## Sales Tax Rebates On Rise

State Comptroller Bob Bullock Thursday sent checks totaling \$96.4 million to 948 Texas cities as their share of the one-percent city sales tax for November.

The payment this month is \$16.3 million more than Texas cities received during a comparable period in 1980.

The payments push totals for Texas cities through November of this year to \$614.7 million -- a 16.6 percent increase over payments for the same 11-month period in 1980.

Knox City's net payment this period is \$10,615.44 as compared to \$8,933.19 for the comparable period last year. Payments to date for 1981 are \$61,725.65, reflecting an increase of 7.24% over 1980's \$57,557.06.

Munday's net payment for this period is \$6,341.77 as compared to \$10,869.28 for the same period last year. Payments to date in 1981 are \$44,634.96, a 7.76% drop from 1980's \$48,391.29.

O'Brien's net payment for the period is \$156.04, with \$214.40 for the same period last year. Payments to date in 1981 are \$1,023.97, a 3.51% increase over 1980's \$989.28.

Benjamin has received \$594.91 this period as compared to \$459.99 for the same period last year. To date Benjamin's payments have been \$2,952.35, a big 75.70% increase over \$1,680.34 in 1980.

Other area towns and their net payments for this period include Aspermont, 5,557.92; Crowell, 4,090.43; Goree, 939.34; Haskell, 22,927.05; Rochester, \$688.40; Rule \$3,936.84; Seymour, \$18,556.08; Stamford, \$20,800.39; Throckmorton, \$5,690.08; and Weinert, \$364.12.

The optional one-percent city sales tax is collected along with the state four-percent sales tax by merchants and businesses

## Next Week's News Thanksgiving Issue

The annual Thanksgiving Greeting edition of *The Knox County News* will be published next week and papers will be in the local post office boxes on Tuesday, November 24, in order that area subscribers will receive their papers before the Thursday holiday.

Merchants' greetings and appreciation ads for their customers' patronage will be featured in this edition. In the event that any merchant or individual has not been contacted and would like to extend greetings, please give us a call at 658-3142 and we will be happy to include yours.

Copy deadline will be Monday noon and your usual cooperation will be appreciated.

## Hounds Close Out '81 Season With Rule Win

by DAVID COUNTS

The Knox City Greyhounds soundly defeated the Rule Bobcats 40-19 to closeout the season with an excellent 8-2 record overall and 6-1 in district. The Hounds are the runners-up in the district race.

The seniors on the Hound team were the real leaders in this the last game of 1981.

The Hounds had a bad start as they had three, yes, three touchdowns called back. Overcoming this and keeping a good attitude was a compliment to the team.

Tyke Meinzer intercepted a Bobcat pass to set in motion on 18 plays, six first downs, and two touchdowns called back drive with Dwayne Watkins passing to Kevin Leach for the 14 yard touchdown that stayed on the scoreboard. The try for extra point was no good.

Kevin Leach intercepted a Bobcat pass as the first quarter was coming to a close but the Hounds could not overcome two penalties and losing 10 yards on a com-

pleted screen pass.

After the Hound defense shut down Rule's offense, the Bobcat punter kicked the ball 54 yards to the Hound three yard line. On third down and needing two yards, the Hounds fumbled and Rule recovered on the Hounds 8.

The Bobcats scored on their first play when the defender knocked the ball into the arms of the receiver. They kicked the extra point and led 7-6.

On the ensuing kickoff, Rance Hacker returned the ball 95 yards for an apparent touchdown but it was called back for a penalty.

Late in the first half, the Hound defense made an outstanding effort to force Rule to have to punt on the fourth down needing 10 yards. The snap from the center was over the head of the punter. The alert defense stopped the punter trying to run with the ball for a 17 yard loss and gave the ball to the Hounds on Rule's 17 yard line.

With no timeouts and time running out, the Hounds scored with Ricky Gutierrez running over from two yards out with 13 seconds left in the half. A pass for a two point attempt fell incomplete. The half came to a close with the score 12-7.

