# Independence Day

## Jaycees Slate Activities For Celebration

Independence Day will come two days early in Rotan as the Rotan Jaycees have scheduled a wide variety of activities that will provide fun, food and entertainment for everyone on July 2. The festivities will kick off at 10:00 A.M., Saturday and will run throughout the day. Highlighting the affair will be a giant sidewalk sale sponsored by many of

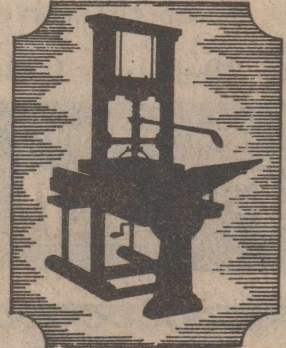

the downtown merchants and a slow pitch softball tournament that the Jaycees will be running. H.L. Davis, Winns, City Auto and Western Auto are a few of the merchants participating in the sale. The Jaycees have a total of eight teams entered in the single elimination tournament. It will start at 1:00 P.M. with the championship game scheduled for 8:30. Trophies will be

awarded to first, second, third and consolation. Teams will be playing under 3-2 rules which means each batter will come to the plate facing a 3-2 count and have just one pitch to work with. The Chamber of Commerce will be in charge of concessions and the Rotan Lions Club will sell snow cones at the games. In addition to the tournament, Jaycees will be

operating a sausage stand on the vacant lot next to Casa Morales. There will be plenty of opportunities to satisfy your hunger as several organizations have planned food booths for the day. These include a cake and pie sale sponsored by the Rotan Senior Citizens, an ice cream sale by the Young Homemakers and a bake sale put on by Calvary Baptist Church. Further, Cross Roads Baptist Church will continue their giant garage

booths downtown free of charge. "Anyone can set up a booth, all they have to do is show up. We won't charge them anything," said coordinator Dr. Vick Burk, who is president of the Rotan Jaycees. "We will not have a fireworks display, but I think we've scheduled a great lineup of events," Burk stated. Rotan Jaycees urge every one in the surrounding area to come out and enjoy a fun-filled day while celebrating our independence.

Individuals that have items to sell are welcome to set up flea market type

## Rotan, Roby Lodges Hold Installation

Officers for the Roby and Rotan Masons Lodge were installed June 27 in a joint ceremony at the Roby Masonic Lodge. Danny Helms of Rotan and Ben Neeper of Roby were installed as Worshipful

Master of their respective lodges.

Roby officers for 1983-84 are: Senior Warden, Raymond Driver, Junior Warden, Henry Ellis, Senior Deacon, Jack Pur-

sely, Junior Deacon, Lowell Thornbury, Tiler, Jack Mash, treasurer, Farrest Tefteller, Secretary, Jimmy Price, Senior Steward, Alford Carey, Junior Steward, Ed Deaton and Chaplain, Maurice Brooks.

Rotan Masons elected to office include Loyd Green, Senior Warden, Dale Ray Helms, Junior Warden, P.A. Marin, Senior Deacon, Melvin Clements, Tiler, Leeman Balanton, Chaplain, Kenneth Har-

din, Junior Deacon, Marvin Curtis, Senior Steward, Kim Pease, Junior Steward, Duane Underhill, Secretary and Benny Reid, Treasurer.

PUTTING OUT FLAGS: Fisher County VFW Post Commander Ben Reid unwraps one of 38 new flags recently purchased by the VFW. The new flags were purchased after \$600 was raised from merchants and individuals. The new flags will be flying in the center of Rotan on July 2nd, 3rd, and 4th.

## Lions Club Elects Officers, Purchase Building For Meeting Hall

Rotan Lions Club installed a full slate of new officers during induction ceremonies June 21. Plans to renovate two old buildings for a new meeting place were also announced.

Officers for 1983-84 are President, Jerry Dickson; 1st Vice-President Lester Sescil; 2nd Vice-President, Mike O'Neill; 3rd Vice-President, Jerry Dycus; Jerry Marshall, Secretary-

Treasurer; John Jackson, Lion Tamer; Don Bryan, Tail Twister; Song Leader, John Burtoft and Sweetheart, Robin Harris.

Phil Springer, Joe Dickson, Cleburne Murdock and David Hargrove were elected directors for the organization.

David Hargrove, incumbent president announced that the Lions Club had purchased the old insurance building and flower

shop across from Ideal Barber Shop, and have begun to refurbish the structures. The Lions will use the two buildings for their weekly meetings upon completion.

This will be converted into a park area with trees and benches.

