FIFTY-SECOND YEAR

FAIR DIRECTORS BEGIN SHAPING PLANS FOR SUMMER AND FALL EVENTS

Economy In Food Preparation Will Be Basic Theme of "Kitchen Chautauqua"

NOTED ECONOMIST WILL DEMONSTRATE POPULAR RECIPES

Jessie Hogue To Conduct Three-Day School Here May 6 to 8

An attraction that will prove of much importance to the women of this city and surrounding territory is the coming Kitchen Chautauqua to be conducted in Haskell under the auspices of The Free Press. It will open Thursday, May 6 and continue for three days.

INSTRUCTION IN RANGE PROGRAM GIVEN AT SCHOOL

County Agent Chesser and John S. Rike, Range Supervisor, Attend Meet

County Agent B. W. Chesser, county committeeman V. F. Bunkley, and John S. Rike, range inspector for Haskell county in the 1937 soil conservation program, returned Sunday from Iowa Park where they attended a three-day gathering of county agents and range supervisors.

More than 100 persons attended the meeting from surrounding counties, for the purpose of getting first-hand information regarding proper appraisal in regard to approved range practices applicable in the Government soil conservation program.

Approximately 50,000 acres of range land in Haskell county has already been signed for the 1937 program, it was reported.

HASKELL BEAUTY WILL VIE FOR TITLE OF TEXAS SWEETHEART NO. ONE

Series of Contests to Select Entrant May Be Held at Municipal Park

Every mail is bringing in letters of acceptance from cities invited to participate in the Texas Sweetheart No. 1 contest, according to a letter just received from the Fort Worth Frontier Fiesta by Ralph Duncan, Secretary of the Chamber of Commerce, and the Free Press, local sponsors.

Selection of Haskell's representative will be made through a series of three elimination contests similar to those held last year. Numerous inquiries have already been received, and names of several entrants submitted.

Plans for staging the first contest are yet in a tentative stage, the suggestion having been advanced that the contests be held in connection with the formal opening of the new Municipal Park and Swimming Pool. Use of the outdoor amphitheatre would be considered.

"Dog Tax" Must Be Paid Soon, Officer Warns

Owners of dogs who value the animals as pets have until Thursday, April 15th to pay the City license and secure a tag for the animals, City Marshal Britton stated today.

After April 15th, dogs running at large without the tags will be impounded and executed if they are not claimed within 48 hours, the officer added, as provided in a City Ordinance now in effect.

"It is not the intention of the ordinance to deprive any person of a valuable pet," Mr. Britton said, "but to eliminate the increasing number of stray animals—some of them vicious and dangerous to children—that are now running at large."

The annual tax on the animals is small, Mr. Britton pointed out, adding that he was sure that owners of most of the animals would cooperate in enforcement of the ordinance.

PLANS MADE FOR LARGE NUMBER OF SINGERS SUNDAY

Second County Convention Will Be Held In First Christian Church

Plans are being made to care for two thousand visitors expected in this city next Saturday and Sunday, when the second annual Haskell County Singing Convention will be held in the First Christian Church.

Some of the best known singers in this section of Texas have been invited and are expected to attend, including the famed Vaughan and V. O. Stamps Quartet, recognized as among the most outstanding in the Southwest.

A basket dinner will be a feature of the Sunday's program, and the committee in charge of arrangements are urging that all persons attending bring a well-filled basket and enjoy a real "old-fashioned" singing convention.

L. D. Ratliff, Sr., is president of the convention and Ed F. Fouts is secretary. These two officials have been busy for several weeks communicating with singers in other sections, and have received responses in such a volume as to indicate that Sunday's affair will be the largest attended of any similar gathering ever held in this section.

Saturday night's program will begin at 7:30, it has been announced, to be resumed at 10 o'clock Sunday morning, continuing throughout the day.

Fifteen hundred people attended the first annual convention held here last year.

Fixtures and Furniture For H. H. S. Ordered

At a call meeting of the Board of Trustees of the Haskell Independent School District held Friday afternoon, orders were placed for all furniture and fixtures for the new High School building now nearing completion.

Included in the order was complete desk equipment for all rooms and the study hall, tables, chairs, etc., and a large clock for assembly hall.

MANY GOLFERS TAKE PART IN SUNDAY'S PLAY

Hamlin Players Take Most Opening Day's Matches On Local Course

A combination of spring weather and ideal condition of the Haskell-Rule Golf Course attracted between forty and fifty enthusiasts Sunday for the first day's play of the season. J. Ben Sellers, pro manager, has done considerable work in placing the nine-hole course in excellent playing shape, and visiting golfers praised condition of the grounds.

Golfers from Hamlin took most of the day's matches, but good scores were noted in a number of contests. Benny Adams, Hamlin pro, gave an exhibition of long drives, teeing off for 375 and 400 yards in several instances. Plans were started for organizing a league to be composed of golfers from a number of surrounding towns, and the proposal

Court Term In Throckmorton to Close This Week

District Judge Dennis P. Ratliff will return to Throckmorton today, where he will hear several civil cases scheduled for trial during the remainder of this week closing the current term of district court in that city.

All criminal cases set for trial during the term were disposed of last week, and no jurors will be summoned for the closing days of the term.

A five-year suspended sentence given a Throckmorton youth during the December, 1935 term, was revoked and he was sentenced to serve the remainder of the 5-year prison term. Since his trial at Throckmorton, the young man had been convicted of theft in Stephens county, officers stated.

UNITED CHARITIES TO CONTINUE OPERATING DURING ENSUING YEAR

Directing Heads Volunteer Services; Plan Campaign for Contributions

A scheduled mass meeting called for the purpose of discussing the coming year's program of the United Charities in this city failed to attract the attendance expected Monday night, but brought the firm resolve from officers and sponsors of the charitable organization to carry on the work for the ensuing twelve months. All officers of the organization present at the meeting readily volunteered their services for the next year.

J. M. Crawford, chairman, presided for the meeting. Mrs. S. P. Herrin, clinic supervisor, gave a brief report of the activities of the United Charities during its year of existence.

An average of \$85 per month has been spent for providing medical and other needed attention for destitute families in Haskell county who have no other relief agency to supply their needs, she reported. Fourteen hundred cases have been handled in the county during the past year, mainly consisting of medical treatment for impoverished persons. Food and clothing in small amounts have been furnished in a few instances.

Mrs. Quimman Gentry stated that approximately seventy-five Haskell firms and individuals were monthly contributors during the past year.

Will Continue Program In stating that work of the United Charities would be continued during the coming twelve months, Mr. Crawford announced that a committee composed of John A. Couch, Chas. E. Smith and Wm. P. Ratliff would canvass every business house in Haskell Thursday to raise the necessary monthly quota required.

"In raising this quota we want the people of Haskell to know that not a single person connected with the organization receives pay for his or her services," Mr. Crawford said. "Neither do the physicians or dentist in charge of the clinic receive any remuneration. Medical supplies are paid for with funds from the treasury, but professional services are donated," he added.

Officers of the local organization are: J. M. Crawford, chairman; H. C. King, disbursing chairman; A. M. Turner, treasurer; F. L. Daugherty, secretary; and Mrs. S. P. Herrin, clinic supervisor.

Scout Troop 36 Planning a Full Year's Program

Scout troop 36 has re-registered for the coming year with six Scouters and thirty scouts on the roll. About four more are expected to register in the next two weeks. George V. Wimlish is serving his second term as scoutmaster and D. H. Persons registered as chairman of the troop

Twenty-One New Members Added In C. of C. Drive

Twenty-one new members were added to the membership roll of the Chamber of Commerce last week through efforts of a single day's membership drive conducted by five C. of C. members.

A steady increase in membership has been noted practically each month since the organization was perfected over a year ago. Ralph Duncan secretary, reports. New members added this week include several new firms and individuals.

With Courtney Hunt as chairman, other members of the soliciting committee were Chesley Phelps, H. C. King, Walter Holt and John A. Couch.

PLANS ARE BEING DRAWN FOR SCHOOL BLDG. AT MATTSON

Architect Instructed to Prepare Plans for Six-Room Brick Building

Trustees of the Mattson Rural High School, at a meeting held here today, instructed M. C. Butler & Co., Lubbock architects, to design plans immediately for a proposed \$25,000 school building to replace the Mattson school plant destroyed by fire recently.

Contemplate plans for the new structure call for a brick building containing six classrooms, study hall, and gymnasium, together with office quarters for the superintendent and a storage room for books and other supplies.

Architect's plans will be submitted to contractors as soon as they are available, the trustees announced.

Insurance claims on the burned buildings will be settled speedily, trustees believe. Policies were carried with two companies, and one of the claims has already been adjusted. A representative from the second insurance company is expected in Haskell today.

No definite plan regarding continuation of the present school term has been worked out, school officials stated.

Sheriff Returns Accused Prisoner from Nacogdoches

Sheriff Giles Kemp returned Thursday from Etowah, Nacogdoches county, where he took into custody W. P. Marlin, former Haskell county farmer who is under Grand Jury indictment here for disposing of mortgaged property.

The Grand Jury indictment was returned in May, 1936, and Sheriff Kemp only recently learned of Marlin's whereabouts.

HUGE THROGS EXPECTED FOR M. E. RALLY DAY

Bishop Boaz To Be Principal Speaker at Services Sunday

Haskell Methodists are expecting a "house full of people" to hear Bishop Boaz of Fort Worth at the Victory Meeting to be held Sunday night in the First Methodist Church.

In the words of a leading member of the congregation: "This is to be the test of loyalty among those who can do anything to make the day successful. Like Admiral Nelson of the English Navy, the church expects every man to do his duty."

SECRETARY TENDERS RESIGNATION EFFECTIVE ON JUNE 30TH

Assignment of 120 Persons on W. P. A. Projects Expected

One hundred and twenty persons have been instructed to report at the Haskell County Relief office on Thursday morning, April 15th, to be issued assignments for work on WPA projects in Haskell county.

A number of persons now listed on the rolls have either moved from the county or secured other employment, according to Mrs. Kate Perdue, in charge of the office. Order for assignment of the Haskell county group was received from district headquarters in Wichita Falls Monday.

Names of all persons now eligible have been posted in the Haskell office in the postoffice building.

Sunday Visitors in Abilene Mr. and Mrs. Jesse Collier and Mr. and Mrs. Bob Herrin and children spent Sunday afternoon in Abilene, the guest of relatives and friends.

Directors Plan Early Start on Summer Race Meet and 1937 Fair

Directors of the Central West Texas Fair Association, meeting Monday night, considered a much-discussed expansion program, favored an early start on "shaping up" plans for the 1937 Fair to be held in October, confirmed dates for a Summer Automobile Race Meet to be held here July 3 and 4, and accepted with regret the resignation of H. T. Sullivan, association secretary, effective June 30th.

With the summer race meet the dominating contest at the present time, directors considered favorably an early start on assembling the premium list for the 1937 fair after plans are complete for the July attraction. Special attention will be given to an earlier preparation and distribution of the Fair catalog, they decided.

Contemplated improvements on the fair grounds, placing of the race track in better condition, and other business matters were discussed at some length during the

Jurors Summoned for Second Week of District Court

The following list of persons have been summoned for Petit Juror service during the second week of the April term of District Court.

Cards instruction them to report for jury service Monday April 26 at 9 o'clock a. m., were mailed today.

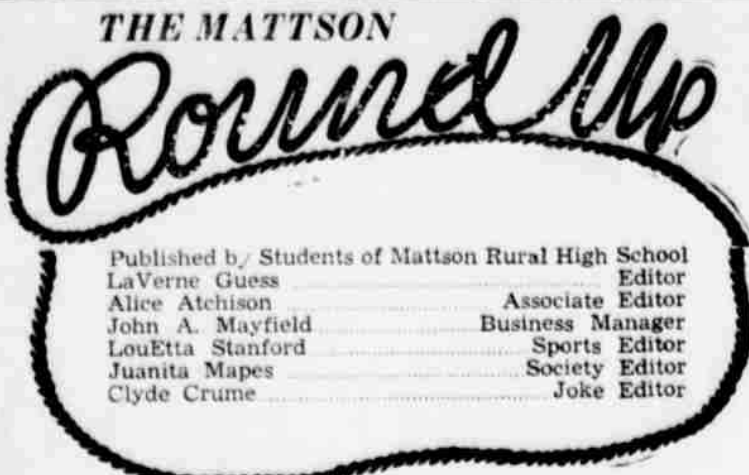

S. W. Kelso, O'Brien; L. M. Kay, Rochester; Hill Oates, Haskell; Edgar Laughlin, Sagerton; V. X. Norman, Rule; H. C. King, Haskell; Adolf Gerich, Rule; G. C. Lemmon, Haskell; G. C. Gornell, Goree; F. J. Josselt, Wernert; Herman Neinst, Sagerton; Guy Jenkins, Weinert; J. R. Casteberry, Rule; Ed Kainer, Sagerton; P. H. Martin, Sagerton; Lynn Pace, Haskell; F. L. Peavey, Haskell; A. D. Lewis, Rule.

H. J. Cloud, Rule; Joe Maples, Haskell; C. T. Jones, Weinert; R. N. Mathison, Weinert; A. L. Darden, Sagerton; C. W. Bidesoe, Haskell; Frank Keon, Rule; S. L. Parks, Haskell; John Franke, Sagerton; Oscar Read, Weinert; Sterling Edwards, Haskell; Kenneth Anderson, Rule; H. W. Buckner, Rochester; D. M. Baird, Rochester; Porter Campbell, Rule; R. L. Medford, Haskell; Albert Arend, Haskell; Tom Baker, Haskell.

BUILDINGS DESTROYED BY FIRE

You can imagine our sorrow when we heard that our dear old school buildings had burned Sunday morning, April 4, at 3:00 a. m. We did not realize how dear they had grown to us, until we viewed their ashes.

We do not know the cause of the fire, but everything was completely destroyed—all of the equipment, records, textbooks, etc. Our future course has not been definitely decided. However we want it understood that this school term will be finished, whether we do so immediately or at a later date.

The loss of our buildings has made us more determined than ever to build a high school we will be proud of.

COUNTY MEET

We feel that we made a creditable showing in Interscholastic League work this year, considering we are just beginners.

At the County Meet last Friday, April 2, we won the following places: Senior Girls' Declamation—LaVerne Guess, third place.

Ready Writers: La Vera Guess, First place. Picture Memory: Tied for second place. Other entries were well performed, if no places were won. We shall endeavor to do better next year.

INFANT PARTY

The Home Economics Club girls seemed to have turned their ages back a good many years Thursday night. Miss Perrin entertained them with a kid party. All the girls think "Henny Etta" should give them another some night (so they can wear short dress and act as silly as they want to). "Nita" made them laugh so much almost all of them were sick by the time they found their ice cream and cookies, but after that they were more lively than ever. Nita got the most whippings and received the prize for being the meanest. "Naomi" (Miss Davison) got a prize for looking the youngest. A prize was given to Elva for being the quietest all evening.

Manuana's arm was ore the next morning from having to whip so much. All the girls hope they can have another party just like it some time.

MUSTANGS CORRAL

Well folks we may have had bad luck but it hasn't defeated us yet. We are all in the harness pulling together with that old spirit which the Mustangs are noted for.

Last Saturday April 3, one of the Mattson buses loaded with the Junior high school teams and the Junior grade school teams journeyed to Haskell to play at the County Meet. We regret to

say that we were defeated in all four games, but that doesn't mar the fact that we were right there with our gladsome smiles. The Mattson track team still plans to take part in the District track meet at Breckenridge and also the State Meet at Denton. I think you will agree that nothing can defeat us.

So, folks, no matter what the bad luck may be, you will always find the Mustangs fighting with all our strength for dear "Old Mattson High."

DON'T QUIT

When things go wrong as they sometimes will. When the road you're trudging seems all up hill. When the funds are low and the debts are high. And you want to smile, but you have to sigh. When care is pressing you down a bit, Rest if you must, but don't you quit.

Life is queer with its twists and turns. As everyone of us sometimes learns. And many a failure turns about, When he might have won had he stuck it out; Don't give up, though the pace seems slow, You may succeed with another blow.

Often the goal is nearer than, It seems to a faint and faltering man. Often the struggle has given up, When he might have captured the victor's cup; And he learned too late, when the night slipped down, How close he was to the golden crown.

Success is failure turned inside out, The silver tint of the clouds of doubt, And you can never tell how close you are, It may be near when it seems afar; So stick to the fight when you're hardest hit— It's when things seem worst that you mustn't quit. —Selected.

HOSS LAFFS

When Waid was driving a garage wagon. Gwyn (bursting out of the house with some trash)—Am I too late for the trash? Waid—No, that's all right, hop right in.

Rip—I've been bitten by a dog and I am worried. I hear when a dog bites you whatever he has you get. John B.—Boy, then you have a right to worry. Rip—Why? John B.—That dog just has eleven pups.

Bob and Alice discussion Bob's brother. Bob—Oh, I don't think John B. is so handsome. After you take away his curly hair, his blue eyes and his grand physique, what do you have? Alice—You.

Brantley and Leon were in a heated argument in which Leon called Brantley a liar. Brantley—Look here, Mapes, I'll give you just five minutes to take that back. Leon—Is that so? And what if I don't take it back in five minutes. Brantley (after a slight pause)—Then I'll extend the time.

Elmer C. (Entering a cafe and ordering a cup of weak tea. When he received and tasted it he frowned deeply. Waitress—You ordered the tea weak. Elmer C.—Weak, yes. But not helpless.

John A.—You know, Alfred treats Miss Perrin like a dog. John M.—Yeah? John A.—Like a lap dog.

BLOODY BUT UNBOWED

Yes, our heads are bloody but unbowed. To hear such a blow as losing our school equipment and buildings will indeed be hard, but we will trudge on and try to replace this great loss.

We are going to work even harder to establish some thing greater than what we have lost. From the very first day of school we have had a hard struggle to obtain our classification and we had just been rewarded for

Who Knows?

- 1. When did the Spanish civil war begin?