To open the second half, the Hounds received. Hedgecoke returned the kickoff 34 yards to the Hounds' 43. Gutierrez ran for 27. Hedgecoke ran for seven and three yards to set up a 15 yard scoring pass from Watkins to Leach. Hedgecoke made an outstanding catch of a Watkins pass for the two point conversion.

The Bobcats ran for 45 yards on their first play after the kickoff for a touchdown. A pass attempt for extra points failed.

The Bobcats intercepted a

Hound pass and worked the ball down to the Hound 10 before a key defensive play by Lupe Rios turned the ball over on the fourth down.

James Stafford ran for 20 yards. Steve Lynn ran for eight yards. Watkins then passed 57 yards to David Flores for a touchdown. A pass attempted for two points failed.

Great defense shut down the Bobcats. Mike Oliver stopped a trick play for a 10 yard loss. Chad Whitley stopped a play before it got started to force a punt.

The Hounds fumbled on the first play to give the Bobcats the ball on the Hound 31. This led to a Rule touchdown to make the score 26-19.

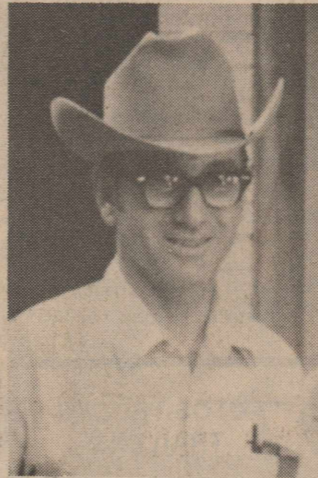

The next possession was a long drive by the Hounds with a halfback pass from Tyke Meinzer to Leach for 16 yards to lead the way for James Stafford's 10 yard run for the touchdown. Another great catch by Hedgecoke of a Watkins pass added the two points for a 34-19 score.

More good defense led by Todd Lewis and Jeff Reese turned the ball over to the Hounds in Bobcat territory when a fourth down pass fell incomplete.

Richard Daniel completely closed off the middle with his line back play all night. Rule has had a good middle running game all year but look at statistics for the rushing on this night. Remember Rule had one run of 45 yards for a touchdown. The rest of the game they had a minus seven yards.

With Gutierrez and Lynn on the sideline with injuries Rance Hacker picked up gains of 15 and five yards mixed with runs by

JAMES REDWINE  
...resigns

## County Sheriff Resigns

Knox County Sheriff James Redwine announced his intention Tuesday, November 10, to resign effective November 25, citing a salary "too low to pay my honest debts."

The day before he had appeared before the Knox County Commissioners Court to request a pay hike.

The Commissioners Court voted unanimously in a called meeting last Thursday morning to accept Redwine's resignation.

According to County Judge Homer T. Melton, applications for sheriff will be taken until December 14. Applicants will be interviewed and a sheriff possibly will be named in December, Melton said.

Redwine was appointed as sheriff on June 27, 1979, following Sheriff H.C. Stone's resignation and then was elected to the office in the November 1980 general election.

## Lucky Bill Promotion Again Slated

The Lucky Bill promotion, which was begun last year as an incentive to keep Christmas shoppers in Knox City, will again be held this year as shoppers responded well to the idea, Mrs. Doris Crownover, secretary-manager of the Knox City Chamber of Commerce, said.

Sponsored by the Chamber, the program will begin December 2 when Mrs. Crownover will put the Lucky Bill, either a \$1, \$5, or \$10 bill, bearing a selected serial number into circulation in Knox City. The Lucky Bill may be redeemed by the next Wednesday, December 9. Another bill will be put into circulation on Wednesday, December 9, to be redeemed by December 16, and another one on Wednesday, December 16, to be redeemed by December 23. All bills must be taken to the Chamber office for redemption.

There are no strings attached to this program, Mrs. Crownover said, suggesting that shoppers watch all change to see if they might receive the Lucky Bill.

Serial numbers of the Lucky Bills will be published in *The Knox County News* each week in a page one story as well as an ad elsewhere in the paper. Better watch!

