## Benjamin ISD To Receive Recognition

*At State Migrant Conference*

Benjamin ISD is being recognized for its work with the district's migrant students. Benjamin Superintendent Weldon Koepf reported this to school board members at the regular Benjamin ISD Board of Trustees meeting on Monday, November 14. Benjamin will receive Distinguished recognition at the State Migrant Conference on November 17, 1994, at South Padre Island Convention Center. The school is being recognized because of the high passing rate on the state TAAS test among the district's migrant students.

Superintendent Koepf also reported that Benjamin achieved an Accountability Rating of Accredited/Acceptable on Texas Academic Excellence Indicator System for the 1993-94 school year. The Texas Education Agency Accountability Report for Benjamin ISD will be available for viewing by the public at the Benjamin Superintendent's Office, Principal's office, Counselor's office, or the school library.

Superintendent Koepf also reported enrollment is up over last year and attendance has been very good during the first two report-

ing periods of this year. Current enrollment is 100 and percentage of attendance has been over 98 percent.

Trustees decided to join a class action suit against the Texas Education Agency to recover approximately \$22,000 in state aid funds which the district has been shorted over the last three years. The law firm of Ray, Wood, and Fine of Austin, Texas, will handle the case on a contingency basis at no cost to the district.

In other action the board approved monthly bills and salaries, adopted new board policy updates, approved the district textbook committee, and approved the district's participation in the state contract purchasing program of the General Services Commission.

## O'Brien Resident Critically Burned

Rayland Hayes, an O'Brien resident and employee of Rolling Plains Well Service in Knox City, was critically burned last Thursday when a hot oil tanker truck exploded in a freak oilfield accident.

Hayes survived the accident, but tragically suffered second and third degree burns over 85% of his body. In critical condition, Hayes was brought out of the oilfield in a private vehicle by a witness who saw smoke from the burning truck and went to investigate. The private vehicle was met by the Knox County EMS ambulance between Rule and Rochester and Hayes was brought to the Knox County Hospital for emergency treatment. A short time later he was airlifted by an Aerocare Helicopter to University Medical Center in Lubbock.

Currently in the Intensive Care Unit of UMC, Hayes was scheduled for the first of many surgeries on Tuesday morning at approx. 11:00.

In a telephone conversation from the IC Unit on Monday afternoon with Rayland's wife, Rose, she stated that the Doctors were optimistic, but were not giving the family much hope. "The doctors said that the surgery scheduled for Tuesday morning was needed in order for him to survive, but they would not guar-

antee that it would keep him alive", said Rose, who also went on to say that "Rayland has all his body parts, and his fingers are burned, but he did not lose his fingers as some have heard."

Thanking everyone for all their prayers and saying that many more were needed, Rose said "the only thing helping Rayland right now are prayers." She went on to say that "Rayland opened his eyes very briefly on Monday, and on Monday afternoon, his facial features were recognized for the first time."

Hayes was in still in surgery at 2:30 on Tuesday afternoon, and a phone call with his sister, Pam Reed, in the surgery waiting area at UMC, brought news that he had been in the operating room for several hours and that he still had several hours to go. Pam said that "Rayland went into surgery at noon and a doctor came about 2:00 o'clock and said that so far, he was holding his own." No other information was available as of press deadline late Tuesday afternoon.

A blood drive for Rayland is being organized by his many friends in Knox City as he will need from 2 to 10 pints for each surgery that he faces. The drive is scheduled for Tuesday, December 6 and more details will be available next week.

## O'Brien Happenings

By Audle Johnston

"Nerve Endings - I was a new branch manager at an office where discipline had been a problem. So when an employee violated a major company policy, I decided to set an example by taking serious measures. I called the worker into my office and told him he was being given a three-day suspension without pay. 'Can you make it five days?' the employee said. 'I need a week off.'"

### HERE AND THERE

Loretta Hewitt spent the weekend in Abilene with her daughter Vicki and Richard Daniel, her husband and family and helped Vicki with her garage sale.

David and Andre Gradner of Clovis, New Mexico, spent the weekend with Andre's parents, Irby and Johnnie Mae Carlisle.

Babe Banner of Littlefield was here Sunday to be with his dad Bertie and sister Rose Johnston.

He was in Abilene Sunday to attend the funeral for an aunt of his, Ruby (Collier) Walsworth Pope. She will be buried in Spur on Monday, the original home. She had been in a care home in Abilene for several years. Her daughter Bobbie Jo Lindsey and husband Melvin live in Abilene. Ruby's first husband was a brother of mine, Baskin (Sook) Walsworth.

Beatrice Ellis was home for a day and night last week after spending several days with her husband, Grady, who is in St. Mary's Hospital in Lubbock. They're trying to get him back to where he can walk and then he might be able to come home.

