## County Council Meeting Held Saturday.

Mrs. Charlie Conner gave an interesting talk on Farm and Home Beautification to H. D. Council members at a meeting held in the District Court room Saturday.

Beautifying your grounds makes your home more attractive and adds to the valuation. Lawns are very pretty even though they are small and should be left open. The moor river privet makes an attractive and quick growth. Use Bermuda grass turf as it grows quicker and does not require so much water. She further said that the lawn should

## Recent Bride Honored With Miscellaneous Shower.

Mrs. H. Hisey entertained with a miscellaneous shower in honor of Mrs. Hoyle Haley, who was before her recent marriage, Miss Gladys Weaver.

Mrs. Hisey was assisted in entertaining by her daughters, Misses Ruby and Bonnie Dell. During the evening the guests enjoyed various games and rug making. A large number of gifts and presents were presented the honoree in two large baskets. Delicious ice cream and cake was served to a number of guests.

## Hayley-Weaver.

Announcement is made of the marriage of Miss Gladys Weaver, daughter of Mr. and Mrs. George Weaver of Anson and Hoyle Haley, son of Mr. and Mrs. W. W. Haley of Haskell, which took place at Abilene Saturday evening August 17. The ceremony was read by the Methodist pastor of that place, in the presence of a few close friends of the couple. George Kinney and Miss Ruby Hisey accompanied the couple to Abilene.

The bride wore a beautiful navy blue ensemble with accessories to match.

Mrs. Haley is a graduate of the Anson High School.

Mr. and Mrs. Haley are at home near Haskell, where Mr. Haley had his house already furnished awaiting his bride.

## Contract Bridge Club.

Mrs. J. L. Odell entertained members of the Contract Bridge Club with a few extra guests Friday afternoon at the home of Mrs. T. L. Donohoo. A profusion of flowers were used to make the entertaining rooms more attractive where four tables were arranged for the games.

At the end of the games Mrs. Barton Welsh was given the prize for highest score and Mrs. George Henshaw received consolation. A refreshment plate of open sandwiches, ice cream and cake was served to: Mesdames Barton Welsh, George Henshaw, W. G. Forgy, Ralph Duncan, Ed Henshaw, Rae Eastland, Virgil Reynolds, Wayne Koonce, Roy Ratliff, Clay Smith, B. C. Chapman, Matt Graham, Foster Davis, Raymond Leggett, Troy Post of Dallas, T. L. Donohoo and Miss Mary Couch.

## Helen Bagby Circle.

The Helen Bagby Circle met in the home of Mrs. John Couch Sept. 2 in a Royal Service program and social meeting.

Opening song, "What a Friend We Have in Jesus."

The topic, "Lifting the Banner Through Stewardship."

Beside the Circle members we had as guests, our W. M. S. president, Mrs. I. N. Simmons, and Mrs. B. M. Whiteaker from the North Circle and Misses Maybelle Taylor and Hattie Lucile Paxton.

Mrs. Simmons brought a wonderful devotional, reading a part of the 10th chapter of Luke. After the lesson Mrs. Simmons was presented with a friendship quilt, bearing the name of each Circle member, as a token of love and appreciation of her faithfulness as president. Some beautiful and appropriate words of poetry were given by Mrs. Taylor and Mrs. Lamkin in presenting the quilt. The Circle also gave our beloved Circle Leader, Mrs. Taylor, a love gift.

Delightful refreshments of ice cream and angelfood cake were passed to thirteen ladies.

Reporter.

## The Methodist Missionary Society.

On Monday Sept. 9th the women of the Missionary Society, both the adult division and the Mary Alexander Circle, met in a joint meeting.

This being the first meeting since the first Monday in July, the president expressed her pleasure at again being ready for work.

Reports of officers and circle leaders, showed our work to be well in hand. Mrs. Foster Davis gave a very splendid report of the Zone Meeting which was held in Weinert

## Chocolate Nougat Cake

Measure 1 1/2 cup butter. Melt 1 square bitter chocolate in about 2 tablespoons of the butter. Cream the remaining butter with 1 cup sugar. Add 2 unbeaten eggs, one at a time, beating until light and creamy. Add the melted chocolate. Measure 1 1/2 cups bread flour, after sifting once. Then add 1 teaspoon soda and 1/2 teaspoon salt, and sift twice. Add to butter and sugar mixture alternately with 1 cup sour milk or buttermilk. Add 1 cup nut meats (cut up) and 1 teaspoon of vanilla. Bake 15 to 20 minutes in two layers. Cover with chocolate icing.

Chocolate Icing  
Melt 2 squares chocolate in 3 teaspoons butter. Add 3 tablespoons cream and enough confectioner's sugar to make of consistency to spread.

## Miss Maye Bell Taylor Honoree at Dinner Party.

Honoring Miss Maye Bell Taylor, who is home for a holiday from the Baptist Women's Training School, Louisville, Kentucky, Miss Marjorie Whiteaker was hostess at a dinner Thursday night.

Autumn flowers decorated the rooms, while zinnias and candles made the centerpiece for the table about which the guests gathered. Present for the affair, besides the honoree, were Mrs. Ralph Duncan, Mrs. Geo. V. Wimbish, Mrs. Tom French of Dallas, Mrs. George Henshaw, Mrs. E. B. Henshaw, Mrs. Jake Morris and Misses Mary Couch, Hattie Paxton, Mary Kimbrough and Mary Emma Whiteaker.

## Mrs. Wm. G. Forgy Hostess for Contract Bridge Club.

Members of the Contract Bridge Club met at the home of Mrs. Wm. G. Forgy Tuesday and enjoyed a covered dish luncheon at 1 o'clock.

Autumn flowers were used throughout the rooms and small vases of lantana made attractive centerpieces for the foursome tables.