## Auxiliary Hears Need For Bedside Monitor

Knox County Hospital Administrator Randy Abernathy and Director of Nurses Melba Pharr met with the Knox County Hospital Auxiliary Monday evening to discuss priority needs in the way of lifesaving equipment for the hospital.

The auxiliary members heard the two express the need, in their opinion as well as those of the doctors, for a telemetry bedside monitor. The auxiliary purchased a Care 4000 patient monitor for the hospital last May, assuming two-thirds of the cost with the hospital's being responsible the balance. The auxiliary's part amounted to approximately \$12,000.00 which has already been paid.

The hospital presently has nothing to monitor a patient at his bedside, and as Mrs. Pharr explained, if a patient should have an arrest and it become necessary to use the electrodes, it takes too long to move and set up another monitor. There are instances when there is not enough time to make the switch and with the bedside monitor, it is portable and can be moved easily and quickly, even into the operating room if necessary, she said. The new purchase could also be used on an existing channel, Abernathy said.

In discussing the purchase, members, led by president Peggy McGaughey, felt that the auxiliary should purchase the bedside monitor now and later, perhaps another central monitor could be added to the system. The cost of the bedside monitor, including freight, is \$3,145.00, and another central monitor would cost \$5,141.00. It was suggested that collection jars be placed in businesses giving everyone the opportunity to donate toward this purchase. Also, treasurer Pansy Russell reported that memorials to the auxiliary have been slack and suggested that readers remember to give to the auxiliary either in memory or in honor of someone. Another suggestion was to set up a monitor fund and list the donors in *The Knox County News* each week.

A report was given on the October 31 bake sale with more than \$350 dollars received including sales and donations.

In other business, the members decided to cancel the December meeting resuming the regular monthly meetings in January.

## Thanksgiving Supper Set November 19

The Junior-Senior Thanksgiving Supper has been set for Thursday, November 19, in the Knox City school cafeteria from 6:30 until 8:00 p.m.

Prices for adults in the cafeteria will be \$3.50 with children fourth grade and under being served in the cafeteria at \$2.00. All takeouts will be \$4.00 as noted by their ad elsewhere in this week's *News*.

SPEAKING TO the Knox County Hospital Auxiliary members Monday night at the monthly meeting were Director of Nurses Melba Pharr and Hospital Administrator Randy Abernathy. The two explained the priority need for a bedside monitor at the hospital.

## Houndettes Fall In Volleyball Bi-District

by DALE WAINSCOTT

The Houndettes rounded up their volleyball season last Monday night at Holliday when they lost to Harrold for the bi-district championship. "It seemed as if nothing went right," I noticed one girl said. She was right. It was not our night to win and, our statistics show this.

Team statistics were as follows: spikes--10/13 =96%; sets--19/19=100%; serves--24/39=61%; (we saved the ball 10 times and had 53 errors in two games.) We have talked about how important it is for us to serve well into the 80% bracket and this was one problem. We also know that if we do not set and spike any more than we did that night that we will fail to win. This along with 53 errors shows we did not do our job.

The score for each game was 6-15 and 9-15. There were only one time in the two games that we had the momentum and this was broken by a time out. In volleyball the momentum of a game is very important.

## Christians To Host Thanksgiving Service

The annual Community Thanksgiving Service will be on Wednesday, November 25, at 7:00 p.m. at the First Christian Church in Knox City.

All persons in the community, regardless of church denomination, are cordially invited to come.

Individual statistic leaders were Mary Garcia with 5/6 serves for 83%, Delores Stafford with 3 serves, Toni Hewitt with 2 saves, Mindy Hutchinson with 7/8 spikes for 87%, and Mary Garcia with 12 sets.

The over-all season has been exciting. We entered tournaments and came home with third place, then second place, and first place in our own tournament. Our season record is 20-3 and this makes for a season to be proud of.

## O'Brien Cemetery Assn. Needs Funds

The O'Brien Cemetery Association's fund drive is underway and persons are reminded, according to association secretary-treasurer Bea Ellis, that the cemetery upkeep is done strictly by donations.