9. What State does not allow divorce for any cause?
10. What is the extent of soil erosion in the United States?

BABY SHOT BY BROTHER

Baltimore, Md.—Five transfusions failed to save the life of little Wanda Lee Simmons, 18-month old daughter of Mr. and Mrs. Clifton Simmons. The baby was shot as she stood up in the front seat of her father's automobile by her four-year old brother, who had picked up a small caliber gun from the floor of the backseat, not knowing it was loaded, and had pulled the trigger.

WOULD LABEL LOBBYISTS

Montgomery, Ala.—In order that lobbyists could be recognized a proposal was made in the Alabama legislature that they wear distinctive uniforms. Among the suggestions was that railroad lobbyists wear overalls, carry an oil can and a switch lantern, public utility lobbyists carry a water faucet in one hand and a hand telephone set in the other, educational lobbyists wear cap and gown and a coonskin coat, and so on.

DOGS GUARD HUNTER

Santa Maria, Calif.—Charles Tank mountain-lion hunter slipped and fell on the ice while hunting with his hounds in Los Padres National Forest. He crawled into a cave and nursed his injuries until his provisions gave out. His dogs stood guard over the cave and foraged for their food. He finally made his way for sixty-five miles to a ranch.

PARENT-TEACHERS

Undaunted by the loss of our school buildings the Parent-Teachers met Tuesday in the home of Mrs. Watson. The program on Good Taste was directed by Mrs. Furrh. Miss Dawson started the program with a talk on Good Manners, Kindness and Sincerity was discussed by Miss Crume. A reading, "Johnny" was given by La Vera Guess. Miss Perrin discussed Good Taste in Dress.

LOST IN THE FIRE

"My new baseball cap"—Donnie Bob. "My track shoes"—John Melvin. "My grade book" (We hope)—Miss Dawson. "Our new English posters"—Max. "My report card with all those good grades"—Jack Miles. Loss of Foreign Cotton Market Is South's Problem

Dr. A. B. Cox, director of the University of Texas Bureau of Business Research and an internationally recognized cotton economist, in a survey of the cotton industry just issued, declared that complacency still dominates the thinking of the South and of the Nation as a whole regarding the loss of foreign markets for American cotton during the past three years. "The hope based on wishful thinking that when the price gets right the market will be there for our asking is utterly false," Dr. Cox said. "The wishful planners refuse to face the fact that for every bale of cotton the United States has curtailed during the past four years, foreign producers have increased production a little more than one. Prior to the depression our normal production of cotton was about 15,250,000 bales, and foreign production about 12,000,000 bales.

Following 1932 Federal planners chose to reduce our annual production to under 12,000,000 bales on an average. Foreign producers promptly accepted their invitation and increased their production to over 17,300,000 bales the past year. These stern facts describe the changed world cotton situation and our place in it. Certainly no one in the South wanted the cotton growers to hold markets continuously at unprofitable prices. On the other hand, many believed even in 1933 that it was much wiser to subsidize the cotton growers to hold their markets, rather than subsidize them to give them up.

"The fundamental causes for the loss of cotton markets were the war debt policy, the high tariff, restriction of immigration, and, of course, the advantage foreign producers took of our short sighted cotton policy under the Farm Board and the Agricultural Adjustment Administration to build up markets for their cotton. Are there any indications that the National Government proposes to remove these fundamental causes of our loss of cotton markets? Until the Government takes a positive step in this direction the wise policy for the South is to seek re-employment of its people thrown out of employment by loss of cotton markets in the production of goods both agricultural and industrial which have tariff protection and which will give the region the best utilization of its natural advantages."

NOTICE

Notice is hereby given that the 19th day of April, 1937, has been and is hereby designated by the Mayor and City Council as the day for a public hearing on the Budget of the City of Haskell, Texas, for the fiscal year 1937-1938. Said hearing will be held in the City Hall in the City of Haskell.

F. G. ALEXANDER, Mayor

LIQUOR ADS BANNED

Richmond, Va.—All outdoor advertising of distilled spirits will be illegal in Virginia after April 8th, by order of the State Liquor Control Board. Outdoor signs for wine and beer will be illegal after February 8, 1938. Advertisement of beverages by means of circulars, folders and handbills, now permitted, will also be prohibited after April 8th.

GETS WISH

Selbyville, Del.—After stating that he wished he could find "an easy way out of life," Thomas M. Richey, 59, was missing for several hours. Searchers discovered his body at the bottom of a twenty-foot well near his home.

Bones and Scrap Iron New Source of Farm Revenue

Texas farmers are reaping a harvest selling bones at \$10 per ton and scrap iron at \$4 and \$5 per ton, according to a survey just completed by the Texas Planning Board.

Most of the bones are being purchased for fertilizer, chicken feed and bone meal. The best grade of bones are being bought up by sugar factories for use as a bleaching agent for pure cane sugar.

The scrap iron is being purchased by buyers representing Japan.

Texas farmers who "plowed under" thousands of head of cattle for the Government during the AAA cattle buying program are now writing a glorious end to this phase of the New Deal by digging up the bones of the slaughtered cattle and selling them for fifty cents per hundred pounds.

It is not uncommon to see scores of wagons scouring the countryside in some parts of the state for bones. In several West Texas towns huge piles of bones have taken the place of the usual scrap iron heaps.

Large Administration Building
The administration building of the West Texas State Teachers College, Canyon, is more than a block long. It was dedicated San Jacinto Day, 1916.

Seven Colleges Train 200,000
More than 200,000 teachers have been trained by the seven state teachers colleges of Texas since the first institution at Huntsville was opened, 58 years ago.

Retired Minister and Wife in Reunion With Children

A family reunion was held recently by the Rev. and Mrs. J. F. Curry near Rule when they had all their children at home for the first time in eleven years. Rev. Curry is a retired Baptist minister. For six years he was Missionary of the Haskell County Baptist Association and four years was missionary of the Brownfield Association. In the picture, reading from left to right—back row: Rogers and John Curry, Rule; Mrs. James S. Cupp, Tucumcari, New Mexico; Charlie Curry, Taos; Joe Curry, Rule; Mrs. Ed Cloud, Rule; Albert L. Curry, Dallas. Front row: Belva and Gladys Curry, Rule; Virginia Curry, Munday; Mrs. Borden Davis, Tahoka. Rev. and Mrs. J. F. Curry (center).—Photo courtesy Abilene Reporter-News.

956,000 Texans Are Benefitted By Security Act

More than 956,000 people in Texas are benefiting directly under the Social Security Act, with eight of the act's ten provisions now in operation in this State, according to a statement issued by Oscar M. Powell, of San Antonio, regional director of the Social Security Board. Among these beneficiaries are approximately 670,000 who are estimated to be employed in jobs covered by the State unemployment compensation law and 120,000 who are being aided under an approved old-age assistance plan. Records show that \$36,586 wage earners have applied for accounts under the old-age benefits program. Practically all these are also covered under the State's unemployment compensation law.

Unusual Dormitory
Probably the most unusual dormitory in Texas in a three-story building just completed at Southwest Texas Teachers College, San Marcos. Located on a hilltop, it is built in a "U" shape and is only one-room wide, a windowed corridor providing perfect cross ventilation for every room.

Highest College Campus
Highest college campus in Texas and one of the highest in the world is that of Sul Ross State Teachers College, Alpine, 4,550 feet above sea level. Canyon, home of West Texas State Teachers College, has an elevation of 3,551 feet.

RUG BANK FAILS
Danville, Va. — Slipping \$150 under the parlor rug for safe keeping, Mrs. Frank Owen was horrified the next day to find it gone.

these programs for which the Social Security Board is the Federal administrative agency. Texas is also cooperating in social security programs directed by other Federal agencies.

The three maternal and child-welfare programs, administered by the Children's Bureau of the United States Department of Labor provide for the extension of such services, particularly in rural areas. Texas had an approved plan for maternal and child-health services for 1936, and Federal payments totaling \$42,001.66 had been made to the States by June 30. The plan approved for the fiscal year ending June 30, 1937, provides for a Federal grant of \$190,500. Under the 1936 approved plan for services for crippled children, \$49,999.92 had been paid to Texas by June 30, 1936. The 1937 plan, as approved, includes a Federal grant of \$152,730.02. A Federal grant of \$27,349.74 was paid to Texas for child-welfare services under the 1936 plan. For the fiscal year ending June 30, 1937, a Federal grant of \$90,758.43 was provided in the Texas plan approved.

The purpose of vocational rehabilitation is to provide reeducation for workers crippled in industry. At the end of the last fiscal year, 2009 such persons were receiving training under the Texas program, for which the State has received Federal grants of \$90,054. The Federal administrative agency for this part of the act is the Office of Education of the Department of the Interior.

Under the public-health provision of the act, which are administered by the United States Public Health Service, Texas has received Federal grants for the purpose of expanding and strengthening its State and local public-health services. Up to January 31, 1937, these grants totaled \$317,812.45.

The Social Security Board has maintained a policy of decentralization in order to bring the act as close as possible to the participant.

ing States and to the people. In line with this policy it has established twelve regional offices. That for Region Ten, which comprises the States of Louisiana, Texas and New Mexico, is in the Maverick Building, North Press and East Houston Streets, San Antonio. The regional offices serve as field headquarters of the Board's three operating Bureaus, which administer Federal old-age benefits, unemployment compensation, and public assistance. The Board has also opened field offices in connection with the administration of old-age benefits in a number of cities, including Austin, Dallas, Houston, and San Antonio. The State-Federal programs are administered by the following agencies, all of which have headquarters in Austin:

Unemployment Compensation — Unemployment Compensation Commission.

Old Age Assistance — Old Age Assistance Commission.

Maternal and Child Health Services — State Department of Health Division of Maternal and Child Health.

Services for Crippled Children — State Department of Education Crippled Children's Division.

Child Welfare Services — State Board of Control, Division of Child Welfare.

Vocational Rehabilitation — State Supervisor of Vocational Rehabilitation.

Public Health Services — State Department of Health.

Mr. and Mrs. Ralph Duncan were visitors in Abilene Saturday night and Sunday.

Midway 4-H Club

"A good way to get rid of a new crop of flies that have settled on screens, is to turn them into the house for a few minutes, then spray the room, sweep them up and burn them," said Mrs. Virgil Bailey to members of the Midway Home Demonstration Club at a meeting at the club house Tuesday afternoon.

Members answered roll call with "Methods used in my house to control flies." Fix screens, see that they fit well, sprays and fly swatters were some of the things answered.

Mrs. Doc Lott gave "Reasons why flies should be controlled:

(a) Carry germs and spread disease.

(b) Offensive.

Mrs. Hansford Harris gave "Controlling flies by screening, spraying, and cleaning up breeding places."

We were very glad to have a former Midway lady with us, Mrs. Annabel Hutchens.

Members present were: Mesdames, Dudley McKelvin, C. B. Ramsey, Sam Scott, J. B. Smith, A. J. Segro, Date Anderson, H. B. Jenkins, Doc Lott, Charlie Childress, Virgil Bailey, C. V. Oates, Hansford Harris, C. G. Burson, Jim Clark, and Miss Blanche Frierson and visitor Mrs. Anabel Hutchens.

Visitors are always welcome.

Mr. and Mrs. D. C. Bradley and son Don, Jr., of Rotan were in Haskell for a brief visit with friends Monday afternoon. They were en route home from Dallas, where young Don recently underwent a tonsillectomy.

April P. T. A. Program Of North Ward

North Ward P. T. A. program of April 8 proved to be one of the best of the year.

The number attending the program reached its zenith for the year. About 125 people witnessed "The Wedding of the Flowers" which was directed by Miss Hunt, assisted by Mesdames Brooks, Crow, and Miss Fitzgerald. Each flower was dressed in costume to represent that particular kind of flower. Tulips and dandelions served as members of the wedding party along the maid of honor, best man, ring bearer and flower girls. The minister in full dress read the ceremony which made Valla Lily the wife of Johnny-Jump-Up.

After a short business session the group was adjourned.

Weekly English Club

Play—Betty Ruth Blake.

Solo—Parramore Sellers.

French Harp Solo — Lonnie Brock.

Solo—Ventress Brock.

Reading — Bobby Jean Bailey.

Imitations — Gloria Welch.

Story — Madgie Reese.

Reading — Billy Davis.

We invited 7A in for the program. Reporter.

SARAH ANN'S COOKING CLASS

Food chemists have found liver to be very valuable in the diet; it is especially rich in iron and vitamins. There are many delightful ways of preparing liver; try some of these.

Broiled Liver and Bacon
Trim calves' liver in inch pieces. Broil bacon underdone and cut in 1 1/2 inch pieces. Arrange alternately with liver on skewers. Season roll in bread crumbs and set skewers across a bread pan. Place under broiler or in a hot oven, turning once and cooking until bacon is crisp. Remove to slices of buttered toast cut diagonally and place a half slice of broiled pineapple or tomato on each side of the liver and bacon.

Liver with String Beans and Spatzli
Have liver cut very thin, sprinkle with flour and pan-fry. To make the spatzli beat 1 egg slightly. Add 1/2 teaspoon salt, 1/4 teaspoon baking powder and 1/2 cup flour. Mix thoroughly. Cut small bits into a pan of boiling water. Boil for two minutes, drain and season with butter and salt. Serve liver on a bed of buttered string beans and surround with spatzli.

Liver Loaf with Prunes
Wash a lamb's liver and chop it, cook in boiling water for 5 minutes, drain. Add 1/2 cup of bread crumbs and 4 slices of fat bacon and chop again. Season with 1/2 teaspoon salt, 1 teaspoon of kitchen bouquet, 1 tablespoon of vinegar, 2 tablespoons of chopped onion, a few gratings of nutmeg, caperine and a cup of water. Mix well. Put on a well greased bread pan, cover and bake one hour, slowly. Remove the pits from well steamed prunes and stuff them with chopped crisp bacon. Surround the loaf with the prunes.

Liver Dumplings
Chop 1/2 pound of raw liver and 1/4 pound of raw fat bacon very fine. To 2 well beaten eggs add 1/4 cup of butter, then the meat. Season with salt and pepper, 1 teaspoon each of minced parsley and seasoning herbs. Add 1/2 cup of bread crumbs, more if necessary. It should be stiff enough to make a paste which can be formed into balls. Roll these smoothly in the hands and drop into boiling water and cook about 15 minutes. Serve with plenty of fried onions.

Liver en Casserole
1 pound beef liver.
1 tablespoon fat
1/2 cup small onions
1 cup carrots cut in cubes
2 cup potatoes cut in cubes
1 cup tomatoes
1 tablespoon catsup
1 tablespoon flour
1 teaspoon salt-pepper
2 cups stock
1/4 teaspoon grated nutmeg.
Wash and pare the vegetables, saute and turn into a casserole with the tomatoes and catsup. Add a sauce made from the flour mixed with cold water and cooked until slightly thickened. Remove the skin and veins from the liver and cut into convenient pieces for serving. Sprinkle with salt, pepper and flour. Saute in the fat and turn into the casserole. Cover and cook in a slow oven for one hour. Season with salt and nutmeg. Serve from the casserole.

Calves Liver Creole
Cut leftover liver in cubes. Chop fine 1 green pepper and 1 onion, cook in fat until delicately browned, add one cup of tomatoes and any leftover gravy. Simmer 10 minutes, then add the liver and cook gently over hot water until well heated.

Beef Liver Sandwiches
Put 1 pound of liver and 1/2 pound of lean, fresh pork into a pan, cover with boiling water. Add 2 finely chopped onions, a bay leaf and 1 teaspoon of salt. Simmer until the meat is tender. Take from the pan, drain and put through the food chopper, season with salt, pepper and 2 tablespoons of tomato catsup. Rub to a paste and moisten with some of the water in which it was cooked. Have ready a bolter-shaped cloth bag, press the mixture in it and shape into a compact mold. Allow to stand overnight and in the morning cut off the bag with the scissors. This is splendid sliced for sandwiches or served cold.

Liver with Sour Cream
1 calf liver cut into slices 1/2 inch thick.
1 1/2 cups sour cream—salt.
Bake or broil the liver in a hot oven 500 degrees until half done, about 15 minutes. Place in a baking dish, add the salt and cream. Bake until done. Serve with sour cream sauce.

Sour Cream Sauce
2 tablespoons butter
2 tablespoons flour
1 cup sour cream
1/2 teaspoon salt
Cayenne.
Melt butter, add flour and salt. When well mixed add all the sour cream at once. Boil until thick or creamy.

Miss Anderson Is Named Librarian ACC Student Day

Miss Marguerite Anderson of Haskell, Texas has been nominated for the office of Librarian for the annual all student day which will open Abilene Christian College Week for 1937, Monday April 19.

Students will teach all classes and administer the affairs of the college for that day.

The annual A. C. C. Week will include student programs, extended meetings, and will be climaxed Friday night April 23 with a remote control radio broadcast from the campus over station WFAA, Dallas, 8:30-9:00.

All students who receive awards for extra-curricular services for the school year will be named in the program in Sewell auditorium following the broadcast Friday night.

Ex-students, and patrons and friends of the college in all parts of the United States and neighboring countries will have meetings and hear the broadcast. Groups in 13 states and Canada had meetings; and reported the broadcast in 1936 A. C. C. Week.

Friendly Builders English Club April 9, 1937

The house was called to order by the president and the minutes were read after corrections were made. The courtesy committee had the program. Patsy Pate imitated Myrtle Bob Branch told a story. Geraldine Wilma, Virginia and Ella Mae sang. Jack read jokes. That concluded the program and the house was adjourned. Reporter

T. C. Williams of Cisco, former Superintendent was through Haskell Monday en route to Cordell, Oklahoma, to attend the funeral of his brother Jno. Williams. He was accompanied by his niece, Mrs. C. M. Conner from this city.

