FIWT State Officers Visit Knox City

Recently visiting in Knox City were Diana Beith and Ruth Goodenough, officers of the Federation of Insurance Women of Texas. The FIWT is a state wide trade association for the insurance industry, whose headquarters are located in Knox City.

Serving as the Executive Director of the federation, Judy Perdue of Knox City has managed the state association's office since January of 1984.

The federation was founded in 1944 by a group of women working in the insurance industry who believed there needed to be an association whose focus was education and professionalism. In the past 50 years, the FIWT has continued to grow. Currently there

are 27 local associations and 1,025 members, all who work in various areas of the insurance industry.

The FIWT holds two annual meetings each year at various locations throughout the state. During these meetings, educational and career enrichment seminars are offered to attendees who wish to increase their professional knowledge.

Dedicated to education, local associations are involved throughout the state in community assistance to worthwhile community service projects, donating much time and financial assistance to worthwhile community efforts.

In 1984, the officers of the association realized the need for a central state office to coordinate

FIWT activities. It was at that time that Perdue was hired as the first executive director. All of the records of FIWT were moved to Knox City when the office was established.

Perdue manages the day to day operation of the organization, coordinating the association activities from her Knox City office.

Current FIWT President is Diana Beith, a claims analyst with Sedgwick James in Dallas. Ruth Goodenough, current FIWT Corresponding Secretary, is the administrative manager of Sedgwick James in Dallas.

Following their visit to Knox City, the ladies spoke at an insurance association luncheon in Abilene.

Speaker Appoints Counts To Select Committee

On Military and Veterans Affairs

REP. DAVID COUNTS

AUSTIN - Texas House Speaker Pete Laney has announced the appointment of Representative David Counts, D-Knox City, to serve on the House Select Committee on Military and Veterans Affairs.

Speaker Laney created the committee Thursday by proclamation. The seven-member committee will study and report to the full House on the impact of national military and defense policies on Texas. It also will look at issues affecting Texas veterans that may be addressed by state law.

"The State of Texas has a long and proud history of concern for its military veterans and their families," Speaker Laney said. "It is

appropriate that the Legislature devote special attention to matters affecting those who have sacrificed so much for their country."

Speaker Laney said he believes Representative Counts will serve the House well on this special committee. "Representative Counts is a devoted veteran, having served 32 years in the military service of our country I believe he will make a thorough and complete study of these issues that are important to us all," Speaker Laney said.

Bloodmobile To Visit Tuesday From 4 to 7

The American Red Cross Bloodmobile is coming to Knox City on Tuesday, March 7, at the Aging Service Center from 4:00 to 7:00 p.m. Regular blood donors are encouraged to come and bring a friend to donate.

Someone needs blood every 12 seconds. When the people of Knox City take time to donate one unit of blood, that one unit of blood goes on to help save up to three lives. The donated blood is separated into three components: Platelets, Plasma, and Red Blood Cells. These differing products are administered to patients according to their individual and varying needs. The need is never fully met in one day or in one week bloodmobile, because tomorrow the need is there again.

There is never enough blood, because the blood supply is not really a "supply" at all. It is a system of donors and patients,

linked together by donor generosity and urgent patient need. It is a system only weeks ahead of patient demand.

For those Knox City and Knox County residents who have never donated or have not donated recently, donors are encouraged to take the time to give. Prospective donors must be at least 17 years or older, weigh at least 100 pounds and be in general good health. Healthy Knox County citizens should consider donating as an opportunity to help neighbors, loved ones - even one's self, each time the American Red Cross visits Knox City. Donors can give safely every eight weeks or a maximum of six times a year.

Remember, blood comes from the heart... Please give!

For more information, contact Charlene Brothers at 658-3428 or the American Red Cross Blood Services at (817) 322-8686.

Knox City Study Club Has Panel Discussion

The Knox City Study Club met February 15, 1995, in the home of hostess Frances Dear, president, who called the meeting to order. Janoma Stephens led in giving the Pledges to the American and Texas Flag. Lena McGee gave the invocation.

Roll call was answered by each member answering by naming a current event.

The program consisted of a panel discussion of three members. First was on Crime Prevention by Janoma Stephens. So many simple things could be practiced which would create a safer environment. For example: a most important thing, be aware of where one is at all times; be fortunate to have good neighbors; do not have work done on homes unless by bonded contractors or people one knows; never walk alone and use the police, they are one's friends.

