Local Man Elected President Of International Breed Group

O. C. Rampley, who has been raising Beefmaster cattle since 1968, recently was elected to the position of president of the Foundation Beefmaster Association. FBA is an international organization of purebred Beefmaster cattle producers whose headquarters is located in Denver, Colorado. Other officers elected were Gerry Holmes, Falkville, Alabama, vice president; Barbara Truitt, Sheldon, Missouri, secretary, and Jed Flake, Snowflake, Arizona, treasurer.

Beefmasters are a unique American breed of cattle that have, in recent years, found world-wide acceptance both with feedlot operators and commercial cattlemen.

The Foundation Beefmaster Association held its three-day 21st Annual Convention in Phoenix, Arizona. This year's convention featured an excellent panel discussion that centered on the growing controversy surrounding multiple use of public lands. The panel, moderated by William J. Broussard of Melbourne, Florida, consisted of Wayne Hage, one of the nation's foremost authorities on property rights and author of the book, "Storm Over the Rangelands"; Jake Flake, prominent Arizona rancher and first-hand authority on the ever-

Jamboree Show Is 'Great Finale' to 1992 Season

County Receives Performance Reward Funding

The Texas Department of Criminal Justice-Community Justice Assistance Division recently notified the Briscoe County Judge's office that the county will be the recipient of \$52,130.70 in Performance Reward Funding for 1993.

Statewide, 227 counties submitted data to compete for eligibility in the 1993 Performance Reward Program. The top-scoring 127 counties in the state received funding. Briscoe County was the third-highest scoring county of the 227 who submitted data.

The Performance Reward Program was initiated to encourage and reward counties to use alternative means to incarceration, such as community service, pre-trial diversion, work-release, and other community-based justice programs. The funds must be used within the guidelines established by the Department of Criminal Justice, which can include literacy training, drug and alcohol rehabilitation, drug and alcohol education and intervention, and law enforcement.

Saturday, December 5, the Caprock Jamboree has a show scheduled that could easily be called "The Great Finale for 1992."

The entertainment will include Dale Glasson and Company and The Gospelheirs. Both of these groups are from Amarillo and will be making their first appearances on the Jamboree.

I-30 Express from Dallas will be making an encore performance. This is the "top-notch" bluegrass band that was here a few months ago. The organizers take special pride in presenting this group back because one of the members of the group, Allen Thomas, happens to be a "hometown boy." He is the son of Buck and Violet Thomas.

Brady Black, the young fiddler from Plainview, will be making a repeat performance also.

If everything works right, Six Pounds of Music, Straight from the Heart of the Ozarks, will be on the show.

The Country Sounds will help to make a great night that you won't want to miss.

The hamburger supper beginning at 6:00 p.m. will be served by the Quitaque United Methodist Church. Be at the showbarn in Silverton at 7:00 p.m. for another great Caprock Jamboree!

Holiday Home Tour Set Here Sunday, Dec. 13

Make plans now to attend the "Home Tour of the Holidays" on Sunday, December 13, beginning at 7:00 p.m. The event is sponsored by the Progressive Extension Homemaker's Club and is open to the public for a cost of \$1.00, which will allow visitors to view all three houses and attend the Christmas Program which will be given by Ronda Alexander, County Extension Agent.

The tour will begin with visits to the home of the Mickey Smith family which is located west of Silverton, 1½ miles north on FM Road 3030 and is the first house on the left, and the home of the Dewey Estes family, located at 1102 Commerce Street. Either house may be viewed from 7:00 - 8:00 p.m.

The final stop will be at the home of the Brad Ziegler family at 202 North Loretta, where light refreshments will be served. At 8:15 p.m. the Christmas Program will begin.

For more information, you may contact the Briscoe County Extension Office at 823-2131.

Miles Comer and Michael Reagan are two of the Silverton Scouts who will be calling on your business and home today (Thursday) to ask you to subscribe or renew your subscription to their flag service. This is the main money-making project the Scouts have, and this helps provide money for supplies they need. In turn, they place a flag at your home or business on major holidays and Saturday of the county celebrations. They need your continued support.

