Go Greyhounds! Beat Vega!

Shootin'
Straight

By Dave Thompson

Ever hear of a group of dedicated volunteers that you hope you'll never have to see? Have you ever heard of a group that constantly trains to become experts at a job that they hope never has to be performed?

Both of these questions can be answered just by thinking of the Knox City Volunteer Fire Department. This city is very fortunate to have the quality of Fire Department that we do have here. It's an organization that most people know very little about and very rarely even think of. There is almost an automatic curiosity in the minds of most whenever we see a fire truck on the way to a call; the red lights and siren seem to be a signal to activate one's thoughts on what might be happening.

There is a lot of hard work and training behind those red lights and sirens, a lot of very dedicated men volunteer their time as a service to the community to ensure that fire emergencies are handled with utmost speed to reduce the damage to property and save human lives.

Our volunteer Fire Department here in Knox City is currently composed of twenty men that volunteer their time as firemen. Operating short of an authorized strength of twenty five volunteers, these men devote their evenings on the second and fourth Thursdays of each month to meet at the Fire Hall and keep current with both Fire Department business and current firefighting techniques. A lot of time is spent on equipment maintenance, both inside and outside the Fire Hall.

To guarantee the dependability of equipment in an emergency, the firemen work constantly to keep their four fire trucks in tip top shape. With a 1948 model GMC Truck for brush fires, a 1964 Ford for a rural pumper, a 1952 Chevrolet and a new 1982 GMC Truck for in-town fires, the Fire Department feels that it is equipped to handle whatever emergency arises. A very welcome addition to the truck fleet was the 1982 GMC Pumper that arrived just last month. Along with the trucks, additional training and maintenance is required for the rest of the Department's equipment. Air packs for breathing in smoke filled areas, hoses and tools are all part of required equipment that must be kept

Businesses To Observe Thanksgiving

Most businesses in Knox City will be closed Thursday, November 25, in observance of the Thanksgiving holiday. Classes in the Knox City-O'Brien Schools will be dismissed both Thursday and Friday and classes will resume at the regular time on Monday, November 29.

The Citizens State Bank, the Federal offices, and the U.S. Post Office will be closed Thursday but will open for business on Friday as will most all businesses. State offices will close both Thursday and Friday as well as offices in the Knox County Courthouse at Benjamin.

NO GREATER SUPPORT! These Hound Moms have been behind 'their' favorite Hounds the entire season and are shown as they intently listen to 'game plans' for the upcoming regional competition in Childress Friday night against Vega. Pictured extreme right are Hound Mom Jo Hacker (88) whose son Rance graduated last year after wearing the number for several years, and her 'son' Rodney Dever. Others, from left, are Hound Moms Nona Hutchinson and son Wayne, Annette Evatt and son James, Melanie Whitley and son Chad, Sue Arnold and son Kevin Eaton, and Shirley Whitaker and son Chris.

To Face Vega At Childress

Underdog Greyhounds Win Bi-District

Although the Greyhounds were rated 21 point underdogs, they came out victorious against the Meridian Yellow Jackets by a score of 20-6, Friday night at Graham.

The first half was all defensive. The Hounds great defensive efforts prevailed again, and the half time score read 0-0.

Although there was a 14 point spread in the game, the scoring didn't start until the third quarter. The Yellow Jackets got the ball on the opening kickoff and drove 65 yards for the TD. Tracy Pollard received the honors on a two yard dive. The extra point was blocked by Kevin Eaton.

Behind good blocking, the Greyhounds backs, Ricky Gutierrez, James Earl Stafford and Dwayne Watkins drove down the field. The Greyhounds took advantage of this drive and evened up the score with 8:37 left in the third quarter. The extra point failed.

The Hounds then kicked off and their defensive play forced Meridian to punt. Knox City got the ball on their own 27 yard line when Chad Whitley recovered a fumble. The Greyhounds moved the ball with no trouble down to the Meridian 43 yard line. The Hounds then faced fourth and five. The Hounds lined up in punt formation. Joe Rocha snapped the ball to Tyke Meinzer who with lead blockers got to the 35 yard line for a first down. This was probably the turning point of the game. The Hounds went on to score with Stafford going over from one yard out.

The Hounds kicked off to the Meridian Yellow Jackets. Quarterback Carpenter's pass was intercepted by Tyke Meinzer. The Hounds drove down the field and Watkins hit Oliver for an apparent touchdown. However, the play was called back on a clipping penalty. Knox City then reached into their bag of tricks and came up with a nice screen pass hitting Wayne Hutchinson who then went in for the score untouched.

This wrapped up the game for Knox City. Meridian however didn't think so and

wanted to drive the ball down the field. They were harassed by the defensive efforts of Joe Rocha, Lupe Rios, Chris Whitaker and Chad Whitley. Then the Yellow Jackets were stopped for good when Kevin Eaton intercepted a pass. He was smacked hard in the air and the ball shot out of his arms, but the efforts of an alert Dwayne Watkins paid off as he recovered the fumble. The Hounds then let the clock run out to become the first team in 19 years to

win the Bi-District title for Knox City.

This week, the Hounds will face Vega at Childress. The team appreciates all the support they have received and hope all the fans will keep up the good work.

KC News Mailed Early This Week

Even though the deadline is Thursday, November 25, *The Knox County News* is being put in the mail Tuesday afternoon this week in order that area readers will receive this edition with all the Thanksgiving messages from the merchants before the Thursday holiday.

The News office will be closed both Thursday and Friday for the Thanksgiving holiday and asks that everyone report their Thanksgiving holiday activities Monday.

Certificate of Merit Awarded Plant Center

A United States Department of Agriculture Certificate of Merit has been awarded to the James E. "Bud" Smith Plant Materials Center, Knox City, Texas. The certificate which cited, "Recognition of commendable performance in producing quality plant materials", was presented by Richard B. Heizer, Plant Materials Specialist for Texas, in behalf of George C. Marks, State Conservationist of the Soil Conservation Service, Temple. The certificate, which was

accompanied by individual cash awards, was presented at an informal gathering at the Center on November 18. Individuals receiving recognition included J.D. Hollis, Edna M. Williams, Ronald L. Curd, Jon B. Muncieff, Joe P. Earp, Mary M. Birkenfeld, Cris L. Hacker, Jr., and David G. Lorenz.

In addition a USDA Certificate of Appreciation was presented to William L. Pace III, Biologist for the Texas Parks & Wildlife Department, stationed at the Center.

Pep Rally Is Set For Wednesday

Due to school being dismissed Thursday and Friday for the Thanksgiving holidays, the pep rally for the regional game between the Greyhounds and the Vega Longhorns will be Wednesday afternoon beginning at 2:15 p.m. According to school officials, the pep rally will be held in the school auditorium and school will be dismissed for the holidays following the pep rally.

On Friday, the football team will leave from the field house at 3:00 p.m.

Egenbacher Earns Top Designation

RANDY EGENBACHER
...former KC resident

Randy Egenbacher, an associate of Nita Kiesling, Realtors, Better Homes and Gardens, Lubbock, has earned the Certified Commercial Investment Member (CCIM) designation awarded to the Realtors National Marketing Institute, an affiliate of the National Marketing Institute, an affiliate of the National Association of Realtors.

After the completion of a series of five comprehensive courses, the CCIM designees are required to demonstrate ability to use commercial investment techniques taught in the courses by preparing reports of three actual market transactions. A final comprehensive examination must then be passed to be awarded the CCIM.

Egenbacher has worked for the past six months in Dallas with the Henry S. Miller Companies, the world's

largest privately held real estate brokerage house. He is a member of the Realtors National Marketing Institute, the National Association of Realtors, the Texas Association of Realtors, the Lubbock Board of Realtors, the High Plains CCIM Chapter (West Texas), the North Texas CCIM Chapter (Dallas), and the Texas Property Exchangers Association.

