KC's Newest Clothing Business To Host 'Sneak Preview' On Sat.

PROUDLY DISPLAYING a small sample of what their new store will offer, Billy and Pat Young of Knox City are shown here inside their new store, Pat's Hat's & Accessories, located in the former Family Boutique Building at 117 North Central Avenue in downtown Knox City. The store will feature clothes for children and adults, as well as hats and accessories for the well dressed lady. (NEWS Photo)

The climate of the Knox City business economy continues to improve as another business prepares to open in the near future. Billy and Pat Young have moved here from Colorado and are getting ready to open Pat's Hats & Accessories in the building that was once occupied by the Family Boutique. As an enticement to their future customers, the Youngs have scheduled a "Sneak Preview" this Saturday, October

7, from 10:00 a.m. until 8:00 p.m. Featuring a wide range of hats and accessories for the well dressed lady, the store will also carry an impressive selection of clothes and dresses for children.

The community is cordially invited to drop by and visit with Billy and Pat this Saturday and see what this new enterprise will offer when it opens for business. Refreshments will be served to those attending the 'Sneak Pre-

view'. For those wanting a private showing of hats and dresses prior to the 'Sneak Preview', they may call 658-5111 for a private appointment on either Thursday, October 5, or Friday, October 6. The store has not scheduled a grand opening date yet, but an extensive advertising campaign will let everyone know when that will be. Both Billy and Pat are excited about this new business!

RUNNING HARD behind his blockers, Lance Dever (#2) of the Knox City Greyhounds is shown here in action during the 4th quarter last Friday night at Greyhound Stadium against Spur. (NEWS Photo)

Hounds 'Spured' By Bulldogs, 27 - 14 Travel To Windthorst For Friday Game

Knox City's Greyhounds took the lead in the third quarter but couldn't hold it in a 27-14 loss to Spur on Knox City's home field Friday night.

Knox City's record now stands at 2-2.

Down 13-0 early in the game, Knox City used defense to keep the Bulldogs right there on the scoreboard while the offense scored twice. Lance Dever's short run in the second quarter and Duane Toliver's kick made it 13-7 at halftime.

Dever then scored on a five-yard run late in the third quarter

and Toliver's kick again was good to lift the Hounds into a 14-13 lead. Dever finished the game with 105 yards on 19 carries.

Spur's Cory Childers rushed for 188 yards, scored two minutes later for Spur and then again early

in the fourth quarter to rally the Bulldogs to the win.

Both teams had 18 first downs in the Friday night contest.

This week, the Hounds travel to Windthorst to take on the Trojans. Game time is 8:00 p.m.

Knox City's Heart Walk Is Saturday

Citizens of Knox City and the surrounding area will walk all over cardiovascular diseases during the American Heart Walk, slated for Saturday, October 7, at Greyhound Stadium. The Heart Walk begins at 8:30 a.m.

The American Heart Association's American Heart Walk is a national event held in communities across the country during the first weekend in October.

The non-competitive, just-for-fun event, is expected to draw participants of all ages. The walkers will raise money for cardiovascular research by asking friends and co-workers for contributions for walking the course.

"We're excited about this event", Dorothy Jean Dykes, American Heart Walk Chairman, said. "Cardiovascular diseases, including stroke, are America's No. 1 killer. They affect people in their 30s, 40s and 50s - - often their most productive years. Children aren't excluded from cardiovascular diseases, either. There are only two ways to fight them: finding the cure through research and preventing them in the first place. We'll have lots of information at the American Heart Walk on how to prevent cardiovascular diseases and stroke, including getting regular exercise that helps strengthen your heart muscle."

Incentives are available to walkers raising certain levels of pledges. For information on how to participate or sponsor a walker, call Dorothy at 658-3484.

