March of Dimes Here Nets \$1566.32 For One Of Biggest Years Yet

Olton's March of Dimes campaign wound up Wednesday morning with collections amounting to \$1566.32 and all but three reports in.

Mrs. Basil Sherman, Olton Study Club president and chairman of the March, states,

"We want to thank everybody who had any part in helping us because without the people, we couldn't have done anything."

Thirteen club members made a march on Olton Thursday night, bringing in \$263.89 from a door-to-door canvass in town.

Women who participated were Mesdames Roye Aikman, Paul Burrus, Carl Macon, Raiford Daniel, Jim Fuller, D. M. Granbery, I. B. Holt, Carl Hooper, Basil Sherman, C. S. Silcott, Jack Straw, Bill Thomas, and Bill Yates.

Kay Sherman also assisted in driving one of the cars. Though the entire \$1566.32 had not yet been broken down Wednesday morning, Mrs. Sherman reported amounts turned in by some groups:

Ideal Cafe, selling coffee for a dime Saturday, took in \$27.35. Volunteer Fire Department 42 Party Saturday night, \$26.23. Collections at the Roxy Theatre Thursday and Friday nights, \$78.98.

Donation through free-will offering at the main street Church of Christ Sunday morning \$194.10. Lions Club members, \$28.00. Louis Ball birthday party, \$3.05. First five grades of school, \$151.00. High School, \$25.05.

Mrs. Carl Macon's fourth-graders presented an original puppet show one day at noon, charging five cents admission, and netted \$5.05. Fourth-graders of Mrs. Margeurite Covert, charging one cent admission for a program, netted 74 cents.

This year's campaign is one of the largest ever staged in Olton.

Sixty-eight lots went on the block at Littlefield Tuesday in the latest sale of Olton's tax delinquent lots.

City officials said the lots sold for an average of \$80.60 each. Highest price paid for an individual lot in the sale was \$200. City officials said 64 additional lots will go on the tax block the first Tuesday of next month.

Tragedy Takes Life Of Small Lad Last Week

A 21-month-old boy was fatally burned last Friday afternoon when he accidentally overturned a bucket of hot starch.

The little boy was Leon Hood, son of Mr. and Mrs. J. Hood, who are employed on the Fred Hicks farm 2 miles east of Olton.

The mother was preparing the starch and had set it on the floor when she heard her husband knocking on the rear door of their home. She went to open the door and it was then that the tragedy occurred.

Mr. Hicks said the boy suffered severe burns over most of the body. The baby died at 11 o'clock Saturday night in Olton Memorial Hospital.

Funeral services were held in Littlefield. Burial was at Littlefield under direction of Jameson Funeral Home of Lubbock.

Survivors include the parents and eight brothers and sisters.

MUSTANGS TO VIE WITH LITTLEFIELD IN CAGE TRIPLEHEADER HERE TONITE

Olton and Littlefield will collide in a trio of basketball games here this Thursday night, and there'll be four boxing matches thrown in for good measure.

The B teams of the two schools will open activity in Olton gymnasium at 5:30 p. m., and girls' and varsity contests will follow in that order. The girls' game will begin about 7 p. m., and the varsity contest is set for 8:30 p. m.

Boxing matches, featuring high school mittmen, will be held between halves of the last two games.

Admission will be 50c for adults and 25c for students. The boys' varsity contest is a non-conference affair, but the girls' contest will be a District 2-AA conference game.

Anticipate Crowd
A near-capacity crowd is expected to be on hand to cheer on the Mustangs against the in-

vading Wildcats. At Muleshoe Tuesday night, OHS cage teams emerged victorious in only one of three games. The Mustang junior varsity took an easy 56-28 win over the Mule B squad. Kirk McAdams had 17 points and David Price rolled in 13 for the locals.

The Mule varsity, which had beaten Olton by 30 points earlier this season, was hard-pressed to best Olton this time, but won a 49-44 thriller after having trailed the Mustangs 19-27 at halftime. Clyde Rhodes canned 13 points and Bobby Straw had 10 for Olton.