"Our major goal here is to make a more attractive downtown area and meeting place for Lions Club," Hargrove commented.

The Lions have been trying to buy the buildings since March, these plans were finalized in May.

A new roof and front, kitchen and complete cleaning of the buildings are a few of the items the Lions have planned.

"We will do the work as we can, it may be a year or two before we are finished," said Hargrove.

In addition, the Lions also bought the vacant lot

south of the buildings. Members of the Rotan Lions Club include: Donald Bryan, Joe Dale Burk, John Burtoft, C.M. Callan, C.U. Callan,

James Carter, Clifford Clegg, Bill Day, Mike Dennie, Jerry Dickson, Joe Dickson, Jerry Dycus, David Hargrove, Wayne Harris, M.T. Hill, Glen

Holt, John Jackson, and Larry Landes.

Also, Loys Landes, Jerry Marshall Derrell Monday, Cleburne Murdoch, Mike O'Neill, Lester Sescil,

Clyde South, James Springer, Phil Springer, Bart Strayhorn, Luther Summers, Kenneth Vann, Mac Weathersbee, and John Weise.

## TSTI Computer Class Scheduled

Residents of Roby and Rotan surrounding area will have the opportunity to learn basic computer operations when TSTI-Sweetwater brings its mobile classroom to the city.

TSTI's Mobile Career Center, usually used in TSTI recruiting efforts, has been outfitted with computer terminals to allow students in the class hands-on experience in operating a computer. The basic course, Introduction to Computers and

Computer Operations, is designed to give an insight into computer terminology, software and different types of computers. It is ideal for those considering the purchase of a home computer or for new owners of home computers.

Classes will meet Monday through Thursday, Roby - August 8-11, Rotan - August 15-18, and persons may register for either afternoon or evening sections. The afternoon class meets from 2:30

- 5:30 P.M. and the evening section meets from 6:30 - 9:30 P.M. Tuition is \$30.00 and the

class is open to anyone 13 years of age or older.

See Page 2

## Construction Begins

Early stages of construction are underway on the new Roby gymnasium and band hall according to Roby superintendent Jimmie Laurie. "The dirt work has begun and we are awaiting a soil

sample right now," said Laurie. The sample is taken to insure the right density.

Construction will progress rapidly after July 4th when concrete work will start.

## Bell Requests Large Increase

The Public Utilities Commission has received a 1.2 billion rate increase request from Southwestern Bell Telephone Company. The increase will affect local rates charged to Fisher County customers.

The company's request is divided in three sections; an increase of \$450 million in depreciation expenses and other capital recovery changes that are more consistent with today's rapid technological changes, access charges of \$249 million to partially replace the subsidy provided by intrastate long distance revenues to local rates, and \$502 million increase statewide to recover added costs of doing business, and to produce a reasonable return to the Texas investment. Southwestern Bell will lose most long distance revenues at the end of 1983.

"Southwestern Bell urgently needs this increase to assure that we will be a viable, stand-alone company able to provide quality telephone service in Texas when we spin off from AT&T on January 1, 1984," said Paul Roth, vice president-revenues and public affairs. He also said that about half of whatever increase is approved would go to pay federal, state and local taxes.

This increase, if approved, will triple the one-party flat rate for residential service to Roby and Rotan customers. Presently, the average customer is

paying about \$7.85 and after the increase he will pay \$27.45. The one-party flat rate for business service will rise from \$18.40 to \$34.05.

In addition, Southwestern Bell is proposing major changes in charges for Directory Assistance Calls. The company wants to; reduce the allowance of calls to DA from 10. to 3 per month, increase the charge for each call over the allowance from 25 to 35 cents and begin charging for some calls to DA within certain areas Texas.

Roth explained that the company is researching and developing several lower-priced alternative offerings. Customers would pay for each call made, but their basic monthly rate would be substantially below flat rate unlimited service.

At the PUC's direction, the company is conducting a survey to determine customer preferences for these optional pricing plans. The survey results should be ready for the Commission's consideration later this year.

"With local rates rising to meet costs, it doesn't make sense for all customers to pay the same flat rate no matter how much or how little they use their line," Roth said. "People who use less should pay less."

CAMP: These three members of the Roby High School band attended the Band Auxiliary Camp held last week at Tarleton State University in Stephenville.

Representing Roby were, from left, Debbie Everett, Denise Goolsby, and Ellen Walker. The week-long camp included twirlers, drum majors, flag corps and rifles.

# LeBleu Completes Requirements For American Academy

Dr. Benie LeBleu of Rotan has completed continuing education requirements to retain active

membership in the American Academy of Family Physicians, the national association of family

doctors. The Academy formerly was called the American Academy of General Practice.