CITATION BY PUBLICATION

THE STATE OF TEXAS, To the Sheriff or any Constable of Haskell County—GREETING: YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Haskell if there be a newspaper published therein, for four consecutive weeks previous to the return day hereof, Mary L. Morrison and J. F. Morrison whose residence is unknown, District Court, at the next regular term thereof, to be held in the County of Haskell at the Court House thereof, in Haskell on the 19th day of April A. D., 1937 then and there to answer a Petition filed in said Court, on the 16th day of March A. D. 1937, in a suit numbered on the Docket of said Court No. 4717, wherein George Ruppert is plaintiff and Mary L. Morrison et vir. J. F. Morrison are defendants. The nature of the plaintiffs demand being as follows, to-wit:

That heretofore, to-wit, on or about the 18th day of June, 1935, defendant, Mary L. Morrison made, executed and delivered to one George H. Morrison her promissory note for the sum of \$450.00, bearing date on the day and year aforesaid, due in monthly installments of thirty dollars each beginning with the first payment August 15, 1935, and continuing each month thereafter until said obligation is paid in full. Such note bearing 8 per cent interest, stipulating the usual 10 per cent as attorney fees. This note was given in part payment for a certain lot or parcel of land situated in the town of Haskell, Haskell County, Texas, and being a part of Out Lot No. 83, a subdivision of the Peter Allen Survey, and bounded as follows: Beginning at a stake in the west boundary line of said Block No. 83, which is 265 feet west from the northeast corner; thence West 176 feet; Thence South 135 feet; Thence East 175 feet; Thence North 135 feet to the place of beginning. Such property above described was conveyed by George H. and Flora B. Morrison, Mary L. Morrison, and to secure the payment of same a vendor's lien was retained in said conveyance. That by a written transfer of lien on the 18th day of June, 1935, George H. Morrison, transferred all his right, title and interest in and to the above described note, together with the lien securing the same to plaintiff herein.

Wherefore plaintiff prays the defendants be cited as required by law, and that he have judgment for his debt, foreclosure of his lien and cost, and for such other and further relief to which he may be entitled.

HERIN FAIL, NOT. And have you before said Court, on the first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Haskell, Texas, this, the 16th day of March A. D. 1937.

ROY RATLIFF,
Clerk District Court Haskell County, Texas. 4tc

NATIONAL ADVERTISER WILL USE FREE PRESS TO REACH CONSUMERS

Quaker Oats Co. Announces Comprehensive Campaign In Haskell Territory

The Quaker Oats Company is coming back to the country newspapers for advertising their excellent product. To insure the success of this initial campaign, the Quaker Oats Company is making a special effort to cooperate. Grocers appreciate the value of an established brand name—they know that their customers appreciate the privilege of calling for a nationally advertised brand of goods, knowing that it means they will receive the quality they expect.

When a large concern decides to use local newspaper for advertising service, it means increased sales for the local merchants.

When the Quaker Oats advertisement appears in The Haskell Free Press on Friday of this week, it will contain the names of all the dealers in the Haskell trade territory.

In addition to this, The Haskell Free Press will distribute the "Trick Book" to each person who brings the Quaker cut from a large package of Oats, or two Quakers from the smaller packages. The Trick Book contains simple tricks which any boy or girl can perform for the entertainment of themselves and others. They will all want one.

The dealers will cooperate in the campaign by using special displays in their stores and by adding to their advertisements a special calling attention to Quaker Oats sold by them.

Two representatives of the Quaker Oats Company, J. D. Brown and P. W. Lewis, are in Haskell this week to direct starting of the campaign.

Former Resident Dies Recently In Cleveland, Okla.

Funeral services were held Monday, April 5 in Cleveland, Okla., for J. A. (Jim) Bennett, a former resident of Haskell county, who died in Cleveland April 3rd from a heart attack. Deceased was 66 years old.

Mr. Bennett formerly resided in Haskell and Weintert, moving to Oklahoma some twenty years ago. Those attending the funeral services from Weintert were his sister, Mrs. H. Weintert and Mr. and Mrs. Preston Weintert and A. D. Bennett.

Deceased was born and reared in Guadalupe county, near Seguin. He came to Haskell county in 1906, leaving here about 20 years ago. He had been employed with the St. Clair Oil Company until his retirement about eight years ago.

Mr. Bennett is survived by two brothers, W. S. Bennett of Marshall, Ark., and Chas. A. Bennett of Fletcher, Okla.; two sons, Monroe and Bill Bennett of Cleveland, Okla.; three daughters, Mrs. J. H. Enos, Mrs. Lynn Collins and Mrs. Fay Northweather of Cleveland, and a sister, Mrs. H. Weintert of Weintert.

Attends Family Reunion

Mrs. Luther Cook of this city returned Monday from Winters, where she attended a family reunion Sunday at the home of her parents, Mr. and Mrs. J. B. Walton, who reside near Winters. Fifty relatives and friends were present for the enjoyable occasion.

Mr. Walton, who celebrated his 80th birthday last Friday, was the honoree for a birthday dinner on that occasion. Mrs. Walton is 75 years of age, and both are enjoying good health.

Mrs. S. A. Norris, Mrs. John Fouts, Mrs. Ethel Davis and Mrs. Holt Moeley of Knox City, visited over the week end in Lubbock and Littlefield with their children.

THOMAS JEFFERSON

Thomas Jefferson, author of the Declaration of Independence and third president of the United States, was born 94 years ago—on April 13, 1743. Jefferson's name will always be interlinked with that of the Nation he helped found, both as a patriot and as executive head for the republic for eight years.

The Declaration of Independence guaranteed the country's freedom, and insured its development as a world power. We insure YOU against loss from disaster. See us today.

Soil Conservation and Flood Prevention Theme Annual Westex C. C. Convention

SOIL—14 2 C 2
Elaborate preparations are being made for the nineteenth annual convention of the West Texas Chamber of Commerce to be held in Brownwood May 10, 11 and 12.

Brownwood Chamber of Commerce already has appointed the convention steering committee chairman, Jed Rix, assistant WTCC manager, has opened convention headquarters in Holten Brownwood.

An attendance of at least 10,000 people is expected.

General outline of the program has been completed, but a number of details are yet to be worked out. The program will include two general assemblies, on Tuesday and Wednesday mornings.

In addition to the general assemblies, four group conferences will be held—"Soil Conservation and Flood Prevention", general theme of the entire convention, will be topic of discussion at one of the conferences. Subject of another one of the conferences will be "Oil and Gas Development in West Texas".

Two luncheons for WTCC directors, who are expected to attend from all affiliated cities and towns will be held, one on Monday and the other on Tuesday. The directors will hear reports from the convention work committee and vote on proposals and resolutions received.

A luncheon for newspapermen and Chamber of Commerce secretaries will be held Tuesday, May 11.

Two outstanding shows, for which talent already is being secured, will be presented under the direction of Dr. Mollie W. Armstrong, Brownwood. The shows will be highlights of the Monday and Tuesday night programs of the convention.

Governor James V. Allred and Col. Ernest O. Thompson, member of the Texas Railroad Commission, have accepted invitations to speak during the convention. Other speakers of national prominence will appear on each program during the three-day session.

Twenty entries already have been received for the Home Town Speaking Contest, one of the annual features of the convention. From 70 to 75 entries are expected. Rules of the contest have been mailed to all affiliated towns. C. M. Caldwell, Abilene is chairman of the Fred He is being assisted by J. Fred McLaughery, Brownwood. Winner of the contest will receive the Thomas Etheridge loving cup. Other prizes include scholarships from seven or eight colleges and a number of cash awards.

Rules governing a band contest to be staged during the convention by D. D. McInroe, Brownwood, will be mailed to all West Texas band directors within a few days. The bands will be judged in a marching contest and will play a massed concert at Soldiers and Sailors Memorial Hall, convention headquarters, according to McInroe. Prizes will be \$50 for first, \$25 for second and \$10 for third place.

A new kind of contest design.

the plans of Federal, State and local agencies in promoting the health and security of the mothers and children of Texas, and to make arrangements for carrying these benefits to the children of every county in the State."

Dr. Geo. W. Cox, State Health Officer, and the Division of Maternal and Child Welfare of the State Department of Health joins with Governor Allred in an earnest plea for coordinated efforts of all health agencies, and voices the hope that May Day may be the incentive for better health conditions throughout the year.

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners Court of Haskell County, Texas, will, on the 1st day of May, 1937, at 10 o'clock a. m. in its usual meeting place in the court house at Haskell, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery:

One Crawler-Type Tractor with 20 inches Grouser Shoes, Canopy Top, Starter, Generator, Battery, and Lights. Having 79 Horse Power.

and will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law; and if any bid be accepted it is the intention of the Court to issue time warrants on said County in payment of all or part of such proposed contract, in the maximum amount of \$6,000.00, to bear six per cent interest per annum, the last maturity date of such warrants to be not later than the year of 1942.

CHARLIE CORNER
County Judge; by Order of The Commissioners Court. 3tc

May 1st Proclaimed "Child Health Day" By Governor Allred

Governor James V. Allred has proclaimed May 1 as the eleventh annual Child Health Day in Texas, in conjunction with a national observance of the day under proclamation issued by the President of the United States. The State Department of Health is sponsoring May Day in Texas.

Governor Allred said, "May day has become an incentive for campaigns to immunize our children against smallpox, diphtheria, typhoid fever, whooping cough, to encourage child health clinics—dental, prenatal, preschool, and to find and treat crippled children; to wage safe milk campaigns, realizing that the health and security of our children are essential to the wellbeing of our State and Nation, and as such deserving encouragement through the development of plans to promote maternal and child health and to extend child welfare, now therefore, I, James V. Allred, Governor of the State of Texas, do hereby proclaim May 1 as Child Health Day, and urge all agencies, public and private, concerned with the health and welfare of children, on this day to cooperate in

Poultry Work Interests Large Groups Club Girls In Northwest Section State

County home demonstration agents in Northwest Texas report that club girls are showing considerable interest in poultry work and that many girls are using poultry to supplement the farm diet and income.

Fisher county club girls have ordered 2,200 baby chicks and in addition 130 hens have been given a setting of eggs. A demonstration on "Selecting Poultry Equipment for the Brooder House" given by the assistant home demonstration agent, attracted representatives of 26 girls' clubs. Club poultry demonstration agent, attracted representatives of 26 girls' clubs. Club poultry demonstration agent of the Girard 4-H club in Kent county, is occupying a new poultry house which is well ventilated, allows sunlight to enter, and is warm and dry in bad weather. The building is of the shed type with the front of the house covered with wire netting to provide ventilation. The plank floor is raised 12 inches from the ground to keep the wood from rotting and to keep the floor from absorbing ground moisture. Bobby has provided nests on the end walls, with one next to each five hens. Roosts are set 12 inches apart and are placed at the

back of the house.

The flock of Geraldine Haney, poultry demonstrator of the Carlisle 4-H club of Lubbock county, was infested with blue bugs and was not supplying enough eggs for the family. After Geraldine moved the hens, dusted them well, and started feeding them mash, they increased their production to the extent that in one week she sold seven dozen eggs. Her father has built a combination brooder and poultry house for her flock.

State Committee Warns Farmers Of Cotton Crisis

The prospect of a material increase in cotton acreage in 1937 is only one of the factors which makes it advisable for every Texas farmer to join the AAA agricultural conservation program, members of the state agricultural conservation committee say.

"I am afraid advancing prices for some of our commodities, especially cotton, have caused Southern farmers to forget the situation which brought about 5 cent cotton and \$8 a ton cottonseed," Geo. Slaughter, chairman of the committee, said in quoting C. A. Cobb, director of the Southern Division of the Triple A. "A material increase in cotton acreage this season could very easily place cotton producers in a position similar to that in which they found themselves in 1933. Despite the fact that the surplus of American cotton has been reduced, our carry over of approximately seven million bales is still two million above average."

The committee urged that every farmer in the State sign a work sheet in the 1937 Agricultural Conservation Program. Slaughter pointed out that participation in the program not only would help cut down the threatened overproduction of cotton, but that the program encourages farmers to build up the fertility on a portion of their farms and provides payments which farmers might use to guarantee the payment of taxes, interest, and other current farm expenses.

"The program also presents to the farmer the chance to produce sufficient food and feed for home use, if he does not already do this, and still secure benefit payments," Slaughter said.

"Pesky" Visitors On Way To Texas For Summer Visit

Word has just been received by the State Department of Health that Mr. and Mrs. Mosquito and Mr. and Mrs. Fly, with their kindred are on their way to Texas for the summer season. They state that, although many had died since last summer, they would soon have large families.

Mrs. Mosquito raises from fifty to three hundred children at one time and only takes around two weeks to have full grown children. Mrs. Fly admitted that she and her husband could be ancestors to a million flies in one season.

Dr. Geo. W. Cox, State Health Officer, stated that Texas hospitality could be refused the Fly and Mosquito families if Annual Clean-Up Week from April 4 to 11 is used to begin a thorough campaign to eliminate the breeding spots of these pests.

Mosquitos are responsible for the spread of malaria, dengue and yellow fever. Malaria is spread by the bite of the anopheles or malaria mosquito. Dengue fever and yellow fever are transmitted by the Aedes Aegypti or Tiger mosquito. They breed in standing water, therefore, you should drain ditch or fill such places, spray oil on water each week, too, or stock the water with surface minnows as they will eat the wiggle tails. Houses should be screened.

Flies help spread typhoid fever, dysentery, diarrhea, tuberculosis, anthrax, and cholera. They breed, live and feed in filth. To prevent their increase all refuse should be disposed of at once, garbage kept in covered containers, privies made sanitary and houses screened. Every neighborhood raises its own flies so that their number is an excellent index to the sanitary conditions.

COVER CHIMNEY, TOO
St. Joseph, Mo.—Called to extinguish a roof blaze, firemen were amazed to discover that workmen who repaired the roof of the house had inadvertently covered over the chimney opening.

FUTURE DEMOCRACY IN SPAIN

Without attempting to go into the details of Spanish policy, or the various political struggles in Spain, it should be recalled that the government of the Centre and Right, conservative blocks was completely defeated in the election of members to the Cortes in Feb. 1936. It had been in power since the election of 1933.

We presume that the laws which were good enough to elect a conservative government in 1933 were good enough to elect a Leftist government in 1936. The new government took office, under a cabinet "without participation of Extremists" and held office until Gen. Franco began his rebellion in July. It was seven weeks later, when Moors, Italians, Germans and Franco's army threatened the capture of Madrid and the overthrow of the government that it gave representation to all supporters, including Socialists and Communists.

The crime against democracy began when the Conservatives, defeated at the polls, resorted to arms against the government elected to replace their own administration. Why the election was "illegal" does not appear clear to us in view of the fact that the conservatives were in control of the government when the election took place.

We do not find that the principles of the original Spanish revolution "deny freedom of thought" or "freedom of worship". In fact, the Constitution expressly provides for the separation of Church and State, abolished official religion, and set up, in express terms that all citizens should have freedom of conscience, liberty of worship and equality before the law.

Facing the fact that the Spanish people are unfortunately bitterly divided and that the defeated conservatives raised the flag of revolt, putting their trust in the power of arms, we think that the Spanish people should have been allowed to fight out their own battle, without outside interference of any kind.

It is our idea that democracy can only exist where the people of a country are permitted to settle their own differences, in their own way, and according to their own conclusions. Regardless of any opinion as to the propriety of conclusions reached by other people, in handling their own internal affairs, it is a matter for them alone. They must be permitted to use the machinery of democracy, if they will, and the arbitrament of arms, if they must, but it should be recognized as their right if democracy is to make permanent gains in the world.

WHAT ABOUT BASEBALL?

About this time of the year old baseball fans begin to get the fever and watch anxiously for the major leagues to swing into action. Occasionally, one hears somebody wonder why the boys of today do not play baseball. The speaker generally appears at a loss to explain what, to him seems a mystery.

Of course, the boys of today have other things to take their time, like the automobile and the moving pictures, but never was there a crop of boys who did not like games. The simple reason why they don't play baseball is because they have no place to play the game.

Thirty years ago, before paved streets and automobiles came along, you could watch a game of baseball, in the proper season, on almost any street in town. A stray horse and buggy, or a pair of mules and a wagon, might meander along occasionally but the players had plenty of time to get out of the way and the game didn't stop long. Today, the streets are not available to children for play because of the danger of being injured and killed by speeding automobiles.

Where can the boys play baseball? Think it out and you will find that, while the boy population has grown amazingly in thirty years, the available baseball grounds have dwindled to almost nothing.

WISE AND OTHERWISE

Apparently
An Indian girl, winner of a beauty contest, is called Pretty Bear. A lot of the paleface favorite have been that way, too.—Florence (Ala.) Herald.

Extravagant
It's one that has been around for a while, but it may be new to somebody. The Scotch Townsend Plan calls for a \$65 person at 200.—Detroit News.

Not Complimentary
"Tarzan of the Apes" makes a colorful nickname for Lou Gehrig, but not in the baseball situation. The rest of the Yanks might not like the insinuation.—Detroit News.

Evidently
Father Dionne is said to be recon'ed to the guardianship set up for the famous quintuplets. Evidently he is figuring on borrowing a little tobacco money.—Indianapolis Star.

Not Perfect Yet
A one-string ukelele is something new in musical instruments, but, as Groucho Marx once complained of a whispering tenor, you can still hear it.—Portland Oregonian.

Not Funny
There are, today, twenty-three different varieties of treason under German law. And naming that dachshund Adolph is no longer considered funny.—Rochester Democrat & Chronicle.

If Possible
The good will pacts ratified at Buenos Aires are not to be opened to European subscribers. The western hemisphere has just about decided to live alone and like it.—Richmond Times-Dispatch.

Important News
Quick communication is a great thing these days. For example, it was borne to our ears a few hours after it happened that the Duke of Windsor had a Scotch and soda and played ninepins one day.—Portland Express.

Do You Remember

... these happenings of 10 and 15 years ago?

(Taken From the Files of the Haskell Free Press)

April 14, 1927

Members of the Christian Church Sunday School basket ball team were presented sweaters this week. Players received the sweaters were Granville Glenn, Eugene English, Johnny Bank, L. D. Ratliff, D. L. Cummins, Jack Glenn, Marvin Branch, Edwin Pope.

Contract was let this week by Henry Alexander for the erection of a modern duplex apartment house on the lot adjoining his residence.

A five-room house on Ballew street occupied by Henry Lee and family, was destroyed by fire Wednesday night.

Three tests for oil are being drilled in Haskell county. Subbie Oil Company spudded in their test on the Jeter farm last week, southwest of Haskell. The Blackstone Oil Company's No. 1 on the Carrissom farm southeast of town has reached a depth of 1,000 feet, and Kouri No. 3 on the Ballard Ranch resumed drilling after being shut down for a few days.

