...engaged

O'Brien Happenings

By AUDIE JOHNSTON

HERE AND THERE

Mrs. Serena Johnston, former O'Brien resident, visited friends and relatives here and her son, Billy Gene and wife, Ida Dean Johnston of Knox City over the weekend.

Wayne Rowan was in Han-

py over the weekend to attend a rodeo but due to rain, hail, sleet and snow the rodeo was called off.

Mr. and Mrs. Bert Davis of Snyder spent the weekend with Mr. and Mrs. Coy Hewitt, Vicki and Toni.

Visiting Mr. and Mrs. A.A.

Pierson over the weekend were their son, Ken, his wife Linda and their daughter Christal of Abilene, Mr. and Mrs. Willie Collins and grandson Aaron Collins of Knox City.

Audrey received word from his sister, Eutice Nicholas, of Nevada, Texas, is back in the hospital at Garland suffering from injuries in a car wreck in July.

Mrs. Mildred Draper spent a few days in Lubbock visiting her son, Mr. and Mrs. Kenneth Draper and daughters, Janette and Juanita and families.

Mrs. Hazel Hayes and Mr. and Mrs. Mark Reid of Munday visited Hazel's father Virgil Tate in Yale, Oklahoma, recently.

Visiting Mr. and Mrs. A.A. Cox last week were Mr. and Mrs. Irbly Carlisle of Anton.

Visiting in the Delbert Hayes home recently were Mr. and Mrs. Mark Reid of Munday, Charles Tate and daughter Kim, Delbert Ray Hayes, wife and daughter, all of Seymour, and Mr. and Mrs. Rayland Hayes and Shannon of O'Brien.

Butch and Scott Stephens visited Lubbock over the weekend with their mother and grandmother, Janoma Stephens, who is in Methodist Hospital and also with Mr. and Mrs. Randy Egenbacher.

Miss Morrow Ford To Wed December 4

Mr. and Mrs. Billie Ray Morrow of Rochester are announcing the engagement of their daughter, Johnnie Faye, to Sherrill Ross (Pete) Ford, son of John Ford of Graham. The bride-elect is the granddaughter of Mr. and Mrs. E.E. Underwood of O'Brien.

A 1978 graduate of Rochester High School, the bride-elect is employed by LeSage Industries of Graham.

The prospective bridegroom, a 1971 graduate of Graham High School, received a bachelor of science degree in general agriculture from Tarleton State University. He is employed by Dowell division of Dow Chemical of Graham.

A December 4 wedding is planned in Tonk Valley Community Church in Graham.

FROM LUBBOCK

Clay Hewitt of Lubbock visited over the weekend in the home of his grandparents, Mr. and Mrs. Buddy Angle and aunt and uncle, Mr. and Mrs. Dave Thompson.

WTU Gets OK On Intergrated System

West Texas Utilities Company and its three sister companies in the Central and South West Corporation have received approval from the Federal Energy Regulatory Commission (FERC) to interconnect with each other across state lines and operate as an integrated system.

The FERC in Washington authorized a proposal which will result in construction of electric transmission lines connecting the Southwest Power Pool with the Electric Reliability Council of Texas, which historically has operated strictly as an intrastate electric grid.

The proposal filed with the FERC for decision had been agreed to by all utilities affected, including Central and South West Corporation, Houston Lighting and Power Company and Texas Utilities Company.

Central and South West officials said the interconnection would be accomplished with construction of direct current (DC) facilities near Vernon in North Texas and near Victoria in Southeast Texas. The North Texas interconnection is projected for completion in 1984 and the Southeast Texas interconnection in 1985. Construction activities are expected to begin immediately following receipt of required regulatory approvals.

The CSW companies have sought for several years to integrate the CSE system, but were unable to do so because WTU and Central Power and Light Company of Corpus Christi are members of ERCOT and have not been allowed to operate in inter-

state commerce. The two other CSW companies are Public Service Company of Oklahoma, with headquarters in Tulsa, and Southwestern Electric Power Company, of Shreveport. Both are members of the Southwest Power Pool and already are engaged in interstate commerce.