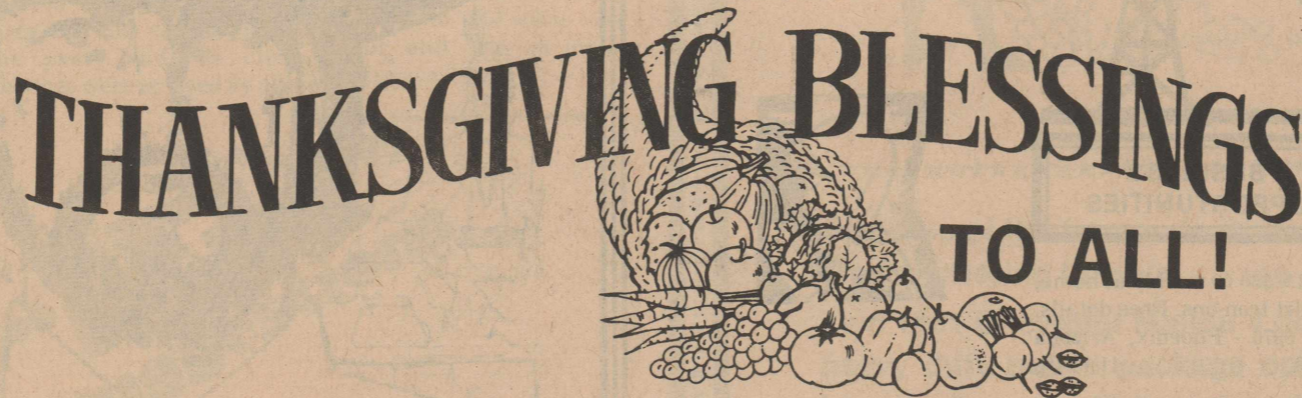

Egenbacher has been appointed director of the Commercial-Investment Division of Nita Kiesling, Realtors, Better Homes and Gardens, located at 8302 Indiana in Lubbock.

Egenbacher is the son of Mr. and Mrs. John Egenbacher of Knox City.

Knox City Group At Grand Chapter

Among those from Knox City who attended Grand Chapter in Fort Worth last week were Worthy Matron Ila Kay Gross, Deputy Winifred White, Lena McGee, and Charlotte and James Patterson.

Receiving Grand appointments and installed Thursday night were Lena McGee to the Founders' Day committee and Winifred White to the Bulletin committee.

Even as we join family and friends in the traditional holiday feast, we should remember that this day has been set aside for us to do officially the very thing we should be doing every day of our lives: thanking God for our blessings. We have so many regardless of our own situation, that we cannot begin to count them all; not only the tangible things we can see all around us, but also the invisible blessings, such as the misfortunes we have been spared.

We at The Knox County News express our gratitude for our wonderful customers who make our endeavors possible.

We wish for you and yours a happy and blessed Thanksgiving.

Junior Girl Scouts Present Program

In celebration of Thanksgiving, the Junior Girl Scout Troop #112 presented a Thanksgiving Program for their families Monday evening, November 22, at the Community Center.

The Scouts performed the Thanksgiving story, acting out the story of the Pilgrims' journey to America, life in the New World and the first Thanksgiving with the Indians.

Narrating the play were troop members Jennifer Garcia, Kristen Perdue and Sara Lorenz.

Playing the roles of the Pilgrims were Mitzi Marion as John Carver, Stephanie Pepper as William Bradford, Amy Watson as Captain Standish and Angie Staggs, Sara Lorenz and Jennifer Garcia as the women Pilgrims. Indians were Jennifer Grindstaff as Squanto, Lenette Watson as Samoset, Joy Gentry as Chief Massasot and Kristen Perdue as an Indian.

Following the play, the girls sang several Thanksgiving songs and wished their families a Happy Thanksgiving.

Refreshments were served by the girls to their families following the program. Girls had made decorations, decorated the refreshment plates, programs and invitations during their weekly meetings.

SKIERS SHOULD CHOOSE A RESORT THAT MAKES ITS OWN SNOW

If it's a skiing vacation you're looking for, protect your investment by selecting a resort that doesn't rely on Mother Nature for consistently good conditions. Choose a spot that has gone to the trouble and expense of making its own snow. Many of the top skiing spots in the Poconos have invested in snow-making equipment to assure their guests of getting what they've paid for—always excellent skiing conditions.

According to Peter Ahnert, president of the company that owns Tree Tops and the Greenhouse, two of the East's most desirable year-round time-sharing vacation resorts, the nearby Poconos last year provided skiers with virtually a season full of good to excellent conditions. "This compares very favorably to the conditions offered by some of the prestigious New England ski resorts which rely primarily on the whims of nature for adequate skiing conditions," said Ahnert. He added that the owners in his two time-sharing properties have full benefit of the ski facilities at the Fernwood Resort and Country Club in Bushkill, PA.

"With the cost of ski vacations rising every year," concluded Ahnert, "the consumer should take every step he can to guarantee a good time. Without enough snow, a skier is in for double disappointment: sitting inside while he watches his hard-earned vacation dollars slide down the drain."

O'Brien Happenings

By AUDIE JOHNSTON

"Suffering -- Although the world is full of suffering, it is also full of the overcoming of it." (J.A. Hadfield) HERE AND THERE

Visiting Mr. and Mrs. Butch Stephens and family over the weekend were Mr. and Mrs. Elmo Stephens and Mr. and Mrs. Clyde Williams Jr., all of Plainview.

Mrs. Teresa Denson and Landon of Stamford visited her parents, Mr. and Mrs. Buster Hodges, Sunday.

Mr. and Mrs. Kenneth Roberts of Plainview visited their parents, Mr. and Mrs. Sam Johnston and Mr. and Mrs. Cannon Roberts in Goree.

Visitors in the home of Mr. and Mrs. Wayne McKinney over the weekend were Mr. and Mrs. Gary Miles and

boys, Mr. and Mrs. Ken Day and Sunnie of Brownwood, Mrs. Fred Hilbers and Linda Rush of Levelland, Mr. and Mrs. Tony Crosthwaite and family and Rev. Mike McKinney and family of Haskell.

Mr. and Mrs. Claudale Barnard and Mr. and Mrs. Charles Smith of Munday were in Lubbock last Thursday and visited Mr. and Mrs. Rickey Smith and boys.

Rev. Bill Trice was in Lubbock Wednesday visiting Mrs. Bessie Duncan in St. Mary's Hospital after having surgery.

Mr. and Mrs. Demp Emerson were in Abilene Sunday to visit Lynward Wilcox in Hendrick Medical Center. Lyn-

ward had surgery last week and is doing well.

Lewis Kay and Iola Hudson were in Guthrie Sunday to attend services at the Baptist Church where Lewis's nephew is pastor, Rev. Gene Prevo. They also visited his grandson, Eddie Benham.

Mr. and Mrs. Leslie Draper and Beatrice Ellis were in Abilene last Wednesday for Leslie to have a checkup after eye surgery.

Mr. and Mrs. Dwight Gothard were in Jayton last Friday night to see their grandson play football. He is the son of Paul Dean Gothard, who is superintendent of schools in Highland. Highland was playing Southland and won the game.

Mr. and Mrs. Don Roberts and Trish were in Lubbock over the weekend to attend the Tech football game on Saturday.

"Purpose -- We are not primarily put on this earth to see through one another; but to see one another through." (Peter de Vries)

SS Numbers To Be Issued Sooner

New procedures recently put into operation allow Social Security numbers to be issued in about two weeks after a person has applied and provided the required evidence and information, Roger Rochester, Social Security Supervising Resident Representative in Vernon, said recently.

Even with these new procedures, however, a person must provide evidence of his or her age, citizenship or immigrant status, and identify before a number can be issued. Only original documents or copies certified by the agency which issued them can be used. A person 18 or older applying for a Social Security number for the first time must apply in person.

