Roby Methodist Church Conducting Drug, Alcohol Special Services

The members of the First United Methodist Church in Roby will be having a special program on Alcohol and Drug Abuse at their church services on Sunday, February 13th, according to Rev. Loren Gardner, Pastor.

The special program will begin at 9:45 a.m. on Sunday and will be centered around informing parents and grand-parents of all of the aspects of drug and alcohol abuse. Rev. Gardner has secured a panel of four individuals to

present this special program. The panel will include: Sheriff Mickey Counts, Judge Marshal Bennett, J.P. Chandler and Staff Sergeant Kathy Stevens, Drug and Alcohol Counselor for the United States Air Force. This special program will replace the regular Sunday morning Church School program.

The morning worship service, set to begin at 10:50 a.m. on Sunday, February 13th will also be devoted to drug and alcohol abuse programs. Rev. Gardner has made arrangements with the Texas Alcohol and Narcotics Education organization to provide a speaker for the morning worship service. Dr. Joe McLeod of Brownwood, a professor

at Howard Payne University is scheduled to give the main address. Immediately following the worship service, the youth of the church will be serving a stew and soup luncheon with the freewill offering going to church related youth projects.

Rotan Mayor Post, Two Council Slots Are Open

Rotan residents will be electing a Mayor and two councilmen when they go to the polls on Saturday, April 2nd, according to City Manager Kenneth Vann.

The terms of Mayor Les Sencil and councilmen Rodney Tankersley and Dr. Jerry Marshall expire this year. Mayor Les Sencil, in an interview last Tuesday morning, indicated that "I have not

made up my mind if I'll file for another term". He has served as Rotan's Mayor for the past 6 years.

Councilmen Rodney Tankersley and Councilmen Dr. Jerry Marshall have not filed for re-election, however the deadline for filing is not until March 2nd.

Additional information on filing for positions can be obtained from Kenneth Vann at the Rotan City Hall.

Pease Files For Position On F.C. Hospital Board

Kim Pease, Editor of the Rotan Advance-Roby Star Record, officially filed for a position on the Fisher County Hospital Board last Tuesday morning. He is the first to file for one of the two vacancies that will be voted upon by Fisher County residents.

The terms of Board President Albert Maberry and Board Member Glenn Copeland expire in 1983. Both have indicated that they will not seek re-election.

Other board members with remaining terms include: Dave Williams, Frank Mitchell and Raford Hargrove.

Deadline for filing for one of the two open Fisher County Hospital Board positions is prior to March 2nd with the election schedule for Saturday, April 2nd. Persons interested in filing can complete the necessary paperwork at the office of the Administrator, Fisher County Hospital.

Matthies, Deaton, McClure Seeking Roby Re-Election

Mayor Carl Matthies and Roby City Commissioners Ed Deaton and Jack McClure have all re-filed for positions in the upcoming Roby City elections scheduled for Saturday, April 2nd, 1983.

Deadline for filing is March 2nd. Those interested in additional information on filing for a position can contact Jimmy Price, Roby City Manager.

Vick Burk Named Jaycee Head

Dr. Vick Burk, newly elected President of the Rotan Jaycees, has issued an open invitation to any young man between the ages of 18 and 35 to be present for a meeting of the Jaycees on Thursday, February 10th at 7:30 p.m. at the old Art Studio Building in Rotan. The Jaycees recently re-organized and elected

the following slate of officers. President-Dr. Vick Burk; Vice President-Mickey Early; Secretary-

Dicky Knight and Directors-Joe Dickson, Guy Nelson and Ed White.

Senior Citizen Banquet

Fisher County 4-H members will host a banquet for senior citizens on Monday, February 14 at the Senior Citizens Building at 6:30 p.m. Good food and program by

4-Hers will make the evening a special time for our Fisher County Senior citizens. The 4-Hers encourage all Fisher County Senior Citizens to attend.

Law Enforcement Officials Nab Thief In Rotan

Rotan Police Department officials and Fisher County Sheriff's Department officials teamed up to arrest a Big Spring man in Rotan recently that has "unlocked" a string of approximately 45 burglaries and has resulted in the arrest of some 19 individuals in Big Spring, according to Rotan Police Chief Gene Pack.

At approximately 4:15 p.m., Monday, January 31, Pack and Sheriff Mickey Counts executed a "search and seizure warrant" on a Rotan residence recovering a stolen television that was taken in a Big Spring Western Auto burglary. The owner of the home was not arrested since he had purchased the television. After the television was confiscated, Counts and Pack went to another Rotan residence and arrested Joe Ledesma, of Big Spring, and charged him with the alleged sale of stolen merchandise. Ledesma was arrested, transported to Big Spring and is being held without bond. He was on parole for 10 years for aggravated robbery in Big Spring.

Roby School District To Elect Two

The members of the Roby Independent School District will be electing two members to the Roby School Board at the April 2nd election, according to Superintendent Jimmie Laurie.

The terms of Board President Gayle Morgeson and Board member June Wright expire in 1983. Their intentions for filing for re-election are not known at this time.

Other board members include: Judy Mauldin and Mike Terry with 1 year remaining on their term and Calvin Elkins, Jerry Upshaw and Scott Feagan with terms expiring in 1985.

Book Review Club Will Meet Feb. 15

The Book Review Club will meet February 15 at the First Baptist Church in Rotan.

Roby Man Arrested For Selling Pills

A 20 year old Roby man was arrested by Fisher County Sheriff Mickey Counts on Friday, February 4th on the Roby school grounds and charged with possession of amphetamines. After the arrest, the pills confiscated by Counts were sent to the Department of Public Safety Laboratory in Abilene to be analyzed. Counts received notification that the pills were "look-alikes" and only contained caffeine.

The individual was released by Sheriff Counts. Counts said "there is no law that prohibits the selling of pills containing caffeine. The sheriff did say that the department confiscated three types of pills (pink oblong, orange capsules and pink heart shaped pills) but that each one had the equivalent of as much caffeine as would be consumed by drinking three cups of coffee.