SCS Says To Guard Against Dust Storms

According to Pete Elliston of the local Soil Conservation Service, sand or dust storms are our major air pollutant in Knox City.

Elliston stated that due to the sandy texture of some soils in Knox County many farmers leave vegetation either growing or in the form of residue from preceding crops on the surface of the soil to aid in control of this menace - old man dust.

Dust storms not only pollute the air but valuable small grained, highly fertile soil particles are blown from fields leaving the coarser, large grained particles in the field or along the fence rows.

Van and Gladene Green and Togo and Lucille Moorhouse attended the Guthrie Halloween Carnival Saturday night.

Mr. and Mrs. Raymond Yandell of Stafford, Arizona, are spending a few days here with her mother, Lora Hall and other relatives.

FHA NEWS
By Sarah Jones

Those who lead-follow
What do you think of that statement? It is really very true. Leaders are actually

dependent on the group members. They need their followers. Without them they would not emerge out of the group to become what they are. Leadership is a life style, a way of thinking and of doing.

Each of the local FHA officers is a leader, but you don't have to be an officer to be a leader! And by the same token - being elected to a leadership position doesn't make you a leader, it only gives you the obligation to lead. So all FHA members out there, remember this: U is half of us and U is nothing without you.

Houndettes Win First In Tourney

By Coach Dale Wainscott

The Houndette volleyball team placed first in the annual Knox City Volleyball Tournament. In winning, the team beat Woodson 15-13, and 15-1 and Hamlin 15-8, 14-16, and 15-8. The junior varsity was also entered but failed to place as Aspermont beat us in the first match (5-15, 15-4, 11-15).

The other placings in the tournament were Hamlin, second; Holliday, third; and Moran, consolation. Hawley also participated in the tournament.

Mindy Hutchinson and Sharon Roberson, both from Knox City, along with Mary Bolin and Haine Wade, both of Hamlin, Katie Jackson of Moran and Mironda Hoskins were elected to the all-tournament team.

Sharon was the team's leading setter for the tournament and Diane Helms led in spiking. Sharon, who also led in blocks, and Mindy co-

led in service, while Mindy also led in saves.

On the 27th, the Houndettes battled Moran in two matches. The scores were 15-6, 14-16, and 15-11 in the first match as the second match was won with 16-14, 15-13. Karae Beason led in spiking and Sharon in setting. Mindy led in saves and Sharon led in both blocks and serving.

The Houndettes play Harrold for bi-district at Holliday at 7:30 p.m. on November 9. The Houndettes

would appreciate support and hope fans will be on hand to cheer them on.

Youth Win 'Big' In County 4-H Food Show

Area youth took top honors in the Knox County Food Show Saturday, October 31. Winners earned first-place awards in three divisions, senior, junior, and pre-4-H which each included four classes.

First-place winner in the senior division was Kristi Boone of Knox City--nutritious snacks and desserts.

First-place winners in the junior division was Christy Morgan of Munday--main dish; Kacy Longan of Munday--nutritious snacks and desserts; Ann Parker of Munday--fruits and vegetables; Leah Boone of Knox City--breads and cereals.

These five 4-H'ers will represent Knox County in the District Food Show, November 14, at Sikes Center Mall in Wichita Falls. Judging will begin at 10:00 a.m.

First place winners in the pre-4-H division were Rebekah Duke of Benjamin--main dish; Jae-Jae Reneau of Munday--fruits and vegetables; Missy Reneau of Munday--nutritious snacks and desserts.

Other winners were: Junior Main Dish--Susie Morgan--blue ribbon; Angie Partridge, blue ribbon; Linda Hunter, blue ribbon; Christy Williams, blue ribbon; Amy Parker, blue ribbon; Janet Williams, blue ribbon. Junior Nutritious Snacks and

Desserts--Lynn Parker, blue ribbon; Beth Underwood, blue ribbon. Junior Fruits and Vegetables--Tina McDonald and Robin Reneau. Pre-4-H Main Dish--Sandy Patterson.

Judges for the event were Sherri Winders, Cottle County Extension Agent--Home Economics; and Carol Blake, Adult Leader of Paducah.