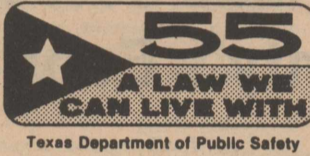

The best evidence of age and citizenship is a public or hospital record of birth or a religious record of birth or baptism. Any of these documents should be recorded before age 5.

If these documents do not exist, one or more of the items in the following list can be used to establish age as well as identity: Driver's license, State identity card, voter's registration, school record, school identification card, report card, marriage record, divorce decree, work badge or building pass, labor union or fraternal organization record, draft card or military ID, military discharge papers, U.S. passport, U.S. citizen's ID card, newspaper birth announcement, adoption

record, court order for name change, church record, welfare record, medical record, insurance policy, Boy Scout or Girl Scout record, or other document showing identifying data such as physical description, photograph or signature.

People who are not U.S. citizens should provide the appropriate immigration and naturalization service form as well as their foreign birth certificate.

More information about applying for Social Security numbers can be obtained at the Vernon Social Security office, located at 1701 Cumberland St. The telephone number is 817/552-9346.

Gladys Day Is Buried Here Friday

Funeral services for Knox City resident Mrs. Gladys Day were held Friday afternoon, November 19, at two o'clock in the First United Methodist Church with the Rev. Doug Stenberg, church pastor, and the Rev. John Gillispie, pastor of First Baptist Church, officiating. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Day, 78, died Thursday, November 18 at 8:35 a.m. in the Brazos Valley Care Home in Knox City after a brief illness.

Born November 9, 1904, in Haskell County, her parents were the late Joseph and Millie McReynolds. She married Jewell Day on June 5, 1921, in O'Brien. Mrs. Day was a member of the Baptist Church in Knox City. She was preceded in death by her husband on December 19, 1981, and two sons, Ernest in 1954 and Elvis in 1978.

Survivors include a daughter, LaVerne Thompson of Knox City; a brother, Hollis McReynolds of Stamford; a sister, Mrs. Ola Weather of Rosenberg; six grandchildren and four great-grandchildren.

Pallbearers were Oather Poe, Odell Carver, Durwood Qualls, Joe Fletcher, Charles Reeves and Joe Marion.

WINTER DRIVING TIP

During the winter, snow and ice often lead to a familiar highway sight—the hapless motorist and his car stuck in a snowdrift. More and more, wise drivers are turning to Tidy Cat 3 cat box filler to help them avoid such winter driving hazards.

If your car gets stuck in the snow, toss some cat box filler under the wheels to absorb moisture and provide better traction.

If your car gets stuck because the tires won't hold, clay cat box filler can be just the thing to toss under the wheels to absorb moisture and provide better traction. First, clean away the excess snow around the rear tires. Sprinkle a generous amount of Tidy Cat 3 cat box filler under the tires in the direction you want to go, then drive your car away slowly. The cat box filler provides a rough, dry surface that makes driving easier.

With the added weight of one or two large bags in the trunk of your car, it will handle better on slick roads, and you'll always be prepared to go in snow!

News Notes from the Brazos Valley Care Home By Rena Tankersley

A Birthday Party was given at the Care Home November 15 for Lena Dabney. Gladys Day, Bertha Trimmier, Florence Burleson and Mae Flowers. Lena Dabney's son brought a Birthday Cake for those having Birthdays this month and all the residents of the home. Cake and punch was served at the party and Brownie Tackitt and his daughter Jo An Maddox gave the program. Brownie played the fiddle and JoAn played the piano. There were 37 residents and ten guests present for the party.

June Tankersley played the piano for the Rhythm Band November 16. There were 27 present. It was a fun time for everyone.

Elsie Pierson and Mabel Hollis taught the sewing class Wednesday, November 17. Their new project is making Christmas wreaths for all the doors of the Care Home. It's beginning to look a little like Christmas in the home.

Mid-Week Volunteer Group was in charge of the Church Service Wednesday, November 17. It was a very meaningful service for everyone. There were 10 volunteers present and 27 residents.

The Dave Stones, Nancy, JoAnna and Danya and Dave were in charge of exercise class November 19. Dave played the piano and guitar while Nancy, JoAnna and Danya helped with the exercises. Corinne Barnes helped with the exercises.

The grandchildren of Charlie Collier brought a Thanksgiving message to Charlie by the Clown from Under The Rainbow Gift Shop. The clown brought a group of balloons with each one signed by the grandchildren. The clown passed out candy to all the residents of the Care Home. It was a

fun time for everyone.

Ladies from Benjamin brought bags of cookies to all the residents of the Care Home November 19. They enjoyed the cookies very much.

First Baptist Church of Rochester was in charge of Church Services November 21. Bobby O'Neal led the singing. Susan Turner played the piano for the song service. Bro. Truett Keumstler brought the message. There were 32 present for the service.

Ozelle Stephens taught the lesson for Sunday School November 21. Peggy Guinn played the piano and Jack Tankersley led the singing. There were 20 present.

Elsie Pierson, Mabel Hollis, and Mrs. H.E. Wall visited the Care Home.

Jessie Roberts and Mr. and Mrs. Z.I. Smith visited Kelton Smith.

Ruby Robinson, Flora Tankersley, Lois Smith and Bessie King visited Athleen Owens.

Ruby Robinson, Flora Tankersley, Annie Paul of Arlington, Mrs. H.E. Wall and Mabel Coats visited Vida Williamson.

Mrs. H.E. Wall visited the Clay Huges.

Lois Smith, Ruth Dozier, Ray O. Wright, Mabel Coates and Bessie King visited Clyde Jones.

Betty Alridge, Darlene and Ray O. Wright visited Weeper Alridge.

Marvin and Barbara Jones visited Ben Snelson.

Tess M. Wall visited Easter Bradford.

Earl Alvis, Tempie Alvis, Elaine Glover, Corinne Barnes, Ray O. Wright and Clarice Mitchell visited Nena Alvis.

Corinne Barnes and Ray O. Wright visited Lena Dabney.

Corinne Barnes and Ray O. Wright visited Tom Ed

Osborne.

Jessie Ryder and Ruth Dozier visited Anibell Trimmier.

Mildred Stubbs, Ruth Dozier, Irene Sanderson, Dave and Gwendolyn Qualls, Blondell Walker, Ruth Dozier, Becky, Paul and Ryan Ford of Corpus Christi, Boyce and Clarie of Corpus Christi, Clarice Mitchell, Corinne Barnes, Bessie King and H.R. and Myrtle Beauchamp visited Bertha Trimmier.

Jo Homstad, Brenda Curd, Stella Curd, Debbie Homstad, Pearl Gage, Ray O. Wright, Ryan Marion, Betty Aldridge, Bill McGuire, Annie Paul, Auta Marion and Corinne Barnes visited Maggie Curd.

Posey Parris of Grandfield, Oklahoma, Ruby Pierce, Joe Parris of Frederick, Oklahoma, Alma Swearington and Ray Wright visited Mary Lou Foshee.

Pearl Gage, Marsha McGaughey, Ruth Dozier, Irene Sanderson, Jessie Roberts, Pearl Ryder, Grace Smailum and Lucille Moorhouse visited Bessie Russell.

Pearl and Charles Wood of Colorado City and Bessie King visited Minnie Robertson.

Carl Chafin, Pearl Gage, Louise Finley, Carol Godsey, Mabel Hollis, Elsie Pierson, Allene Wall, Tess Wall, Mr. and Mrs. Harley Poteet, Vernon Buckley, Lorena Burnison, Jon Godsey and H.R. and Myrtle Beauchamp visited Horace Finley.