One hundred and twenty-six persons were killed when a tornado struck Rock Springs, county seat of Edwards county, Tuesday night April 12.

Guinness reports show that 23,555 bales of cotton were ginned from the 1926 crop in Haskell county.

At a directors meeting of the Haskell County Fair Association the following officers were elected for 1927: A. H. Alexander, president; Courtney Hunt, vice president; C. M. Conner, secretary-treasurer.

J. Horace Bass, former superintendent of the Munday Schools, has been employed as superintendent of the Haskell Public School system for the coming term.

April 15, 1922

According to Mrs. Ed Robertson, county superintendent, Haskell rural schools have been granted a total of \$6,743 State Aid. Part of this amount has already been received.

Several small farm houses were moved from their foundations, barns were blown down and trees uprooted when a small tornado struck the Lake Creek community early Saturday morning. No one was injured.

One hundred and fifty delegates are expected to attend the annual meeting of the First District, Federated Womens Clubs here April 17, 18 and 19. Sessions will be held in the First Christian Church.

A movement has been inaugurated by the local Elks Lodge to install a wireless telephone receiving set in the clubroom.

The name of Cedric Sanders of this city, who is a student in the electrical and mechanical department of State University, appeared on the honor roll of the university for March.

\$550 LOST IN WASH

Newark, N. J.—After sending fourteen shirts to a laundry, a man remembered that he had left \$1,250 in one of the shirt pockets. Hastening to the establishment laundresses found \$550 in the washing machine but the other \$700, it seems had come out in the wash.

2,681 SUICIDES IN TOKYO

Tokyo.—There were 2,681 suicides in this city during 1936, according to official statistics, an increase of 266 over 1935. Principal causes noted were: sickness, 915; poverty, 338; love affairs, 334; guilty conscience, 269; brooding, 241; and domestic troubles, 217. There were two men to every woman who committed suicide.

JAPANESE WEAR WIGS

Tokyo.—With the widespread adoption of western clothes and habits, the modern Japanese girl bobbed her hair and has it waved and curled regularly. However, when it comes to weddings, christenings and funerals, she returns to Oriental custom, dons a kimono, cramps herself into a tight sash, fits her feet into sandals and wears an elaborately looped and oiled wig over her bobbed tresses.

COSTLY DEMONSTRATION

Chicago.—Looking on at a demonstration of a money-making machine, a policeman saw a blank piece of paper inserted and a crisp \$5 came out, which he promptly pocketed, arresting two men who conducted the demonstration. They were out of their money and in lots of trouble.

LIVES IN COFFIN 2 MONTHS

Lisbon, Portugal.—According to a new paper dispatch, Alvaro Esteve, an insurgent sympathizer, hid for two months in a coffin in the family tomb to escape government troops during government domination of the seaport of Malaga. Emerging when insurgents took the town, Esteve found that his hair, jet black two months ago, had turned a snowy white.

TEXAS REJECTS AMENDMENT

Austin, Tex.—By a vote of 10 to 19 with one pair, the Texas Senate rejected a resolution to ratify the child labor amendment to the Federal Constitution.

Prosperity Is Indicated For U. S. Farmers

An upsurge in farm prosperity is indicated at Washington by reports to the department of agriculture from over the country.

Prices of farm products are the highest in many years and are rising steadily. Rising industrial prosperity has increased consumer purchasing power. Weather conditions are generally favorable.

The crop board reported farmers intend to plant increased acreages this year. Only another severe drought or other catastrophe apparently can prevent bumper crops.

Many Exceed 1929

Last year farmers had a gross income of \$9,530,000,000. This year's income is expected to equal, if not exceed, 1929 income of \$10,250,000,000. In 1933 gross farm income was \$3,500,000,000.

Four years of short crops have caused the price of wheat to soar to \$1.40 a bushel, the highest since 1928. The department said prices probably will be "well maintained" this season.

Wheat farmers planted an all-time record of 57,200,000 acres in winter wheat last fall. Spring wheat was forecast at approximately 23,000,000 acres. A billion-dollar wheat crop appears probable.

Largest Since 1931

If weather conditions are normal, the department said, wheat production this summer may total 860,000,000 bushels, the largest since 1931. Last year and in 1935 production totaled 626,000,000 bushels.

The corn belt has been soaked by rains and snow and early prospects are for a good crop. Supplies of corn on farms are the lowest in several years. Prices are the highest since the late '20s.

Cattle, hog and sheep prices are near high points since start of the depression. High prices this summer and fall probably will more than balance slight reductions in market supplies, the department said.

Cotton Prices Up

Cotton prices have advanced \$20 to \$25 a bale in recent months. Domestic mill consumption is at the highest point in years, but foreign demand is slightly below last year. Planting intentions indicate a crop possibly in excess of 14,000,000 bales, the department said. Carry-over supplies of every

major farm commodity, excepting cotton and tobacco, are far below normal. Secretary of Agriculture Henry A. Wallace advised farmers to "produce abundantly" this year and "fill up the bins."

70 ADDICTS TO DIE

Shanghai.—Under China's new law decreeing the death penalty for incurable opium addiction, the first mass execution of opium addicts and narcotics dealers is to be staged in Mantungchow, where after clean-up raids, 70 persons have been sentenced to death by

shooting. Before the death penalty is ordered, however, addicts are given hospital treatment and only if they return to the use of the drug after they are released as cured are they subject to execution.

BIG APE ATTACKS MAN

Chicago.—Big Mike, 300-pound chimpanzee, seized Arthur Aiken, a keeper, through the bars of his cage and slammed him back and forth against the iron bars, seriously injuring him before other keepers beat the ape off with a club.

4. Excluding Manchuria, 370,691,374.
5. Mississippi comes from two Indian words, meaning "fish-river."
6. About one-third.
7. Jan. 5, 1905.
8. Illiterates dropped from 6 per cent of the population in 1920 to 4.3 per cent in 1930.
9. South Carolina.
10. Of 1,907,721,392 acres of land in the United States only 578,167,570 acres show little or no erosion.

"FREE" WHEELING
Jackson, Miss.—Arraigned in court on a charge of stealing a bicycle, Robert Harris, a Negro youth, explained he was "just sitting on it when somebody gave it a push." He got ten days.
THROWS MAIL AWAY
New York.—Because his feet hurt him, Henry M. Briggs, 48 year old mail carrier, fell into the habit of throwing letters away. When complaints became numerous from residents on his route, an inspector trailed him and caught him throwing a package containing more than 100 letters into an incinerator in an apartment house.

The First Teachers College in Texas
Professional teacher training in Texas began in 1879 when 110 students enrolled at Sam Houston Normal Institute, Huntsville. Today, seven state teachers' colleges at Huntsville, Denton, San Marcos, Canyon, Commerce, Alpine and Nacogdoches, enroll more than 8,000 during the regular college year.
Official Highway Only Two Miles Long
Shortest official state highway in Texas No. 223, less than two miles long. It leads from Alpine to Kokernot Lodge, the recreation center of Sul Ross Teachers College.

HOW ABOUT THAT KNEE ACTION?

It's Not A Joke!
Faulty Lubrication Is A Hazard To Every Driver

A kingpin goes dry and snaps on a sharp turn... a poorly greased universal burns out and breaks on a steep climb. What happens after that is usually serious and can be traced back to the mechanic who did your last greasing job. Our experts, however, fully appreciate the importance of all the greasing and oiling work they do, and they account for the hundreds of safely lubricated cars in town today.

WINDOW-PEEPER AT ABILENE IS FATALLY SHOT

Fred Mahan, Cisco Laborer, Killed As He Runs From Home of Student

Fred Mahan, 38 year old Cisco laborer who was killed in Abilene Friday night when he disregarded a command to halt as he ran from the yard of a young ministerial student, was at one time an inmate of the Haskell county jail, local officers state. Mahan was brought to Haskell from Mineral Wells in the fall of 1934, jail records show, for investigation in connection with petty thefts from a number of Haskell residents.

Holland Hope, ministerial student in McMurry college, Abilene, gave Taylor county officers the following account of the slaying: Hope said he had found foot prints in the flower beds at his home on several days recently. Friday night he hid in the back yard of his home and watched for the prowler, he declared. About 9 o'clock a man walked past him and continued to the house, he said.

"I waited until he stooped over and was peeping through the north window," Hope continued, "then I shouted, 'You're just the man I'm watching for.' He started running and when he did not stop when I called again, I fired at him, aiming at his legs."

Identification of Mahan was made through a photograph in the Abilene police department files. Taylor county officers said no charges would be preferred against the young student.

Office at Abilene for Unemployment Board Announced

H. H. Rumph has been appointed fieldman for the Texas Unemployment Compensation Commission in the Abilene district, Chairman-Director Orville S. Carpenter has announced.

Rumph will direct the Commission's work in the following counties: Haskell, Stone, Throckmorton, Fisher, Jones, Shackelford, Stephens, Nolan, Tom Green, Taylor, Callahan, Eastland, Coke, Comanche, Brown, Mills, San Saba, Concho, McCulloch, Runnels, Sterling, Midland, Irion, Glasscock, Regan, Upton, and Coleman.

Rumph will have headquarters in the Abilene Chamber of Commerce, and will be available to all employers in his district for help in the solution of individual problems arising under the Texas law. Rumph will also explain to employers the effect of the amendments to the Texas act which were recently passed by the Legislature. Next payments to the Texas Commission will be due April 25 when employers will pay a tax of one and eight-tenths percent on their total payrolls for the months of February and March, 1937.

Church of Christ Revival Meeting Dates June 16-27

Dates for a revival meeting to be held at the Church of Christ beginning June 16 and continuing through Sunday June 27th were announced this week.

Fred McClung of Fort Worth, well-known evangelist, will conduct the service. It was announced.

Mrs. Martin Welsh left Friday morning for Houston to be at the bedside of her mother, Mrs. Jno E. Robertson who is seriously ill. She was accompanied to Fort Worth by Mr. Welsh who returned the same day.

Northwest Texas Boys' Club Enrollment Shows An Increase

Enrollment in boys' 4-H clubs already shows a substantial increase over 1936 figures, county agricultural agents in Northwest Texas report. Work in the clubs is well under way.

The 18 4-H boys' clubs in Lubbock county will have an enrollment of well over 225 members for 1937, with most of the boys taking a crop demonstration as their work. A boys' terracing school at the J. L. Benton farm in the Posey community attracted 10 club boys, who learned to operate a farm level and to run terrace lines. The boys ran lines on 160 acres on the Benton farm.

Callahan county 4-H clubs have enrolled 111 boys with enrollment incomplete. This exceeds the 1937 quota.

In Dawson county, 77 members were enrolled in club work in six meetings at which a movie reel of boys' work in that county was shown. One boy, R. B. Wilkinson, reported that he made a profit of \$39.77 on his flock of 160 hens during January and February.

The 4-H club enrollment of Stone County has reached 56, and arrangements have been made whereby prizes will be offered for the best demonstrations in cotton, beef calf feeding, grain sorghums, swine, and poultry.

The Antelope Flat 4-H club held a "father and son" meeting at which each of the 13 members of the club and all the fathers were present. Stunts, singing, and a supper which featured barbecue made up the program. "I wish this would happen more often," said father Henry Edens, who had three sons in the club, while L. L. Waldrop, another father with three sons in club work, added, "Community interest and enthusiasm is kept alive by such get-togethers as these."

Fair—

(Continued From Page One) meeting. Gene Tonn, chairman of Auto Racing, told directors that dates for the Haskell meet had been confirmed by officials of the Southwestern Automobile Racing Association, and that a number of race drivers had already been contacted and would take part in the meet.

Sullivan Resigns
H. T. Sullivan, secretary of the Fair Association since July, 1935, tendered his resignation effective June 30, at which time his contract with the Haskell Schools as Vocational Agricultural Teacher will expire. Mr. Sullivan was not an applicant for re-election to the school faculty and notified the Board of Trustees to that effect last week.

The directors accepted his resignation with regrets and gave him a vote of thanks for the splendid work he has done for the Association during the past two years. Mr. Sullivan stated that his plans for the future were indefinite at the present time, but would probably be announced before the expiration of his present contract with the School Board and Fair officials.

Edwards Barber Shop Now Under New Management

Announcement was made Monday that Joe Scarborough, Haskell barber, would have active management of the Arthur Edwards Barber Shop in this city in the future.

Mr. Edwards will still be identified with the shop, but will devote most of his time to his practice as a druggist physician and the fitting of glasses he announced.

The Edwards Shop, located in the Oates Drug Store building, is one of the oldest established barber shops in the city.

Visitors Here From Pampa and Paducah

Mr. and Mrs. Carl Ammons, Miss Oleta Holcomb, and Mr. Edwin Ammons of Pampa, and Mrs. Sallie Winningham and daughter Marie of Paducah spent the week-end here visiting relatives and friends.

Dr. W. E. Whitlock and son of Paris, Texas, were visitors in the L. M. Keel home last week.

Here From Monahans
Mr. and Mrs. Clay Smith and sons, Sam Hugh and Bobbie from Monahans, spent the week-end with relatives and friends in Haskell.

4,650 TREES TO JAPAN
Tokyo—Mrs. Joseph C. Grew, wife of the United States Ambassador to Japan, presented 4,650 American trees to the Japanese nation as a token of appreciation from the Garden Club of America for courtesies extended during a tour of Japan in 1935.

EAGLE SHORT-CIRCUITS WIRE
Killdeer, N. D.—When an American eagle chose to perch on a tension power line, he not only committed suicide himself but deprived five communities of electricity. The bird had a wing spread of six feet and four inches.

TROPHY PISTOL KILLS BOY
Washington.—When Richard Ham, 13, showed his father's gun to a visiting friend, Robert Russell, 11, it fired and the Russell boy fell, fatally wounded.

THROCKMORTON HAS 350,789 ACRES NOW FOR CONSERVATION

Several Large Tracts Turned In By Big Ranching Interests

Throckmorton county stockmen have turned in a total of 350,789 acres of range land in the government conservation program, according to R. O. Dunkle, Throckmorton county agent.

Amounts turned in vary from tracts of a few acres to 55,000 acres, the acreage held by the Reynolds Cattle company in the southwest part of the county, of which John Culp is manager. Other sizable tracts of land to be improved under the conservation program include J. A. Matthews, 40,000; Elliot & George, 19,000; E. W. Hunt, 26,015; J. T. Davis, 14,570; Thomas estate, 25,000; J. M. Batchler, 11,520; A. C. Daws, 4,600; McCluskey & Atkinson, 8,900; R. P. Lee, 5,925; and Gene Pickard, 4,000.

Improvements to be carried out under the range conservation program in this county will center around eradication of prickly pears and mesquite trees, with some work to be done in the construction of earth tanks.

Locals

Miss Gladys Fouts of Hardin-Simmons, Abilene, spent the week-end with home folks.

Alvy R. Couch Jr., of Lubbock, visited in the home of his parents Mr. and Mrs. A. R. Couch Sr., over the week-end.

Mayor F. G. Alexander left Monday afternoon for Fort Worth where he will spend several days with his son, Matthew Alexander and family.

Editor and Mrs. E. B. Harris of Rule were in Haskell Monday.

Mrs. Giles Kemp and Misses Lena Bell Kemp and Louise Warren were in Abilene Monday.

SEE US before you buy or sell any article of furniture and make money. Boggs & Johnson, East side square.

Mr. and Mrs. A. C. Boggs, Jr. of Hamlin spent Sunday with relatives and friends.

Mrs. R. J. Reynolds, Mrs. John A. Couch and Mrs. Virgil Hudson motored to Abilene Monday.

Judge and Mrs. Clyde Grisom and children of Eastland spent the week-end here with friends and relatives.

Mr. Gaines Post of Madison, Wisconsin and son are here visiting relatives.

Mr. and Mrs. Clyde F. Elkins of Lubbock, former residents of this city, were in Haskell Monday renewing acquaintances with old friends.

Dr. L. F. Taylor spent the week-end in Brownwood visiting his brother Dr. and Mrs. A. L. Taylor. He was accompanied home by Mrs. Taylor for a few days visit.

Mrs. W. M. Reid returned to her home from Sulphur Spring Saturday night, where she had been several weeks at the bedside of her mother.

Milton West of Lubbock was a visitor in Haskell over the week-end.

Here From Greenville
Eulis Hayes of Greenville spent the week-end here with his parents, Mr. and Mrs. R. A. Hayes of this city. He is in charge of the district offices of the Singer Sewing Machine Company in Greenville.

Rule Boys and Mitchell Girls Win In Tourney

READ THE FREE PRESS WANT ADS EVERY WEEK

Dependability

Twenty-one teams took part in an invitation softball tournament Saturday at the Cliff school, with a large number of boosters accompanying each team.

There were several closely contested games in both boys and girls divisions, and the girls teams were especially evenly matched. Rule boys won in their division and the Mitchell girls won in their contests. Each of these teams was presented with a ball and bat.

Women of the Cliff community, in charge of a refreshment booth, were kept busy selling sandwiches and drinks, realizing the sum of \$63.27 from their endeavors. Profits from the booth will be used in buying a stage for the Cliff school.

Sponsors of the tournament, as well as patrons of the Cliff school were glad to have the large number of visitors and are looking forward to other occasions of this nature.

The next tournament will be held at Foster Saturday April 17, and all boys and girls teams in the county are invited to take part.

Beauty—

(Continued From Page One) accommodate expected large crowds it was pointed out, if proper lighting facilities can be arranged and the weather is favorable.

One hundred cities were invited to select their representative to take part in the final contest in Fort Worth on Saturday, May 22nd. The winner last year, Miss Faye Cotton of Borger, is now in Hollywood with Universal pictures.

The new Texas Sweetheart No. 1 will be given a featured role in Billy Rose's Casa Manana Revue of 1937 and afterward she will have an opportunity in motion pictures. Each girl chosen to represent a city will be paid her fare, by train or bus, from her home city to Fort Worth and return, and if she lives a distance that would make it necessary for her to spend a night in Fort Worth, her hotel room will be provided by the Frontier Fiesta. Each contestant will be given an audition by Rose and, even if she does not win the Texas Sweetheart title, each girl will have a chance to gain a part in the Casa Manana Revue.