Shelter Belts helpful In Blocking Wind and Drifting Snowstorms

by Scott Strawn
 Briscoe County Extension Agent

When you think of shelter belts or windbreak trees, people often think of hot windy days and blowing dirt.

Windbreak trees really are helpful in blocking snow from drifting around houses, driveways and in roads.

If you have had trouble lately with snow drifting up and blocking travel, you might consider planting some windbreak trees.

Now is the time to make note of where the snow usually drifts up and causes problems either by writing it down or taking a picture. If it seems consistent with every heavy snow then windbreak trees could be the answer.

Helping Farmers Stay on Top is Our Top Priority

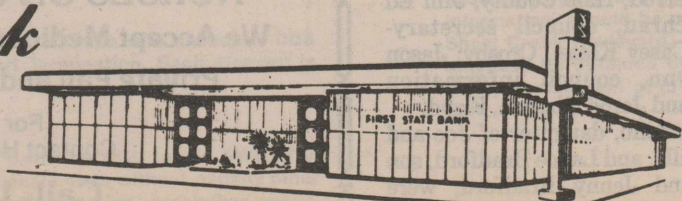

Nothing is as important to our local economy than the success of our farmers.

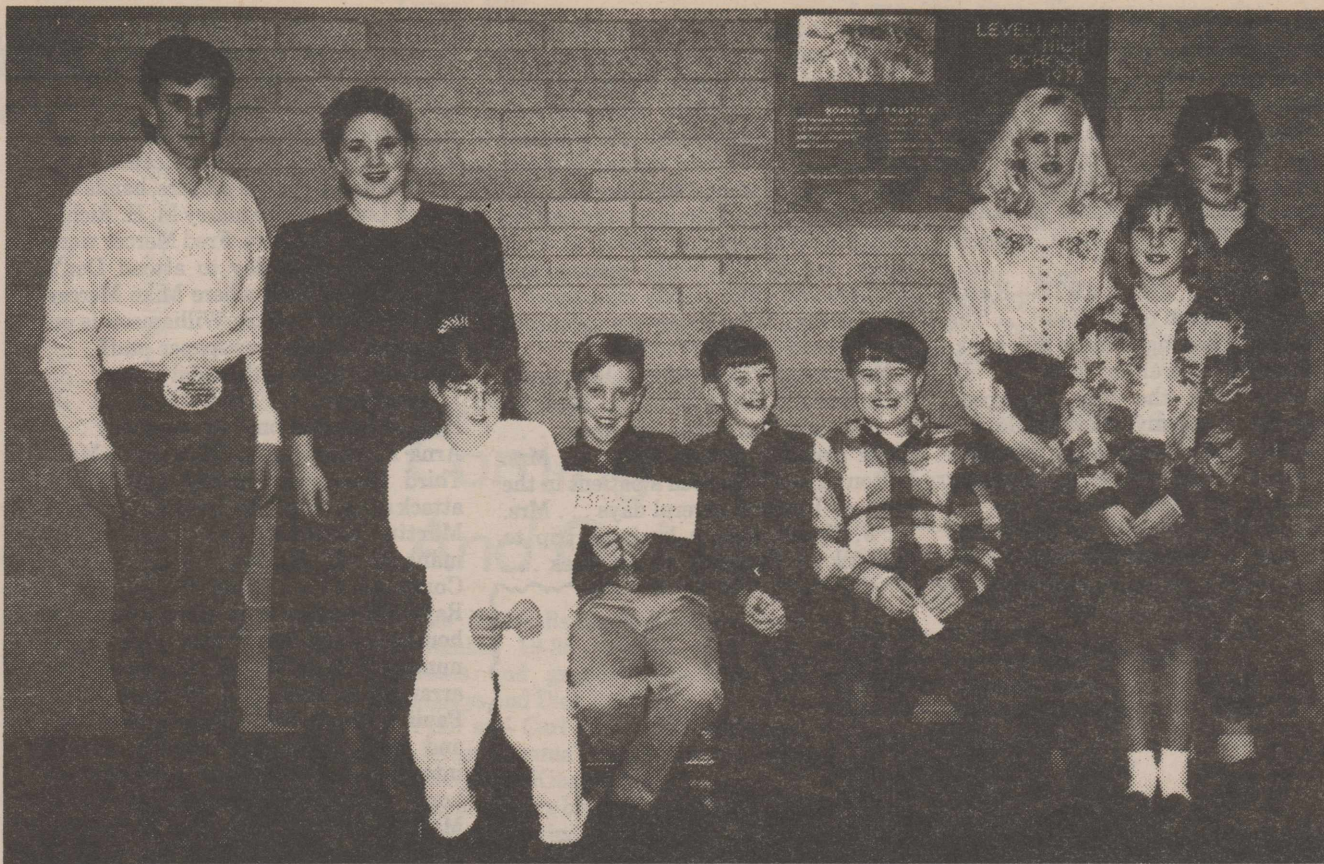

That's the reason we work hard to understand the problems they face, and meet those challenges with carefully developed strategies.

And that's the reason more farmers look to us for financial services.

Youths Receive Top 4-H Awards

Thirty-five outstanding members of 4-H Clubs across the South Plains were honored in Lubbock Monday, November 23, at the 35th annual District Gold Star Banquet.

In addition to receiving the Gold Star Award, highest honor presented at the county level by the youth organization, the youth heard Dr. Lynn Thibodeaux, assistant director for 4-H and youth with the Texas Agricultural Extension Service, trace past successes and future challenges of the program.

Four-H is the youth development program of the Extension Service, an educational arm of the Texas A&M University System.

Joining the youth at the event at the Koko Palace were parents, government officials, Extension Service faculty, fellow 4-H'ers, educators and other community leaders. The event has been sponsored each year by 11 area electric cooperatives, Bailey County, Caprock, Deaf Smith, Dickens, Lamb County, Lea County, Lighthouse, Lyntegar, Midwest, South Plains and Swisher.