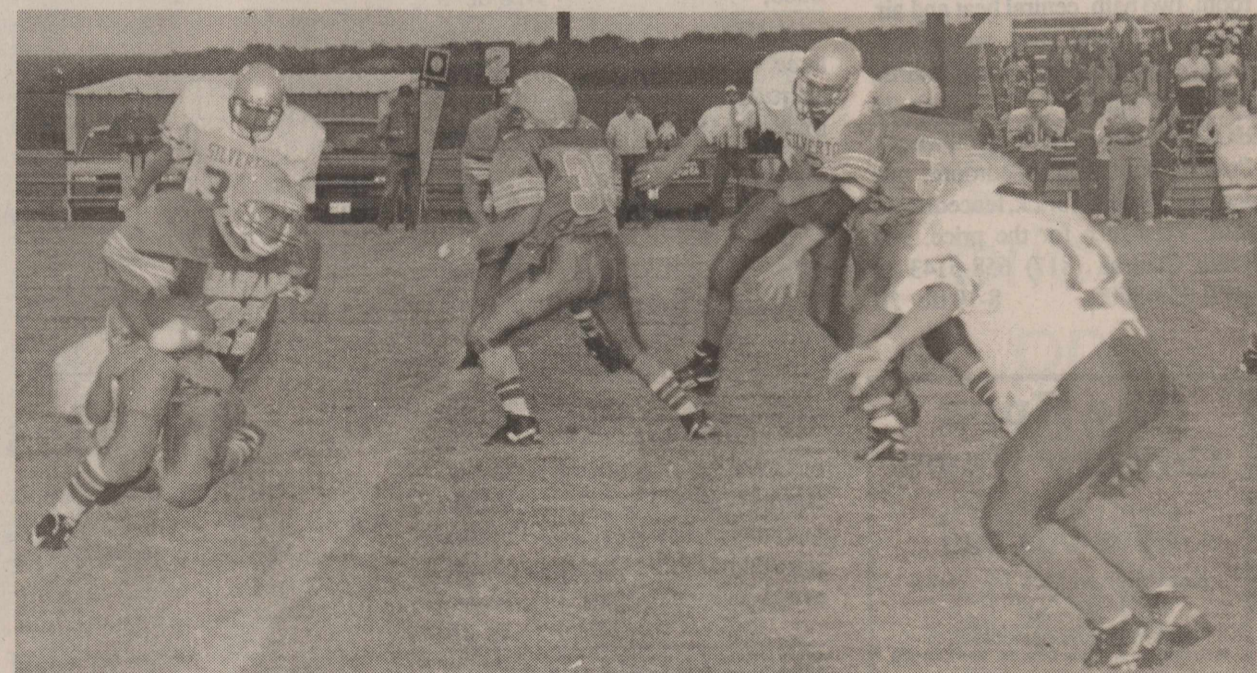

Summer Ray Crowned As 1995 Homecoming Queen

For Guthrie High School

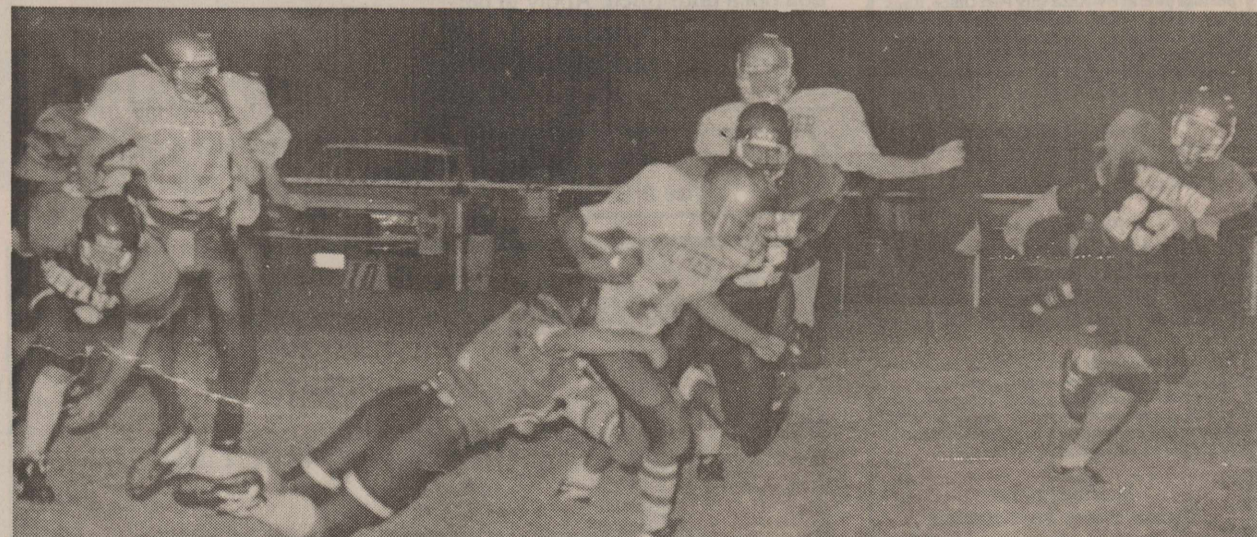

Summer Ray

GUTHRIE HIGH SCHOOL students, teachers, parents and exes gathered together for Guthrie's 1995 Homecoming festivities last Friday Night. Prior to the Guthrie-Silverton football game, Summer Ray was crowned as the 1995 Homecoming Queen. (NEWS Photo)

GAINING YARDS AGAINST SILVERTON, Jaguar Running Back Ruben Fuentes is shown here in last Friday's Homecoming game at Guthrie. The Jaguars went on to win the game. (NEWS Photo)

BRINGING DOWN A STEER THE HARD WAY, Wade Pierce of the Benjamin Mustangs is shown here during last Friday night's game against Rochester in Benjamin. Rochester won, 48-28. (NEWS Photo)

Bid Notice

SEALED BIDS
 The Knox County Commissioners Court is accepting sealed bids until 9:00 a.m. October 6, 1995, for the purchase of a new police car. At this time, all bids will be reviewed at the regularly scheduled meeting of the Knox County Commissioners' Court. Knox County reserves the right to reject any and all bids, for any purpose, and to accept the bid most advantageous to Knox County. Specifications for the vehicle may be obtained from the Knox County Judge's Office during regular business hours. This vehicle is to be a new 1995 or 1996 model. 9-28 tlc 98

KNOX COUNTY SHERIFF'S DEPARTMENT SPECIFICATIONS FOR NEW PATROL VEHICLE

IN GENERAL:
 The vehicle shall be a new 1995 or 1996, full sized, rear wheel drive, four door vehicle that meets or exceeds traditional "POLICE PACKAGE" criteria.

SPECIFICS:
 This vehicle should be equipped with the following equipment: Automatic overdrive transmission with 1st gear lockout, and auxiliary oil cooler, speed sensitive steering with oil cooler, tilt and cruise control, AM/FM stereo, cloth covered front bucket seats, vinyl covered rear bench seat, heavy duty rubber floor covering, single key entry with remote deck release, deleted under hood insulation, heavy duty battery and wiring system, high output alternator, heavy duty suspension to include sway bars front and rear, HD shocks and stabilizers, dual exhaust, HD upper and lower control arm bushings, Heavy duty suspension components throughout, High output "intercep-

Bid Notice

tor" engine, calibrated speedometer registering to 140 mph in 2 mph increments, full gauge package. Vehicle shall be equipped with speed rated 15 or 16 inch radial tires mounted on heavy duty wheels with hubcaps. Heavy duty/hard service radiator meeting police package specs, (cooling system), Shall have air conditioning. Dual beam map light with deleted door chime and door operated switch to interior lights deleted also. Shall have 1 spotlight mounted on the driver's side and remote electric controlled mirrors. Heavy duty frame and and conventional spare tire with same POLICE speed rated tire mounted. Body side and front and rear bumper moulding strips. Intermittent windshield wipers. All applicable heavy duty/hard use/extended service options shall be included with this package. Color preferred is white with no vinyl top. Child locks are preferred on the rear doors, with electric lock out control for windows.

Sealed bids will be opened at the next regularly scheduled meeting of the Knox County Commissioner's Court. This date is set to be October 6, 1995, at 10:00 A.M.