The pills were allegedly being sold as uppers (stimulants) to individuals in the Roby area.

Hits & Misses By The Newspaper Staff

This is the column you have all been waiting for. (For sure!) What you are about to read equals in intensity to some select segments of "Ripley's Believe It or Not." So...believe it or not...Kim's "other" newspaper is a nationally (actually, internationally) read tabloid (i.e.-a newspaper of small page size) on GOATS. I have the "honored" position (I watched Shogun all last week) of manager. Remember last week's column when the question "what do GOATS have to do with anything, anyway" was raised? Well, now you know...Sometimes I lay awake at night and wonder what it would have been like if Kim had bought a newspaper on elephants or scuba diving. Actually, it wouldn't have mattered because I know just about as much about those subjects as I did GOATS just a little over a year ago. The United Caprine News (UCN for short) is changing all that. Lesson one: the GOAT is related to the sheep but is of lighter build. It is a hollow horned (although a good many of them are polled/hornless) ruminant mammal of or relating to a group of hoofed animals (sheep, giraffe, deer, camels) that chew the cud. Let me mention here-ruminate-means to engage in contemplation/muse meditate.../to chew the cud. That is what sold me on these GOATS. They know how not to take life too seriously. The people who own them at the same way. Taking life in stride-keeping "close to the earth" thru their goats. There is MUCH left unsaid here, but Kim said write an article-not a book-so, if for some (strange?) reason you want to become more informed about this misinformed animal or maybe you are just plain curious call or come by the newspaper office for a complimentary copy of UCN. Maybe you have already decided you are serious enough to subscribe-no problem, just send \$8 (12 monthly issues) to UCN/Drawer A/Rotan, Tx 79546. If nothing else, "Feel like a kid again-drink (what else) GOATS milk."

Debby Wilfong, Production

This was swiped from Roy Cooper, Junction Eagle-ORGANIZED CONFUSION

Livestock are animals that are being bred and raised in the country to keep the producer broke and drive the buyer crazy.

Livestock are born in the spring, mortgaged in the summer, pastured in the fall and given away in the winter.

They vary in size, color and weight and the man who can guess the nearest weight and market grade is called a livestock buyer by the packer, a robber by the rancher, and a poor business-man by the banker.

The price of livestock is determined in Chicago and goes up after you have sold and down after you have bought. One packer sent a buyer to Chicago to watch the livestock market in action and report back. After a few days of penetrating study, he wired back to this effect: "Some say the market will go up, and some say it will go down. I say the same. Whatever you do will be wrong. Act at once."

Hooper Shelton, Printing

In these tough economic times, every penny saved is important. That's especially true when it comes to buying groceries, since the average family spends about \$3,000 a year on food. Paring down that annual grocery bill need not mean cutting back on nutritious meals. With the proper mixture of patience, persistence and a few well-honed supermarket survival skills, it's possible both to eat well and save money on your weekly food costs. From an economic standpoint, the majority of shoppers have poor buying habits. They don't know how to stretch their budgets to the limit. A big part of the problem is that we're a rushed society. Consumers go to a store and grab a can of food for supper. That is the worst way to shop. Start off by reading supermarket ads to find out where the best bargains are. Cents-off coupons have skyrocketed in popularity since the mid-70s, with more than 90 billion issued in 1980 alone. According to the USDA four families in five redeem coupons. If used wisely, coupons can certainly save money, but they can also be a major factor in grocery overspending. Be careful not to get caught in the coupon trap using coupons to buy products you really don't need. Some additional tips: Use unit pricing to find the food product that costs the least per pound, ounce or pint. Buy fruits and vegetables in season when they are often lower in cost. Avoid individually packaged foods. Extra packaging usually boosts the price.

Joy Walker, Correspondent

I stole an article like Hooper. I have been very impressed with 4-H for my kids and wanted to share an article from Pete Flores with you.

This year marks the 75th Anniversary of 4-H in Texas. Since 1908 when County Agent Tom Marks organized the original Boys Corn Club in Jack County, 4-H has grown into a dynamic organization of some 125,000 youth in Texas and more than 5 million throughout the nation. Out of the land-grant college system begun in 1892, a need evolved to educate young people who might be interested in following agriculture for a career. Thus the corn clubs of the early 1900s became the foundation for 4-H. These clubs were designed to teach the latest principles of agricultural production to youth who would, in turn, demonstrate their new-found knowledge and skills on their family farms.

With it's roots in agriculture, 4-H has since expanded and broadened it's scope and now offers more than 60 different project opportunities for boys and girls between the ages of 9 and 19.

The mission of 4-H today is to help youth acquire knowledge, develop life skills and form attitudes that will make them self-directing, productive and contributing members of society.

Today's 4-Hers are active in such areas as energy conservation, environmental improvement, community service and food production. They participate in programs that aid youth employment and career

ROBY DISTRICT RUNNERS-UP: The Roby Junior High squad was the 1983 District runners-up. Members are, left to right, front: Steven Hennington, Matt Floyd, Rudy Wallace, Freddy Perales, John Everett, Shawn Donham

and Matt Cove. Middle: Gerry Streety, Jeff Morton, Reggie Spencer, Jason Terry, Kris Neves, and Trey Gardner. Back: Lee Carlisle, D. Carreon, Kevin Stuart, Darryl Tompson, Jeff Hyer, and Todd Mathis.