As will be noted in the association's notice on the classified page, contributions should be mailed to O'Brien Cemetery Association, Box 2564, O'Brien, Texas 79539 or handed to Mrs. Ellis at O'Brien.

## Jalea Glover Is Buried In Rochester

Funeral services for Rochester resident Jalea Glover were held Saturday afternoon, November 14, at two o'clock in the First Baptist Church in Rochester with Owen Aiken, Church of Christ minister, and Rev. Truett Kinsler, First Baptist pastor, officiating. Burial followed in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Mr. Glover, 52, died Thursday, November 12, at 7:30 a.m. at his residence after a lengthy illness.

Born February 23, 1929, in Haskell County, he had lived all of his life in Rochester and was a farmer. Mr. Glover married Dorothy Whitt on June 11, 1950, in Haskell. He was a member of the First Baptist Church and had served during the Korean War in the United States Air Force.

Survivors include his wife, Dorothy of the home; a daughter, Mrs. Janis Turner of Rochester, his mother, Mrs. Delma Glover of Rochester; a brother, John Ben Glover of Rochester; and a sister, Elman Cude of Carlsbad, New Mexico. He was preceded in death by his father, Walter Lewis (Bud) Glover.

Pallbearers were Allan Overton, Tony Liebel, Roy Nicholson, Manford Reid, Coleman Wright and Fletcher Ballard.

Honorary pallbearers were Preston Ballard, John L. Grindstaff, Erwin Hamilton, Wilburn Adkins, Bill Penman, and Eddie Elmore.

## Infant Is Buried In Haskell

Graveside services for Brittany Dawn Hudgens, infant daughter of Mr. and Mrs. Jerry Don Hudgens, were held Wednesday afternoon, November 11, at four o'clock in Willow Cemetery in Haskell. The Rev. Paul Chambers officiated.

The infant was born Sunday in an Abilene hospital and died Monday in Fort Worth Children's Hospital.

Survivors include her parents; her paternal grandparents, Mr. and Mrs. James Hudgens of Rochester; her maternal grandparents, Mr. and Mrs. J.L. Dale of Muleshoe; her paternal great-grandparents, Mr. and Mrs. Ray Herricks of Weinert; her maternal great-grandmother, Mrs. Vada Alexander of Amarillo; and her paternal great-grandmother, Mrs. Rena P. Cunningham of Haskell.

## 4-H Adult Leaders To Meet Monday

## USDA Charts Conservation Course

### PROBLEMS IDENTIFIED

(Editor's note: The U.S. Department of Agriculture has identified the critical soil and water resource problems of the nation, analyzed them, and proposed a national conservation program to address them. This is the first in a series of three articles that outline the conservation problems, trends and analyses, and the proposed national program.)

America will face reduced agricultural productive capacity and increased production costs unless the critical soil and water resource conservation problems of the nation are addressed. This is the conclusion of a three year study by the U.S. Department of Agriculture.

The study was required by congress in the Soil and Water Resources Conservation Act of 1977 (RCA), according to Carl Hutcherson, Soil Conservation Service (SCS) District Conservationist in Knox City.

Specifically, the RCA study showed that: One-third of America's cropland, is eroding faster than the soil can rebuild itself through natural processes. Unless corrective actions are taken, the acreage of this excessively eroding land will increase further; Floods threaten human life, cropland and other property, livestock and crops in upstream watersheds. Greater damage is likely in the future; Depletion of groundwater threatens the continuation of irrigated agriculture in extensive areas of the west; Deterioration of water quality may limit the use of water for irrigation, municipal and industrial supply, fish and wildlife habitat, and other purposes.

These RCA findings are

based on the most intensive and accurate appraisal of the country's nonfederal natural resources ever conducted, Hutcherson reports. "Much of the data came from on-site examinations at about 200,000 sample points across the United States. In Texas, some 14,550 sample points provided information for the national summary."

