Horse Judging team placed 11th at the State Judging Contest held on Saturday, April 23, on the Texas Tech University campus in Lubbock. Students on the team were Edward Estrada, Robert Estrada, Jason Patterson and Jim Bob Conner. They were among 211 contestants representing 55 schools from throughout Texas.

To get to the state contest, the team consisting of Robert Estrada, Riley Carver, Edward Estrada and Jason Patterson, won first place in their district contest and second place in the area contest at Stephenville. Individually, at the Area Contest, Carver ranked ninth, R. Estrada, 15th; and Patterson, 22nd. At the state contest, Robert Estrada ranked 15th among the 211 contestants. The team's coach is Dick Dickson, vocational agriculture teacher and FFA advisor at Benjamin High School.

Dear Editor

As we all know, April was Child Abuse Awareness Month and I hope each of us did our part in preventing child abuse. As adults, we have a responsibility to any child who we might think is being abused in any way: mentally, physically, verbally, or sexually. Physical abuse is evident and can be detected and the abuser punished. However the other forms of child abuse are much more subtle in showing. Please

pay attention to any definite changes in a young child or young adult's behavior you may have contact with and talk to them if you suspect any form of abuse. The "child victim" is helpless unless an adult steps in to help.

Not only are there short-term consequences of child abuse, but there are long-term effects on a person's life. Once a person is a victim of child abuse, they stay a victim. Of course they can overcome the outward aspects of the

abuse, but they suffer inwardly all of their life. May we as a community reach out and help a child.

Children are a gift from God. They are given to us to love, nurture and nourish into healthy young adults. May we never abuse this privilege God has bestowed upon us as parents.

Help fight child abuse! Become aware and don't be afraid to save a helpless child.

As a parent,
Tammie Jobe

KC Police Report For March, '94

By Dean Homstad
Knox City Police Chief

The Knox City Police Department had a very busy month in March, responding to a total of 308 calls. There were 21 criminal offenses reported for the month, of which 19 have been cleared or otherwise disposed of. Three of the offenses involved juveniles, 4 criminal charges were filed, and the two remaining offenses are still under investigation. These charges do not include traffic violations.

Reserve Officers

The Knox City Police department Reserve Officers contributed a total of 51 hours of work to the City of Knox City in March.

Training Session Held

On March 1, the PD held a department meeting. Four of our six regular and reserve officers were present to view and discuss a video on police procedures.

Homicide Schooling

On March 8th and 9th, Officer Jerry Walker attended a 16 hour school on Homicide Investigation. This could prove to be very useful in the future, and according to Jerry, was very informative.

NAACP Conference

On March 10th, I met at the school Superintendent's office with an NAACP representative in regards to a situation the school and city are involved in. The situation was settled temporarily, pending further action by a third party.

Coin Collection Found

On March 18th, a valuable coin collection was found and turned over to this department. It was later determined to have come

from a possible burglary in Munday. The Munday Police Department is currently working on that case.

Bicycle Safety Discussed

On March 22nd, Reserve Officer Harry Steen met with the Wolf Cub Scouts at the home of scout leaders Marq and Carolyn Brockett. The topic presented by Officer Steen was bicycle safety.

Skunks Abound In Area

During the past couple of months, there have been an unusually large number of skunk reports in and around Knox City. Part of the reason for the skunks roaming so much is that this time of the year is the mating season for skunks. Another possible reason could be that several old houses in the city limits have been removed, making it more difficult to find a place to den up. If a skunk or any other wild animal, while denned up for the day time, is disturbed or run away from its hiding place, it naturally is going to be confused and will be anxiously seeking another spot. Normally, most wild animals will avoid contact with humans and civilization, especially in the daytime. If a skunk, coyote, or simi-

lar animal is seen prowling in town in the bright daylight, it should be assumed, for your own protection, that the animal is rabid. A rabid animal is likely to bite a pet dog or cat, and in turn these domesticated animals may bite and infect a child or anyone handling the pet. If a human is around or aggravating a rabid animal, the infected animal is very likely to attack and can inflict a severe injury very quickly. If an infected animal is suspected, do not attempt to catch the animal. Call 911 and someone will be contacted to deal with it. Making sure your pets have been vaccinated is good insurance that rabies will not be spread to your pets. If you suspect that your pet has had an encounter with a skunk or other such animal, whether or not your pet has been vaccinated, take it as quickly as possible to the nearest veterinarian for attention, rather than waiting for the common symptoms of foaming at the mouth, having fits, etc. Anyone who would like more information on possible rabid animals may contact this department for a brochure or booklet. They are free as a public service.

KC Greyhound Band Receives Rating Of III

By RAY WEAVER
Band Director

The Knox City Greyhound "Pride" Band competed recently in the UIL Concert and Sight Reading contest in Vernon. The Band received a III rating in both concert and sight reading. The students who participated should be commended for their efforts regardless of the outcome. The year ending concert has been scheduled for May 10 starting at 6:30 in the W.R. Baker Auditorium. All bands will be performing beginning with the 5th grade and ending with the high school. Please come and show your support of the students with your attendance.

Although this year has been a year of disappointing ratings, it has also been a year of improvements and change. It is always difficult to change or become accustomed to the way a new director works in rehearsals, but the students did their best to do just

that. Through the year, the students have had to learn what was expected of them to try and to achieve the top ratings. This process is one that will take time to be realized but eventually their efforts will be rewarded.

To the parents of the students, a big thank you is in order for your support. Your continued support of your child is the best tool that can be used. Without your support in all the students do, their efforts would go without notice and their enthusiasm would diminish.

The 1994-95 year promises to be one of more developmental change. The expectations will only become greater as the band improves. Eventually the efforts of everybody involved will be acknowledged and the Greyhound "Pride" Band will once again become the Pride of Knox County. Hope to see you at the concert on May 10 at 6:30 in the W.R. Baker Auditorium.
