'No Gimmick' Greyhounds Declaw Seymour's Panthers, 20-8

Straight Talk

Dave Thompson

ENTHUSIASM - SPIRIT
 RESPECT - PRIDE

Every year, I spend most Friday nights during the high school football season walking up and down the sidelines wherever the Knox City Greyhounds happen to be playing. That time spent down on the field gives me an opportunity to see - and feel - things from a unique perspective. The action, the players, the coaches, the cheerleaders, the fans, and the noise are all close at hand and experienced first hand.

Curious about this year's crop of Greyhound coaches, players, cheerleaders and fans, I found myself looking forward to the game against Seymour last Friday evening. I wasn't looking for the win or loss, but for the other signs of how the season will go this year. Things like how the coaches acted and treated the players. Things like how the players reacted to and acted towards the coaches. Things like how the cheerleaders worked the crowd. Things like how the fans reacted to the coaches, players and cheerleaders.

One of the first surprises I had last Friday evening was noticing something that has been noticeably absent for many years here in Knox City - SPIRIT. After a much too long absence, SPIRIT and ENTHUSIASM were everywhere Friday night. You could See Straight Talk, Page Six

The new and improved 'No Gimmick' Knox City Greyhounds opened their 1994 season here at home last Friday evening with a stunning victory over Seymour High School. The 'Hounds not only defeated the Panthers, they did it in a style that thrilled and delighted the near capacity crowd on hand at Greyhound Stadium.

Turnovers and recoveries provided a lot of heart stopping action as the Knox City defense proved that it has 'come of age' for the 1994 season. Following three very disappointing seasons by past teams, the current crop of Greyhounds looked strong and showed a tremendous desire to prove that their new coaches, new style, and new attitude are all steps in the right direction.

Seymour opened the game, but moved slow against a fired up KC defensive unit. Unable to move the ball, Seymour turned the ball over to KC after one first down. Knox City's offense provided what may have been the turning point of the game with its very first play as quarterback Wes Grimsley promptly fired off a perfect pass from the 20 yard line to Kevin Dorsey, who in turn took the ball 80 yards down the field for a touchdown and the first 6 points on the scoreboard. Duane Toliver kicked in the extra point to put the Greyhounds on top of a Seymour team that was left wondering what had happened.

Further adding to the Panthers demoralization, Knox City's Joseph Logsdon intercepted a pass

on Seymour's next possession.

Back in control of the ball, KC quickly moved to a first down in 3 plays, including 2 quarterback sneak runs by Grimsley. On the 3rd down of the second series, KC fumbled and Seymour recovered to take possession again.

Game Scoring

Knox City	7 0 6 7 - 20

Knox City - Wes Grimsley 80 yard pass/run to Kevin Dorsey. Extra point kick by Duane Toliver.
 Seymour - Donta Mark 19 yard pass to Brandon Wilson. Extra points by Brandon Wilson run.
 Knox City - Wes Grimsley 27 yard run. Extra point kick by Duane Toliver failed.
 Knox City - Wes Grimsley 19 yard run. Extra point kick by Duane Toliver.

For the remainder of the first quarter, both teams traded the ball back and forth at a virtual standstill on the field. Knox City's punter, Brian Rosencranz, showed strong form with punts averaging just over 33 yards each.

Seymour scored their first points of the game with a 19 yard pass over the center that put 6 points on the scoreboard with 4:47 left in the second quarter. Another pass for 14 yards scored their two extra points, putting the Panthers ahead of KC, 8-7.

The Greyhound's next possession ran out of steam as quarterback Grimsley attempted 2 long and 1 short pass, with all three incomplete. Another punt by Rosencranz gave the ball back to Seymour.

The Panthers quickly moved the ball to a first down in 3 plays, then fumbled on the first play of the second series, with Knox City recovering on the Panther 47 yard line.

Again moving the ball back and forth, no further scoring resulted from first half play - even though KC attempted a field goal from the 25 yard line that fell way short with 35 seconds left on the clock. The half ended with Seymour ahead on the scoreboard 8-7.