Adult leaders helping with the Food and Nutrition project groups were Jean Reneau of Munday, Frances Parker of Munday, Marlene Sipep of Knox City, Karen Patterson of Benjamin, Susan Jones of Benjamin, Lori Griffith, Beverly Tolson and Debbie Bufkin also all of Benjamin.

Ex-KC Man Resigning From Board

Former Knox City resident Ira B. (Rusty) Russell, who is Mrs. Fannie Watson's brother, recently resigned due to health reasons from the Dallas Postal Credit Union after serving for 26 years as director. He has been a member of the credit union since 1952 and was elected to the Board of Directors in 1956.

During his 26 years as director, he has for many years periodically served on the credit committee and many other various special committees. He was elected chairman of the board in 1966 and served in that capacity until 1977. His leadership as chairman proved a true inspiration (according to an article in the October 1981 Postal Courier, a publication of the Dallas Postal Credit Union) in the board's decision to approve plans for its new building which became a reality in July 1978.

Russell served as director for over half of the credit union's 51 year history, seeing it grow in size from 1,930 members and just under a million dollars in assets to a total service credit union of over 17.5 million dollars in assets with over 10,000 members.

During his Post Office career, he started out as a letter carrier and later became a mail clerk. Prior to his retirement with the Post Office in 1977, he was a mail expeditor for the first floor Box Section at the Terminal Annex Building on Houston Street. He had a total of 31 years' service with the Post Office when he retired.

According to the article, his genuine concern for his fellowman and his interest in their welfare caused him to have a keen sense of awareness of their needs.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"In every thing give thanks; for this is the will of God in Christ Jesus concerning you. (1 thes. 5:18).

In Paul's letter to the church of Thessalonica he was telling the people to keep safe in God our Father and in Jesus Christ. Always giving thanks to God for this is the right thing to do because of the wonderful way he keeps us in his care. We must be patient and keep complete faith as we grow in love for one another in spite of all the crushing troubles and hardships life brings. This is the only one example of the fair, just way God does things, for he is using our sufferings to make us ready for his Kingdom.

God has warned us to be careful in what we say about our brothers and they who sin and are frightened; He said, Take tender care of those who are weak; be patient with every one. See that no one pay back evil for evil, but always try to do good to each other and to every one else. Always be joyful, always keep on praying. No matter what happens always be thankful, for this is God's will for you who belong to Christ Jesus. Do not smother the Holy Spirit. Keep away from every evil. Give thanks to God always. (Thes. 5:14-24).

Cowboys' Wives Help With 'Happy Hill'

In a day when volunteerism is being stressed as at least a partial solution to some of our nation's social problems, the wives of the Dallas Cowboy football team--for the third year in a row--come up with a unique fund-raising idea to help some special children. Under the direction of Mary Breunig, wife of the Dallas Cowboys' middle linebacker, the players' and coaches' wives have compiled The Dallas Cowboy Wives' Family Fitness Guide and Nutritional Cookbook. All the proceeds from the sale of the book go directly to benefit the special learning handicapped children of Happy Hill Farm Children's Home. In its six years of operation, the Farm has never taken state or Federal funding. Bob Breunig serves on the Farm's Board of Directors.

"The past two seasons we've produced a very successful cookbook, featuring favorite Cowboy recipes and candid snapshots of players and their families," said Mary Breunig. "This year we've put together an entirely new kind of book called a 'family fitness guide.' "The Dallas Cowboy Wives' Family Fitness Guide contains helpful hints on how the Cowboy families maintain maximum health year-round. It features exercise routines, calorie-counting charts, a guide for measuring the effectiveness of various sports and exercises, and a variety of health tips. The book also contains information about the Cowboy families' exercise and sports activities, and candid pictures of the Cowboys and their wives and children. "This year the cookbook section contains

more salad and vegetable recipes, as well as some special health drinks and wholegrain bread ideas," says Mary Breunig.

Their cookbook idea was quite successful, and more than 36,000 copies of the first two editions have been distributed to every state in the country.

Bob and Mary Breunig have worked with the Farm almost from its beginning, assisting the founder and director, C. Edward Shipman, and his wife, Gloria, in providing a home and vocational training center for a group of learning handicapped boys and girls.

