**Christmas Parade** set for 2:00 PM this Saturday

The annual Knox City Christmas Parade sponsored by the Chamber of Commerce will be held this Saturday, beginning at 2:00 p.m. Scheduled to begin with a line up at

the Knox City High School parking lot at 1:00 p.m., the actual parade will begin at 2:00 and move through the downtown business district before returning to the school and disbanding there.

With a theme of "Christmas - A Celebration," the 1997 version of the Knox City Christmas Parade will once again feature Santa Claus arriving in Knox City. Each year Santa shows up and arrives in a different manner that is always a surprise to those watching the parade. Although we have tried to find out how he will arrive, the NEWS staff has not had any luck in learning the secret ahead of time this year.

Everyone is invited to participate in the parade, and all entries are more than welcome. The chamber asks that those putting together entries follow these simple guidelines:

(a) Please do not place a Santa on or in your entry as the Chamber has already made arrangements for Santa in the parade.

(b) Safety is a major concern and all entrants are asked to stay within the parade route while keeping a sharp eye out for children. Throwing candy from floats onto the street is not a good idea as it causes children to run out into the parade route in front of other floats or entries.

(c) The parade lineup and traffic control will be handled by the Knox City Volunteer Fire Department and area law enforcement officers. All entrants and spectators are asked to please follow any directions given by these officials.

(d) Parade entrants are reminded to slow down and keep the parade moving at a 'Crawl" speed. This allows both the spectators and the judges time enough to view each entry.

(e) A completed entry form must be turned in at the line up area. Information contained on the form will allow the announcer to describe the entry as it passes by the judges in the downtown business district.

(f) The parade entry fee this year is either a NEW toy or a donation of \$5.00. Both the toys and money collected will go to the Knox County Child Welfare Board for needy area children at Christmas. This method

of collecting toys helps to insure that all area children have a good Christmas.

We hope to see you Saturday at the Christmas parade, come join us !!

### Chamber's Christmas 'Tour Of Homes' will be Tuesday evening at 6:00 PM

Christmas activities in Knox City are highlighted this year with the Chamber of Commerce sponsored 'Tour Of Homes' scheduled to begin next Tuesday, December 16, at 6:00 p.m.

Designed as an informal tour of featured area homes to celebrate the Christmas season, the Knox City Chamber of Commerce is proud to offer this event for placement on holiday calendars.

As the tour progresses from one house to another, those attending will be able to enjoy a 'progressive meal' that features a different holiday food item at each stop.

Featured homes on the tour this year are those of Birdie & Bobby Joe Helton, Tonya & Clint Lewis, Peggy & Jerry Guinn, Shea & Scott Edmonds, and Tammie & Jim Dillon. Each home on the tour will be decorated for the Christmas season.

Those in the area who would like to go on the Tour of Homes are reminded that advance reservations are needed in order for the Chamber of Commerce to plan enough food. Because of size limitations, the tour will only accommodate fifty persons. Tickets for the event are \$10.00 per person and may be obtained by calling Chamber Manager Doris Crownover at her office, (940) 658-3442. Your advance reservations must be made with the Chamber of Commerce by this Friday, December 12.

The weekend was chilly and damp but gave us an opportunity to stay in and take care of those indoor jobs. Wrapping, card writing, baking, etc., that goes with this time of the year. It won't be many days now 'til the "hurrying and skurrying" will cease and we will start all over again. The same pattern follows year after year.

We have some reports on those in the community who have been ill or in some way out of circulation due to illness.

Gloria West was to undergo surgery today (Monday) at about 7:30 a.m. in Abilene. If all goes well, she will only be in the hospital overnight and will return hone Tuesday.

Leola Isbell, mother of Louise Hertel, was admitted to the Knox County Hospital one day last week after suffering what the doctors thought might be a stroke. She is better and if things went as planned, she was to go back to the care home yesterday (Sunday).

Ruth Ressel still has some good days - some not so good. She's out and around some, but does have to take it pretty easy.

Former resident, Louise Hall, now residing in Vernon, has been in a Lubbock hospital several days. Underwent surgery and then discovered she has some heart problems. She has been quite ill and I have no real recent report on her but do hope the next word will be an encouraging one.

I solicit your prayers in behalf of these friends.

New Arrival - She's Paige Alyssa and she's the brand new baby daughter of Phil and Rebekah Boone. She was born Sunday morning at 8:00 a.m. at Hendrick Medical Center in Abilene. She weighed five pounds, twelve ounces, and was 18 inches long. Grandparents are Dennis and Pam Duke of Benjamin and Sherry Henderson of Mineral Wells. Great-grandparents are Clifford and Alma Jean Boone of Vera and Nora Duke and Kenneth and Jessie

Roberts of Benjamin. And this young lady will get lots of spoiling as she has lots of uncles, aunts and friends that will do their part. According to family members, all the Boones are doing well.