Roby Lions Complete Undeclared District Season And Win Title

The Roby Lions went undefeated in district to capture the Championship. This brings their season record to 19-5. In the past six years the Lions have won three District Championships and one zone Championship. Last year they had their best

record 20-4 and didn't get out of district. The Roby Bi-District game will be against Rule. A date and site haven't been set yet. The Lions have one practice game set against Eula, Friday 12th tentatively in Abilene. They

also will play, probably Gorman or Wylie in Abilene, Tuesday the

16th. When dates are definite they will put it on the marquee at the court house. Coach Mickey McCarty said, I am proud of our players for winning the District Championship, but we have not reached our goal. We will have to improve even more to

reach our goal. To reach our ultimate goal we are going to have to be more dedicated and make more sacrifices. Our defense will definitely have to improve. From now on the teams will be equal in talent and it will be who wants it worse and who works the hardest in

practice. "In these practice games we can relax more and have fun, knowing these games don't count. We should have four practice games and we are trying to get some real good teams. We want to see if we can play with some of the top ranked teams in the State. Hopefully next Friday we may be playing Greenwood (the 4th ranked team in the State) in the Snyder

Coliseum. Greenwood finished 2nd in the State last year to Snook," concluded McCarty.

School Menu

The Rotan lunchroom menu for the week of February 14-18 is MONDAY Barbecue on buns, Potato chips, sweet relish, lettuce, tomato salad, pineapple cake, and milk. TUESDAY fried fish w/ Tarter sauce, whipped potatoes, seasoned green beans, orange wedge, hot rolls, butter, fruit bars, and milk. WEDNESDAY beef enchilada, pinto beans, corn bread, butter, fruit jello, and milk. THURSDAY chicken patties w/gravy, au gratin potatoes, green beans, hot rolls, butter, apple sauce, and milk. FRIDAY hot dog w/meat sauce, tater tots w/catsup, beans, cheese wedge, banana pudding, and chocolate milk.

Inside The Lions Den

By Mickey McCarty

I think our JV team had a pretty good year. We gained a lot of experience and played some tough teams. Our JV team is very important to our program. We will be counting heavily on these players next year. We will lose a lot of Seniors off our varsity. I think some of these JV players will be able to step in and help the varsity team next year. We will take some of them to the playoffs so they can

get the experience of the playoffs. Our JV was made up of totally sophomores and Freshmen and I feel they represented themselves well. Over all our Basketball program won. 1. Girls High School District Championship was undefeated. 2. Boys High School District championship was undefeated. 3. Girls Jr. High district championship was undefeated. 4. Boys Jr High runner-up in district -lost in playoffs. I am proud of our overall program success this season.

Martin Feed Adds Nursery

Martin's Feed and Garden recently purchased by Ivin Martin, has constructed a new nursery and hot house building, according to the store owner. "We've built a new nursery and as of this date it's fully stocked with a wide variety of trees,

shrubs, rose bushes and fruit trees" said Martin. The new nursery is located directly west of the main Martin Feed and Garden building. The hot house construction is finished and will house young starter flowers and plants in early spring, said Martin.

Palette And Brush Meeting

The Palette and Brush Club met for an all day workshop with Myrtle Joiner on Monday, February 7th. On February 21st, Louise Goodgame will meet with the local artists. Members present at Monday's meeting includ-

ed: Carolyn Simmons, Joan Terry, Noemi Cauble, Louella Waddell, June Anderson, Jonnie Hoodenpyle, Nan Arnett, Jackie Terry, Linda Callan, Wanda DeBusk, Ester Guerra, Maureen Stracener, and Merle Fitts.

Some men are remembered for their deeds . . . the battles they won and the prizes they gained. But not A. Lincoln!

Men still call him "honest Abe," and they take courage in his humility. Men honor his devotion to the principles for which he stood; they esteem his love for humanity; they marvel at his capacities for sympathy, understanding and forgiveness.

History has known few men whose memory could survive the hatreds of war and find sanctuary in the hearts of victor and vanquished alike. But Abe Lincoln belongs to all of America. Christian nobility is reversed for itself, whether it wore blue or gray.

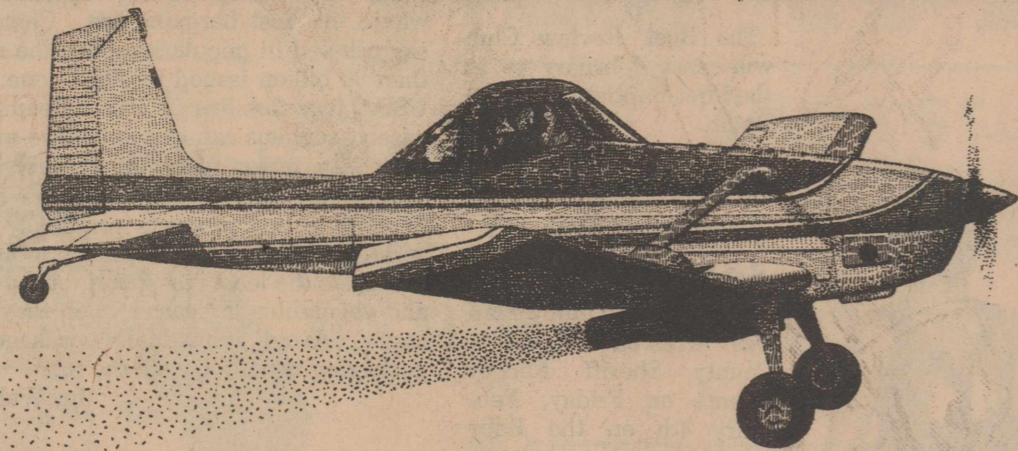

As the character of a man can bind up the wounds of a nation, so the Christian faith which moulded Abe Lincoln can build under God a world of peace and understanding. To that proposition our Churches and Synagogues are dedicated.

Stenholm Concerned Over Counties Not Getting Disaster Aid

Congressman Charles W. Stenholm said that while nine 17th District counties "may finally have some welcome relief" through Farmers Home Administration disaster loans, he remains concerned about other counties which requested the aid but were not declared eligible. Thirty-three Texas counties were declared eligible

January 20 for FmHA emergency (EM) disaster loans. However, 62 other counties, including 15 in the 17th District, were turned down for the lower-interest loans. "These are counties that are hurting--and will hurt more without some help," Stenholm said. "I have seen the damage in many of these counties person-

ally, and I know that many farmers were all but wiped out. How the Department of Agriculture can say these farmers are ineligible for EM loans is beyond me." Stenholm noted that the legality of the FmHA's

present system of designating counties eligible for loans is under challenge by Senator Thomas Eagleton (D-Missouri). Eagleton alleges that a 1978 law requires EM loans to be made on a case-by-case basis to all farmers who

qualify, rather than requiring a certain county threshold. The General Accounting Office agreed with Eagleton, and the matter is now under examination by USDA attorneys.