Vannah Carmack, Neva Epley, Opal Guffy, Johnnie Scott, Bill McGuire, Annie Paul, Mrs. Royce Oliver, Janie Wilkinson, Mabel Hollis and Missy Wilkinson visited Easter Hasteley and Corinne Gist.

Cleo Collins, Bud Reynolds, Ozella Thomas, Pearl Gage, Mrs. H.E. Wall, Mr. and Mrs. Harley Poteet, Vernon Buckley, Bob, Bud and Sequoyah Reynolds and H.R. and Myrtle Beauchamp visited Roy Reynolds.

Jim and Janie Wilkinson, Jean Penick of Fort Worth, Bea Ellis, Annie Paul of Arlington, Nola Covey and Bessie King visited Zolzie Thomas.

Bessie and Dave Davidson, Jewell Worley and Ozella Thomas visited Eda Faye Pounds and Grace Cyr.

Diane and Ramona Helms and Pearl Woods visited Hazel and Wayne Clark.

Jewell Matura, Dewey and Marie Darr, Lorena Burnison, Doris Webb, Polly Marion, Pearl Gage, Bessie King, Vic Thomas, Carl Chafin, Cleo Collins, Mabel Hollis, Elsie Pierson, Opal Guffy, Sam Lusk, Tess Wall, Mrs. H.E. Wall, Bill McGuire, Annie Paul, Johnnie Scott and Lillian Verhalen visited Ruth Harden and Bethie Harris.

Farabee Prefiles New Insanity Defense Bill

Austin - Senator Ray Farabee (D-Wichita Falls) today prefiled a bill limiting the use of the insanity defense in Texas courts. The bill is a response to public concern over the use of the defense, concern which has been heightened by the Hinckley verdict in the shooting of President Reagan and several Texas insanity defense cases.

"The citizens of Texas need a law that prosecutes the criminals and treats the truly mentally ill. The current law is not strong enough to do that. I think we need to tighten up the insanity defense before the people's confidence in the criminal justice system is totally undermined," Farabee said after pre-filing the measure.

The Farabee proposal would make these major changes in the present insanity defense:

Narrow the definition of insanity used in the defense to allow only for those so severely mentally ill or retarded that they were unable to appreciate that

what they were doing was wrong. Current law also allows acquittal even if the defendant knew that what he was doing was wrong.

Offer an additional verdict of "Guilty But Mentally Ill" to apply to those who intended to harm someone, knowing it was wrong. These defendants would be held responsible for their actions but their illness could be taken into consideration at the time of sentencing.

Require the original trial court to determine when a patient acquitted by reason of insanity may be released from the mental hospital. Current law allows hospitals to determine when patients should be released.

Allow the court to place conditions on the release of the acquitted person, such as continued medication or outpatient care, and set up provisions that the release may be revoked for failure to comply with these conditions.

Disallow experts testifying in the trial to draw legal conclusions about the defen-

dant's mental health, i.e. declaring him/her "legally insane". Such conclusions may preempt the jury's responsibility to return a verdict.

Give instructions to the jury as to what the consequences of their decision might be—i.e. acquitted persons could be released within a relatively short period of time, or that those convicted will receive treatment in prison if it is necessary.

"We need to remedy the current situation of sane people escaping punishment through an overly broad definition of legal insanity or insufficiently instructed juries. We also need a law that provides for judicial review of patients acquitted by reason of insanity before their release from mental hospitals. This measure will do that," stated Farabee.

The legislation prefiled today will be taken up during the 68th legislative session, which convenes January 11, 1983.

Crude Oil & Gas Sales Enrich County's Economy

The sale of crude oil and natural gas from Knox County wells in 1981 enriched the county's economy and accounted for \$34.5 million of the \$44-billion value placed on Texas petroleum production last year.

In a report on the economic impact of oil and gas industry operations in the significant producing counties of Texas, Dallas-based Texas Mid-Continent Oil & Gas

Association said the county ranked 153rd among Texas' 254 counties on the basis of value of its marketed petroleum production. This production includes condensate and casinghead gas.

The county's wells produced 991,408 barrels of crude oil, valued at \$34.2-million, and 165.8-million cubic feet of natural gas, valued at \$296,304. Owners of royalty in the county

received \$4.3-million as their share of the output, the Association noted.

"Although the oil and gas industry is suffering through a slowdown in drilling - attributable in large part to a worldwide decline in demand for petroleum products - it continues to be the cornerstone of the economy of Texas and many of its counties," said the Association's chairman, Avery Rush, Jr., of Amarillo. "Oil and gas producers operating in Texas remain committed to the drilling of every well that is economically feasible," Rush added.

In addition to paying local, county, and state property taxes, producers in the county supported state government through production tax payments estimated at \$1.6-million, according to the Association. Crude oil taxes amounted to \$1,572,908, while natural gas levies totalled \$22,223.

Based on Texas Employment Commission figures, some 138 oil and gas industry employees in the county received wages of about \$2.6-million in 1981.

In the search for new petroleum reserves in the county oil and gas operators spent a reported \$14.9-million in the drilling of 157 wells, including 37 wildcat, or exploratory, wells. This effort resulted in the completion of 63 oil wells, although some \$7.6-million was lost in the drilling of 94 dry holes. As of April 1, 1982, there were 391 producing oil wells in the county.

Petroleum processing also contributed to the county economy, with one natural gasoline plant, having a total daily capacity of 11-million cubic feet or natural gas in operation.

Rehab Joint Venture Slated December 1

ABILENE -- The most recent donation to the fourth annual Joint Venture for Crippled Children Oilfield Equipment and Services Sale was not recently built. The 1922 antique Model T Ford Pick-Up was donated to the auction by The Reeves Company of Sweetwater. According to Sam Reeves, present owner of the black Stevenson body and wood bed truck, this antique is in "perfectly good shape and runs like a top." The two seater has running boards, 1922 tires, and working lights and engine. The pick-up also has a Texas license plate on the front of the antique bumper next to the crank.

The Joint Venture sale will be held Wednesday, December 1, at the Abilene Civic

Center where the pick-up will be on display. The auction which begins at 1:00 p.m. will follow a barbecue dinner in the exhibit hall at the Civic Center.

Oilfield equipment and services will be sold at bargain prices to benefit the West Texas Rehabilitation Center which treats over 10,000 handicapped children and adults at their three campuses in San Angelo, Abilene, and Snyder at no charge. Some of the additional equipment donated to the sale includes drill bits, connection tubing, casing, pumping units, drilling mud, cement pad, butane products, and other oilfield products. Services include testing, wireline, crane time, rat hole jobs, pipe jobs, logging and perforating, engineering consulting, well analysis, and answering services.

Oil and gas industry leaders may donate to the sale by calling the Central Office of the West Texas Rehabilitation Center at (915) 692-1633. Equipment may be picked up by Rehab representatives.

Rehab Gets Donations For Oilfield Equipment Sale

ABILENE -- Donations of oilfield equipment and services totaling over \$250,000 have been received by the West Texas Rehabilitation Center for the 4th annual Joint Venture for Crippled Children Oilfield Equipment and Services Sale to be held Wednesday, December 1 at the Abilene Civic Center.

One of the largest donations to date is from Enserch Exploration, Inc. of Dallas, Texas. It includes 2,763 feet of 7" OD 23N-80 Buttress casing and 604 feet of 7" OD 23N-80 LT&C casing for a total value of over \$18,000.00. The casing will be one of the auction items sold to benefit the handicapped children and adults treated at no charge at one of three WTRC campuses in San Angelo, Abilene, and Snyder. Enserch Exploration, Inc. is one of the original donors who helped start the Joint Venture Oilfield Auction in 1978.

Continental Casing Corporation of Spring, Texas also has donated over \$73,000 of connection tubing for the sale. The 163 joints of 2 3/8" N80 totals 5,605.7 feet. This connection tubing may be seen at Wayne Moore Pipe and Supply yard in Abilene, Texas.