Although the invitations went out only a few days ago, Haskell and more than 30 other cities already have notified the Frontier Fiesta that they will choose a representative, and these cities are being given statewide publicity in this connection.

Methodists—
(Continued From Page One) becoming. Twenty-five years from now many will still be recounting the thrill after a long hard pull in this campaign. The church has never gone forward except on wheels of sacrifice.

The debt-raising campaign is growing in momentum with the approach of the Rally Day service at the Methodist church for next Sunday. No one is discouraging the movement. All seem to feel that it is a heroic undertaking. We have seen no one that doubts the ability of the church and its friends to raise the \$9,000.00. It is

FAIR DIRECTORS BEGIN SHAPING PLANS FOR SUMMER AND FALL EVENTS

Economy In Food Preparation Will Be Basic Theme of "Kitchen Chautauqua"

NOTED ECONOMIST WILL DEMONSTRATE POPULAR RECIPES

Hogue To Conduct Free-Day School Here May 6 to 8

Attraction that will prove of importance to the women of the city and surrounding territory is the coming Kitchen Chautauqua to be conducted in Haskell under the auspices of The Free Press. It will open Thursday, May 6, and continue for three days. Housewives are cordially invited to be on hand and hear and see the new dishes, sauces and garnishes that have become popular more recently. The school is designed to show all women the greatest of the year and will bare new methods of making attractive and the kitchen the best place on earth. There may be some who will think the old ways are good for me, but those who thought the same in times have changed their minds, willing, and in fact, anxious to try the newer methods. There are many new ideas in kitchen management that have never been thought of before.

Modern tools and equipment, and the new way of doing which has eliminated the hard work and drudgery of old times. Every home is a place in itself, where expenses are governed in accordance with the income. Lack of system in the matter, as well as lack of judgment on the part of the wife has disrupted many

ways and means of overcoming these obstacles will be shown by Miss Hogue who has wide experience in matters of this kind. Plans of decorating simple dishes and preparing the table for the affair will be given by Hogue who knows and understands how all women like to manage a household in order. This and many other ways of making the home more comfortable will be thoroughly discussed.

Kitchen Chautauqua course given free of any cost to women of this city and surrounding territory.

believed to have started in kitchen stove on which a meal was being prepared quickly spread throughout the room residence of Mr. Eck Templeton, located west outskirts of Haskell morning about 11 o'clock. The apparatus of the department were summoned and a little assistance in putting out the flames, the proper outside reach of water

and Mrs. Templeton had earlier in the day to visit in the Weaver community. Templeton's aged mother, 93, was alone in the house when the flames broke out, and she was unable to get out. She was rescued by the firemen. The estimated at between six hundred dollars, with some, it was reported.

Maxine Wright of Loraine, at in McMurry College, was a recent visitor in of her aunt and uncle, Mrs. J. T. Finley of this

INSTRUCTION IN RANGE PROGRAM GIVEN AT SCHOOL

County Agent Chesser and John S. Rike, Range Supervisor, Attend Meet

County Agent B. W. Chesser, county committeeman V. F. Bunkley, and John S. Rike, range inspector for Haskell county in the 1937 soil conservation program, returned Sunday from Iowa Park where they attended a three-day gathering of county agents and range supervisors.

More than 100 persons attended the meeting from surrounding counties, for the purpose of getting first-hand information regarding proper appraisal in regard to approved range practices applicable in the Government soil conservation program.

Approximately 50,000 acres of range land in Haskell county has already been signed for the 1937 program, it was reported.

Ranchers who desire to apply for benefits under the range program can secure information regarding the practices required from the county agent's office or from Mr. Rike range supervisor.

HASKELL BEAUTY WILL VIE FOR TITLE OF TEXAS SWEETHEART NO. ONE

Series of Contests to Select Entrant May Be Held at Municipal Park

Every mail is bringing in letters of acceptance from cities invited to participate in the Texas Sweetheart No. 1 contest, according to a letter just received from the Fort Worth Frontier Fiesta by Ralph Duncan, Secretary of the Chamber of Commerce, and the Free Press, local sponsors.

Selection of Haskell's representative will be made through a series of three elimination contests similar to those held last year. Numerous inquiries have already been received, and names of several entrants submitted.

Plans for staging the first contest are yet in a tentative stage, the suggestion having been advanced that the contests be held in connection with the formal opening of the new Municipal Park and Swimming Pool. Use of the outdoor amphitheatre would (Continued on Page Eight)

"Dog Tax" Must Be Paid Soon, Officer Warns

Owners of dogs who value the animals as pets have until Thursday, April 15th to pay the City license and secure a tag for the animals, City Marshal Britton stated today.

After April 15th, dogs running at large without the tags will be impounded and executed if they are not claimed within 48 hours, the officer added, as provided in a City Ordinance now in effect.

"It is not the intention of the ordinance to deprive any person of a valuable pet," Mr. Britton said, "but to eliminate the increasing number of stray animals—some of them vicious and dangerous to children—that are now running at large."

PLANS MADE FOR LARGE NUMBER OF SINGERS SUNDAY

Second County Convention Will Be Held in First Christian Church

Plans are being made to care for two thousand visitors expected in this city next Saturday and Sunday, when the second annual Haskell County Singing Convention will be held in the First Christian Church.

Some of the best known singers in this section of Texas have been invited and are expected to attend, including the famed Vaughan and V. O. Stamps Quartet, recognized as among the most outstanding in the Southwest.

A basket dinner will be a feature of the Sunday's program, and the committee in charge of arrangements are urging that all persons attending bring a well-filled basket and enjoy a real "old-fashioned" singing convention.

L. D. Ratliff, Sr., is president of the convention and Ed P. Fouts is secretary. These two officials have been busy for several weeks communicating with singers in other sections, and have received responses in such a volume as to indicate that Sunday's affair will be the largest attended of any similar gathering ever held in this section.

Saturday night's program will begin at 7:30, it has been announced, to be resumed at 10 o'clock Sunday morning, continuing throughout the day.

Fifteen hundred people attended the first annual convention held here last year.

Fixtures and Furniture For H. H. S. Ordered

At a call meeting of the Board of Trustees of the Haskell Independent School District held Friday afternoon, orders were placed for all furniture and fixtures with the exception of steel lockers for the new High School building now nearing completion.

Included in the order was complete desk equipment for all rooms and the study hall, tables, chairs, etc., and a large clock for assembly hall.

Orders were placed with three different companies. The equipment will be shipped June 1st.

MANY GOLFERS TAKE PART IN SUNDAY'S PLAY

Hamlin Players Take Most Opening Day's Matches On Local Course

A combination of spring weather and ideal condition of the Haskell Rule Golf Course attracted between forty and fifty enthusiasts Sunday for the first day's play of the season. J. Ben Sellers, pro manager, has done considerable work in placing the nine-hole course in excellent playing shape, and visiting golfers praised condition of the grounds.

Golfers from Hamlin took most of the day's matches, but good scores were noted in a number of contests. Benny Adams, Hamlin pro, gave an exhibition of long drives, teeing off for 375 and 400 yards in several instances.

Plans were started for organizing a league to be composed of golfers from a number of surrounding towns, and the proposal (Continued on Page Eight)

Court Term In Throckmorton to Close This Week

District Judge Dennis P. Ratliff will return to Throckmorton today, where he will hear several civil cases scheduled for trial during the remainder of this week closing the current term of district court in that city.

All criminal cases set for trial during the term were disposed of last week, and no jurors will be summoned for the closing days of the term.

A five-year suspended sentence given a Throckmorton youth during the December, 1935 term, was revoked and he was sentenced to serve the remainder of the 5-year prison term. Since his trial at Throckmorton, the young man had been convicted of theft in Stephens county, officers stated.

UNITED CHARITIES TO CONTINUE OPERATING DURING ENSUING YEAR

Directing Heads Volunteer Services; Plan Campaign for Contributions

A scheduled mass meeting called for the purpose of discussing the coming year's program of the United Charities in this city failed to attract the attendance expected Monday night, but brought the firm resolve from officers and sponsors of the charitable organization to carry on the work for the ensuing twelve months. All officers of the organization present at the meeting readily volunteered their services for the next year.

J. M. Crawford, chairman, presided for the meeting.

Mrs. S. P. Herrin, clinic supervisor, gave a brief report of the activities of the United Charities during its year of existence. An average of \$85 per month has been spent for providing medical and other needed attention for destitute families in Haskell county who have no other relief agency to supply their needs, she reported. Fourteen hundred cases have been handled in the county during the past year, mainly consisting of medical treatment for impoverished persons. Food and clothing in small amounts have been furnished in a few instances.

Mrs. Quitman Gentry stated that approximately seventy-five Haskell firms and individuals were monthly contributors during the past year.

Will Continue Program In stating that work of the United Charities would be continued during the coming twelve months, Mr. Crawford announced that a committee composed of John A. Couch, Chas. E. Smith and Wm. P. Ratliff would canvass every business house in Haskell Thursday to raise the necessary monthly quota required.

"In raising this quota we want the people of Haskell to know that not a single person connected with the organization receives pay for his or her services," Mr. Crawford said. "Neither do the physicians or dentist in charge of the clinic receive any remuneration. Medical supplies are paid for with funds from the treasury, but professional services are donated," he added.

Officers of the local organization are: J. M. Crawford, chairman; H. C. King, disbursing chairman; A. M. Turner, treasurer; F. L. Daugherty, secretary; and Mrs. S. P. Herrin, clinic supervisor.

Work of the organization is county-wide in scope.

Scout Troop 36 Planning a Full Year's Program

Scout troop 36 has re-registered for the coming year with six Scouters and thirty scouts on the roll. About four more are expected to register in the next two weeks. George V. Wimbish is master and D. H. Persons registered as chairman of the troop (Continued on Page Eight)

Twenty-One New Members Added In C. of C. Drive

Twenty-one new members were added to the membership roll of the Chamber of Commerce last week through efforts of a single day's membership drive conducted by five C. of C. members.

A steady increase in membership has been noted practically each month since the organization was perfected over a year ago. Ralph Duncan secretary, reports. New members added this week include several new firms and individuals.

With Courtney Hunt as chairman, other members of the soliciting committee were Chesley Phelps, H. C. King, Walter Holt and John A. Couch.

TRUSTEES REELECT TEACHERS FOR 37-38 SCHOOL TERM

Only Two Faculty Members Fail To Apply For New Contracts

All teachers employed in the Haskell Public School system were re-elected for the 37-38 school year at a recent meeting of the Board of Trustees with the exception of H. T. Sullivan, Vocational Agriculture teacher, and Miss Donna Davis, English teacher in High School.

Neither Miss Davis nor Mr. Sullivan were applicants for reelection to their positions, it was announced.

At a prior meeting, Supt. Breedlove was re-elected for two years, and George V. Wimbish, Miss Madalin Hunt, and Mrs. Labry Ballard, principals of the High School, North Ward and South Ward respectively, were re-elected for the coming school year.

MIDWAY GROUP TOLD NEED OF REPRESENTATION

One Hundred Farmers and Families Hear Report of District Meeting

Close to a hundred farmers and their families attended a meeting of the Midway community Texas Agriculture Association last Friday night.

Jesse B. Smith, Clarence Burson and Jim Rose gave a report on a district meeting in Wichita Falls Tuesday March 30. They told of how the cotton farmer was badly in need of representation in Washington now while bills that will determine future farm programs are being framed. The Texas Agricultural Association is making a special effort to send some farm leaders to Washington to let Congressmen know what Texas farmers want in the way of Federal help.

A large number indicated that they plan to attend the meeting in the Haskell County court house at 10:30 next Tuesday, April 13, at which time Mr. Andy Bourland of Vernon will discuss federal legislation.

The Midway Association made up of farmers in and around Midway boast of being the first community to organize in Haskell. Mr. Doc Lott is chairman, Ed Fouts, vice chairman, and Mrs. Date Anderson, secretary.

"Toad" Leon of Albany was in Haskell Monday on business.

PLANS ARE BEING DRAWN FOR SCHOOL BLDG. AT MATTSON

Architect Instructed to Prepare Plans for Six-Room Brick Building

Trustees of the Mattson Rural High School, at a meeting held here today, instructed M. C. Butler & Co., Lubbock architects, to design plans immediately for a proposed \$25,000 school building to replace the Mattson school plant destroyed by fire recently.

Contemplate plans for the new structure call for a brick building containing six classrooms, study hall, and gymnasium, together with office quarters for the superintendent and a storage room for books and other supplies.

Architect's plans will be submitted to contractors as soon as they are available, the trustees announced.

Insurance claims on the burned buildings will be settled speedily trustees believe. Policies were carried with two companies, and one of the claims has already been adjusted. A representative from the second insurance company is expected in Haskell today.

No definite plan regarding continuance of the present school term has been worked out, school officials stated.

Attend Masonic Meeting The following Haskell Masons attended a meeting of the Anson Lodge, A. F. & A. M. Thursday night, when the degrees of Musical Master was conferred by the Anson lodge: T. W. Flenniken, R. J. Paxton, Jess Bland and Wallace Weatherby.

FOUR TEAMS ORGANIZE WICHITA VALLEY BASE BALL LEAGUE FOR 1937

Sheriff Returns Accused Prisoner from Nacogdoches

Sheriff Giles Kemp returned Thursday from Etrole, Nacogdoches county, where he took into custody W. P. Marlin, former Haskell county farmer who is under Grand Jury indictment here for disposing of mortgaged property.

The Grand Jury indictment was returned in May, 1936, and Sheriff Kemp only recently learned of Marlin's whereabouts.

Marlin, confined in the county jail, will face trial during the April term of District Court.

HUGE THRONGS EXPECTED FOR M. E. RALLY DAY

Bishop Boaz To Be Principal Speaker at Services Sunday

Haskell Methodists are expecting a "house full of people" to hear Bishop Boaz of Fort Worth at the Victory Meeting to be held Sunday night in the First Methodist Church.

In the words of a leading member of the congregation: "This is to be the test of loyalty among those who can do anything to make the day successful. Like Admiral Nelson of the English Navy, the church expects every man to do his duty."

Steps were taken Sunday to secure the attendance of 40 in the Young Men's Class, 50 in the Men's Bible Class, 40 in the Men's Class, 25 in the Pals class and 25 in the Sanders Bible class.

A new tradition is being started by Haskell Methodists. The ghosts of discouragement must now be routed. A day of joy and victory in accomplishment is (Continued on Page Eight)

SECRETARY TENDERS RESIGNATION EFFECTIVE ON JUNE 30TH

Assignment of 120 Persons on W. P. A. Projects Expected

District Office Calls For Persons to Report Here On April 15

One hundred and twenty persons have been instructed to report at the Haskell County Relief office on Thursday morning, April 15th, to be issued assignments for work on WPA projects in Haskell county.

A number of persons now listed on the rolls have either moved from the county or secured other employment, according to Mrs. Katie Perdue, in charge of the office. Order for assignment of the Haskell county group was received from district headquarters in Wichita Falls Monday.

Names of all persons now eligible have been posted in the Haskell office in the postoffice building.

Sunday Visitors in Abilene Mr. and Mrs. Jesse Collier and Mr. and Mrs. Bob Herrin and children spent Sunday afternoon in Abilene, the guest of relatives and friends.

Directors Plan Early Start on Summer Race Meet and 1937 Fair

Directors of the Central West Texas Fair Association, meeting Monday night, considered a much-discussed expansion program, favored an early start on "shaping up" plans for the 1937 Fair to be held in October, confirmed dates for a Summer Automobile Race Meet to be held here July 3 and 4, and accepted with regret the resignation of H. T. Sullivan, association secretary, effective June 30th.

With the summer race meet the dominating concern at the present time, directors considered favorably an early start on assembling the premium list for the 1937 fair after plans are complete for the July attraction. Special attention will be given to an earlier preparation and distribution of the Fair catalog, they decided.

Contemplated improvements on the fair grounds, placing of the race track in better condition, and other business matters were discussed at some length during the (Continued on Page Eight)

Jurors Summoned for Second Week of District Court

The following list of persons have been summoned for Petit Juror service during the second week of the April term of District Court.

Cards instruction them to report for jury service Monday April 26 at 9 o'clock a. m., were mailed today.

S. W. Kelso, O'Brien; L. M. Kay, Rochester; Hill Oates, Haskell; Edgar Laughlin, Sagerton; V. X. Norman, Rule; H. C. King, Haskell; Adolph Gerick, Weinert; R. L. Lemmon, Haskell; G. C. BUILDINGS DESTROYED BY FIRE

You can imagine our sorrow when we heard that our dear old school buildings had burned Sunday morning, April 4, at 3:00 a. m. We did not realize how dear they had grown to us, until we viewed their ashes.

We do not know the cause of the fire, but everything was completely destroyed—all of the equipment, records, textbooks, etc. Our future course has not been definitely decided. However we want it understood that this school term will be finished, whether we do so immediately or at a later date.

The loss of our buildings has made us more determined than ever to build a high school we will be proud of.

COUNTY MEET

We feel that we made a creditable showing in Interscholastic League work this year, considering we are just beginners.

At the County Meet last Friday, April 2, we won the following places:

Senior Girls' Declamation—La Verne Guess, third place.
Ready Writers: La Vera Guess, first place.

Picture Memory: Tied for second place.
Other entries were well performed, if no places were won. We shall endeavor to do better next year.

INFANT PARTY

The Home Economics Club girls seemed to have turned their ages back a good many years Thursday night, Miss Perrin entertained them with a kid party. All the girls think "Henry Etsa" would give them another some night (so they can wear short dress and act as silly as they want to). "Nita" made them laugh so much almost all of them were sick by the time they found their ice cream and cookies, but after that they were more lively than ever. Nita got the most whippings and received the prize for being the meanest. "Naomi" (Miss Dawson) got a prize for looking the youngest. A prize was given to Elva for being the quietest all evening.

Mamma's arm was ore the next morning from having to whip so much. All the girls hope they can have another party just like it some time.

MUSTANGS CORRAL

Well folks, we may have had bad luck but it hasn't defeated us yet. We are all in the harness pulling together with that old spirit which the Mustangs are noted for.