"I have asked USDA Undersecretary Frank Naylor to examine personally the records of some counties where losses were particularly severe," Stenholm said. "I am concerned that errors may have been made in assessing the damage suffered by these counties."

Stenholm added that he has requested a thorough review of all the counties in the 17th District which

did not qualify for EM loans, although they were on a list of counties submitted by the Governor's office for USDA's consideration.

There are also problems with previously-announced Small Business Administration emergency loans, Stenholm said. The SBA has been turning back a large percentage of applications for the loans, and though SBA should strictly follow its eligibility criteria, "there are increasing questions whether they intend to make more than a bare minimum of loans, despite the desperate straits many of our small businesses are in," Stenholm said.

"It also appears cooperative businesses are not being considered for these loans in an equitable manner," he continued. "I have introduced legislation correcting the unfair treatment co-ops have received in this area."

Counties in the 17th District declared eligible for FmHA emergency disaster loans include Crosby, Fisher, Garza, Glasscock, Haskell, Mitchell, Nolan, Runnels, and Scurry.

Counties for which the Governor had requested disaster aid, but which were not declared eligible by USDA, include Borden, Coke, Coleman, Howard, Jack, Jones, Lynn, Martin, Palo Pinto, Shackelford, Sterling, Stonewall, Taylor, Throckmorton, and Young.

Farmers in eligible counties who believe they qualify for a disaster loan should contact their county FmHA office, Stenholm said.

Rotan Girls Team Pulls Out Paducah Victory

The Rotan girls basketball team came from a 14-22 halftime deficit against Paducah last week to pull out a 44-42 win with Elisa Carrillo capturing the high individual scoring record for the game.

The Rotan girls trailed 8-10 at the end of the first quarter, fell to a 14-22 halftime deficit and trailed 31-33 at the end of the

third quarter.

Others scoring for Rotan were Jana Smith 6, Pat Martinez 6, Cathy Conner 6, Kellie Pease 5, Dana Nowlin 4 and Donna Martinez 1.

The high rebounder for the game was Dana Nowlin. Jana Smith had 6 of 8 free throws and Elisa Carrillo was credited with three steals.

Rotan JV Girls Squad Suffers 26-28 Loss

The Rotan junior varsity girls lost a 2 point decision to Paducah 26-28 last week but outscored the visitors 14-5 in the final quarter to come within 2 points of a tie.

Desirre Gray was the high

point individual scorer with 12 points in the Paducah game. Others scoring were Georgette Ramirez 8, Terri Whitefield 2, Andrea Callan 2 and Sonia Carrillo 2.

Funeral Services Held For Thomas Miller

Thomas Miller, 94, of Roby, a retired farmer, died at 12:30 p.m. Monday at Roscoe Nursing Home. Services were Wednesday at Weathersbee Funeral Home.

Wardell Haliburton of Roby Church of Christ officiated. Burial will be at Roby Cemetery.

Born January 30, 1889, in New Mexico, he moved to Roby in the late 1940's.

He married Shella Neely January 11, 1952, in Roby. She died March 13, 1977. He was a member of the Church of Christ.

Survivors include four stepdaughters, Mrs. John Chitwood of Hobbs, N.M., Mrs. Gladys Lee of Sweetwater, Mrs. Louis Price of Houston and Mrs. Mamie Kutuka of Bronte, and three nieces.

Rotan Varsity Boys Defeated Four Players Hit Double Digets

The Rotan varsity boys lost a 62-70 decision to Munday last Friday night with four of the 6 team scorers hitting double figures for the night.

Ben Bryan was the high point leader for Rotan with 16 points. Others in double figures included: Greg Gruben 13, Sammy Turner 15, and Scott Bryan 10 points. Additional team members scoring against Munday were: Kevin Copeland 4, Endgate Adkins 2 and Charles Williams 2.

Henry Ellis Attend Nat. Motor Meeting

According to Henry Ellis of Roby, discussions at the regional National Motor Club conference, held February 1, in San Antonio, Texas resulted in increased services available to the club's members.

As the Area Representative covering Nolan, Fisher, and Stonewall counties, Ellis is responsible for member enrollment in this area. Additionally, Ellis acts as a delegate at regional conferences carrying the views and needs of area members to the executive committee. At the San Antonio meeting, both the President of National Motor Club, Robert Earhart, and the National Sales Manager, Rodney Klepper, were on hand to present programs to better serve this community's motorists.

The country's leading association for motorists, National Motor Club represents over one-half million drivers nationally, with many of them located in the territory covered by Henry Ellis, a National Motor Club representative for 5 years.

It is predicted that a 20% increase in memberships will result this year as a result of the expanded services that NMC provides.

LOOK WHO'S HERE!

Mr. and Mrs. Douglas Upshaw of San Antonio wish to announce the arrival of twins, Meagan Nicole Upshaw weight 6 lbs born at 11:09 a.m. Jan 30, and Justin Fischer Upshaw weight 7 lbs 13 1/2 oz born 11:24 a.m. Jan. 30.

Maternal grandparents are Mr. and Mrs. Kenneth Justiss, paternal grandparents are Mr. and Mrs. Glenn Upshaw, all of Roby.

They have two brothers at home Brandon, age 4 years and Ross age 1 year.

Ryan Jeffrey Sells First Place Steer At Ft. Worth For \$2,100

Fisher County 4-Hers placed 6 out of 9 steers at the Ft. Worth Show last weekend. Ryan Jeffrey placed 1st in the Heavyweight Exotic Class with his 1325 Chianina Cross Steer.