In the contract games following the luncheon Mrs. Clay Smith was given high score prize and Mrs. Troy V. Post of Dallas, a former member, was also presented a prize.

Those playing were Mrs. B. C. Chapman, Mrs. Foster Davis, Mrs. Barton Welsh, Mrs. Clay Smith, Mrs. Virgil Reynolds, Mrs. Ralph Duncan, Mrs. Raymond Leggett, Mrs. Troy V. Post of Dallas, Mrs. W. C. McGee of San Angelo, Miss Mary Kimbrough, Miss Mildred Shook and the hostess, Mrs. Forgy.

## Former Haskell Boy Weds Mineral Wells Girl.

Sunday September 8th Miss Bernetta McKinney and Robert Goodwin of Mineral Wells were united in marriage at the home of the bride's parents, Mr. and Mrs. E. S. McKinney. The groom is the son of Mr. and Mrs. J. H. Goodwin, formerly of this city. He finished high school here with the class in 1926, moving to Mineral Wells in 1927. He attended Adams Business College, after which he became an employe of the Crazy Water Company, where he is at the present time.

Mr. and Mrs. Floyd Self, sister to the groom attended the wedding. The bridal couple left during the reception which was given by the bride's parents for a short wedding trip to San Antonio. They will return Thursday to Mineral Wells.

## Rev. Orion W. Carter, pastor of the Methodist Church, went to Lubbock Thursday morning to conduct the funeral services of Mrs. T. E. May, a friend of the pastor's family for a number of years.

## Baptist W. M. S.

The Baptist W. M. S. met at the church Monday afternoon Sept. 8th in a business meeting and missionary program. Opening song, "Break Thou the Bread of Life." Prayer by Mrs. Alvis.

Mrs. Gilstrap then brought a wonderful and inspiring devotional on "Christian Faithfulness." Instead of the usual Missionary program, we had as a guest our own missionary girl, Miss Maybelle Taylor, who is home for just a short visit with her loved ones, from Louisville, Ky., where she is in training in the W. M. U. training school.

It is wonderful to sit and listen to this sweet girl talk and tell of the "Home Beautiful" the name given to this school—the W. M. U. training school where young girls are taught and trained so efficiently to go out as missionaries to the Foreign Fields. When Maybelle finishes her training she plans to go to Brazil as a missionary and she is so happy in her work that she just reflects happiness wherever she goes.

During the business meeting our new president, Mrs. Mack Perdue, presided. She named her chairman for the new year as follows:

Personal Service Chairman—Mrs. Tom Holland.  
House Chairman—Mrs. George Herrin.  
Bentvolenne—Mrs. Hope Haynes.  
Educational—Mrs. Richey.  
Mission Study—Mrs. Gilstrap.  
Periodical—Mrs. Jim Crawford.  
Stewardship—Mrs. R. J. Reynolds.

A large number of women were present and at the close of the meeting our retiring president, Mrs. I. N. Simmons, was presented with love gift from the W. M. S. Mrs. R. C. Couch presented the gift and spoke words of appreciation of Mrs. Simmons' faithful service as president for the past two years.

Reporter.

## New Mid Club News.

The Club met Sept. 4th at the schoolhouse with a greater effort to carry on, after having a few weeks vacation.

Each answered roll call by their favorite Bible character.

Report from County Council was given by Mrs. W. R. Bean.

Plans for the County Fair were discussed.

Debate: Which is more practical, home-made clothing or ready-made clothing—by Mrs. R. L. Hester and Mrs. F. M. Hutchens.

The program for Wednesday, Sept. 18, was given:

Roll Call—How I Can Spend \$10 In My Kitchen.

Round Table Discussion—Meals To Serve on Washdays.

How We Can Help Our Teachers—By Mrs. S. W. Hutchens.

Reporter.

## Announcement

I am glad to announce that I have re-opened my sewing shop in Hunt's Store, and will take pleasure in discussing and helping you with your sewing.

Mrs. Alonzo Pate

## Ruth Bible Class.

The Ruth Bible Class met Sept. 5 at 3:30 p. m., in their regular monthly meeting in the home of Mrs. Carl Powers.

The chairman opened the program with song "Sweet Hour of Prayer." Prayer led by Mrs. Bill Woodson.

Devotional by Mrs. J. A. Gilstrap. Scripture reading Philipians 4:8. "Love and Devotion, one for another" was her theme and her subject was "Time, how we should use it, and of its gift, the most valuable gift we have. She illustrated our lives by a clock—how moments pass until the day has swiftly gone. Have we done anything for a perfect day for God? Take time to fellowship and commune with God. She urged us to set aside a definite time early each morning to commune with God, so that we may be better fitted to meet with the difficulties of the day. She read a beautiful poem "See God in the Morning If You Want Him Through the Day." Many wonderful thoughts were brought out to us through reading our Bibles and spending a few minutes each morning in prayer. She urged her class to plan a special service with God. And each one present resolved to spend a few minutes in prayer and render some special service for God. She also discussed the kinds of literature in our homes. You who were absent missed one of the greatest devotionals we have ever had.

Refreshments were served to the following: Mesdames J. W. Johnson, Jr., Mack Perdue, E. B. Henshaw, J. A. Gilstrap, Earl Ammons, Austin New, Walter Rogers, Bill Woodson, Charles Smith, Jesse Josselot and the hostess, Mrs. Carl Power.

## There's lots of room in the FORD V-8

EVERY ONE who steps into the Ford V-8 for the first time is surprised at its roominess. There's exceptional seat room, leg room and head room in all body types — the whole car gives you a feeling of substantial size.

Rear seats are wide and restful... three people can ride comfortably in the front seat of the Fordor Sedan, Fordor Touring Sedan, Convertible Sedan and Phaeton, and in the Coupe and Roadster. The seat of the Ford V-8 Roadster is 53 inches wide. A ride in the Ford V-8 will show that it combines unusual body room with fine performance, safety and comfort.