Mullettes Win
Olton's girls dropped a 44-59 decision to the Mullettes, who lead District 2-AA standings with an unblemished 5-0 record. It was the thirteenth consecutive win for the Muleshoe girls. Linda Franks had 23 points and Betty Sides had 19 for Olton.

Community Response To Seat Sales Gives Green Light For Expansion

The improvement project proposed for Olton Memorial Stadium is assured.

Supt. of Schools Carl Macon announced this week that reserved seat sales have reached a point sufficient to assure the sorely-needed expansion and improvement project.

School trustees, in session Tuesday night, met with V. R. Rodgers & Son, Plainview contracting firm, and decided on terms of a contract, under which Rodgers will erect approximately 1,000 new permanent-type seats on the east side of the stadium.

Farmers Will Meet Monday

A meeting of the Farmers Union will be held at 7:30 o'clock next Monday night at city fire station.

All members have been urged to attend as several important matters are to be discussed.

The contract, which is being officially drawn this week, is for \$8,000, the superintendent said. Its terms specify that the Plainview firm will also move the present east side stadium seats farther south and erect them on concrete piers.

The new stadium section will be constructed of concrete, heavy steel and treated fir. The structure will be 120 feet long and 15 rows high, with two five-foot aisles. Plans call for the rows to be approximately 5 inches higher, from row to row, than are present seats in Olton Memorial Stadium to allow for better visibility.

Removable Ramps
Removable ramps will be another feature of the new stadium, Macon explained. Such ramps would facilitate possible construction of a track around the field for OHS track and field meets.

"The realization of this project represents a very good job by a lot of people," Macon commented. "It was no one person's work, and no single organization's efforts that made it a success, but rather a project by our entire community, and the results speak well for Olton community spirit."

Completion of the new stadium seats will make the east side the "home" side of Memorial Stadium.

Veteran Builder
V. R. Rodgers & Son have built football stadiums at Littlefield, Hereford, Petersburg and other area towns, and are thoroughly experienced in this type of construction, the superintendent said.

Stadium construction probably will begin in early summer, and Rodgers has promised completion in ample time for the opening of the 1955 football season.

The improvement project also calls for a concrete block dressing room and public restrooms at Olton Memorial Stadium, and plans for those structures are in process now, Macon said. Contract on these buildings will be let shortly. Cost is estimated at \$4,000.

Generous Response
The project has been made possible by the community's generous response to reserved seat sales, a plan heretofore untried in Olton. The seats have sold for \$20 each. Purchasers of the reserved seats will be entitled to those seats for three years (1955, 1956 and 1957). Everyone will continue to pay \$1 admission.

Realization of the stadium improvement project will increase the seating capacity of Memorial Stadium from about 1,200 to more than 2,000.

The two temporary bleacher sections now situated on the east side of the football stadium will be moved to the baseball field upon completion of the new stadium section, and the more permanent-type section of seats on the east side will be moved south to adjoin the new seats for use by OHS band and pep squad members.

The new stadium seats will be situated approximately between the 30-yard lines, with the center section — where the reserved seats have been sold — to be situated between the 40-yard lines.

District Records
The Mustangs now own a 1-3 record in conference play, and the OHS girls have a 3-2 district record.

OHS cage teams will be in Floydada on Tuesday night, Feb. 8, and on Friday, Feb. 11, they'll journey to Lockney. Both Floydada and Lockney are conference opponents. Next home conference games are scheduled for Tuesday, Feb. 15, when Tulia will move in.

IMPROVING
Judge E. N. Burrus is slowly improving, relatives state.

By VERNON NIXON

Near Springlake weather continues to give the farmers an opportunity to catch up on their winter work. Most all are continually doing outdoor work with moldboard and hoeing being predominate. Several are using the disc plow where moisture is not sufficient; however, in most of the areas other than northeast of town the fields are working perfectly. Much well-work and underground tile preparations are being done in readiness for the coming Spring. Unless more moisture comes soon, watering will begin very shortly.