In those 35 annual banquets, 1,378

winners have been honored with the Gold Star Award in the presence of more than 12,500 guests.

Varsity Teams Finally Play Ball

Silverton's varsity Owls and Owlettes had games scheduled at Lakeview Tuesday night of this week, and it was expected that those games would be played. The teams had not played any games until then, the first cancelled because football continued into the playoffs and the second because of the snowstorm on Tuesday of last week.

The teams are in a tournament at Smyer this weekend, and will be hosting the Owls and Owlettes from Hedley on Tuesday, December 8.

The Owls are scheduled to first-round play at Smyer beginning at 4:30 p.m. with Wilson. The Owlettes also begin with Wilson, at 6:00 p.m. Times were changed from the original schedule so the players wouldn't have to return home so late on a school night.

The other teams in the tournament are Dawson, Patton Springs, Ropes, Loop, Three Way and Smyer.

Junior Owls Open Season With Win

The Junior High Owls and Owlettes traveled to Lakeview Monday of last week for their season openers, and the Owls earned a big 38-17 victory with all 13 players seeing action.

The Owlettes came near a victory, with Kenzie Burson dropping in a field goal in the fourth quarter which tied the score. The Owlettes went on to lose their game, 20-18.

The nine Owlettes, all but two of whom are seventh graders, got off to a slow start in their game, being outscored 7-4 in the first quarter and coming out on the short end of the 17-12 halftime score. The girls rallied in the second half to close the gap.

Scoring was by Lacy Brunson, eight; Kenzie Burson, six; Shauna Kingery, two; Molly Brooks, two.

Others playing for the Junior High Owlettes were Kim Blazier, Carrie

Baird, Amanda Cruz and Trista Davis. The Owls jumped out to a big 10-3 first-quarter lead and extended it to 28-12 before halftime. The Owls dominated the boards and scoring throughout the game.