The Ford gives you extra body room because of the compact design of the V-8 engine — an exclusive Ford feature at a low price. This V-8 engine takes up less space in the hood and permits more of the car's length to be used for passenger comfort. Many a

# Haskell County History

## 20 YEARS AGO TODAY

Mrs. Sue Hackleman, wife of J. T. Hackelman, died at the home of her mother, Mrs. M. M. Bryant on Tuesday morning at 4 o'clock. Mrs. Hackleman was 33 years old. She was a sister to Hon. Bruce W. Bryant.

The following auto license were issued from the County Clerk's office during the past few weeks: G. F. Atchison, Saxon, No. 297; O. Justice, Mitchell, No. 280; R. E. Norman, Rule, Overland, 281; F. C. Quade, Stamford, Overland, No. 282.

## 30 YEARS AGO TODAY

Master Press Baldwin left Tuesday for Waco to enter Texas Christian University.

Master Chess Neathery left to attend Arlington College.

Alva Couch and sister, Miss Florence left Monday for Waco to attend Baylor University.

Three new residences are going up: Jno. E. Robertson's building on the west side, Mr. Morgan on the northeast side, Jno. B. Baker on the east side across from Mr. Rupe's Place.

One and twenty-seven one hundredths of an inch rain fell in Haskell up to Thursday night.

School will begin Monday, Sept. 18th. There will be a private term the first six weeks and at the end of the six weeks public school will begin.

Miss Pearl Grissom and Miss Mills who has been visiting her left Sunday for Waco to attend Texas Christian University.

## 40 YEARS AGO TODAY

If you have an idea of buying a buggy call at the Free Press office and see how cheap you can get one.

Mr. Fred Sanders left Saturday for Georgetown to attend the coming term of school.

Anyone finding a one ring leather halter with a 35-foot rope this side of Paint Creek on Albany road will please return to C. D. Long.

Last Tuesday night Messrs. Geo. Messer and Miss Pearl Risher were united in the bonds of matrimony, at the Baptist church. The couple were attended by Messrs. Albert English, Miss Mary Tandy, Mr. Frank Armstrong and Miss Buna Wilbourn as bridegrooms and bridesmaids.

## Kills Self Two Years After Sweetheart's Death

LOS ANGELES, Calif.—Rudolph Schieffmann, 23, killed himself because of grief over the suicide two years ago of his sweetheart who had been adjudged the most beautiful girl in California.

## Cures "Concrete" Girl

SEATTLE—Nona Cloyea is recovering from the rare disease, Scleroderma, which causes hardening of the skin. Her treatment includes a diet excluding all foods containing minerals.

## TRIBUTE TO WILL ROGERS

Of all the tributes to Will Rogers we have heard, this, written by an Oklahoman, is our choice. It appeared in "Letters from the People" in the Daily Oklahoman, Oklahoma City:

### "AW, SHUCKS—"

Ambling along, his shrewd kindly eyes  
Shyly viewing the beauties  
Of a new land—  
Seizing the hand of an old crony,  
Or of a president, fellow-ambassador, senator  
Or prince—

Grimacing wistfully — and humbly  
before his Creator  
Perhaps saying whimsically:  
"Y'know, Lord, all I know is what I've read  
In the papers  
'N' picked up as I gaddered around  
Hither 'n' yon;  
But all this stuff that's in the papers  
Just now,  
Page on page—'n' all the pictures  
Aw, shucks, Lord,  
I wish I coulda earned  
A little mite of it.  
They mean well, Lord—don't hold  
it against 'em.  
Let's just call it good-intentioned  
Exaggeration;  
They're just being kind.  
To an ignorant ol' cowhand  
From Oologah.

Y'know, Lord, that's a great bunch  
You've got down there,  
Senators 'n' all;  
I'm gonna miss 'em for a while,  
But they'll be comin' along.  
I had no idy  
They felt—that way—about—aw,  
shucks, Lord—  
After the way I've kidded 'em.  
'N' all—  
But I've never hurt 'em till now  
An' I'm just wonderin' Lord,  
If there ain't some way  
You can ease it up for 'em?  
Just tell 'em that—shucks—it ain't  
bad like that a-tall—  
An' that this round-ups just fine  
an'  
Prettier than the song.  
Y'see, Lord, that down there gets  
right next to me, an'  
Shucks, there ain't nothin'  
I c'n do about it;  
So do what you can, won't you  
Lord?  
I've got lots of confidence in Your  
ability  
Along that line.  
Well, there goes those bells—my  
time's up.  
So I'll be moseyin' along.  
Say, Lord! Ain't that ol' boy over  
there  
From Claremore?  
—Waldo Wetengel,  
Rush Springs, Okla.

Mrs. Rufus Banks returned from the Wichita Falls Sanitarium Tuesday after having a minor operation. She was accompanied to Wichita Falls by Mrs. Troy V. Post of Dallas.

## Trench Silos To Be Demonstrated Spur Field Day

SPUR, Tex.—An All-West Texas Field Day at the Spur Experiment Station has been set for Friday, September 20. It promises to be one of the most outstanding agricultural events ever held in the Western part of the State. Delegations headed by county agricultural agents and vocational agricultural teachers from over 40 counties have already made plans to attend. There will be no speech-making but the results of experiments conducted at the Texas stations will be discussed by the best authorities in the state. The chief topics for observation and discussion will be Trench Silos.

Demonstrations in filling trench silos and discussions of practices will be held from 10:30 a. m. to noon and led by specialist from the Extension Service staff, College Station, and will range from the use of the most simple home-made slide in cutting the feed and shingling the whole plant in the silo, a practice within the reach of every farmer in Texas, to the use of the most modern machinery where the plant is never touched by the human hand. Farm machinery distributors will have an exhibit, and in operation in the field, a complete line of machinery for the making of silage. Cattle feeding experiments and soil and water conservation are also on the program.