Mike Byrd placed 5th in the Middleweight Exotic Class. Ricky Spencer placed 6th in the Middleweight Angus Class. Jennifer Wright placed 8th in the Middleweight

Shorthorn class and David Shipp placed 8th in the Heavyweight Polled Hereford Class. Alan Kiker placed 16th in the Middleweight Hereford Class. Ryan Jeffrey's steer sold

in the Premium Sale for \$2100. 4 other steers sold in the sale for \$1.20 to 1.35 a pound. 4-Hers will be competing in the San Antonio Show this week.

County Residents Eligible For USDA Butter, Cheese

Fisher County residents, age 60 and over, will have the opportunity to receive Cheese and Butter under the USDA distribution

program on Wednesday, February 16th, between the hours of 9:00 a.m. and 1:00 p.m. according to Annie Mae Weems, Coordinator of the Senior Citizen's Program.

This "give-away" is for residents of Rotan, Roby and other portions of Fisher County. Residents of McCaulley can get cheese and butter at the McCaulley Methodist Church and residents of Claytonville can pick up cheese at the Claytonville Community Center. Sylvester residents should see W. A. Cross.

Hospital Auxiliary Plans Blood Pressure Clinic

The Fisher County Hospital Auxiliary met February 7 for a regular meeting with eight members present.

The Blood Pressure drive will be March 9th at Western Auto Furniture Store from 9-4 o'clock. This is a free service to the public. We will also have a bake sale. Members are asked to please donate cake, pies, etc.

Members please pay your dues. The next meeting will be March 7. Please make plans to attend.

Card Of Thanks

The family of Margaret Guthrie would like to extend a special "Thank you" to all our friends and relatives of Rotan.

The flowers, prayers, food, cards, donations, visits, kind words, love and support during the loss of our dear mother are greatly appreciated.

To all of you that have made our loss a little easier to bear, we give our sincere thanks. Bobby, Gene & Candi Hayes Harold, Debbie & Am Gruben Glen, Betty & Jamie Strickland Stuart, Tammy & Tara Nowlin

Roby Varsity Boys Defeat Leuders Team

The Roby varsity boys team increased their district record to 7-0 on Tuesday, February 1st by defeating Leuders Avoca by the score of 62-47.

Robby King was the high individual scorer with 26 points. Others scoring included Jerry Wallace 11, Terry Coker 13, Joe Carreon 4, Chad Terry 4, Larry Williams 2 and Kirk Williamson 2.

Gruben Insurance Secures Federal Crop Certification

Dick Gruben of the Gruben Insurance Agency in Roby has achieved Certification from the Federal Crop Insurance Corporation to sell and service insurance coverage on cotton, wheat, and grain sorghum.

According to Ted Crouch, Regional Director of the FCIC, Dick Gruben earned the Certification by participating in an intensive training program recently conducted in Big Spring and successfully passing

examinations that required a knowledge of all aspects of the Federally-backed insurance program as well as of the coverage available for individual crops produced in Fisher, Jones and Scurry counties.

The training and testing program was initiated in the fall of 1982 to assure a high level of professional competency among private insurance agents who offer Federal Crop Insurance to farmers in their communities.

Calling Card Service Introduced To County

Roby and Rotan telephone customers (certain areas) can now take advantage of Calling Card Service, a feature that permits placing credit card calls without operator assistance.

Using the new system won't require many changes for customers, according to Jim West of Southwestern Bell. "Users will still dial zero-plus the telephone number as they do today,"

he said. "After the caller has dialed the zero-plus number, a tone will sound indicating the credit card number--now called a calling card number--should be entered. Billing will be handled quickly and automatically without operator assistance."

If the caller doesn't enter a calling card number, an operator will come on the line to assist in completing the call.

Calling Card Service will be available statewide by

the end of this year, he said.

"Users will find the service helps speed their calls along," West said. "In public places, it insures privacy as the number does not need to be quoted aloud."

Calling Card Service is available only from residence, business or public coin telephones equipped with Touch-Tone. Customers without Touch-Tone service can continue to place calling card calls

with operator assistance. West explained that since the service has been available in the 915 and 806 area codes, long distance operators have been relieved of approximately six percent of their

work load. He said the company hopes that figure will rise to 8 percent when the service becomes available statewide.

"Obviously calling card users are finding the new service a fast and convenient way to place calls," he said. "As the service allows operators to be more efficient with their time, customers will realize benefits in the form of better and more economical service."

Fisher County Grandparent's Corner

This column will be featured in our paper each week. Please send in your grandchildren's pictures with the information you wish to put in the paper. We will mail them back to you or you can pick them up at the newspaper office.

Hi! My name is Joshua Blake Carrier and I am 3 months old. My parents are Joe and Lupe Carrier of West Enfield, Maine. My grandparents are Mr. and Mrs. Nick Saucedo of Rotan, Mr. Epifanio Gaspar, Sr. of Big Spring, Mrs. Patricia Carrier of Lincoln, Maine, and Mr. Victor Carrier of Old Town, Maine. My great-grandparents are Mrs. Modesto Yanez, Sr. of Rotan, Mr. Stan Burgoyne of West Enfield, Maine, and Mr. and Mrs. Lucien Carrier of St.-Gedeon, Canada.

PIK Insurance Guarantees

Farmers who participate in the Payment-in-Kind (PIK) program are eligible for increased insurance guarantees on insured wheat, corn, grain sorghum, rice, and upland cotton at no extra cost, says F. W. "Ted" Crouch, Jr., Director for the College Station Field Operations Office of the Federal Crop Insurance Corporation (FCIC), here today.

To encourage the widest participation possible in the PIK program, FCIC will accept downward revisions of previously reported acres and increase the per acre guarantee on the remaining acreage. Downward revisions of acreage reports may be made until March 11, 1983.

For the 1983 crop year only, insurance guarantees on the eligible crops will be increased by the following proportions: a 6 percent increase for acreage reductions of 10 to 19 percent; an 8 percent increase for reductions of 20-29 percent; and a 10 percent increase in acreage reduced by 30 percent.