Scoring was by Arnold Garza, 12; Brandon Sarchet and Trey Wyatt, eight points each; Leland Wood, four; Jon Ivory, Coty Braddock and Andy Bullock, two points each. Others playing in the game were Trey

Ziegler, Will Hester, Jared Francis, Chris Justice, Michael Reagan and Miles Comer. Anthony Gamble is working out with the team, but is still recuperating from the ankle injury he received playing football.

Teams Play Pair Of Games at Naz

Silverton's Junior High Owls and Owlettes traveled to Nazareth for a pair of games with the Swift and Swiftette seventh graders Monday night. The Naz eighth grade teams played games with Levelland.

The Owlettes led off the double header against the always-tough Swiftettes, who are serious players on every grade level. Some of their girls play summer AAU ball, and you can almost pick them out by their ball-handling skills.

The Owlettes don't have any returning starters from last year, but they are learning fast and have the talent to win ballgames. They were outmatched at Naz, however, and lost a 28-6 decision. Lacy Brunson scored all six points for the Owlettes.

Naz jumped out to a 7-0 first-quarter lead and held a 21-2 advantage at halftime. The Owlettes played better defense in the second half, giving up only seven points in the last two quarters. All team members saw action.

The Owls earned a 17-11 victory in their game. Scoring was led by Trey Wyatt's nine points, and other scoring was by Arnold Garza, Brandon Sarchet, Coty Braddock and Andy Bullock, who caged two points each.

Silverton jumped into a 6-2 first-quarter lead, but had a scoreless second period and the Swifts moved to within a point, 6-5. The biggest scoring period was the third, which ended with the Owls leading 15-6.

All players saw action, with a totally seventh grade squad playing during much of the fourth quarter.

The games were good learning experiences for both teams.

Estes-Rowell Marriage Vows Exchanged Here

In an afternoon ceremony on Friday, November 27 at the Rock Creek Church of Christ, Miss Jennifer Estes became the bride of William Brook Rowell. Bro. John Francis performed the ceremony.

Allen Walker Estes of Baton Rouge, Louisiana, Bobby and Tammy Edwards of Amarillo are parents of the bride. The groom is the son of W. D. and Peggy Rowell of Silverton.

Presented in marriage by her father, Bobby Edwards, the bride wore a sheer white silk gown designed with a fitted empire waistline. The bodice was covered with embroidered lace designs of daisies and roses with a Queen Anne neckline. The full sheer sleeves were gathered with with lace-appliqued cuffs. Three bands of satin and embroidered lace daisies encircled her full-length train and embellished the front of the gown. Her fingertip veil of illusion was edged with a rose and daisy lace trim.

For her bouquet, she chose a cascade of mauve silk roses surrounded by white lace and baby's breath showered with mauve and white satin streamers and pearls. This was made by an aunt of the bride, Frances Gamble. The bride also wore a diamond solitaire necklace belonging to her mother.

Highlighting the altar area was a table covered with a crocheted cloth belonging to the groom's grandparents, Aubrey and Mae Rowell, and made by his Great-grandmother Jasper. Atop the table were two silver candle holders and tapers flanking the couple's unity candle, which was encircled by tiny mauve and blue flowers and an arrangement of white roses in a silver bowl. Mauve and navy silk flower arrangements atop stands and baskets of tall greenery flanked the church

Wedding music was provided by LaRue Garvin of Silverton. Soloist

Maebelle Francis was accompanied by John Francis.

LaToya Baker served as maid of

honor. She wore a two-piece dress of fuchsia and white and carried a long-stemmed mauve rose tied with satin streamers. Best man was Jamie Frizzell of Childress. Rhett Montague of Canyon and Kendall Minyard of Silverton seated the guests.

Misty Edwards, sister of the bride, Kelcy and Haylee Simpson, nieces of the groom, were flower girls. Bobby Edwards, jr., brother of the bride, was ring bearer.

A reception was held in the church fellowship hall following the ceremony. Centering the table was an arrangement of white roses.