All bids must be submitted in writing and should include the estimated delivery date of the vehicle after notification by the Court. A copy of the notice will be run in the Munday and Knox City papers on 9-25 and 10-2, 1995. Sealed bids may be mailed to the office of the County Judge at PO Box 77, Benjamin, Texas 79505. Bids will be accepted up to 9:00 A.M. on the above mentioned date. 9-28 tlc 390

WTU Customers To See Rate Reduction On October Bills

Administrative Law Judges (ALJs) have issued an interim order allowing West Texas Utilities Company (WTU) to implement new, lower electric rates for its customers.

The issuing of the interim order comes after WTU and parties to the rate review agreed to the settlement to resolve all outstanding WTU regulatory issues.

Starting with October electric bills, a WTU residential customer taking basic service will see an approximate 7% decrease on a monthly electric bill, compared to the permanent rates in effect prior to October 1, 1994, when the interim 3.25% base rate reduction was implemented. This 7% decrease is based on an average usage of 1,000 kwh.

As part of the interim order issued by the Public Utility Commission of Texas (PUCT) ALJs, WTU customers will also share in a one-time \$21 million refund, which will amount to approximately a \$50 credit on a monthly bill for residential customers tak-

ing basic service and using 1,000 kwh of energy. The refund will be spread over two months and reflected in October and November bills.

"We are pleased that the ALJs agreed, after their review of the settlement, to allow the company to place the new electric rates in effect on an interim basis until the Commission can issue a final order," said Glenn Files, WTU chief executive officer and president.

"WTU entered that rate case with residential electric rates that ranked on average the fourth lowest of any investor-owned utility in Texas and because of the settlement our customers will enjoy rates that are even more competitive than before," Files added.

Prior to the rate case, WTU's commercial and industrial prices averaged 10% to 20% lower than the regional average.

"With even lower rates being implemented for commercial and industrial customers resulting from this settlement, we believe

our communities will be in a better position than ever before to help West Texas grow and prosper," Files added.

The settlement resolves the current proceeding involving deferred accounting treatment of the Oklaunion power plant; the current rate case; and the pending appeal of WTU's 1987 rate case; and issues relating to a fuel reconciliation, which involves a review of WTU's eligible fuel costs and how those charges are recovered in customer bills.

Specifically, the settlement results in an annual \$13.5 million retail base rate reduction, which includes \$5.9 million in reduced rates that took effect on October 1, 1994, and an additional 2% reduction in rates due to a reduction in fuel factors.

The settlement also calls for a three-year freeze on base rates.

WTU serves more than 180,000 electric customers in a 53,000 square miles area in 52 West Texas counties.

Royalty In O'Brien?

Nine and one-half month old Haley Ledesma, daughter of proud parents Tanya and Fred Ledesma, recently competed in the 1995 Abilene Beauty Pageant on Saturday, September 30.

Haley walked away with a trophy for first place beauty and received a trophy for Queen, being first place in age class.

She also received two certificates, one for beauty and the other for perfect health.

Halen is the granddaughter of Connie and Jesse Ledesma of Knox City and Marilyn and Ronnie Adams of Georgetown.

O'Brien Happenings

By Audle Johnston

"After spending all day watching football, Harry fell asleep in front of the TV and spent the night in the chair. In the morning, his wife woke him up. "Get up, dear," she said. "It's 20 to seven." He awoke with a start. "In whose favor?"

HERE AND THERE

Alan and Jennifer Holmes and Dana spent last Thursday night in Bowie with Jennifer's brother and family and were in Dallas Friday for Dana to have a checkup with a specialist there.

Janoma Stephens is spending a few days with her sister-in-law Verna Mae Williams in Plainview. Verna mae had fallen and injured herself pretty badly and needed some help for awhile.

Saturday night, Delbert and Norma Hayes picked up Vivian Hendrix, Bernice Rowan and I and we attended an all gospel musical in Old Glory. They had good music from Burkburnett,

Benjamin and Abilene. There were lots of good gospel singing and the program was attended by lots of people.

Delbert Hayes had a dangerous accident happened to him Wednesday afternoon. He was plowing and stopped to check his tractor battery when it exploded and hit him in the face and eyes. He's doing good and very lucky to have not been hurt anymore.

Dwight Gothard was in Abilene Sunday and helped celebrate a grandson Courtney's birthday and also visited his son Paul and wife Kay.

Vada Parker, former O'Brien and Knox City resident and now living in Lubbock, visited Oather and Hope Poe over the weekend and attended church in O'Brien on Sunday.

Recently visiting Alton and LaUna Hester were LaUna's sister, Jozelle York of Toledo, Ohio; and their granddaughter, Mande

Roberson of ACU. They, along with Elaine and Jennifer Eaton, attended the 50th Wedding Anniversary for LaUna's sister Bobbie Lou and Bobby Fail in San Angelo, last weekend.

Johnny and Jo Lippard were in Baton Rouge, Louisiana, last week for Johnny to attend a POW meeting and they were in Oklahoma and visited their son Mark and family and Nancy and family.

"A minister was urged by his congregation to explain the difference between heaven and hell. "They're not as different as you might think," he said. "In heaven, the British are the policemen, the Germans are the mechanics, the Swiss run the trains, the French do the cooking, and the Italians are the lovers. In hell, only minor changes take place. The Germans are the policemen, the French are the mechanics, the Italians run the trains, the British do the cooking, and the Swiss are making love."

CITY GROCERY & MARKET

Former Rule Citizen Wins McAuliffe Fellowship

A passion for computers and an equally strong devotion to teaching have come together to help Slaton CTA member Marcia Talkmitt win the highly prestigious Christa McAuliffe Fellowship Award for the state of Texas.

Marcia Talkmitt, daughter of Mr. and Mrs. Howard Brass of Rule and great-niece of Anne Eells of Knox City, teaches physics, chemistry and physical science at Slaton High School and is facilitator in the Gifted and Talented Program. Her project was selected for the competitive award from among 110 proposals from Texas educators.

She has received a \$39,000 grant to be used during the 1995-96 school year to develop her proposal, VESAMOTEX: Virtual Education - Science and Math of TEXas. The project is guaranteed to take a "byte" out of the ordinary day-to-day routine for both the over- and under-achieving student.