The next discussion was on Safety by Winifred White. Helpful practices to aid safety are keeping houses and cars locked at all times, practice neighborhood watch, let someone know where one is going, do not leave newspapers in yards, if possible carry a portable telephone when away from home, have keys in hand as one approaches a car, and be a good neighbor.

The next was on Citizenship led by Erma Liles. She urged everyone to become involved. Local, county, state and national levels. Urge every eligible voter to

go vote. Take those to the poles by offering transportation.

Let elected officials hear constituent's voices.

Always be courteous and reasonable. Do not be rude or threatening though one may disagree.

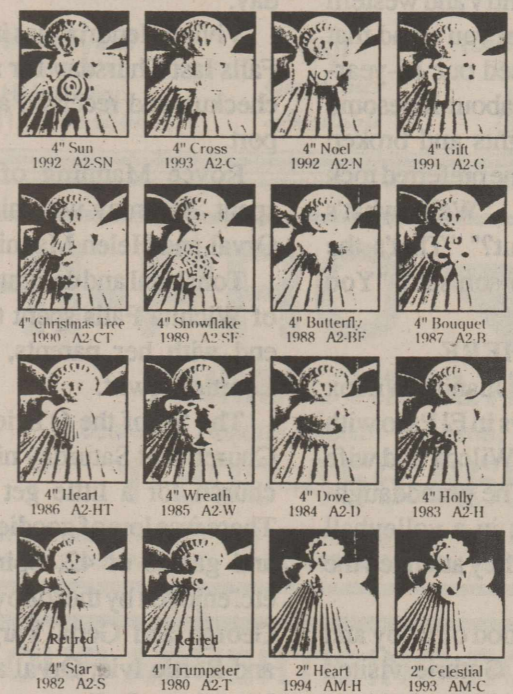

Use action, not complaints.

Become more knowledgeable about counties, state and nation. Know the Pledges to the Flags of the United States and the Texas Flag.

Following a question and answer period, the meeting closed with the Citizenship Oath being given in unison.

Delicious refreshments were enjoyed by all.

Margaret Furlong
DESIGNS

The beginning of Margaret Furlong's line of white-on-white bisque porcelain - the angels, have continued to delight collectors for the past 14 years. Each year four angels are designed. The 5" angel is produced in a limited edition of 10,000. The 2", 3" and 4" angels become a permanent part of the line and join the others to provide a wide selection to choose from. The angels, although beautiful on a tree, are designed for year-round gift giving. The bride and groom will always remember their special day with a gift of a "Bouquet" angel. The "Dove" is special for a birth or baptism, while the "Sun" is a wonderful gift for the gardener.

O'Brien Happenings

By Audle Johnston

"Driving home from church on Sunday, my husband tuned the radio to a country and western station. "How can you stand that stuff?" complained our 16-year-old son. "It's all about lonesome cowboys, gunfights and broken hearts. Knowing he preferred rock 'n' roll, I asked, "Well, what's your music about?" "That's the beauty of it," my son said. "You just don't know!"

HERE AND THERE

"While traveling through Missouri, we stopped for lunch at a local cafe. In the booth behind us sat four elderly men whose conversation revolved around the problems of the community, state and nation. "We'll, there's one thing we don't have to worry about anymore," I overheard one man say. "We ain't gonna die young!"

O'Brien Boys Teams Wrap-Up Seasons

By Coach Jim Chappell

The O'Brien 7th and 8th grade boys basketball teams ended their season Monday, February 6, with victories over Aspermont.

The 7th grade team battled hard this year coming away with three victories and nine losses. Four of those losses were by seven points or less. A great deal of improvement was noted as they got their first taste of organized offenses, defenses, and full court pressure.

Members of the 7th grade team were R.J. Rizan, Brandon Gutierrez, Jessie Rios, Brian Anderson, Myles Richardson, Ricky Ruiz, Michael Baez, Jim Pettit, Jeff Acree, Fernando Gomez and Roland Vasquez.

The 8th grade team enjoyed a slightly better record than the 7th grade team. They registered six

wins and seven losses. Five of those wins came out of the last eight games of the season. A system of platooning greatly helped the fortunes of the 8th grade.