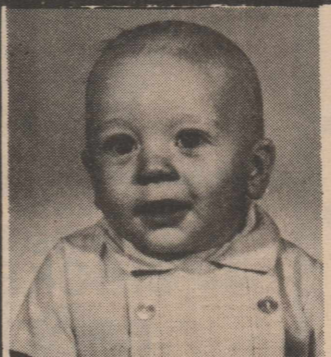

The information gathered included data on land uses, soils, erosion, prime farmland, cropping sequences, and crop residue treatment.

Besides the SCS inventories and other USDA studies and evaluations, the RCA process drew on studies made by the Department of Commerce, Bureau of the Census, Fish

and Wildlife Service, Environmental Protection Agency, Water Resources Council, Bureau of Outdoor Recreation and others.

RCA Appraisal Part 1, the first of three major documents, contains detailed information on the resource base - status, conditions and trends. A reference copy of all three major RCA documents is available for use at the SCS office in Knox City.

Copies of a short leaflet summarizing the RCA findings and proposed conservation program are also available at the SCS office. It contains a pre-addressed, postage paid response form that people may use to comment on the program.

## Harvest Increases

Harvest activity continued to increase, reports B.B. Manly Jr., of the USDA Cotton Marketing Services office in Abilene.

Around 75,000 samples were classed last week, bringing the season total to 145,000.

Local cotton prices range from 44¢ for grades below 42, and up to 54¢ for the higher qualities. Grade 42, staple 32, 35 to 49 mike brought from 50½¢ to 53½¢ per pound. Grade 41, staple 31, 35 to 49 mike, brought 51.25¢ to 53.85¢ per pound.

Cottonseed prices paid to producers ranged from \$75 to

\$90 per ton. The quality of cotton classed during the week ending November 12 was as follows: Grade 42 was predominant with 42 percent. Grade 41 was 19 percent; grade 52 was 17 percent; and grade 51 was 11 percent. Staple 32 was predominant with 41 percent; staple 31 was 33 percent; and staple 33 was 15 percent. Micronaire readings continued very good with 95 percent in the premium 35 to 49 range. Twelve percent was reduced on account of Bark, and about one percent on account of grass.

## JUNIOR CLASS NEWS

**By Toni Hewitt**  
This week, the Juniors are still selling tickets to the Thanksgiving Supper which will be this Thursday the 19th. Tickets are still available, so if you would like to go you may purchase them from a Junior or Senior class member.

Last week the Junior class nominated five girls to be in the Miss Merry Christmas Contest coming up in December. Karae Beason, Kristi Boone, Sandy Sutton, Toni Hewitt, and Leann Benson were the five girls nominated.

It is getting closer and closer until our Junior Themes are to be handed in. Everyone is working extra hard trying to get everything in order for their themes.

## FHA NEWS

**By Sarah Jones**  
Part of the creed of the Future Homemakers of America is as follows: For we are the builders of homes; Homes for America's future; Homes where living will be the expression of everything that is good and fair; Homes where truth, and love, and

security, and faith will be realities, not dreams.

The program presented at our meeting on Tuesday, November 10, was not about the kind of home that each of us hopes to build. It was a program on child abuse presented by Debbie Vaughn, foster home development worker; and Sammy B. White, child protective worker. We really learned a lot during the program. Afterward Ms. Vaughn and Mr. White answered several questions. One question was, "What should I do if I have a good reason to suspect a case of child abuse?"

The answer is to call 1-800-252-5400. This is a child abuse hotline, and they will see that the proper authorities are made aware of the problem. Your name will be kept completely anonymous.

We would like to express our thanks to Ms. Vaughn and Mr. White for presenting the program to us!

## PEP CLUB NEWS

Way to go team, way to show 'em what we mean, way to beat 'em, beat 'em, beat

'em. Well we stuck to the tradition of winning the last game of the district season and beating Rule. Our guys have done a really good job this season and I know everyone is really proud of them. At our last pep rally of this year Mindy Hutchinson was crowned "Miss Spirit for 1981-82". Congratulations, Mindy, and we appreciate all your SPIRIT!

Also, we want to thank everyone who came out and yelled with us. It helped a lot. Start saving your voices for next year because the Knox City Greyhounds are going far.