The requirements call for members to complete a minimum of 150 hours of accredited continuing

medical study every three years. Members become eligible for re-election at the end of the third year following their election to membership.

The Academy, the country's second largest national medical association, was the first national medical group to require members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in

Kansas City, Mo., was instrumental in the establishment of a new primary specialty in family practice in 1969. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's continuing education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

## Hobbs Homemakers Meet At Tutt Home

The Hobbs Extension Homemaker's Club met June 23 in the home of Mrs. Connie Tutt. Mrs. Walter Byrd, Pres. called the meeting to order and conducted a business meeting.

Mrs. Byrd presented a program on the subject:

Making Windows Energy Efficient. She stated that windows date from the earliest times when man moved indoors into fixed dwellings. The size and treatment depended on the climate.

The glazed window first appeared in the 12th

century, but by the beginning of the 16th century glass as common in windows in Europe. Glass windows have proved to be a problem in modern times of unprecedented rise in fuel costs.

Glass is an excellent conductor of heat. Heat flows out and is lost through window glass in winter, and in summer sun penetrates glass causing costly - to - cool heat build up in homes. For this reason window treatment becomes important.

Window shades provide the least expensive method of meeting this problem. They give privacy, cut out light and help conserve energy.

They also can be made as decorative as you wish or can be used along with other window treatments like draw drapes etc.

Refreshments were served to members and two visitors: Cassidy Early and Helene Tutt. Next club meeting will be with Mrs. Byrd on July 14.

Connie Tutt, Reporter

## Annual Robertson Reunion Held

The annual Robertson family reunion was held on June 19 at the Abilene State Park. Family members attending the picnic included: Ross & Faye Woolsey; Roby, Tx., Nita Rinker; Roby, Tx., Al & Shirley Miller; Whitebro, Tx., Dianne, Cherie, Shana & Shea Feagan; Roby, Texas, Kenneth, Nancy & Kirby Rasco; Robert Lee, Tx., Karen & Kenda Rasco; SanAngelo, Tx., Don & Norma Robertson; Grandfield, Okla.,

Jeff Robertson; San Angelo, Tx., Sharron & Jiggs Chadwick; Abilene, Tx., Frances Upshaw, Rotan, Tx., Heck & Gussie Robertson, Roby, Tx., Larry, Becky, Richie & Kelley Land, Georgetown, Texas, Bill & Dorothy Clay, Odessa, Tx., Karen & Les Robertson, Denton, Tx. David & Georgie Duke, Dallas, Tx., Barbara Garner, Abilene, Tx., Starla Garner, Abilene, Tx.

## Schur Guest Speaker At June Young Homemakers

The Rotan Young Homemakers held their monthly meeting June 14. Guest speaker for the meeting was Carolyn Schur, with West Texas Utilities.

Carolyn presented a program on "Microwave Cooking" and prepared a sampler meal of pepper steak, spaghetti squash, and Hummingbird cake for dessert.

After the program was concluded, a short business meeting was held. It was decided that the chapter would sponsor the homemade ice cream booth during the July 4th celebration.

Members and guests present for the meeting were: Patti Morrow, Cindy Fryar, Jaye Neice Clements, Barbara Tankersly, Becky Burk, Kather-

ine Ragan, Mary Grace Carrillo, Stella Garcia, Irma Carreon, and guests, Melba McCall, her mother Jimmie Matney, from Lipan, Tx. and Mrs. Mike Dennis.

The next meeting is scheduled for July 12. The program for this meeting will be announced at a later date.

Mr. and Mrs. Charles L. Underhill

## WHEREVER SHE WAVES

It's a thrilling sight to see our flag in a parade. We react in different ways. The stars and stripes make some of us think of Washington and his gallant men at Valley Forge. Others remember Pearl Harbor, the Normandy Invasion, Vietnam or some we may have known who gave their lives in one of this century's too frequent wars.

The flag of our nation is beautiful but it's what the red, white and blue stand for that makes us proud to be Americans. Wherever she waves, all the sweat, blood, sacrifices, honor, loyalty, heroic deeds and accomplishments of our 200 plus years are symbolized in Old Glory.

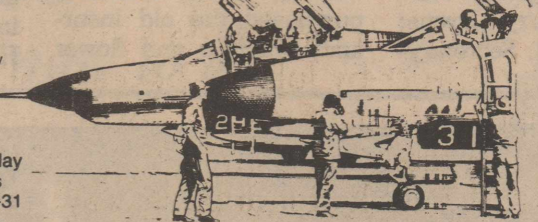

Just as our flag represents our country and the American people, the Church is God's major tool for continuing His witness and work in the world.

