KC Girls Softball All-Stars Defeat Jacksboro 4-3

In First Round Of Little League District Tournament Play, Face Iowa Park Next

THRILLED AND ELATED following their win in the first round of the Little League District 6 Girls All-Star Softball Tournament, the Knox City All-Stars are shown here. In the front row, left to right, are Serena Parker from the Strykers, Crystal Curd from the Ladybugs, Heather Stovall from the Ladybugs, Sara Rocha from the Ladybugs and Jessica Silger from the Dragons. Shown on the back row are, left to right, A.J. Homstad from the Ladybugs, Tandy Roberts from the Strykers, Jennifer Vacek from the Strykers, Kayla Garcia from the Strykers, Mary Shahan from the Dragons, and Misty Hurt from the Dragons. Shown at the far rear are Assistant Coach Raymond Garcia, Manager Sharon Waincott and Coach Tammy Gonzales, all from the Strykers. While Sharon appears to be saying a prayer of thanks, the entire team was on cloud 9 following their narrow 4-3 win over the Jacksboro All-Stars. The game was exciting and a real thriller for the capacity crowd on hand for tournament action at Robins Field in Knox City. The tournament will continue through this weekend with teams from Knox City, Munday, Jacksboro, Iowa Park and Sheppard Air Force Base battling for the District Championship and the right to advance to sectional play. Knox City advanced to play Iowa Park in the second round of tournament play, scheduled for Tuesday night at 8:30 p.m. The results of that game were not available as of our press deadline. Local Youth Attends Noble Foundation's Ag Camp

Noble Foundation's

Ag Venture '94

ARDMORE, OK - Lila Rector of Knox City, Texas, was one of 16 from Oklahoma and North Texas who participated during the month of June in an agriculture camp sponsored by the Ardmore-based Samuel Roberts Noble Foundation, Inc.

Ag Venture is a five-day hands-on learning experience for selected agriculturally inclined students. The fourth Ag Venture class studied a variety of disciplines represented in the Noble Foundation's Agricultural Division. This is done through a series of tours, programs and activities designed to increase the students interest, awareness and knowledge in agriculture. Soil and hay sampling, wildlife management, raised-bed gardening, cattle judging, grass management, agricultural communication, and mapping were only a few of the topics studied during the camp.

The Ag Venture participants were selected from 35 junior and senior applicants in the two-state area, and were housed at the spacious Noble Foundation Conference Center.

County Continues State Of Emergency

Knox County Judge David N. Perdue has declared that a state of disaster still exists in Knox County, "due to the extreme potential and imminent threat of widespread or severe damage to life or property, due to destructive wildfires". This order is an extension to the original order signed on June 27, 1994 and will extend for seven days, beginning July 7.

Judge Perdue states, "that if conditions do not improve by the end of this most recent order it shall be continued every seven days until terminated by court order or precipitation that would ease the danger of wildfires.

This emergency order prohibits any open burning in the unincorporated areas of Knox County except in approved enclosures, such as trash barrels and grills which are designed to contain all flames and embers.

King Co. 4-H Horsemen Win Big At District Show

Eleven King County 4-H horsemen participated at the District 4-H Horse show in Vernon on June 17-18 being one of the largest shows in several years with 215 entries.

Ryan Antille and Tara Merrick are two of the top 35 horsemen that will be representing District 3 at the State Qualifying show to be held in Abilene on July 25-30. Ryan got an automatic bid by winning Grand Champion Gelding. Tara qualified receiving enough points by placing fifth in Western Riding and seventh in Poles. Other competing in the qualifying portion of the show were Jake and Dan Merrick.

In the Open Show, all 11 4-Hers participated in one or more events. Kendra Williams finished fourth high point in total open events by placing first in both

working cow horse and reining and was team captain on the third place team penning team with Byron Fields and Jodie Boykin from Cottle County. Byron also won fourth in the working cow horse event. Jake Merrick took a tenth place finish in working cow horse. Will Hale and Cody Springer was sixth in team roping and Ryan Antille was member of the fifth place team penning team with Jacy Collins and Tom Lyles from Knox County. Panel Named To Look Into Family Violence

AUSTIN - Lt. Governor Bob Bullock has named a special Senate committee to look into possible changes in the way Texas handles family violence under criminal and civil laws.