## Kitchen Kinks

### Washing Sweaters

After washing a sweater, run a line in one sleeve and out the other and stretch the line tight in a shady place. The sweater dries quickly and is shapely and smooth.

### Hanging Curtains

When the hems of curtains stick together, slip a thimble or end of finger from an old kid or rubber glove over the curtain rod. This keeps the end of rod from tearing the curtain, and it slips in easily.

### Finishing Touches

Straighten neckline by placing one side along the edge of the ironing board, wrong side up, covering with a dampened cloth, and pressing straight up from the edge of the board.

### Inclined to Curl

When rugs or runners are inclined to curl at the edges, paste a strip of rather heavy brown paper, about two inches wide, along the edges, and this helps to make them lie flat.

### Reinforced Darning

When darning men's hose use black bob net of a fine texture on the wrong side of the hose to cover the hole and darn through it. This reinforces the weak spots and makes the holes fill more quickly.

### A Good Substitute

An electric light bulb makes a good substitute for an extra darning egg when one's friend offers to assist with the darning.

### For Our Knitters

When knitting use needles one size larger for casting on and off than those used for the body of the work.

### Chocolate Nougat Cake

Measure 1-2 cup butter. Melt 1 square bitter chocolate in about 2 tablespoons of the butter. Cream the remaining butter with 1 cup sugar. Add 2 unbeaten eggs, one at a time, beating until light and creamy. Add the melted chocolate. Measure 1 1/2 cups bread flour, after sifting once. Then add 1 teaspoon soda and 1-2 teaspoon salt, and sift twice. Add to butter and sugar mixture alternately with 1 cup sour milk or buttermilk. Add 1 cup nut meats (cut up) and 1 teaspoon of vanilla. Bake 15 to 20 minutes in two layers. Cover with chocolate icing.

### Chocolate Icing

Melt 2 squares chocolate in 3 teaspoons butter. Add 3 tablespoons cream and enough confectioner's sugar to make of consistency to spread.

We read that a man had a girl arrested for dropping a lighted cigarette down the back of his neck. How's that for hot necking?

The real test of courage in a small town is to walk into the corner drug store wearing spats and carrying a walking stick.

### Helen Bagby Circle.

The Helen Bagby Circle met in the home of Mrs. John Couch Sept. 2 in a Royal Service program and social meeting.

Opening song, "What a Friend We Have in Jesus."

The topic, "Lifting the Banner Through Stewardship."

Beside the Circle members we had as guests, our W. M. S. president, Mrs. I. N. Simmons, and Mrs. B. M. Whiteaker from the North Circle and Misses Maybelle Taylor and Hattie Lucile Paxton.

Mrs. Simmons brought a wonderful devotional, reading a part of the 10th chapter of Luke. After the lesson Mrs. Simmons was presented with a friendship quilt, bearing the name of each Circle member, as a token of love and appreciation of her faithfulness as president. Some beautiful and appropriate words of poetry were given by Mrs. Taylor and Mrs. Lamkin in presenting the quilt. The Circle also gave our beloved Circle Leader, Mrs. Taylor, a love gift. Delightful refreshments of ice cream and angel food cake were passed to thirteen ladies.

### The Methodist Missionary Society.

On Monday Sept. 9th the women of the Missionary Society, both the adult division and the Mary Alexander Circle, met in a joint meeting.

This being the first meeting since the first Monday in July, the president expressed her pleasure at again being ready for work.

Reports of officers and circle leaders, showed our work to be well in hand. Mrs. Foster Davis gave a very splendid report of the Zone Meeting which was held in Weinert on last Thursday. In the absence of Mrs. P. T. Sanders, director for the afternoon, Mrs. Hugh Smith superintendent of Mission Study, directed a most inspiring program.

With Mrs. Patterson at the organ "Love Divine" was sung.

For the Scripture Lesson, the director read Acts 26:12-20. Mrs.

### Breedlove offered a prayer.

Mrs. E. Martin gave "A Story of Daughters of Methodism." The most outstanding of these being Elizabeth Asbury, Mother of Bishop Asbury, and Barbara Heck "Mother of American Methodism." Mrs. R. C. Montgomery gave a splendid talk on "Leadership of Methodist Women Today." This was very interesting as the status of women in the church is one of the main issues of the day in Methodism. A round table discussion conducted by the director brought out some very interesting ideas. The meeting was dismissed by the reciting in unison of the Lord's Prayer.

On next Monday Mrs. H. M. Smith will direct a program on Educational Evangelism. This will be a splendid program and a good attendance is urged.

## 275 Enrolled In High School

Largest Number in History of Haskell Schools

Haskell High School enters the 1935-36 season with its ranks full, having probably the greatest enrollment in history; there are now more enrolled at the first of the school year than during the whole season last year. The total enrollment at the end of the second day approximates 275.

### High School P.T.A. Unit Is Formed

High school students are indeed pleased to know of the recent organization of a high school division of the Parent Teacher Association. Since the District Conference which met here last spring, the high school students have realized more fully what this great organization is, and how much it contributes to school life everywhere in our whole nation. While there have been two local units in our town for many years, both very active and alive, this is the first time we have ever had a separate high school organization. We feel that this signifies an even greater interest on the part of our parents and teachers in our welfare and progress, and we heartily appreciate it. We, as the student body, hope to do all that students can do to cooperate. Success to the High School Parent-Teacher Association!

### This Week's Warwhoop "Chief"

The Warwhoop takes great pleasure in presenting Mr. T. J. Arbuckle, President of the Haskell School Board, and Secretary and Treasurer of the firm of Jones, Cox & Co., as our first "Chief." He has been a citizen of Haskell for the past 26 years and has been connected with the above popular firm for almost the entire time. In naming him as our Chief, we do so because he has probably done more for the Haskell school system than any other one man. He is an untiring worker, and is always planning to make things just a little better for the faculty and student body. He is quiet and unassuming, but usually gets the job done. All phases of school athletics receive his hearty support, and he can always be found on the sidelines when the Haskell Indians have been given a tough assignment on the football field.