Last Saturday April 3, one of the Mattson buses loaded with the junior high school teams and the Junior grade school team journeyed to Haskell to play at the County Meet. We regret to

say that we were defeated in all four games, but that doesn't mar the fact that we were right there with our gladsome smiles.

The Mattson track team still plans to take part in the District track meet at Breckenridge and also the State Meet at Denton. I think you will agree that nothing can defeat us.

So, folks, no matter what the bad luck may be, you will always find the Mustangs fighting with all our strength for dear "Old Mattson High."

DON'T QUIT

When things go wrong as they sometimes will, When the road you're treading seems all up hill, When the funds are low and the debts are high,

And you want to smile, but you have to sigh, When care is pressing you down a bit, Rest if you must, but don't you quit.

Life is queer with its twists and turns, As everyone of us sometimes learns, And many a failure turns about, When he might have won had he stuck it out;

Don't give up, though the pace seems slow, You may succeed with another blow. Often the goal is nearer than, When it might have been captured, the victor's cup;

And he learned too late, when the night slipped down, How close he was to the golden crown.

Success is failure turned inside out, The silver tint of the clouds of doubt, And you can never tell how close you are,

It may be near when it seems afar, So stick to the fight when you're hardest hit— It's when things seem worst that you mustn't quit.

—Selected.

HOSS LAFFS

When Waid was driving a garbage wagon, Gwyn (bursting out of the house with some trash)—Am I too late for the trash?

Waid—No, that's all right, hop right in.

Rip—I've been bitten by a dog and I am worried. I hear when a dog bites you whatever he has said, get.

John B.—Boy, then you have a right to worry.

Rip—Why? John B.—That dog just has eleven pups.

Bob and Alice discuss Bob's brother.

Bob—Oh, I don't think John B. is so handsome. After you take away his curly hair, his blue eyes and his grand physique, what do you have?

Alice—You.

Brantley and Leon were in a heated argument in which Leon called Brantley a liar.

Brantley—Look here, Mapes, I'll give you just five minutes to take that back.

Leon—Is that so? And what if I don't take it back in five minutes.

Brantley (after a slight pause)—Then I'll extend the time.

Elmer C. (Entering a cafe and ordering a cup of weak tea. When he received and tasted it he frowned deeply.

Waitress—You ordered the tea weak. Elmer C.—Weak, yes. But not helpless.

John A.—You know, Alfred treats Miss Perrin like a dog. John M.—Yeah? John A.—Like a lap dog.

BLOODY BUT UNBOWED

Yes, our heads are bloody but unbowed. To hear such a blow as losing our school equipment and buildings will indeed be hard, but we will trudge on and try to replace this great loss.

We are going to work even harder to establish something greater than what we have lost. From the very first day of school we have had a hard struggle to obtain our classification and we had just been rewarded for

Who Knows?

- 1. When did the Spanish civil war begin?

10. What is the extent of soil erosion in the United States?

BABY SHOT BY BROTHER

Baltimore, Md.—Five transfusions failed to save the life of little Wanda Lee Simmons, 18 months old daughter of Mr. and Mrs. Clifton Simmons. The baby was shot at she stood up in the front seat of her father's automobile by her four-year old brother, who had picked up a small caliber gun from the floor of the backseat, not knowing it was loaded, and had pulled the trigger.

WOULD LABEL LOBBYISTS

Montgomery, Ala.—In order that lobbyists could be recognized a proposal was made in the Alabama legislature that they wear distinctive uniforms. Among the suggestions was that railroad lobbyists wear overalls, carry an oil can and a switch lantern, public utility lobbyists carry a water faucet in one hand and a hand telephone set in the other, educational lobbyists wear cap and gown and a coonskin coat, and so on.

DOGS GUARD HUNTER

Santa Maria, Calif.—Charles Tank mountain lion hunter slipped and fell on the ice while hunting with his hounds in Los Padres National Forest. He crawled into a cave and nursed his injuries until his provisions gave out. His dogs stood guard over the cave and foraged for their food. He finally made his way for sixty five miles to a ranch.

PARENT-TEACHERS

Undaunted by the loss of our school buildings the Parent-Teachers met Tuesday in the home of Mrs. Watson.

The program on Good Taste was directed by Mrs. Furrh. Miss Dawson started the program with a talk on Good Manners, Kindness and Sincerity was discussed by Miss Crume. A reading, "Johnny" was given by La Vera Guess. Miss Perrin discussed Good Taste in Dress.

Following the program, plans were made for the District Council meeting at Wichita Falls and the County Council that is to meet with us this month.

LOST IN THE FIRE

"My new baseball cap"—Donnie Bob. "My track shoes"—John Melvin. "My grade book" (We hope)—Miss Dawson. "Our new English pointers"—Max.

"My report card with all those good grades."—Jack Miles. "My beautiful new stove"—Miss Perrin. "Our good library"—Miss Crume.

"The adding machine I borrowed"—Mr. Watson. "My History notebook—thank goodness!"—Elmer C. "Our Primary projects and all my equipment."—Mrs. Furrh. "The detention slip!"—Jack Mapes.

"Everything—even my register!"—Mrs. Clifton. Etc., etc., we hear the spectators gasp.

Loss of Foreign Cotton Market Is South's Problem

Dr. A. B. Cox, director of the University of Texas Bureau of Business Research and an internationally recognized cotton economist, in a survey of the cotton industry just issued, declared that complacency still dominates the thinking of the South and of the Nation as a whole regarding the loss of foreign markets for American cotton during the past three years.

"The hope based on wishful thinking that when the price gets right the market will be there for our asking is utterly false," Dr. Cox said. "The wishful planners refuse to face the fact that for every bale of cotton the United States has curtailed during the past four years, foreign producers have increased production a little more than one. Prior to the depression our normal production of cotton was about 15,250,000 bales, and foreign production about 12,000,000 bales.

"Following 1932 Federal planners chose to reduce our annual production to under 12,000,000 bales on an average. Foreign producers promptly accepted the invitation and increased their production to over 17,300,000 bales in the past year. These stern facts describe the changed world cotton situation and our place in it. Certainly no one in the South wanted the cotton growers to hold markets continuously at unprofitable prices. On the other hand, many believed even in 1933 that it was much wiser to subsidize the cotton growers to hold their markets, rather than subsidize them to give them up.

"The fundamental causes for the loss of cotton markets were the war debt policy, the high tariff, restriction of immigration, and, of course, the advantage foreign producers took of our short sighted cotton policy under the Farm Board and the Agricultural Adjustment Administration to build up markets for their cotton. Are there any indications that the National Government proposes to remove these fundamental causes of our loss of cotton markets? Until the Government takes a positive step in this direction the wise policy for the South is to seek re-employment of its people thrown out of employment by loss of cotton markets in the production of goods both agricultural and industrial which have tariff protection and which will give the region the best utilization of its natural advantages."

Bones and Scrap New Source of Farm Revenue

Texas farmers are reaping a new source of revenue by selling bones at \$10 per ton and scrap iron at \$4 and \$5 per ton, according to a survey completed by the Texas Farming Board.

Most of the bones are being used for fertilizer, chicken feed and bone meal. The best quality of bones are being bought by sugar factories for use as a leaching agent for pure cane sugar.

Scrap iron is being purchased by buyers representing Japanese farmers who "plowed up" thousands of head of cattle for the Government during the war. The cattle buying program is now writing a glorious end to this part of the New Deal by digging up the bones of the slaughtered cattle and selling them for fifty cents per hundred pounds.

It is not uncommon to see the sides of wagons scouring the ground in some parts of the state for bones. In several West Texas towns huge piles of bones taken the place of the usual iron heaps.

Large Administration Building
The administration building of the West Texas State Teachers College, Canyon, is more than a mile long. It was dedicated on Saturday, 1916.

Seven Colleges Train 200,000
More than 200,000 teachers have been trained by the seven state teachers colleges of Texas since the first institution at Huntsville was opened, 58 years ago.

Retired Minister and Wife in Reunion With Children

A family reunion was held recently by the Rev. and Mrs. J. F. Curry near Rule when they had all their children at home for the first time in eleven years. Rev. Curry is a retired Baptist minister. For six years he was Missionary of the Haskell County Baptist Association and four years was missionary of the Brownfield Association. Curry, Dallas. Front row: Belva and Gladys Curry, Rule; Virginia Curry, Munday; Mrs. Borden Davis, Tahoka. Rev. and Mrs. J. F. Curry (center).—Photo courtesy Abilene Reporter-News.

956,000 Texans Are Benefitted By Security Act

More than 956,000 people in Texas are benefiting directly under the Social Security Act, with eight of the act's ten provisions now in operation in this State, according to a statement issued by Oscar M. Powell, of San Antonio, regional director of the Social Security Board. Among these beneficiaries are approximately 670,000 who are estimated to be employed in jobs covered by the State unemployment compensation law and 120,000 who are being aided under an approved old-age assistance plan. Records show that \$36,586 wage earners have applied for accounts under the old-age benefits program. Practically all these are also covered under the State's unemployment compensation law.

Unusual Dormitory
Probably the most unusual dormitory in Texas in a three-story building just completed at Southwest Texas Teachers College, San Marcos. Located on a hilltop, it is built in a "U" shape and is only one-room wide, a windowed corridor providing perfect cross ventilation for every room.

Highest College Campus
Highest college campus in Texas and one of the highest in the world is that of Sul Ross State Teachers College, Alpine, 4,550 feet above sea level. Canyon, home of West Texas State Teachers College, has an elevation of 3,551 feet.

RUG BANK FAILS
Danville, Va. — Slipping \$150 under the parlor rug for safe keeping, Mrs. Frank Owen was horrified the next day to find it gone.

these programs for which the Social Security Board is the Federal administrative agency, Texas is also cooperating in social security programs directed by other Federal agencies.

The three maternal and child-welfare programs, administered by the Children's Bureau of the United States Department of Labor provide for the extension of such services, particularly in rural areas. Texas had an approved plan for maternal and child-health services for 1936, and Federal payments totaling \$42,001.66 had been made to the State by June 30. The plan approved for the fiscal year ending June 30, 1937, provides for a Federal grant of \$190,590. Under the 1936 approved plan for services for crippled children, \$49,999.92 had been paid to Texas by June 30, 1936. The 1937 plan, as approved, includes a Federal grant of \$152,730.02. A Federal grant of \$27,349.74 was paid to Texas for child-welfare services under the 1936 plan. For the fiscal year ending June 30, 1937, a Federal grant of \$90,758.43 was provided in the Texas plan approved.

The purpose of vocational rehabilitation is to provide reeducation for workers crippled in industry. At the end of the last fiscal year, 2009 persons were receiving training under the Texas program, for which the State has received Federal grants of \$90,054. The Federal administrative agency for this part of the act is the Office of Education of the Department of the Interior.

Under the public-health provision of the act, which are administered by the United States Public Health Service, Texas has received Federal grants for the purpose of expanding and strengthening its State and local public health services. Up to January 31, 1937, these grants totaled \$317,812.45.

The Social Security Board has maintained a policy of decentralization in order to bring the act as close as possible to the participant.

ing States and to the people. In line with this policy it has established twelve regional offices. That for Region Ten, which comprises the States of Louisiana, Texas and New Mexico, is in the Maverick Building, North Press and East Houston Streets, San Antonio. The regional offices serve as field headquarters of the Board's three operating Bureaus, which administer Federal old-age benefits, unemployment compensation, and public assistance. The Board has also opened field offices in connection with the administration of old-age benefits in a number of cities, including Austin, Dallas, Houston, and San Antonio. The State Federal programs are administered by the following agencies, all of which have headquarters in Austin:

Unemployment Compensation — Unemployment Compensation Commission.

Old-Age Assistance — Old-Age Assistance Commission.

Maternal and Child Health Services — State Department of Health Division of Maternal and Child Health.

Services for Crippled Children — State Department of Education Crippled Children's Division.

Child-Welfare Services — State Board of Control, Division of Child Welfare.

Vocational Rehabilitation — State Supervisor of Vocational Rehabilitation.

Public Health Services — State Department of Health.

Mr. and Mrs. Ralph Duncan were visitors in Abilene Saturday night and Sunday.

Midway 4H Club

"A good way to get rid of a new crop of flies that have settled on screens, is to turn them into the house for a few minutes, then spray the room, sweep them up and burn them," said Mrs. Virgil Bailey to members of the Midway Home Demonstration Club at a meeting at the club house Tuesday afternoon.

Members answered roll call with "Methods used in my house to control flies." Fix screens, see that they fit well, sprays and fly swatters were some of the things answered.

Mrs. Doc Lott gave "Reasons why flies should be controlled:

(a) Carry germs and spread disease.

(b) Offensive.

Mrs. Hansford Harris gave "Controlling flies by screening, spraying, and cleaning up breeding places."

We were very glad to have a former Midway lady with us, Mrs. Annabel Hutchens.

Members present were: Mesdames, Dudley McKelvin, C. B. Ramsey, Sam Scott, J. B. Smith, A. J. Sego, Date Anderson, H. B. Jenkins, Doc Lott, Charlie Childress, Virgil Bailey, C. V. Oates, Hansford Harris, C. G. Burson, Jim Clark, and Miss Blanche Frierson and visitor Mrs. Annabel Hutchens.

Visitors are always welcome.

April P. T. A. Program Of North Ward

North Ward P. T. A. program of April 8 proved to be one of the best of the year.

The number attending the program reached its zenith for the year. About 125 people witnessed "The Wedding of the Flowers" which was directed by Miss Hunt, assisted by Mesdames Brooks, Crow, and Miss Fitzgerald. Each flower was dressed in costume to represent that particular kind of flower. Tulips and dandelions served as members of the wedding party along the maid of honor, best man, ring bearer and flower girls. The minister in full dress read the ceremony which made Valla Lily the wife of Johnny Jump-Up.

After a short business session the group was adjourned.

Weekly English Club

Our club met Friday April 8, 1937. The service committee gave the program consisting of:

Solo—Farramore Sellers
Seventh Grade Puppy Love — Marcia Bledsoe.
Duet—Margarie Busby and Maxine Perdue.

Solo—Ventress Brock
Reading — Bobby Jean Bailey.
Imitations — Gloria Welch.
Story — Madgie Reese.
Reading — Billy Davis.
We invited 7A in for the program. Reporter.

SARAH ANN'S COOKING CLASS

Food chemists have found liver to be very valuable in the diet; it is especially rich in iron and vitamins. There are many delightful ways of preparing liver; try some of these.

Broiled Liver and Bacon
Trim calves' liver in inch pieces. Broil bacon underdone and cut in 1 1/2 inch pieces. Arrange alternately with liver on skewers. Season roll in bread crumbs and set skewers across a bread pan. Place under broiler or in a hot oven, turning once and cooking until bacon is crisp. Remove to slices of buttered toast cut diagonally and place a half slice of broiled pineapple or tomato on each side of the liver and bacon.

Liver with String Beans and Spatzli
Have liver cut very thin, sprinkle with flour and pan-fry. To make the spatzli beat 1 egg slightly. Add 1/2 teaspoon salt, 1/4 teaspoon baking powder and 1/2 cup flour. Mix thoroughly. Cut small bits into a pan of boiling water. Boil for two minutes, drain and season with butter and salt. Serve liver on a bed of buttered string beans and surround with spatzli.

Liver Loaf with Prunes
Wash a lamb's liver and chop it, cook in boiling water for 5 minutes, drain. Add 1/2 cup of bread crumbs and 4 slices of fat bacon and chop again. Season with 1/2 teaspoon salt, 1 teaspoon of kitchen bouquet, 1 tablespoon of vinegar, 2 tablespoons of chopped onion, a few gratings of nutmeg, caperne and a cup of water. Mix well. Put on a well greased bread pan, cover and bake one hour, slowly. Remove the pits from well steamed prunes and stuff them with chopped crisp bacon. Surround the loaf with the prunes.

Liver Dumplings
Chop 1/2 pound of raw liver and 1/4 pound of raw fat bacon very fine. To 2 well beaten eggs add 1/4 cup of butter, then the meat. Season with salt and pepper, 1 teaspoon each of minced parsley and reasoning herbs. Add 1/2 cup of bread crumbs, more if necessary. It should be stiff enough to make a pate which can be formed in balls. Roll these smoothly in the hands and drop into boiling water and cook about 15 minutes. Serve with plenty of fried onions.

Liver en Casserole
1 pound beef liver.
1 tablespoon fat
1/2 cup small onions
1/2 cup carrots cut in cubes
2 cup potatoes cut in cubes
1 cup tomatoes cut in cubes
1 tablespoon catsup
1 tablespoon flour
1 teaspoon salt-pepper
2 cups stock
1/4 teaspoon grated nutmeg.
Wash and pare the vegetables, saute and turn into a casserole with the tomatoes and catsup. Add a sauce made from the flour mixed with cold water and cooked until slightly thickened. Remove the skin and veins from the liver and cut into convenient pieces for serving. Sprinkle with salt, pepper and flour. Sauté in the fat and turn into the casserole. Cover and cook in a slow oven for one hour. Season with salt and nutmeg. Serve from the casserole.

Calves Liver Creole
Cut left-over liver in cubes. Chop fine 1 green pepper and 1 onion, cook in fat until delicately browned, add one cup of tomatoes and any left-over gravy. Simmer 10 minutes, then add the liver and cook gently over hot water until well heated.

Beef Liver Sandwiches
Put 1 pound of liver and 1/2 pound of lean, fresh pork into a pan, cover with boiling water. Add 2 finely chopped onions, a bay leaf and 1 teaspoon of salt. Simmer until the meat is tender. Take from the pan, drain and put through the food chopper, season with salt, pepper and 2 tablespoons of tomato catsup. Rub to a paste and moisten with some of the water in which it was cooked. Have ready a bolter-shaped cloth bag, press the mixture in it and shape into a compact mold. Allow to stand overnight and in the morning cut off the bag with the scissors. This is splendid sliced for sandwiches or served cold.

Liver with Sour Cream
1 calf liver cut into slices 1/2 inch thick.
1-2 cups sour cream—salt.
Bake or broil the liver in a hot oven 500 degrees until half done, about 15 minutes. Place in a baking dish, add the salt and cream. Bake until done. Serve with sour cream sauce.