Other donations include one year subscription to Midland Report Daily, Petroleum Information Corporation; oil and gas testing, American Testing, Inc., Merkel, Texas; an acid job, The Reeves Company, Sweetwater, Texas; oil and gas testing or wireline work, Biblo Wireline Service, Inc.; 2 rat hole jobs and 2 pipe jobs, Big Country Rat Hole Service, Inc., and Byrd Power Tong Service, Inc., Hamlin, Texas; 3 drill bits, Mike Henson Retipping Service, Inc., San Angelo, Texas; \$2500 logging and perforating services, Aero Per-

forating, Inc.; \$2000 petroleum engineering consulting, E.L. Dick Anders, Jr.; 16 joints of 17 PSI casing, C. Douglas Justice; \$1000 of Dynamometer surveys, End Devices, Inc., Midland, Texas; 2 new P72 Flow-Petro pumping units, Hallum Equipment Company, Odessa, Texas; Resitivity log, Density log, and Neutron log, Schlumberger Well Services; drilling mud, Magcobar, Midland, Texas; wireline services, American Wireline Company, Corpus Christi, Texas; casing job, D'Lacy Casing Crew, Sweetwater, Texas; steel lined cement pad, Brad's Pumping Unit Service; and 7 7/8" HS-51-J L39427 bit, Reed Rock Bit, Houston, Texas.

For additional information, call the central office in Abilene at 915-692-1633.

Avoid Winter Sun Hazards

Winter sun can be just as risky as summer sun.

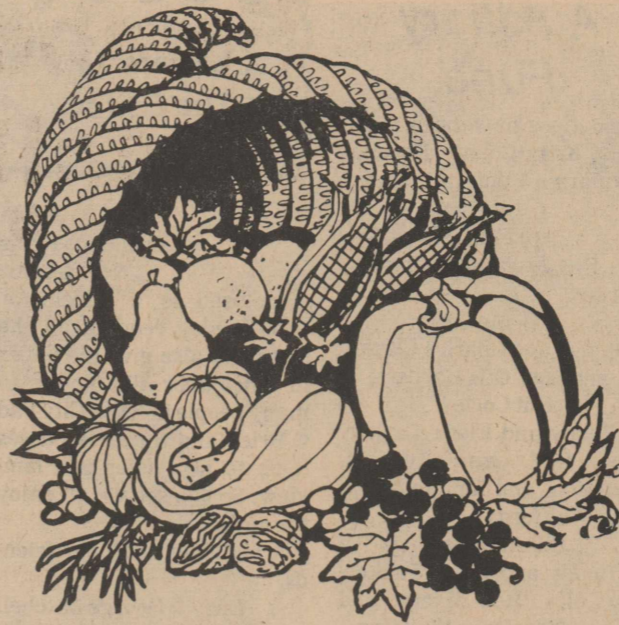

Whether you're having a ball tossing snowballs, or snowplowing down a ski slope, you and your family can avoid the hazards of winter sun by following these sensible tips from the experts:

- Be aware that in high altitude, the thinner atmosphere can make sun exposure riskier than summer sun.

- By applying a waterproof, moisturizing sunscreen you can protect your skin from the winter sun and keep it healthy.

- A long-lasting sunscreen, such as Sundown should be applied before you go outdoors. The Johnson & Johnson product comes in SPF (Sun protection factor) designations for all skin types.

Protecting your skin from winter sun by using a sunscreen may help prevent premature aging and skin cancer.

Farm & Ranch Report

By County Agent Charles Siepel

NUTRITION CHECKLIST FOR CATTLEMEN

Many cattlemen are concerned about keeping their stock in good condition despite poor grazing and possible feed shortages. The following checklist is to help guide cattlemen in caring for their herds. Where pasture is still available but low in quality.

1. Provide a good mineral supplement--8-12 percent phosphorus and calcium, 3-4 percent magnesium and salt free choice--which will maintain forage intake and efficient use.

2. Feed 1-2 pounds of a high protein supplement to dry cows and as much as 2-3 pounds to lactating cows to maintain forage intake and efficient use of forage as well as the energy coming off the cow's back as weight loss. Oil meal supplements such as

cottonseed meal, protein blocks and liquid supplements are appropriate.

3. If only dried forage is available for more than 100-200 days, consider supplementing or injecting Vitamin A.

Where pasture is lacking in amount as well as quality.

4. If only slightly limited, feeding range cubes (20 percent protein) or mixtures of grain and cottonseed meal at rates of 3 to 5 pounds per cow daily may work for awhile. Cubes with a large amount of natural protein and a low crude fiber level (less than 10 percent) are preferred. Whole cottonseed at 2-4 pounds per cow daily would be a good alternative in some areas.

5. When pasture becomes extremely short, purchasing hay or a replacement feed for the pasture must be considered as well as selling off stock. Remember that most grass hay has only 50 to 65 percent of the energy content of grain so that one pound of grain can replace 1.5 to 2 pounds of hay. Drying off cows by weaning calves will reduce feed requirements considerably. It is definitely more efficient to supplement calves directly than to provide extra feed to the cow to produce milk for the calf.

Here are a few precautions regarding cattle feeding:

1. Use of salt to limit feed intake may increase water intake 50 to 75 percent or about 5 gallons of additional water for each pound of salt. Water must not be limited in any way or salt toxicity could result.

2. Overconsumption of urea-containing supplements by cattle on forage-scarce ranges can result in urea toxicity. Generally, cattle performance on urea-type supplements is also poor whenever energy or forage is in short supply.

3. Hay cut under moisture-stress conditions, especially sorghum-type hays, may contain high levels of nitrate. If in doubt, test for nitrate before feeding such hays, especially before feeding high levels.

4. Cattle grazing short pasture are more likely to consume toxic plants.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

Bell Urges Safety For Thanksgiving

Major C.W. Bell, Commander of the Texas Department of Public Safety, Region 5, said, "As we approach Thanksgiving Day weekend, all of us are making plans of one kind or another for observance of this traditional season of the year. Many DPS officers will make plans of a different kind. They will be on duty to stimulate safety-consciousness throughout this festive holiday."

During the last Thanksgiving holiday weekend, Texas experienced 53 fatal accidents and 57 traffic fatalities. Major Bell said, "Speed and alcohol are the main contributing factors in the majority of traffic deaths in Texas."

A total of 4,701 fatalities was recorded on our streets and highways for 1981 and statistics show 923 fatal accidents caused 1,082 deaths and 17,343 injury accidents that caused 27,907 injuries in Texas that involved a drunk driver, according to Major Bell.

"Many drivers are not tested," Bell said, "because Texas has no law requiring chemical test on drivers in fatal accidents and it is probable that more than 50% of the deceased drivers in Texas were driving while intoxicated and were not reported as DWI."

The Texas Department of Public Safety urges all motorists to avoid the use of alcohol when driving.

FROM OKLAHOMA

Former Knox City residents Mr. and Mrs. Charles Pack of Hooker, Oklahoma, are spending Thanksgiving week here with relatives and friends.

Prior to coming to Knox City, they visited their daughter Pam in Lubbock.

Auxiliary Fund

Donations have been made to the Knox County Hospital Auxiliary's Fund in memory of:

Audra Lewis by Mrs. Lula Hammons; Bill Anderson by Mrs. Roe Myers and Mr. and Mrs. Dave Whitford;

Gladys Day by Bonnie Corley.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing. Knox ye that the Lord he is God: it is he that hath made us, and not we ourselves: we are his people, and the sheep of his pasture. Enter into his gates with Thanksgiving, and unto his courts with praise: be thankful unto him, and bless his Name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations." (Psalms 100.)

This is an exhortation to Thanksgiving. Giving thanks for the Lord's Favor, praising him with a whole heart, praising his name for his loving kindness and for his mighty words of truth of which we can believe and be safe.