T. J. ARBUCKLE

Mr. Arbuckle is a member of all the Masonic bodies, including the Shrine, and takes an active part in lodge activities, in addition to the many other duties he is called upon to perform in the civic affairs of Haskell. He is really genuine, and when we say this we believe it is a compliment that he has truly earned by his unceasing activities in behalf of the school and the community.

### High School P.T.A. Program Planned

The program committee of the High School P. T. A. met at the High School building Friday afternoon Sept. 5 to plan the program for 1935 and 1936. The program planned for the coming year was: A teachers reception to be held on the High School lawn Thursday evening Sept. 19, 1935. A business meeting will be called by the president, Mrs. J. B. Post, at 3 o'clock on Sept. 26, 1935, at the High School building. The first real meeting will be held at the High School building Thursday evening at 3:30, October 24, 1935.

### Indians Starting On the Warpath

All set for Friday night the Haskell Indians are ready to tear into the Bearcats and make them look like red ants under a conqueror's foot. We wonder if they are really Bearcats—Friday night will tell the tale. The punts carried by linesmen E. McMillan, Smith, Huff, L. McMillan, Reeves, Rose, Wheatley, Kaigler, Moser and Akins will plug holes for the backfields, that mighty quartet consisting of the Kimbroughs, Phippen and Barnett. Our schedule for the season is one of which we should be proud; seven games are to be played on our own gridiron. Following is a complete schedule with the place where the game is to be played. Sept. 13—Rule at Haskell. Sept. 27—Monday at Haskell. Oct. 4—Seymour at Seymour. Oct. 11—Rochester at Haskell. Oct. 18—Abilene at Haskell. Oct. 25—Anson at Haskell. Nov. 1—Rotan at Haskell. Nov. 8—Hamlin at Hamlin. Nov. 15—Merkel at Haskell. Nov. 22—Stamford at Stamford.

### Superintendent

C. B. BREEDLOVE

When Supt. C. B. Breedlove assumed duties as superintendent of the Haskell Public School system in September, 1929, many members of the 1936 graduating class were just beginning their fifth year of school work. During the six years that Mr. Breedlove has served the local system, the Haskell schools have steadily advanced and have operated with unusual efficiency and harmony throughout this period—a situation that reflects much credit upon the local school superintendent. Through Mr. Breedlove's influence many improvements have been made possible. He has used his tireless efforts toward securing our new school building and bus. In the past two years he has made it possible to improve the campus at our high school and both ward school buildings. His record is to be commended in securing a wonderful personnel of teachers throughout the entire system. Supt. Breedlove holds his Bachelor of Arts degree from Sul Ross State Teachers College, Alpine, and has had several years teaching experience before coming to Haskell. He taught during the summer term in McMurry College, Abilene.

### MASON-BREWER WEDDING SOLEMNIZED AUGUST 27

On August 27 the marriage ceremony of Mr. Perry Mason and Miss Elizabeth Brewer was performed in the home of the bride's parents, Dr. and Mrs. G. C. Brewer of Memphis, Tenn. The bride was dressed in a trailing gown of Florence blue velvet, and carried a bouquet of gardenias and Lilies of the Valley. The maid of honor, Miss Marie Wills, of Kilbuck, Texas, wore a Vatican purple gown and carried as a bouquet, Talisman roses and button asters. The junior attendants were cousins of the bride, Clanton Boyd, of Memphis acted as the groom's attendant. At present, the young couple is at home in the residence of John Oates.

### NEW SCHOOL BUS IN OPERATION

A new school bus has begun its duty for the first time in the history of Haskell High School. This bus will cover all rural districts bringing approximately from thirty-five to forty high school students. Mr. Carmichael has been chosen to drive the bus for the season.

### Haskell Students Off To Colleges

Truly we must be coming out of the depression for an unusually large number of Haskell graduates are planning to continue their education this year in institutions of higher learning. Following is a partial list of those who are leaving:

- Leta Burson, Era and Vera Cass, North Texas State Teachers College, Denton.
- Lois Davis, Abilene Christian College.
- Ava Grindstaff, State College for Women (C.I.A.).
- Dorothy Herren, Draughon's Business College at Abilene.
- Vida Lee Nichols and Dorothy Segal, Sul Ross, Alpine.
- Beatrice Wheeler, Mary Hardin-Baylor, Belton.
- Hulen Atchison and J. R. Roberts, Texas A. and M.
- Wodrow Dishongh, Baylor University.
- Edwin Bledsoe, Texas Christian University.
- John E. Fouts, Texas Technological College.
- Lewis Hamilton, Business College, Chillicothe, Missouri.
- Fred Sanders, Jr., Texas Wesleyan College.
- Mary Ben Chapman and Faye Strickland, Nurses' Training in the Baptist Hospital at Abilene.
- Edith Moody, Nurses' training in Lubbock Hospital.

### Principal

GEO. V. WIMBISH

Mr. George V. Wimbish came to Haskell in 1929 to accept the position as principal of the Haskell High School, having previously taught two years in other schools. Here he has taught classes in science, history, and mathematics, and has coached tennis, volleyball, and basketball.

As principal, Mr. Wimbish has introduced new methods of keeping records on attendance and grades that have been very efficient in improving the discipline of the students as well as assuring accuracy. Through his tireless energy the Haskell Indians are playing football on a lighted field—an improvement that no other Class B high school has in our district. Mr. Wimbish received his Bachelor of Arts degree from Abilene Christian College, and has done graduate work in the Universities of Colorado and Texas.

