## REFLECTIONS

Strange how a landscape sets the imagination to work. Right now, looking at this scene, I can imagine all sorts of things.

Winged steeds riding to heavy music... pioneers in the wilderness... castles on the cliffs... boating at high speeds.

Look at the magic that enables the lake to mirror the rocky mountain peak and the heavens! The vastness and stillness of the scene sets my mind to wondering about time and space and things I will never understand.

But in standing here and wondering so, I feel like I've been near God.

There is a place where I can find Him always — in Church. Will you come with me?

**Birdie by Palmer, Wristwatch by Rolex.**

Watching the birdie when Arnold Palmer putts is a sport thousands of golf fans have played. Off the links, they notice Arnold Palmer, like many champions, wears a watch he never has to pamper: the Rolex Day-Date. Wearing one won't make you his equal on the greens, but you'll both be on a par in your choice of classic timepiece.

The Rolex Day-Date, epitome of flawless accuracy and distinctive good taste, is a 30-jewel chronometer, carved from a single block of 18kt. gold or platinum only. This superb instrument, with day available in 23 languages, features the matching President bracelet. Its famed Oyster case is pressure-proof down to 165 feet.

# 40 County 4-H Members Attending Round-Up

June is "Roundup" time in Texas--4-H Round-up, that is. The 34th annual Texas 4-H Round-up will be held at Texas A&M University June 3-4. More than 2,000 4-H members, volunteer leaders and coaches will invade the College Station campus for 40 action-packed hours of competition and fun, points out John

Schumacher, County 4-H Program Coordinator with the Texas Agricultural Extension Service, Texas A&M University System. Roundup is the culmination of competitive events which began at the local community level months earlier. Winners at county and district levels will be vying for top honors in the statewide competition.

Forty 4-H members from Fisher County which are competing in the State 4-H Roundup include Mike Morrow, Gary Don Harkey, Britt Stuart and James Jeffrey in the livestock judging; Jerilyn Marshall and Deanne Harbin in the safety demonstration; Linda Hoodenpyle and Sue Hall in pork demonstration;

Todd Etheredge and Tisa Lovett in the horse demonstration; Joyce Lynn Harkey and Julie Posey in electric demonstration. In the Cooperative Demonstration, Regina Stewart and Melody Hataway will be competing for top honors.

The Sare-The-Fun Group is composed of Jan Wright, Jill Wright, Tammye Halliburton, Lisa Hoodenpyle, Kelly Hunt, Julie Branson, Merry Johnson, Tina Hataway, Darrell Doty, and Leslie Carey. 4-H'ers competing in the entomology contest include Paula Terry, Forrest Graham, Alan Kiker and Kellie Pease; Jill Posey will be cooking for top honors in the State Food Show. Kip Pease, Mark Harris and Kelley West will be competing in the grass identification contest.

In the range evaluation contest, team members include Weldon Hayes, Keith Copeland, Darrel Carter and Spencer Houston. The dairy judging team will be Mark Nowlin, Gordon Mayberry, Darren Jeffrey and Tami Jeffrey.

4-H members 14 to 19 years of age will present method demonstrations and illustrated talks in 25 contest areas ranging from electricity to sheep. They will also use their skills in eight judging and evaluation events from meats identification to soils judging; and 4-H'ers will demonstrate their skills in marksmanship in the rifle contest, in speaking before groups in public speaking contest, and entertainment techniques in the share-the-fun contest.

Other events which are a part of Roundup include the State 4-H Food Show and the State 4-H Project Show. The Food Show

allows members to exhibit food dishes which they have prepared and to answer questions about nutrition as posed by the

judges. The project show involves hundreds of 4-H members in displays and exhibits depicting their particular project interest, from aerospace to crafts of all sorts.

One of the highlights of the Roundup will be the awarding of Texas 4-H Foundation Scholarships. This year, seventy-one 4-H members will receive college scholarships worth \$340,000 or an average of \$4,789 per recipient.

These scholarships are made possible by friends of 4-H from business, industry and organizational representatives of the private sector.

Roundup will also spotlight the achievements of adults who serve as volunteers in the 4-H program. The roundup Leaders' luncheon on June 4 will honor 28 of the state's most outstanding 4-H volunteers in Texas each year.

June is a busy month for 4-H'ers as Roundup leads the way.