When you cry out to him, he will answer you and strengthen you with great strength in your soul. Though you walk in the midst of trouble, He will revive you, He will stretch forth his hand against the wrath of your enemies and his right hand shall save you. Praise the Lord with your whole heart--Worship him in Loving Kindness for his great Mercy and truth. He will teach you to do his will, for He is God. His Spirit is good and great in power, and he will lead you into the way of uprightness and give you peace.

Letters To The Editor

108 10th Levelland, Texas Nov. 18, 1982

Inclosed is a check for \$9.00. Enjoy reading all the news and also give the paper to a neighbor. She knows so many people in Knox City and O'Brien and then she passes it on to her sister in Plainview. So you see we all enjoy the news.

A big hello to all our friends.

Thank you, I enjoy the paper very much.

Fire Department News

By KEN LAWSON Reporter

Last Thursday was the update to regular fire meeting and as required by the State, the fire hydrants over town were flushed and checked for faulty operation. We try to do this at least twice a year to satisfy the State requirement. Sometimes, this discolors the water in homes for awhile, but it is worth it to know all the hydrants work in case we need them.

Next meeting is December 9 and that will be election night of officers for 1983. These officers will take over on January 1, 1983, so firemen, be present to defend yourself if you do not want an office. We will be working on the Turkey Shoot range at the south end of the airport in preparation of the fire department turkey shoot on December 11 and in case of bad weather, it will be December 12. If you like turkey shoots or have never been to one, come on out and join in on the fun. We will have a concession stand, too.

Short Duration Grazing Discussed By SCS

Short Duration Grazing is a system of grazing where pastures are grazed for a short time, then rested several months.

Livestock normally running in six or more pastures are combined in one herd. The entire herd is grazed in one pasture, leaving the rest of the pastures empty. When the forage is harvested, or about 50% grazed, livestock are moved to the next pasture.

Under yearlong grazing, livestock first graze the best plants. These are then overused and weakened and replaced with less palatable plants. But in short duration grazing the pastures are rested six to ten times as long as the grazing period. This enables the plants to compete evenly for space, moisture, and sunlight.

Short duration grazing can have all or part of the

following benefits: 1. improved forage quality, 2. more forage production, 3. saves labor and fuel, 4. reduces parasite cycle, and 5. can help wildlife.

There are some points to consider when planning a short duration grazing system. Short duration systems work with most classes of livestock. Herds can be separated during breeding, calving, or lambing if desirable. Other points to consider would be a larger water facility, cross fences, and possibly brush control and reseeding. Also for best results rest periods should be staggered to occur at different times each year.

If readers would like more information on grazing systems or other rangeland practices, they should call or go by the Soil Conservation Service office in Knox City.

A THANKSGIVING PROCLAMATION

"The year that is drawing toward its close, has been filled with the blessing of fruitful fields and healthful skies ...No human counsel hath devised nor hath any mortal hand worked out of these great things. They are the gracious gifts of the Most High God ...It has seemed to me fit and proper that they should be solemnly, reverently, and gratefully acknowledged as with one heart and one voice by the whole American People. I do therefore invite my fellow citizens in every part of the United States ...to set apart and observe the last Thursday of November next, as a day of Thanksgiving and praise to our beneficent Father who dwelleth in the Heavens."

MRS. CHRIS M. TRUJILLO
...the former Merry L. Marshall

Saturday Vows Unite
Miss Marshall, Trujillo

Marriage vows uniting Merry L. Marshall of Knox City and Chris M. Trujillo of Albuquerque, New Mexico, were read Saturday, November 20, at six o'clock in the evening at Hodges Chapel, First Christian Church in Lubbock. The Rev. Robert L. Baughton of Albuquerque performed the double ring ceremony.

The bride is the daughter of De Alva H. Marshall of Knox City and A. Glenn Marshall of Westlaco. Connie Anaya and Gus Trujillo, both of Albuquerque, are parents of the bridegroom.

Floral basket arrangements, spiral candelabra, and a unity candle formed the altar setting. The bridal aisle was marked with candelabra.

Pianist and organist was Eric Terry of Albuquerque. Soloist was Anne Folkrod, who was accompanied by Dan Erdman on two duets. Musical selections included "The Gift of Love", "This Is The Day", "Woman", "The Man That I Love", "Two Candles", and "That's The Way."

Given in marriage by her mother, the bride wore a white, bridal gown with a cathedral train and long sleeves. Small pleats accented the front of the gown with the pleats, sleeves and train trimmed in Chantilly lace. The Queen Anne neckline and the bodice of the gown were trimmed with seed pearls. She wore a bridal headpiece and the bodice of the gown was trimmed with seed pearls. She wore a bridal headpiece trimmed with a cap of lace and pearls. Her bridal bouquet was of white roses, apricot orchids and stephanotis. She wore a brooch belonging to her maternal great-grandmother.

Maid of honor was Patricia Rivera of Albuquerque and bridesmaids were Lynda J. Mead of San Antonio and Charla G. Reeves of Saginaw. They wore apricot crepe gown with over jackets and

carried bouquets of tiger lillies, daisies, and stephanotis.

Kevin O'Brien of Albuquerque served as best man and groomsmen were Mike Marshall of Munday, brother of the bride, and Donald Trujillo, brother of the bridegroom, of Albuquerque. Ushers were Royce Clay of Lubbock and Daniel Erdman of Albuquerque. Mike Marshall and Donald Trujillo also served as candlelighters.

The bridegroom wore a black tuxedo with tails and his male attendants wore dark brown tuxedos with apricot carnations.

Mrs. Marshall chose for her daughter's wedding a lime green dress with full skirt and long sleeves. She also wore a corsage of fall colors.

The bride's mother hosted the reception held in the Green Room of the First Christian Church. The bride's table held an arrangement of fall flowers and candles as did the bridegroom's, only smaller in size. Serving were Linda Clay, Mary Pickens, Bridget Bednar and Shannon Reeves.

The bride is a graduate of Texas Tech University in Lubbock and Menaul High School in Albuquerque where she graduated with honors. She was on the dean's list at Tech for four consecutive years and is a member of ITVA. Her husband attended Texas Tech University for two years and the University of New Mexico for one year. He also graduated from Menaul High School in Albuquerque. He is employed by Willbros. Energy Services.

For travel, the bride wore a tan suit with brown accessories and an orchid corsage.

The bridegroom gave the rehearsal dinner at the Gridiron Steak House. They will reside at 2630 N. Dustin #22 in Farmington, New Mexico.

ENGAGEMENT ANNOUNCED -- Mr. and Mrs. Weldon Skiles of Knox City announce the engagement of their daughter, Rhonda Gail, to Jeffrey Alan Thane of Rule, son of Mr. and Mrs. Leland Thane of Haskell. Miss Skiles is a graduate of Knox City High School and is employed by Citizens State Bank in Knox City. Her fiancé, a Stamford High School graduate, is employed by Wedgeco Mfg. Corp. in Stamford. The couple plans a March 5 wedding at the First Baptist Church in Knox City.

No One Left Out

"Food, toys, clothing, visits are all part of The Salvation Army's year-round ministry. But it takes on a new meaning as we endeavor to leave no one out during the holiday season," stated Lt.-Colonel John Mikles, Texas Divisional Commander of The Salvation Army.

Red kettles, bands, carols sung on street corners --

Relatives, Friends Attend Wedding

Relatives and friends attending the November 20 wedding of Merry L. Marshall of Knox City and Chris M. Trujillo of Albuquerque, New Mexico, in Lubbock were Mr. and Mrs. Clyde Willbern of Bellaire, Mr. and Mrs. Roy Willbern of Houston, Mr. and Mrs. James H. Powell of Hobbs, New Mexico, Mrs. Mary Jo Gilliland and Mr. and Mrs. Roskey Yates of Roswell, New Mexico.