The Christa McAuliffe Fellowship Program was established in 1986 by the U.S. Department of Education and the Christa Corrigan McAuliffe Center in Massachusetts. It is operated in conjunction with TEA and the Texas governor's office. The program pays tribute to the late Sharon Christa McAuliffe, the New Hampshire English and history teacher chosen to serve as an astronaut on the Challenger Space Shuttle in January 1986.

Virtual reality involves wearing special eyewear to create a three-dimensional imaging system - flat objects pop to life, and the image can be manipulated. Virtual Reality can be either passive, involving the use of 3-D glasses, or immersive, involving a head-mounted device that seem-

ingly project an individual into the action. Talkmitt's proposal focuses on passive virtual reality, but it goes far beyond the basic computers-in-the-classroom scenario.

"My dream is to develop a roller coaster ride, and the students can manipulate the curves and banks," Talkmitt said. "I plan to gather ideas about what simulations can't typically be done in class or are too dangerous for real life - like free fall or an accelerating car." She plans to turn these into lesson plans that will make for educational, exciting, and memorable science and math classes.

As the idea catches on and the program expands, she envisions using it in all disciplines. "Imagine American history coming to life and you 'walk' into the Civil War, take a trip to Old Mexico with a Spanish-speaking guide, or take a trip down the Mississippi with Tom Sawyer or Huck Finn," Talkmitt said.

Talkmitt has outlined four distinct phases for the VESAMOTEX project. The first includes the investigation and purchase of basic equipment. The second will involve students and teachers in the video production of various scientific and mathematical applications. The third will involve all students in the use of virtual reality within the science, computer and math classrooms. The fourth phase will demonstrate the program and other virtual reality possibilities to other schools within the district and throughout the state.

In a letter of recommendation to fellowship judges, Slaton High School Principal James Starkey expressed full support for the program and its future potential. "I have the fullest confidence that

VESAMOTEX will not only succeed here at Slaton High, but that it will become a model program for the state and possibly the nation," Starkey wrote.

The program and needed software costs far exceed the McAuliffe Fellowship grant, but Talkmitt is determined to make the project work. She is attempting to secure \$25,000 in computer equipment and \$5,000 in software, and she is planning a trip to the San Francisco Bay area to investigate software options.

Talkmitt's passion for computers is a family affair. Her brother, Ed Brass, who is an aero-space engineer, is helping her to develop the project; and her father, a former educator, is an avid user of the Internet and Texas Education Network. She, too, enjoys time on the Internet and she credits the computer network system for helping to bring her project to reality.

"Through the Internet I have developed a friendship with Veronica Pantelidis, co-director of the Virtual and Educational Laboratory at East Carolina University," Talkmitt said. The two have discussed the project for about eight months, and Talkmitt credits Pantelidis for helping to put the project together and develop a winning proposal.

"The equipment that this fellowship will provide for us is something that could never be obtained with the budget that we operate under," Talkmitt said. "This fellowship is a pilot project, a dream . . . and idea that I have been given the opportunity to explore."

Allsup's Road Race Set Oct. 21

CLOVIS, N.M. - The Allsup's 21st Annual Fall Road Race is scheduled for October 21. The Road Race is unique since the event offers four different types of races including a 1/2 marathon, 10,000 meter, 5,000 meter, and one mile run. Since its inception in 1975, with only seven runners participating, Road Race registration has grown immensely. Over 350 runners are expected to participate this year. The Road Race offers widespread appeal since the versatility of the four races makes it a fun event for not-so-serious and serious runners alike.

The course consists of a flat, asphalt-surfaced loop. Elevation in Clovis is 4,280 feet. The average temperature range at the time of the race is 50 to 70 degrees. Classes offered by the race this year include men's and women's divisions (by age) and are 0-14, 15-19, 20-29, 30-39, 40-49, 50-59, and 60+.

Entry forms are available at all Allsup's store locations. Interested persons can also call the Allsup's corporate office at (505) 769-2311 and ask for Dawn DeHain. Completed entry forms should be mailed with a check to Allsup's Convenience Stores, Inc., P.O. Box 1907, Clovis, New Mexico 88101. Registration fees are \$8.00 through October 18 and \$10.00 thereafter.

All four races will commence at 8:00 a.m. M.S.T. from 21st Street and Thornton. Runners should be at the Clovis High School stadium to check in at 7:30 a.m. M.S.T. Aid stations are available at three mile intervals with water and Gatorade. The race offers computerized timing and results. Complete results can be mailed to all runners.

There will be a Centennial Souvenir booth for anyone who would like to purchase any of the items that were left from the Centennial. The complete history book of Rhineland, "Century Of Faith" will also be on sale. The book contains the two earlier histories of Rhineland, plus a very thorough history of the past 25 years. This will be a good time to purchase these items.

Members of the Knights of Columbus and St. Anne's Christian Mother Society would like to invite everyone to attend.

Benjamin News

By Gladene Green

Wow! We have had a rainy day today (Monday). After dawn-ing, beautiful and sunny, the rains came about 8:30 and before it was over, we had had an inch - plus. Didn't really need it, but guess we'll take it because there's not much we can do about it. And all my life, I have heard, "We never want to turn down a rain here in Knox County." Guess that still holds true . . .

Sympathy is sent to the family of Zula Conner, who died last Friday night, September 22. Zula lost a long, hard battle with cancer, spending the last month in the Knox County Hospital. Her funeral was Sunday week here in Benjamin.

SPORTS

The Benjamin High volleyball tennis doing great so far! They hope to continue their winning ways and hopefully if all keeps going well, they can.

The Mustangs suffered defeat to the hands of Rochester Friday night. The final score was 48-28. But the boys did their best and we are always proud of them - win or lose. They, (like the girls) are a great bunch of kids.

ABOUT THE ILL

Nora Hertel is a patient in the Knox County Hospital. Reports toay are that she is feeling better and may be able to return to Leisure Lodge at Munday soon.

Leroy West is having some

problems. He is to go to the doctor in Abilene Wednesday to determine what course of treatment is next.