Second half action began with KC receiving the kick. Unable to move the ball in 3 plays, Rosencranz was once again brought in to boot the ball way down the field to Seymour.

Seymour took possession for two series and one first down before punting back to KC. When KC took over, the Hound offense began a march from the 50 yard line that resulted in another six points on the scoreboard. Lance Dever picked up a first down with a fast, tackle-breaking 14 yard line, then Kevin Dorsey and Dever each picked up a yard on runs before Wes Grimsley took off on a 27 yard run for another 'Hound touchdown.

On the next possession by Seymour, the Panthers quickly moved the ball downfield with several first downs (and several penalties) before once again fumbling away the ball to Knox City on the 34 yard line.

Seymour's defense stiffened during the remainder of the third quarter, holding Knox City in check and even forcing lost yardage on the Greyhounds.

Highlights of the fourth quarter included an interception of a Seymour pass by David Dudensing, a KC fumble that Seymour recovered, a Panther fumble that Greyhound Louis Diaz recovered, a Grimsley pass interception by Seymour, and another fumble recovered by Knox City.

With just four minutes left in the game, Seymour attempted a pass that was intercepted by David Dudensing. The interception gave Knox City excellent field position on the Seymour 19 yard line.

On the very first play for Knox City, quarterback Wes Grimsley took off on another touchdown run, running wide for 19 yards and six more points on the scoreboard. With 3:54 left on the game clock, Duane Toliver kicked in the extra point, putting the 'Hounds ahead of Seymour, 20-8.

No further scoring by either team brought the game to a close as the fans from Knox City rose to a standing ovation for their team. With bells ringing and air horns sounding, the 1994 Greyhound team had an opportunity to do something that a Knox City team has not done for three long years: they walked across the field - *as the winners* - to shake hands with the Seymour Panthers.

A hard fought game and a victory well deserved ended with the Greyhounds gathering around a very happy and smiling head coach out in the center of the field. Rob Wills then led his team in a prayer, placing the victory in its proper perspective.

QUARTERBACK WES GRIMSLEY ran for two Touchdowns and passed for one more to Kevin Dorsey, while the defense (below) wrapped up the Seymour Panthers and held them to just 8 points. Related Friday night photos inside this edition. (NEWS Photos)

Knox County 4-H Sets Enrollment

Year Ends With Awards Program

The 1993-94 Knox County 4-H year ended Saturday, August 27, at the annual Knox County 4-H Awards program. Knox County 4-H members, parents and guests enjoyed an evening of Bingo and dancing. Awards were given to 4-H members for their outstanding efforts for the year and adult leaders were recognized for their fine leadership.

Every September a new 4-H year begins. This is kicked off with an annual enrollment. This year the Knox County Extension office has set dates for enrollment, Goree, September 12, 6:30 p.m. in the Goree Cafeteria; Knox City, September 13, 5:30 p.m. at the Knox City Community Center; and Monday, September 14, 4:00 p.m. at the Brazos Valley Young Farmers Building. Enrollment was held in Benjamin on September 6.

For those unable to attend the enrollment meeting in their area,

county extension agents said "do not panic" as enrollment can be done at any of these meetings or by visiting the extension office in the courthouse at Benjamin.

The purpose of 4-H is to develop leadership skills in youth through the involvement of parents and adults who organize and conduct learning experiences in a community setting. One misconception about 4-H is that it is only for farm youngsters. No matter what your child's interests or hobbies, 4-H has a variety of activities and projects available to meet their interest.

Some popular projects in Knox County are foods and nutrition, clothing and livestock. In 1993-94 there were also projects conducted in photography, recreation, electricity and many others. Plans for the 1994-95 year include a wildlife project.

4-H offers youth the opportunity to attend the enrollment meeting in their area. See 4-H, Page Three

Thursday Set For Lions Club Mop & Broom Sale

Members of the Knox City Lions Club will be out in force all day Thursday, September 8, in the parking lot of the Knox City Post Office as they sponsor their annual Mop & Broom Sale.