Only one more week remains until Olton's annual FFA and 4-H Stock Show. Most all preparations have been completed and the boys and girls are in readiness. Reports come in that this year will exhibit some of the finest animals seen at Olton. Also that this show may be one of Olton's largest for entries. With the "Commercial Class" of fed steers, the boys are stepping out into a field which will prove their practical training as

well as exhibition showing. The beginning of a class for "Commercial Fed Calves" has received the highest endorsement of any project ever offered by this show. The work of Mr. Lane and Mr. Brown of the Ag. Dept. in School is showing wonderful results. Olton Community will profit much thru the efforts being made by these instructors in developing a better class of animals for our area. Much time and work has been given in securing breeding stock from the better herds of our surrounding states. Many of the boys have animals from some of the best farms in the Southwest.

Remember on ly one week until the Stock Show. Make your preparations now to attend all the judgings and the Auction Sale. If you haven't been contacted yet in helping the boys with their Show, see one of the members of the board of directors. There are some expenses which will need be financed. You can help and always feel proud that you did.

NUPTIALS ARE SOLEMNIZED

MRS. JIMMY BRIGGS

Chapel In Canyon Is Scene of Ceremony Uniting Lorraine Fisher and Jimmy Briggs

Before an altar of white and gold Thursday evening, January 20, Miss Lorraine Fisher, daughter of Mr. and Mrs. Robert Fisher, became the bride of Jimmy Briggs, son of Mr. and Mrs. W. C. Briggs of Adrian.

Nuptials were exchanged in the Joseph A. Hill Memorial Chapel, Canyon, with Rev. Strauss Atkinson, Canyon First Baptist Church, reading the double-ring candlelight ceremony.

A white satin aisle runner led to the satin-draped altar formed by seven-branch candelabra and gold vases filled with white gladioli. Large baskets of white gladioli completed the setting.

Miss Myrna West played "Dreams" by Wagner, and the traditional wedding prelude and postlude. She also accompanied Miss Peggy Bain, who sang "At Dawning," "Always," and a benediction, "The Lord's Prayer."

Attending her college roommate as maid-of-honor was Miss Von Fuller, Ropesville. She wore a pink velvet princess style ballerina length dress, with pink brocade shoes and a nose veil of pink dotted chenille. She carried a nosegay of pink flowers.

Attired in gowns identical to that of the honor attendant, except in aqua, bridesmaids were Miss Betty Ann Cooper, Gruver and Miss Gayle Gossett, Clayton, NM.

Flower girls Elaine Fisher, sister of the bride, and Huella

Taylor, cousin of the bride, wore aqua and pink respectively. Their dresses were styled similarly to those of the attendants, and they wore matching tulle headbands and carried miniature nosegays.

Bride Wore Lace
Bob Lotspiech, Adrian, served his college roommate as best man. Ushers were Billy Mae Briggs, brother of the bridegroom, and Jimmy Cluck, Dimmitt.

Candlelighters were Inelle Cox, Clarendon, and Karen Buchanan, Floydada.

Escorted to the altar and given in marriage by her father, the bride was a picture in an original gown by Priscilla fashioned of chantilly lace and imported tulle over Skinner's satin. The bodice of lace over satin was molded to a V in both front and back, with a Queen Anne collar. The lace sleeves tapered to long bridal points over the wrists. Gathered onto the bodice, the magnificent skirt of tulle over satin was accentuated with wide lace panels extending the length of the skirts in center front and back, with the back panel terminating in a chapel sweep.

Her fingertip three-tiered veil of imported French illusion fell from a lace tiara embroidered in iridescent sequins and seed pearls. The bride carried a cascade of white stephanotis centered with a large white orchid and showered with lovers knots

of white ribbon and stephanotis.

Reception Honors
Immediately following the ceremony, the bridal party was honored with a reception in Randall Hall, WTSC. Guests were registered by Miss Sue Macon, Olton, and presiding at the bride's table were Misses Paula Barber and Joy Dean Warner.

For her daughter's wedding, Mrs. Fisher chose a dress of blue crepe with black and white accessories and a white gardenia corsage. Mrs. Briggs wore a navy blue faille suit, with matching accessories and a gardenia corsage.

For traveling, the bride selected an ice-blue shantung suit with white lizard accessories and an orchid corsage. Following a wedding trip to Old Mexico, the couple are at home at 1904 8th Avenue, Canyon.