"Percentage reductions are calculated for acreage reductions above the regular farm program set aside," Crouch says.

Farmers may participate in the PIK reduction on one farm and not another. "Any increase in coverage," says Crouch, "will be in effect for the farm selected for PIK participation, without affecting the guarantee or premium on

the other insured farms."

"Upon acceptance of the revised acreage report, the premium will be recomputed on the reduced acreage and the per acre guarantee will be increased for the remaining acreage," Crouch states.

Under a bid arrangement, farmers may reduce the entire acreage to zero. In that case, a zero acreage report may be made to the agent by March 11. Farmers

should verify acceptance of the bid with their agent by March 18. If the bid is not accepted, the farmer remains insured for the acreage intended for harvest.

"Insured farmers should contact the local agent authorized to service their FCIC policy before March 11 to report any downward revisions on insured acreage and to gain the advantage of the increased protection," Crouch says.

DAR Book Dedicated To Miss Delilia Baird

Members of Tejas Chapter of the National Society Colonial Daughters of the Seventeenth Century met for a luncheon in the home of Mrs. Whit Clark in Rotan. Chapter President, Mrs. Bernie C. McCrea, presided. Luncheon was served by hostesses Mrs. Clark, Mrs. L. A. Sparks and Mrs. F. E. Tutt.

Following the hour of food and fellowship, the meeting was called to order by Mrs. McCrea. The opening prayer was voiced by Mrs. Alfred P. Harris, Chaplain. The Pledge to the Flag of the United States of America, the Americans Creed, and the Pledge to the Purposes of the Society were recited in unison. Josie Baird, national chairman of Resolutions and National Defense, requested resolutions from the group to be included in her report to the National Society in April.

The registrar, Delilia Baird, reported that Applications had been completed with documentation for three new members, and presented three names recommended for invitation to membership.

Yearbooks for the new administration were distributed by Mrs. Kenneth Whisenant, vice president and program chairman. Before giving out the books, Mrs. Whisenant noted that the book was dedicated to Miss Delilia Baird, organizing president of the Texas Chapter which has grown from fifteen organizing members in 1977 to the current membership of forty-three regular members and five

juniors. During business, delegates and alternates were elected for the General Business Assembly to be held in Washington, D. C. in April. Mrs. L. A. Sparks read communications pertinent to the

meeting, and reported that she had received the list of rare books from the College of William and Mary in Williamsburg, Virginia. This is a project of the National Society which replaces books of

the era of the seventeenth which were lost by fire from the Nicholson Library at the college. A number of the lost books have been located (original printings) by the college and replaced with funds provided by this Society.

too, have their place in the foundation laid for the development of the colonies that resulted in the American Revolution and the formation of our great country.

Attending the meeting were Mes. Alfred P. Harris of Kermit, Ruple Morrow of Rotan, McCrea, of Abilene, L. A. Sparks of Rotan, Ernest Thomas of Odessa, F. E. Tutt of Rotan, Whisenant of Abilene, G. C. Hanna, I. F. Roebuck and May Ross of Graham, J. Whit Clark and Misses Josie Baird and Delilia Baird of Rotan. The next meeting of Tejas Chapter will be in Big Spring.

Funeral Services Conducted For Rotan's Janie Phillips

Janie Phillips, 63, of Rotan, a former teacher and employee of Rotan Insurance Agency for 10 years, died after a long illness at 12:15 a.m. Thursday at Fisher County Nursing Home. Services were Saturday at 2:00 p.m. at the United Methodist Church of Rotan. Burial was in the Rotan Cemetery under the direction of Weathersbee Funeral Home.

Born September 25, 1919 in Ranger, she was the daughter of Mr. and Mrs. Doc. Dougherty. She moved to Fisher County in 1937 from Ranger and married Robert Phillips

September 1, 1940, in Rotan. She taught school here for several years.

She was a member of Delta Kappa Gamma and the Order of the Eastern Star. She was a member of First United Methodist Church, where she had taught a Sunday School class.

Survivors include her husband; two daughters, Mrs. Billy (Diane) Dycus of Loring Air Force Base, Maine, Mrs. Randy K. (Maxine) Odd of Richland, Wash., two sisters Pauline Morrison of Abilene and Genevieve Underhill of Denver City, and seven grandchildren.

Hospital News

The patients admitted to the Fisher County Hospital February 1, 1983 thru February 7, 1983 were Bertha Allen, Verna Mae Pittman, Fannie Nabors, Emsley M. Nolen, Ila O. Rivers, and Ollie Templeton of Rotan. Jose Segura of Jayton. Perry Rodman of Snyder. Fila Campbell, Mary Branson, Bessie Ashley, and Ruth Webb of Roby. Dapanah Jones and Jones Infant of Hamlin. Linda Rembert of San Angelo. Mattie L. Davis of Sweetwater.

County Extension Agent Home Economics By Alice Ballenger

Plans are now to start a mail-out series on Nutrition Today-Weight Control Tomorrow on March 7. The series of mail-outs is on hazards of being overweight and how to take off pounds sensibly and safely. Then how to keep the pounds off.

Changing eating habits that cause eating and thus overweight is explained in the letter series. The mail-out not only discusses overeating, changing food habits, but includes exercises to help burn calories.

If you want to receive this mail-out series, you can enroll by calling Alice Ballenger at 776-2171 or writing to me at Box 187, Roby, 79543. I need your name and mailing address.

Educational programs conducted by this office are open to all people regardless of age, socio-economic levels, race, color, sex, religion, national origin or handicapped.

A program on nutrition

will be presented at the Senior Citizen Center on February 15, immediately following the noon meal. These programs, given once a month are proper nutrition for the older adult and the idea is to help this group of people be more aware of things they can do themselves to have better nutrition and better health.

The lunch and learn

series we did last year for the homemaker employed in Roby will begin again February 16th. Programs this year will be offered once per month between 12:00 noon and 1:00 p.m. in the courthouse annex. Everyone is invited, but the program is especially for the homemaker who is employed and unable to attend programs offered at

other times of day.