You are always welcome in the House of the Lord. And you will find a lasting inspiration there for your life.

## New Coach Pleased At Player Turnout

New Rotan Head Football Coach John Smith was extremely pleased with the players that greeted him during a meeting in the football field house Saturday, June 25.

"I would like to thank all the players that showed up and I am pleased at the prospects for a good year," said Smith.

He was hired in early June from a field of 40 applicants to replace Robert Damron who resigned the head coaching job to enter private business.

From early indications,

the Yellowhammers will be operating under a new system, running the Straight T offensively and the 59 on defense.

Giving an estimate of the type of players he expects this fall Smith stated, "I saw the look of champions in the eyes of the players last Saturday."

ROTAN, TEXAS

# Mark Parrish, Melody Walker Wed Ceremony June 25th

In a double ring wedding ceremony at 7 p.m. Saturday June 25th at Cross Roads Baptist Church, Rotan, Melody Walker became the bride of Mark Parrish. Bro. T.O. Upshaw of Stamford led the couple in repeating vows.

The bride is the daughter of Mr. and Mrs. Jimmy Walker of Route 2 Rotan, and parents of the groom are Mr. and Mrs. Lynn Parrish of Route 1, Dale, Texas.

Vows were repeated on the church altar which was centered with a rainbow candelabra entwined with greenery and accented with dusty rose pink bows.

Spiral candelabra entwined with greenery were placed each side of the altar. Other arrangements in the church were large vases of silk flowers in the bride's chosen colors of dusty rose and white. Pews were marked with large ribbon bows of dusty rose, and aisle markers with candles marked the pews where the mother and father of the bride and mother and father of the groom were seated. Mrs. Martin Blair from Midland was organist and rendered a selection of nuptial selections. Miss Laura Gruben of Rotan accompanied her father, Bobby Gruben, as he sang "You Light Up My Life" and "The Wedding Prayer".

Escorted and presented in marriage by her father, the bride wore a gown of white tissue taffeta and imported Swiss schiffli lace. The Victorian style gown had a high neckline lace. The Victorian style Vertical bands of imported schiffli lace trimmed the bodice and full bishop sleeves. A fabric flower accented the natural waistline and a border of schiffli lace edged the hemline and chapel length train of tissue taffeta. The bride wore a lace hat with a rolled brim accented with large roses and a net veil. She carried an arrangement of white silk rosebuds, sweetheart roses, cascading primroses accented with lace and satin ribbon and pearls. A lucky sixpence in a heart shaped filigree case centered the bouquet. The ribbons were tied in love knots.

The bride's gown was something new, something old was a sixpence from England which she carried in her show, something borrowed was a hoop slip and something blue was her garter.

The bride's maid of honor was Patti Parrish of Fort Worth, sister of the groom. Bridesmaids were Mrs. Robert Branch of Aspermont and Mrs. Pete Fincher, sister of the groom, from Bryan. The attendants wore matching long gowns of dusty rose quiana topped with V neck blouson bodice of dusty rose crochet lace. Their hair was accented with combs on which were matching silk flowers. They carried bouquets of dusty rose and white silk flowers with satin ribbons of the same color tied in love knots.

Candlelighters were

Evette Gruben and Carye Gruben, nieces of the bride. They wore matching dresses of white organdy accented with dusty rose flowers, trimmed in white lace. They wore wristlets of matching silk flowers and white baby's breath tied with white lace ribbon.

Best man to the groom was Wesley Drenner of Waco, and groomsmen were Pete Fincher of Bryan and David Senn of Webberville and Greg Gruben of Rotan. The groom and his attendants and ushers wore light gray tuxedos with slate gray velvet accents and white ruffled shirts.

The mother of the bride wore a formal length gown of gray silk while the groom's mother wore a formal length gown of light orchid chiffon. They wore corsages of dusty pink roses and baby's breath. Immediately following the ceremony the

fellowship hall of the church was the setting for a reception hosted by the bride's parents. The reception was catered by Garcia's House of Flowers in Rotan.

The brides table was laid with a white lace tablecloth over dusty rose, and an arrangement of silk flowers in a Compote marked the center of the table. The four tiered and island wedding cake was topped with an arrangement of silk roses. Nuts and rose and white mints in the shape of roses and wedding bells were served from crystal appointments. Punch was served from a crystal bowl.