"You don't have to look to California, you don't have to leave Texas to see painful reason to reassess the protection we afford abused spouses and children in our own state," Bullock said in appointing Sen. Mike Moncrief of Fort Worth to chair an interim committee on domestic violence.

"I worry that victims of domestic violence can fall through the cracks in the justice system", Bullock said. "We have got to see if there are holes that should be closed in our laws, including the new stalking law."

Besides Moncrief, Bullock appointed Sens. Judith Zaffirini of Laredo, Florence Shapiro of Plano, Buster Brown of Lake Jackson and Royce West of Dallas to the committee.

"These senators each have unique expertise to contribute to this work. Failure to deal with domestic violence aggressively from the outset is asking for greater problems and more tragedy down the line," Bullock said.

"We must tear down any legal barriers to swift and sure con-

certed action by the courts, the police and the human service agencies, both public and private, which deal with family violence. The right hand must know what the left hand is doing and they must work together," he said.

Bullock said that Moncrief, author of the stalking law, is particularly well suited to head up the study because "he has keen insight into family violence and the toll it takes, as well as the compassion that must be afforded the victims."

Bullock noted that besides the tragic circumstances of direct victims of family violence, domestic violence is also on of the most dangerous -- as well as frustrating -- areas law enforcement officers face.

"This will have priority when the Legislature convenes in January," Bullock said.

CITY NEWS

We have finally gotten a maintainer on loan from Haskell

County to use in grading the streets in the City. Hopefully before too much longer you will notice a difference in how they look and feel when you drive over them.

We need the property owners cooperation now. If you have items, such as car bodies, trailers, etc., that is now placed where the street is suppose to be, will you cooperate with the City and move them onto your property? Also if you have a vacant lot or some place we can get some dirt, we would appreciate getting some from time to time to fill in the holes. Later we are going to try to get some dirt from Mr. English to cover some of the places that wash out so badly. Right now we need all the help we can get. Phillip Sarabia is the one learning to run the machine. It will make things go so much smoother if you cooperate with him should he ask for your help. Maybe in a few months we can have half way good streets. Some of the streets will probably be made some wider, since it has been years since they were graded to any effect. He is going to also try to clear out of the blind corners in town. There are a few that are

really dangerous especially when school starts. Some of the dumpsters will probably be moved closer to your property, especially if they are in the street like the one at some of the houses.

You realize that homecoming will be this October, it would be nice if we could have places cleaned up nicely by this time. Show the ex-students, residents that we are proud of our small town. It would not take much work for anyone, if we all cooperate.

The City thanks you for any help you will give to this project. **HOME COMING NEWS**

The O'Brien Homecoming Committee met this week and great plans are in the process of making October 8-9, 1994, another one of the great Homecomings. Mark your calendar, remember to pass the word along to your former classmates, teachers or any interested persons. More information will be coming later. Remember October 8 and 9, it's going to be great!!

"Risque" Business: In attempting to announce that his wife and a visiting friend would play a violin duet, the speaker's introduc-

Benjamin ISD Board Minutes

July 1, 1994

At a special meeting on Thursday, the Benjamin ISD Board of Trustees accepted the resignation of head coach Kim Smith. Coach Smith has accepted a similar position with Sidney ISD. Coach Smith has served as head coach and social studies teacher at Benjamin for the past three years. In related action, trustees approved Kent Josselet at Smith's replacement. Coach Josselet served as assistant coach and science teacher during the 1993-94 school year.

The board also went on a survey tour of the building renovation work which is currently underway at Benjamin School. They learned that work on the new roof is almost complete and other work is progressing on schedule. All work should be completed by August 5. Because of a scheduling conflict, the regular board meeting for July was rescheduled from the second Monday to the third Monday.

