Bloodmobile To Be In Guthrie Monday, June 20

The Red Cross Bloodmobile will be in Guthrie, Monday, June 20, from 3:00 to 7:00 p.m. at the Guthrie Community Center.

According to Peggy Rodriguez, Red Cross Volunteer Blood Service Chairman, all area residents are invited to put the "do" back in donate.

The American Red Cross estimates that nearly four million Americans will need blood or blood components this year. The demand for blood has grown steadily since 1980, yet only four to six percent of the U.S. population donates blood each year.

Police Department Report

For the Month of May 1994

The Knox City Police Department had another rather busy month responding to a total of 188 calls. The criminal activity has again increased with a total of 19 criminal offenses reported for the month, 11 of which have been cleared or otherwise disposed of. Four of the offenses involved juveniles, and at the time of this report, only two charges have been filed. The remaining eight offenses are still under investigation.

Offenses reported include: Criminal Mischief - 3, Theft - 4, Criminal Trespass - 1, Burglary of a Motor Vehicle - 2, Forgery - 1, Phone Harassment - 1, Domestic Violence - 2, Driving While Intoxicated - 2, Assault - 1, Theft of Service - 2, Tickets Issued - 3, Warnings - 9, Accidents - 1.

The Knox City Police Department Reserves contributed a total of 44 1/2 hours of work to the City of Knox City in May.

With the warmer weather here again, the number of juveniles out until late at night has drastically increased. The temptation to get into things seems too much to overcome. Although the usual response is "Well, there's nothing else to do in Knox City", it still doesn't excuse the responsibility of those same kids to stay out of trouble. The vast number of the kids do manage to stay away from any major problems, but a few seem to have the ability to either get themselves into trouble regularly, or are able to talk someone else into doing something foolish. On many occasions, the parents don't know the kids are out prowling in the early hours of the morning, and that is usually because

those kids have sneaked out of the house. Although the report for this month shows only four of the offenses involving juveniles, there were more than a dozen juveniles actually involved or associated with the offenses. We must all try to look after our young people, try to show them that they don't have to be bad if they are out and around. Once they get into serious trouble by stealing or damaging someone else's property, then it's too late to prevent the trouble, and time to deal with the consequences.

Even though he's only weeks old,
this calf has a lot of power behind him.
And a lot of green pastures ahead.

Meeting the electricity needs of Texans today is a real challenge. While maintaining respect for the environment, we must balance cost and reliability without becoming dependent on any one fuel.

That's why in the early 1980s, a group of electric cooperatives got together to build a power plant that uses a local fuel resource, lignite coal. Today, this efficient scrubber-equipped plant provides 400 megawatts of low-cost power to homes and businesses served by cooperatives in 91 Texas counties.

Keeping our commitment to the environment in mind, we are also making sure that we put things back better than the way we found them. The land reclamation program at this plant's mine is turning what was once a cactus and mesquite patch into a grassy, productive home for livestock and wildlife.

Local Members Enjoy TFWC 97th Convention

By WINIFRED WHITE

Knox City Study Club members enjoyed the 97th annual convention of the Texas Federation of Women's Clubs held in Corpus Christi May 9-12.

Pre-convention activities included a tour of the Texas State Aquarium. The Texas State Aquarium is dedicated to creating a deeper public understanding of the habitats and species of the Gulf of Mexico and Caribbean Sea. The aquarium exhibits contain more than 250 species of sea life in over 350,000 gallons of sea water. Tuesday morning, the convention was called to order by Mary Margaret Roberson, the Texas Federation of Women's Clubs' president.

The theme of the convention was "Preserving Our Tomorrows Today." The state president's special project for two years is "SOAR - Stories Offer Adventure-Read!" Most of the clubs in the state of Texas participated in this project.

Two hundred three women

enjoyed the guest speakers, Dr. Marjorie Barlow, Texas A&M professor, and Galen Wilde Hoffstadt, educator, who was selected Teacher of the Year for Corpus Christi Independent School District in 1990.

A panel of four with two members of the TFWC, Aileen Strawn on "Crime Prevention" and Emily Delle Munn on "Stop Elder Abuse," participated. Two panelists, the Chief of Police in Corpus Christi and an attorney at law Curtis Dyer, spoke on "Crime, an Epidemic - Why?"

Installation of the Texas Federation of Women's Clubs' officers and district presidents for the year 1994-1996 was very exciting. The members boarded four charter buses for Kingsville.

Officers installed included Dorothy Kemp of Kingsville, president; Minnie Simmang of Giddings, president-elect; Marion Gamertsfelder of Dalhart, first vice president; Mary Beth Guy of Kirbyville, second vice president; Janoma Stephens of Knox City, recording secretary; and Bobbi

Mitchell of Sanderson, treasurer.

Knox City Study Club members are very proud of Janoma. At the present time, she is completing two years as Mesquite District president.

Eight club women from the Mesquite District attended the convention including Janoma Stephens, Winifred White, Frances Dear, and Lena McGee, all of Knox City; Marie Ward of Aspermont, Dorothy Drain of Stamford, Erma Liles of Weinert, and Pollye Wheeler of Albany.

"Today is the tomorrow that we dreamed of yesterday."