Members of the 8th grade team were Brackston Barnard, David Speck, Tim Serrano, Scott Munoz, Rudy Ramos, Josh Gerik, Nathan Bowles, Chris Bartley, Aaron Large, Jay Sliger, Roman Munoz, Nathan Hedgecote and R.J. Pedroza.

The 7th grade won third place at the Seymour Tournament with a thrilling victory over Archer City. The 8th grade placed second at the Haskell Tournament with a win over Paint Creek and a narrow loss to Haskell. In the Seymour Tournament the 8th grade lost to Seymour but won third place with a lopsided victory over Archer City.

TB is becoming an increasing problem. TB infections has been increasing at a rate of about 20% in the U.S. since 1985. A National Institute of Health report says, among some segments of the population, the TB rate is higher than among the world's poorest nations. More than 10,000 AARP members responded to a poll on age discrimination in the workplace. More than 2/3 said they had left employment under duress because of their age.

KNOX CITY HIGH SCHOOL Gifted and Talented Students traveled to Lubbock last Friday and during their trip visited Texas Tech University's Athletic Complex and also with Tech assistant basketball coach Will Flemons, who was a standout player not only at Tech, but Paducah High School as well. High School Gifted and Talented Meet Red Raider Celebrities

By GRETA WALDRIP
Gifted and Talented Sponsor

The Knox City High School Gifted/Talented Class traveled to Lubbock Friday, February 24, to attend the Fine Arts Festival, hosted by Lubbock High School.

They viewed a variety of presentations performed by Coronado, Monterey and Lubbock High including "The Unknown Soldier", "The Man Who Would Not Die" and Shakespeare's tragedy, "Othello".

Following a morning of cultural events, the group spent the afternoon touring the Texas Tech University Athletic Complex and at the Municipal Coliseum watched Red Raider men's basketball workouts, Assistant coach Will Flemmons invited the group to be his guests at the workout, following a cordial interview at his office.

The men's team was excited after its win over the University of Texas the previous night and were willing to demonstrate quite a few slam dunks and three pointers for the Knox City guests. Coach Flemmons expressed delight at hosting "Knox City Greyhounds" and reminisced about his high school career at Paducah as well as his college and professional basketball career. Will was hired last year as an assistant coach at Tech following a knee injury in Korea that ended his playing career. While visiting with the students, Coach Flemmons stated that, although he experienced disappointment at not being able to accept an offer to play in the pros

due to his injury, he was excited to be coaching a sport he loves.

Former head coach Gerald Myers stopped to visit with the group and also stated his delight at having Will back, as Will is highly respected by the team and city for his work ethics and leadership.

The students were impressed with Coach Flemmons' knowledge, but also with his genuine interest and hospitality shown the

group. Upon leaving the Coliseum, Tech standout Mark Davis stopped to visit the students and posed for photos.

The group ended their afternoon with a visit to the "Walk of Fame" and the Buddy Holly Monument at the Lubbock Civic Center.

Students attending the field trip were Amy Hunt, Ritchie Carnes, Jonathan Rizan, Audra Dale, Laurie Casillas, Diana Estrada and G/T teacher Greta Waldrip.

KNOX CITY ELEMENTARY'S CAMPUS was the recipient of a colorful new marquee installed recently. The project was funded by proceeds from the PTO Fall Festival, which was a joint effort of elementary students, teachers, parents and community members as well. The new marquee is west of the auditorium, between the elementary wings and main elementary building.

Pink Ladies Need Volunteers

The Knox County Hospital Auxiliary members, better known as the Pink Ladies, have helped this community and the area for more than a decade and now they are asking for our help!

The Pink Ladies are needing volunteers to help operate the downtown Thrift Shop. The shop, which enables many of our local residents to provide clothing and household goods for their families, is open Monday, Wednesday, and Friday each week from 10:00 a.m. until 5:00 p.m.

All proceeds go to purchase equipment for the Knox County Hospital and the Pink Ladies also present a \$1,000 scholarship to a graduating senior in Knox County who is entering the medical field. If anyone could donate a day or even a half day's work each week, it would help tremendously, the ladies said.

For more information, readers may contact any of the Pink Ladies or call Donna Daniel at 658-3633 or Peggy McGaughey at 658-3782.