PUBLIC NOTICE

TEXAS & OKLAHOMA R.R. CO.
ICC Docket AB-362

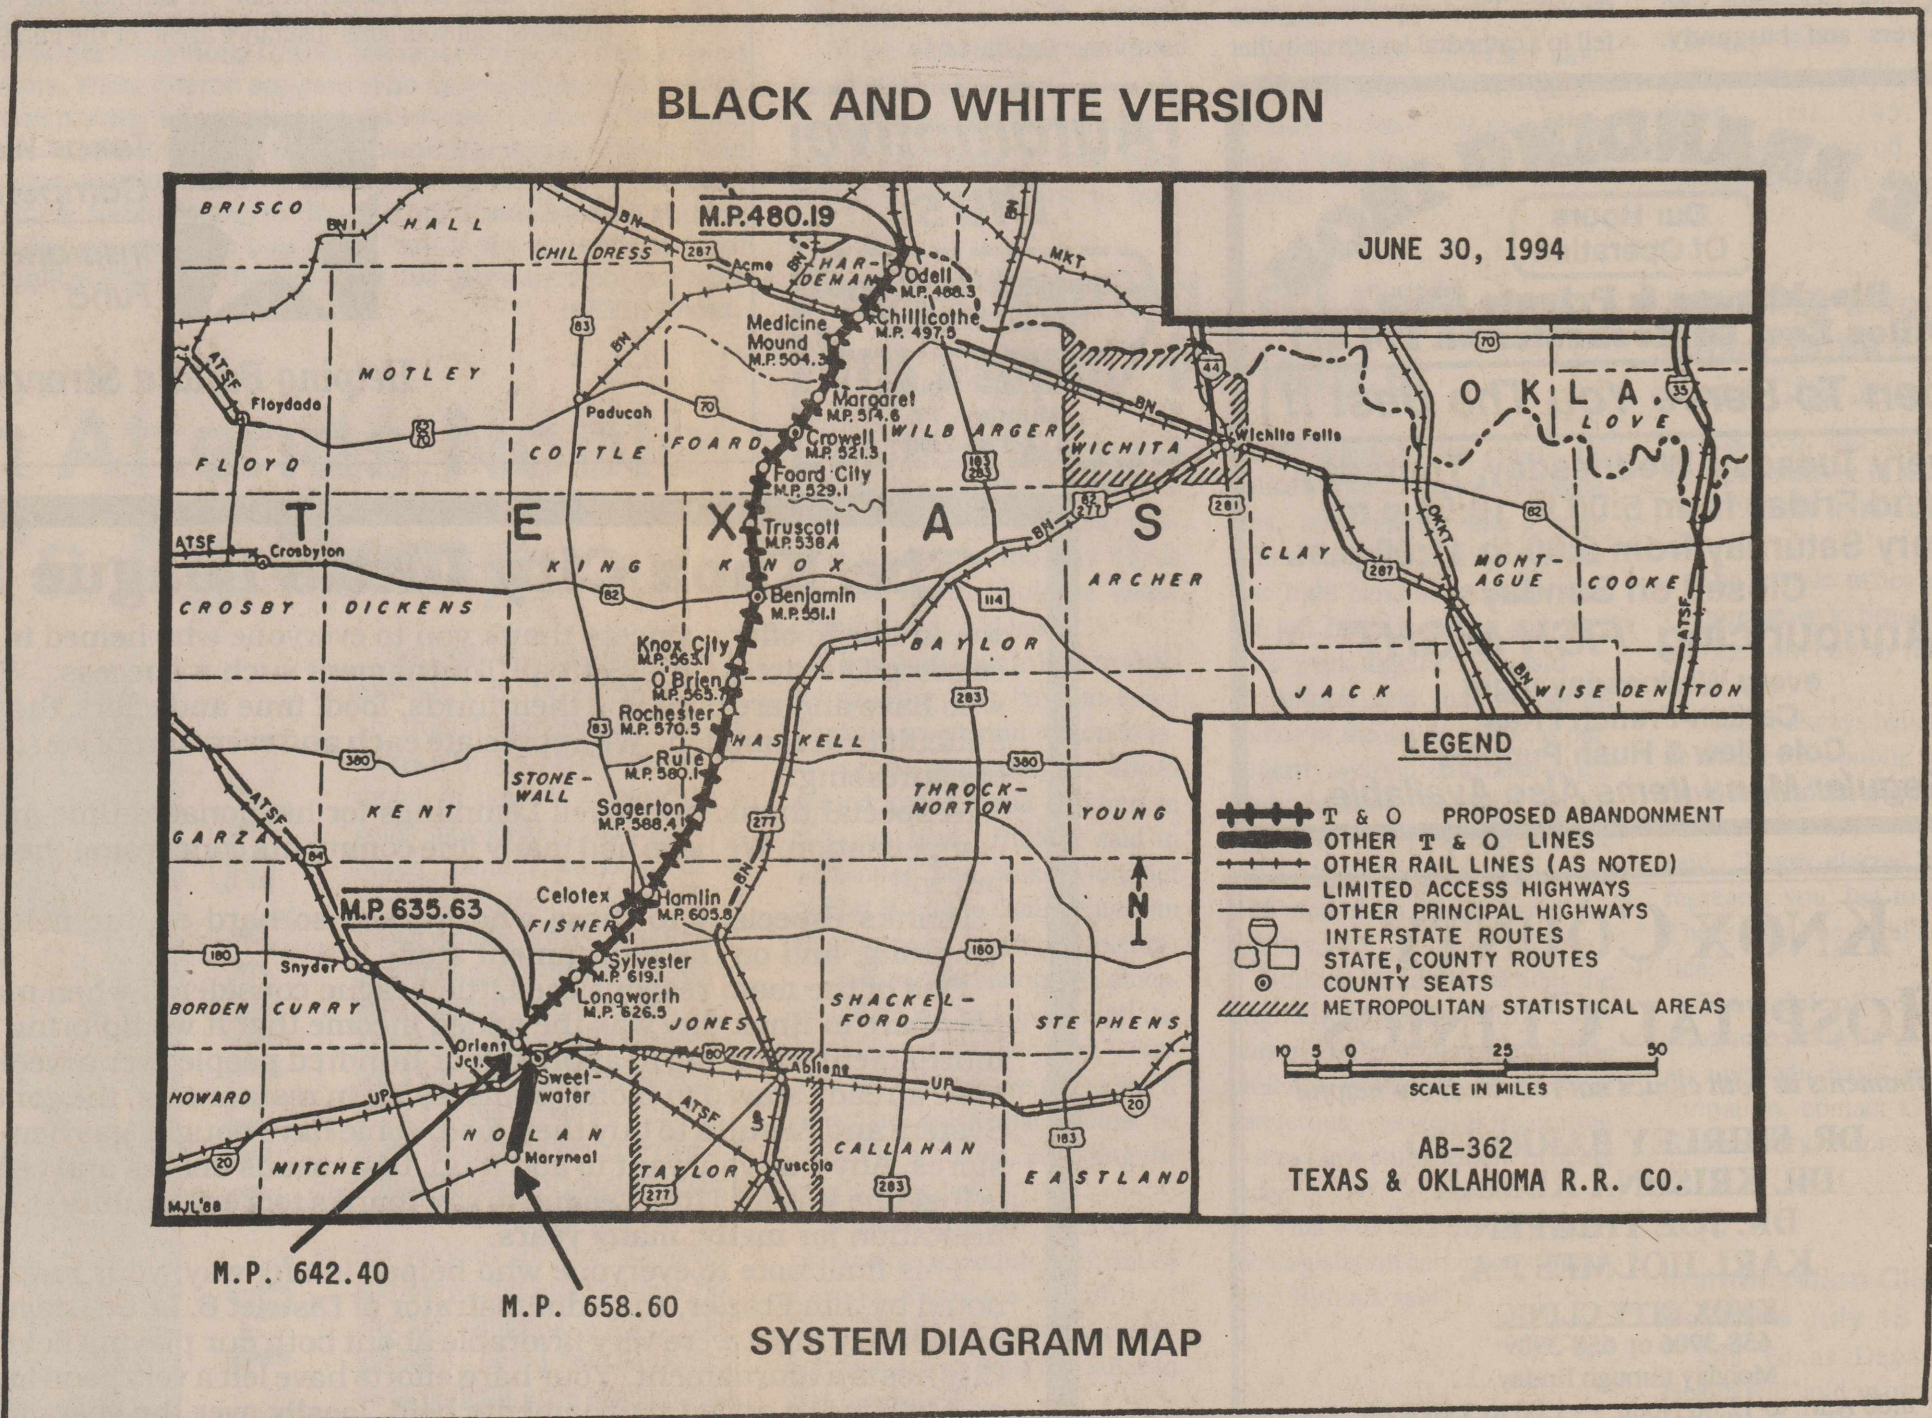

Section 10904(e) of the Interstate Commerce Act (49 USC 10904(e)) and the regulations of the Interstate Commerce Commission (ICC) issued thereunder require that the Texas & Oklahoma R.R. Co. (T&O) file with the ICC and with the Railroad Commission of Texas a diagram of its system which shows the several lines of its railroad in the State of Texas and their status with respect to possible abandonment or discontinuance of service. Section 10904(e) also requires that public notice be given of that filing as follows:

Description of T&O Lines

1. Line of railroad extending between the Oklahoma-Texas State Line northeast of Odell, Texas and Orient Junction (near Sweetwater), Texas, for a distance of approximately 155.49 miles.
2. Line of railroad extending between a point near Shaufler, Texas and a point near Maryneal, Texas, for a distance of approximately 16.20 miles.

Please note that the first described line of the T&O is, by this notice and filing with the ICC, being designated as a category 1 line, meaning that the T&O currently anticipates applying to the ICC for approval of the abandonment or discontinuance of service over this line within the next three (3) years after the filing of this diagram. (A petition for exemption