Bro. George Yarger and Mutt Ivie were in Lubbock all day Saturday to be with Rayland Hayes since he had a horrible oilfield accident last week. Seems as if he is gradually coming around. They

also visited Grady Ellis in St. Mary's Hospital.

Visiting Mutt and Bertie Ivie over the weekend was a niece of Bertie's, Louann Krey and husband Mark and daughters Leighann and Lauren of Springtown. Leighann played in a volleyball bi-district tournament in Lubbock on Saturday and they won and will play in Austin this weekend.

Clara Hanson will be in Abilene today for a doctor's appointment and to visit her husband, Troy, who is a patient in Hendrick hospital.

"A man dropped into a bank on business and found the customer-service clerk chatting on the phone, discussing new restaurants with her friend. After three minutes of exchanging derk glances with the man, she told her caller, 'Hold on a minute - I'm being interrupted by a customer.'"

A St. Louis study found that depression is the most common cause of weight loss among the elderly. Depression was a factor with 36% of the seniors who lost five pounds or more during a six month interval.

A Pennsylvania State researcher says seniors can increase muscle strength by as much as 200 to 300 percent with a regular three times a week exercise program.

### WHAT'S THE KEY TO QUITTING SMOKING?

Kicking the habit can be tough, especially if you've smoked for years. The Great American Smokeout is a good time to try to quit.

After you make it through the 24 hours of Smokeout, set a goal of not smoking for two weeks. Most people give up during the first two weeks because they are the hardest. After that, you'll know you can live without cigarettes—if you take it one day at a time.

Anytime you need help, please give us a call. We have free information on quitting, and we'll support you all the way.

## Petition Planned For Extended Calling

A petition to expand toll-free calling to area towns is being planned and it is hoped that enough interest in this service is generated locally to vote on this option, according to local coordinator Stan Wojcik.

Under the plan, once the petition is accepted and reviewed by the Public Utility Commission (PUC), a ballot will be mailed to all telephone subscribers in the Knox City and O'Brien exchange. At least 70 percent of the sub-

scribers who return their ballots must vote in favor of the expanded local calling for it to be provided.

If supported by local telephone customers, all customers will pay an additional per line fee of up to \$3.50 for residences and \$7.00 for businesses for the extended services.

The additional fee will be in effect until GTE's next general rate case, at which time all rates are subject to change.

If less than 70 percent of the customers were to return ballots voting for the extended service, no additional fees will apply and calls to the requested exchange will continue to have long-distance charges.

Wojcik indicated that the toll-free extended calling would help businesses and individuals in the community; thus, his undertaking.

Interested persons should contact him at 658-3744.

## From The DPS.....Trooper Joe Clement

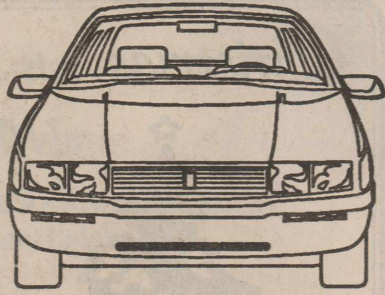

Winter driving is more hazardous than most people realize. There are more hours of darkness, often less visibility, and sometimes freezing temperatures with ice, sleet or snow. These are real challenges for drivers and test a person's ability to drive.

Safe winter driving, when it's all said and done, is largely the application of common sense to some basic driving facts.

Drivers must be able to see all around their vehicle to drive safely. Make sure all ice and snow is removed from all windows. Don't be a "peep hole" driver.

Keep windows from fogging by using the defroster. If necessary, stop and knock ice or snow off wiper blades to keep the windshield clear.

### WINTER DRIVING TIPS

Too much speed on slippery roads is the mistake that breeds the most trouble.

Adjust your driving habits to match the weather and road conditions. Trips on icy roads are going to take longer. Face the facts, don't be in a hurry. If the

road is covered with ice or snow, start your vehicle moving slowly and gently. When stopping, apply your brakes lightly and much earlier than usual. Make your turns slowly and smoothly.

Most loss of control comes in the form of skids. Skids don't just happen, they are caused by the driver in most cases.

To recover from a skid, back off the accelerator, stay off the brakes and steer your vehicle in the direction you want to go.

It is obvious that winter driving can pose problems for even the most experienced drivers.

But, as stated above, if we take our time, take it easy, make smooth movements and adjust speed to match conditions, we can all have a safer winter.

### RELATIVES VISIT

Visiting this week are Mr. and Mrs. Dan Martinez Jr. of LaCrescenta, California, who are visiting his mother, Mrs. Martinez; and his sister and husband, Mr. and Mrs. Flores.

On Saturday, they traveled to Fort Worth to celebrate Mrs. Martinez's 87th birthday.

Also attending the celebration in Fort Worth for Mrs. Martinez were Mr. and Mrs. Ray Escobar of Knox City and Mr. and Mrs. Phillip Escobar of Lancaster, California; who are in Texas visiting with Idella and Ray and also the Charles Escobar family.

