This month's payment brings the cities' year-to-date totals to \$439.3 million compared to \$392.9 million during a comparable period in 1980.

On a statewide average, sales tax payments are up this year by nearly 12 percent over 1980, according to Bullock.

Bullock said the August payments include quarterly payments from merchants and businesses for the year's second quarter.

Knox City's net payment for this period was \$14,305.25 as compared to \$6,501.02 for the same period in 1980. Payments to date for 1981 total \$48,367.22 reflecting a 15.25% increase over last year's payments to date of \$41,967.24.

Munday's net payment for the period was \$7,240.21 as compared to \$8,240.92 last year. Year-to-date payments total \$2,666.97, a 0.59% increase over 1980's \$2,474.69.

Net payments for the period for other area towns included Benjamin \$1,486.19, Goree \$1,129.41, Haskell \$24,733.75, O'Brien \$258.53, Rochester \$2,180.43, Rule \$4,217.73, Seymour \$24,848.86, Stamford \$23,313.03, and Weinert \$441.57.

## Lions Club News

By James Patterson

Wednesday, August 12th

The regular luncheon meeting was well attended, with Lion President Dick Evatt, presiding. In fact, as members and their guests began to arrive shortly before noon and indications were pointing strongly toward an "overflow" crowd, the cooks became fearful that there would not be enough, but as it turned out, there was plenty for all, with some left over. The meeting began by singing, "America", and the invocation was given by Lion Secretary/John Gillispie.

After the meal, guests were introduced among whom were Scott Lynn, Paul Rucker of Dallas, Orville Dear of Azle, and Jesse Blankenship of Holliday, plus those who were on the program.

Program Chairman, Lion Gillispie, presented the program, singing group, "Divine Touch". These were

a part of the "team" in the Haskell Evangelism Crusade. They were all students of Southwestern Assembly of God College in Waxahachie. Members of "Divine Touch" are Lee Martin of Montgomery, Alabama; Laurie Buttles of Antlers, Oklahoma; Armand Egnue of Ponchatoula, Louisiana; Bobbi Buckingham, of Orrville, Ohio; Julie Bruce of Baton Rouge, Louisiana; and Jerry Epps of Parkin, Arkansas. The group presented their special music with "sign language" and gave "Christian witness" before each of the following songs, "I Just Came to Praise the Lord", "I Am a Believer", "Only God Can Change A Life", and "To God Be the Glory". Their closing prayer included, "Thanks, Challenge, Intervention and Invitation".

The meeting closed with the "drawing" in which Pete Williams name was picked - he was present and his wife received a pair of hose.

Lions and guests were dismissed with the Pledge of Allegiance to the flag of the United States of America, led by the Lion President.

## NOTICE

### IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as a safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

By OZELLE STEPHENS

"How does a man become wise?" (Prov. 1: 7)

King Solomon, the son of David was said to be the wisest man to ever live and there would never be another like him. He wrote the Book of Proverbs which is full of many wise instructions for man to live by. He wrote and taught these proverbs to teach people how to live -- how to act in every circumstance, for he wanted people to be understanding, just and fair in everything they did. He said, "I want to make the simple-minded wise." He went on to say, "I want to warn young men about some problems they will face. I want those already wise to become the wiser and become leaders by exploring the depths of meaning in these nuggets of truth."

How does a man become wise?, he asked. Then he answered, the first step is to trust and reverence the Lord.

Only fools refuse to be taught. Listen to your father and mother. What you learn from them will stand you in good stead, it will gain you many honors. Stay away from evil men, for crime is their way of life and murder is their specialty. When a bird sees a trap set, it stays away, but not men, they trap themselves. They lay a booby trap for their own lives. Such is the fate of all who live by violence and murder, and refuse to obey the Word of God. Call upon Him for wisdom. He will give it to you and make you wise, happy and prosperous.

# Thanks

We would like to express our appreciation to a man. This man is a doctor. He gave over seventeen years of his life to Knox City. He cared for us not only when we were sick, but also when we were healthy. It seemed as if he were always there when we needed him. He denied himself and his family not because he wanted to, but because he had to. He did these things because he was a doctor and a

friend. Dr. Howell, that's why we will miss you. You were a friend, a devoted father, and one of the most appreciated citizens in Knox City. We respect you not only because you are a doctor, but because of who you are and what you have meant to all of us. We also understand there comes a time when a man has given all he can give. Thank you and good luck to you and your wife.

Your Patients --  
but mainly your friends!

## Volunteers Work During WT Fair

For a year now, behind the scenes volunteers for the West Texas Fair and Rodeo have been quickly working to bring together this year's 75th anniversary edition. Leading the host of volunteers is the 27 member board of directors and 10 officers headed by president Russell Berry.

Providing the backbone of the structure are the division chairmen who organize and recruit other volunteers for their departments, secure judges, solicit entries and prizes. Within each department are the many volunteers who man the booths and stations, who help set up displays and keep the fair running smoothly. There are also the volunteer gatekeepers, ticket takers and parking assistants. Last year over 700 volunteers participated in some capacity toward making the Fair a success.