### New Lunch Room Near the Campus

Just across the High School campus stands a little white cottage from which a delicious aroma issues forth about noon each day. Do we need to tell you that it is a lunch room? This is a new institution that will contribute materially to the comfort and convenience of many students who would otherwise have to eat cold lunches, or walk a considerable distance in bad weather, during a short noon period. Efficient service by Mr. and Mrs. Couch, and prices within reach of all, will make the lunch room popular with students and teachers. We are proud of this lunch room for our schools, and hope that the students will give it liberal patronage.

### ALL OUR OWN

Haskell has indeed been favored in more ways than one this year. The most favorable being the securing of bonds and grounds for a new school building. The building will be erected where the North Ward now stands. It will have twelve rooms in addition to the combined auditorium and gymnasium. Work on the new building will begin as soon as preliminary proceedings have been worked out.

### Two New Members on Warwhoop Staff

Two new members joined the Warwhoop staff this week, to help make it "go" this year. Ouida Holmesly will write all the news of girls sports, leaving R. C. altogether for the boys. We think they'll both be well employed, for it looks as if we'll be "goin' places" this year in the athletic circles. The other new staff member is Mattie Pistole, as feature editor. Not exactly new, either, for often last year Mattie contributed anonymously to the Warwhoop and sometimes served as a "pinch hitter", too. We are glad to have these two competent students added to the Staff.

### We Wonder-?

If Anabel has lost her knack with Jack. He called the Walling baby for a date the other night.

If there's anyone capable of taking Winston's place in Elsie's heart? Wonder if Bob's listening in?

If Geraldine Fouts is just a "Lone Wolf" now? How about it, Harvey?

If Artie will take up the insurance business after graduation?

How much longer there will be a reason for Earl Wiseman's attending the Baptist church.

What bug caused Anita Jo and John's parting of ways?

If Jerry N. misses the "Gallop'n' Ghost."

If it's weddin' ethics for a gal to put on her own weddin' ring? Mrs. Mason did. (Maybe it was a tense moment for Coach Mason.)

If Mr. Mason has changed his theme song from "Memphis Blues" to "Mr. and Mrs. Is the Name."

### Camp and Riley Added to Faculty

Our Home Economics Department this year will be under the supervision of Miss Helen Camp. Miss Camp received her Bachelor of Arts Degree from the North Texas State Teachers College at Denton. Later she took a graduate course at C. I. A., Denton. Miss Willie Riley will have the fifth grade at the South Ward. Miss Riley received her Bachelor of Arts Degree at the University of Texas and has several years of teaching experience.

### JOKES

Mrs. Wimbish—Brave Nathan Hale at the scaffold. Study his face and tell me what he was dying for.  
S. A. (earnestly)—A cigarette.

Ruby Sue—Daddy, there's a man at the door with a moustache.  
Mr. Persons—Tell him I don't want any!

Mr. Wimbish—Do you know what happened in 1776?  
Duffer—No, I can't even remember what happened last night.

Jerry Fouts—Do you want to know something?  
Bob—Sure!

Jerry—Well, maybe some day you will.

Mary Eleanor—Anna Belle certainly is dumb. I asked her if she had read "The Three Musketeers", and she said that she didn't like books about insects.

Gerry Conner—Where can I get that book? I like books about insects.

George Stoneman—I'd write you a check for ten dollars if you'd give me a kiss.

Mickey Lee Tidwell—Would it really be worth that much?

George—Why of course one of your kisses is worth ten dollars.

Mickey—I'm talking about the check.

Louise Pierson—Are you a hero-worshipper?  
Lon McMillin—Oh, no; sometimes I hate myself!

John (boasting of strength) — I picked up a girl with one hand last night.

Anita Jo—Poor thing! How did she lose the other hand?

Tin in Heart  
HORNELL, N. Y. — Lewellyn Strobel, 19, faces instant death if a small piece of tin lodged in his heart moves. He was injured when a firecracker exploded under a tin can and blew a small piece of metal into his body.

Acrobat Misses  
NEW YORK—Lot's Borzolina, 31, acrobat, missed the hands of his partner after a somersault, and is in a serious condition. An audience of 800 saw the accident.

Crickets Invade City  
OKLAHOMA CITY—Millions of crickets flocked into the business section as merchants fought them with every available weapon. Janitors were kept busy sweeping them into the street, and thousands were crushed by pedestrians on the sidewalks.

Conductor Saves Boys  
STERLING, Ill.—Elmer Jackson, conductor on a passenger train, saw a sailboat capsized in the Rock River, and dropped a not of his train, which sent a rescue squad two miles to save the five boys struggling in the water.

Shapely Shoes  
When the children come in with soaking wet feet stuff their shoes with newspaper in order to preserve the correct shape.

Summer School Class Report  
This report is belated due to the fact that some were unable to finish their work during the regular summer session because of illness and other reasons.

Three members of the Shorthand Class and two in Bookkeeping are due honorable mention: Miss Clara Edwards scored highest speed in Shorthand, making 88 words per minute, and Misses Maydell Barnett and Lois Davis were close seconds with 84 words per minute the first day of dictation and before the six weeks period was up the class had passed the 100 words per minute rate.

Mrs. Ida Walling was high point student in Bookkeeping and Marvin Henshaw second. Diplomas have been granted these two worthy students. A number of other students did creditable work but were hindered from finishing as per schedule, as mentioned. We anticipate a large class in this department this school year.

## CITIZENS OF TOMORROW...

Students in our high schools are our citizens of tomorrow. Boys and girls, build now the foundation of a sturdy and worth-while character.

Speaking of building, that is our business. We are equipped to furnish at reasonable prices all the materials that are required to build any kind of home, from the smallest to the largest.

Best wishes for a successful term of the Haskell Schools.