Are Students
Mrs. Briggs, one of WTSC's top four campus beauties, is a sophomore business major and sec-

retary of the Delta Zeta Chi Sorority. She was a 1954 candidate for Sun Princess.

Calendar Deadline Is February 10

Deadline for buying birthday calendars from the Olton Band Parents Association is February 10.

Persons who have not already been contacted may buy a calendar from any band parent or from any OHS senior band student. Profits from the calendar go directly to the Mustang Band. School students have been given application forms to deliver to the parents for a calendar.

Purchase of a calendar entitles the family to listing of all the birthdays and anniversaries of its members.

Thursday night the boys won their initial game of the season over Floydada 34-32. Matthew Shipp connected for 15 points for the Demons.

The girls lost their second game of the season by eight points to a strong aggregation of Floydada, 31-23.

Agnes Mosly was highest scorer with 16 points for the Demons.

The district tournament convened in Lubbock Saturday for Class "B" schools and Olton boys were defeated by Crosbyton, and the girls drew a bye, but lost their initial game to Post by two points. "Smile away 'Washday Blues' with an ELECTRIC Clothes Dryer!"

"I really had the washday blues when I had to hang clothes on the line. Besides the long walk out to the line, and lifting that heavy clothes basket, there was always the uncertainty about whether the clothes would be dried right."
"That's all gone now with an electric clothes dryer, and I have a smile — and time for a coffee break — on washday. What's most important, I know the clothes will be dried perfectly and I've ended the lugging and lifting."

says
Mrs. Bill Bates
3603 37th St.
Lubbock,
Texas

Ladies, the lugging out to the clothesline adds up to one-third of a mile every washday, and the lifting, by the end of a year, is the same as picking up a two-ton load.
Be like Mrs. Bates, instead of lifting on washday, get a lift with an electric clothes dryer.

Amundsen Family Glad To Be Back After Three Years In Europe

To eight-year-old Chris Amundsen, who has spent three years in Germany and France, "Texas is America."

And to both Chris, and his eleven-year-old sister, Linda, Texas, with Grandma, Grandpa, popsicles, and TV, is the most wonderful place in the world.

Chris and Linda are children of Major and Mrs. A. L. Amundsen, who returned last month from a three-year tour of duty in Europe with the army. Mrs. Amundsen is the former Gladys Thomas, daughter of Mr. and Mrs. R. H. Thomas, and 1939 graduate of Olton High School.

Home was brought nearer to the Amundsens in Germany, however, because they were able to visit Mrs. Amundsen's sister and family, the John L. Tinnerellos in Stuttgart, Germany, — about a three-hour drive from Hanau.

The two families did some traveling together, and managed a reunion of some sort about once a month.

Major Amundsen was supply officer at Hanau, Germany, until his last eight months in Europe, when he was transferred with the entire company to Orleans, France, in the same capacity.

The family lived in Argonner Kaserne — a completely American site set up by the government, with all facilities — churches, schools, clubs, theaters, apartments, even furniture and dishes —

furnished by the government. "Our Kaserne was just as nice as it could be," Mrs. Amundsen boasts. "It was just as nearly like stateside living as living overseas could possibly be."

There were about 150 families in Argonner Kaserne. The place had been occupied during World War II by German troops. The buildings and grounds had been improved, however, and even boasted some new modern buildings.

All the American apartments were furnished nicely, but exactly alike, except perhaps for a difference in colors, Mrs. Amundsen muses.

"Most of the families had a full-time maid," she continues, "since there was such an un-

employment problem in Germany. Girls were glad to have an American family to work for.

"Our maid, Armanda Rosenberg, was French, but she could only speak German. Chris and Linda, of course, were getting German in school, so they could converse with her much better than we."

Linda, a fifth-grader, and Chris, second-grader, attended a very modern school, with American teachers. The German language was taught in all grades, from kindergarten on up.

Most commodities were available, Mrs. Amundsen explains, at the American PX there on the Kaserne — clothing, food, miscellaneous items. However, milk came from Holland, and fillet was available at a very low price both at the

PX and on the German market.

"We traded only on the German markets which had been okayed by the army, however," she adds.

The countryside around Hanau was plain and flat, but very green and colorful, Mrs. Amundsen says.