The three-tiered heart-shaped wedding cake was a gift from Mrs. C. L. Munday, Great-grandmother of the bride. Crystal appointments were used.

Piano Students Plan Christmas Recital

Mrs. Mark Anthony Barker

Hughes-Barker Vows Pledged In November 14 Service

Amy Lynne Hughes and Mark Anthony Barker were united in marriage on Saturday, November 14, at three o'clock in the afternoon at Emmanuel Baptist Church in Waco with Dr. Randy A. Hughes, father of the bride, performing the ceremony before an altar decorated with ivory roses and greenery and lighted tapers in candelabra. Dr. Hughes was assisted in the ceremony by Dan Hughes, Student Minister of the church.

Ivory satin bows decorated the church pews.

The bride is the daughter of Dr. and Mrs. Randy A. Hughes of Waco, and is the granddaughter of Mr. and Mrs. Berton Hughes of Memphis. The groom is the son of Mr. and Mrs. Kenneth N. Barker of Waco.

Given in marriage by her father, the bride wore a floor-length gown of ivory brocade with a rose design, dropped V-waist in front and in back with a princess neckline, and puff sleeves with fitted buttoned sleeves from elbow to the wrists. Covered buttons to the dropped waist in back led to a bow where a chapel-length train was attached. Her fingertip veil of ivory tulle edged with pearls was crowned with ivory roses and pearls. Her hair was tucked neatly into an ivory snood.

She wore a pearl necklace and earclips, and carried a cascade bouquet of ivory roses, lillies of the valley and greenery. For something old she wore a gold bracelet that belonged to her Great-grandmother Renfro that is 100 years old. Her dress was something new, and she borrowed a sixpence for her shoe. Something blue was a blue and ivory garter.

Brandy L. Johnson, school friend of the bride, was maid of honor. Bridesmaids were Laura Oberg, a friend, and Amanda Barker, sister of the groom. Their gowns were ankle length evergreen velvet fashioned with dropped waist in front and back with a princess neckline, puffed ivory sleeves and bows in back. They wore pearls, gifts of the bride. The ensembles were

finished with green bows of the same color as their dresses on their shoes. Their bouquets were ivory roses and greenery.

Robert Mangum III was best man. Groomsmen were Matthew Hughes, brother of the bride, and Ronnie Vaughn. Guests were seated by Derrick Davis, Bill Donnelly and Chris Chlopek.

Wedding music and hymns were played by Charlotte Avolos, pianist, as

guests were seated.

The mother of the bride chose a street-length white suit with cut embroidery work at the neckline. She wore a corsage of ivory roses and greenery. The groom's mother chose a two-piece brocade green suit. Her corsage also was ivory roses and greenery.

During the seating of the mothers, the pianist played the theme from "Man From Snowy River."

Nolene Hawk of Pampa, aunt of the bride, sang "The Wedding Prayer" as the couple knelt on the kneeling bench. After the ceremony, they lighted their memory candle while the pianist performed "Oh How He Loves You and Me," after which Dr. Hughes introduced Mr. and Mrs. Mark Barker.

As the guests moved through the receiving line on their way to the reception in the Fellowship Hall of the church, pictures of the bride and groom from young age to the present time, were displayed.

The bride's cake was a four-tiered almond cream confectionery decorated with roses and lace with tiny pearls around each layer, finishing with a cluster of roses and greenery on the top layer. The cake was made by Frankie Millsap as a special gift to the bride. Vanilla punch was served from a silver bowl.

The groom's table featured Pecan Tassies made by Malinda Spruill, mints and nuts and coffee served from a silver coffee service.

Serving at the reception table were cousins of the bride, Wynell Meeks and Christie Stanhope of Amarillo. Jerry Jo Barker, sister of the groom, presided at the guest book.

Members of the houseparty were Ralph Carpenter, Barbara and L. D. Parsons and Juanita Ware. The traditional throwing of the bouquet and the garter were done before the bride and groom left the reception.