The groom's table was laid with a beige cloth and was highlighted with a double horseshoe chocolate cake and a copper candelabra with dusty rose candles. Nuts and pink and white mints in the shape of boots were served with coffee. Copper

appointments were used. In the houseparty were Mrs. Carolee Senn from Webberville, Mrs. Wesley Drenner from Waco, Mrs. Wilber Gruben and Mrs.

Monte Morrow from Rotan. Mrs. Terry Franks from Snyder and Mrs. Donnie Gruben from Rotan. Seated at the guest registry table was Mrs.

Terry Franks from Snyder. Mr. and Mrs. Lynn Parrish, parents of the groom hosted the rehearsal dinner at the Holiday Inn in Sweetwater Friday

night. The couple left on a wedding trip to Hot Springs, Arkansas and will be at home in Arlington upon their return.

The bride is a graduate of Rotan High School and Tarleton State University with the B.S. degree. She will be employed by Italy, Texas, I.S.D.

A graduate of Lockhart High School, the bridegroom also graduated from TSU with a B.S. degree. He is employed at De Soto High School in De Soto.

Guests attended the wedding from Colorado City, Big Spring, Stephenville, Fort Worth, Stamford, Austin, Lytton Springs, Waco, Boerne, Snyder, Burnet, Lockhart, Abilene, Sweetwater, Midland,

Rotan, Aspermont, Byran, Webberville and Arlington.

The couple was feted with a Western party in Fort Worth at the home of Sandy Seuss, a gift Tea was given in Rotan at the home of Mrs. Bobby Gruben and a Wedding Shower was given in Lytton Springs at the home of Mrs. George Glass.

## County Agent Report

By Richard Spencer

Each year between June and September, Texas livestock producers can effectively control costly grubs by applying livestock insecticides.

Grub control can be achieved with a variety of systemic treatments which includes sprays, dips, pour-ons, spot-ons and feed mixes. However, insecticide impregnated ear tags being used for biting fly control do not control cattle grubs.

During late fall and winter, grubs appear on

the backs of livestock. It's too late to begin control measures then since most of the damage has already been done.

In addition to controlling cattle grubs, an insecticide used now will also provide contact control of horn flies for two to three weeks.

Insecticides suggested for grub control include coumaphos (CO-Ral), phosmet (Prolate), trichlorfon (Neguvon), famphur (war-bex) and fenthion (Tiguvon). Read and follow directions on the insecticide label before treatment. Cattle that are sick or under stress should not be treated. Dosage is determined by the body weight of the animal.

The cattle grub is the larval stage of the heel fly. The adult fly has no mouth parts, so it causes no pain to the cattle. However, it frightens cattle, making them difficult to manage. Animals often seek relief by standing in shade or shallow water.

The life cycle begins when the heel fly lays its eggs on an animal. The eggs, glued to hairs, hatch within a few days, and larvae (worms) enter the skin at hair follicles. The immature stages then migrate through the ani-

mal's body for six to eight months and reappear in the animal's back in the fall and winter, forming knot-like marbles or cysts.

Cattle grub losses are displayed in a variety of ways. Besides damaging meat and hides by their feeding activity, they lower beef cattle gains and reduce milk production throughout the year. Profit losses are estimated to cost Texas cattle producers \$8 - 10 million each year.

## Round Table Includes Newhouse

Bright K. Newhouse Jr., an Amicable Life Insurance agent, is among 4,600 members of the Million Dollar Round Table (MDRT) which gathered in Dallas, June 26-June 30 for exclusive life insurance sales association's 56th annual meeting. Thirty-nine countries around the world will be represented, making the MDRT meeting the most comprehensive sales forum in the life insurance industry.

## Little Leaguers Split Contests

Play in the Rotan Little League is winding down as four games were played this week. The final ball games are scheduled for July 1.

On June 24, the Vets took on the Yankees with the Vets winning by a 6-4 score. Lane Landes took the win for the Vets. Billy Wayne Speck and Kenny Warren paced the Vets hitting going 1-3 and 1-4 respectively. Jerry Carreon was the hot hitter for the Yankees going 2-3 and scoring 2 runs.

Friday's other game featured the Pirates and the Rebels. The Rebels

walloped the opposition 12-2. Carter Edmondson slammed an inside-the-park home run and Junior DeLos Santos knocked in three runs with a triple.

He also was the winning pitcher for the Rebels. The bright spots for the Pirates were Jesse Camer who went 1-2 and scored both Pirate runs, and Casey Green, 2-2 with 2 RBI's.