### Cotton Certificate Pool Is Started

The regular 1935 national pool for the sale of surplus cotton tax-exemption certificates will start receiving certificates from growers September 4, the Agricultural Adjustment Administration announced. The special pool, now in operation, will stop receiving certificates September 3.

Officials believe that the special pool will sell all of the certificates it now holds within a period of 60 to 90 days. The special pool is handling certificates that were not

sold last year, which were carried over by producers from 1934 and not put into the pool last year, and 1935 certificates in cases where part or all of the grower's cotton has been definitely destroyed.

The regular 1935 pool which opens September 4 will for the most part handle 1935 certificates, although it also can take care of certificates carried over and not put into the special pool. The regular pool will sell certificates for a price representing 5 cents per pound of cotton. That is the same price in effect for the certificates in the special pool. The pools for the sale of tax exemption certificates are a development of the Bankhead plan, and are designed to offer growers added protection. Under the Bankhead Act

a national allotment of cotton that may be ginned tax-free is fixed. Each grower has his individual share of that allotment.

When cotton picking time comes some growers may find that their crops are short—they have more tax exempt certificates than they have cotton. Others may have more cotton than is covered by certificates. Both stand to gain if growers with extra certificates can sell the certificates to growers with extra cotton at a price lower than the ginning tax. Within counties such deals can be made personally. The pools were established to handle transfers over larger areas. The regular 1935 certificate pool will be run along lines similar to those followed last year.

Growers are advised to get in touch with their county agents or assistants in cotton adjustment, who will enter certificates in the 1935 pool.

**Sauce.**  
Dash cayenne.  
Dash ground cloves.  
1-2 cup mayonnaise.  
1 cup cream.  
Soften the gelatin in cold water and dissolve over boiling water. Add the stock, ham and all the seasonings. Fold the mayonnaise into the whipped cream. Fold this into the ham mixture. Turn into a mold. Garnish with vegetable salad and sprig of lettuce.

**Baked Ham Slice**  
1 2-lb. slice of raw ham.  
1 minced green pepper.  
3 pepper corns.  
3 cups sliced onion.  
3 cloves.  
Milk to cover.  
Place the slice of ham with its edge slashed in a baking pan, cover with vegetables, seasoning and milk. Cook 1 hour at 375 degrees. Baste, and if necessary, add more milk.

**Ham Loaf**  
1 1-2 cups raw ground ham.  
1 1-2 cup cold rice.  
1 cup bread crumbs.  
1 1-2 cups white sauce.  
4 stalks celery.  
1 large onion.  
2 pimientos.  
2 sprigs parsley.  
1 teaspoon salt.  
Pepper.  
To round ham add seasoning, bread crumbs, rice, vegetables and white sauce. Grease and flour a loaf bread pan, pack in meat. Bake 1 hour in a moderate oven.

**Ham Piquant**  
1 lb. thinly sliced cooked ham.  
4 teaspoons dry mustard.  
2 tablespoons milk.  
3-4 cup grated Parmesan cheese.  
Pepper.  
Mix the mustard to a thick paste with the milk and seasoning. Spread this on the slices of ham, then sprinkle the grated cheese. Arrange the slices one on top of the other in brick form. Tie securely with a string and place in baking pan. Bake in an oven 400 degrees for 25 minutes. Baste the brick now and then with the fat as it runs in the pan. Take out oven. Chill. Remove the string. Cut in slices down through the layers.

### Sarah Ann's Cooking Class

Ham is such an excellent combiner that it is a toss up whether it is better served plain or as one of the many delicious ways the imaginative cook can create. Let these recipes add a new touch to your menus.

**Ham With Mustard Hollandaise**  
2 cups cooked diced ham.  
4 teaspoons prepared mustard.  
3 egg yolks.  
3 tablespoons butter.  
4 tablespoons shortening.  
4 tablespoons flour.  
2 cups milk.  
1 teaspoon salt.  
Cut off all gristle before dicing the ham. Heat over hot water. Melt the shortening, add the flour, cook till smooth and stir in the milk. Cook for 5 minutes. Remove from the fire, add mustard and then slowly the well-beaten egg yolks. Beat in the butter bit by bit to give gloss. Fold in the ham. Do not reheat after adding eggs. Serve in a circle of steamed rice.

**Ham and Macaroni**  
Cook macaroni in salted water and to each 2 cups add 1 cup of diced cooked ham. Put in baking dish, cover with 1 cup of cooked tomatoes, 1 sliced onion and a layer of bread crumbs. Brown in a quick oven and serve hot.

**Broiled Boiled Ham Rolls**  
Spread thin slices of boiled ham with a little prepared mustard, roll up and fasten with tooth picks. Crisp in a hot skillet until nicely brown.

**Ham Mousse**  
2 tablespoons gelatin.  
4 tablespoons cold water.  
2 cups cold stock.  
2 cups cooked ham, finely ground.  
1 teaspoon salt.  
2 tablespoons prepared horseradish.  
4 teaspoons of Worcestershire

### Mitchell

Mitchell community was blessed with the largest rain they have received this year. It will be good for all the young feed.  
Mrs. J. O. Nickell has been sick but is all right now.  
Mr. and Mrs. Abe Price of South Texas have been visiting his mother and sister, Mrs. Price and Mrs. Jess Brothers.

Mr. Dick McGregor and children spent Saturday night and Sunday with relatives in Haskell.

Mrs. P. A. Draper and daughter Oweda Bess are visiting in East Texas.

Mr. and Mrs. William Brannon and children of Haskell visited his sister, Mrs. Arch Neal this week.