Mr. and Mrs. James Duke

## Cheryl Striley, James Duke Exchange Vows

A sunrise wedding May 17 in Ceta Canyon Methodist Camp near Happy united James Melton Duke and Cheryl Lynette Striley.

The double-ring ceremony was in an open-air tabernacle with the Rev. Robert T. Metzger of Oakwood United Methodist Church of Lubbock, officiating, assisted by the Rev. Johnny Robertson of First United Methodist Church of Rotan.

The bride is the daughter of Mr. and Mrs. Cleo Johnson, Jr. of Amarillo, and the late James Albert Striley. She was given in marriage by her brother, Danny Striley of Amarillo, representing her family. The groom is the son of Mrs. Leon M. Duke and the late Leon M. Duke of Rotan.

The bride's matron of honor was Mrs. Kevin (Daren) DeSain of Longview, sister of the bride. Miss Donna Marie Day of Coleman served as maid of honor. Bridesmaids were Mrs. Clarence (Maria) Sadler of Abilene, Miss Elizabeth Ann Glassford of Wichita Falls, and Mrs. Hector (Marillia) Olivas of Abilene.

## Everything Is Fine

My loving wife of nearly 18 years has a keen knack of making her presence missed... as evidenced by the below true? story. Last Friday morning Janece and the two girls left town and headed to Ranger to see Janece's brother's oldest daughter graduate from high school. After leaving all the instructions, "be sure and pick-up the cleaning, make a bank deposit or we'll be overdrawn, get John to Little League (his uniform is in the dryer) remind Kip he has a 4-H meeting at 6:00," etc. she left saying she wouldn't be back until noon on Saturday.

I made it through the day Friday without incident, managed to get the boys to their meetings and games but around 7:00 pm, I started getting a funny feeling in the pit of my stomach. I knew I was in trouble when John innocently asked "what's for supper, Dad?"

Well, this shouldn't be a problem, I had seen Janece whip up supper in a flash on several occasions...so my first stop was the refrigerator. No leftovers to warm up, so that means we start from scratch.

I walked to the pantry-and felt like "Mother Hubbard". My wife has either been doing a super fantastic job of making something out of nothing or she conveniently ran out of groceries the very day she left town. As I gazed over the selection of chow in the pantry, I began getting nervous. John was due to play ball in less than an hour and I'm not finding much of a selection for dinner.

"Hey boys, how about green beans and apple sauce", I asked. That was rejected with several adjectives.

"Well, let see-we can open this dusty can of Chinese Chow Mein-but we don't have any noodles"-rejected.

Finally, back behind the light bulbs, aluminum foil and sandwich bags-I spotted a can of tuna fish. "Looks like it's tuna sandwiches or nothing", I announced.

Feeling rather triumphant at finding that squatty can of tuna, I assured the boys that supper would be ready in a jiffy. I had seen Janece make tuna sandwiches-no problem. Opened the can with the magic can opener, cut up some onion, bell pepper, celery-throw in some salad dressing and presto-tuna sandwiches.

"It's getting late Dad," announced John-"I've got to be at the field in 15 minutes". I assured my two sons that everything was under control and that I'd have supper ready in a flash. I opened the can of tuna, cried my way through slicing the dumb onion, carefully diced the bell pepper, (no celery) and went to the refrigerator for the salad dressing. Panic set in-no salad dressing.

"Way to go dad"-giggled my oldest son Kip-"I'll just grab a burrito from Allsup's on my way to the meeting, when's Mom coming home?"

John darted to his room came out with a handful of nickles and dimes and announced that he'd get a hot dog at the Little League field.

Just about that time Janece called to see how everything was going, "Everything is fine", I said. "Did you fix the boy's supper?", she wanted to know. "I sure did, fixed tuna fish sandwiches."

I didn't tell her no one ate them.

## Hustlin' Round Hobbs

By Joy Walker

Well we got another good rain Tuesday night, but it was very spotted, some folks only measured 1/2 inch, but here at the house we got 2 1/2 inches, to the water was running across the road again. West of Hobbs we only got a light shower so are getting all that planted before we can start down here. The wind has been blowing every day, also the sand, and we have got stuck in the mud once so far, but looks like it's finally beginning to dry up around here, although we still have those big lakes of water across the road from us.

We invite everyone to come to the Hobbs Baptist Church Revival which starts Wednesday night, the 4th of June, and will run through the 8th. Byron Bryant from Texas Baptist Children's Hospital in Round Rock will be bringing the message each night, beginning at 7:30, and then on Sunday we will have a Fellowship Dinner at the Church.