from the requirement of a formal abandonment application with respect to this line is currently pending before the ICC.) The second described line of the T&O is in Category 5, meaning that it is not planned or under study for future abandonment or discontinuance of service at this time.

MR. AND MRS. TOBY NOLAN GOODWIN
... the former Kristi Renae Risinger

Risinger - Goodwin Vows Read June 4 In Snyder

Kristi Renae Risinger and Toby Nolan Goodwin were united in marriage in a double ring ceremony June 4, 1994, at six o'clock in the evening in the First Christian Church in Snyder. Derrell Marion of Knox City and Tim Griffin of Snyder officiated.

Parents of the couple are Pat and Joyce Risinger of Knox City and Roger and Sharon Goodwin of Snyder. The bride is the granddaughter of Bill and Peggy Sowder of Littlefield and Zoy Risinger of Knox City. The bridegroom is the grandson of Ms. D.E. Stewart of Rising Star and Ms. Tom Goodwin of Abilene.

Windows in the sanctuary were lighted with mauve tapers in hurricane globes garnished with gypsophilia and mauve and burgundy miniature roses. White wooden dove stood atop the pews along the center aisle, beneath the dove hung white lace hearts with dried flowers and burgundy,

mauve and hunter green ribbon. The ceremony was performed before candelabra intertwined with greenery and baskets of fern. The unity candle sat atop a wooden heart base in front of a wooden cross. The couple's mothers lit burgundy tapers that stood in white ceramic dove. Along side the unity candle was a large white Bible and brass candle holders with mauve candles.

Candlelighters were Erin Sowder of Enochs, cousin of the bride; and Bridget Claborn of Early, cousin of the bridegroom.

Given in marriage by her father, the bride wore a gown of white satin and lace. The sweetheart neckline and fitted bodice of the gown were covered with Alencon lace and pearls. The off-the-shoulder sleeves were topped with satin rosettes, puffed to the elbow and fitted to a point over the wrist. The dropped waist gown fell to a cathedral length train that

was accented with a large satin bow, paillettes, pearls and small satin bows scattered over the length of the train. The shoulder length veil was a white satin bow and illusion garnished with gypsophilia. The cascade bouquet was of white roses, stephanotis, and ribbon with burgundy roses interspersed throughout. For something old, the bride carried in her bouquet a handkerchief that was carried by her maternal grandmother in her wedding; something new was her veil; something borrowed was her dress; and something blue the traditional garter. She wore pennies minted in 1971 and 1972 in her shoes.