Junior assistants who passed out little ivory bags of birdseed were Carrie McCarver, Shalsta Krumnow and Amy Ware, who also blew bubbles as the bride and groom left the church.

For traveling the bride chose a tailored split skirt of evergreen plaid styled with long sleeves and short fitted jacket, wide-brimmed green hat, shoes

and purse. Her corsage was of ivory roses and greenery.

Robert Hughes, uncle of the bride, whisked them off to his apartment where their car was parked.

After a short wedding trip to Burnet to the "Vanishing Texas River Cruise", they will be at home in Belton, where both are attending the University of Mary Harden-Baylor.

The rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Kenneth Barker at the Heit Miller Steak House in Waco. As the bride and groom entered, they were honored by hearing the band play "Happy Days Are Here Again," and being presented with a cake.

Other courtesies included a bridesmaids' luncheon held in the home of the bride's parents, Dr. and Mrs. Hughes. A personal shower was given in the home of Laura Obergh, and a miscellaneous shower was held in the Fellowship Hall of the church. The groom was honored with a "Honey Do" shower in the home of Student Minister and Mrs. Dan Hughes.

A luncheon was prepared and served by Robert Hughes, uncle of the bride, for the members of the bride's family before the wedding in the afternoon.

He delivered a highly-entertaining talk that was primarily a collection of very funny true stories. Mr. Turley said, "If you can be a rancher, a politician and a banker all in one lifetime you're just bound to collect a lot of pretty good stories."

On Saturday morning the convention participants boarded new chartered buses and were transported approximately 75 miles through mountainous pine forest with wonderful scenery and dramatic vistas to Snowflake, Arizona, for a tour of the F Bar Cattle Company ranch. The F Bar is owned and operated by four of the Flake brothers—Dean, Jake, Jed and Steve. Mother Nature cooperated by providing beautiful, sunny weather for the outing. Following the tour and viewing of the cattle, an old-fashioned steak, potatoes, salad, gravy and biscuit dinner, accompanied by homemade root beer, was served in the Snowflake Community Building. Entertainment was provided by a talented local singing group known as "The Kinsmen," who sounded a bit like a cross between the Gatlins and Alabama—and just as good.

All of the panel members were extremely articulate and stated their widely-differing viewpoints clearly and concisely. The discussion focused around the need for cooperation and dialogue between what has been

described by some as "warring factions". Inadvertently the primary message of the panel members was captured earlier at lunch, when the keynote luncheon speaker, Stan Turkey, said, "We've got to stop shootin' and start talkin'."

PUBLIC NOTICE

GTE Southwest Incorporated (GTE-SW) and Contel of Texas Inc. (Contel) have filed an application with the Public Utility Commission of Texas to seek approval to provide two new private line services and to change rates for existing services. GTE's intraexchange DS1 Service will be offered pursuant to the rates proposed with this filing and will no longer be available through concurrence with GTE's interLATA access tariff rates which are lower. Contel's intraexchange DS1/DDS Service will be offered pursuant to the rates proposed with this filing and will no longer be available through Contel's current private line tariff rates. Existing customers with DS1/DDS Services will not be affected by these rate changes. DS1 1.544 Megabits per second (Mbps) Service and Digital Data Service (DDS) will normally be used for the transmission of data communications or large volumes of voice communications between two locations. These services are optional and will not affect the existing rates of customers who do not order these services. The estimated annual effect on GTE-SW's revenues in the first year is \$1,080,567. The estimated annual effect on Contel's revenues in the first year are \$42,383.

DS1 Service

DS1 Service is an intraLATA Private Line Service which provides a dedicated, high capacity channel which may be used for simultaneous two-way transmission of voice data or other digitally encoded customer information signals. DS1 Service provides a transmission speed of 1.544 Mbps and is designed to provide an average performance of at least 95 percent error-free seconds of transmission over a continuous 24-hour period.

DS1 Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DS1 Service is available on a point-to-point intraLATA basis between two Customer Designated Locations (CDL), between a Serving Wire Center (SWC) and a CDL, between a CDL and a point of connection with another service provider or between two SWCs.