Note - The gates at the cemetery have been left open repeatedly and the ones who are leaving them open are asked to please shut them when you leave out. Livestock roam out there at tines and do damage to the graves and tombstones and there's not too many here in town who take the time to check these problems out and if they exist, then try to correct them. So please, if you open a gate close it and if you are out there and see one open, please close it. We appreciate it!

Here 'N There - Not much going on as far as visiting goes right now. Guess everyone is "saving up" for the holidays.

I was in Childress Friday night and Saturday. Went up for that Munday-Wheeler semi-final game. Tho Munday lost, they had a good season and my personal congratulations to the team and coaches for their accomplishments.

Mike House of Mansfield visited Earlene Meinzer and other friends here on Sunday after-

Thanksgiving guests of Jack and Mary Young were their son and his wife, Jackie Jr. and Cindy of Commerce. Jack and Mary spent this past week in Haltom City with their daughter (Debbie's) children while Debbie and her husband were out of town on a business trip. During the weekend, Jack and Mary attended the state playoff game where Jackie Jr.'s school, Commerce, was playing at Texas Stadium. Jackie Jr. is principal of Commerce High School. Commerce won the game and will be playing Aledo in the semi-finals this week in Garland.

Debbie Clower and family spent the weekend after Thanksgiving with relatives and friends in the Dallas area. Debbie is in Abilene today to be with Gloria West for her surgery and reports are that

Gloria is doing well.

Charles and Joy Jones are in Vernon today to watch their grandson play basketball.

Maretha Bivens and Sharon Johnson spent Thanksgiving with Leon and Karson Bivens in Tatum, New Mexico. This past weekend. Martetha and Sharon were in Wellman to "tend" Sharon's grandkids while their parents were busy with school "things". Suzanne (Sharon's daughter) is a teacher at Wellman.

#### **Fort Worth rites** are held for Ike Hudson, 97

Issac L. (Ike) Hudson of Fort Worth died Friday, November 28, after several months illness.

Ike was the eldest child of the late Ike Sr. and Carrie Hudson of the Gillespie community. He was born in Penelope, July 7, 1900, and moved to Knox County at an early age.

His wife of 63 years, Emma Bell, preceded him in death.

Survivors include a son, William Beasley and a daughter, Gloria Ann Thorton, both of Fort Worth; five grandchildren, 13 greatgrandchildren, and two sisters, Neoma Savage of Arlington and Lillian Rae Verhalen of Knox

Mat, Lillian Rae and Ronnie Verhalen and Mona Joyce Cook were in attendance at graveside rites at Laurel Land Cemetery in Fort Worth on Sunday, November 30.

Anna Rosa Arazia

Pedro and Margaret Arazia announce the arrival of a baby girl born November 25 in a Seymour hospital.

The baby has been named Anna Rosa and she weighed in at six pounds, eight ounces.

Grandparents are Daniel and Anna Arazia and Barbara McKinney, all of Knox City.

Alton and LaUna Hester were in Weinert Saturday night to attend a family reunion for the Hester family and it was held at Wanda and Jerry Floyd's home.

Bro. Bill Trice, Demp Emerson and Dan Talbot were out in the O'Brien church yard Monday afternoon setting up the Christmas decorations for Christmas. Our Thanksgiving decorations really caught everyone's eye and we appreciate those who donated the decorations.

## Pain may be eliminated

(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, jointaches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on liquid form. Arthur Itis, is guaranteed to work or your money back.

# Brown Baggin' Banana Bread Will Make Their Day

With the arrival of back-to-school time, brown-bag season is in full swing. Make a brown-bagger's day by surprising him or her with a couple of slices of moist and flavorful banana bread, or a mini-sized loaf wrapped in a festive bag. Banana bread baked over the weekend will be perfect for Monday's brown bag; it actually slices better the second day. Tightly wrapped, it always travels well. And this moist bread won't make a mess, even when eaten on the run.

"Making banana bread is easier and faster than ever when using Pioneer Biscuit and Baking Mix. Ingredients in the mix add to the moistness and flavor of the bread, and eliminate the need for many ingredients in this recipe," says Shan Burger, research and development specialist for Pioneer Flour Mills.

something for the bake sale. We

sold almost everything. We used

the money that we made to go on

a learning experience to the

Abilene Zoo. Going to the zoo

was fun; seeing the animals and

learning about them at the same

time. After that we went to Mr.

Gatti's. We had fun stuffing our-

selves with pizza, salads, pastas,

and all kinds of desserts. Then

Mrs. Chappell gave us each four

tokens. We got to do anything we

wanted with the tokens. When we

got our tickets with the games we

played we took them to a table

where we could see what we

wanted to buy with our tickets.

Then we had to leave. We really

had a fun time at the Abilene Zoo

and at Mr. Gatti's. That is what

happened in the fifth grade.