The Yankees and the Pirates showed that turn-about is fair play as they picked up wins in action June 27. The Pirates slipped past the Rebels 5-1 and the Yankees bombed

the Vets 17-8.

Heath Dickson went the distance on the mound for the Pirates and Sean Lee went 1-3 with 2 RBI's.

In the Yanks-Vets game, Yankee hitters had a field day as they rolled up 17 runs on 11 hits. George Patterson and Kevin Smith were the standout hitters

going 3-3 and 3-4. Jerry Carreon had a fine outing going 2-4 and knocking in 3 runs. David Shipp, 2-4 and Luis Garcia, 1-2 rounded out the Yankee attack. Patterson pitched the win for the Yanks. Billy Wayne Speck went 2-3 in a losing cause.

## Nowlin Named Chairman Of Local CF Chapter

The Lone Star Chapter of the Cystic Fibrosis Foundation announces the appointment of Ms. Aurora Nowlin as Chairman of its 1983 Campaign in Rotan.

The Campaign will be held to provide the community with information about cystic fibrosis, and to raise funds to support research, education, and care programs.

The #1 genetic killer of children, CF is difficult to diagnose and impossible

to cure. Each day five babies are born with the tragic disease that will clog and choke their lungs and inhibit their digestive processes and their growth, the disease that will eventually take their lives as it takes the lives of three people each and every day.

For information about cystic fibrosis and how you can help in the fight to find a cure, please contact Ms. Nowlin.

## Tax Planning by James Rodgers, CPA

### ESTATE'S VALUATION

(Don't Get Trapped)

Under the current tax law your basis (cost) in an asset received from an estate is the value you must use for determining your gain on subsequent sale of the assets. This value is also used for depreciation deduction purposes on business assets.

For various reasons some assets may be sold during or shortly after the administration of the estate. There could be serious income tax consequences for improperly valued estate assets when a sale is planned for the near future.

Assets are often valued at a low figure for the purpose of saving federal estate or state inheritance taxes. Yet the dollars paid in income tax upon sale of the asset could be many times greater than the additional death taxes caused by properly valuing the estate.

Most often the appraisers of estate assets are not qualified income tax practitioners and the person reviewing that appraisal may likewise be unqualified in income tax problems. The result is that the assets are passed through at an artificially low value.

On some small estates an asset could be reflected at full resale value and create no additional death taxes. If you are the recipient of estate property valued at \$25,000, you will pay no income taxes if you subsequently sell it for \$25,000. If \$25,000 is a fair sale value and the asset is reflected in the estate at \$10,000, a subsequent sale for fair value will create taxes on \$15,000 of gain. Yet, a proper estate value may cause little or no additional death taxes.

Some estate representatives pay close attention to this income tax problem while others ignore it completely. The personal representative of the estate would be well advised to determine to his satisfaction that the income tax consequences have been weighed against the state and federal death tax considerations.

## Hustlin' Round Hobbs

By Joy Walker

We have really had a good week of hot weather, although some folks got lots of rain, and others didn't get but just a trace. Saturday it rained but it was very spotted and just a few folks benefitted. The little cotton really looks good now and with all this sunshine, it should really start growing.

Jackie Cave from Farmington, New Mexico, underwent surgery at Houston on Wednesday, and when Alice called he was doing real good. He had to have 5 by-pass surgery, but the Doctors were real pleased with his progress and expect a full recovery. Mr. and Mrs. J.C. Cave flew to Houston on Saturday to visit with Jackie and expect to be back some time today. (Monday) We hope that Jackie will continue to improve.

Mr. and Mrs. Fred Boydston and family from Mesquite spent the weekend visiting with Mr. and Mrs. Frank Boydston.

Mr. and Mrs. Rudolph Martinez went to Lubbock last week and Rudolph took some tests for his heart. He is going back to the hospital in Lubbock today and Tuesday they are going to do an angiogram. We hope to hear that all of the tests are good.

Mrs. Pauline Chandler from Stephenville and Mrs. Millie Jordan from Dublin visited with the J.D. Kincaids Thursday and Friday. They are both Lucy's nieces.

Mrs. Opal Phillips has been gone, visiting with Mr. and Mrs. Ron Burtis and family in Odessa and with Mrs. Neva Phillips in Grand Falls. She stayed for about 1 1/2 weeks so really had a good visit. Mrs. Bea Hardin has also been visiting. She went to Bellville and visited with Mr. and Mrs. Wesley Hardin; she left Thursday and spent a little over a week, returning home this Saturday. She also visited in Houston while she was there. Morris Hardin from Lubbock visited with his mother over the week-end; he stayed until Monday.