Happy Hill is a 266-acre working farm on the edge of Dallas-Fort Worth Metroplex. Their program contains a heavy emphasis on vocational training. The children may obtain a high school diploma, if they qualify, but all of them are learning practical job skills, such as auto mechanics, furniture building, and farming. Happy Hill Farm Children's Home and the Academy are licensed by the appropriate state agencies.

The Farm is multi-denominational and has a strong emphasis on moral and spiritual values. Operating funds come from hundreds of individuals, churches and corporations

from throughout the state. Several foundations have assisted the Farm in its capital program. A new living unit for eight more children and a chapel have been completed.

The Farm's Director, C. Edward Shipman, says that the Family Fitness Guide is certainly in keeping the Farm's emphasis on a healthy, wholesome lifestyle. "We raise much of what we eat here on the Farm, and our animal herds provide us with our own meat, eggs, and milk," says Shipman. I hope the book will encourage people to join with us in our campaign for better health and fitness." According to a Senate Select Committee on Nutrition and Human Needs, Americans are eating too much of the wrong kinds of foods. Six of the ten leading causes of death can be linked to diet. The Dallas Cowboy Wives' Family Fitness Guide and Nutritional Cookbook is attempting to suggest, to those who will listen, some helpful ideas on exercise and nutrition.

To get a copy of The Dallas Cowboy Wives' Family Fitness Guide and Nutritional Cookbook, order it directly from the Farm for \$9.95 each. Write: Dallas Cowboy Wives' Family Fitness Guide, Happy Hill Farm, Star Route, Glen Rose, Texas 76043.

JUDY FAIRCHILD
...range conservationist

SCS Hires Employee

Judy Fairchild, range conservationist for the USDA Soil Conservation Service, assumed duties Monday, November 2, at the Knox City field office. She will be working under district conservationist Carl Hutcherson and will be assisting ranchers and other landowners with soil conservation practices and range management.

Judy received a bachelor of science degree in range science from Texas A&M University in May 1980. She has been working for SCS since 1979 and has worked in Eden, San Angelo, and Fredericksburg.

She grew up near Brady and was raised on a ranch thus her interest in range management. Judy is residing in Knox City and attends the First Baptist Church. She commented that she is glad to be in Knox City and is looking forward to working with landowners in this area.

Cancer Society Meets Here

The Knox Unit of American Cancer Society met in the home of Mrs. Sharon Newton in Knox City, Thursday, October 29. The meeting was led by president Katherine Smith, who was recently elected to the State Board of the Cancer Society.

Knox County Judge Homer T. Melton has proclaimed Thursday, November 19, as "Skip Cigaretts For A Day", according to county American Cancer Society officials.

Reports of officers and business consisted of plans for the "Great American Smokeout". Bertha Faye McKinney took part in a telephone "Area Public Information" conference and reported more recruiting has been done than ever before in all of District 13 to make November 19 the greatest of all American Smokeouts.

Jeff Bullock, area leader of Wichita Falls, directed a personalized test on "assessing your risks". Those attending were Joetta Boyd, and Kristi Boone of Knox City, Katherine Smith and Bertha Faye McKinney of Vera, Jeff Bullock of Wichita Falls and hostess Sharon Newton.

Officials reported that county and city employees will fine "Take the pledge-the great American Smokeout" cards in their payroll envelopes. Officials are also asking people to help themselves or a friend to a longer healthier life, believe and make your friends believe. "You do make a difference."

Elaine Lewis returned home Sunday night after an exciting and fun-filled tour with 36 other folk from Wichita Falls and area towns. On Friday, October 30, the group traveled by bus from Wichita Falls to Dallas-Fort Worth Regional Airport where they boarded a plane for their non stop flight to Nashville, Tennessee.

After retrieving their luggage and boarding a tour bus, the group had a great tour of some of the stars' homes including Minnie Pearl, Eddy Arnold, Webb Pierce, Porter Wagoner, Tammy Wynette, Johnny Rodriguez, Waylon Jennings, Ronnie Milsap, the late Tex Ritter, and Hank Williams Jr.