IntraLATA DS1 Private Line Service is comprised of three rate elements: DS1 Local Loop, DS1 Transport and DS1 Transport Termination. Each element is described below.

DS1 Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer has two payment options for the purchase of DS1 Local Loops. There is a month-to-month plan or term contract Optional Payment Plan (OPP).

The month-to-month payment basis allows the customer to establish and disconnect DS1 Services, without penalty, other than to meet the minimum service interval of one month's service, as needed. Under the month-to-month service, the additional DS1 Local Loop rate applies only when the additional DS1 Local Loop (s) is (are) ordered at the same time and between the same two CDLs as the first DS1 Local Loop.

The OPP plan allows the customer to select a term of service (1 YR, 3 YR and 5 YR) with lower monthly rates associated with longer term contracts. If the customer selects an OPP, additional DS1 Local Loops may be ordered and installed at the Additional DS1 Local Loop rate between any SWC and CDL covered by the OPP, at any time during the term of that OPP.

DS1 Transport

This rate element is for the mileage sensitive charges for transporting a DS1 signal between Serving Wire Centers. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DS1 Transport Termination

This rate element is for the equipment to terminate DS1 Transport at the SWCs. This charge applies only when DS1 Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the DS1 Transport.

Proposed Rates and Charges for DS1 Service are as follows:

	Nonrecurring Charge	Monthly Rates
DS1 Local Loop		
Month-to-Month		
First System	\$ 1,000.00	\$ 298.00
12-month term		
First System	-0-	\$ 283.00
36-month term		
First System	-0-	\$ 255.00

DS1 Transport		
Per airline mile	-0-	\$ 16.00
DS1 Transport Termination		
Per Termination	-0-	\$ 40.00

Digital Data Service

Digital Data Service (DDS) is an intraLATA Private Line service which supports synchronous, full-duplex transmission between the CDL and the SWC or the point of connection with another telephone company at transmission speeds of 2.4, 4.8, 9.6, 19.2 and 56 kilobits per second (Kbps). DDS provides a transmission path for digital data signals within the same LATA.

DDS Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DDS Service is available on a point-to-point intraLATA basis between two CDLs or between a CDL and a point of connection with another service provider.

IntraLATA DDS Private Line Service is comprised of three rate elements: DDS Local Loop, DDS Transport and DDS Transport Termination. Each element is described below.

DDS Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer may establish and disconnect DDS Local Loops without penalty other than the minimum service interval of one month's service, as his/her needs demand.

GOOD RESOLUTIONS SHOULD BE MADE BEFORE THE NEW YEAR

People generally wait until the first of January to make a list of character-improving resolutions. However, with the holiday season at hand, there are some appropriate ones that we should make right now. Let us resolve to be more patient when the traffic slows down in holiday gridlock, to be more courteous with overworked salespersons, to make the first move in mending a quarrel we may have had with someone, to give what we can to the poor, to be friendly and helpful with our neighbors, particularly those who are ill or handicapped, and to attend our House of Worship. Doing these things will give us a good feeling, and along with the lights and decorations, will help to bring the true spirit of the holidays to ourselves and everyone around us.

Any kindness that I can show to any fellow creature, let me do it now.
 — Etienne de Grellet

CARDS OF THANKS

Your friendship, love and prayers for Nell during her illness encouraged her more than you can know. At her passing, your many kind words and deeds have helped us carry a pain that would have crushed us without your support. Thank you for being you.
Gary, Cathey,
Rob, Leslee and Lindsey

Due to an extended illness and two recent surgeries, I will be unable to work at the Briscoe County Clinic until January '93.

The clinic will remain open for any services that can be provided without my presence. We may possibly have a physician here one or two days a week. This will be announced as soon as it becomes a fact.

This time off is a demand by my vascular surgeon in an attempt to save my leg. I appreciate your patience and your prayers during this trying time.

I look forward to a healthy return within the next four to six weeks.

Sincerely,
Shirley Watson RN, AFNP