Sour Cream Sauce
2 tablespoons butter
2 tablespoons flour
1 cup sour cream
1/2 teaspoon salt
Cayenne.
Melt butter, add flour and salt. When well mixed add all the sour cream at once. Boil until thick or creamy.

Miss Anderson Is Named Librarian ACC Student Day

Miss Marguerite Anderson of Haskell, Texas has been nominated for the office of Librarian for the annual all-student day which will open Abilene Christian College Week for 1937, Monday April 19.

Students will teach all classes and administer the affairs of the college for that day.

The annual A. C. C. Week will include student programs, student meetings, and will be climaxed Friday night April 23 with a remote control radio broadcast from the campus over station WFAA, Dallas, 8:30-9:00.

All students who receive awards for extra-curricular services for the school year will be named in the program in Sewell auditorium following the broadcast Friday night.

Ex-students, and patrons and friends of the college in all parts of the United States and neighboring countries will have meetings and hear the broadcast. Groups in 13 states and Canada had meetings and reported the broadcast in 1936 A. C. C. Week.

Friendly Builders English Club April 9, 1937

The house was called to order by the president and the minutes were read after corrections were made. The courtesy committee had the program. Patsy Pate imitated Myrtle Bob Branch told a story. Geraldine Wilford read "Wheelbarrow" Zelma, Virginia and Ella Mae sang Jack read jokes. That concluded the program and the house was adjourned. Reporter.

T. C. Williams of Cisco, former Superintendent was through Haskell Monday en route to Cordell, Oklahoma, to attend the funeral of his brother Jno. Williams. He was accompanied by his niece, Mrs. C. M. Conner from this city.

NATIONAL ADVERTISER WILL USE FREE PRESS TO REACH CONSUMERS

Quaker Oats Co. Announces Comprehensive Campaign In Haskell Territory

The Quaker Oats Company is coming back to the country newspapers for advertising their excellent product. To insure the success of this initial campaign, the dealers and newspapers are to make a special effort to cooperate.

Grocers appreciate the value of an established brand name—they know that their customers appreciate the privilege of calling for a nationally advertised brand of goods, knowing that it means they will receive the quality they expect.

When a large concern decides to use local newspaper for advertising service, it means increased sales for the local merchants.

When the Quaker Oats advertisement appears in The Haskell Free Press on Friday of this week, it will contain the names of all the dealers in the Haskell trade territory.

In addition to this, The Haskell Free Press will distribute the "Trick Book" to each person who brings the Quaker cut from a large package of Oats, or two Quakers from the smaller packages. The Trick Book contains simple tricks which any boy or girl can perform for the entertainment of themselves and others. They will all want one.

The dealers will cooperate in the campaign by using special displays in their stores and by adding to their advertisements a section calling attention to Quaker Oats sold by them.

Two representatives of the Quaker Oats Company, J. D. Brown and P. W. Lewis, are in Haskell this week to direct starting of the campaign.

Soil Conservation and Flood Prevention Theme Annual Westex C. C. Convention

SOIL—14 2 C 2

Elaborate preparations are being made for the nineteenth annual convention of the West Texas Chamber of Commerce to be held in Brownwood May 10, 11 and 12.

Brownwood Chamber of Commerce already has appointed the convention steering committee chairman. Jed Rix, assistant WTCC manager, has opened convention headquarters in Holten Brownwood.

An attendance of at least 10,000 people is expected.

General outline of the program has been completed, but a number of details are yet to be worked out. The program will include two general assemblies, on Tuesday and Wednesday mornings.

In addition to the general assemblies, four group conferences will be held. "Soil Conservation and Flood Prevention", general theme of the entire convention, will be topic of discussion at one of the conferences. Subject of another one of the conferences will be "Oil and Gas Development in West Texas".

Two luncheons for WTCC directors, who are expected to attend from all affiliated cities and towns will be held, one on Monday and the other on Tuesday. The directors will hear reports from the convention work committee and vote on proposals and resolutions received.

A luncheon for newspapermen and Chamber of Commerce secretaries will be held Tuesday, May 11.

Two outstanding shows, for which talent already is being secured, will be presented under the direction of Dr. Mollie W. Armstrong, Brownwood. The shows will be highlights of the Monday and Tuesday night programs of the convention.

Governor James V. Allred and Col. Ernest O. Thompson, member of the Texas Railroad Commission, have accepted invitations to speak during the convention. Other speakers of national prominence will appear on each program during the three-day session.

Twenty entries already have been received for the Home Town Speaking Contest, one of the annual features of the convention. From 70 to 75 entries are expected. Rules of the contest have been mailed to all affiliated towns. C. M. Caldwell, Abilene is chairman of the contest. He is being assisted by J. Fred McGaughey, Brownwood. Winner of the contest will receive the Thomas Etheridge loving cup. Other prizes include scholarships from seven or eight colleges and a number of cash awards.

Rules governing a band contest to be staged during the convention by D. D. McInroe, Brownwood, will be mailed to all West Texas band directors within a few days. The bands will be judged in a marching contest and will play a massed concert at Soldiers and Sailors Memorial Hall, convention headquarters, according to McInroe. Prizes will be \$50 for first, \$25 for second and \$10 for third place.

A new kind of contest design-

the plans of Federal, State, local agencies in promoting health and security of the children of Texas, and make arrangements for these benefits to the child every county in the State.

Dr. Geo. W. Cox, State Officer, and the Division of Internal and Child Welfare, State Department of Health, with Governor Allred in next plea for coordinated effort all health agencies, and vote hope that May Day may be incentive for better health throughout the year.

NOTICE TO BIDDERS

Notice is hereby given to Commissioners Court of Haskell County, Texas, will, on Monday, May 10, 1937, at 10 a. m. in its usual meeting in the court house in Haskell, Texas, proceed to receive and consider competitive bids for purchase of the following described machinery:

One Crawler-Type Tractor with 20 inches Grouser Canopy Top, Starter, Generator, Battery, and Lights, and 79 Horse Power.

and will at such time let a contract therefor if any bid accepted; all such bids to be as required by law; and if bid be accepted it is the intent of the Court to issue warrant on said County in payment of all or part of such contract in the maximum amount of \$6,000.00, to bear six percent interest per annum, the last maturity date of such warrant not later than the year of 1940.

CHARLIE CONNER, County Judge; by Order of Commissioners Court.

May 1st Proclaimed "Child Health Day" By Governor Allred

Governor James V. Allred has proclaimed May 1 as the eleventh annual Child Health Day in Texas, in conjunction with a national observance of the day under proclamation issued by the President of the United States. The State Department of Health is sponsoring May Day in Texas.

Governor Allred said, "May day has become an incentive for campaigns to immunize our children against smallpox, diphtheria, typhoid fever, whooping cough, to encourage child health clinics to dental, prenatal, preschool, and to find and treat crippled children; to wage safe milk campaigns, realizing that the health and security of our children are essential to the well-being of our State and Nation, and as such deserving encouragement through the development of plans to promote maternal and child health and to extend child welfare, now therefore, I, James V. Allred, Governor of the State of Texas, do hereby proclaim May 1 as Child Health Day, and urge all agencies, public and private, concerned with the health and welfare of children, on this day to cooperate in

Former Resident Dies Recently In Cleveland, Okla.

Funeral services were held Monday, April 5 in Cleveland, Okla., for A. (Jim) Bennett, a former resident of Haskell county, who died in Cleveland April 3rd from a heart attack. Deceased was 66 years old.

Mr. Bennett formerly resided in Haskell and Weintert, moving to Oklahoma some twenty years ago. Those attending the funeral services from Weintert were his sister, Mrs. H. Weintert and Mr. and Mrs. Preston Weintert and A. D. Bennett.

Deceased was born and reared in Guadalupe county, near Seguin. He came to Haskell county in 1906, leaving here about 20 years ago. He had been employed with the St. Clair Oil Company until his retirement about eight years ago.

Mr. Bennett is survived by two brothers, W. S. Bennett of Marshall, Ark., and Chas. A. Bennett of Fletcher, Okla.; two sons, Monroe and Bill Bennett of Cleveland, Okla.; three daughters, Mrs. J. H. Enos, Mrs. Lynn Collins and Mrs. Fay Northweather of Cleveland, and a sister, Mrs. H. Weintert of Weintert.

Attends Family Reunion

Mrs. Luther Cook of this city returned Monday from Winters, where she attended a family reunion Sunday at the home of her parents, Mr. and Mrs. J. B. Walton, who reside near Winters. Fifty relatives and friends were present for the enjoyable occasion.

Mr. Walton, who celebrated his 80th birthday last Friday, was the honoree for a birthday dinner on that occasion. Mrs. Walton is 75 years of age, and both are enjoying good health.

Mrs. S. A. Norris, Mrs. John Fouts, Mrs. Ethel Davis and Mrs. Holt Moely of Knox City, visited over the week end in Lubbock and Littlefield with their children.

THOMAS JEFFERSON

Thomas Jefferson, author of the Declaration of Independence and third president of the United States, was born 94 years ago—on April 13, 1743.

Jefferson's name will always be interlinked with that of the Nation he helped found, both as a patriot and as executive head for the republic for eight years.

The Declaration of Independence guaranteed the country's freedom, and insured its development as a world power. We insure YOU against loss from disaster. See us today.

CRITERION BEAUTY SERVICE

THE STATE OF TEXAS, To the Sheriff or any Constable of Haskell County—GREETING: YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this notice in some newspaper published in the County of Haskell if there be a newspaper published therein, for four consecutive weeks previous to the return day hereof, Mary L. Morrison and J. F. Morrison whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Haskell at the Court House thereof, in Haskell on the 19th day of April A. D. 1937 then and there to answer a Petition filed in said Court, on the 16th day of March A. D. 1937, in a suit numbered on the Docket of said Court No. 4717, wherein George Ruppert is plaintiff and Mary L. Morrison et vir. J. F. Morrison are defendants. The nature of the plaintiffs demand being as follows, to-wit: That heretofore, to-wit, on or about the 18th day of June, 1935, defendant, Mary L. Morrison made, executed and delivered to one George H. Morrison her promissory note for the sum of \$450.00, bearing date on the day and year aforesaid, due in monthly installments of thirty dollars each beginning with the first payment August 15, 1935, and continuing thereafter until the said obligation is paid in full. Such note bearing 8 per cent interest, stipulating the usual 10 per cent as attorney fees. This note was given in part payment for a certain lot or parcel of land situated in the town of Haskell, Haskell County, Texas, and being a part of Out-Lot No. 83, a subdivision of the Peter Allen Survey, and bounded as follows: Beginning at a stake in the west boundary line of said Block No. 83, which is 265 feet west from the northeast corner; thence West 176 feet; Thence South 135 feet; Thence East 175 feet; Thence North 135 feet to the place of beginning. Such property above described was conveyed by George H. and Flora B. Morrison, Mary L. Morrison, and to secure the payment of same a vendor's lien was retained in said block, as shown by a written transfer of lien on the 18th day of June, 1935, George H. Morrison sold and transferred all his right, title and interest in and to the above described note, together with the lien securing the same to plaintiff herein.

Wherefore plaintiff prays the defendants be cited as required by law, and that he have judgment for his debt, foreclosure of his lien and cost, and for such other and further relief to which he may be entitled.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Haskell, Texas, this, the 16th day of March A. D. 1937.

ROY RATLIFF,
Clerk District Court Haskell County, Texas. 4tc

Work Interests Large Groups of Girls In Northwest Section State

Some demonstration Northwest Texas report girls are showing con- interest in poultry work many girls are using supplement the farm income. county club girls have 2,200 baby chicks and in 130 hens have been given eggs. A demon- tracting Poultry Equip- ment Brooder House" giv- assistant home demon- stration, attracted represen- tatives of 26 girls' poultry demonstra- tion club in Girard 4-H club in county, is occupying a new house which is well ven- tured sunlight to enter, and dry in bad wea- ther building is of the shed with wire netting to pro- tect. The plank floor is 6 inches from the ground to keep the floor dry and ground moisture provided nests on the floor with one next to each other. The nests are set 12 in- ches apart and are placed at the

back of the house. The flock of Geraldine Haney, poultry demonstrator of the Car- lisle 4-H club of Lubbock county, was infested with blue bugs and was not supplying enough eggs for the family. After Geraldine moved the hens, dusted them well, and started feeding them mash, they increased their production to the extent that in one week she sold seven dozen eggs. Her father has built a combination brooder and poultry house for her flock.

State Committee Warns Farmers Of Cotton Crisis

The prospect of a material in- crease in cotton acreage in 1937 is only one of the factors which makes it advisable for every Tex- as farmer to join the AAA agri- cultural conservation program, members of the state agricultural conservation committee say. "I am afraid advancing prices for some of our commodities, es- pecially cotton, have caused Southern farmers to forget the situation which brought about 5 cent cotton and \$8 a ton cotton- seed," Geo. Slaughter, chairman of the committee, said in quoting C. A. Cobb, director of the South- ern Division of the Triple A. "A material increase in cotton acre- age this season could very easily place cotton producers in a posi- tion similar to that in which they found themselves in 1933. Des- pite the fact that the surplus of American cotton has been reduc- ed, our carry over of approximate- ly seven million bales is still two million above average."

The committee urged that every farmer in the State sign a work sheet in the 1937 Agricultural Conservation Program. Slaughter pointed out that participation in the program not only would help cut down the threatened overpro- duction of cotton, but that the program encourages farmers to build up the fertility on a portion of their farms and provides pay- ments which farmers might use to guarantee the payment of taxes, interest, and other current farm expenses.

"The program also presents to the farmer the chance to produce sufficient food and feed for home use, if he does not already do this, and still secure benefit payments," Slaughter said.

"Pesky" Visitors On Way To Texas For Summer Visit

Word has just been received by the State Department of Health that Mr. and Mrs. Mosquito and Mr. and Mrs. Fly, with their kin- folks are on their way to Texas for the summer season. They state that, although many had died since last summer, they would soon have large families. Mrs. Mosquito raises from fifty to three hundred children at one time and only takes around two week to have full grown children. Mr. Fly admitted that she and her husband could be ancestors to a million flies in one season.

Dr. Geo. W. Cox, State Health Officer, stated that Texas hospi- tality could be refused the Fly and Mosquito families if Annual Clean-Up Week from April 4 to 11 is used to begin a thorough campaign to eliminate the breed- ing spots of these pests.

Mosquitos are responsible for the spread of malaria, dengue and yellow fever. Malaria is spread by the bite of the anopheles or malaria mosquito. Dengue fever and yellow fever are transmitted by the Aedes Aegypti or Tiger mosquito. They breed in standing water, therefore, you should drain ditch or fill such places, spray oil on water each week, too, or stock the water with surface min- nows as they will eat the wiggle tails. Houses should be screened.

Flies help spread typhoid fever, dysentery, diarrhea, tuberculosis, anthrax, and cholera. They breed, live and feed in filth. To prevent their increase all refuse should be disposed of at once, garbage kept in covered containers, privies made sanitary and houses screened. Every neighborhood raises its own flies so that their number is an excellent index to the sanitary conditions.

COVER CHIMNEY, TOO
St. Joseph, Mo.—Called to ex- tinguish a roof blaze, firemen were amazed to discover that workmen who repaired the roof of the house had inadvertently covered over the chimney open- ing.

FUTURE DEMOCRACY IN SPAIN

Without attempting to go into the details of Spanish policy, or the various political struggles in Spain, it should be recalled that the government of the Centre and Right, conservative blocks was completely defeated in the election of members to the Cortes in Feb. 1933. It had been in power since the election of 1933.

We presume that the laws which were good enough to elect a conservative government in 1933 were good enough to elect a Leftist government in 1936. The new government took office, under a cabinet "without participation of Extremists" and held office until Gen. Franco began his rebellion in July. It was seven weeks later, when Moors, Italians, Germans and Franco's army threatened the capture of Madrid and the overthrow of the government that it gave representation to all supporters, including Socialists and Communists.

The crime against democracy began when the Conservatives, defeated at the polls, resorted to arms against the government elected to replace their own administration. Why the election was "illegal" does not appear clear to us in view of the fact that the conservatives were in control of the government when the election took place.

We do not find that the principles of the original Spanish revolution "deny freedom of thought" or "freedom of worship". In fact, the Constitution expressly provides for the separation of Church and State, abolished official religion, and set up, in express terms that all citizens should have freedom of conscience, liberty of worship and equality before the law.

Facing the fact that the Spanish people are unfortunately bitterly divided and that the defeated conservatives raised the flag of revolt, putting their trust in the power of arms, we think that the Spanish people should have been allowed to fight out their own battle, without outside interference of any kind.

It is our idea that democracy can only exist where the people of a country are permitted to settle their own differences, in their own way, and according to their own conclusions. Regardless of any opinion as to the propriety of conclusions reached by other people, in handling their own internal affairs, it is a matter for them alone. They must be permitted to use the machinery of democracy, if they will, and the arbitrament of arms, if they must, but it should be recognized as their right if democracy is to make permanent gains in the world.

WHAT ABOUT BASEBALL?

About this time of the year old baseball fans begin to get the fever and watch anxiously for the major leagues to swing into action. Occasionally, one hears somebody wonder why the boys of today do not play baseball. The speaker generally appears at a loss to explain what, to him seems a mystery.

Of course, the boys of today have other things to take their time, like the automobile and the moving pictures, but never was there a crop of boys who did not like games. The simple reason why they don't play baseball is because they have no place to play the game.

Thirty years ago, before paved streets and automobiles came along, you could watch a game of baseball, in the proper season, on almost any street in town. A stray horse and buggy, or a pair of mules and a wagon, might meander along occasionally but the players had plenty of time to get out of the way and the game didn't stop long. Today, the streets are not available to children for play because of the danger of being injured and killed by speeding automobiles.

Where can the boys play baseball? Think it out and you will find that, while the boy population has grown amazingly in thirty years, the available baseball grounds have dwindled to almost nothing.

WISE AND OTHERWISE

April 14, 1927

Members of the Christian Church Sunday School basket ball team were presented sweaters this week. Players received the sweaters were Granville Glenn, Eugene English, Johnny Bank, L. D. Ratliff, D. L. Cummins, Jack Glenn, Marvin Branch, Edwin Pope.