Also, Mrs. Lula Hammons and Mrs. Edna Eubank of Knox City, Mrs. Bernice Marshall and Judie Marshall of Corpus Christi, and Mrs. Lucille White of Austin.

they're all part of The Salvation Army holiday ministry. But it's the hope in the face of a prisoner, the warmth in the handshake of an old person, the joy in the eyes of a child that really tell the story of all The Salvation Army is doing to make God's love real during the holidays.

Each year at Christmas, The Salvation Army aids millions of people across the nation. This aid takes on many forms, but no matter how it comes, it is the love of God made real through the compassion and concern of today's Salvation Army.

For children, God's love comes in the form of toys to those who would otherwise receive none. For the elderly, God's love comes in the smile and warm handclasp of The Salvation Army visitor who brings a small gift and the joy of the holiday season to shut-ins and those in retirement homes.

Behink it all, though, is the same Salvation Army message, "Sharing is Caring."

Shootin' Straight

From Page One

up. Again, it is important to remember that all this is done on volunteer time, given at a tremendous savings in expenses to the city government.

Outside the Fire Hall, time is spent on activities such as flushing fire hydrants, stand by appearances at Medical Helicopter landings and takeoffs from the hospital, safety education programs and Fire Safety Inspections. A Junior Volunteer Organization has been established that currently has six members fifteen years of age or older, these youths donating time now for training to become our future firemen.

Our Fire Department is a tightly run organization, complete with its own officers and leadership personnel. Craig Williams is the current Chief, Rob Harrison is the Assistant Chief, Ken Lawson is Reporter, Secretary Treasurer is Roland Marion, Billy Bob Reynolds is President, Tony Diaz is Vice President and as Fire Marshal and Assistant Fire Marshal are Roland Marion and Tommy Collins. As Fire Marshal, Roland is appointed by the City Council and he has held that position since 1980. All of the offices within the Department are gained by election, once a person reaches the position of Chief it does not mean that it's the end of the line, some of the former Chiefs still proudly serving the Department are Ken Lawson, Doug Meinzer, Alton Fitzgerald and John Smith. Another name that all the firemen remember with utmost respect is that of Drew Holcomb, the former Knox City Mayor who was instrumental in the efforts to obtain the new fire truck.

All of the fire agencies in Knox County recently defined districts. The assigned district for our Knox City Fire Department includes from the river North of Knox City to just South of O'Brien, and from Kiowa Peak on the west to the rural county area east of Knox City. This is a large area with an even larger responsibility for our firemen.

All Fire Department activities originate from the Fire Hall, whether it's a monthly meeting or an actual fire call. The Fire Hall is a very nice facility, if you haven't seen it yet, you might consider doing so. Besides the parking garage for the four trucks, the Hall consists of a meeting room, a kitchen and a bathroom. The furnishings for these areas were either donated to the Department or purchased from the firemen's personal funds. The actual Fire Hall itself was purchased by the city and construction was completed in April of 1980. The inside of the hall was completed in June of this year with the materials

being purchased by the city and the labor provided by the firemen themselves.

While talking about the firemen and fires, I should mention that each and every citizen of Knox City can help to make the jobs of the firemen a little easier. A lot of excitement seems to generate whenever there is a fire call and everyone wants to go to the scene to see for themselves. This tends to make it a little difficult for the firemen to get to the fire and to perform their jobs once they do arrive. Several points of the Texas Traffic Law are designed to help firemen. It is against the law to follow a fire truck within 500 feet while it is on the way to an emergency and it is also against the law to drive over a fire hose at the scene of a fire. All of our firemen ask your cooperation on these points.

Our Fire Department operates from an extension phone system. Whenever you need the services of the Fire Department, just call 658-3116 for Emergency response. Phones ring in City Hall, the Fire Hall and in the homes of at least fifteen firemen. This assures an adequate number of firemen at all calls. If you hear the fire whistle, it will sound five times for an actual fire call as well as for the scheduled fire meetings.

The Department averages forty to fifty fire calls a year. There were 19 fires in just the first nine days of this year! These are calls that are handled after long hours of training and practice, all with the hope that our entire community will benefit from the time spent. It is your Department so support it in every way that you can! Let the men know that you appreciate what they are doing! With it being a volunteer organization, donations are always appreciated, these funds being used for equipment needed by the men. Just think - a donation that you

could make just might be used on a piece of fire equipment that could help save you or one of your loved ones. Now that makes sense!! More SHOOTIN STRAIGHT next week.....

COWPOKES (From Page One)

cartoon business has grown into a large industry.

"Cowpokes" books and calendars sell in the millions annually and Reid is in constant demand as an after dinner speaker to such groups as the National Editors' Association, Bankers' conventions, and Little Britches Rodeo Association. Reid created the first "Pre-Sweat Stained" cowboy hats for urban cowboys and at his ranch in the hill country in Kerrville, Texas, Ace has entertained princes, presidents, world famous actors, and international bankers.

People come from all over the world to hear a bit of real western humor, where farmers and ranchers fight for existence against adversity such as drought, floods, high interest rates, government intervention and scraggly cattle.

"Cowpokes" main characters are Jake, his wife Maw, Honest Wilbur the horse trader, and Zeb...and not to forget the stingy banker Tuffernal.

Pointers for PARENTS

It can be more like child's play to pick the right toy for your youngster—if you heed a few hints.

Be sure you select a toy with child appeal—not one that fascinates an adult.

Stick with good brand name products and more traditional items such as cars, trucks, dolls and the like, rather than gimmicky or fad items.

The size and age of the child should be considered when buying a toy. A toy a child can't operate with his small hands isn't much fun. Inspect each toy to be certain it's safe. Look for sharp edges, points, jagged or sharp corners, etc.

Look for good design work, quality materials and good craftsmanship and construction. A well built toy will last for years rather than a few hours.

Don't worry about having to spend a fortune. One maker of popular toys is offering a rebate on 16 of its products in time for the holidays.

Tonka Toys will send you three dollars on its Dig 'N Dump Wagon, Creative Rider and Ride-On Racer preschool toys; Play People Farm set; Mighty Pickup and the familiar Tonka Mighty Dump, among others; and five dollars back on Mighty Loader and Mighty Crane vehicles.

Just send them the proof of purchase seal, your sales receipt and rebate coupon (available at your local toy department, or by writing Tonka Toys, PO Box 100, Mound, MN 55364).

Whatever price you pay, be sure you get what you pay for. Inspect it for broken parts or missing pieces.

Be certain you understand how the toy or game works so you can show your children.

Then, have fun—and more of your funds, too.

Card Of Thanks

I would like to take this opportunity to say a big thank you to Doctors Thompson and Neufeld, the nurses and staff at the Knox County Hospital for the wonderful care given me during my seventeen days stay there. Thanks also to Gary Jackson, anesthesiologist, and the Pink Ladies for their care and concern.

For the visits, flowers, cards and most of all your prayers, I will be forever grateful.

I feel as though we are so very fortunate to have these fine medical facilities and professional help in our midst.

May God bless each of you.

BEGIN NEW TV SEASON WITH NEW TV SNACK

Cereal snacks are almost as old as cereal itself. Cheerios toasted oat cereal announces an alternative to cereal party mixes, popcorn and marshmallows. It's called "Hot Buttered O's."

Simple and easy to make, as well as convenient, Hot Buttered O's call for only three ingredients. And most important, they taste good. Hot Buttered O's are a TV snack that promises to become an American classic.

Four variations have been developed to give a different flavor for each weeknight's TV viewing. Microwave directions are included to make preparation time even faster. And you can eat Hot Buttered O's from the dish in which they were prepared!