# Harvest Day Held At First Christian

The twelfth Harvest Day Festival, held November 10 at 10:30 a.m. at the First Christian Church in Knox City, began with the prelude played by Mrs. Elizabeth Wilson. The welcome and invocation was given by the Rev. Kenneth W. Sickels, pastor of First Christian Church. Following the singing of "My Country, 'Tis of Thee", the pledge to the flag was led by Sandra Bradley. The hymn "O Beautiful for Spacious Skies" was sung and was followed by the responsive reading led by Mrs. Russell Boyd. The special music was brought by Mrs. Zoanne Felts who sang and played two appropriate selections.

Memorial service was conducted by Mrs. Mary Groves, who read a poem before the following names were read: Ollie Frances Berryhill, Gladys Cartwright, Agnes B. Floyd, Cora Bell Gardner, Lily Del Hierro, Fannie Loper Hughes, Eva Penman, Annie Belle Roberts, Elizabeth Pauline Roberts, Ruth Russell, Georgia May Smith, Verdella Joyce Smith, Bertha Shувley, Virgie Tankersley, Annie Blanche Thomas, Mary Elizabeth White, and Rosa Wilson.

The offering prayer was given by Mrs. Peggy Gillispie

in the absence of Mrs. Bill Trice. The use of this designated offering was explained by Rev. Sickels.

The guest speaker for the program was the Rev. Doug Stenberg of the First United Methodist Church of Knox City, with the theme of the message being "Three Things I Am Thankful For".

A business meeting was conducted by Mrs. Ruby Robinson. Mrs. Barbara Holmes then invited the women to attend her church, the Foursquare Church of Knox City, as they will host the annual event in 1982.

The meeting concluded with the singing of the hymn "Blest Be The Tie". The benediction and thanks for the food was given by Mrs. Barbara Holmes. Mrs. Debbie Homstad was in charge of the nursery for the program. A delicious lunch was enjoyed by the women in the fellowship hall.

The committee from First Christian Church who handled the arrangements were Sandra Bradley, Joyce Crownover, Ruth Vassar, Joy Spikes, Sammie Carpenter, Alma Culwell, Mabel Pyeatt, and Eileen Sickels.

# HOUNDS

(From Page One)

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Hedgecocke of 5, 1, 4 and 6 yards with the last being for a touchdown with 56 seconds left in the game. A pass for two points fell incomplete with the final score, 40-19.

David Flores intercepted a pass to seal the victory for the Hounds.

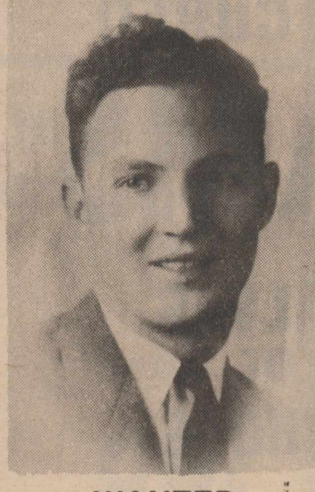

The Greyhounds offensive line gave the Bobcats a whipping they will not forget until sometime in the spring of 1982. Continually they opened giant holes for the ball

carriers to run through or gave the passer plenty of time to get his pass thrown.

The Seniors can feel proud that they left a winning example for the future Greyhounds to follow. They were left end Kevin Leach, left tackle Daniel Godsey, left guard Paul Taylor, center Todd Lewis, right guard Richard Daniel, right tackle Sergio Marin, and right end Wayne Hutchinson.

**Our service makes Valley the top name in irrigation.**

Your system's down. Your crops need water. If you own a Valley system, you can rest easy. You know that no part is ever more than 48 hours away. Parts we don't stock we can order from our regional warehouse. Our priority parts program sees to it that critically needed parts get on a plane or truck from the factory, usually within hours, at no extra charge.

On top of that, the factory backs us up with a summer emergency response program that puts technical service people on call 24 hours a day, seven days a week, holidays included. And, we send our servicemen off for intensive factory training. So when they go into action, they know what to do and how to do it, fast!