And Bud Clower continues to progress - That's very good news!

Carla Porter's father who lives in Waxahache is doing better but has some rough days ahead. He has been diagnosed with cancer. We urge you all to remember these friends in prayer.

HERE 'N THERE

Among the out-of-town relatives here for the funeral of Zula Conner were Teenie Conner and Peggy Haley and family of Fort Worth, Hazel Nesbitt and Shirley Mooney of Weatherford, Jeff Conner, Stacy Eldridge, Jim Bob Conner, Buster and Angie Redwine and Stephanie Conner, all of Lubbock; Keith, Pam and Casey Conner, Beckie Huett and LaVon Saunders of Big Spring, Matt Brown, Travis Brown Jr. and Zack Brown of Trenton, Georgia, Megan Brown of Vernon, Kim Moore, Samijo and Shelby of Spur, Joe Nunley of Dickens, Mike and Collette Young of Seymour and Mr. and Mrs. Jimmy Redwine and family of Boise City, Oklahoma.

Weekend guests of Ruth Ressel and Jo and Dub Cartwright were Ruth's brother and family, Mr. and Mrs. Barney Castleman and Lonnie of San Antonio. They were enroute home

from a trip to the Northwest region of the U.S.

Visiting Odessa Cox a few days last week were her daughter and family, Reba and Charlie Morrill of Humble, Leslie Morrill of Houston and Charlie's father, Don, who lives in North Carolina. The elder Mr. Morrill had just celebrated his 85th birthday and they were returning from a trip to revisit his birthplace in Nebraska.

James and Melba Redwine of Sherman and Bill and Judy Steadman of Savoy visited friends here last Sunday and attended the funeral of Zula Conner.

Katrine King of Killeen was a Benjamin visitor a few days last week. She got to see her grandson, Wade Pierce, play ball on Friday night.

Bobby Brannan of Lubbock visited his mom, Gertrude, last weekend.

Larry and Gayle Neal were in Chillicothe last Sunday to see their son, Ernest, in concert. Ernest (for those who don't know) is a very, very accomplished pianist and soloist.

My girls, Debbie Taylor and Diane Bell and families of Childress visited me briefly on Sunday and attended the funeral of Zula Conner.

Bill and Dorothy Spikes visited his aunt in Midland last Friday.

Benjamin Academic "A" Team

First Six Weeks

Criteria For Selection: Students qualifying for the Academic "A" Team must have more report card grades above 90 than below 90 and no grade below 80.

Twelfth Grade: Bonnie Bohannon, Riley Carver, Tacy Condron, Michelle Conner, Zeke Duke, Edward Estrada, Jason Patterson.

Eleventh Grade: Rachel Duke, Audra Neal, Julie Welch.

Tenth Grade: Bobby Condron, Cathy Rainwater.

Ninth Grade: Gina Bolanos, Lacy Carver, Hardy Coffman.

Eighth Grade: Carmen Acevedo, Lynne Moorhouse.

Seventh Grade: Toby Rainwater.

Sixth Grade: Sandra Acevedo, Kimberly Beck, Ashley Cartwright, Elizabeth Moorhouse, Laura Neal, Jane Ann Penman.

Fifth Grade: Matthew Coffman, Adam Eddy, Pate Meinzer.

Fourth Grade: Ashley Bufkin, Tyler Collins, Andrew Coplen, Kyle Kimmell.

Third Grade: Maria Acevedo,

Clint Beck, Laura Benson, Matthew Cartwright, Jessica Moorhouse, Chance Propps, Malia Smith.

Second Grade: Kevin Porter, Shaylee Propps.

First Grade: Kerri Beck, Sadie Benson, Josh Bufkin, Brittany Kuehler, Kaidyn Kuehler, Jenna McCanlies.

CAPITOL REPORT

VOTERS DECIDE BOND ISSUES IN NOVEMBER

During past elections, amendments pertaining to bond proposals almost always called for the issuance of bonds to supply funding for different programs, however, this year's ballot will be a little different. In addition to the routine bond proposals, there are also amendments that would broaden the use of bond monies for one program and even reduce the amount of bonds authorized for another.

Amendment Number 1 seeks the voters' permission for the Higher Education Coordinating Board to issue \$300 million in general obligation bonds to provide educational loans to Texas students. The first such proposal to provide student loans in Texas was passed back in 1965 and since then a number of other bond proposals have been passed providing similar assistance to Texas students through such programs as the Hinson-Hazelwood College Student Loan Program. Repayments of the student loans are applied toward the retirement of the bond. Although the state is ultimately responsible for repayment of the bonds, the program has always been self-supporting. Arguments against the passage of this amendment include the fact that the bonds are considered as state debt and that financial assistance for students' educations is primarily the responsibility of the private sector. Others, however, feel the program is needed to insure a well educated workforce to lead Texas in to the 21st century. The Higher Education Coordinating Board has indicated that without these additional funds, they will be unable to meet the anticipated loan requirements for the 1996-97 academic year and beyond.

Amendment Number 3 would allow the use of the \$200 million of existing bond authority of the farm and ranch finance program to fund agricultural loans in Texas. The program would be aimed at providing a funding source for innovative agricultural businesses in Texas. Arguments for the passage of the amendment include the increased development of agricultural industry, especially in rural areas, and allowing greater diversity in the use of the funds. Opponents argue that the money should be left for the sole use of providing loans for the purchase of farm and ranch land and that many of the businesses eligible for funding are often high risk and pose too great a default risk for the state to loan money.

Amendment Number 5 would allow the issuance of \$500 million in general obligation funds to fund the Veterans' Housing Assistance Fund. The program was originally created back in 1946 and has provided low interest loans to Texas veterans since that time. Arguments for this proposal include program's record of being self-supported and the benefit it provides to veterans who have served our country. Opponents point out that the state is ultimately responsible for this debt and should carefully consider adding additional bond authority to the program.