## Someone To Admire

By RYAN ANTILLEY, Guthrie, TX Junior High

(Editor's Note: Ryan's English teacher, Marilyn Hale, submitted the following article to the *High School Writer - Junior High Edition* and it appeared in the October 1994 issue of the national publication. Ryan was a sixth grader last year when he wrote this as a class project.)

"Have you ever met someone who is generous, and one great cowboy? Fred is a cowboy at the Spike Box Ranch in Benjamin, Texas. He is my grandpa on my mother's side of the family. The three main reasons why I admire him are: he is a cowboy, he spends time with me, and he furnishes me excellent tack I really need.

"I admire Grandpa Fred because he is a cowboy. Grandpa Fred will give up one of his horses if the other punchers don't have a horse to ride. If there was something that needs to be done, he would go do it. For a boss, he is easy to work with. He would let the cowboys off if there was an emergency or they had to go to town. When all the cowboys are gone for the weekend, Grandpa Fred would go feed the horses so Randall or Pete, some of the cowboy hands, don't have to come feed them.

"My grandpa loves to spend time with me. After work he will throw the football, play basketball, and play baseball with me. Grandpa Fred will take time off to come see me play football and basketball. Grandpa Fred lets me go with him when he goes to the vet, feeds cattle, or goes to town.

He also comes and watches me show my horse. When I am at the ranch I ride horses with him. He has let me work at the ranch for two summers, and I also stayed in his house. When we went to Six Flags two summers ago, Grandpa Fred and I rode all the rides, roller coasters, and the train like the Mini Mine Train. That was the first time he had ever done that.

"Grandpa Fred has furnished me excellent tack when I work at the ranch. I have outgrown my red-top boots that he bought me to work in. Grandpa Fred had a saddle that the tree broke, and he had it fixed and gave it to me. He found a horse at Valley View that I qualified to the world show at Fort Worth. Grandpa Fred, the person I look up to, sets a swell example of what I am going to be when I am a grandpa. When I grow up, I am going to be just like him.

## Christine Burnett Tells Of Summer European Trip To Beta Chi Chapter

The Beta Chi Chapter of Delta Kappa Gamma Society International met Saturday, November 5, at the First Baptist Church in Knox City.

President Vida White called the meeting to order and Carolyn Brockett read a passage from Jeremiah regarding a growing tree. President White commented that growth and learning were the focus of the meeting.

Judy Burnett introduced the speaker, which was her daughter Christine Burnett. Christine, a senior at Baylor University, went to Europe this past summer on a Study-Abroad program sponsored by Baylor. She and other students on this program studied five weeks in Greece, Paris, and London, spending time in classes and traveling to learn about the cultures and people of the area. Christine presented slides of the highlights of her trip with interesting comments and information. She completed her presentation with slides of the historical beaches and memorials to D-Day that she viewed in Normandy which was her favorite part of the tour.

President White passed out information on the Delta Kappa Gamma key pin, in the absence of Marie Ward, who is ill.

Minutes of the previous meeting were read by secretary Betsy McManamon and approved as

read. Carolyn Brockett read items of correspondence to members. Margaret Chafin gave the treasurer's report, and passed out a copy of the budget to members.

The Red Rose Salute was presented to Carolyn Brockett, second vice-president, by Glenda Drinnon.

The meeting was adjourned by President White and members sang the "Delta Kappa Gamma" Song.

Members of the Beta Chi were then treated to refreshments served by hostesses from Knox City, Benjamin and Truscott.

## Benjamin News

By Gladene Green

Going down to the wire before the Thanksgiving holidays, news is pretty scarce this week. Have had a couple of people have the misfortune of breaking some bones during the past week. On Sunday (last week), young Seth Kuehler broke his thigh in three places while playing football and has been in the hospital in Abilene all week. He has many weeks of recovery ahead but hopefully, he is being kept comfortable. He is the son of Sheila and Stephen Kuehler. Seth would like to hear from his friends and mail may be addressed to him at Hendrick Medical Center, Room 3222, in Abilene.

On Thursday, Nora Hertel fell in her kitchen and broke her hip. She underwent surgery Saturday in Bethania Hospital in Wichita Falls and is doing well. She will also have several weeks rehabilitation ahead but she is comfortable. We wish both these folks well.

### BOYS BASKETBALL

The Benjamin High School boys basketball team took on the Megargel Mustangs on Tuesday. The Megargel Mustangs took the early lead and led 25 to 6 at half-time. Megargel ended up with 52 points as compared to Benjamin's 24 points when their first scrimmage of the season was over.

### Lopez Infant Dies Nov. 4 In Hobbs, NM

Funeral mass for Isela Rae Lopez was held Monday, November 7, at one o'clock at Our Lady of Guadalupe Catholic Church.