Valley dominates the field.

# LIONS CLUB NEWS

By JAMES PATTERSON

## NOVEMBER 11, 1981

The meeting was called to order by Lion President Dick Evatt. "America" was sung under the direction of Lion Tommy Kent as song leader. After a delicious meal of turkey and dressing and all the "trimmings", the Lion Boss called for the introduction of visitors. Lion Z.I. Smith had as his guest the Mayor of Knox City Charles Auburg - and guests of Jimmy Lynn were two of Knox City's newest business men, Jon Godsey and Craig Brothers, of B&G Auto Service Center.

The very successful Pancake Supper was reported and thanks was expressed to Don Railsback and the M System for the very nice gift of syrup and pancake mix.

Lion Lewis Kay was program chairman and introduced Rev. Bill Trice, pastor of First Baptist Church of O'Brien, who gave the program. Rev. Trice began by telling a story of the couples who came to him to be married between Sunday School and Church and he agreed to perform the ceremony following the Church Service. At the close of the service he asked for those who wanted to get married to come - seven women and three men came forward. Then he spoke on "When Life Begins", saying that the teenager may think, "When he gets his first car", some adults think, "Life begins at 40" or others, "When the first grandchild arrives", but his conviction was as follows: 1) When a person learns to be courteous. 2) When a person learns to be himself. 3) When a person learns to be temperant. and 4) When a person loses his life for Christ's sake.

The Lion Sweetheart drew the name of Lion Willie Collins - he was absent - and his wife missed receiving a new pair of hose from the Lions Club.

The meeting closed with the Pledge of Allegiance led by the Lion Boss.

# THE WAVE OF THE FUTURE IS HERE!

Time was when a woman would spend all day in the kitchen, rising before dawn to fix breakfast and not drying the last dish until well after dark. Thanks to the electricity supplied by the B-K Electric Cooperative, those days are long gone. Our homes are filled with electrical appliances that save time, energy and money. That's right. Electricity is a real bargain. Think about this: It costs about 75¢\* to run a dishwasher once a day every day for a month. How long would it take you to wash that many dishes by hand? That's time you can spend with your children, at your hobbies or in your career. For the efficiency and convenience it provides, the cost of electricity is still a real bargain.

\*Comparison based on 5 cents per KWH for electricity.

**MRS. GUY PENNINGTON**  
...the former Jami Elaine Clonts

*Miss Clonts, Pennington United Saturday In Round Rock*

Jami Elaine Clonts and Guy Ray Pennington were united in marriage November 14, at the Palm Valley Lutheran Church in Round Rock.

The bride is the daughter of former Knox City residents Mr. and Mrs. Sam Emory Clonts of Round Rock and Mr. and Mrs. Jim Ray Pennington, also of Round Rock, are parents of the bridegroom.

Pastor Oliver Berglund performed the double ring ceremony before an alter setting of brass tree candelabra holding white tapers. Cascading ferns placed throughout the alter area completed the setting. Family pews were marked with gypsophilia and greenery tied with narrow satin streamers.

Music was provided by Mrs. Stan Arnhamm, organist, and Julie White vocalist. Selections included "Through the Eyes of Love" and "Morning has Broken".

Given in marriage by her father, the bride wore a formal gown of candelight silk organza and re-embroidered Alencon lace. Seed pearls traced the design of lace on the bodice, neckline and long tapered sleeves. The skirt featured an overlay of silk organza and Alencon lace enhanced with seed pearls bordering the chapel length train. Her camelot veil of illusion was outlined in lace extending the length of the gown. She carried a cascade of rhubrum lilies and

stephanotis.

Mrs. Donny Michalik of Austin attended her sister as matron of honor. Lisa Jones of San Marcos was maid of honor and bridesmaids were Amy Pennington of Round Rock, sister of the bridegroom and Meri Mehrens of Austin.