Highlight of the tour was a stop on famous Music Row where the Country Music Hall of Fame, Country Music Wax Museum, Country Corner USA, Music Row Entertainment Center, and many other Music City attractions are located.

Following their drive down famous Music Row, the group toured inside Modern Recording Studio to see how the Nashville Sound is created. The tourists met recording artist Paul Martin at the studio and he told them that the late Elvis Presley had recorded there. The Parthenon, State Capitol and Ryman Auditorium, which was the old Opry House, and the Governor's Mansion were visited next. After a drive through downtown, they checked into their motel and readied for their trip to the Grand Ole Opry that night in the new Opry House. With all of the 4,000 seats filled, they enjoyed country music of

great country singers including Roy Acuff, Bill Monroe, Billy Walker, Buc White, Jack Greene, Jeannie Seely, Jan Howard, Merle Travis and the Four Guys.

On Saturday, they spent most of the day at Opryland USA. Many shows are performed there including Country Music USA which was reported to be great. The performers are young college students, most of them trying to get into a country music career. Saturday night was spent on a riverboat cruise complete with dinner and live entertainment.

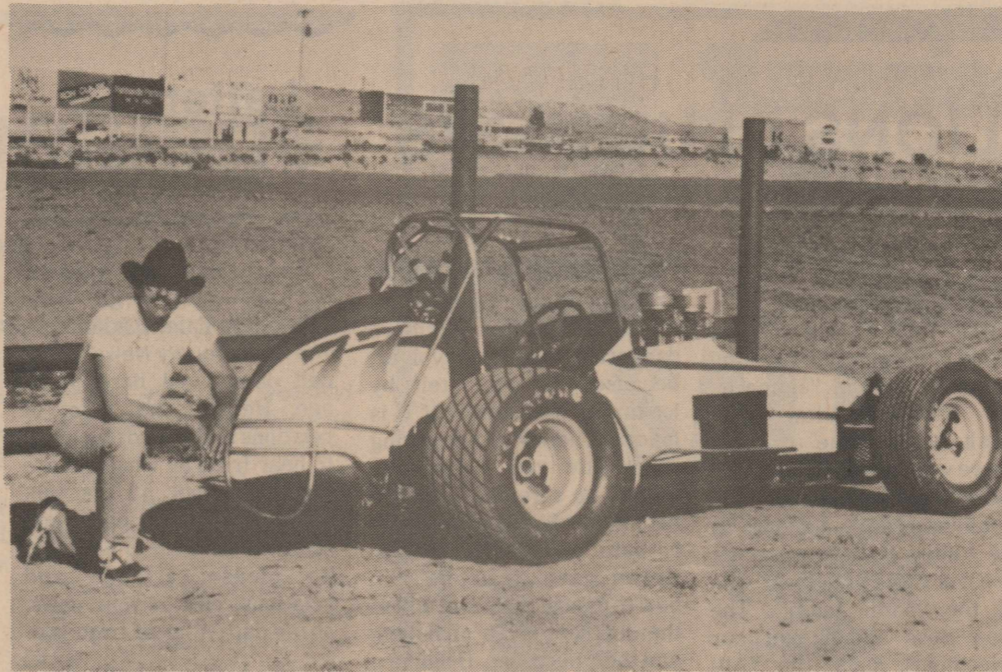

A few of the brave ones on the tour went to visit "Tootie's" which is a Nashville landmark. Many of the country music singers got their start there including Willie Nelson, Tom T. Hall, Merle Travis and others.

Mrs. Lewis and two others went to the Ernest Tubbs Mid-night Jam Session at the Ernest Tubbs Record Shop. While they were there Marty Robbins, Ricky Skaggs and his wife, as well as Loretta Lynn's brother and niece visited for awhile.

Sunday morning was free time for the group to do what they wished and prepare for their last tour out in the countryside of Nashville to see the beautiful foliage. On this trip, they saw the late President Andrew Jackson's estate which is now state historical property.

En route to the airport and their return trip to Texas, the group's bus driver took a slight detour and showed them the homes of Hank Snow and Dottie West.

Following their return to D-FW, they boarded a charter bus back to Wichita Falls.