Anyone attending may want to bring a lunch and eat while the program is in progress. Program topics this year include-Start the Day Nutritionally, Quick and Easy Meals, Tips for Eating Out, Weight Control, Saving Energy, Food Safety, Cooking for one or two.

Watch for further infor-

mation on these subjects as well as others coming up in the next few months.

Families can avoid the hazards of overweight by taking off extra pounds, according to a news letter series on weight control—currently offered to Fisher County residents by the County Extension Agent.

Families can change eating habits that cause

overeating and this letter series tells them how, Alice Ballenger, Fisher County Extension Agent, said. The series, Nutrition Today-Weight Control is available from Mrs. Ballenger by writing Box 187, Roby or by phoning 915-776-2171.

The Nutrition Today-Weight Control Tomorrow letters—mailed each month will feature such topics as

why people overeat, how to determine the amount of weight to lose and how to plan meals to control calories and behavior changes needed to maintain normal weight.

Families can lose extra pounds according to a free letter series available to Fisher County residents.

This series will begin in February, so call us today if you want to enroll.

Nowlin Announces Pioneer Discount

Stanley Nowlin, area dealer for Pioneer brand hybrids and varieties, has announced a 10 per cent discount available to farmers who purchase their seed between February 7-12.

The special price break is part of "Pioneer Days," a time in which Fisher County growers can take advantage of the discount, plus learn the latest information on which hybrids and varieties are best adapted to farming conditions in this area.

Growers are invited for coffee and donuts, Saturday, February 12, from 9 a.m. to 12 noon to discuss the Pioneer discount offer and review the selection of hybrids and varieties best adapted to this area.

To obtain the most profitable yields, it's important for growers to plant good, quality seed which has resistance to disease, insect and weather problems we often face in this area. That's one of the main objectives of Pioneer Day, to tell growers which hybrids and varieties per-

form best in this area, and furnish them with results of thorough yield tests conducted across the region.

For further information on the discount offer and Pioneer Days, contact STANLEY NOWLIN at (915) 735-2054. (ADV) 52:1tc

PIONEER DAYS

on your 1983 seed cost

Pay for your Pioneer, brand seed during Pioneer Days (February 7 - 12) and we'll knock off a full 10% from your seed bill.

That's like getting one bag free for every nine you buy. So even on borrowed money it's a good deal. Besides getting more for your money, you get these advantages:

- Assurance of the varieties you want when you're ready to plant.
- One less chore to worry about when you're busy in the spring.

Come see us during Pioneer Days. Save 10% and get a new cap just for paying for your seed or visiting with us about your seed needs.

Public Notice

Fisher County Commissioners will accept bids on the Fisher County Airport mowing and baling. Bids will be for one year, with the option to renew annually for a five year period.

Requirements are that hay will be mowed, and will be trimmed around lights and buildings. No hay will be stored on airport property.

Bids will be opened at the regular meeting of the Fisher County Commissioners Court, February 14, at 10:00 a.m.

The Fisher County Commissioners Court reserves the right to accept or reject any or all bids.

Additional information may be obtained by contacting the County Judge's office.

Four Terms Expire On Rotan School Board

The members of the Rotan Independent School District will be electing a total of 4 individuals to terms on the Rotan School Board at their April 2nd

election. The elected terms of James Carter, Roger Blackwelder and Donnie Gruben expire in 1983. The term currently being

filled-out by Bobby Smith will also be voted on in April. Smith was appointed to fill out the unexpired term of Board Member Alan Houston until the

April 1983 election. Board members Leo Long and Pete Fowler still have two years remaining on their elected terms, while Wayne Harris has a year

remaining on his term. The deadline for filing for Rotan School Board positions is prior to March 2nd, 1983. Election Day will be Saturday, April

2nd. Those desiring additional information concerning the filing for positions can contact Superintendent Jerry Dickson.

Ruffles And Spurs Square Dance Set

Ruffles and Spurs Square Dancing Club of Roby will be dancing at the Senior Citizen's Building Saturday night, February 12. They will begin at 7:00 p.m. The dance is free. Everybody is welcome to come watch or dance.

Public Notice

In order to implement prior orders of the Public Utility Commission of Texas in Docket No. 3957, notice is hereby given of Southwestern Bell's proposal to implement a new schedule of intrastate long distance rates, effective April 1, 1983, unless otherwise determined by the Commission.

It is expected that the proposed rate schedule will not increase the company's net intrastate revenues, but rather, the increased rates will offset increased settlements paid to certain other telephone companies.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

Changes in intrastate long distance rates would also affect customers of other telephone companies because such companies provide intrastate long distance service in accordance with rates specified in Southwestern Bell's tariffs.

Aviso Público

Southwestern Bell, con el objeto de cumplir con el decreto previo del Public Utility Commission (Comisión de Servicios Públicos) del Estado de Texas, Acta No. 3957, por la presente hace saber su intención de establecer un nuevo arancel de tarifas para servicio intraestatal de larga distancia, con vigencia a partir del 1o de abril de 1983, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel de tarifas que Southwestern Bell se propone establecer no aumentará sus ingresos netos intrastatales, sino que servirá para compensar el aumento de los ajustes que se les paga a algunas otras compañías de teléfono.

Una copia completa del nuevo arancel de tarifas se ha archivado en las oficinas del Public Utility Commission (Comisión de Servicios Públicos) en Austin, Texas, y esta disponible para inspección pública en todas nuestras oficinas en el Estado de Texas.

Aviso a los Clientes de Otras Compañías de Teléfono

Cambios en las tarifas para servicio intraestatal de larga distancia también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen servicio intraestatal de larga distancia en conformidad a tarifas especificadas por Southwestern Bell.

decisions, health, nutrition, home improvement and family relationships.

4-H clubs and projects are offered in virtually every community in the U.S. today, with local volunteer leaders providing their time and energy to insure that 4-Hers have a chance to grow and develop to their full potential. 4-H has come a long way since 1908, but many new frontiers still await to be conquered.