Attendants for the bride wore Victorian style two piece gowns. The blouses were candelight silk organza trimmed with satin ribbon and their floor length cerise moire skirts were tied with wide crushed sashes. They carried rhubrum lilies and gypsophilia.

George Allen of Waco was best man. Groomsmen were Greg Clonts of Knox City, brother of the bride, John Tumbusch of Round Rock and Walt Wilson of Lubbock. Donny Michalik of Austin.

Stan Arnhamm of Manor, Ray Gavitt of Round Rock and Forrest Perdue of Georgetown seated guests.

Following the wedding, parents of the bride hosted a reception in the Crown Room at the Austin Hilton Inn. Assisting were Mrs. Ricky Shipman, Mrs. Don Chandler, Kay Bohls, Sharon Stasney and Mrs. Jerry Lowe.

The bride is a graduate of Round Rock High School. She attended Southwest Texas State University and is employed by Hallmark Administration Inc. of Austin.

Also a graduate of Round Rock High School, the bridegroom attended Blinn College and is in business in Austin.

After a wedding trip to New Orleans, Louisiana, the couple will reside in Austin. Parents of the bridegroom

### STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Give thanks unto the Lord, Call upon his name, make known his deeds among the people." (1 Chro. 16:8).

This is one of David's first Psalms to the people of his day. He said, "Sing unto the Lord, sing Psalms unto him, talk ye of all his wondrous works. Glory ye in his Holy Name; let the heart of them rejoice and seek the Lord. Seek the Lord and his strength, seek his face continually. Remember his marvelous works that he hath done, his wonders, and the judgment of his mouth; ...He is the Lord our God; his judgments are in all the earth. Be ye mindful always of his covenant; the Word which he commanded to a thousand generations. (1 Chro. 16:9-15)

Let everything that hath breath praise the Lord. Praise ye Him". (Ps. 150:6)

There is power in praise. It is the Key to overcoming your troubles. It is an atmosphere of praise, God's power is released to work in your behalf, to help you through your troubles.

## MINUTES OF THE CITY COUNCIL MEETING

NOVEMBER 10, 1981

The City Council met in a regular session with Mayor Charles Auburg, Councilmen Carol Felts, Celso Gonzales, Larry Staggs, Craig Williams and L.V. Worley present.

The minutes were read and approved.

Greg Clonts met with the Council to present recommendations of the Airport Advisory Board. L.V. Worley made a motion to apply a grant for airport improvements. Craig Williams seconded the motion and all voted for it.

Oscar Mangis, Chief Appraiser for the Knox County Appraisal District, met to discuss their approved budget and to discuss contracts for their services.

Byron Gass, W.R. Moore, Jr., Dwight Burgess, J.V. Carver and Clyde Voss have been nominated as directors on the Knox County Appraisal Board. Celso Gonzales made a motion to cast 40 votes for each member. Carol Felts seconded the motion and all voted for it.

The Council was advised that Charlie Spencer plans to give up the park and com-

munity center maintenance.

The Mayor advised that Joe Muhle was hired, and that he would be moving to Knox City from Rochester as soon as a house is available.

Bids were opened for a Police Department car. Craig Williams made a motion to award the bid of \$9,377.07 to Bill Wilson Motor Company. Larry Staggs seconded the motion and it carried.

Street lighting was discussed. Due to the increased rates and the fact that WTU is studying possible changes in types of lights as well as revised rates the Council agreed to leave the street lighting as it is at the present. Sue Clayton requested a street light near her home. Since there is one on the corner north of her house no plans are made to install one at this time. The Council agreed to consider it again as the area to the south and west of her house develops.

A Fire Ordinance was discussed. Due to the fact that no problems are developing due to trash fires and problems with enforcement, the Council feels no ordinance is required at this time.

A Building Permit Ordinance was discussed. The Council will consider it again

### Dave Whitford Suffers Broken Hip

Dave Whitford fell at his home Monday night about 11:30 o'clock after suffering a broken hip.

According to his wife Wilma, apparently the hip broke first, causing him to fall.

He is a patient in the Knox County Hospital where he was to undergo surgery Tuesday at 6:00 p.m.