KNOX CITY native Rob Robertson is shown here with his #77 Supermodified race car at Amarillo Speedway. A former teacher here, Robertson is now employed by the Soil Conservation Service in Canyon.

Ex-Resident Enjoying Racing

Rob Robertson, Knox City native and former high school teacher, has just completed the 1981 racing season at Amarillo Speedway in Amarillo.

Robertson, who has been racing motorcycles for 12 years, finished his first year in a race car, wheeling his own #77 Supermodified. "I sweated a lot, worked a lot, and had a lot of fun this year, and am looking forward to next year with a new engine

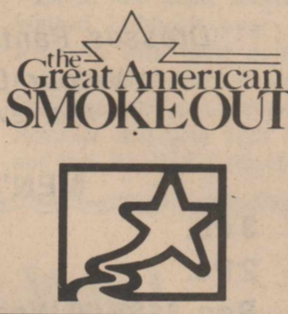

and new sponsors," he said.

Rob and his wife Cindy wanted to inform all area residents of their fond memories of Knox City. "No matter where I live, I'll always consider Knox City my home," Robertson said.

The Robertsons, who are members of Trinity United Methodist Church in Amarillo, are enjoying their

third child, Mary Elizabeth, at home with Cindy also recuperating from a recent gallbladder operation.

Rob and Cindy reside at 4113 S. Van Buren in Amarillo and he is employed by the Soil Conservation Service in Canyon.

approximately 74 per cent of the drivers involved in accidents carry liability insurance," Adams said. "This indicates that a substantial number of people must secure the required coverage or face the possibility of heavy fines and loss of driving privileges."

Out-of-state, government-owned and self-insured vehicles are exempt from the insurance requirements of the new law. However, drivers of self-insured vehicles will be asked by DPS officers to produce evidence of self-insurance at accident scenes and traffic stops.

Liability Insurance Law To 'Have Teeth'

Austin-- Beginning January 1, 1982, Texas drivers contacted by Department of Public Safety officers during traffic stops and vehicle accident investigations will be required to furnish proof of compliance with the new compulsory liability insurance law.

Under House Bill 197, an amendment to the Safety Responsibility Act approved this year by the Texas Legislature, all drivers must carry minimum liability coverage for medical expenses of \$10,000 per person (\$20,000 for two or more persons) and property damages of \$5,000.

Colonel Jim Adams, DPS director, said troopers will accept as evidence of insurance coverage the policy for the vehicle being operated or a document issued by the insurance company.

"Such a document must contain a statement that the liability coverage for the motor vehicle is the minimum prescribed by the law," Adams said. "The document must also include the name of the insurance company, name of the insured person, policy period and policy number. This document may take the form of a letter or a card, depending upon the preference of the insuring company.

Adams pointed out that DPS troopers will be enforcing the provisions of this law

along highways and rural roads.

"Local police officers and sheriff's deputies also have the authority to request this information from drivers," the DPS director said. "I am sure most law enforcement agencies in our state will also be enforcing this statute in their respective jurisdictions."

Drivers who do not maintain the specified coverage risk being fined at least \$75 for the first offense and a minimum \$200 for subsequent violations. In addition, a conviction under this new law will result in the suspension of the violator's driver license and motor vehicle registration unless the violator establishes and maintains proof of financial responsibility for five years from the conviction date.

Adams also said vehicles which are to be used in the driving test by new driver license applicants must be covered by the minimum liability insurance specified by the law. Applicants will have to certify on the license application that the minimum coverage is in effect for the vehicle before they will be permitted to take the driving test.

The DPS director predicted that more Texans will obtain the required liability coverage when the new law goes into effect.

Minutes of Knox County Hospital District Board of Directors October 29, 1981

Board Members Present: Greg Clonts, President, Vernal Zeissel, Vice President, Richie Smith, Secretary, Bernard Brown, Member, Terry Keener, Member; Board Members Absent: Stanton Brown, Gaylon Hord; Others Present: W.F. Thompson, D.O., Melba Pharr, R.N. Director of Nurses, Dan Powers, Hospital Management Consultant, Randy Abernathy, Administrator, Joe Walaski, M.T. Laboratory and Radiology.