Mr. and Mrs. H. C. Lusk and children of Robstown, and Mr. and Mrs. Cleo Portwood of Stamford spent three days with their sister and cousin, Mrs. Maggie Lefelis and Vera Mae Carver.  
Mr. and Mrs. Buster Nance of Knox City spent the week with her mother, Mrs. J. W. Carver.  
Mr. and Mrs. Joe Williams of Hutto spent the week with her mother, Mrs. J. W. Carver.

these issues has gradually increased to the extent that in 1935, the State will pay 75 per cent of its share of the maturing principal on these bonds instead of the 50 per cent paid in 1934 and 33 1-3 per cent paid in 1933. Since the organization of the Board of County and District Road Indebtedness three years ago, the State has been paying all of its share of the interest coming due on these bonds.

There is a probability that at the regular session of the legislature in 1937 a bill will be passed enlarging the State's participation in road bond payments to embrace bond issues for lateral road improvements in addition to those for State highways. A companion measure would increase the gasoline sales tax by one cent in order to take care of the increased participation. The system and dispatch with which the State, through its Board of County and District Road Indebtedness, is handling the numerous issues of road bonds voted for State highways and the outlook for similar concentrated management of the lateral road bond issues outstanding

has done much to restore the investing public's faith in Texas bonds, clouded in recent years by several sensationalized defaults in various parts of the State. Attesting to the improved condition of Texas municipalities is the success achieved by various municipalities in refunding outstanding obligations. Bondholders have in the majority of cases been willing to release their bonds for refunding at lower interest rates and extended maturities. This co-operation of bondholders with the administrative officials of cities, counties and districts, in refunding transactions has brought these subdivisions' outstanding debts within their ability to discharge promptly and has placed them in a firmer current position.

Tax collections in the various subdivisions of the State have been encouraging. Delinquent collections, particularly, far exceeded those of previous years due to the legislative remission of penalties and interest on past due taxes outstanding August 1, 1934, if paid by March 15, 1935.

### Welding

... the best way to make a perfect union of two pieces of metal is by welding them together.

... and the best way to get a more pleasing flavor and a better taste in a cigarette is by welding together the different types of tobacco ...

That is just what we do in making CHESTERFIELD Cigarettes—the three types of mild ripe home-grown tobaccos, that is tobaccos grown in this country, are welded together. Then they are welded with aromatic Turkish. When these tobaccos are welded

together you get a combined flavor which is entirely different from any one type of tobacco.

It is this welding of the right amounts of the right kind of tobaccos that makes CHESTERFIELD a milder and better-tasting cigarette.

Chesterfield ... the cigarette that's MILD

Chesterfield ... the cigarette that TASTES BETTER

## Personal

Mrs. Fritz Taylor of Wichita Falls is visiting relatives here this week.

Mr. and Mrs. John Culp of Throckmorton were Haskell visitors Thursday.

Mr. and Mrs. C. O. Thurman of Longview are here visiting their parents, Mr. and Mrs. A. F. Thurman.

Jean Pearsey, daughter of Mr. and Mrs. Leon Pearsey had her tonsils removed at the Stamford Sanitarium last Friday.

Mr. and Mrs. Jno. V. Davis announce the arrival of a daughter Friday morning Sept. 6th in the Stamford Sanitarium. She has been named Dixie Jane.

C. A. Lewellen underwent a serious operation at Scott & White hospital last week and on last report was getting along as well as could be expected.

Mr. and Mrs. Curtis Rose are announcing the arrival of a six and one-half pound daughter on Wednesday, September 4th. She has been named Lyla Joyce.

Mrs. Carl Maples and Mrs. Owen Fouts spent part of last week in Dallas and Wichita Falls. They were accompanied home from Wichita Falls by Mrs. Maples' nephew, Douglas Taylor, for a few days visit.

Eugene Hunter, who recently underwent surgery at the Knox City hospital, was returned to his home here Friday in an ambulance from the Kinney Funeral Home.

### County Council Meeting Held Saturday.

Mrs. Charlie Conner gave an interesting talk on Farm and Home Beautification to H. D. Council members at a meeting held in the District Court room Saturday.

Beautifying your grounds makes your home more attractive and adds to the valuation. Lawns are very pretty even though they are small and should be left open. The moor river rivet makes an attractive and quick growth. Use Bermuda grass turf as it grows quicker and does not require so much water. She further said that the lawn should be lower than surrounding grounds to hold rainfall.

Walks may be very inexpensive yet attractive if made of gravel or rocks, and in laying the walks you form your flower beds.

In planting around house don't use plants so large they detract the view. The flowering would be better. The crepe myrtle vitex or butterfly bush are very pretty and grow quickly.

Plans for the Fair are being made and it is expected to have one of the largest and best exhibits the H. D. department has ever had.

The following were present: Mesdames A. A. Gauntt, John Baugh, Jesse Josslet, C. A. Thomas, R. P. Bernard, M. P. Cornett, Wiley Bean, Herschel Hines, W. E. Johnson, Date Anderson, W. C. Norton, S. G. Perrin, J. A. Landess, D. L. Speer, Jesse B. Smith, Virgil Bailey, Lucy Day, J. P. West, T. M. Patterson, Birdie Dickson, C. A. Lewellen, and Misses Nora Walters, Ruby Stodghill, Willie Belle Prierson, Willie John Fields, Maude Newberry.

### BONDS—

(Continued from First Page)

against the purchase of refunding bonds for the permanent fund.

Cities, counties and road districts of the State during the year refunded approximately twice as many bonds as during the previous year. This increased activity in refunding transactions is explained by the fact that officials of local subdivisions are learning that 5 1-2 and 6 per cent bonds refunded at 4 and 4 1-2 per cent can find a ready market. Such refinancing programs are steadily increasing in number and are resulting in a great saving to taxpayers throughout the State.

A conspicuous increase in road refunding issues is due to the action of the Board of County and District Road Indebtedness in refinancing outstanding term bonds into serial maturities at lower interest rates.

The position of Texas county and district road bonds on the municipal bond market has been strengthened materially by the State government's participation in the retirement of approximately \$93,408,912.85 of this class of securities. The measure of the State's participation in