Lealon Wilburn returned home from the hospital in Sweetwater on Sunday. He seems to be feeling much better and we hope that he will continue to improve. Mrs. James Sherill of Sweetwater and Mrs. J.W. Etheredge have been staying at the hospital with their mother and dad.

Jim and I have had a busy week, but now that the wedding is all over, maybe everything will settle down and we can relax a little. We went to Snyder on Wednesday, and then Mark, Melody and Patti Parrish came here Friday. We all attended the

rehearsal at the church Friday night, and then attended the Rehearsal supper which was held at the Holiday Inn in Sweetwater. All of Mark's folks and Mark stayed at the Holiday Inn in Sweetwater. Saturday Melody and I went to Snyder. There was sure a lot of folks at the wedding and it all went off just fine, and was very pretty. Such a lot of work for just such a short time, but it was real nice anyway, and worth all the hard work. We visited with Mark's parents and Mr. and Mrs. George Zimpleman at the Holiday Inn after the wedding, also with Mr. and Mrs. Charles Kidd, Mr. and Mrs. Scott Thomas and Mr. and Mrs. Gary Michalek from Abilene and Arlington. Melody and Mark left from there to go to Hot Springs, Arkansas.

Well know that I have missed some this week, but will catch up next week. Have a happy and safe 4th of July.

## Pal Club Meets

Mrs. Florine Swaringer and Mrs. Virginia Rogers were hostesses to the Secret Pal Club Wednesday, June 22nd at 2 P.M. at the home of Mrs. Swaringer.

Members present were Mary Ann Rodriguez, Mrs. Lillie Herron, Mrs. Opal Burch, Mrs. Natalie Gribbin, Mrs. Bertha Allen, Mrs. Lorena Darden, Mrs. Teresa Dycus, Mrs. Bessie Eaton, Mrs. Hazel Smith, Mrs. Lucy Neal, Mrs. Virgie Weems, Mrs. Anna Knox, Mrs. Emma Lloyd Morris, and the hostesses Mrs. Swaringer and Mrs. Rogers.

It was revealing time and new secret pals were drawn. Delicious refreshments were served.

## Henry Hostess

Mrs. Howard Henry was hostess to the Friendship Club at the South West Savings and Loan building on June 22nd.

After a business meeting secret pals names were revealed and gifts exchanged and new names were drawn.

Refreshments of chips, dips, olives and different cookies and cold drinks were served.

Every member was present. Next meeting will be July 6th in the home of Ova Bennett in Roby.

The Texas Farmers Union (TFU) recently released its ratings of members of the 68th Texas

Legislature and local Representative Steven A. Carriker and Senator Ray Farabee both scored 100%

on issues of concern to Texas' family farmers and ranchers.

TFU rated legislators on five issues which received record votes in the recently concluded legislative sessions: Brucellosis control; preserving the State tax exemption on gasohol; equalizing freight rates for agriculture; emergency grain storage, and funding of the Farm and Ranch Finance Program.

According to TFU President Mike Moeller, a grain and beef cattle producer from Hays County, "Too often we criticize our

elected representatives for their failure to support family farm agriculture. We in the Farmers Union think it's time we gave credit to those members who have the courage to go on record in support of their farm and ranch families."

"We want to call attention to the men and women in Austin who stand up for agriculture. We hope the voters in their districts will take time to thank them."

In the House of Representatives TFU rated 18 members as 100% supporters and in the Upper House, six Senators received perfect scores.

Headquartered in Waco, with legislative offices in

Austin, the Texas Farmers Union is a statewide organization of family farmers and ranchers. Organized at Point, Texas

in 1902, the Farmers Union represents the interests of its members in Austin and in Washington, D.C.

# Carriker Receives Perfect Score From TFU

## Zipper Advantages

Zippers provide a fast and easy means of getting in and out of clothes. Over time they have become much lighter, and virtually invisible in the garment.

As you choose a zipper and application technique, consider the hang of your garment as well as the care and location of the closures. The length and type of zippers needed will be indicated on the pattern envelope. But you may decide to use different length zippers because of body proportions or convenience. A longer opening lessens the strain on the zipper as you get in and out of the garment.

There are many techniques for inserting a zipper. Follow the directions that come with the zipper package or check directions in your favorite sewing book.

Here are some additional hints on improving the look and ease of inserting zippers in home sewn clothes:

Always close the zipper before drycleaning or laundering.

Pre-shrink the zipper if it will be used in a washable garment.

Stitch the zipper opening edges directionally in the seam allowance according to the pattern.