Finally, **Amendment Number 7** would actually reduce the amount of bonds authorized for undertakings related to the superconducting super collider research facility. Due to the termination of this project by Congress, the need for this funding was eliminated and recently a deal was made for the federal government to repay much of the state's investment in this project. This amendment merely seeks to officially reduce the amount of authorized bonds to improve the state's total potential debt. Critics would argue that this amendment clutters the ballot and is unnecessary, while supporters point out that reducing the amount helps improve the state's bond structure and rating, thus resulting in lower interest rates on future bond issues.

I hope that this information will be of assistance to you as you study these important issues as you prepare to cast your vote during the upcoming election, and remember no matter which side of the issue you support, please make your voice heard by voting on November 7.

(Editor's Note: Next week's segment will provide information regarding the proposed amendments concerning ad valorem tax exemptions.)

Greyhound Band News

By Ray Weaver, Director

On Saturday, September 30, 1995, Laurie Casillas, Anna Marie Waldrip and Erin Mongrain represented Knox City High School at the UIL Twirling Contest held in Early, Texas. Each student had to prepare an original twirling routine to a selection of music of their choice. It had to include many fundamental aspects of twirling as well as exhibit good construction in the routine. Each student did very well. For Anna Marie

and Erin it was their first attempt at contest. They both received a Division II rating and an understanding of how the contest is held. Laurie attended her third competition and again received a Division I rating which qualifies her to be able to compete at the State Twirling contest held in May of 1996. Laurie has received a Division I rating in both the '94 and '95 contest. Congratulations Laurie, Anna Marie and Erin for a job well done.

The 1995-96 Greyhound "Pride" Band is preparing for Region Marching Contest held in Abilene on October 21, 1995. The band is performing a show to the music from Walt Disney's "The Lion King". Each year the band becomes stronger and more confident in their ability to reach to top of our class.

The band has set a goal to receive a Division I rating at Region and qualify to advance to the Area Competition in Fort Worth the following weekend. If this is accomplished, this will be a first appearance for the Band since the conception of the Area Contest in the mid 1980's.

MICHEAL FRAUSTO

KC Grad Is Stationed In Twenty-Nine Palms

Micheal Frausto, a 1994 graduate of Knox City High School, is now stationed at 29 Palms, California.

Micheal entered the service on August 1, 1994. He completed combat training school on November 23, 1994, in San Diego, CA and on April 14, 1995, completed a tank crewman course at Fort Knox, KY.

Micheal was appointed Lance Corporal on September 1, 1995.

He is the son of Linda Trevino and the grandson of Erma Munoz.

Micheal expects to be home for the Christmas holidays.

MR. AND MRS. KERRY CRAIG WATSON
... the former Tina Louise Crisp

Craig Watson, Bride Wed In Odessa Ceremony

Tina Louise Crisp became the bride of Kerry Craig Watson on Saturday evening, September 9, in the Emmanuel Lutheran Church in Odessa. The Rev. Phil Konz officiated the double ring ceremony before an altar of candelabra and unity candles.

The bride escorted by her brother, Dewaine Fambrough of Midland, was given in marriage by her mother, Mrs. Liddy Morris of Midland.

Parents of the bridegroom are Elloise and Leon Watson of Knox City.

The bride designed her wedding gown and was custom made by her mother. The gown was formal length of soft ivory satin with puffed long sleeves of satin and lace. She carried a bridal bouquet of pink carnations and white roses.

In keeping with tradition for something old, the bride wore an antique watch given by her mother; for something new, her gown; for something borrowed, her earrings from her mother and blue, the bow on her garten.

Tammy Sue Hinson of Crowley was matron of honor for her sister. She wore a pink satin tea length dress. Mindy Fambrough of Midland, niece of the bride, was flower girl. She wore an ecru satin dress and carried an ivory satin basket of pink rose petals.

Taylor Crisp of Midland, son of the bride, was ring bearer. He wore a grey tuxedo and carried an ivory heart shaped pillow.

The bridegroom wore a grey tuxedo with tails, burgundy cummerbund and a pink and white boutonniere.

Ted Espinosa of Knox City served as best man. He also wore a grey tuxedo with tails, bur-

reception in the fellowship hall of the church immediately following the ceremony. A pink satin cloth covered the wedding table with a three tiered wedding cake topped with a bride and bridegroom inside heart shaped lace. The bridegroom's sports cake was at the other end of the wedding table. Punch, tea and coffee were served with crystal and silver appointments along with an arrangement of pink roses. Krystal Hutchinson of Baytown, niece of the bridegroom, distributed rice bags.

Carrie Fambrough of Midland and Kelly Hutchinson of Baytown served.

Parents of the bridegroom hosted the rehearsal dinner on Friday night, September 8.

The new Mrs. Watson is a graduate of Midland High and DelMar College.

The bridegroom is a graduate of Knox City High School and Texas State Technical College.

Following a wedding trip to Red River, New Mexico, the couple will reside in Midland.

Julie Speck Is Inducted Into Honor Society

Julie Speck, a junior kinesiology major at Angelo State University, has been notified that she has been accepted into the Alpha Chi National College Honor Scholarship Society.

Alpha Chi is a co-educational society whose purpose is to promote academic excellence and exemplary character among college and university students and to honor those who achieve such distinction. Membership is extended to the top 10 percent of the junior and senior class. A member must also have at least a 3.75 grade point average.

Julie is also very active with the ASU cheerleading team. This is her third year on the squad and this year she is serving as head cheerleader. She is also a member of the Phi Epsilon Omega Fraternity.

Julie, a 1993 graduate of Knox City High School, is the daughter of Sherry and Danny Speck. She will participate in induction ceremonies on October 16.

Bible Teacher
KEITH LAMB

Dr. Keith W. Lamb is co-pastor of Grace Bible Chapel in Kerrville, Texas. He received his B.A. in Christian Education and later his D.D. from Trinity College in Clearwater, Florida. He then earned his Th.B. and B.D. from Florida Beason College of St. Petersburg, Florida. He served on the faculty of both institutions as well as at other Bible colleges. Keith has also pastored in both Tampa, Florida, and Comfort, Texas. He has traveled throughout much of the United States in planting churches. Keith and his wife, Yvonne, have four grown children.