Held each year as a fund raising project for the local Lions Club organization, the Mop & Broom Sale is a great way for local business owners, home owners, and everyone else to obtain quality cleaning products at great prices. With all items made by the blind, the Lions Club also donated the sale money back to causes that help the blind. This year, the KC Lions are among Lions worldwide sponsoring 'Campaign

SightFirst', a global project with a goal of wiping out blindness by the year 2000.

The sale of blind made merchandise has been very successful during past years, and Lion Charles Auburg expressed his confidence in reaching a new all-time goal this year. "Every home and business can use some of these cleaning aids, and every item purchased helps to provide dignity and the security of regular employment for our blind citizens", Auburg said.

Those wishing to have sale items delivered to their home or office are encouraged to call any member of the Knox City Lions club and place an order.

nity to meet people from all across the state and even some from other states. They can do this by competing in contests such as livestock horse or consumer judging, fashion or foods show, at any of the many livestock or horse shows, or even while competing in a youth rodeo. They also have the opportunity to attend several camps and leadership retreats offered throughout the year.

A big concern to many families is the cost of membership. Knox County 4-H does not have any membership dues. Some individual clubs will charge a small fee (twenty-five cents per month) to help cover refreshment costs or to help sponsor field trips. Most clubs get money through fund raisers that they hold on an as needed basis. The only cost to the individual members is the cost of their project.

The project, whether it is livestock, clothing, foods or anything else, require parental support and guidance. Without the support of parents the youth often lose interest.

Anyone interested in joining 4-H is asked to attend an enrollment meeting in September. Those unable to attend an enrollment meeting and anyone with questions should contact Jane Rowan or Paul Weiser in the Knox County Ex-

tension office at (817) 454-2651. 4-H is open to all youth ages 9 (or in the third grade) to 19.

There's been a lot written about bacteria becoming resistant to antibiotics, and with good reason. Among people who get staph aureus infections, 40% are now resistant to all but one antibiotic. When that one no longer works, there will be a serious problem.

A Philadelphia gynecologist says older women actually need exercise more than younger ones. Exercise can in some ways help the body compensate for the loss of estrogen, says the doctor.

also visited with Mr. and Mrs. Whitey Gutierrez.

"The young couple invited their parson for Sunday dinner. While they were in the kitchen preparing the meal, the minister asked their son what they were having. "Goat", the little boy replied. "Goat?" replied the startled man of the cloth. "Are you sure about that?" "Yep," said the youngster. "I heard Pa say to Ma, 'Might as well have the old goat for dinner today as any other day.'"

Pink Ladies Set Called Meeting Monday

The Knox County Hospital Auxiliary Pink Ladies will have a called meeting Monday, September 12, at 5:00 p.m. at the downtown thrift shop.

All members are urged to attend this important meeting.

IN WHITE HOME

Guests in the home of Mr. and Mrs. Sammy B. White over the holiday weekend were their children and grandchildren including Mr. and Mrs. Ronnie White, Chris and Matt of Graham, Mr. and Mrs. Bobby Baker, Whitney and Ross of Weatherford, and Mr. and Mrs. Sam White and Samantha of Austin.

The boys enjoyed hunting while here.

STRAIGHT TALK (From Page One)

feel both coming from the fans, it was easy to see both in the cheerleading squad, and they were both very strong emotions within the football team.

Other strong emotions noticed in both the players and the coaching staff were RESPECT and PRIDE. The coaches showed a great deal of respect for the players and treated each young man on the team accordingly. That same feeling of respect also came from the team. It was easy to see -and feel - that the players both respected and responded to their new coaching staff. I listened to the coaches talking with the players - in groups and as individuals, and could easily see why the PRIDE was so evident. The coaching staff had instilled pride in their players through some very positive coaching techniques.

The fans on hand for the game were positive and supportive throughout the evening. Each of the cheerleaders worked hard and kept the crowd enthusiasm at a high level, never letting it get down.

The music from our band was the best heard in years. From both their special seating area in the bleachers and from the field during their halftime performance, the sound of the Greyhound Band was positive and uplifting. Performing Elvis' 'Blue Suede Shoes' during their halftime routine, the band showed that they have successfully broken away from the same old tired numbers performed so often in years past.