Mr. and Mrs. H.A. (Turo) Martinez and Nicholas from Fort Worth came for the Hobbs graduation and to see his sister, June Martinez, graduate. He is the son of Mr. and Mrs. Emilio Martinez and they really had a nice weekend visiting.

Mr. and Mrs. Howard Looney and Peggy left Alice and J.C. Caves Wednesday morning on their way back to Tampa, Florida. Mr. and Mrs. Bruce Schofield and family went back to Farmington, New Mexico Thursday morning, so J.C. and Alice have really had lots of company these past weeks. Mrs. Edna Ruth Cave from Sul Ross, Alpine, and Mrs. Everett Duke from Boswell, Oklahoma visited with the J.C. Caves one day last week.

Mr. and Mrs. Dave Cave went to Abilene on Sunday and picked up their granddaughter, Debbie, who is going to spend a few days with them. She is the daughter of Mr. and Mrs. Jerry Stephenson.

Mrs. Jimmy Walker sent to Snyder Tuesday night and attended a baby shower for Mrs. Paul Zeck. Pam is the daughter of Mr. and Mrs. Pat Patterson and at one time attended school at Hobbs. She and her husband have moved to Snyder from Wyoming. I got caught in that cloud although it didn't rain very much until after I left Snyder. Jim's sister, Mrs. Gillie Griffin, is still very sick and they had to take her back to the Intensive Care Unit on Saturday where she still remains. Melody went to Ozona for the weekend to visit Blake Moody and his parents, Mr. and Mrs. Foy Moody and family. She returned home Sunday night and then left for Tarleton where she is going to attend summer school. She arrived at Stephenville safely around 11 P.M. Mr. and Mrs. Jimmy Walker attended the 4-H Horse Show which was held Saturday night at Roby.

Mr. and Mrs. Steve Warren and family from Snyder spent Sunday and Sunday night with Mr. and Mrs. Rudolph Martinez. Mrs. Steve Warren is their daughter.

June 16th, the Ladies Auxiliary at the Fisher County Hospital will be holding a blood drive. It will be held at the same place as before, from 11:00 in the morning until 4:00 in the afternoon, and we invite everyone that can to

participate in this worthy cause.

Mr. and Mrs. J.W. Etheredge and Todd attended the 4-H Horse Show which was held at Roby on Saturday night and Todd participated in several of the events. He will now go to the District Horse Show which is going to be held at Stamford this year the last weekend in June. David Etheredge left early Monday morning with the Hobbs seniors for their trip to New Mexico, Colorado and Nevada. They will be gone over a week and we know they are going to have a wonderful time.

Lisa Hardin has returned from a visit to Portland and is going to spend the summer with her grandmother, Bea Hardin.

Mrs. Opal Phillips went to Mr. and Mrs. Gary Hyers on Sunday to help celebrate Lynn Hyer's 16th birthday. Happy birthday to Lynn. All the Porters and Phillips were there so they had a big crowd.

Mrs. James Ratliff and Teresa attended the 4-H Play Night at Roby on Saturday and Teresa participated in almost all of the events. She will also be going to the District 4-H Horse Show at Stamford.

Well this is about all for this week. See you next Thursday and we hope by then the sand will have quit blowing.

**Fisher County**  
**Commissioner Precinct No. 1**

★ Capable

★ Dependable

★ Willing To Work

As we near this most important time of selecting a new Fisher County Commissioner, I'd like to take this opportunity to let the voters of Fisher County and Precinct #1 particularly know my feelings on a few matters that I consider extremely important.

I have attempted to the best of my ability to contact all the residents of Precinct #1, and explain in my own words my ideas of what a commissioner should be concerned with in these fast changing times.

If the voters approve me, I have pledged myself to maintaining good county roads, and conducting the business of Fisher County in a fair, thrifty and efficient manner. If elected this Saturday, I want every voter to know that I intend to put the business of being commissioner first. I will be receptive to new ideas and assure every Precinct 1 resident that I'll listen to suggestions and assist with problems involving matters in my precinct.

I feel that I am qualified to serve in this very important office of trust. With the help of my supporters, friends and new acquaintances—I look forward to serving Fisher County for the next four years.

I have enjoyed meeting my friends and neighbors in Precinct #1 over this long primary period. Please make it a point to go to the polls this Saturday and give me the opportunity to serve as your new commissioner.