Extend seam allowances of the zipper opening in your garment with added seam binding if they are less than 5/8 inches wide.

When pinning the zipper in place, work from the top downward.

Plaids or stripes should match at the zipper closing as well as at the other seams. With a regular zipper, baste the closing shut, matching the pattern of the fabric; with an invisible zipper, mark the zipper tape with lines corresponding to the pattern of the fabric.

Always sew both sides of the zipper in the same direction, preferably from bottom to top. This

eliminates puckering.

Use the sewing guideline that is woven into some of the regular zipper tapes to give you a straight line of stitching.

To stitch past the slider, leave the needle in the fabric, raise the foot, and move the slider up or down.

Bias seams or stretchy fabric will require stabilizing before inserting the zipper. Cut two strips of seam binding the length of the zipper opening, and baste it to the wrong side of the fabric along the seamline in the seam allowance.

While there are no fool-proof methods of applying a zipper, methods have improved considerably over the years.

## Weevils Found

Boll Weevils have been found in high numbers in squaring cotton fields. All fields should be observed very closely when pinhead-size squares begin to appear. If weevils are found, apply insecticide when the first squares reach the 1/2 grown stage.

This is one quarter inch in diameter, the same as a pencil eraser. A second application made 3 to 5 days after the first will be needed if boll weevils are still found 3 days after first treatment. Theromone trap catches have been extremely high, so boll weevils are likely to be found. Pinhead to 1/2 grown square can occur in a week, so check fields now to prevent future weevil outbreaks.

Frank Hale

## Waddell Reunion

The annual Waddell Reunion will be Sunday July 3rd in the Fire Hall in Roby. Friends of the family are invited.

## Maintenance Continues

Summer maintenance work is continuing at Rotan Schools and according to superintendent Jerry Dickson, the project in proceeding rather well.

"Right now we have finished closing up the windows and we are about to start stripping, varnishing and waxing the floors in all the buildings," said Dickson.

Items that are planned for the remainder of the summer include: roofing work, air conditioning and touch-up painting work.

"At the present time we're in a slow period, but we expect to get a great deal of work completed before the summer is over," Dickson commented.

# How much is your BANK CHECKING ACCOUNT COSTING YOU?

# Three Relays, Roddy Qualify For Regional AAU USA Junior Olympics

Coach Ted Posey qualified three relay teams and one individual to the regional AAU/USA Junior Olympics track and field meet at New Orleans, July 8-9, after placing several in the top two at the

qualifying meet last Saturday. The qualifying meet, held June 25 at Borger High School, required contestants to place in the top two in order to qualify for the regional contest.

There are four divisions in the AAU/USA Junior Olympics, Senior Division (17-18), Intermediates (15-16), Junior Division (13-14), and Midgets (11-12).

Rotan's senior entries qualified the sprint and mile relays to regional by finishing second in both races to the Odessa Track Club. The sprint relay team made up of Ben Bryan, Charles Williams, Rue Moran and Sammy Turner ran a 44.9 while the mile relay team, of the same members, ran a 3.46. Williams paced the mile effort with a quarter time of 53.34. Other seniors placing included:

Bryan, 5th in the high jump with a 5'10" mark, Turner, 3rd in the 100 and 200 meters with times of 11.3 and 23.18 respectively, and Moran the 1500

meters in 4.51 to finish 3rd.

In the Intermediate division, the mile relay team ran a 3.57 to win the event. Team members included Tommy Chase, Dave Daniels, Willie Roddy, and John Pease. Pease turned in the fastest quarter time at 56.79. These same four barely missed the qualifying mark in the sprint relay by turning in a third place performance with 48.7. In addition Chase

was fourth in the 110 m. hurdles with a 17.3 time and Roddy placed fifth in the same event.

Robert Roddy was the only Rotan entry in the Junior division as he placed 1st in the 800 meter run at 2.24, and 4th in the 200 meters with a 25.9 clocking.

Aaron Porter ran the 100, 200 and 400 meters but did not place in the Midget division.

The AAU/USA Junior

Olympics National Meet will be held on the campus

of Notre Dame University in South Bend, Indiana.

# JULY 4<sup>th</sup>

## **A Time to Repledge Ourselves . . .**

*Born of a revolution, this country began with a pledge: liberty and justice for all. Now... years later...we, the American people, are still striving for these goals. It's easy to find fault... but it takes dedication and unity to bring about change, as our forefathers did. We have the freedom now to do it peacefully. Let's celebrate that freedom today and honor our nation for what's been achieved. Then, let's join together ...with a renewed sense of purpose... to reach our goal.*