Benjamin ISD Board Minutes

June 14, 1994

The Benjamin ISD Board of Trustees adopted a new mathematics curriculum for grades K-6 at its regular meeting on Monday, June 13, at 8:00 p.m. The new math program is published by Saxon Publishers and has been adopted by a number of schools around the state. The board approved an initial outlay of funds to purchase textbooks and other materials for the program. The Saxon program was recommended by a committee of elementary teachers.

Board members also approved an agreement for the sale of attendance credits to the Guthrie CSD for the 1994-95 school year. Benjamin also entered a similar agreement with the Guthrie school during the 1993-94 year. In other

action, trustees adopted policy updates recommended by the Texas Association of School Boards, and accepted repair work made to one of the districts teacherages.

Board members also heard reports on the district's final attendance figures for the 1993-94 school year and the Texas Association of School Boards annual convention scheduled for this fall. Board members also learned that Benjamin ISD fell well below the maximum Texas Education Agency standard for administrative costs for the 1992-93 school year. The board completed its meeting by briefly reviewing a preliminary budget for 1994-95. The board will study the budget in more depth at its July meeting.

Excerpt from the By-Laws of B-K Electric
Cooperative, Inc.

**ARTICLE IV
DIRECTORS**

SECTION 4.01. NUMBER AND GENERAL POWERS. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors. The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members.

SECTION 4.02. QUALIFICATIONS. No member shall be eligible to become a director or to hold any position of trust in the Cooperative who is not a member receiving service from the Cooperative at his primary residential abode in the area served by the Cooperative, or is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to the members of the Cooperative, and no person shall take or hold office as a director who is the incumbent of or candidate for an elective public office in connection with which a salary is paid. When a membership is held jointly by a husband and wife, either one, but not both may be elected as director, provided however, that neither one shall be eligible to become or remain a director or to hold a position of trust in the Cooperative unless both shall meet the qualifications herein above set forth. Any director who shall miss three (3) Board of Directors' meetings in a row, without an excuse duly accepted and noted by the Board, shall lack eligibility to further serve and it shall be the duty of the Board of Directors to remove him from the Board. No former employee whose employment has been terminated by the Cooperative may be eligible to serve as director. Any employee who resigns or retires from employment by the Cooperative shall not be eligible to serve as a director for a period of ten (10) years following such resignation or retirement. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

In the event an incumbent director, having served on the Board of Directors a minimum of six years, ceases to meet the requirement of receiving service from the Cooperative at his primary residential abode, such incumbent director shall nevertheless be qualified to continue to serve as director so long as he remains a member of the Cooperative and his primary residential abode is located within the area served by the Cooperative, or in close proximity thereto.

SECTION 4.03. ELECTION. At each annual meeting of the members, directors shall be elected by secret written ballot by the members and from among those members who are natural persons; provided however, that when the number of nominees does not exceed the number of directors to be elected, and if there is no objection, secret written balloting may be dispensed with and voting may be conducted in any other proper manner. Directors shall be elected by a plurality of the votes cast unless the members in advance of any balloting resolve that a majority of the votes cast shall be required to elect, and this Bylaw provision shall be drawn to the attention of the members and explained to them prior to any balloting. Drawing by lot shall resolve, where necessary, any tie vote.

SECTION 4.04. TENURE. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors which shall exercise all of the powers of the Cooperative except such that are by law, or by the Articles of Incorporation of the Cooperative, or by these Bylaws conferred upon or reserved to the members. Beginning with the Annual Meeting of the members of the Cooperative held on August 21, 1954, two (2) members of the Board of Directors shall serve for a period of one year, two (2) members shall serve for two years, and three (3) members shall serve for three years, and that lots be cast as to the length of time each director shall serve; and beginning with the Annual Meeting of the members held in 1954, those directors whose terms expire, such vacancy shall be filled for a period of three years.

SECTION 4.05. NOMINATIONS. It shall be the duty of the Board of Directors to appoint, not less than sixty (60) nor more than ninety (90) days prior to the date of a meeting of the members at which directors are to be elected, a Committee on Nominations, consisting of not less than five (5) nor more than eleven (11) members of the Cooperative who are not existing Cooperative employees, agents, officers, directors or known candidates for director, who are not close relatives (as hereinafter defined) or members of the same household of such existing employees, agents, officers, directors or known candidates for director, and who are so selected so as to give equitable representation on the committee to the geographical areas served or to be served by the Cooperative. The Committee shall prepare and post at the principal office of the Cooperative at least thirty (30) days prior to the meeting a list of nominations for directors to be elected. Any fifteen (15) or more members of the Cooperative, acting together, may make additional nominations in writing over their signatures, listing their nominee(s) in like manner, not less than twenty (20) days prior to the meeting, and the Secretary shall post such nominations at the same place where the list of nominations made by the Committee is posted. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days prior to the date of the meeting, a statement of the names and addresses of all nominee(s) showing clearly those nominated by the Committee and those nominated by petition, if any. The chairman at such meeting, after all nominations so made have been duly announced, shall call for additional nominations from the floor. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

O'Brien Happenings

By Audle Johnston

"Clothes Calls - On a shopping spree for some new lingerie, I took my selections of silky underthings to the cashier. He rang up my purchases and then handed each garment to an obviously new bag boy. The teen-ager grew red in the face as he tried to remove the underwear from the hangers. Looking defeated, he turned to his co-worker and asked, "How do you get these things off?" Replied the cashier, "Your day will come, young man. Your day will come."