Father Jose Reyes, OFM Conv., officiated. Rite of committal followed at Babyland Prairie Haven Cemetery.

Isela, three days old, died Friday, November 4, in a Hobbs, New Mexico, hospital. She was born November 1.

Survivors include her parents, Patrick Lopez and Tricia Garcia; grandparents, Ishmael and Maria Parras of Hobbs and Lalo and Elma Garcia of Hobbs; great-grandparents, Minnie Rodriguez of Knox City; Juan and Julie Garcia of O'Brien; Juan and Santos Zavala of Harlingen and Dominga Velasquez of Hobbs.

### IN CLARKE HOME

Mr. and Mrs. Greg Whitten visited in the home of his parents, Peggy and Charlie Clarke, over the weekend.

While here, Greg and Sandra, surprised his mother with a birthday party Saturday night. Attending the party were Kelli Whitten of Lubbock, Terri Carnes and Courtney of Lubbock, Mrs. David Moorhouse of Lake Kemp, Mr. and Mrs. Don Mobley of Seymour and Rick and Sandra Moorhouse of Vemon.

Bobby Condron was the Benjamin Mustang's leading scorer with nine points.

On Friday, the Benjamin High School boys basketball team traveled to Goree to take on the Goree Wildcats. Benjamin played a good game; however, a 25 point third quarter gave the Wildcats a 37-25 lead after three quarters. Benjamin stayed up with the Wildcats in the fourth quarter that could not erase Goree's lead. Therefore, the final score read Goree 52, Benjamin 42. The leading scorer for Benjamin in their second and final scrimmage of the year was Jim Bob Conner with 13 points.

### GIRLS BASKETBALL

The basketball season is here and the Lady Stangs are working hard in preparation for a challenging schedule. As they kicked off the year with their first two scrimmages last week, they showed lots of improvement over where they were last year at this time. The defense was extremely aggressive and the movement of offense was truly a positive note. They still need to continue working on their communication and their rebound positioning.

This week will be extremely busy as the Junior High begins their season Monday night at Harrold while the varsity open their season at home Tuesday with Lueders-Avoca, and then travel to Harrold in the latter part of the week for a tournament.

### OUTSIDERS GAMES

For entertainment only and maybe a little practice, both teams

played the outsiders Saturday night. I'd get in trouble trying to name either bunch of the "oldies" but I will say that they defeated the high school teams. Proved they were still in pretty good shape and it provided a pretty good couple of hours of fun for us all. **HERE 'N THERE**

Steve Conner of Lubbock and Stephanie Conner of Texas Tech spent the weekend here with homefolks.

Phil and Rebekah Boone of Wichita Falls spent the weekend here with her folks, the Dennis Dukes and other relatives and friends.

Rex and Maretha Patterson were recent visitors with relatives in Fillmore, Oklahoma.

Bud Conner and I visited my sister-in-law, Margie Yeager, who is seriously ill in the Seymour Hospital on Saturday.

Daniel and Rose Ellen Albus of Lubbock has been here a few days with her mom, Nora Hertel, in the hospital.

Kevin Roberts, who has been at Twenty Nine Palms, California, is here for a few days with his grandparents, Kenneth and Jessie Roberts and other relatives and friends. Kevin will be heading out very soon for a year's stay in Viet Nam.

Joe and Julie Trepanier spent Sunday with their kids in Wichita Falls.

Penny Eaton and girls of Irving have been here visiting with her parents, Bill and Dorothy Spikes.

Roy Fuentes' extra point made the score 8-0 with 6:49 left in the first quarter.

The Jaguars scored again with 2:07 left in the same quarter when Seth Moorhouse pushed the ball into the end zone from one yard out. Guthrie faked a kick and Shane Pettiet completed a pass to Bradley Burkett that gave them a 15-0 lead.

Michael Salas scored for Ropes in the second quarter breaking loose on a 17-yard touchdown run. The PAT by David Lopez was good, making the score 15-8 at halftime.

The Jaguars scored a safety with 6:25 left in the game on a bad snap that rolled into the end zone. Salas fell on the ball and was unable to get out of the end zone, making the score 23-8.

With 4:57 left in the game Guthrie scored on a three-yard run by Pettiet. Fuentes' kick was no good, making the score 29-8. With 42 seconds left in the game, Ropes turned the ball over on downs, and the Jaguars ran out the clock to win the game.

# Grime Fighter.

Outdoor grilling is a Texas tradition. You've probably collected lots of great recipes for barbecued ribs, chicken, steaks and burgers. But now there are two ingredients you won't need. Charcoal and lighter fluid. Both contribute to the grime of air pollution. So take a deep breath and fire up a propane grill. Grilling with propane is faster, cheaper and environmentally correct. Propane. The clean choice. The clear choice. Bon appetit!