Brandi Risinger of Abilene, sister of the bride, was maid of honor. Bridesmaids were Sherry Hoffpauir of Houston, Stacey Moore and Stacy Hyde of Abilene, Jill Watson of Canyon and Meredith Goodwin of Stephenville, sister of the bridegroom. They wore mauve, burgundy and green floral tea length dresses. Each carried white lace fans covered with silk flowers and ribbon of mauve and burgundy. Skylar Sowder of Bula, cousin of the bride, was flower girl. Her dress was identical to the bridesmaids. Ring bearers Taylor Edgar of Brownwood and Jacob Linney of Alvarado, cousins of the bridegroom, wore black tuxedos.

Brandon Carroll of Bryan, cousin of the bridegroom, served as best man. Groomsmen were Ron Baker of Garland, Darren Waters and Bart-Morton of Lubbock, Jamey Morton of San Antonio, and John Wright of Canyon. Guests were seated by Brad and John Baack, cousins of the bridegroom; Billy Newton, cousin of the bride; and Shane Terry.

Guests were greeted and registered by Jaci Dillon of Abilene. Organist Ann Sowder of Muleshoe, aunt of the bride, played traditional wedding selections. Soloist Jason West of Abilene sang "I Swear" and "Look At You Girl". "Somewhere in the World" by Wayne Watson played as the couple lit the unity candle.

A reception followed in the church fellowship hall. Guests were served finger foods, crackers, vegetables, dips, iced tea and coffee by Marci Golden and Jaci Guynes. A ceramic angel tree complimented the table.

The bride's table was covered with a white table cloth with a white lace overlay. A ceramic dove tree with lighted mauve tapers served as the centerpiece. The three tier wedding cake was decorated with clusters of burgundy roses, tiny sugar dove, and lattice hearts. The cake top was burgundy and white ribbon topped with crystalline dove. Guests were served by Jaci Dillon and Rachel Altman of Abilene.

Jennifer Harden and Elaine Webb served Italian cream cake iced with dalmation puppies from the bridegroom's table. The table was covered with a Battenburg cloth and centered with a dalmation cookie jar. Completing

the table selections was "puppy chow".

The bridegroom's parents hosted a rehearsal dinner at the fellowship hall on Friday evening.

The bride is a 1990 graduate of Knox City High School. She graduated from McMurry University with a bachelor of science

in psychology and a minor in business. She is employed by Shadow Hills National Bank in Lubbock.

The bridegroom is a 1990 graduate of Snyder High School and attends Texas Tech University, majoring in education. He is employed by Cardinals Sporting Goods in Lubbock.

The Knox City Little League Association

would like to offer a sincere thank you to everyone who helped in so many ways to make the ongoing District 6 Girls Softball Tournament such a success. Without the help of so many who have and are donating their funds, food, time and effort, the event would be much more difficult to accomplish. We appreciate each and every one of you more than words are capable of expressing.

A special thanks to Ferrell Lemmings for his donated time and effort without thought of compensation. We have had many fine comments concerning the results of the hard work you put in!!

Thanks especially to those who worked so hard on the field, in the concession stand, umpiring, and on the tournament staff.

One of the main reasons the Little League considered when making a bid for tournament play here in Knox City was the added income that it would bring in to our community. This tournament will bring in approx. four hundred people over a week long period of time. Some have already stayed in motel rooms, eaten in restaurants, the concession stand or went to M-System and Allsup's to buy their food, some have bought gas here, and some have visited our stores. Any way you want to add it up, that means dollars and cents to our community. This is just one way for Little League to say thanks to a community that has supported us without hesitation for many, many years.

This final note to everyone who helped in any way: your hard work has paid off and was noted by Jim Frazier, the Administrator of District 6, Little League Baseball. His comments on Monday night were very favorable about both our playing field and the fine way that Knox City hosts a tournament. Your hard efforts have left a very good impression of our community and will mean added tournaments held locally over the years to come.

Once again, Little League expresses it's heartfelt thanks to all who helped so much. The tournament will continue through Saturday, July 9. To those reading this who haven't come by, you are missing the best in softball action every night this week as Girls Softball All-Star teams from Jacksboro, Iowa Park, Sheppard Air Force Base, Munday and Knox City battle it out to see who becomes District 6 champion and goes on to represent the district at sectional competition.

Come join us while we have fun!!