HOT BUTTERED O'S

1/4 cup butter or margarine Salt
4 cups Cheerios cereal

Melt butter in 10-inch skillet over low heat. Add cereal. Cook and stir until well coated and hot, 2 to 3 minutes; sprinkle with salt. Serve warm or cool. 4 cups snack.

Microwave Directions: Place butter in 2 1/2-quart microwaveproof bowl. Microwave uncovered on high (100%) until melted. Stir in cereal until well coated. Microwave 1 minute, stirring after 30 seconds. Sprinkle with salt.

Bacony Hot Buttered O's: Fry 4 or 5 slices bacon in 10-inch skillet until crisp; remove bacon. Cook and stir cereal in bacon fat as directed. Omit salt. Crumble bacon into cereal.

Curried Hot Buttered O's: Substitute curry powder for the salt and add 1/2 cup raisins.

Peanutty Hot Buttered O's: Add 1 cup salted peanuts after sprinkling with salt.

Seasoned Hot Buttered O's: Substitute 1/4 teaspoon garlic salt or onion salt for the salt.

High Altitude Directions (3500 to 6500 feet): No adjustments are necessary.

THANKSGIVING • BLESSINGS •

It is only fitting that we should set aside one day to acknowledge our blessings and to give thanks to Almighty God for those blessings we enjoy.

No. 1 Choice at a Price you Can Afford.

—Limited Quantities—

SALE PRICE GOOD FRIDAY & SATURDAY

ACT FAST!

PRICES GOOD
ONLY WHILE QUANTITIES LAST!

Model RRL-5C

Quality construction. Exclusive features.
Exceptional Value.

This Amana Radarange gives you proven Amana quality, exclusive features, and a price that makes it an exceptional value. Look at what you get.

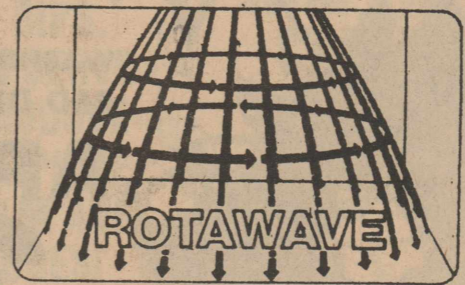

*Exclusive 10-year limited warranty. The longest warranty protection in the industry! Ask us for details.

*700 watts of microwave power. On full power, cooks almost everything in one-fourth the time of conventional cooking.

*Proven safety. After submitting to voluntary U.S. government torture tests, Amana is the only microwave oven manufacturer exempt from displaying a safety warning label on the door.

*Cookmatic Selector Control. Lets you set the oven to cook on full power, slow cook, or defrost.

*Large stainless steel interior. Lots of useable oven space. Will not rust, chip or corrode. Easy to clean.

Patented ROTAWAVE
Cooking System

A rotating shower of power that cooks most foods faster and more evenly than we even thought possible! A rotating antenna beams microwave energy directly at food in a uniform, rotating pattern. Virtually all foods cook more uniformly throughout. And most foods require no turning because Rotawave constantly rotates microwave energy through the food.

Friday: Enchilada Casserole, Tossed Salad, Corn on the Cob, Pudding, Cornbread, Butter, Milk

Dinner To Benefit Abilene Weatherman

As most of the area viewers know, Bill Chaney, formerly of KRBC-TV, and presently employed by KTAB-TV, Channel 32, both in Abilene, has recently recovered from a major illness over the past 10 months with expenditures of over \$500,000.00.

West Texas utilities Company, who has sponsored the weather with Chaney as spokesman for the past 16 years, will be selling tickets to a benefit dinner KTAB will be giving in appreciation of Chaney on Monday, November 29, at 6:30 p.m. at the Civic Center.

Tickets may be purchased from any WTU office and need to be bought by Wednesday, November 24.

Photo Walls

Reserve one wall for photographs taken each year on your family jaunt. Framed photos will not only record happy moments, but are also an inexpensive and very personal way to decorate.

If you have a large space available for wall decors, plan to take many photos and select your best ones for framing. Have your favorites blown-up to a variety of sizes, some horizontal and some vertical, and plan an interesting wall group.

Burnett Class Has New Activity

By Rance Marion
The Knox City-O'Brien language arts and creative dramatics seventh grade class in Mrs. Burnett's room have been studying parliamentary procedure. As part of the class activity, a club was formed in which parliamentary procedure was practiced and a party was planned.

Officers elected by the members are president, Christy Mowery; vice-president, Lawri Tankersley; secretary, Shea Stubbs; treasurer, Gary Brewer; and reporter, Rance Marion.

The members elected to name the group, "The Burnett Bunch". Plans were made for a party and committees were assigned to carry out the various jobs. The party and the club meetings were enjoyed by all.

GREENHAND NEWS
By Danny Balis

The Greenhand quiz team went to Throckmorton last Thursday and competed with other schools on answering questions about parliamentary procedure and the present and past history of the FFA. The team consisted of Michael Rauch, Rick Wupperman and Danny Balis. The scores were not announced, but the team placed fifth. Not good enough for area, though, for the top two teams get to go. Considering the team had little time to study and had no experience in the quiz, they did very well.

SENIOR CLASS NEWS
By Joe Rocha

Last week, the Seniors had a meeting to elect nominees for the Miss Merry Christmas pageant. Those elected were Toni Hewitt, Adela Rocha and Sandy Sutton. They will represent the class and we wish them good luck.

We would like to thank all the mothers for their help with the Thanksgiving Supper last week. Without them, we wouldn't have been able to be successful as we were.

The Hounds won bi-district last week and will advance into area against the Vega Longhorns at Childress. The Seniors will be backing them up and watch another bite the dust. Bite 'em Dogs!

SOPHOMORE CLASS NEWS
By Cyndy Griffith

We are looking forward to the Thanksgiving holidays because it seems like school has been going on forever.

This is the second week, the cheerleaders have been selling beat tags as Coach Sloan would say. If you would like one, contact Missy Pierce.

AMERICA'S FAVORITES

RED CABBAGE ITALIANO

The recipe contains spicy hot Italian sauce with flavorful sweet-sour red cabbage. This economical dish is served on hamburger rolls and is likely to become a regular on the menu. Moms will like it for its meat-money stretching and the fact that the unusual flavor combination wins family raves.

RED CABBAGE ITALIANO

1 pound hot Italian sausage
2 tablespoons chopped onion
1 jar (16 oz.) Greenwood or Blue Boy Sweet-Sour Red Cabbage
2 tablespoons chopped green pepper
Hamburger rolls

In a large skillet, cook sausage and onion until sausage is well done. Drain fat. Stir in cabbage and green pepper and heat well. Serve on hamburger rolls. Leftovers will keep in the refrigerator. Makes six to eight servings.

to our many friends...

A Happy **THANKSGIVING** to all!

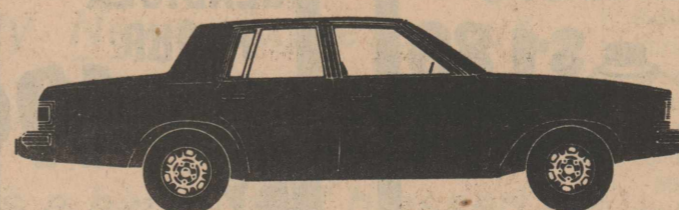

Because of the tremendous response to the former Police cars that we are offering for sale, we have ordered several more cars.

Two 1981 Chevrolet Malibu 4 door sedans, each equipped with the heavy duty police package options. Exterior Colors will be dark blue, both cars will have tan vinyl interiors. Both Malibu's will be equipped with 305 4-barrel V-8 engines.

One 1980 Ford Fairmont 4 door sedan, equipped with the heavy duty police package options. Exterior color is light blue and the interior is a light blue color with cloth seats.

Before you pay the high prices on New Cars, check with us on a high quality used car that has a WHOLESALE price tag! You'll save money, that's guaranteed!!