"We had very little summer in Germany," she states. "The men wore winter clothing the year round. And it was rainy and foggy most of the time."

Hanau is famous for its Hanau Rose silver. The Amundsens acquired a collection of odd pieces. Major Amundsen also found collections of wood carvings from the Black Forest interesting. Black Forest was about a four-hour drive from Hanau, and the family went there often.

"We saw just about all of Germany and France in the three years," Mrs. Amundsen asserts. "Except we didn't go to Berlin. We also toured Norway, Sweden, Denmark, Holland and Switzerland."

"Our favorite spot," she smiles, "was Garmish, Germany. It was a resort town in the mountains, and we loved to go there just for rest."

The eight months spent in France afforded the Amundsens different experiences. They rented a chateau about two hours out of Paris with seven other families. They lived 40 miles from the American PX, so they did most of their trading on the French market and visited more with French families.

The children rode the bus 40 miles to school each day.

"The thing we most enjoyed about Paris, however, was the food," Mrs. Amundsen reminisces. "There's just nothing like dining for about four hours in Paris."

The Amundsens sailed from Bremerhaven, Germany, December 9, and landed eleven days later in the USA. They spent some time in New Jersey with Major Amundsen's family, and came to Olton after Christmas.

The couple lived in Olton for a number of years and had the Olton Hardware from 1946-1950. They sold the business to Bill

Smith when Major Amundsen was called to active duty. He is now making arrangements for the family's new home in Memphis, Tenn., where he is being stationed.

"Though the children missed their grandparents, TV, and popsicles," Mrs. Amundsen agrees, "actually we're grateful for the experience we had in Europe, and for the traveling we were able to do. It's an education in itself, and if nothing more, it makes us appreciate our good old America all the more."

**Final Arrangements Are Under Way
For Annual Olton Livestock Show**

Last minute preparations were being made this week for the 10th annual Olton Future Farmers of America, Future Homemakers and 4-H Club Stock Show.

The show will be held Thursday, Friday and Saturday of next week.

Actually the show will not begin until Friday. However livestock must be entered Thursday. The show barns in northeast Olton will be open for 12 hours, beginning at 6 o'clock in the morning.

Vocational agriculture instructors are J. W. Brown and J. C. Lane, who are gone this week with a group of FFA boys who are showing animals in the Houston livestock show. A full report of the Olton boys' part in Houston show will be available next week.

Members of the stock show board of directors this week were making final arrangements for the show.

Probably the most prominent improvement at the show barn this year will be the new office inside the barn. It was erected by the FFA boys and will enable show officials to clerk the animal sale while it is going on.

Plans call for settlement with both buyers and the boys following the sale of the animals.

The boys also have constructed facilities for showing of 25 head of commercial stock outside the show barn. Buyers from all over this part of the country will be present at the sale.

Members of the board of directors this year include: Jack Allcorn, president; and Vernon Nixon, Jack Straw, Bill Bearden, Wilton Bodkin, Virgil King, Gerold Allcorn, W. B. Dickenson, Jr., Paul Nafzger, Herschel Carson and Carroll Cox.

J. T. Tollett, Olton's FB Best Seller, Wins Boots at Victory Party Monday

J. T. Tollett, for securing 20 memberships in the Lamb County Farm Bureau membership drive, won a pair of \$40 boots, given by Olton Co-Op Gin, at the Victory Party in Littlefield Monday night.

Olton maintains the largest membership of any community in the county, with 213 of the now 1275 county members. Lamb County, however, topped its goal of 1215 members in the drive, climbing from 1042 in 1954.

The 12-foot home freezer supplied by Bley Equipment, was awarded to Joe Thompson of Amherst. Mr. Thompson secured about 30 memberships in the drive. Mrs. E. J. Stone of Sudan, the woman selling the most memberships, won an orchid.

Hart Camp's highest selling man, Aubrey Neinst, was given a pair of boots by the Hart Camp Co-Op Gin.

"Littlefield tried very hard to out-do Olton," Mrs. Mickey Stephens of the county FB office states, "but Olton still holds the top spot."

More than 100 persons attended the Victory party. Mrs. Stephens announces that the Farm Bureau will soon begin a series of films on rabies.