All things considered, last Friday night was a welcome change, and a great way to spend an evening. This note to those readers who missed the game: you

missed more than just a football game. You missed a 'feeling', a 'happening', an 'event'. If you did not attend because of an old, tired, pessimistic attitude about the Friday night games, let me be the first to tell you that things have changed!

Regardless of the win or loss numbers tallied by the team, the season will be a great success if the SPIRIT, ENTHUSIASM, RESPECT and PRIDE continue as felt last Friday night at Greyhound Stadium.

An interesting final note: The feelings I have described here did not end on Friday night with the sound of the final buzzer. They have been felt throughout the community each and every day since. Long overdue, the feeling is great! Thanks to everyone in our school system. You have provided a precious spark in our community. Now it's up to the rest of us not to let it go out.

IN SHAVER HOME

Mr. and Mrs. John Muller of Tyler visited over the holiday weekend in the home of her mother, Faye Shaver.

Also visiting Saturday afternoon were Faye's son and family, Mr. and Mrs. Brack Shaver, Nolan and Austin of Fort Worth, who had been to Abilene to see their older son Braxton play in a football game Saturday morning at Hardin-Simmons.

EX-RESIDENTS VISIT

Mr. and Mrs. Tom Robert Campbell, former Knox City residents, visited here over the Labor Day weekend.

The Campbells, who live in West San Antonio, had been in Colorado since June and were enroute home.

King County 4-H Horsemen Win At State

Eleven County 4-H Horsemen competed in several events at the State 4-H Horse Show held in Abilene during July 24-30.

Kendra Williams in the Open Show was a big winner in two events. Kendra won Reserve Champion Reining honors, receiving an engraved belt buckle in a class of 66 exhibitors. She also took a fourth place in the Working Cow Horse class, competing against some 33 horsemen across the state. She tied for the highest cow working score of the competition, but her dry work score lowered her to the fourth position overall.

Ryan Antilley exhibited his three year old Gelding in the Qualifying Show to Reserve Champion honors in the Geldings (four year old and under). He also received an engraved Belt Buckle for his award.

Remaining 4-H'ers that participated during the week-long State Show were Jay Gholson, Will Hale, Tara, Jack and Dan Merrick, Jody and Seth Moorhouse, Cody Springer and Bill Vinson.

FROM FLORIDA

F. Stanley Wojcik of West Palm Beach, Florida, is here visiting his son Stan and wife Donna and his other son Jimmy.

He was voted president of the USS LST 786 Association and reported that the next reunion will be held in Charleston, S.C. in 1995. Mr. Wojcik said they were making an all-out effort to locate any of their ex-crew members.

Benjamin News

By Gladene Green

I hope everyone is enjoying the Labor Day holiday. It's kind of the last big one before the busy fall season begins. For some it is more of a day of rest than work but however you have spent it, I hope it's been a pleasant one.

ABOUT OUR ILL

Era Brown spent a couple of days in the Knox County Hospital last week. She's back home now but wasn't feeling too well on Sunday. Hopefully, today she is doing better.

I learned Sunday that former resident, Betty Coppedge Henderson, is very ill at Scott and White in Temple. Betty's condition has worsened greatly in the past few weeks and this weekend she has been diagnosed as having leukemia. We pray that the treatment she will receive will make her more comfortable. Betty's parents were the late A.B. and Elizabeth Coppedge. She now resides in Gatesville.

Jack Waldron is continuing his trips to the doctor for treatment on his back. He told me the other day that it is better but he still is very limited on what he can do.

Dee Ann Lamb was in Wichita Falls last Monday for tests. Her report was favorable and tho she does have some problems she was relieved that none are too serious. She goes back in three months for another scan. Good wishes, are sent to all these friends.