Contract was let this week by Henry Alexander for the erection of a modern duplex apartment house on the lot adjoining his residence.

A five-room house on Ballew street occupied by Henry Lee and family, was destroyed by fire Wednesday night.

Three tests for oil are being drilled in Haskell county. Subbie Oil Company spudded in their test on the Jeter farm last week, southwest of Haskell. The Blackstone Oil Company's No. 1 on the Grissom farm southeast of town has reached a depth of 1,000 feet, and Kouri No. 3 on the Ballard Ranch resumed drilling after being shut down for a few days.

One hundred and twenty-six persons were killed when a tornado struck Rock Springs, county seat of Edwards county, Tuesday night April 12.

Ginners reports show that 23,555 bales of cotton were ginned from the 1926 crop in Haskell county.

At a directors meeting of the Haskell County Fair Association the following officers were elected for 1927: A. H. Alexander, president; Courtney Hunt, vice president; C. M. Conner, secretary-treasurer.

J. Horace Bass, former superintendent of the Munday Schools, has been employed as superintendent of the Haskell Public School system for the coming term.

April 15, 1922

According to Mrs. Ed Robertson, county superintendent, Haskell rural schools have been granted a total of \$6,743 State Aid. Part of this amount has already been received.

Several small farm houses were moved from their foundations, barns were blown down and trees uprooted when a small tornado struck the Lake Creek community early Saturday morning. No one was injured.

One hundred and fifty delegates are expected to attend the annual meeting of the First District, Federated Womens Clubs here April 17, 18 and 19. Sessions will be held in the First Christian Church.

A movement has been inaugurated by the local Elks Lodge to install a wireless telephone receiving set in the clubroom.

The name of Cedric Sanders of this city, who is a student in the electrical and mechanical department of State University, appeared on the honor roll of the university for March.

\$550 LOST IN WASH

Newark, N. J.—After sending fourteen shirts to a laundry, a man remembered that he had left \$1,250 in one of the shirt pockets. Hastening to the establishment laundresses found \$550 in the washing machine but the other \$700, it seems had come out in the wash.

2,681 SUICIDES IN TOKYO

Tokyo.—There were 2,681 suicides in this city during 1936, according to official statistics, an increase of 266 over 1935. Principal causes noted were: sickness, 815; poverty, 338; love affairs, 334; guilty conscience, 269; brooding, 241; and domestic troubles, 217. There were two men to every woman who committed suicide.

JAPANESE WEAR WIGS

Tokyo.—With the widespread adoption of western clothes and habits, the modern Japanese girl bobbed her hair and has it waved and curled regularly. However, when it comes to weddings, christenings and funerals, she returns to Oriental custom, dons a kimono, cramps herself into a tight sash, fits her feet into sandals and wears an elaborately looped and oiled wig over her bobbed tresses.

COSTLY DEMONSTRATION

Chicago.—Looking on at a demonstration of a money-making machine, a policeman saw a blank piece of paper inserted and a crisp \$5 came out, which he promptly pocketed, arresting two men who conducted the demonstration. They were out of their money and in lots of trouble.

LIVES IN COFFIN 2 MONTHS

Lisbon, Portugal.—According to a newspaper dispatch, Alvaro Esteve, an Insurgent sympathizer, hid for two months in a coffin in the family tomb to escape government troopers during government domination of the seaport of Malaga. Emerging when Insurgents took the town, Esteve found that his hair, jet black two months ago, had turned a snowy white.

TEXAS REJECTS AMENDMENT

Austin, Tex.—By a vote of 10 to 19 with one pair, the Texas Senate rejected a resolution to ratify the child labor amendment to the Federal Constitution.

Prosperity Is Indicated For U. S. Farmers

An upsurge in farm prosperity is indicated at Washington by reports to the department of agriculture from over the country.

Prices of farm products are the highest in many years and are rising steadily. Rising industrial prosperity has increased consumer purchasing power. Weather conditions are generally favorable.

The crop board reported farmers intend to plant increased acreages this year. Only another severe drought or other catastrophe apparently can prevent bumper crops.

Many Exceed 1929

Last year farmers had a gross income of \$9,530,000,000. This year's income is expected to equal, if not exceed, 1929 income of \$10,250,000,000. In 1933 gross farm income was \$3,500,000,000.

Four years of short crops have caused the price of wheat to soar to \$1.40 a bushel, the highest since 1928. The department said prices probably will be "well maintained" this season.

Wheat farmers planted an all-time record of 57,200,000 acres in winter wheat last fall. Spring wheat was forecast at approximately 23,000,000 acres. A billion-dollar wheat crop appears probable.

Largest Since 1931

If weather conditions are normal, the department said, wheat production this summer may total 660,000,000 bushels, the largest since 1931. Last year and in 1935 production totaled 626,000,000 bushels.

The corn belt has been soaked by rains and snow and early prospects are for a good crop. Supplies of corn on farms are the lowest in several years. Prices are the highest since the late '20s.

Cattle, hog and sheep prices are near high points since start of the depression. High prices this summer and fall probably will more than balance slight reductions in market supplies, the department said.

Cotton Prices Up

Cotton prices have advanced \$20 to \$25 a bale in recent months. Domestic mill consumption is at the highest point in years, but foreign demand is slightly below last year. Planting intentions indicate a crop possibly in excess of 14,000,000 bales, the department said. Carry-over supplies of every

major farm commodity, excepting cotton and tobacco, are far below normal. Secretary of Agriculture Henry A. Wallace advised farmers to "produce abundantly" this year and "fill up the bins."

70 ADDICTS TO DIE

Shanghai.—Under China's new law decreeing the death penalty for incurable opium addiction, the first mass execution of opium addicts and narcotics dealers is to be staged in Mantungchow, where, after clean-up raids, 70 persons have been sentenced to death by

shooting. Before the penalty is ordered, however, they are given hospital treatment only if they return to the drug after they are cured are they are cut out.

BIG APE ATTACK

Chicago.—Big Mike chimpanzee, seized as a keeper, through the cage and slammed his forth against the iron bars, seriously injuring him. Keepers beat the ape club.

ous from residents on his route, an inspector trailed him and caught him throwing a package containing more than 100 letters into an incinerator in an apartment house.

The First Teachers College In Texas—Professional teacher-training in Texas began in 1879 when 110 students enrolled at Sam Houston Normal Institute, Huntsville. Today, seven state teachers' colleges at Huntsville, Denton, San Marcos, Canyon, Commerce, Alpine and Nacogdoches, enroll more than 8,000 during the regular college year.

Official Highway Only Two Miles Long—Shortest official state highway in Texas, No. 223, less than two miles long. It leads from Alpine to Kokernot Lodge, the recreation center of Sul Ross Teachers College.

HOW ABOUT THAT KNEE ACTION?

DID THEY GREASE THE DISTRIBUTOR?

THAT SPRING STILL SOUNDS SQUEAKY

It's Not A Joke!

Lubrication Is A Must To Every Driver

A kingpin goes dry and snaps on a sharp turn... a poorly greased universal burns out and breaks on a steep climb. What happens after that is usually serious and can be traced back to the mechanic who did your last greasing job. Our experts, however, fully appreciate the importance of all the greasing and oiling work they do, and they account for the hundreds of safely lubricated cars in town today.

HERE'S HOW TO KEEP YOUR CAR Running SMOOTHLY!

To insure the best performance, your car must be in good all-round condition... the motor properly tuned and adjusted, with worn parts replaced... ignition in first-class shape... brakes properly adjusted, etc. Remember, your car has gone through a "tough" winter season, and possibly needs a thorough checking over to place it in first-class shape. That's what our service department will do... check every part of the mechanism and place it in proper shape. Improved performance will prove the worth of this service in the performance of your car.

Beauty—

(Continued From Page One) accommodate expected large crowds it was pointed out, if proper lighting facilities can be arranged and the weather is favorable.

One hundred cities were invited to select their representative to take part in the final contest in Fort Worth on Saturday, May 22nd. The winner last year, Miss Faye Cotton of Berger, is now in Hollywood with Universal pictures.

The new Texas Sweetheart No. 1 will be given a featured role in Billy Rose's Casa Manana Revue of 1937 and afterward she will have an opportunity in motion pictures. Each girl chosen to represent a city will be paid her fare by train or bus, from her home city to Fort Worth and return, and if she lives a distance that would make it necessary for her to spend a night in Fort Worth, her hotel room will be provided by the Frontier Fiesta. Each contestant will be given an audition by Rose and, even if she does not win the Texas Sweetheart title, each girl will have a chance to gain a part in the Casa Manana Revue.

Although the invitations went out only a few days ago, Haskell and more than 30 other cities already have notified the Frontier Fiesta that they will choose a representative, and these cities are being given statewide publicity in this connection.

Methodists—

(Continued From Page One) beckoning. Twenty-five years from now many will still be recounting the thrill after a long hard pull in this campaign. The church has never gone forward except on wheels of sacrifice.

The debt-raising campaign is growing in momentum with the approach of the Rally Day service at the Methodist church for next Sunday. No one is discouraging the movement. All seem to feel that it is a heroic undertaking. We have seen no one that doubts the ability of the church and its friends to raise the \$9,000.00. It is

WINDOW-PEEPER AT ABILENE IS FATALLY SHOT

Fred Mahan, Cisco Laborer, Killed As He Runs From Home of Student

Fred Mahan, 38-year-old Cisco laborer who was killed in Abilene Friday night when he disregarded a command to halt as he ran from the yard of a young ministerial student, was at one time an inmate of the Haskell county jail, local officers state. Mahan was brought to Haskell from Mineral Wells in the fall of 1934, jail records show, for investigation in connection with petty thefts from a number of Haskell residences.

Holland Hope, ministerial student in McMurry college, Abilene, gave Taylor county officers the following account of the slaying: Hope said he had found foot prints in the flower beds at his home on several days recently. Friday night he hid in the back yard of his home and watched the prowler, he declared. About 9 o'clock a man walked past him and continued to the house, he said.

"I waited until he stooped over and was peeping through the north window," Hope continued, "then I shouted, 'You're just the man I'm watching for.' He started running and when he did not stop when I called again, I fired at him, aiming at his legs."

Identification of Mahan was made through a photograph in the Abilene police department files. Taylor county officers said no charges would be preferred against the young student.

Office at Abilene for Unemployment Board Announced

H. H. Rumph has been appointed fieldman for the Texas Unemployment Compensation Commission in the Abilene district, Chairman Director Orville S. Carpenter has announced.

Rumph will direct the Commission's work in the following counties: Haskell, Stonewall, Throckmorton, Fisher, Jones, Shackelford, Stephens, Nolan, Tom Green, Taylor, Callahan, Eastland, Coke, Comanche, Brown, Mills, San Saba, Concho, McCulloch, Runnels, Sterling, Midland, Irion, Glasscock, Regan, Upton, and Coleman.

Rumph will have headquarters in the Abilene Chamber of Commerce, and will be available to all employers in his district for help in the solution of individual problems arising under the Texas law. Rumph will also explain to employers the effect of the amendments to the Texas act which were recently passed by the Legislature.

Next payments to the Texas Commission will be due April 25 when employers will pay a tax of one and eight-tenths percent on their total payrolls for the months of February and March, 1937.

Church of Christ Revival Meeting Dates June 16-27

Dates for a revival meeting to be held at the Church of Christ beginning June 16 and continuing through Sunday June 27th were announced this week. Fred McClung of Fort Worth, well-known evangelist, will conduct the service, it was announced.

Mrs. Martin Welsh left Friday morning for Houston to be at the bedside of her mother, Mrs. Jno E. Robertson who is seriously ill. She was accompanied to Fort Worth by Mr. Welsh who returned the same day.

Visitors In Conner Home

Mrs. M. M. Prichard of Breckenridge, Mrs. Cecil Braly, Mrs. H. B. Conner and Miss Marilyn Guley of Quanah were weekend visitors in the home of County Judge and Mrs. Charlie Conner the past week end. Mrs. H. B. Conner, mother of Mr. Conner, had the misfortune of sustaining a fractured right arm in a fall Saturday morning, and will remain in the home of her son here for several days. She is a former resident of Haskell.

Mr. and Mrs. R. O. Pearson of Colorado, Texas, visited with their son, Mr. and Mrs. R. O. Pearson Jr., over the week end.

Visitors Here From Pampa and Paducah

Mr. and Mrs. Carl Ammons, Miss Oleta Holcomb, and Mr. Edwin Ammons of Pampa, and Mrs. Sallie Wingham and daughter Marie of Paducah spent the weekend here visiting relatives and friends.

Here From Monahan

Mr. and Mrs. Clay Smith and sons, Sam Hugh and Bobbie from Monahan, spent the weekend with relatives and friends in Haskell.

4,650 TREES TO JAPAN

Tokyo—Mrs. Joseph C. Grew, wife of the United States Ambassador to Japan, presented 4,650 American trees to the Japanese nation as a token of appreciation from the Garden Club of America for courtesies extended during a tour of Japan in 1935.

Northwest Texas Boys' Club Enrollment Shows An Increase

Enrollment in boys' 4-H clubs alrbody shows a substantial increase over 1936 figures, county agricultural agents in Northwest Texas report. Work in these clubs is well under way.

The 18 4-H boys' clubs in Lubbock county will have an enrollment of well over 225 members for 1937, with most of the boys taking a crop demonstration as their work. A boys' terracing school at the J. L. Benton farm, in the Posey community attracted 10 club boys, who learned to operate a farm level and to run terrace lines. The boys ran lines on 160 acres on the Benton farm.

Callahan county 4-H clubs have enrolled 111 boys with enrollment incomplete. This exceeded the 1937 quota.

In Dawson county, 77 members were enrolled in club work in six meetings at which a movie reel of boys' work in that county was shown. One boy, R. B. Wilkinson, reported that he made a profit of \$39.77 on his flock of 160 hens during January and February.

The 4-H club enrollment of Stonewall county has reached 56, and arrangements have been made whereby prizes will be offered for the best demonstrations in cotton, beef calf feeding, grain sorghums, swine, and poultry.

The Antelope Flat 4-H club held a "father and son" meeting at which each of the 13 members of the club and all the fathers were present. Stunts, singing, and a supper which featured barbecue made up the program. "I wish this would happen more often," said father Henry Edens, who had three sons in the club, while L. L. Waldrop, another father with three sons in club work, added: "Community interest and enthusiasm is kept alive by such get-togethers as these."

Fair—

(Continued From Page One) meeting Gene Tonn, chairman of Auto Racing, told directors that dates for the Haskell meet had been confirmed by officials of the Southwestern Automobile Racing Association, and that a number of race drivers had already been contacted and would take part in the meet.

Sullivan Resigns

H. T. Sullivan, secretary of the Fair Association since July, 1935, tendered his resignation effective June 30, at which time his contract with the Haskell Schools as Vocational Agricultural Teacher will expire. Mr. Sullivan was not an applicant for re-election to the school faculty and notified the Board of Trustees to that effect last week.

The directors accepted his resignation with regrets and gave him a vote of thanks for the splendid work he has done for the Association during the past two years. Mr. Sullivan stated that his plans for the future were indefinite at the present time, but would probably be announced before the expiration of his present contract with the School Board and Fair officials.

Edwards Barber Shop Now Under New Management

Announcement was made Monday that Joe Scarbrough, Haskell barber, would have active management of the Arthur Edwards Barber Shop in this city in the future.

Mr. Edwards will still be identified with the shop, but will devote most of his time to his practice as a druggist physician and the fitting of glasses he announced.

The Edwards Shop, located in the Oates Drug Store building, is one of the oldest established barber shops in the city.

THROCKMORTON HAS 350,789 ACRES NOW FOR CONSERVATION

Several Large Tracts Turned In By Big Ranching Interests

Throckmorton county stockmen have turned in a total of 350,789 acres of range land in the government range conservation program, according to R. O. Dunkle, Throckmorton county agent.

Amounts turned in vary from tracts of a few acres to 55,000 acres, the acreage held by the Reynolds Cattle company in the southwest part of the county, of which John Culp is manager.

Other sizable tracts of land to be improved under the conservation program include J. A. Matthews, 40,000; Elliot & George, 19,000; E. W. Hunt, 26,015; J. T. Davis, 14,570; Thomas estate, 25,000; J. M. Batchler, 11,520; A. C. Daws, 4,600; McCluskey & Atkinson, 8,900; R. P. Lee, 5,925; and Gene Pickard, 4,000.

Improvements to be carried out under the range conservation program in this county will center around eradication of prickly pears and mesquite trees, with some work to be done in the construction of earth tanks.

Locals

Miss Gladys Fouts of Hardin, Simmons, Abilene, spent the week end with home folks.

Alvy R. Couch Jr., of Lubbock, visited in the home of his parents Mr. and Mrs. A. R. Couch Sr., over the week end.

Mayor F. G. Alexander left Monday afternoon for Fort Worth where he will spend several days with his son, Matthew Alexander and family.

Editor and Mrs. E. B. Harris of Rule were in Haskell Monday.

Mrs. Giles Kemp and Misses Lena Bell Kemp and Louise Warren were in Abilene Monday.

SEE US before you buy or sell any article of furniture and make money. Bogg & Johnson, East side square.

Mr. and Mrs. A. C. Boggs, Jr. of Hamlin spent Sunday with relatives and friends.

Rule Boys and Mitchell Girls Win In Tourney

Twenty-one teams took part in an invitation softball tournament Saturday at the Cliff school, with a large number of boosters accompanying each team.

There were several closely contested games in both boys and girls divisions, and the girls teams were especially evenly matched. Rule boys won in their division and the Mitchell girls won in their contests. Each of these teams was presented with a ball and bat.

Women of the Cliff community, in charge of a refreshment booth, were kept busy selling sandwiches and drinks, realizing the sum of \$63.27 from their endeavors. Profits from the booth will be used in buying a stage for the Cliff school.

Sponsors of the tournament, as well as patrons of the Cliff school were glad to have the large number of visitors and are looking forward to other occasions of this nature.

The next tournament will be held at Foster Saturday April 17, and all boys and girls teams in the county are invited to take part.