Call to Order:
The meeting was called to order at 8:00 P.M. by Board President Greg Clonts.

Minutes for the previous board meeting of September 24, 1981, were read and approved.

There was a progress report given by Randy Abernathy of corrections required by Medicare. He stated the hospital was within 90% of complete compliance at this time. He then mentioned the increased hospital morale and the open channels of communication now open between the medical staff and hospital employees. He announced the forming and meeting of a Medical Staff Committee will meet monthly and will serve as a committee of the whole to represent the necessary committees required by Medicare.

Randy Abernathy then discussed the failing performance of the hospital's portable x-ray machine, and the need to purchase an image intensifier system for our existing Picker x-ray machine. Joe Walaski and Dr. Thompson explained what an image intensifier does and the definite need for purchasing one. After discussing possible payment plans, the Board agreed to purchase a used portable table x-ray machine and an image intensifier from Independent Services of Wichita Falls.

Melba Pharr, R.N., then thanked the Board for recent wage and salary increases approved by the Board. She also noted the high degree of morale among the nursing staff.

Terry Keener then asked Dr. Thompson to inform the Board of his opinion of high priorities of equipment needed. He stated the hospital was in great need of a heart monitor for the Operating Room, new operating lights, fetal heart monitor, and a new orthopedic operating table.

The proposed budget hearing was noted as having met Monday, October 12, 1981, at 9:00 A.M. in the Administrator's office. Mr. Powers went over the budget. Terry Keener moved to accept the budget as proposed; Bernard Brown seconded the

motion. The motion passed unanimously.

New business discussed was the acceptance of Revised Hospital Bylaws proposed by Mr. Powers. Mr. Powers explained in detail how they were updated to be more specific and the existence of the Hospital Auxiliary and their role in the hospital. Mr. Powers stated he followed the Enabling Act to revise the bylaws. Richie Smith moved the Board accept the revised bylaws. Terry Keener seconded the motion. The motion was passed with no opposition.

A proposed Personnel Policy Manual was introduced by Mr. Powers. Areas discussed were vacation time, sick leave, grievance procedures and the hospital's definition of a work week. Bernard Brown moved the Board accept the Personnel Policy Manual,

Vernal Zeissel seconded. The motion passed unanimously.

A financial report was given by Mr. Powers. Areas discussed were Hubbard Lake Group, Pharmanco, Respiratory Care Services, September accounts payable, and posting of accounts receivable. The Board was presented a report of August, September, and October's cash flow position. After discussion, Mr. Powers suggested the need to borrow additional funds to get the hospital on a current financial basis. Terry Keener moved the Board borrow short term money, Vernal Zeissel seconded the motion.

Greg Clonts mentioned the need to mail a letter of support to keep the Knox County Appraisal District Office in the County Seat of Benjamin, Texas. Terry Keener moved the Board send a letter to be written by Greg Clonts.

Stating support, Vernal Zeissel seconded the motion. The motion passed unanimously.

With no further business Richie Smith moved the Board Meeting adjourn, Bernard Brown seconded the motion. With no opposition, the meeting adjourned at 11:15 P.M.

**With energy
costs zooming
just any
center pivot
won't do.**

The whole equation changes. The few hundred you can save buying a cheaper pivot can be eaten up in the first year by rising energy costs alone. That's why the right match-up of power, pipe sizes and pressures can make all the difference in the world.

At Valley, we have the latest technology. We'd like to talk to you and show you before you buy any center pivot. Because just any center pivot won't do, especially if rising energy costs are a concern.

Valley dominates the field.

KC COLORED NEWS - EVENTS

SERVICES OF THE CHURCH OF GOD IN CHRIST

On last Thursday night, a part of the members were blessed to attend service in Aspermont.

Brother L.W. Ward of Abilene taught a very stirring lesson that night from Job 7:17, St. John 1:12, Ephesians 3:20, and I Peter 2:9.

Sunday school had a very good attendance with Supt. Manuel in charge.

Minister Tilly worked with the young people during the morning service.

YPWW Joint Meeting was held at the Gorie Church on Sunday afternoon and Minister George Washington Jr. and Minister Clovis Dever preached mightily from Psalms 23.