Janece Pease, Associate

One of life's minor annoyances is getting a magazine through a subscription and finding all those inserts in between the pages. These inserts or forms are usually for "new subscribers only" wanting some innocent bystander to sign up for a year's subscription. But for the guy that already has a subscription these forms are a hassle. As you go through the magazine you have to yank these forms out so the magazine won't close up on you. By the time you pull, tear, or yank these forms out you have seven or eight pieces of paper and a couple of paper cuts.

The magazine could save a lot of money for advertising, printing, postage, and so on, not having inserts. The magazine could offer its subscriptions at a reduce rate. And the cuts on my hands would heal.

Jimmy Markham, Bookkeeping

The Senior Citizens's Center of Fisher County is probably one of the best investments ever made for the older community by the members of the Fisher County Commissioners Court. Part of the original funding for the center was paid by Fisher County with part coming in the form of a grant from the Council of Governments. It now appears that the original building is going to be enlarged in order to accommodate the over-flowing crowds that attend the center functions. I don't think we could have invested the funds in anything that would have brought as much satisfaction and enjoyment to as many people as the Center does to the Senior Citizens. Last Tuesday a group of Sweetwater Senior Citizens (some 20 of them) provided entertainment for our county Senior Citizens by presenting a song program that lasted approximately an hour. The center was truly a good investment and will prove more so as years go by.

Kim Pease, publisher

County Agent Report

By Richard Spencer

Anyone who's been in the cattle and sheep business for more than a few years, knows there are certain seasonal price patterns. These are variations in prices that follow a more or less uniform pattern tied to certain periods or seasons of the year.

Price patterns are quite similar for most classes of cattle. Slaughter steers prices, for example, usually move higher in the spring and summer months from lows in the previous fall and winter. Feeder steers and calves as well as salvage cows have a seasonal price much the same. The degree of rise and price drop, however, is some more drastic for cows.

Cattlemen can take advantage of this seasonal price change by adjusting their marketing decisions. Selling cows or calves in the spring months usually will yield a far greater return than those sold in the fall. Of course, maintenance costs will also be different, so producers have to do a good job of keeping records and spend some time with a pencil and paper before a final economic decision can be made.

Sheep prices are always higher in the spring peaking about Easter. The lowest prices seem to be in the late summer and early fall.

Tax Planning

By Richard Rodgers, CPA

FARMER FILING DEADLINES!

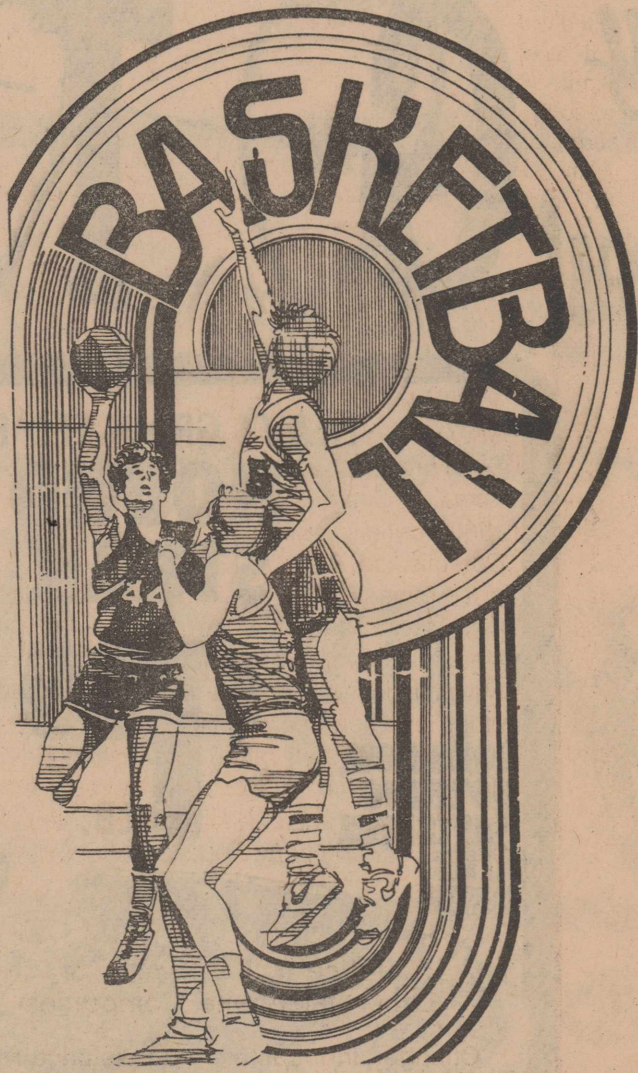

Quarterly tax estimates are required for most non-salary individuals; however, these rules do not apply to farmers. According to tax law, a farmer for purposes of filing a 1982 "Form 1040" is an individual whose gross income from farming is at least two-thirds (66-2/3% of his total gross income from all sources for 1982 or 1981.

For calendar year farmers there are two methods for avoiding penalties. First, a seldom used alternative was for the farmer to estimate his tax for 1982 and file and pay at least 66 2/3% of his total tax liability on or before January 15, 1983. If you paid this amount, then you have until April 15, 1983, to file your 1982 tax return. However, if you, like most farmers, did not file the January 15th estimate, then your only procedure for avoiding penalties on a 1982 "Form 1040" with a tax liability of \$200 or more is to file by March 1, 1983, and pay the entire tax due on the return. Many farmers do not realize that the only reason they have been paying penalties year after year in addition to the taxes is because they have not filed and paid the taxes by March 1st.

The penalty for farmers underpayment of estimated tax is 16% that begins January 15, 1983, and runs until the 1982 taxes are paid.

Many taxpayers at this time of year may be uncertain if they are considered a "Farmer" and if so, when should they file their return to avoid penalties. With the IRS interest rates at 16% presently, the only safe alternative for avoiding penalties is to see that your "Form 1040" is prepared and the balance due on your return is paid on or before March 1, 1983.