Everyone is invited to hear Dr. Keith W. Lamb teach. Dr. Lamb will speak at these services:
Saturday Evening - 7:30 PM, October 7
Sunday Morning - 10:30 AM, October 8
at

The Believers' Chapel
of Knox Prairie
Ten Miles East of Knox City on Munday Highway

Home Remedies.

Tips For Your Home That Make Good Cents.

Cure the energy bill blues and cut your heating and cooling costs. Try these simple Good Cents Home Remedies.

Overdraft Protection.

Small cracks and holes in your home can leave it feeling damp and drafty. Reduce the amount of energy you need to heat and cool your home. Caulk and weather-strip around windows and doors. It saves money, because it saves energy. And that's good for the environment, too.

Batt'er Up.

Add an extra layer of batt, loose-fill, or roll-out insulation in your attic. It can cut energy bills by as much as 8%.

Open Up.

On a hot day, attic temperatures in your home can reach 160° or more. Make sure your home has proper ventilation. And breeze through the dog days of summer.

Easy, low-cost Good Cents improvements like these can make your home more energy efficient — boosting comfort, and saving you money. It's good for the environment, too.

Helping you get more out of your energy dollar is part of what we do at WTU. Why? Because we work for you! Find out more. Abilene (915) 674-7466 Childress (817) 937-8221 Marfa (915) 729-4329 San Angelo (915) 657-2731

The Am. Journal of Public Health says the total national bill for Alzheimer's Disease is \$82.7 billion in medical & social service expenses, unpaid caregiver costs, nursing home costs, and lost earnings and productivity.

A St. Louis study found that depression in the elderly is four times as likely to cause weight loss as any other factor. The study followed 156 people and found that depression was linked to weight loss in 36%.

Knox City High School News

SENIOR CLASS NEWS

By Laurie Casillas

A new school year has begun; therefore, a new senior class has arrived. We are very enthusiastic about what this year has in store for us.

The year started off with elections of officers. Our class officers are Wes Grimsley for President, Ivan Barretto for Vice President, Kristi Richardson for Secretary, Al Rios for Treasurer and Laurie Casillas for reporter. Our Senior Student Council members are Joseph Logsdon (president), Duane Toliver (treasurer), Brian Rosencranz, Kristi Richardson and Laurie Casillas (secretary). Kristi Richardson and Lance Dever are class favorites.

The senior class took a trip to Wichita Falls on September 13th for a career day. Many exhibits and displays informed our class about various subjects and were kind enough to send us home with promotional items such as keychains, pens and bookcovers. Before the trip home, we went out to eat at Cici's Pizza.

Joseph Logsdon and Duane Toliver were the two seniors who participated in the Vernon speech tournament on September 23. Joseph entered the tournament in extemporaneous speaking. Duane Toliver also entered in extemporaneous speaking and made it to the finals. Congratulations, Duane!

The Gifted and Talented Program is composing a type of newspaper for the students. It will contain UIL events, sports and many other things to encourage and recognize our students.

Our Knox City Greyhound Pride Band is working hard to get their contest routine ready to perform on October 21 in Wylie. The band will be performing songs such as "I Just Can't Wait To Be King", "Hakuna Matata", and "Circle of Life" from Disney's The Lion King. The Greyhound Pride's twirlers and Erin Mongrain had twirling contest on September 30. Attending were Anna Marie Waldrip, Erin Mongrain, Laurie Casillas and Ray Weaver. All of the twirlers performed solos. Anna and Erin received a II and Laurie received a I. Laurie will be going to state in May.

The Hounds and Houndettes are working hard to get the job done. Good luck on the future games.

JUNIOR CLASS NEWS

By Amanda Baker

We are going 90 to nothing. Everyone has been busy, busy, busy. Our junior class has recently had two meetings. On September 12 at 10:30 a.m., Diana Estrada, our president, called the meeting to order. We had a total of twenty-two present. Mrs. Cude, Mr. Risinger and Coach Johnson, our sponsors, were present also. We discussed working in the concession stand at the September 22nd football game here against Haskell for a money making project. We are having fundraisers to make enough money for our Junior/Senior Banquet and prom.

On September 29th at 9:00 a.m. in the library our junior class had our second meeting. Our sponsors handed out our new student handbooks and our report cards. We are responsible for getting

our report cards signed this year. We have several new laws. Mr. Hines, our principal, explained the handbook and informed us that the concession stand was a success. We brought in quite a bit on money from that project. We were also told to be thinking of some other fundraisers for our class. We are looking at several dates for the banquet and prom. We are currently trying to decide on colors and a theme so we can order supplies soon. Four members of our class have just gotten back from a FHA trip to the State Fair in Dallas. It was a blast! Our volleyball girls are now 1-1 in district standings. Our band members are practicing hard for marching contest October 21. The football games are getting more exciting each week with the hard work our football guys. Several juniors participated in a UIL contest at Vernon, September 23rd.

The junior class has been kept very active in all kinds of school events. Our class has been showing that school spirit by participating in all of the school activities. It has been said by many "I wonder if I am going to survive the rest of the year with so much to do and so little time" and I'm sure we'll here it some more! Until then . . .

FRESHMAN CLASS NEWS

By (Freshman Reporter)

Anna Marie Waldrip

The beginning of this year has already arrived and flown by! The Freshman Class of 1995 came into high school not knowing what to expect and come to find out, it's really not that much different. We know that we have taken a higher step in our lives and everything that goes on here will affect our future in many ways. So far, it has been a great year and we're already faced many challenges but that's what we're here to overcome and defeat. Of course, we have finally gotten over being called a "Fish", but we definitely knew we'd have to deal with that! The school work is more complicated than usual and eventually we will catch on.