LOOK WHO'S HERE

Michael Barrientez wants you to know about the new baby at his house. Her name is Sara Elisa and she was born Wednesday, August 31 at 12:02 p.m. at Hendrick Medical Center in Abilene. She weighed seven pounds, eleven and one-half ounces and was 19 1/2 inches long. Michael and Sara's parents are Roy and Virginia Barrientez and they now live in Stamford. Paternal grandparents are Raul and Reyes Barrientez of Benjamin and Mike and Simone Jacques of Stamford.

FOOTBALL NEWS

In the season opener Friday night, the Benjamin Mustangs came out the underdog after traveling to Newcastle for the game. The score was 46-0. Coach Josselet's comments were "The Newcastle Bobcats were just as good as we expected them to be. They had good size, speed and lots of experienced players to work with. I was extremely proud of our boys' never say die attitude. Our growth as a team during this game was extremely pleasing as well. Even tho we didn't win on the scoreboard, we had several victories in who we are working to become. We will continue working on the little things so that we may continually improve."

This week, the Mustangs have an open date and on the 16th play Megargel here.

VOLLEYBALL NEWS

"The volleyball team continues to improve each week. On Tuesday, we found Megargel and played extremely well. Our defense has improved greatly and it definitely showed against this opponent.

On Saturday, our opponent was Goree. Both matches went back and forth with Goree winning one match and Benjamin winning the other. We looked a lot better attacking the net offensively, but we still need to work on back line defense and our level of communication." Those comments also coming from Coach Kent Josselet.

(And Thanks to Kent for getting this ball news to me. Everyone is interested in school happenings.)

HERE 'N THERE

Gary and JoAnn Hamilton left Monday for Rolla, Missouri, for the funeral of her brother Joe Barton. Joe had a history of heart trouble and died on Monday, August 29. He has visited in Benjamin a couple of times and was known by several here. We send sympathy to JoAnn and Gary during this time.

Jessica and Kayla Jones of

Runaway Bay near Bridgeport spent the weekend with their grandparents, Charles and Joe Jones.

Bea Parks and Lucy Ming of Wichita Falls spent a few days this past week with Jessie and Kenneth Roberts.

Henry and Belle Rogers and family attended a birthday supper for their son, Henry Jr. and grandson Trey in Haskell Monday night.

Stephanie Conner, student at Texas Tech, was a weekend visitor with homefolks. Samijo and Shelby Russell of Spur also spent the weekend here.

Bud Conner and I attended the wedding of Edie Howard and Sam Richardson at the Embassy Suites Explanade Atrium in Abilene on Saturday. On Sunday, we visited my girls Debbie and Diane and their families in Childress. Samijo Russell accompanied us to Childress.

Bobby and Philomae Roberson and her family, Clyde and Wilma Feemster of Vera, George and Corrine Parrish of Franklin and Bobby and Wendy Feemster of San Angelo spent a few days last week in Las Vegas. Bobby is a cancer patient and the trip was good therapy for him. Philomae reported that he had a great time

and already making plans to go again.

Craig Hertel of Lindsey was a weekend guest of his parents, Don and Louise.

James Duke of Throckmorton was a guest of his mom, Nora, on Thursday.

The Men's Prayer Breakfast will be Saturday, September 10, at the Benjamin United Methodist Church. Jerry Smith of Knox City will be the guest speaker.

And on November 4, the Imperials will be making a guest appearance at the Memorial Building here. It will be a good Friday night as there will be no football that night! It's Munday's homecoming weekend and that game with Knox City will be Saturday night, the 5th and the Benjamin-Chillicothe game has been moved to Thursday night, the 3rd. So mark the 4th now so you can be here for that very worthwhile concert. Of course, more will be said about this as the time nears.

FROM ABILENE

Guests in the home of Sue Clayton over the holiday weekend were her son and his family, Cyle, Denise, and Chellie of Abilene and Cyle's friend and family, Garrett, Resa, Seth and Kelsey Starr, also of Abilene.

Thank You

The people of the O'Brien Community want to say Thanks to Bill Allen of Hunt Oil Company for the pipe that was donated to the O'Brien Cemetery to make posts for the new backfence at the Cemetery. It is a good deed we will not forget.

Also we appreciate Homer Rolston and the many favors he did for us while building the fence.

Thank you both.