To start off, I am going to introduce the Freshman who have been working hard at volleyball: Brook Tankersley, Stephanie Rios, Julia Webb, Tamara McGaughey, Cristine Hernandez, Vallerie Rodriguez, Vanessa Rodriguez, Kristy Short, Magali Sanchez, Shawna West, Gloria Nevarez, and Anna Marie Waldrip. Next we move on to the class officers: President - Vanessa Rodriguez, Vice President - Britannia Dempsey, Sec/Treasurer - Vallerie Rodriguez, and Reporter - Anna Marie Waldrip. We would also like to congratulate our new freshman members of the student council who are Cris Bartley and Emily Pruett. Last but not least, the freshman guys that are playing football are: Scott Munoz, Roman Munoz, David Speck, Jay

Sliger (injured at this time) and R.J. Pedroza. "Good Job Guys!" "Hang in there!" We would also like to say a "Good Luck" to the Freshman who are in the Greyhound Price Band and "Hakuna Matata" all the way!

Well, this now concludes the Freshman Class News, and be sure to read our next additions every week.

FHA NEWS

By Amanda Baker

Our 1995-96 after school FHA group met Monday afternoon in the homemaking department. We elected our officers. They are as follows: President - Erin Mongrain, Vice President - Sheri Wilson, Reporter and Photographer - Amanda Baker, Secretary and treasury - Amanda Hollingsworth and main board manager - Jonathan Rizan. We met with a salesman. He told us about selling chocolate and other items. We chose to sell chocolate for a money raising project. Anyone that ordered from us we really appreciate your support. The chocolate should be in around October 15th. We also decided on the name of our club. We thought long and hard and we came up with "The Best". It's original! We were fortunate enough to get to take an overnight trip to the State Fair in Dallas. We all had a blast. We had seven members that went. We had a great time. Shea Edmonds, our sponsor, also went. We look forward to a great year. We have many more exciting ideas. We're having fun, how about you?

FFA NEWS

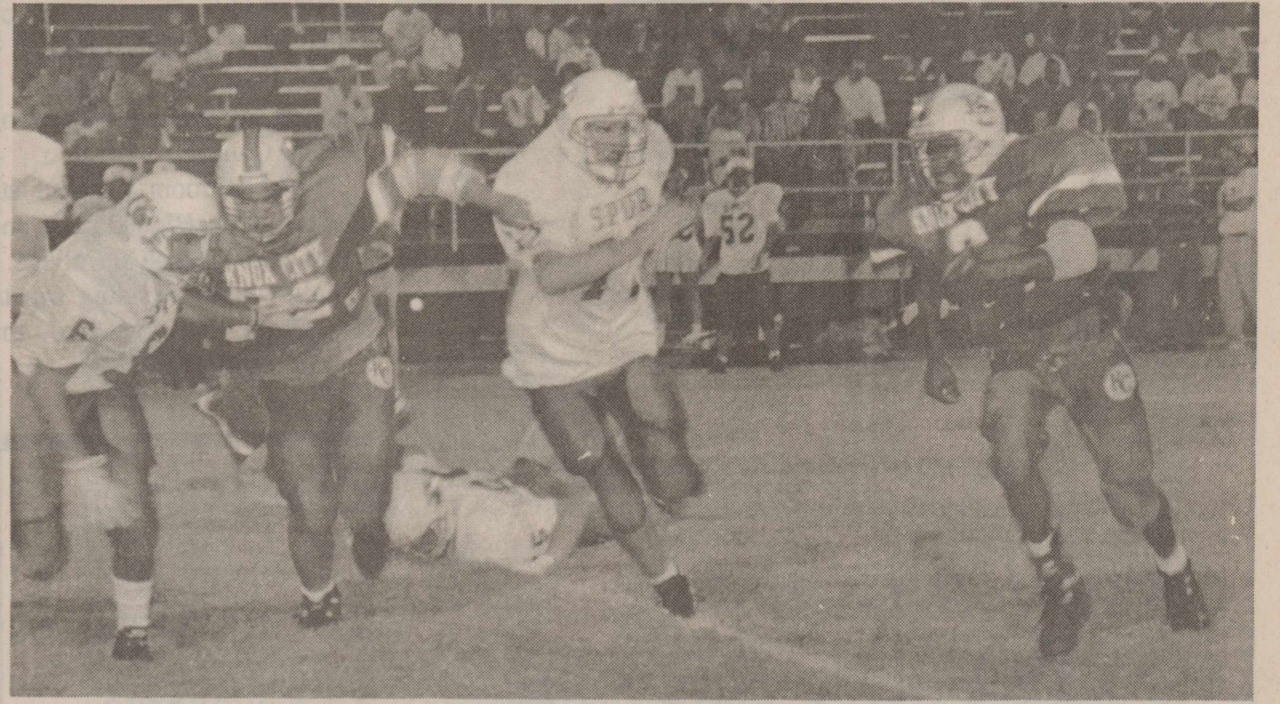

By Amanda Baker

We have started our year off on 9-26-95 with new officers. They are as follows: President - Adam Carver, Vice President - Jeremy Eaton, Sec. - Stefani Stephens, Reporter - Amanda Baker, Treasury - Micheal McGaughey and Sentinel - Lance Dever. Our sponsor is Mr. Burkham.

In our ag classes we are improving facilities at the ag farm. The guys are showing the girls how to drill, weld and cut, while the girls are keeping the guys in line! Members that show animals are getting ready for the shows. Several of our members that show pigs are trying to make all of the pig sales to find the right show pig that has it all. Those interested in showing pigs, rabbits, or broilers under FFA, can contact Mr. Burkham or Mr. Dillon. We are fixing to start our annual fruit sales. We have two new items that that have been added to our fruit sales.

Happy Trails, Partner Until We Meet Again . . .

BILL'S HINESight.....By High School Principal Bill Hines

UNITY

I dreamt I stood in a studio
 And watched two sculptors there.
 The clay they used was a young child's mind
 And they fashioned it with care.
 One was a teacher -- the tools he used
 Were books, music and art.
 The other, a parent, worked with a guiding hand,
 And a gentle loving heart.
 Day after day, the teacher toiled with touch
 That was deft and sure.
 While the parent labored by his side
 And polished and smoothed it o'er.
 And when at last, their task was done; They were proud of what they had wrought.
 For the things they had molded into the child, Could neither be sold nor bought.
 And each agreed they would have failed, If each had worked alone.
 For behind the teacher stood the school, And behind the parent the home.
